## NOTRE DAME - USC SERIES HISTORY

► This rivalry began in 1926, when legendary Irish head coach **Knute Rockne** became the first Midwestern coach to take a team to the West Coast (Notre Dame won that game, 13-12) and the teams have met every season since (taking 1943-45 off due to travel restrictions during World War II).

► Notre Dame has won eight Associated Press national titles while USC has won five.

► The Irish have been selected as a national champion by at least one legitimate poll in 22 seasons; USC lists 16 such campaigns.

► Notre Dame ranks second on the all-time winning percentage list (.729) and second in total victories (896). USC is not far behind in eighth place in winning percentage (.702) and 10th in total wins (821).

► Instantly recognizable coaches have stalked the sidelines for each team: **Knute Rockne, Frank Leahy, Ara Parseghian, Dan Devine, Lou Holtz** and **Brian Kelly** for Notre Dame, and **Howard Jones, John McKay, John Robinson** and **Pete Carroll** for USC.

► The winner of the game keeps a jeweled shillelagh (presented by the Notre Dame Club of Los Angeles), with shamrocks representing Notre Dame victories and ruby Trojan heads standing for USC wins (each is engraved with the year and final score). The original foot-long shillelagh was flown from Ireland by Howard Hughes' pilot, according to legend, and was introduced in 1952 (although the medallions date back to the start of the series in 1926). When the original shillelagh ran out of space after the 1989 game, it was retired and is permanently displayed at Notre Dame. A new shillelagh, slightly larger than the original, was commissioned by Jim Gillis, a former baseball player at both USC and Notre Dame and one-time president of the Notre Dame Club of Los Angeles. The new trophy was handcrafted in 1997 in County Leitrim, Ireland, and contains medallions beginning with the 1990 game.

## NOTRE DAME - USC SERIES NOTES

► Notre Dame and USC will be meeting for the 88th time. The Irish lead the all-time series 46-36-5. USC leads the series 22-19-4 in games played in Los Angeles but Notre Dame holds a 25-14-1 edge when the series shifts to South Bend. The teams have met twice at a neutral site (Soldier Field in Chicago) in 1927 and 1929 with the Irish claiming both of those contests.

► USC is the second-most common opponent in Irish football history. The Notre Dame-Navy series remains the longest in school history. The Irish and Midshipmen have played 89 times. The Purdue series is Notre Dame's third-longest at 86 meetings.

► Notre Dame's 46 wins over USC are the most for any Trojan opponent. California is second with 32 wins over USC.

► The Irish compiled an unbeaten streak of 13 games against USC from 1983-1995. The Irish won 11 straight games from 1983-93, but a 17-17 tie in 1994 (at USC) ended the streak. Notre Dame won in 1995 but a Trojan 27-20 overtime victory in 1996 (**Lou Holtz's** final game as Irish coach) ended the 13-game unbeaten run.

► USC captured eight straight victories in the series from 2002-09. The eight-game winning streak was the longest by the Trojans in series history. Notre Dame ended the eight-game USC winning streak with a 20-16 victory over the Trojans in Los Angeles in 2010.

► From 1965 to 1982, either Notre Dame or USC was ranked in the top 20 entering the game. In fact, both teams were ranked in the top 20 in each series meeting from 1972-79. In that eight-year span, USC compiled a 6-2 record, but the two Notre Dame victories (1973, 1977) marked national championship seasons for the Irish.

► It's not unheard of that a national title is at stake for one of the combatants in this rivalry. Seven times Notre Dame has entered the game at USC with a shot at a national crown, only to be defeated (1938, 1948, 1964, 1970, 1974, 1980 and 2006) and an eighth chance was damaged by a tie in 1948. The Irish have ruined USC's national title dreams three times: 1947 (38-7), 1952 (9-0) and 1988 (27-10).

► Notre Dame is 11-6 in its last 16 games against USC in Notre Dame Stadium, but the Trojans had captured each of the last five meetings until Notre Dame's 14-10 win in 2013. Notre Dame's victories in that span came in 1983 (27-6), 1985 (37-3), 1987 (26-15), 1989 (28-24), 1991 (24-20), 1993 (31-13), 1995 (38-10), 1999 (25-24), 2001 (27-16), 2013 (14-10) and 2015 (41-31).

► At least one team has been ranked in the AP Top 25 in 66 of the 78 (.846) meetings since 1936 (the first season of AP national rankings), while both teams have been ranked a total of 33 times.

► Since 1965 (or the last 50 meetings), the Notre Dame-USC game has been nationally televised on 43 occasions (including the 2016 game). It has often been shown in primetime. Since 1990, this will be just the sixth Notre Dame home game to be played at night and the third against USC, joining the 2011 and 2013 contests.

#### ND-USC IN THE POLLS

► Since the AP poll began in 1936, the last 78 Notre Dame-USC games (including this year's meeting) have included 33 in which both teams were ranked in the AP poll, 33 when one team was ranked and only 12 when neither team was ranked. The 65 games with at least one ranked team have included 54 with at least one top-10 team.

► In the 65 previous games where at least one team has been ranked, the higher-ranked team is 41-19-5 (.669).

