Irish Looking To Make History At BIG EAST Championship

Three-time defending BIG EAST champion Notre Dame will aim to do something only one other school has done in the 27-year history of the conference tournament — win a fourth consecutive crown. St. John's pulled off that feat on two occasions (1981-84 and 1986-89), while the Irish have collected a pair of "triple crowns" from 1996-98 and their current string from 2004-06. Notre Dame will get its chance when it hits the links at the Cardinal Club in Louisville, Ky., Sunday-Tuesday for the '07 BIG EAST tourney.

Notre Dame is the second seed for this year's BIG EAST Championship behind tournament host and top-20 team Louisville. The Irish have posted a pair of runner-up finishes this season and have a 296.71 stroke average that is second-lowest in school history. The winner of this week's conference tournament will take the BIG EAST's automatic berth to the NCAA regionals, which will take play May 17-19 at three sites around the country.

Quoting Coach Kubinski ...

"We're excited to be heading to Louisville this weekend with a chance to win our fourth straight conference title. Of course, the Cardinals are not only hosting the event, but have had an outstanding season to date. We'll need to play our best golf from the outset in order to put ourselves in position for Tuesday afternoon's final stretch of holes.

"We really need our top guys, **Cole (Isban)** and **Josh (Sandman)**, to step up and bring their best game. They're the type of guys who are very, very competitive. They realize what's at stake. If anything, I think they'll feed off the championship environment.

"We've had tremendous contributions from **Adam Gifford** this season. He has really been a stabilizing force not only in the lineup, but in the locker

Did You Know?

Notre Dame has ties to two of the most famous players in golf history.

Billy Casper won 51 PGA Tour titles, including three majors (1959 & 1966 U.S. Open; 1970 Masters) and was sixth on that tour's all-time victories list upon retirement. He also logged nine wins on the Senior PGA Tour (now the Champions Tour), was an eight-time member of the U.S. Ryder Cup Team and was inducted into the World Golf Hall of Fame in 1978. However, before turning pro, Casper attended Notre Dame in 1950 and won the Western Junior National Championship, which was contested at the old Notre Dame Golf Course. His Irish career was cut short when he was called away to military service in the Korean War.

Walter Hagen, Jr., was a three-year monogram winner at Notre Dame from 1938-40, helping the Irish to three consecutive NCAA Championship berths, including a sixth-place finish in 1938. If the name sounds familiar, it should be — his father, Walter Hagen, Sr., won 40 PGA titles, including 11 major championships (five PGA Championships, four British Opens and two U.S. Opens) in his storied career, ranking third behind Jack Nicklaus and Tiger Woods. The elder Hagen also was a six-time U.S. Ryder Cup captain, and five years after his death in 1969, he was part of the inaugural induction class for the World Golf Hall of Fame.

room. He provides great leadership on and off the course. To go from being a little-used walk-on a couple of years ago to what he is today is only a testament to his character and work ethic.

"Of course, our other underclassmen have shown flashes of brilliance, if also a bit of inconsistency. I think Mother Nature slowed them for a while, but they're ready to hit their stride at the perfect time. **Greg Rodgers** has been especially impressive. He's getting back to the player that built such a solid record in junior golf.

"All the younger guys — **Doug (Fortner), Eddie (Peckels), Mike (King), Kyle (Willis), Carl (Santos-Ocampo)** and **Olavo (Batista)** have worked so hard this season. They've pushed each other to reach this point. There's something about our team that feels good. We haven't played our best golf yet either. There's something left in the tank. I'm looking for a great effort this weekend. The Irish will be ready when the green light shows!"

Dates and Times

Teams will play single rounds (18 holes) each day, starting on the No. 1 tee with the Notre Dame quintet slated to begin the first round Sunday at 8:50 a.m. (ET) while paired with golfers from Louisville and Marquette. Pairings and tee times for the second and third rounds will be re-assigned based upon the 18- and 36-hole standings. All times and formats are tentative and subject to change.

Following The Irish

Live in-progress scoring (every nine holes) from the BIG EAST Championship will be available through the Golfstat web site (www.golfstat.com). In addition, complete results following each day's action will be posted on the official Notre Dame athletics web site (www.und.com). The latest information from the tournament, including results, scheduling updates and weather delays, also will be available on the Notre Dame Sports Hotline (574-631-3000).

New this year is the Irish ALERT system, which provides fans with regular updates on Notre Dame's progress at the BIG EAST Championship through text messages sent to their cell phone. For more information, visit the official Notre Dame athletics web site (www.und.com).

The Tournament Format

A total of 12 five-man teams (60 participants) will be taking part in the BIG EAST Championship. Conventional collegiate golf team scoring rules will apply, with the lowest four scores in the five-man lineup for each round counting toward the team total. The winning team will not only take home the BIG EAST Championship trophy, but also will earn the conference's automatic bid to the NCAA regionals, which take place May 17-19 at three sites around the country.

