NCAA THIRD ROUND - at Stanford

Sat., Nov. 23, 2002 (7:00 PST)

The 19th-ranked Notre Dame women's soccer team (13-7-0) faces a big challenge as it looks to continue its late surge, with an NCAA third-round (final 16) matchup at top-ranked Stanford (20-1-0) on Saturday, Nov. 23, at 7:00 p.m. PST (winner moves on to quarterfinals, vs. winner of Richmond at #8 seed Portland) ... the Irish have won six of their last seven, including NCAA wins last week over Ohio State and #14 Purdue (both 31) ...those games ended a rare 18-day layoff for the Irish, who have recovered from a series of injuries to several key players.

**WEBSITES:** For detailed Stanford information, please consult [www.gostanford.com](http://www.gostanford.com).

**LIVE AUDIO:** The ND-Stanford game can be followed live via the internet, with a link at [www.gostanford.com](http://www.gostanford.com) (note that no link is able to be provided at [www.und.com](http://www.und.com)).

**LIVE IN-GAME UPDATES AT ND SPORTS HOTLINE (574-631-3000):** The Notre Dame sports hotline will provide periodic in-game updates (every 15-20 minutes of game time) of the ND-Stanford game, plus the customary postgame wrapup ... for schedule and result information on all 26 Notre Dame varsity sports, call the ND Sports Hotline at (574) 631-3000 (press "4" for soccer information and then "2" for women's soccer results).

**VERSUS #1:** Notre Dame will be facing the top-ranked team in the NSCAA poll for the 11th time in the program's history, with a record of 35-2 in previous games vs. #1 (2-4-2 vs. UNC, 1-1-0 vs. Santa Clara) ...the first year of the Randy Waldrum era (1999) saw the Irish play three games vs. #1-ranked teams, losing the opener in double OT (3-2, vs. UNC) and losing a 42 midseason game at Santa Clara - before getting revenge on the Broncos in the NCAA semifinals

**NCAA HISTORY** (full results pp. 3-5): Notre Dame has played in every NCAA Championship since 1993, including six trips to the College Cup semifinals in the last eight years, four title-game appearances ('94-'96, '99) and the 1995 championship season ... the Irish own an all-time NCAA Tournament record of **26-8-1** (.757, second-best in NCAA record book), with four losses coming at the hands of UNC in title games (5-0 in '94, 1-0 in OT in '96, 2-0 in '99, 2-1 in '00) ... ND dropped its first-ever NCAA Tournament game to George Mason in 1993 (2-1) while ending the '97 season with an NCAA semifinal loss to UConn (2-1) and closing '98 with a 2-1 quarterfinal loss to Portland at Alumni Field ... that game and the 2001 second-round loss to Cincinnati (3-2) remain ND's only postseason losses at home (28-2-0; 20-2-0 in NCAAAs) ... the Irish claimed the 1995 NCAA title with a semifinal win over UNC (1-0) and a triple-OT win over Portland in the title game (1-0) ... ND is 18-3-1 in its last 22 postseason games (54-16 scoring edge), 23-4-1 in the last 28 (67-17).

**MIRRORED OFFENSES:** Notre Dame and Stanford have posted similar offensive numbers in 2002 while competing against two of the nation's strongest schedules ... the Irish have played eight games vs. NSCAA top-25 teams (at game time, plus four others ranked at some point in '02) while Stanford has played 11 teams ranked in the top 25 at game time ... Stanford holds slight per-game statistical edges over ND in goals (2.56 to 2.27), shots (18.4 to 16.5) and corner kicks (6.67 to 5.45) while the teams have near-identical shooting percentages (Stanford at .139, or 7.17 shots per goal, and ND at .140/7.15).

**TWO PAIRS OF TOP FRONTRUNNERS:** Another similarity between the ND and Stanford attacks is the fact that both are led by a pair of scorers who all have totaled 9-11 goals and 26-33 points ... ND's leading scorers are junior forwards **Amanda Guertin** (11G-11A/33 pts, 5 GWG) and **Amy Warner** (9G-8A/26 pts, 3 GWG) while the Cardinal are led by senior **Marcia Wallis** (12G-7A/31 pts, 6 GWG) and junior **Marcie Ward** (10G-13A/33 pts, 4 GWG) ... those four players also have strong career numbers, with each owning 27-48 goals (Wallis 48, Guertin 37, Ward 34 and Warner 27) and 67-116 points (Wallis 116, Ward 106, Guertin 95 and Warner 67) ... in yet another similarity up front, both team's third forwards are freshmen who have played for their respective U.S. and Canada under-19 national teams: Stanford's **Jennifer Farenbaugh** (7G-4A) and ND's **Katie Thorlakson** (4G-3A).

**NETMINDER FOCUS:** The "x factor" in Saturday's game could be the goalkeepers ... Stanford redshirt junior **Nicole Barnhart** (dnp in '01) has yielded just four goals, with a nation-leading 0.19 goals-against avg. and 17 team shutouts (no team has scored more than one goal vs. her) ... **Erika Bohn** – the first freshman G to start for ND since '93 – has made strides throughout '02, with a 1.27 GAA ... Bohn has played a key role in the 6-1-0 streak, allowing just six goals (3 shutouts, 3 games with 1 GA and 3-2 loss to BYU, with last goal coming on rare late-game PK) ... Barnhart and Bohn were teammates on a U.S. Olympic Development team that toured Europe in 2000.

**SENIOR LEADERSHIP:** Stanford also has an edge in senior experience, with six seniors on the squad while midfielder **Ashley Dryer** is ND's only healthy senior (D Vanessa Pruzinsky is out with a season-ending ankle injury) ... Stanford's starting lineup includes four seniors: F **Marcia Wallis** and the M trio of **Callie Withers**, **Aly Marquand** and **Kelsey Carlson** ... the team rosters are basically even in the junior class (six for ND, seven for Stanford) – with five of those juniors starting for the Irish (Fs Amanda Guertin and Amy Warner, M Randi Scheller, central D Melissa Tancredi and right back Kim Carpenter) ... ND has three freshmen in its starting lineup (F Katie Thorlakson, central D Cat Sigler and G Erika Bohn) while the Cardinal has three rookie starters: F Jennifer Farenbaugh and twin Ds Hayley and Lindsey Hunt ... Stanford had the edge with returning starters (9) and letterwinners (18), compared to an ND squad that returned seven starters (one out with injury) and 12 LWs (two inactive due to injury).

**YOUNG IN THE BACK:** Both teams are youngest in the defensive third ... ND's five defensive players include two freshmen (central D **Cat Sigler**, G **Erika Bohn**) plus three non-senior veterans who have converted to defense: junior F **Melissa Tancredi**, junior M **Kim Carpenter** and sophomore **Candace Chapman** (played mostly F and M prior to college) ... Stanford typically starts freshman twins **Hayley** and **Lindsey Hunt** in the defense, alongside juniors **Natalie Spilger** and **Alisan Pabon** (with sophomore **Nicole Barnhart** in the goal).