► Notre Dame is 13-7-1 (.643) in the all-time series with USC when ranked in the top five, including a 6-6-1 (.500) mark in Los Angeles.

► Notre Dame has a 21-9-2 (.688) record when it is ranked higher than USC.

► An unranked team has defeated a ranked team 11 times in the series (six by USC), most recently in 1998 when USC knocked off No. 9 Notre Dame (10-0) at the Coliseum.

► There have been seven other times in the series when an unranked team knocked off a top-10 opponent, with the Trojans winning four of those games.

► Notre Dame and USC have had just 12 meetings in series history with both teams unranked, the most recent being last year's game. The Irish are 8-4 in such meetings, including a 5-2 mark in Notre Dame Stadium and a 3-2 record in the Coliseum.

#### NOTRE DAME VS. THE PAC-12 CONFERENCE

► Notre Dame is 93-54-6 (.627) all-time against teams from the Pac-12 Conference. The Irish are playing their second Pac-12 opponent of the season after falling to Stanford, 17-10, at Notre Dame Stadium on Oct. 15.

### IRISH AIMING TO KEEP JEWELLED SHILLELAGH

- ▶ Notre Dame plays five trophy games and will look to retain the Jeweled Shillelagh on Saturday. The Irish currently hold three of their five rivalry trophies following losses to Stanford and Michigan State earlier this season.
- ▶ The oldest of Notre Dame's game trophies is the battle for the Megaphone Trophy, which has been presented to the winner of the Notre Dame-Michigan State game since 1949. Notre Dame had possessed the Megaphone since 2011 prior to falling this year.
- ▶ The Jeweled Shillelagh was first presented to the winner of the Notre Dame-USC game in 1952. Notre Dame regained the jeweled shillelagh with its 41-31 win over USC on Oct. 17 at Notre Dame Stadium last season.

**NO TURNOVERS = VICTORIES**

- ▶ Notre Dame is 19-3 under **Brian Kelly** when playing an entire game without committing a turnover.
- ▶ All three losses in that span have come this season. The Irish didn't commit a turnover in the 50-47 double-overtime loss to open the season, in the 28-27 loss to Navy in which the Irish had just six possessions and scored on five, and the 34-31 loss to Virginia Tech in the home finale.
- ▶ The Irish had not previously lost a game with no turnovers since Oct. 17, 2009, when USC upended Notre Dame, 34-27.
- ▶ Notre Dame is 33-7 in its last 40 games in which it has failed to commit a turnover.
- ▶ The Irish have not committed a turnover on Opening Day for the last three years. Notre Dame did not turn the ball over against either Temple (2013), Rice (2014) or Texas (2015). The Irish have played 219:02 worth of Opening Day football since its last turnover, a Parrish Gaines interception of **Everett Golson** in the second quarter of the 2012 season opener against Navy in Dublin, Ireland.

**FRESH FACES IN 2016**

- ▶ Notre Dame returned just seven starters from last season's 10-win team. That total marks the fewest returning starters by an Irish squad since freshman regained eligibility in 1972.
- ▶ Notre Dame has used 21 players in their first year of eligibility this season, including 14 true freshmen.
- ▶ Fifty-five of the 61 players on Notre Dame's depth chart have eligibility remaining following the 2016 season.
- ▶ Forty-three of the 61 players on Notre Dame's depth have at least two years of eligibility remaining following the 2016 season.
- ▶ 16 of Notre Dame's 22 starters vs. Virginia Tech have made 15 or fewer starts in their career.
- ▶ Here is a list of players who entered the season with six or fewer starts who have cracked the starting lineup in 2016:

## DEFENSE EVOLVING &amp; IMPROVING

- ▶ Notre Dame's defense has improved mightily over its last six games.
- ▶ Notre Dame has allowed 12 offensive touchdowns over the last 68 total drives by opponents, dating back to halftime against Syracuse.
- ▶ Syracuse scored on three of its five first quarter drives vs. Notre Dame, recording 281 yards on 29 plays (9.69 yards per play). The script flipped in the final three quarters. Over that time, the Irish surrendered 208 yards on 59 plays, or just 3.53 yards per play.
- ▶ The Irish defense forced four straight punts and a turnover on downs on the first five drives of the second half by Syracuse. The turnover on downs came on a short field, as SU began on the Notre Dame 34-yard line.
- ▶ Syracuse had 154 yds on its first 11 plays (14.0 ypp), but Notre Dame limited the Orange to 334 yds over final 77 plays (4.3 ypp)
- ▶ Notre Dame did not allow an offensive touchdown vs. NC State. The Irish held an opponent on the road without an offensive TD for the first time since 2012 (at Boston College).
- ▶ Notre Dame limited the Wolfpack to 198 total yards -- the fewest total yards by an Irish opponent since the 2015 season opener vs. Texas (163).
- ▶ Notre Dame limited NC State to 41 passing yards -- the fewest passing yards by a non-option Irish opponent since Sept. 16, 1995 vs. Vanderbilt (38).
- ▶ Notre Dame limited NC State to just 3.0 yards/play -- the fewest yards/play by an Irish opponent since the 2015 season opener vs. Texas.
- ▶ Notre Dame limited NC State to just 2 of 14 on third down. In fact, the Irish held the Wolfpack and Syracuse to a combined 5 of 29 on third down.
- ▶ Stanford gained 117 yards on 20 offensive plays in the first quarter, but Notre Dame held the Cardinal to 55 yards on 13 plays from scrimmage in the second quarter. Stanford mustered only 53 yards on 11 offensive plays during the third quarter.
- ▶ Miami scored two offensive touchdowns at Notre Dame, with the Irish recording 12 tackles for loss and holding the Hurricanes to just 18 rushing yards on 35 attempts.
- ▶ Army West Point was held to just one offensive touchdown on nine drives in the 44-6 Irish victory. The Black Knights totaled just 242 total yards, including just 13 through the air.