The Teams

Tournament host Louisville is the top seed for this weekend's BIG EAST Championship, while defending conference champion Notre Dame is the No. 2 seed. The remainder of the tournament field (in order of seeding) is as follows: Marquette, South Florida, St. John's, Georgetown, DePaul, Seton Hall, Cincinnati, Villanova, Connecticut and Rutgers.

According to the latest edition of the Golf World/Nike Top 25 coaches poll (released April 4), one ranked team — No. 19 Louisville — will be competing in this weekend's tournament. Notre Dame is the only other participating squad to be receiving votes in the latest coaches' balloting — the Irish garnered nine votes, good for a tie for 32nd place if the poll were extended.

1944 NCAA Champion • 1937 NCAA Runner-Up • 33 NCAA Postseason Appearances

Meanwhile, Monday's updated ratings in the *Golfweek/Sagarin* Performance Index has the tournament field ranked as follows: Louisville (18th), Notre Dame (63rd), Marquette (99th), USF (108th), St. John's (123rd), DePaul (159th), Georgetown (165th), Seton Hall (190th), Connecticut (206th), Cincinnati (217th), Villanova (223rd) and Rutgers (248th).

In addition, the most recent Golfstat rankings (unveiled Wednesday) have the BIG EAST Championship field broken down this way: Louisville (15th), Notre Dame (66th), Marquette (94th), South Florida (99th), St. John's (110th), DePaul (158th), Georgetown (168th), Seton Hall (181st), Connecticut (203rd), Cincinnati (207th), Villanova (215th) and Rutgers (245th).

Head-To-Head

It's not unusual that Notre Dame hasn't seen many of the other BIG EAST Championship teams this season. In fact, the Irish have played alongside only one other league squad this year — Louisville won last week's Kepler Intercollegiate at 591, while Notre Dame was 37 shots back at 628 during the two-round weather-plagued event in Columbus, Ohio.

The Course

Located not far from the Louisville campus in Simpsonville, Ky., the Cardinal Club (par 72/7,036 yards) is one the country's finer new courses. It was designed by Spencer Holt and is situated on 212 acres of manicured bent grass, and naturally rolling terrain, including heathery grasses and bluegrass rough. A 12,000-square foot clubhouse serves as the foundation for the 18-hole layout.

Notre Dame At The BIG EAST Championship

Notre Dame has participated in each of the past 11 BIG EAST Championships and finished among the top three 10 times since joining the conference prior to the 1995-96 academic year. To date, the Irish have won six titles (1995, 1996, 1997, 2004, 2005, 2006), which puts them second in league history behind the nine crowns won by St. John's from 1979-89. **George Thomas** served as the head coach for Notre Dame's first three BIG EAST victories, while **John Jasinski** guided the Irish to the 2004 title and current head coach **Jim Kubinski** has been the helm when Notre Dame won the '05 and '06 events.

In addition to their six championships, the Irish have finished as tournament runner-up three times (1998 - tie with St. John's, 2002, 2003) and took third-place honors in 2000.

Notre Dame golfers also have won medalist honors four times, tying Virginia Tech for the third-highest total in conference history behind St. John's (seven) and Providence (six). The most recent Irish individual champion was crowned in 2005 when **Mark Baldwin** won the weather-shortened BIG EAST Championship with a five-over par 75. Other Notre Dame golfers who were medalists at the conference tournament include: **Bill Moore** (1995), **Todd Vernon** (1997) and **Steve Ratay** (2001 - three-way tie with Brian Krusoe of Virginia Tech and Andrew Svoboda of St. John's).

Potent Notables On The Irish At The BIG EAST Championship

- ◆ Notre Dame joins St. John's as the only schools in the 26-year history of the BIG EAST Championship to win three consecutive titles on more than one occasion. The Irish recorded their first hat trick from 1995-97 and have matched that feat the past three seasons (2004-06), while St. John's actually posted a pair of "four-peats" from 1981-84 and 1986-89. The Red Storm are the only team ever to win four consecutive BIG EAST titles.
- ◆ Notre Dame's 32-stroke win in 1997 is the second-largest margin of victory

Warren Golf Course Named One Of Nation's Top 15 College Courses

The University of Notre Dame's Warren Golf Course was chosen as one of the top 15 college courses in the nation, according to a feature article in the September 2005 issue of *Golf Digest*. The magazine used a variety of criteria in rating the various layouts, including shot values, resistance to scoring, design variety, memorability, aesthetics, conditioning, ambience and bonus walking points. The Warren Golf Course was ranked 15th in the country and was one of the newest courses on the 2005 *Golf Digest* list.