**ON A ROLL:** Notre Dame has six wins in its last seven (19-6 scoring edge) while the Cardinal are riding a 13-game win streak (12 shutouts).

**INSIDE THE ND-STANFORD SERIES**

Notre Dame holds a 42-0 series edge versus Stanford, with wins in each of the last four meetings (dating back to ND's 1995 NCAA Championship season) ... the Irish hold a slim scoring edge in the series (10-7), with the last two wins coming by one goal ... here's a look at the previous six games

**1992** – The young Irish program (fifth season) drops a 3-0 game to #2 Stanford at the Golden Dome Classic, with goals by Sarah Rafanelli and Jennifer Stephan (2).

**1993** – Third-ranked ND's 14-game win streak ends in 3-1 OT loss to #9 Stanford, at Cardinal Classic ... Michelle McCarthy gives Irish an early lead but Rafanelli ties the game and scores again in OT, as does Carmel Murphy.

**1995** – The #2-ranked Irish set a team record with their sixth straight shutout (2-0), holding #3 Stanford to four shots while extending nation's longest regular-season unbeaten streak (32) ... ND opens scoring on rare goal from assist master Holly Manthei while Shannox Boxx (MVP of the ND Invitational) adds a goal shortly before halftime ... the game marks the return of ND star midfielder Cindy Daws from injury (she helped set up Manthei's goal, minutes after entering the game).

**1996** – Freshman sensation Jenny Streiffer scores twice for the top-ranked Irish in 4-0 win over #18 Stanford, extending ND's road winning streak to 14 games (24 overall) ... Daws and Monica Gerardo scores to cap a three-goal in flurry in a nine-minute, second-half stretch.

**1999 (NCAA round of 16)** – Mia Sarkesian scores off the bench in the 81st minute – stopping a clearance and sending an 18-yard crossing shot into the upper right corner – as #5 ND holds off #8 Stanford ... the Cardinal were poised to tie the game in the 83rd minute but Ronnie Fair's PK (after a hand-bal) hits off the left post and then stunningly smacks off the right post as well ... Stanford's Kelly Adamson had two near-goals in the first half (Vanessa Pruzinsky cleared one shot off the line and LaKeysia Beene saved a diving-header shot) ... ND posts a 15-9 shot edge (9-6 CKs).

**2000** – The #4 Irish beat #10 Stanford at the ND Classic, on an owl goal in OT (2-1) ... ND's constant pressure (18-3 shot edge) forced the GWG ... Carly Smolak makes 15 saves while the Cardinal loses Callie Withers to a red-card violation in the 82nd minute (after reacting to a foul by pushing down an ND player) ... the regulation goals come on similar sequences, with ND's Amy Warner one-touching her score off a pass from Ashley Dryer in the 35th minute while Kelly Carlson and Celine DeLeon set up a Marcia Wallis' quick counterattack goal in the 56th minute ... the game ends when an Anne Makinen pass springs Warner down the right flank ... her low cross is swept away near the right post but the ball deflects off a Stanford player angling back on the play (sliding inside the post with 0:18 left in the first OT).

**ROUND-OF-16 REMATCH:** Five Stanford players and one from Notre Dame (M **Ashley Dryer**) remain from the 1999 NCAA round-of-16 showdown ... Dryer had an early scoring chance in that game and totaled four shots ... Stanford's holdovers from that game include **Callie Withers** (reserve) and four starters: F **Marcia Wallis**, D **Aly Marquand** and midfielders **Becky Myers** and **Kelsey Carlson**.

**VS. THE PAC-10:** Notre Dame owns a 9-2-0 all-time record vs. Pac-10 schools, with all but one of those games coming vs. Stanford (4-2-0) or Washington (4-0-0) – plus the 80 win over UCLA in the 1997 NCAA quarterfinals ... Randy Waldrum's career as a women's soccer coach includes a 4-3-2 record vs. the Pac-10 (2-0 vs. Stanford, 1-1 vs. Washington, 0-1-1 vs. UCLA, 0-1 vs. USC, 0-0-1 vs. Cal and 1-0 vs. Oregon).

**ND-STANFORD POSTSEASON HISTORY:** The Irish and Cardinal have met in head-to-head NCAA postseason action in several other sports during recent years – with the first postseason matchup between the schools coming way back in the 1924 Rose Bowl (a 27-10 victory for ND's Four Horsemen-led squad, in an era before the team was known as the Fighting Irish) ... the Stanford women's volleyball team beat ND in the 1998 NAAs while the Irish baseball team dropped a pair of tight games vs. Stanford (4-3, 5-3) at the 2002 College World Series ... Stanford defeated ND in the 1992 NCAA men's tennis championship matchup (5-0, at Georgia) while Stanford has posted three NCAA tournament wins over ND in women's tennis (5-0 in '93, 5-1 in '94 and '95).

**PLAYING THE BEST:** ND has played some of its best soccer vs. ranked opponents, with a 21-9-2 record vs. NSCAA top-25 teams in the Waldrum era (since '99) ... that trend held true in 2001 (5-1-0): 2-1 vs. Penn St., 2-0 vs. Hartford, 2-1 vs. WVU, 3-0 vs. Miami, 0-3 at UConn, 2-1 vs. Michigan ... the Irish own 2002 wins over #25 Maryland (5-2), #8 UConn (3-1) and #13 Michigan (1-0), with losses to ranked teams Santa Clara (0-4), Portland (0-1), WVU (0-3) and Purdue (1-3) ... over the course of '01 and '02, ND owns a 9-5-0 record vs. ranked teams (21-5-1 vs. unranked teams).

**ROUND-OF-16 SUCCESS:** Notre Dame is 7-0-0 in previous NCAA round-of-16 games (24-2 scoring edge), with four seasons ending in the NCAA title game (1994-96, '99), two in the semifinals ('97, '00) and one in the quarterfinals ('98), plus last year's second-round exit (final 32) ... ND's round-of-16 wins break down as follows (the Irish were higher-ranked in all seven games): #1 ND over #16 George Mason ('94, 3-1), #4 ND over #18 Wisconsin ('95, 5-0), #2 ND over #14 Wisconsin ('96, 5-0), #2 ND over #6 Nebraska ('97, 6-0), #4 ND over #13 Nebraska (2-1), #3 ND over #8 Stanford ('99, 1-0) and #1 ND over Harvard ('00, 2-0).