**DEFENSE SLOWS FAST START BY ORANGE**

- ▶ Syracuse entered the Oct. 1 game with one of the nation's most potent offenses. The Orange got off to a fast start, recording 281 yards on the first 29 plays of the game during the first quarter, an average of 9.69 yards per game.
- ▶ The Irish defense stepped-up, limiting Syracuse to just 208 yards on the final 59 plays of the game, an average of just 3.53 yards per game.
- ▶ Notre Dame forced four straight punts and a turnover on downs on Syracuse's first five drives of the second half as the Irish pulled away. The turnover on downs came on a short field, which saw SU begin the drive on the Notre Dame 34-yard line.

**CHARGING OUT OF THE GATES**

- ▶ A trend Notre Dame hopes continues into 2016, the Irish took advantage of fast starts last season, outscoring opponents 123-71 in the first quarter of games in 2015. Thanks to a 10-0 first quarter lead against Virginia Tech, the Irish hold a 116-44 advantage in the opening quarter and Notre Dame has scored first in 10 of its 11 games this season.

► Notre Dame has trailed only four times over 2015-16 after the first quarter - at No. 12 Clemson (Oct. 3), at No. 9 Stanford (Nov. 28), vs. No. 6 Ohio State in the Fiesta Bowl (Jan. 1) and at NC State during Hurricane Matthew (Oct. 8).

► Notre Dame forced a three-and-out on the opening possession of its first four games last fall and has currently allowed a score on its opponent's opening possession in just eight of its last 23 games.

#### IRISH QBs AT HOME IN MEADOWLANDS

► In piloting the Irish to a 50-33 win over Syracuse at MetLife Stadium on Oct. 1, QB **DeShone Kizer** continued a string of success by Notre Dame quarterbacks at the home of the NFL's New York Giants and Jets.

► Kizer threw for a career-best 471 yards (23-35, 3 TDs) against the Orange, the third most in school history and the most ever in an Irish victory. It was also the most by an Irish QB under head coach **Brian Kelly**. His 20.48 yards per completion were just shy of the NCAA record of 22.9 (minimum 22 completions).

► Kizer was 5-7 for 170 yards and two touchdowns in the first quarter. When coupled with QB **Everett Golson's** performance in the final three quarters of the last appearance at MetLife (a 31-15 win over Syracuse in 2014), Irish quarterbacks had a four-quarter stretch that saw them go 32-38 for 492 yards and six touchdowns.

#### IT'S JARR-ON

► Graduate DL **Jarron Jones** earned the game ball as he led the Irish in stuffing the run against Miami. Jones recorded six tackles for loss, the most by an Irish player since at least 1997. He added a pass-break-up and had one of those TFLs as a sack of Miami QB Brad Kaaya.

► As a team, the Irish recored 12 tackles for loss, holding Miami to 15 rushing yards. That was the lowest total on the ground by an Irish opponent since the 2012 Oklahoma game.

#### ALMOST PERFECT BALANCE

► Notre Dame's high-flying offense remains as balanced as its quarterback. Adjusting sacks from rushing plays (as credited by the NCAA) to passing plays (as intended), the Irish have 379 running plays this season and 371 passing plays for a run-pass percentage of 50.5%.

► In 2015, Notre Dame had 453 running plays and 411 passing attempts for a run-play percentage of 52.4%.

► In 2014, Notre Dame had 463 passing plays and 484 rushing plays, a mere 51.1 percent lead towards runs.

► In 2013, Notre Dame had 440 rushing attempts and 429 passing attempts, giving the Irish a balanced 50.6 percent run attack. Similarly adjusting the eight sacks that the NCAA considers rushing plays, the 2013 numbers would have been even closer as Notre Dame would have 432 rushing attempts and 437 passing plays, a 50.3 percent tilt towards passing.

#### IRISH CASH IN ON NEVADA DURING SECOND QUARTER

► In the 39-10 victory over Nevada in the home opener, Notre Dame used a 25-point outburst in the second quarter to pull away.

► The scoring opened with a 21-yard field goal from **Justin Yoon** before the Irish finally found the endzone on a seven-yard pass from **DeShone Kizer** to **C.J. Sanders**. The Wolf Pack then made a mental error on the ensuing kickoff, resulting in an Irish safety, before WR **Kevin Stepherson** and RB **Tarean Folston** gave the Irish rushing touchdowns and a 25-0 halftime lead.