Co-designed by Bill Coore and PGA Tour veteran Ben Crenshaw, the Warren Golf Course opened on May 1, 2000 and has played host to a 2004 U.S. Amateur Championship sectional qualifier, the 2005 NCAA Central Regional, two Western Amateur Championship qualifiers and five BIG EAST Conference Championships. In addition, the par-70, 7,011-yard tree-lined layout has welcomed numerous junior golf tournaments and serves as the home course for the Notre Dame men's and women's golf teams.

"This is a remarkable honor for us when you consider the age of this course," said **John Foster**, General Manager and Head PGA Professional at the Warren Golf Course. "The emergence of our course is due in no small part to the commitment shown by Bill Warren to make this the nation's premier golf facility. We're also extremely fortunate to have a talented and dedicated staff that have helped make this course what it is today, led by our course superintendent, **Matt Cielen**."

"I am very pleased with, and appreciative of, *Golf Digest* for recognizing our Warren Golf Course as one of the top 15 college golf courses in the country," Notre Dame head men's golf coach **Jim Kubinski** said. "To be recognized with other top courses after having opened just a few years ago is a tremendous honor. It's a great test of golf for all players, and I know our team feels the course tests every facet of their games."

Notre Dame Dedicates New Indoor Training Facility

On Sept. 30, the University of Notre Dame held a dedication ceremony for the new **Robert and Marilyn Rolfs Family All-Season Varsity Golf Facility** at the Warren Golf Course. The recently-completed \$2.1 million building is located adjacent to Warren's No. 2 tee box, with access via the roundabout at Douglas and Twyckenham Roads on the north edge of the Notre Dame campus.

The 10,333-square foot Robert and Marilyn Rolfs Family All-Season Varsity Golf Facility now serves as the home of the Notre Dame men's and women's golf teams, adding a new dimension in the growth of both programs, which have combined to win five BIG EAST Conference titles and make five NCAA regional appearances in the past four seasons alone.

The cornerstone of the Robert and Marilyn Rolfs Family All-Season Varsity Golf Facility is an expansive 4,820-square foot indoor putting green and chipping area, complete with a sand bunker. In addition, six heated indoor/outdoor "tee stations" allow players to use the driving range in all seasons, while the Irish coaches are able to study players' swing techniques through the use of the latest in video equipment and software analysis.

Some of the other highlights of the facility include: separate locker rooms for the Irish men's and women's teams with custom-made wood lockers for each player, a spacious 890-square foot player lounge with state-of-the-art amenities such as wide-screen plasma televisions and computers with high-speed Internet access, offices for each member of the respective coaching staffs, and an on-site equipment room with stations for customized club fitting and repair.

in BIG EAST Championship history. St. John's finished 34 shots ahead of the field to win the 1988 conference title.

- ◆ Conversely, the Irish also won the first sudden death playoff in BIG EAST Championship history last season, defeating Louisville on the first extra hole with an aggregate score of one-under par (birdie, par, par, par), compared to one-over par for the Cardinals (par, par, par, bogey). The 1989 conference title was decided by a scorecard playoff (second-round score of fifth golfer), a tiebreak no longer employed by the BIG EAST.
- ◆ Unlike last year's veteran squad that featured four of five golfers having previously earned all-conference honors, only two members of this year's Irish lineup have even played in the BIG EAST Championship, let alone done enough to garner all-league recognition. Senior co-captain **Cole Isban** took all-BIG EAST plaudits in 2004 and 2005, while sophomore **Josh Sandman** made his first conference tournament appearance last year and sank the title-winning birdie putt in the sudden-death playoff.
- ◆ For the sixth consecutive year, Notre Dame will start a freshman at the BIG EAST Championship when rookie **Doug Fortner** steps to the No. 1 tee on Sunday morning. In three of the previous five years, an Irish freshman has gone on to earn all-conference recognition (**Ryan Marshall** in 2002; **Tommy Balderston**, **Mark Baldwin** and **Scott Gustafson** in 2003; and **Cole Isban** in 2004). Current junior **Mike King** was the new kid on the block for Notre Dame in 2005 and just missed an all-BIG EAST citation of his own with a tie for ninth place at 10-over par 80 (top seven players in the field are awarded all-conference status).
- ◆ The second-round leader at the BIG EAST Championship has not won the conference title since 2002, when Virginia Tech protected its lead on the final day and defeated Notre Dame by 17 shots. In 2003, the Irish had a four-stroke edge on the Hokies going into the third round, but ended up falling by two shots. Then, in 2004, Notre Dame returned the favor, erasing Tech's five-stroke advantage with a final-round charge to win by six. The 2005 tournament was shortened to one round by weather, but the comeback trend continued in 2006 when Louisville led Marquette by seven shots and Notre Dame by 12 shots going into the final round before the Irish shot a school-record 272 (-16) to draw even and eventually win in a playoff.
- ◆ Although it's just seven years old, the Warren Golf Course at Notre Dame already has played host to five BIG EAST Championships, second only to the TPC at Avenel (Potomac, Md.), which was the site of 11 conference tournaments, including 10 in a row from 1987-96. However, Notre Dame will not host the conference tournament until at least the 2009-10 season, with next year's event scheduled for suburban Cincinnati (Traditions Golf Club in Hebron, Ky.) and the '08-09 tournament headed back to Lake Jovita Golf & Country Club in Dade City, Fla. (and hosted by USF).