**RARE UNDERDOG ROLE:** In its storied women's soccer history, Notre Dame has faced a higher-ranked opponent (in the NSCAA poll) just 33 times in 331 all-time games ... the Irish have compiled nearly a .500 record when facing a higher-ranked opponent (13-16-4), including 11-8-3 since '93 (when ND made its first trip to the NCAAs) and 6-5-1 in the four-year Randy Waldrum era (3-2-0 in '02) ... if the Irish upset top-ranked Stanford, it would rank as one of the program's biggest upsets (in relation to poll position) since the unranked 1991 team posted a 4-0 win at #22 Cincinnati ... earlier this season, after the Irish had fallen out of the top-25 poll, ND bounced back with noteworthy upsets of #9 UConn (3-1) and at #13 Michigan (1-0) ... the only time that a ranked ND team has beaten a team ranked five-plus spots higher came in 1992, when the #20 Irish bested #14 Wisconsin (1-0) ... here's a look at ND's 13 all-time wins over higher-ranked opponents:

11/17/02	at #19 ND 3	#14 Purdue 1 (NCAA 2nd round)
10/17/02	ND 1	at #13 Michigan 0
10/13/02	at ND 3	#8 Connecticut 1
9/25/01	at #4 ND 1	#3 Nebraska 0
9/8/00	at #4 ND 6	#2 Santa Clara 1
12/3/99	#5 ND 1	#1 Santa Clara 0 (NCAA semifinals)
10/4/96	#2 ND 2	#1 UNC 1 (at Duke)
12/3/95	#4 ND 1	#2 Portland 0 (NCAA title game)
12/1/95	#4 ND 1	#1 UNC 0 (NCAA semifinals)
11/5/95	#5 ND 1	#3 UConn 0 (at Rutgers, BIG EAST title game)
9/19/93	#7 ND 1	#4 William & Mary 0
10/2/92	#20 ND 1	#14 Wisconsin 0
9/14/91	ND 4	at #22 Cincinnati 0

**VS. TOP-FIVE FOES:** Notre Dame owns a 19-14-3 all-time record when facing a team ranked in the top five of the NSCAA poll (17-9-3 since 1995 and 3-4-1 in the four-year Randy Waldrum era) ... ND's most recent wins over top-five opponents include: 1-0 vs. #1 Santa Clara in the 1999 NCAA semifinals (San Jose), 6-1 over #2 SCU in a 2000 game at ND's Alumni Field and 1-0 over #3 Nebraska in a 2001 home game ... other top-five opponents faced in the Waldrum era include the 1-1 tie at #4 Nebraska in the 1999 NCAA quarterfinals (ND advanced on PKs) and losses to #1 UNC in the '99 opener (2-3, 2OT), at #1 SCU in '99 (2-4), vs. #3 UNC in the '99 NCAA title game (0-2) and vs. #5 UNC in the 2000 title game (1-2) ... ND's 19 all-time wins over top-five opponents include four on that opponent's field: at #1 UNC in the 1995 NCAA semifinals (1-0), at #4 UConn in 1996 (2-1), at #3 Portland in 1997 (1-0), and at #3 UConn in the 1998 BIG EAST final (1-0) ... the 1995 national championship season included seven games in which the Irish faced top-five opponents (5-2-0).

**ON THE OPPONENT'S FIELD:** Notre Dame has met with mixed results on the road this season (5-3-0), with the high points including wins at Maryland, Michigan and Boston College (plus vs. Hartford, at Maryland) while the lowlights include a three-game road losing streak (at Villanova, Georgetown and West Virginia).

ND junior **Lauren Kent** was a club teammate of Stanford junior M/F **Brittany Oliveira** and a common opponent of two other current Stanford players (**Marquand** and junior D **Natalie Spilger**) ... ND sophomore M **Sarah Halpenny** also played club soccer vs. **Marquand** and **Spilger**.

**THEY KNOW THE WAY TO SAN JOSE:** Saturday's game will mark ND's first visit to the Bay Area since the 1999 (runner-up) and 2000 NCAA College Cups (held at San Jose's Spartan Stadium) ... the Irish actually were slated to play a pair games in the San Jose area last season (at Santa Clara and Stanford) but those games were cancelled after the Sept. 11 national tragedy ... the Stanford game will mark the sixth time that ND has played an NCAA game in the Bay Area, including: at Santa Clara in the 1996 semifinals (3-2 vs. Portland) and the title game vs. UNC (0-1 vs. UNC, in OT), the 1999 final weekend at Spartan Stadium (1-0 vs. SCU, 0-2 vs. UNC), and the 2002 semifinals (1-2 vs. UNC).

**ND ALL-TIME IN CALIFORNIA:** Notre Dame owns a 46-0 all-time record in games played in the state of California (all in the Bay Area) ... in addition to the NCAA games in the above note, the other five games include: the 1993 Stanford tournament (1-3 vs. Stanford, 40 vs. Santa Clara), the 1996 SCU tournament (4-0 vs. Stanford, 1-3 vs. SCU) and a 4-2 loss at SCU in 1999.

**GOING BACK TO CALI:** Notre Dame's widespread player roster includes two players from Northern California – freshman Ds **Cat Sigler** (Windsor/Ursuline HS) and **Miranda Ford** (Portola Valley/Palo Alto HS) – plus a pair of Southern California natives in junior G **Lauren Kent** (Laguna Niguel/Santa Margarita Catholic HS) and sophomore M **Sarah Halpenny** (Glendale/Immaculate Heart HS) ... ND's all-time roster includes 15 other California natives, led by some of the top players in the program's history:

- \* Goalkeeper **LaKeysia Beene** (Gold River), now with Bay Area Cyber Rays and U.S. National Team
- \* Midfielder **Shannon Boxx** (Torrance), a top player with WUSA's San Diego Spirit
- \* Midfielder **Cindy Daws** (Northridge), the 1996 national college player of the year
- \* Forward **Monica Gerardo** (Simi Valley), now starring for the Washington Freedom
- \* Forward **Rosella Guerrero** (Sacramento), clutch goalscorer and senior leader of '95 NCAA title team
- \* Goalkeeper **Michelle Lodyga** (Mission Viejo), one of early leaders of Irish program
- \* Goalkeeper **Jen Renola** (Los Gatos), shutouts in all four 1995 NCAA games
- \* Defender **Ashley Scharff** (Danville), starter on back line for '95 NCAA champs

Four of the above players – Guerrero, Daws, Renola and Beene – earned All-America honors with the Irish.

**CYBER RAYS STARS:** Two key starters with the WUSA's Bay Area Cyber Rays – G **LaKeysia Beene** and D **Kelly Lindsey** – were teammates at Notre Dame in the late 1990s ... both ended their college careers in the College Cup at Spartan Stadium (Beene in 1999 and Lindsey in 2000).