► It was Notre Dame's highest scoring quarter since hanging 28 in the second quarter of a 42-21 win at Pittsburgh in 2005.

► The safety was the first recorded by the Irish since 2003, when the Cardinal had a bad snap exit the endzone on a punt during a 57-7 Notre Dame victory.

#### ST. BROWN EMERGES AS BIG PLAY THREAT

► WR **Equanimeous St. Brown** had his second multi-touchdown game of the season against Syracuse in the Meadowlands. The sophomore made four catches for 182 yards and two touchdowns. The scoring grabs were 79 yards and 67 yards.

► With two touchdown receptions at that distance, St. Brown became the first Irish receiver with multiple touchdown catches of at least 67 yards in one game since **Michael Floyd** in 2009.

► Floyd made touchdown catches of 70 and 88 yards in a 35-0 victory over Nevada that season.

#### E-Q EQUALS TREND FOR BIG OFFENSIVE OPENERS

► WR **Equanimeous St. Brown** made his first career start on opening night at Texas (Sept. 4) and proceeded to catch five passes for 75 yards and a pair of touchdowns. The second TD, a 30-yard pass from **DeShone Kizer**, proved particularly memorable as St. Brown's cartwheel into the end zone after being hit just short of the goal line became an immediate viral sensation.

► The two scores continued a recent trend for the Irish. In each of the past six season openers, a member of the Notre Dame team has scored at least two TDs. Against Texas in 2015, **Will Fuller** had two TD catches and **Josh Adams** had two TD runs. In 2014 against Rice, **Everett Golson** ran for three TDs. Facing Temple in 2013, **DaVaris Daniels** hauled in a pair of TD grabs. The 2012 opener in Ireland against Navy saw **Theo Riddick** and **George Atkinson** rush for two TDs apiece. In the 2011 opener against South Florida, **Michael Floyd** caught a pair of TDs.

► The last Irish opener without a player scoring two TDs came in a 23-12 win over Purdue in 2010 when the Irish got single TDs from **Armando Allen** and **TJ Jones**, along with three **David Ruffer** field goals.

#### FOUR CAPTAINS NAMED FOR 2016 SEASON

► On August 24, Notre Dame head coach **Brian Kelly** announced four captains for the 2016 team, senior wide receiver **Torii Hunter Jr.**, senior left tackle **Mike McGlinchey**, senior linebacker **James Onwualu**, and senior defensive lineman **Isaac Rochell**.

► Reflecting the national nature of Notre Dame's recruiting base, all four are from different states as Hunter hails from Texas, McGlinchey from Pennsylvania, Onwualu from Minnesota and Rochell from Georgia. The last time Notre Dame had at least four captains, all from different states came in 2009 with **Jimmy Clausen** (California), **Eric Olsen** (New York), **Kyle McCarthy** (Ohio) and **Scott Smith** (Illinois).

► It marks the first time since 2011 that a member of the Martin family has not served as a team captain. **Zack Martin**, now an All-Pro guard for the Dallas Cowboys served as a captain in 2012 and 2013 while his brother **Nick Martin**, now a center for the Houston Texans, served as a captain in 2014 and 2015. The Martins become the first pair of brothers to serve as team captains for the Notre Dame football team over multiple seasons, and are only the second brother combination in program history to be named captain along with **Bob Golic** (1978) and **Mike Golic Sr.** (1984).

#### HE'S NO. 1!

► New for the 2016 season, head coach **Brian Kelly** has opted not to issue the coveted uniform number one. Instead, it is being awarded in a weekly basis to the player who best represents the ideals of the program on and off of the field. Worthy candidates are nominated weekly by the team captains and are debated by the coaching and support staff with the selection revealed in the locker room following pregame warmups.

► If an offensive lineman is chosen, they are duly recognized but ineligible to wear the number one during the game itself due to NCAA rules restricting down linemen to uniform numbers ranging from 50-79. This occurred for the first time with Quenton Nelson receiving the honor against Duke.

► Following the loss to Duke, Michigan passed Notre Dame in all-time winning. As a result, the No. 1 jersey will not be awarded until the Irish move back atop the all-time winning percentage list.

Game	No. 1 Recipient	Stats
at Texas (Sept. 4)	LB James Onwualu	Eight tackles (three solo), one tackle for loss
Nevada (Sept. 10)	CB Cole Luke	Two tackles (both solo)
Michigan State (Sept. 17)	RB Josh Adams	12 rushes, 33 yards
Duke (Sept. 24)	OL Quenton Nelson	Start

#### TOUGH TO BEAT WHEN WINNING THE RUSHING BATTLE

► Since the start of the 2005 season, Notre Dame has won 63 of its past 70 games when recording more rushing yards than its opponent, including a 4-1 mark this season when out-gaining the opponent on the ground. The lone defeat was to Virginia Tech when the Irish out-gained the Hokies 200-152 on the ground while falling, 34-31.

► Last season, the Irish had a 6-1 mark when out-rushing their opponent (wins over Texas, Virginia, UMass, USC, Temple and Wake Forest with a loss at Stanford).