Tourney Rewind: 2006 BIG EAST Championship

There are some moments that can only be classified as happening "nowhere but Notre Dame." On a bright and sunny Tuesday afternoon in central Florida, another one of those signature events in Irish athletics history took place, as the Notre Dame men's golf team charged from 12 strokes back in the final round of the 2006 BIG EAST Conference Championship and wound up defeating Louisville on the first hole of a sudden-death team playoff at the Lake Jovita Golf & Country Club/South Course (par 72/7,031 yards) in Dade City, Fla. With the victory, the Irish won their third consecutive BIG EAST title (sixth in their 11 years as a league member) and locked up a third straight berth to NCAA regional play.

Notre Dame's comeback was record setting in several ways, starting with its final-round score of 16-under par 272, which shattered the old school re-

cord for a single round of 275, set at the 1999 Air Force Invitational (played at altitude in Colorado Springs). The Irish also carded the lowest 54-hole score in the program's 77-year history, a 22-under par 842 (281-289-272) that topped the previous standard by 12 shots (854 at the 2004 Nelson Invitational, played on a shortened par-69 course at Stanford). In addition, it established a new conference tournament three-round record, breaking Virginia Tech's mark of 865 set in 2002. Ironically, Tech was the last team to win three consecutive league titles (2001-03), although Notre Dame becomes just the second team to win three in a row on two separate occasions (1995-97, 2004-06), joining St. John's (1981-84, 1986-89) in that elite company.

What made the '06 rally even more special was the fact that all five Irish golfers made tremendous contributions to the victory. During regulation play, the bottom four players in the Notre Dame lineup all shot under par. **Tommy Balderston** was the first to finish up, shooting a four-under par 68 that equaled the best round ever posted by an Irish player in BIG EAST Championship play. That mark lasted all of 10 minutes, before **Scott Gustafson** rolled in with a five-under par 67. Yet, Gustafson's new record didn't stand much longer than Balderston's figure, as **Mark Baldwin** came along in the next group and drained a tricky eight-foot par putt on No. 18 to reset the school standard and match the conference record with a six-under par 66. **Cole Isban** then tacked on a one-under 71 to cap off the historic performance.

However, when it came to the playoff hole (par-4 No. 18), **Josh Sandman** was the hero. The Irish rookie had shot the high round of the day for Notre Dame (76, +4), but playing in the second playoff pairing, he ripped his tee shot to the edge of a fairway bunker around 135 yards from the pin. Despite having a dangerous downhill lie on the front lip of the trap, Sandman confidently pulled out a wedge and stuck his approach shot to within 10 feet. He then strode to the green and sank his birdie putt, highlighting a one-under par showing for the Irish in the playoff (birdie, par, par, par), while Louisville went one-over in the same span (par, par, par, bogey) and was hampered when one of its tee shots found the lake next to the 18th fairway.

Entering the final round, Notre Dame was in third place, 12 shots back of Louisville and seven shots behind Marquette, and the Irish knew everything would have to go right and then some if they hoped to defend their back-to-back league titles. However, when the dust settled, all five Irish golfers finished among the top 20 in the 60-man field. Baldwin led the way with a tie for fifth place at four-under par 212 (69-77-66), setting a school 54-hole record for conference tournament play and also becoming the first Notre Dame player ever to be named all-BIG EAST three times. Gustafson and Isban tied for eighth place at three-under par 213, with Gustafson shooting round of 75-71 and a career-low-tying 67, while Isban carded steady marks of 70, 72 and 71.

Balderston was a late addition to the Irish lineup, having not played in a tournament all year long due to injury. In fact, one of his last events as a member of the Notre Dame travel squad came in February 2005, when he helped the Irish win the NOKIA Sugar Bowl Tulane Invitational at New Orleans on the first hole of a sudden-death playoff. His contributions this week led to another heart stopping win, as he finished tied for 13th place with a one-under par 215 (72-75-68), with his final-round score being one off his career best (67 at the 2004 John Dallio Memorial Invitational).

Despite his regulation struggles, Sandman closed out his first BIG EAST Championship in a 20th-place tie at one-over par 217 (70-71-76). That score was even more amazing when one considers that a month earlier, he had yet to play a college event because of a back injury.

Notre Dame's Graduation Rates Among Nation's Best

University of Notre Dame athletic programs again rank among the best in the country in graduation rates, based on Graduation Success Rate (GSR) figures released in September 2006 by the NCAA.