**LINEUP STABILIZES:** Despite an onslaught of injuries, the Irish have fielded a strong lineup in the last seven games (6-1-0) ... junior **Melissa Tancredi** has moved from F to central D, dominating in the air (she won all 18 heading duels vs. UConn and scored on a CK header) to go along with her physical play and strong tackling ... freshman **Katie Thorlakson** has moved up to F (scoring vs. UConn, BYU, Syracuse and Ohio State), senior M **Ashley Dryer** has returned from her seven-game injury layoff and sophomore **Mary Boland** has shifted up to defensive M, shutting down UConn playmaker Sarah Popper and BYU All-American Aleisha Cramer-Rose ... sophomore **Candace Chapman** – who started at midfield and forward in recent weeks – has returned to D (left back), with junior M **Kim Carpenter** now at right back ... ND's other starters have been at their spots all season: junior Fs **Amanda Guertin** and **Amy Warner**, junior M **Randi Scheller** and freshman central D **Cat Sigler** (each has started all 20 games) – plus freshman G **Erika Bohn** (18 GS).

**SECOND SEASON GIVES NEW LIFE:** Notre Dame tied for fourth in the BIG EAST Conference Mid-Atlantic Division standings (3-3-0) but did not advance to the BIG EAST Tournament based on the head-to-head tiebreaker vs. Georgetown (a last-minute goal gave the Hoyas a 4-3 win) ... the Irish had a 7-3-0 overall BIG EAST record when including cross-divisional games (which do not factor into determining BIG EAST Tournament bids), highlighted by a 3-1 win over eventual champion UConn and a 1-0 win at BC (Northeast Division No. 3 seed) ... ND's regular-season schedule included 10 opponents that made the NCAA field, led by national seeds UConn (4), West Virginia (5), Santa Clara (6) and Portland (8) ... other ND opponents that made the NCAAs were BYU, Maryland, Michigan, Villanova, Purdue and Hartford ... ND's 2002 opponents combined to win nearly 65 percent of their games (213-124-23) and only four had losing records (BYU, SCU, UConn and Hartford won their conference titles).

**HEAD COACH RANDY WALDRUM:** The Irish are 74-15-3 (.821) in the four-year tenure of head coach Randy Waldrum, including a 63-12-3 mark in the last 78 games (since losing 4-2 at SCU on Oct. 17, 1999) ... Waldrum's ND record also spans the career of the team's only two seniors, M Ashley Dryer and injured D Vanessa Pruzinsky ... Waldrum – who repeated as BIG EAST coach of the year in 2000 – in '99 became the only coach in the 18-year history of the NCAA women's soccer championship to lead a team to the title game in his first season as that team's head coach ... he was the fourth first-year coach to take his team to the NCAA semi's, with the Irish beating top-ranked and previously unbeaten Santa Clara in their backyard of San Jose ... Waldrum's 21-year record as a college head coach (with both men's and women's teams) is 257-120-22 (.672) ... he owns a 181-64-15 (.725) record in 13 seasons as a Division I women's coach, including 61-36-9 in six years at Tulsa (.580) and 46-14-3 in three seasons at Baylor ... Waldrum entered 2002 ranked sixth among active women's coaches for career winning percentage (min. 10 Div. I seasons).

**PRIMETIME PLAYERS:** Notre Dame is 24-7-1 during the past three seasons when facing a ranked team and/or playing in the postseason, with a 69-32 scoring edge in those 32 "big games" ... junior F **Amanda Guertin** has racked up 50 points in those big games (20G-10A) ... Guertin's classmate **Amy Warner** owns 8G-5A vs. ranked or postseason opponents (she missed half of the 2000 season due to injury) ... here are some other notes on ND's postseason performers:

**Amanda Guertin**

\* Owns 26 points in 14 postseason games with the Irish (12G-2A), placing her 9th at ND in career postseason points (one behind '99 grad. Shannon Boxx).

\* Already ranks 5th at ND in postseason goals, behind Anne Makinen and Monica Gerardo (both with 15) and Jenny Streiffer and Jenny Heft (each with 14).

\* Her four postseason GWGs are one shy of Gerardo's ND record.

\* Has tied Streiffer's team record by scoring the first goal in five postseason games.

\* Her 18 career points in the NCAAs (8G-2A) are 4th in ND history, behind Gerardo (24), Makinen (20) and Holly Manthei (19, '94-'97) – while her eight NCAA goals trail only Gerardo (10) and Heft (9).

\* Has tied ND record held by Amy VanLaecke ('93-'96) for most career "first goals" in NCAA games (3).

\* Scored five goals in 2001 postseason (tied for 3rd-best in ND history), including two GWGs (also 3rd, one shy of the record)

\* Opened the scoring in three of those 2001 postseason games, one shy of Jenny Streiffer's ND record (4, in '99).

\* Her three GWGs in NCAA tournament play rank behind only Gerardo (4) in the ND record book.

\* Her goal vs. West Virginia in the 2001 BIG EAST final (2:33) is the 5th-quickest goal in ND postseason history (followed by her classmate **Amy Warner's** goal at 2:43, two days earlier in the semifinals vs. BC).

**Randi Scheller**

\* Her seven career postseason assists (in 14 GP/7 GS) are three shy of 8th place in ND postseason scoring history.

\* Shares Irish record for gamewinning assists in one postseason (2, in 2000).

\* NCAA all-time assist leader Holly Manthei (6, '94-'97) is the only ND player with more career GWAs in the NCAAs than Scheller (2).

\* Ranks 5th on the Irish list for most assists in one NCAA tournament (3, in '01).

## AMANDA GUERTIN NOTES

**CLOSE TO CENTURY MARK, FAR FROM TOP 10:** Junior Amanda Guertin's career point total (95; 37G-21A) would rank near the top of the record book at many schools but she stands just 13th in Notre Dame history – 40 points shy of the top 10 (her 37G are six out of that ND top-10 list) ... players ahead of Guertin include Suzie Zilmitis (112, 43G-26A, '88-'91) and another early frontrunner, All-American Alison Lester (126, 45G-36A; '90-'93) ... the 10th spot is held down by Shannon Boxx (135, 39G-57A; '95-'98), now a hard-nosed defensive midfielder with the WUSA's San Diego Spirit ... Guertin's nine points in last week's NCAA action vaulted her past several players on the ND scoring list: M Jody Hartwig (87; '91-'94), F Amy VanLaecke (90; '94-'96) and All-America M Tiffany Thompson (91; '91-'94).

**STREAK #1:** Guertin scored a goal in the final 10 games of 2001 – the third-longest goal streak in Div. I women's soccer history (Brandi Chastain had a 15-game streak for Santa Clara in '90, Hartford's Maria Kun an 11-game streak in '97).

**STREAK #2:** Guertin has scored goals in ND's last seven postseason games (and in nine of 14 career postseason games) ... her postseason goal streak (10G-1A) includes BIG EAST Tournament goals vs. St. John's, Boston College and West Virginia, followed by NCAA Tournament games vs. Eastern Illinois (2), Cincinnati, Ohio State (2) and Purdue (2).