► Seventh-year head coach **Brian Kelly** has his own fairly remarkable run when his teams outrush their opponents. He is 181-28-1 in his career and 43-7 at Notre Dame when winning the rushing battle. Notre Dame's record when outrushing the opponent the last few years:

Year	Record
2016	4-1
2015	6-1
2014	5-1
2013	5-2
2012	10-0
2011	6-2
2010	7-0

#### 30 IS THE WAY TO CARRY THE DAY

► The number 30 has proven critical when predicting Notre Dame's overall success.

► The Irish stand at 40-11 (.784) in its last 50 games when they have run the ball at least 30 times. Notre Dame had a run of 26 consecutive games where it did not lose a game in which it had at least 30 rushing attempts snapped on Oct. 18, 2014, at No. 2 Florida State. The Irish ran the ball effectively against the Seminoles, gaining 157 yards on 35 carries (4.5 average) but lost a game for the first time when carrying the ball at least 30 times since an 18-14 defeat vs. Florida State in the 2011 Champs Sports Bowl in Orlando.

► Notre Dame had lost eight straight games when rushing less than 30 times until defeating Miami, 30-27, with 29 rushes on Oct. 29. The prior victory also game with 29 rushes, a 59-33 win over Air Force in 2011.

► The Irish have run the ball at least 30 times in all but four of their last 21 games, extending back to a loss at USC on Nov. 29, 2014, in which the Irish had just 25 carries against the Trojans during a loss at the Los Angeles Memorial Coliseum. The exceptions have come against Michigan State, Miami and Navy this season.

► Notre Dame ran the ball at least 30 times in each of its 13 games in 2015.

► The Irish went 8-3 in 2014 when rushing the ball at least 30 times. Notre Dame carried the ball at least 30 times in each of its first 10 games along with its Music City Bowl win over No. 22 LSU.

#### DOUBLE CENTURY GROUND GAME

► Notre Dame is 40-5 since the start of the 2002 season when it gains 200 or more yards rushing, including 261 yards on the ground in the win over Army.

► Notre Dame ran for 206 yards on 46 carries in the season-opener at Texas on Sept. 4 in a rare losing effort when crossing the 200 rushing yards plateau. Notre Dame has ran for at least 200 yards in four of its last five season openers, just missing the mark in 2013 against Temple.

► The stat also failed the Irish against Virginia Tech with 200 yards rushing in a 34-31 loss.

► The Irish opened the 2015 season by rushing for 214 yards in its 38-3 win over Texas, 253 yards at Virginia on Sept. 12, 215 against No. 14 Georgia Tech on Sept. 19 and 457 against UMass on Sept. 26.

► Last year marked the first time that Notre Dame has opened a season with four consecutive 200-yard rushing efforts since 1989 when Notre Dame reeled off 11 in a row to begin the campaign before being held to 142 yards at Miami (Fla.) on Nov. 25.

► Notre Dame rushed for 1,139 yards over its first four games of the 2015 season. It marked the most rushing yards for an Irish squad through four games since 1992 (1,264 yards).

► The Irish ran for at least 200 yards six times in 2015, posting a 5-1 record in those contests. The lone loss came at No. 9 Stanford (Nov. 28) when the Irish ran for 299 yards but lost, 38-36. The 299 rushing yards are the most surrendered by Stanford on its home field since Washington ran for 388 on Nov. 3, 2007.

► Notre Dame capped its 2014 season in style with 263 rushing yards in a Music City Bowl win over No. 22 LSU. Only Auburn and Mississippi State (both 268) ran for more yards against the Tigers last year.

► Combining that Music City Bowl sum and the first four games of 2015, it marks the first time the Irish have run for at least 200 yards in five consecutive games at any point in a season since ending the 2000 season with six straight 200-yard rushing efforts.

#### IRISH HANG ONTO THE FOOTBALL

► Notre Dame's running backs have established an impressive resume for holding onto the football since the arrival of head coach **Brian Kelly**. Through nine games this year, running backs **Josh Adams** (141 rushes), **Tarean Folston** (118) and **Dexter Williams** (36) have combined for 295 carries without losing a fumble.

► Arguably the most impressive 2016 performance came in Hurricane Matthew at NC State. In a game featuring 10 fumbles between the two teams, Adams and Williams combined for 20 carries and did not put the ball on the ground.

► In 2015, **C.J. Prosise** (156 carries), Adams (117), Williams (21), Folston (3) and **Josh Anderson** (2) carried the ball 299 times while losing just three fumbles, one coming amidst the rains of Hurricane Joaquin at No. 12 Clemson on Oct. 3 and the other two against the nation's top-ranked defense in Boston College on Nov. 21.

► Notre Dame running backs have lost 15 fumbles over 2,221 carries since 2010, an average of just one lost fumble for every 148.1 carries.