Among the 119 NCAA Division I-A football-playing institutions, Notre Dame had the second-highest percentage of its sports with 100 percent scores, with a .772 figure (17 of 22). Only the U.S. Naval Academy had a higher mark, with 84.2 percent (16 of 19) of its sports earning perfect scores. Duke was third at .727 (16-21), while Northwestern is fourth (.722, 13-18).

In football, Notre Dame achieved a 95 GSR rating, with only the U.S. Naval Academy (at 98) and Boston College (96) ranking higher. Here are the institutions with scores of 90 or higher in that category: U.S. Naval Academy (98); Boston College (96); **Notre Dame (95)**; Stanford (94); Wake Forest, Duke and U.S. Air Force Academy (93); Vanderbilt (92); Northwestern (91); and U.S. Military Academy (90).

In men's basketball, Notre Dame achieved a 91 GSR rating, with only the U.S. Naval Academy, Wake Forest and Florida (each at 100) and the U.S. Military Academy (97) ranking higher. Here are the institutions with scores of 90 or higher in that category: U.S. Naval Academy, Wake Forest and Florida (100); U.S. Military Academy (97); **Notre Dame** and Michigan State (91).

In women's basketball, Notre Dame achieved a 100 GSR rating, as one of 16 Division I-A institutions with a perfect score. Here are the institutions with scores of 95 or higher in that category: Arkansas, Florida, Idaho, Kent State, Miami (Fla.), Michigan, Nebraska, Northwestern, Notre Dame, Oregon, Rice, Syracuse, Tennessee, U.S. Naval Academy, Vanderbilt and Wake Forest (100); U.S. Military Academy (99) and Virginia (97).

The national GSR for 2006 for Division I-A is 77 percent. Only team rates were released. The second-year GSR data is based upon the entering classes from 1996 to 1999.

In addition to women's basketball, other Notre Dame programs recording 100 GSR scores were baseball, men's cross country/track, women's cross country/track, men's fencing, women's fencing, women's golf, ice hockey, women's lacrosse, rowing, men's soccer, softball, men's swimming, women's swimming, men's tennis, women's tennis and volleyball. Men's lacrosse received a 97, women's soccer earned a 94 and men's golf received a 92.

collegiate on April 15 at the Scarlet Course of the Ohio State Golf Club (par 71/7,454 yards) in Columbus, Ohio. The Irish posted a two-round total of 60-over par 628 (314-314) in the 16-team tournament, placing ahead of such notable teams as No. 32 SMU (15th place, 641) and No. 33 Wisconsin (13th place, 639) — No. 20 Louisville won the tournament at 591 (+23).

After the second round was suspended by rain, play resumed the next morning, but due to the delay and travel plans of numerous teams in the field, tournament organizers trimmed the event to 36 holes. The conditions weren't much better on day two, with only one of the 16 teams breaking 305 for the second round (Louisville at 299). What's more, only one player managed to reach par for the tournament, as Michigan State's Matt Harmon took medalist honors with an even-par 142.

Senior co-captain **Cole Isban** was Notre Dame's top finisher, tying for 32nd place at 13-over par 155 (79-76), two strokes better than junior **Greg Rodgers** and sophomore **Josh Sandman**, who tied for 40th place at 15-over par 157 after each man carded rounds of 78 and 79. Senior co-captain **Adam Gifford** was tied for 53rd place at 19-over par 161 (81-80), while freshman **Doug Fortner** shared 78th place at 24-over par 166 (79-87). Junior **Mike King** competed as an individual this weekend, tying for 81st place at 25-over par 167 (79-88).

Three Tournaments, Three Aces For Irish

It would be difficult to script a much better start than Notre Dame freshmen **Doug Fortner** and **Carl Santos-Ocampo** experienced this fall. Between them, the two Irish rookies fired three aces in their first three tournaments, including matching holes-in-one in their respective college debuts 10 days apart.

Fortner was the first to card a "single" on Sept. 16 in the second round of the Gopher Invitational in Wayzata, Minn., pulling out a pitching wedge and sinking his tee shot on the par-3, 139-yard 17th hole at the Spring Hill Golf Club. Not to be outdone, Santos-Ocampo made his mark in the final round of the John Dallio Memorial (a "B" team event for the Irish) in West Chicago, Ill., using a 7-iron to bury his tee shot on the par-3, 175-yard third hole at the Prairie Landing Golf Club.

Santos-Ocampo was at it again on Oct. 10 in the final round of the Fighting Irish Gridiron Golf Classic. Playing into a stiff breeze, the diminutive Notre Dame freshman took an 8-iron to the tee of the par-3, fourth hole at the Warren Golf Course and promptly buried his 136-yard tee shot.