**STREAK #3:** Guertin also heads into the Stanford game with points in each of the last eight games overall (7G-6A), after totaling 6G-5A in the first 12 games ... Guertin's 2002 point streak breaks down as follows: Purdue (G), UConn (2A), Michigan (G), BYU (A), Syracuse (2A), BC (G), Ohio State (2G) and Purdue (2G-1A).

**'TIS BETTER TO GIVE?:** Despite an early-season dropoff in goal production, Guertin has emerged as one of the nation's most dangerous playmakers due to pinpoint corner kicks and effectiveness on other set plays ... she has one-third of ND's assists in '02 (11 of 34), besting her combined total in '00 and '01 (10) ... eight of Guertin's assists in '02 have come via the CK – two each in comeback wins over #25 Maryland (5-2, to classmate [Melissa Tancredi](#) on 2nd and 4th goals) and #8 UConn (3-1, to junior M [Randi Scheller](#) and Tancredi after 1-1 tie), two more in the 6-0 win over Syracuse (to Scheller and sophomore M Mary Boland) and Tancredi's header that capped the 3-1 NCAA win over #14 Purdue, plus the kick that produced freshman D [Cat Sigler's](#) goal for 3-0 lead vs. Pittsburgh (4-0) ... another Guertin set play (a free kick that clanged off the left post) set up Candace Chapman's goal that opened the scoring vs. BYU (3-2 loss).

**GETTING THE GWGs:** Guertin continues to add clutch goals and assists to her career totals (37G-21A, in 66 GP) – with her 15 gamewinning goals ranking sixth on the ND all-time list (one behind three who are tied for third) ... seven of Guertin's GWGs have come in one-goal games, including three in OT (an ND record) ... nearly half of Guertin's career goals (15 of 37, or 40.5%) have been gamewinners – well ahead of the others on the GWG list:

### Name (pos., years) ... GWG/GIs (Pct. GWGs)

1. [Jenny Heft](#) (F, 1996-99) ... 19/80 (23.8%)
2. [Michelle McCarthy](#) (F, 1992-95) ... 18/59 (30.5%)
3. [Rosella Guerrero](#) (F, '92-'95; 16/55, 29.1%), [Monica Gerardo](#) (F, '95-'98; 16/73, 21.9%), [Anne Makinen](#) (M, '97-'00; 16/65, 24.6%)
6. [Amanda Guertin](#) (F, 2000- ; 15/37, 40.5%), [Jenny Streiffer](#) (F, 1996-99; 15/70 , 21.4%)
8. [Meotis Erikson](#) (F, 1997-2000) ... 13/59 (22.0%)
9. [Amy Warner](#) (F, 2000) ... 9/27 (33.3%)

**QUALITY & QUANTITY:** Guertin has delivered in countless clutch situations during her ND career:

### ***Freshman Year (2000)***

- \* Unassisted goal in OT to hold off upstart West Virginia and maintain #1 ranking (2-1)
- \* GWG vs. Boston College (2-1) to end ND's only deficit of season (prior to NCAA semifinals)
- \* GWG in NCAA second-round win over Michigan (3-1)
- \* Pass that initiated [Meotis Erikson's](#) OT goal vs. #4 Santa Clara (2-1), sending ND to NCAA College Cup semifinals

### ***Sophomore Year (2001)***

- \* GWG vs. #8 Penn State in Key Bank Classic (2-1)
- \* Direct score via corner kick for GWG vs. Georgetown (2-1)
- \* Flick pass as part of four-player, set-play sequence (goal by Mia Sarkesian) in 1-0 win over #3 Nebraska
- \* Free-kick cross that led to double-header goal (by Sarkesian), beating #19 WVU in another OT game (2-1)
- \* Scored both goals in win at Yale (2-0), then cashed in shanked clearance to beat Michigan in OT (2-1)
- \* Scored again directly on corner kick to open scoring vs. St. John's in BIG EAST quarterfinal (2-0)
- \* Set up [Amy Warner](#) rebound goal, then scored for 2-0 lead in 3-0 win over BC (BIG EAST semi's)
- \* Scored and provided corner kick that led to [Randi Scheller's](#) late GWG vs. WVU in BIG EAST title game (2-1)
- \* Netted both goals in NCAA first-round win over Eastern Illinois (2-0)

### ***Junior Year (2002)***

- \* Provided pair of corner-kick assists (to [Melissa Tancredi](#)) and scored GWG in 5-2 comeback at #25 Maryland
- \* Duplicated that effort with CK assists to Scheller and Tancredi for final two goals of 3-1 comeback vs. #8 UConn
- \* Cashed in GWG in 59th minute for 1-0 win at #13 Michigan, her third career GWG vs. the Wolverines
- \* Set ND record by scoring third OT goal of her career, in 1-0 game at Boston College to close regular season
- \* Opened scoring before capping 3-1 win over Ohio State in NCAA first round
- \* Added two more goals and 8th corner-kick assist of season (to Tancredi) in NCAA 2nd-round win over #14 Purdue (3-1)

**CHAPMAN ENTERING ELITE STATUS:** Sophomore **Candace Chapman** was named the 2002 BIG EAST Defensive Player of the Year last week, during a time when she was starring with the Canadian National team at the Gold Cup (World Cup qualifying) ... Chapman was one of 11 players named to Gold Cup all-tournament team (an honor she also received at the U-19 World Championship) ... she started at right midfield and right outside back in the Gold Cup, with Canada losing to the U.S. in the final game (2-1 in OT, at the Rose Bowl) ... that unique experience saw Chapman playing face-to-face with U.S. stars such as Mia Hamm, Julie Foudy and Tiffeny Milbrett (Chapman is a leading contender to be on Canada's 2003 World Cup roster) ... Chapman follows former ND greats Kate Sobrero ('97) and **Jen Grubb** ('98, '99) as the third Irish player named BIG EAST defensive player of the year (since '95) ... she has made starts at right, left and central back (plus M and F) as the Irish have juggled their lineup in the wake of injuries ... after playing at the U-19 World Championship, Chapman started the final 16 games of the regular season, totaling 3G-5A and earning defensive MVP honors at the ND Classic and Maryland Classic ... her goal after shifting to M sparked a 5-2 comeback at #25 Maryland ... she also scored vs. Pittsburgh (first start at F), added an assist in 3-1 win over UConn and scored vs. BYU.