► Here is a look at the success Irish running backs have had in terms of ball security since the arrival of head coach **Brian Kelly**:

Year	Carries by RBs	Fumbles Lost
2010	325	2
2011	357	3
2012	378	3
2013	383	2
2014	316	2
2015	299	3
2016	295	0

### HOME IS WHERE THE HEART IS

- ▶ The offseason addition of **Jeff Burris** to the Notre Dame football staff as a senior defensive analyst only adds to the bevy of Irish legends currently helping the 2016 team. Burris, a consensus All-American and team captain in 1993, first round NFL Draft pick by the Buffalo Bills and 10-year NFL veteran, spent the past three seasons as the assistant defensive backs coach for the Miami Dolphins.
- ▶ In 2015, three former Irish stars were added to head coach **Brian Kelly**'s staff.
- ▶ Arguably the best defensive back Notre Dame has produced, defensive backs coach **Todd Lyght** was a two-time consensus All-American and a starter on the 1988 national championship team. The fifth overall pick in the 1991 NFL Draft by the St. Louis Rams, Lyght played in the league for 12 years. He earned All-Pro accolades and won a Super Bowl ring with the Rams in Super Bowl XXXIV.
- ▶ Running backs coach **Autry Denson** was a three-year starter and two-time team Most Valuable Player, Denson starred for Notre Dame from 1995-98. He is the all-time leading rusher in school history with his 4,318 yards.
- ▶ Former Irish quarterback **Ron Powllus** rejoined the Irish last year as the program's director of player development. Powllus is charged with helping the intellectual, social and spiritual development of the team's student-athletes. He is the program's primary point of contact with the student welfare and development and academic services for student-athletes in addition to holding a role coordinating community service projects.

### POSITION PREVIEWS

#### AMPLE DEPTH AT RUNNING BACK

- ▶ As anticipated, one of the better positional battles of preseason camp came from the running back corps where the starter for Texas was not named until the game-week selection of **Tarean Folston**.
- ▶ Folston started 10 games in 2014 and took the first snap of 2015 but would be lost for the season due to a knee injury after just three carries. Back at full-speed, Folston is ready to expand upon the form that saw him rush for 889 yards in 2014, gaining 5.1 yards per carry. He produced a quartet of 100-yard rushing efforts as a sophomore, including a 120 yards at Florida State and a career-high 149 yards against Navy.
- ▶ Sophomore **Josh Adams** stepped up after Folston's injury and set a Notre Dame freshman record by running for 835 yards in 2015. Averaging 7.1 yards per carry, Adams produced three of the top five single-game freshmen rushing performances in Irish lore, capped by his school freshman record 168 yards at Stanford. He eclipsed the 100-yard plateau in three of Notre Dame's final five games of the 2015 campaign.
- ▶ Adams reached the career 1,000 yard mark against Michigan State in his 16th career game. That marked the quickest an Irish player has reached the plateau since **Darius Walker** hit 1,000 yards in his 14th career game during the 2005 season.
- ▶ Adams has posted 416 yards on 89 rushes with a TD run, while Folston has run 45 times for 195 yards and a touchdown.
- ▶ Sophomore **Dexter Williams**, freshman **Tony Jones Jr.** and graduate student **Josh Anderson** provide extended depth at the position.

#### HARRY'S HEROES: OFFENSIVE LINE WILL BE STURDY AGAIN

- ▶ Under the mindful eye of coach **Harry Heistand**, the Notre Dame offensive line has seen four players selected in the first three rounds of the NFL draft over the past three years, including first rounders **Ronnie Stanley**, who went to Baltimore with the sixth overall pick in 2016, and **Zack Martin**, the 16th overall pick by the Dallas Cowboys in 2014.
- ▶ The unit aims to follow the lead of a 2015 unit which opened holes, protected passers and allowed the Irish to average 200 yards rushing and 200 yards passing per game. The Irish had not accomplished this feat since 1977. Through two games, the Irish are averaging 222.5 rushing yards and 221.5 passing yards per outing.
- ▶ Senior and team captain **Mike McGlinchey** has flipped over from starting right tackle to replace Stanley at left tackle. McGlinchey started all 13 games in 2015 and serves as a leader for this unit both on and off of the field. Senior **Hunter Bivin** brings 24 games worth of Notre Dame experience into the backup post behind McGlinchey.

▶ The stout **Quenton Nelson** earned a spot on Sports Illustrated's preseason All-American team and starts at left guard. The junior started 11 of the 12 games he played in last fall, ably filling the space between first-round pick Stanley at left tackle and second-round pick **Nick Martin** at center. Sophomore **Trevor Ruhland** is listed as Nelson's backup.

▶ Junior **Sam Mustipher** has earned the starting nod at center. Texas was his first career start after appearing in nine games last fall as a reserve and on special teams.

▶ The right guard position saw senior **Colin McGovern** edge out a tough challenge from sophomore **Tristen Hoge** during fall camp. McGovern made the first start of his career at Texas after playing in 10 games previously off of the bench. The nephew of former NFL running back Merrill Hoge, Tristen is also an option to see time as a backup center where he is competing with graduate student **Mark Harrell** for the role.

▶ Junior **Alex Bars** aims to continue to tradition of strong right tackles for the Irish, a starting role held by McGlinchey in 2015 and Stanley in both 2013 and 2014. Bars started two games at left guard last fall (wins over Navy and USC) in place of an injured Nelson before an ankle injury of his own against the Trojans prematurely ended Bars' season. Freshman **Tommy Kraemer** is slated to backup Bars.