Both Fortner and Santos-Ocampo were featured in the Oct. 30 edition of *Sports Illustrated's* "Faces in the Crowd" for their accomplishment, which is believed to be the first of its kind in NCAA Division I history.

Next Up: NCAA Regionals (May 17-19)

Should Notre Dame win the BIG EAST Championship (and the conference's automatic bid) or be chosen as an at-large squad, the Irish would next tee off May 17-19 at the NCAA regionals. The East Regional will be held in Alpharetta, Ga. (Golf Club of Georgia), the Central Regional is slated for Sugar Grove, Ill. (Rich Harvest Farms), and the West Regional will take place in Tempe, Ariz. (ASU Karsten Golf Course). Notre Dame has made 33 postseason appearances, including trips to the past three NCAA regionals, although the Irish have not advanced to the NCAA Championship final since 1966 (prior to the institution of regional play).

JOSH SANDMAN

Sophomore • 6-1 • 165

Greensboro, N.C. (Southeast Guilford)

As A Sophomore (2006-07) ...

One of cornerstones of Notre Dame's lineup this season, appearing in all 11 events (31 rounds) ... second on team with 74.13 stroke average ... also second on squad with nine rounds of par or better, including six below par (three in the 60s) ... has formed solid 1-2 punch with Cole Isban, with both men seeing 30 of 31 rounds (96.8 percent) counting to team score ... got off to strong start with five consecutive top-25 finishes in as many fall tournaments (three in the top 15) ... best efforts came at The Prestige at PGA WEST (tie-10th, season- and career-low 213, -3), the Fighting Irish Gridiron Golf Classic (tie-11th,

222) and the Aloha Purdue Collegiate Invitational (tie-14th, 215) ... carded career-best 66 in opening round of Aloha Purdue Collegiate Invitational on Thanksgiving Eve despite navigating tricky tradewinds and rain in the Hawaiian Islands ... had rollercoaster spring season, currently standing third on team with 75.38 stroke average ... tied for 21st at Border Olympics with even-par 216 (71-73-72).

Additional Information ...

Hero of Notre Dame's 2006 BIG EAST Championship victory, sinking birdie putt on first hole of sudden death playoff (after shrugging off final-round 76 that was not counted to team score) ... finished in top 25 eight times in first 10 career events, despite getting late start to college career because of back injury ... best career finish was tie for second at 2006 Boilermaker Invitational on treacherous Pete Dye-layout in West Lafayette, Ind. ... had 73.40 stroke average as a freshman, with that mark standing as sixth-best season total in school history ... presently stands second in Irish record books with 73.89 stroke average, hot on the heels of teammate Cole Isban (73.82) ... qualified for 2006 U.S. Amateur Championship ... full name is Joshua Sandman ... born June 6, 1987 in Greensboro, N.C. ... son of Michael and Dawn Sandman ... enrolled in Mendoza College of Business, but has yet to declare a major.

JIM KUBINSKI

Head Coach • Third Year at Notre Dame Springfield College (1993)

One of the nation's top young golf teachers, **Jim Kubinski** is now in his third season as the head coach at Notre Dame. Having assumed the post on Jan. 28, 2005, Kubinski is just the sixth head coach in the 77-year history of the Irish men's golf program, inheriting a storied tradition that includes the 1944 national championship, 19 top-10 NCAA Championship finishes and 33 NCAA postseason appearances.

"We feel Jim is one of the rising stars in the golf coaching community and someone who can continue to develop our program into a perennial national contender," Notre Dame director of athletics Kevin White says.

It hasn't take long for Kubinski to make his mark at Notre Dame and reward White's confidence in his abilities. In his first tournament at the helm of the Irish, just one month after setting foot on campus, Kubinski helped guide Notre Dame to the championship of the 2005 NOKIA Sugar Bowl Tulane Invitational, winning the title on the first hole of a sudden death playoff against UNC Wilmington. It was the first of two tournament crowns in the 2004-05 season for Notre Dame and made Kubinski the first Irish men's golf coach since 1961 to win the opening event of his career. That season, Rev. Clarence Durbin, C.S.C., led the Irish to a 23.5-6.5 dual-match win over Western Michigan.

That was the start of what has been a remarkable three-year run for the Notre Dame skipper, who has piloted the Irish to consecutive BIG EAST Conference titles in 2005 and 2006, and back-to-back NCAA regional appearances both years, not to mention a 214-205-10 (.510) record and 13 wins over teams ranked in the *Golfweek* Top 25. What's more, Notre Dame has regularly collected votes in the *Golf World/Nike* Top 25 coaches poll and has risen as high as No. 12 in the *Golfweek* rankings (Oct. 2, 2005).