**GAINING EXPERIENCE:** One of the keys to Notre Dame's 2002 postseason success could be how the Irish hold up in the defensive third, where the four defenders and freshman G **Erika Bohn** have combined to make just 120 starts on the collegiate level, with 155 games played ... some of those 120 starts have come at different positions, for junior right back **Kim Carpenter**, sophomore left back **Candace Chapman** and junior central back **Melissa Tancredi** (Chapman did not play defense until starting her college career while Tancredi made the shift to defense last month, due to three season-ending injuries in the back) ... Chapman is the only defensive starter who previously had started a postseason game for the Irish in the defensive third (4, in 2001) ... the OSU game marked the first time that the Irish have started a goalkeeper with no college postseason experience since Jen Renola in the 1993 MCC Tournament (Bohn was the first G to make her NCAA debut without any conference tournament warmup games) ... by contrast, the 2001 defensive starters headed into the 2001 NAAs with 334 career games played and 246 starts among the five players.

**KEY PIECE OF PUZZLE:** The return of senior M **Ashley Dryer** sparked the 3-1 win over #8 UConn (Oct. 13) ... in the previous seven games (when Dryer was sidelined with knee and ankle injuries), ND had totaled just 12 goals while allowing 12 by the opposition (three games in which the opponents scored 3-plus) ... in the seven games since Dryer's return, ND has owned a 19-6 scoring edge and 131-53 shot edge (65-29 in shots on goal, 41-18 in corner kicks).

**LIGHTING THE SPARK:** Freshman **Katie Thorlakson** – a key part of Canada's attack in the U-19 World Championship – has experienced an offensive breakthrough, scoring to tie the game in the 3-1 comeback vs. #8 UConn, adding the goal that forged a 1-1 tie vs. BYU (3-2 loss), posting 1G-1A in the 6-0 win over Syracuse and scoring the GWG vs. Ohio State in the NAAs (she also had the thru-ball that sprung Amanda Guertin for the first goal in the NCAA win over Purdue) ... all four of Thorlakson's goals have come in the last seven games, coinciding with her full-time move to forward.

**VETERAN LEADERS:** Notre Dame's starting forwards and midfielders include four battle-tested veterans (one senior and three juniors) who have combined for 271 games played, 225 starts, 86 goals and 63 assists ... juniors **Amy Warner** (59 GP/52 GS, 29G-13A, 9 GWG) and **Amanda Guertin** (66 GP/62 GS, 37G-21A, 15 GWG) – a.k.a. "fire and ice" – have the makings of becoming one of ND's top all-time forward classmates while junior **Randi Scheller** (65 GP/45 GS, 17G-15A) and senior **Ashley Dryer** (81 GP/66 GS, 3G-12A) provide experience in the midfield.

**PRUZINSKY, GUNNARSDOTTIR OUT FOR SEASON:** ND entered 2002 looking to replace three starters from the defensive third ... in addition to season-ending injuries to **Vanessa Pruzinsky** and **Gudrun Gunnarsdottir**, the Irish have played without highly-touted freshman **Annie Schefter** – a candidate at left back who was a starter with the U-19 National Team and was rated by *Soccer America* as the No. 11 incoming freshman ... **Ashley Dryer** – one of the nation's premier defensive Ms – missed five games and parts of two others, due to nagging knee and ankle injuries ... Pruzinsky – the BIG EAST preseason defensive player of the year, after starting 72 of 73 games her first three seasons – was slowed by a nagging ankle injury, playing the first 50 minutes of the Sept. 6 Santa Clara game and 60 minutes in the lategoing of the Sept. 20 Rutgers game (ND did not allow a goal in either stretch) ... Gunnarsdottir – BIG EAST defensive player of the week after opening wins over Providence and Va. Tech – missed six games with a foot injury (Sept. 13-29), played sparingly vs. Pitt. and started vs. WVU and Purdue, before being sidelined late in the Purdue game (she had Oct. 10 surgery to repair ankle ligament damage) ... Pruzinsky may have the option to apply for a fifth year of eligibility.

**INJURY TOLL REACHES 60:** An assortment of injuries and illnesses have forced six of ND's top-13 players to miss a combined 60 games (not including partial games, or misses for U-19 World Championship) ... those who have missed games missed include senior D **Vanessa Pruzinsky** (18), senior M **Ashley Dryer** (5), sophomore **Mary Boland** (2) – plus freshman D/M **Annie Schefter** (20, season-ending ACL injury), sophomore D **Gudrun Gunnarsdottir** (13, including last 7) and junior F/D **Melissa Tancredi** (2) ... Pruzinsky, Gunnarsdottir and Schefter will miss the rest of the season.

**FAR AND WIDE:** Notre Dame's typical starting 11 (from 10 states/provinces) is representative of the school's national student body ... the 21-player roster includes players from 12 states (Calif., Conn., Ill., Ind., N.M., N.Y., Ohio, Ore., Pa., Texas, Utah and Wash.), two Canadian provinces (British Columbia and Ontario) and Iceland.

**SCORING STREAKS:** Notre Dame – which has not been shut out in its last 14 postseason games, since the 1-0 loss to UNC in the '99 title game – carried a 31-game scoring streak into this season's Sept. 6 Santa Clara game (third-best in ND history, behind a 55-game streak from '97-'99 and a 36-game streak from '95-'96), with the streak ending in a 4-0 loss to SCU (followed by 1-0 loss to Portland and 3-0 loss at WVU) ... the previous time that the Irish had failed to score was the 0-0 tie at UConn (10/22/00) ... since 1994, ND has scored in 158 of 164 (.963) regular-season games (0-0 tie vs. UNC in '94, 2-0 loss to UNC in '95) and 51 of 54 postseason games (three shutout losses to UNC in NCAA title games).

**WARNER REPEATS AS FIRST TEAMER:** Junior forward **Amy Warner** (Albuquerque, N.M.) joined teammate Candace Chapman on the 2002 first team all-BIG EAST squad ... Warner – also first team in 2000 – ranks second on the team in goals (9) and points (24) ... her three GWGs include clutch scores vs. Hartford (2-1) and Rutgers (1-0, double-OT) while she netted her second career hat trick in the 4-3 loss at Georgetown ... Warner's six assists include the pass that set up Guertin's OT goal at BC (1-0) and assist on Katie Thorlakson and Guertin goals in the NCAA win over Ohio State (3-1) ... she and Chapman are two of 10 ND players ever named first team all-BIG EAST in multiple seasons.

**SHELLER, SIGLER ROUND OUT BIG EAST HONOREES:** Junior M **Randi Scheller** (Kutztown, Pa.) was named second team all-BIG EAST while freshman D **Cat Sigler** (Windsor, Calif.) was named to the BIG EAST all-rookie team ... Scheller – who joined Sigler, Amy Warner and Amanda Guertin as the only Irish players to start all 18 regular-season games – ranks as the team's third-leading goalscorer (7), plus one assist ... after splitting time in the offensive and defensive M roles, Scheller's highlights include the gametying goal vs. Hartford, the final goal vs. Maryland, the GWG vs. UConn and 2G vs. Syracuse ... Sigler has started all season at central back, combining with the other defensive players to post eight shutouts and a 1.29 GAA ... she headed in a Guertin CK for an early score in the 4-0 win over Pittsburgh.