#### WIDE OPEN WIDE RECEIVER POSITION

- ▶ Notre Dame has a talented yet inexperienced group of wide receivers.
- ▶ Aside from senior **Torii Hunter Jr.** (28 catches for 363 yards and two TDs in 2015), the unit entered the 2016 season combining for two career catches — an eight-yard grab by sophomore **Equanimeous St. Brown** (vs. UMass on Sept. 26) and a reception for zero yards by sophomore **C.J. Sanders** (vs. UMass on Sept. 26). The depth took another hit after Hunter made four catches for 37 yards in a score against Texas before suffering an injury and missing the Nevada game. He returned against Michigan State to make a team-leading five grabs for 95 yards.
- ▶ At Texas, Sanders caught three passes for 55 yards, including his first career receiving TD after scoring twice in 2015 on special teams. St. Brown led the Irish with five grabs for 75 yards and a pair of TDs in Austin. St. Brown also collected a touchdown pass against the Spartans.
- ▶ Junior **Corey Holmes** and sophomore **Miles Boykin** impressively proved difficult to cover on the Irish scout team last fall and will assuredly factor into the wide receiver playing mix in 2016. Both are listed as top reserves on the pre-Texas depth chart although Holmes ended up earning the start at slot receiver. Neither had a reception against the Longhorns.
- ▶ Early-enrolled freshman **Kevin Stepherson** and summer-enrolled freshmen **Chase Claypool** and **Javon McKinley** bring three of the country's most sought-after recruits into the wide receiver mix. Stepherson and Claypool each played at wide receiver at Texas with their reps increasing after Hunter was lost to an injury.

#### DURHAM ENDURES, LEADS TIGHT END CORPS

- ▶ Notre Dame has become "Tight End U" recently as each of the last six starting tight ends for the Irish have been NFL Draft picks, five of them being either first or second round NFL Draft picks, an esteemed roll that includes **Anthony Fasano** (2006 second round - Dallas), **John Carlson** (2008 second round - Seattle), **Kyle Rudolph** (2011 second round - Minnesota), **Tyler Eifert** (2013 first round - Cincinnati), **Troy Niklas** (2014 second round - Arizona) and **Ben Koyack** (2015 seventh round - Jacksonville).
- ▶ Head coach **Brian Kelly** will utilize a slew of options at this position in 2016. He welcomed back senior **Durham Smythe** at the top of the tight end rotation heading into the fall campaign. Smythe started at Texas and had an eight-yard catch during the contest and scored his first touchdown of the season on a 12-yard catch against Michigan State.
- ▶ Smythe started the first two games of 2015 and proved to be a dependable blocker and pass catcher before suffering an injury in the waning seconds at Virginia. He returned to the starting lineup against Ohio State in the BattleFrog Fiesta Bowl.
- ▶ Junior **Nic Weishar** made a pair of starts (at Clemson and Stanford) in place of Smythe last fall, seeing action in 12 of 13 games overall. He caught three passes on the year and proved a capable blocker.
- ▶ Junior **Tyler Luatua** is another option at tight end, playing in 10 games with a trio of starts, including the Fiesta Bowl. Senior **Jacob Matuska**, a 270-pound converted defensive lineman, will also try his hand at tight end in 2016 after having a productive fall camp.

#### WEALTH OF EXPERIENCE AT QUARTERBACK

- ▶ Few teams can match the level of winning experience that the Irish possess at quarterback. Notre Dame has a pair of signal callers in junior **DeShone Kizer** and senior **Malik Zaire** who started games last year against "Power 5" competition and proved victorious in those matchups.
- ▶ Notre Dame is one of just five teams nationally that returns multiple starting quarterbacks who beat a "Power 5" team in 2015. Auburn (Jeremy Johnson and Sean White), Louisville (Kyle Bolin and Lamar Jackson), Miami, Fla. (Brad Kaaya and Malik Rosier) and Texas (Jerrod Heard and Tyrone Swoopes) are the other four schools.

► Notre Dame is in this enviable position for the first time since the 2011 season when both **Dayne Crist** and **Tommy Rees** returned after leading the Irish as a starter to victories over power conference schools in 2010.

#### KIZER A YEAR WISER

► When **Malik Zaire** was lost for the 2015 season following an injury in the second game, **DeShone Kizer** found himself as the proverbial "next man in" and under center on the road at Virginia with the Irish trailing in the final minute. Kizer led the team on an 80-yard game-winning drive capped by a 39-yard TD pass to **Will Fuller** with 12 seconds remaining in the game.

► That play at Virginia would culminate the first of three late fourth quarter go-ahead drives engineered by the poised first-year starter, all coming on the road. At No. 21 Temple on Oct. 31, Kizer drove the Irish 75 yards, capped by a 17-yard TD pass to Will Fuller with 2:09 remaining, to lift Notre Dame to a 24-20 win. At No. 13 Stanford on Nov. 28, Kizer capped an 88-yard march to pay dirt with a two-yard TD run that put the Irish on top, 36-35, with 30 seconds to play. Unfortunately, the Cardinal would get a 45-yard game-winning field goal as time expired to claim the win.