Under Kubinski's guidance, Notre Dame has registered 11 top-five finishes in 29 tournaments, including three tourney titles (two coming in sudden-death playoffs). The Irish also have carded three of the top seven single-season stroke averages in school history, following a 299.89 mark in 2004-05 (seventh all-time) with a school-record pace of 292.97 last year and a current mark of 296.71 this season (second all-time). In addition, Notre Dame has fired six of the top-10 single-round scores in school history since Kubinski arrived on campus, including impressive final-round postseason efforts at the 2005 NCAA Central Regional (282, +2) and the 2006 BIG EAST Championship (school-record 272, -16). The latter score highlighted a 12-stroke comeback victory over Louisville, the second-best rally in the storied history of the program, and led the Notre Dame's selection as the *Golfweek* National Team of the Week (May 1, 2006) for the first time in program history.

Individually, Kubinski has produced impressive results with several Irish players in a short span of time. Senior All-America candidate **Cole Isban** is the school record holder for single-season stroke average (72.97 in 2005-06), and he is the first Notre Dame golfer in 25 years to earn regional or national accolades, garnering a spot on the last two PING All-Midwest Region Teams. Sophomore **Josh Sandman** got a late start to his college career in 2005-06 due to an injury, but since he hit the links, he has been superb, posting a 73.89 stroke average in 46 career rounds (16 tournaments) that puts him in line to threaten the school's career stroke average record (Isban leads at 73.82). Thus, it's no wonder Kubinski was nominated for the 2007 *GOLF Magazine* Top 100 Teachers List, honoring the nation's pre-eminent golf instructors.

"As a lifelong Notre Dame fan, I couldn't ask for a greater opportunity than to be the head coach of the Fighting Irish," Kubinski said. "It's certainly a special time to play for Notre Dame and be a part of this great university. I'm looking forward to an exciting time ahead and feel that we're building something here that will be a great source of pride for our players and our university in the years to come.

"Notre Dame exemplifies the best of everything in a college environment, both academically and athletically," Kubinski continued. "It's my goal to ensure that we are a perennial top-10 program on the course and in the classroom, consistent with the best traditions of Notre Dame, and I truly believe we can achieve this goal."

Kubinski, 36, came to Notre Dame after spending a year and a half as the assistant men's and women's golf coach at Duke. During his playing days, he was a three-year letterman and two-year team captain at Springfield (Mass.) College before graduating in 1993. A two-time all-Northeast 10 Conference selection in 1991 and 1992, he also received the Springfield College Maroon Club Award for academic and athletic achievement in 1992. His playing experience continued on the North Atlantic Tour where he tied for sixth place at the '95 Boston Open, and he also competed in the Carolinas Section PGA.

Born May 4, 1970 in Springfield, Mass., Kubinski and his wife, Sarah, live in South Bend. The couple was married in Durham, N.C., on Oct. 15, 2005.

62. (tie) Kyle Willis	80	76	80	236 (+20)
67. (tie) Olavo Batista	84	78	77	239 (+23)

Tournament Notes: This was the first of two "B" team tournaments Notre Dame will play in 2006-07, with no "B" team scores counting on the national rankings lists (*Golfstat/Golfweek*), although individual scores are accepted ... the Irish fielded a lineup that included three freshmen (Olavo Batista, Carl Santos-Ocampo, Kyle Willis) making their college debuts ... for the second consecutive tournament, a Notre Dame rookie sank a hole-in-one in his first college tournament, as Santos-Ocampo aced the par-3, 175-yard third hole with a 7-iron in the final round ... junior Eddie Peckels posted his best finish since a seventh-place showing at the 2004 Earl Yestingsmeier Invitational (another "B" team event), when he also recorded his top college score (215, +5) ... Peckels' final-round 69 also was the best of his career, one stroke better than his third-round 70 at the '04 Yestingsmeier ... the tournament was an early homecoming for Willis, who hails from Lake Forest, Ill., and graduated from Lake Forest High School last spring.

Tournament Notes: Notre Dame competed in The Prestige at PGA WEST for the third consecutive year, also tying for 10th in 2004 and sharing fifth place in 2005 ... Notre Dame's 54-hole score of 879 was its best in three visits to PGA WEST ... the Irish fired a season-low 282 in the final round, their best 18-hole mark since their dramatic school-record 272 to close out the 2006 BIG EAST Conference Championship (ND won on the first hole of a sudden-death playoff) ... sophomore Josh Sandman carded career lows with his final-round 67 and his three-round score of 213 (-3) ... Sandman and senior Cole Isban both posted their third top-20 finish in as many events this season ... senior Adam Gifford fired a career-low 70 in the third round to cap off a personal-best score of 220 (+4).