**FIRST-HALF FORTRESS:** Notre Dame did not allow a 1st-half goal in its first nine games, with the next five producing eight 1st-half goals by the opposition (2 by Georgetown and WVU, 3 by Purdue, 1 by UConn) – followed by just two in the last six games ... ND (12) and its opponents (10) have combined for just 22 first-half goals, compared to more than twice as many (48) in the 2nd half (32 by ND, 16 by opp.) ... the Irish have allowed opponents an average of just 3.9 shots and 1.6 CKs in the first half ... in the last 11 games, ND has matched its opponents' scoring (10-10) in the 1st half but owns a 17-6 edge in the 2nd half ... the Irish also were stingy in the first half during 2001 (seven 1st-half GA in 20 games).

**HAT TRICKERY:** **Amy Warner's** 3G at Georgetown (Sept. 29) made her the 13th ND player ever to post multiple hat tricks (also vs. Providence on Sept. 3, 2000 – earliest ever by an ND freshman) ... 10 previous ND players have three-plus hat tricks, led by **Jenny Heft's** six ('96-'99) and five each from Rosella Guerrero ('92-'95) and Monica Gerardo ('95-'98).

**PRIME-TIME FLURRY:** The outburst in the 5-2 win at #25 Maryland (all ND goals came in final 25 minutes) is the most goals ever scored by the Irish vs. an NSCAA top-25 opponent on its home field ... it matched the 6th-highest goalscoring day for the Irish in any game vs. a top-25 foe (2nd-most since '97) and tied ND's 2nd-highest goal output in a regular-season game vs. a top-25 team ... ND's top scoring games vs. top-25 teams include '97 postseason wins over UConn (6-1, BIG EAST title game), Nebraska (6-0, NCAA 2nd rd) and UCLA (8-0, NCAA quarterfinal), plus 8-1 vs. Indiana in the '96 NCAA 1st rd and 6-1 vs. Santa Clara in 2000 regular-season.

**DRYER DOES IT AGAIN:** Lost amidst the 4-0 loss to SCU was another stellar defensive effort from senior M **Ashley Dryer** (Salt Lake City, Utah) ... Dryer essentially neutralized SCU's star midfielder Aly Wagner (she did not factor into any goals), later was named to the Maryland Classic all-tournament team (lead role in midfield battle, while fighting off illness), and then combined with sophomore **Mary Boland** to hold Rutgers All-American Carli Lloyd (one shot) in check during a 1-0 OT win ... in the 2001 BIG EAST Tournament, Dryer shut down BIG EAST midfielder of the year Sarah Rahko (BC) in the semifinals before holding another top M (Lisa Stoia) in check to help beat WVU in the title game.

**WORLD CHAMPIONSHIP RETURN:** Notre Dame welcomed back two players who competed in the Under-19 World Championship (late Aug.) ... the tournament was capped by a 1-0 U.S. win over Canada in the title game, with 47,000 fans in attendance at Edmonton's Commonwealth Stadium ... Portland's Christine Sinclair was the tournament's top scorer (10 G) and formed a potent offensive tandem with ND freshman **Katie Thorlakson** (attacking M) ... ND sophomore **Candace Chapman** also was a starter with Canada, playing mostly right back while also shifting to central M ... Irish freshman **Annie Scheffter** was on track to be a starter for the U.S. but was sidelined with an ACL knee injury in late July.

**CONFERENCE CALL:** ND's all-time record in regular-season conference games is 86-7-2 (.916), including 67-7-2 (.895) in BIG EAST games (since '95) ... the Irish own a 48-1 record in all-time home games vs. BIG EAST teams, with 44 straight wins since a 5-4 OT loss to UConn in '95 (225-16 scoring edge, 30 shutouts, 13 games with 1 GA) ... since joining the BIG EAST in '95, ND's all-time record in vs. BIG EAST teams (1-1-0 vs. UConn in NAAs) is 86-8-2 (.906).

**TOURNEY HONORS:** Sophomore **Candace Chapman** was defensive MVP of the ND Classic (Sept. 6-8) and the Maryland Classic ... Chapman – who made plays all over the field in ND Classic battles with SCU and Portland – opened the UP game at central D (later shifting to right back), with strong marking of Canadian national teammate Christine Sinclair... she played both positions vs. Hartford and started centrally vs. #25 Maryland, shifting to M and sparking the 5-2 comeback by scoring the first ND goal ... junior **Melissa Tancredi** was named the tournament's offensive MVP ... Tancredi was an emergency starter at central D vs. Hartford and was hampered by a nagging Achilles injury (she came off the bench vs. Maryland) ... Tancredi's hustle and physical presence changed the tenor of the Maryland game, with her headers providing the tying and 42 goals ... other all-tournament selections included junior F **Amy Warner** (GWG goal vs. Hartford, rebound shot to set up GWG vs. Maryland, unofficial assist on last ND goal), senior M **Ashley Dryer** (gutsy effort while battling illness) and freshman G **Erika Bohn**, who registered a variety of big plays including a breakaway stop with the Hartford game tied and a lunging tip over the crossbar with the Irish trailing the Terps, 2-1 in the 75th minute.

**FIRST-ROUND RECAP:** Notre Dame turned to a pair of veteran goalscorers and a surging freshman to account for all the goals and primary assists, for a 3-1 win over Ohio State ... Amanda Guertin (2G) and Amy Warner (2A) continued to show improved interplay with Katie Thorlakson, who scored what proved to be the GWG ... a turnover in the box gave Guertin a one-on-one chance with 'keeper Emily Haynam and she calmly converted for the 1-0 lead (40:07) ... Warner set up the second goal, using her speed to shake free for a shot that rebounded off Haynam (Thorlakson knocked in the deflection, at 52:05) ... OSU jumped back in the game, as a clearing attempt deflected off the leg of Colleen Hoban and went into the net (61:28) ... Guertin capped the scoring, as Warner raced onto a Candace Chapman throw and sent a cross from the left endline, with Guertin again sliding her try past Haynam (77:58).

<b>NOTRE DAME</b>	<b>1</b>	<b>2</b>	<b>-</b>	<b>3</b>

**ND 1.** Amanda Guertin 8 (-) 40:07; **ND 2.** Katie Thorlakson 4 (Amy Warner) 52:05; **OSU 1.** Colleen Hoban (-) 61:28; **ND 3.** Guertin 9 (Warner, Candace Chapman) 77:58. **Shots:** OSU 2-4-6, ND 13-12-25. **CKs:** OSU 0-1-1, ND 3-2-5.