Tournament Notes: Notre Dame shot a season-low 869 in the tournament, its best mark since a school-record 842 at last year's BIG EAST Championship ... the Irish have lowered their team score by at least 10 strokes in each of their four "A" tournaments during the fall 2006 campaign ... Notre Dame picked up its first win over a ranked opponent this season, finishing five shots clear of No. 22 TCU ... senior Cole Isban posted his fourth consecutive top-20 finish (and eighth in the past 12 events), carding 11 birdies and an eagle over his final 36 holes ... Isban also fired a career-low 66 in the second round, one shot better than the 67 he shot in the middle round of the Administristaff Augusta State Invitational on April 1, 2006 ... sophomore Josh Sandman collected his fourth Top 25 finish in a row and seventh in nine career events ... junior Eddie Peckels tied his career-best round with a 69 on his second circuit, matching his final-round mark at the John Dalio Memorial back on Sept. 26.

Tournament Notes: This tournament was in its inaugural season ... Notre Dame tied its season-best finish, also achieved at the Fighting Irish Gridiron Golf Classic ... the Irish shot a season-low 863, which also matches the fourth-lowest tournament score in school history (ties best-ever on par 71 course, previously set at 2003 Nelson Invitational) ... Notre Dame's second/third-round scores of 286 tied for third-lowest this season, exceeded only by a final-round 282 at The Prestige at PGA WEST and an opening-round 283 at the Aloha Purdue Collegiate Invitational ... the Irish had three top-10 individuals for the first time since the 2006 BIG EAST Championship ... freshman Doug Fortner posted career lows for 18 and 54 holes, as well as his best finish of the season; Fortner is the second Irish freshman in as many years to record a top-five tourney finish (Sandman - 2nd at 2006 Boilermaker Invitational) ... senior Adam Gifford also carded single-round and tournament career lows and earned his first career top-five finish ... senior Cole Isban battled through a stomach virus to record his second top-10 finish of the season and 14th of his illustrious career.

Tournament Notes: Notre Dame posts its best finish in three career trips to the Border Olympics (eighth in 2006; 14th in 2003) ... the Irish register the sixth-lowest 54-hole score in school history, and their best (with relation to par) in a regular-season tournament since the 2005 Coca-Cola Duke Classic (865, +1) ... Notre Dame's opening-round 284 was its lowest score of the spring season ... senior All-America candidate Cole Isban tied the 54-hole school scoring record (209; also Jeff Connell at the 1998 Marshall Invitational) and set a new mark with relation to par (previous record: -6 by four different golfers) ... Isban also earned his eighth career top-five finish and first since a runner-up placement at last fall's inaugural Fighting Irish Gridiron Golf Classic ... sophomore Josh Sandman turned in his best outing since closing the fall with a 215 (+5) at the Aloha Purdue Collegiate in Hawaii.

Tournament Notes: Notre Dame was appearing in the Augusta State tournament for the fourth consecutive year ... the 18-team field was the largest of the season for the Irish to this point ... after being its strength earlier this season, the second round has been Notre Dame's sticking point of late, with the Irish posting their highest scores during the second circuit in four of the past five events ... the Irish did pick up a key Midwest District victory by placing four shots clear of Minnesota ... senior co-captain Adam Gifford ended up one stroke shy of his career low (213 in the Triumph at Pauma Valley), and posted his second top-10 finish in the past three tournaments ... sophomore Josh Sandman was remarkably consistent with 36 pars, but a four-hole stretch midway through his second round (where he went five-over par) kept him from an even higher finish.

Tournament Notes: The tournament was shortened to 36 holes due to poor weather conditions (cold, wind, snow) ... the first round was played with wind chill readings in the teens ... Notre Dame has been a regular at Purdue's tournament through the years, with this marking the 23rd time (and second in as many years) that the Irish played in the West Lafayette event ... junior Greg Rodgers made his first appearance of the spring and carded his first round of par or better this season with his second-round 72 ... senior All-America candidate Cole Isban has finished in the top 25 nine times in 10 events this season, while sophomore Josh Sandman now has been a top-25 finisher seven times in '06-07.

Tournament Notes: Notre Dame found itself playing in a weather-shortened tournament for the second week in a row ... the last time the Irish played two consecutive 36-hole events was the 1998-99 season, when Notre Dame took part in three straight two-round tournaments — Louisville Intercollegiate (2nd, 609), BIG EAST Championship (2nd, 617) and Golden Ocala Invitational (8th, 599), with the first two events closing out the '98 fall schedule ... the Irish had not played at the Kepler Intercollegiate since 2003, but were making their 29th overall trip to OSU's spring tourney since the '68-69 season ... Notre Dame did not have a player finish in the Top 25 for the first time since the '06 NCAA East Regional, when Cole Isban was the top Irish individual with a tie for 52nd place ... Isban's opening-round 79 matched his highest score of the season (first round, Gopher Invitational), while his two-round total of 155 was his highest since he shot a 156 at the '06 NCAA East Regional ... Isban played in his school-record 47th tournament and became the first Irish golfer ever to card 10,000 career strokes.