**Fouls:** OSU 14, ND 18. **Saves:** OSU (Emily Haynam) 10, ND (Erika Bohn) 3. **Offsides:** OSU 4, ND 5.

**OSU COACH LORI WALKER:** "Notre Dame came at us with waves of speed. ... In our scouting report, we told the team we didn't know where (Chapman) was going to play. She has tremendous athleticism and comes forward with pace and vigor. But I think Warner gave us more fits today. She is a tremendous player and was all over the place. ... I was very impressed with the squad that Notre Dame has. I think there are going to be some teams that are going to be surprised at the speed at which Notre Dame is playing."

**ND HEAD COACH RANDY WALDRUM ON THE OSU GAME:** "We talked about setting the tone. Every phase of our game was good. We were very solid defensively, the little mistake on the goal was a little bit of a fluke. In the midfield and up front we were really good. In particular, I think Gerty (Amanda Guertin) was great. She struggled earlier in the year but had a great week of training."

**ON THE LINEUP CHANGES:** "Some of those changes have finally put the pieces in place. Katie came in without really having any break and she also came in late and had to adjust to the college game. But the last month she has been playing really well."

**ON THE LAYOFF:** "We were so beat up physically that we needed the time off. Then you worry you might lose continuity without any games. But tonight it was almost like it was the first game of the season again. They had that enthusiasm. ... Ashley and Randi needed those two weeks off more than anybody. Ashley has been beat up but now she has that spark and explosiveness back."

SECOND-ROUND  
RECAP (ND 3, Purdue 1)

The Irish parlayed calm finishing of **Amanda Guertin** (2G; 8th CK assist of season) and devastating defensive play led by **Melissa Tancredi** (key role in neutralizing Purdue leading scorer Annette Kent) and **Candace Chapman** into a 3-1 win over No. 14 Purdue.

**Kim Carpenter** set up the first goal by sending a pass to **Katie Thorlakson**, who slid a thru-ball into the top of the box ... Guertin broke free and nudged the ball to her right, past charging 'keeper Jocelyn Cavalier, but the angle was too sharp for a shot ... Guertin continued to the endline and slanted back for the post before deflecting her own point-blank shot into the net (21:11).

A right-flank free kick from **Cat Sigler** led to the second goal, with Guertin collecting the deflection and pausing before placing an eight-yard shot into the right side for her 11th goal of the season, the 37th of her career and her 15th career GWG (57:42).

Purdue's Courtney Coppedge took a rightside feed and converted a 14-yard crossing shot (75:06) but Tancredi iced the game at 83:46, elevating near the left post and heading in Guertin's rightside corner.

#14 PURDUE 0 1 - 1  
#19 ND 1 2 - 3

**ND 1.** Amanda Guertin 10 (-) 21:11; **ND 2.** Guertin 11 (-) 57:42; **PUR 1.** Courtney Coppedge 2 (Jennie Moppert, Kelli Merritt) 75:06; **ND 3.** Melissa Tancredi 4 (Guertin) 83:46.

**Shots:** PUR 2-5-7, ND 7-7-14.

**CKs:** PUR 1-3-4, ND 4-2-6.

**Saves:** PUR 6 (Jocelyn Cavalier 5, team 1), ND 3 (Erika Bohn).

**Fouls:** PUR 8-11-19, ND 6-9-15.

**YC:** Elise Berry (PUR) 54:04.

**Offsides:** PUR 1-1-2, ND 7-1-8.

**TALE OF TWO GAMES:** Even before last week's NCAA second-round matchup, Purdue already had played a part in ND's strange season, capitalizing on a depleted lineup to hand the slumping Irish a 3-1 loss on Oct. 8 ... that represented ND's fourth loss in five games but the fortunes quickly changed five days later in a 3-1 win over #8 UConn ... the return of junior D Melissa Tancredi and senior M Ashley Dryer (along with several other lineup shifts) sparked that momentum-shifting victory - with the Irish owning a 19-6 scoring edge in the current 6-1 surge.

**IRISH POST ANOTHER NCAA REMATCH WIN:** Nearly half of Notre Dame's all-time NCAA games have featured rematches from games earlier that season, including last week's second-round win over Purdue ... the Irish now are 13-4-0 in all NCAA rematches, with losses to UNC in three NCAA titles games ('94, '96 and '99) and vs. UConn in the 1997 semifinals ... ND had multiple NCAA rematches every year from 1994-2000 (except for 1998), including four in 1994 and three each in '95 and '96 ... based on the current bracket setup, the Irish could advance to additional 2002 rematch games vs. Portland, UConn and Santa Clara.

**POSTGAME QUOTES FROM ND HEAD COACH RANDY WALDRUM:**

**ON THE PURDUE GAME:** "It was a typical Sunday game (second of weekend) for us. It wasn't the attractive soccer we played Friday night. We didn't quite have the energy and intensity for a playoff game. With a thin bench, we knew going in that mentally we'd have to get over the hump. A lot of credit to the kids for putting 90 minutes together. Last time we played them, we started three freshmen in the back, plus a freshman 'keeper who obviously is getting better every game. They caught us on two counterattacks in that game. We were a little bit undermanned last time, still searching for answers and trying to find a defense that was organized. I felt that we had been the best team in the region this year and our strength of schedule has paid dividends at the end."

**ON RETURN OF KEY PLAYERS:** "Having Tancredi gives you more speed and more strength, somebody who physically can match up with most anybody in the country. And Ashley runs the show for us in the midfield. You could see how important she is with all of her experience. She keeps the mix together. Getting those two back allowed us to get other players into positions where they should be playing."

**ON SET-PLAY SUCCESS:** "On those corner kicks with Guertin and Tancredi, it's really difficult to defense unless you have an outstanding goalkeeper who is very good at clearing out the space and dealing with crosses. If they hit it right, it's difficult to stop."

**ON UNSUNG HEROES:** "Kim Carpenter is one of those you don't hear a lot about but she has been pretty solid, can play anywhere and doesn't worry about getting the credit. She's one of those kids who really makes your team a team."

**PURDUE HEAD COACH ROB KLATTE:** "(Tancredi) closed down Annette Kent. In all of the individual confrontations, I don't remember one where she lost out on it. ... They scored the first goal on a great individual effort and once they got the second we had a long road ahead of us - and then they crushed a great set play for the third goal. That really was the nail in the coffin. ... We weren't able to punch in an early chance. The last time that made a huge difference. ... You've got to give kudos to Notre Dame. They stayed organized and their individual technical talent allows them to slow the pace down when they want to. ... They have a great team. We were trying to figure out ways to win the game. A month ago, we were able to get in behind them and had three shots and three goals. ... Things really opened up when their backs stepped up, picked up loose balls and started counters. Their backs have such athleticism and speed to slice through the midfield. And then you've got three forwards and the midfielders to deal with. We knew their backs would be aggressive going forward and that was the best time to catch a counter."