► Another road-game highlight for Kizer came at Pittsburgh on Nov. 7 as he completed 19 of 26 passes for 262 yards with five TDs against the Panthers. The five TD passes matched the school record for a road game, most recently tied when **Tommy Rees** threw for five at Air Force on Oct. 26, 2013. The record had been set by **Brady Quinn** at Michigan State in 2006 and also accomplished twice by **Jimmy Clausen** - against Hawaii in the 2008 Hawaii Bowl and at Stanford in 2009.

► In addition to the five TD passes, Kizer also ran for a TD at Pitt. The 36 points accounted for set a school record for a road game. It tied for second-best overall, trailing only the 37 points accounted for by **Art Smith** against Loyola-Chicago on Oct. 28, 1911. Smith accounted for seven TDs in an era where they were worth five points apiece and also added two extra points.

► Kizer produced against elite foes in 2015. In five starts against ranked teams, he posted a 140.14 passer rating, including a 60.5 completion percentage, 1,381 passing yards and seven TD passes. He also ran for five other TDs, part of a 10-rushing TD season which set a single-season school record for quarter-backs.

#### MALIK IS ON FLEEK

► In both cases where **Malik Zaire** started a game and not been victimized by injury, he has excelled against college football royalty.

► Zaire made his first career start and earned MVP honors in the 2014 Music City Bowl victory over LSU. He completed 80 percent of his passes while also running for 96 yards and a TD.

► Under center for the 2015 season opener against Texas, Zaire wrote his name into the Irish record book as he completed 19 of 22 passes for 313 yards and three TDs in a 38-3 win over the Longhorns. He became just the fifth Notre Dame player to throw for over 300 yards on Opening Day. Zaire's completion percentage of 86.4 ranks second in school history for any game and stands as the best mark since 1984.

► Zaire's season was cut short in week two at Virginia but not before he ran for 87 yards against the Cavaliers while throwing for 115 more and a TD.

#### RO-SHELL GAME ALONG DEFENSIVE LINE

► Five players who have started a game on the Irish defensive line return for 2016 led by **Isaac Rochell**. The Bednarik and Nagurski Award candidate has started 28 games over the past two seasons. His 63 tackles last fall leads all returning defensive linemen, a sum which included 7.5 tackles for loss. Rochell is tied for the team lead with 4.0 tackles for loss through the first three games, while totaling 16 tackles and adding four QB hurries.

► Graduate student **Jarron Jones** returns at full-speed from an injury suffered last August that kept him out of every game except for the BattleFrog Fiesta Bowl contest against Ohio State. Jones had started 11 games in 2014, amassing 7.5 TFLs and showed flashes of his old self against the Buckeyes, pressuring J.T. Barrett into an interception that later turned into an Irish touchdown. He owns five tackles thus far.

► Junior **Daniel Cage** (seven games) and sophomore **Jerry Tillery** (three games) both bring starting experience to the defensive tackle position and top the list of candidates for starting roles both alongside and behind Jones.

► Junior **Andrew Trumbetti**, who started three of his 12 appearances in 2015, is another returning force at defensive end. He saved his best performance of the season for last, making two TFLs, including a sack, against Ohio State. Trumbetti has made four tackles this season.

► Early-enrolled freshman **Daelin Hayes** was limited in spring drills due to a high school injury but will also push for a prominent role in 2016. Hayes has played in all three games with two tackles.

#### HOLES TO FILL FOR HOLE-FILLING LINEBACKERS

► Senior **James Onwualu** returns for his third year starting at strongside linebacker. Onwualu recorded 38 tackles last fall, including six for a loss. The team captain ranks second on the Irish with 5.5 tackles for loss, along with 37 total tackles to rank fourth on the team.

► Selected to wear the number one jersey for the contest, Onwualu played many snaps as a fourth down lineman in the season opener at Texas (Sept. 4) as the Irish spent most of the game in a 3-3-5 nickel. He went on to make eight tackles with one for a loss, before following with five solo tackles and two for a loss against Nevada.

► The unit must replace a pair of captains and three-year starters in **Joe Schmidt** and **Jaylon Smith**. The faces lined up to fill those roles are junior **Nyles Morgan** in the middle and junior **Greer Martini** on the weakside.

► Morgan emerged at the end of 2014 when he started four games in place of an injured Schmidt. He ended up playing in all 13 games of the 2015 season as a backup linebacker and on special teams. Morgan debuted with aplomb in 2016, making a career-high 13 tackles to lead the Irish at Texas (Sept. 4). He has paced the Irish defense with 58 tackles.

► Martini played in all 13 games last fall, starting four, including contests against option-based offenses in Georgia Tech and Navy. Martini made nine stops against the Midshipmen in 2015, matching his career high set against Navy in 2014.

► Notre Dame's 2015 Defensive Scout Team Player of the Year, sophomore **Asmar Bilal**, is slated to backup Martini while freshman **Jamir Jones** is poised to lineup first behind Onwualu. Bilal and Jones have both seen action in all three games.

► Sophomore **Te'von Coney** will likely see the field as well, entering 2016 as Morgan's backup. He played in 12 games as a freshman in 2015, but similar to Martini, missed all of spring practice. Coney made his first career start against Nevada, recording five solo tackles and one for a loss. On the year, he's made 41 tackles, third on the team.

#### DEFENSIVE BACKS MOSTLY BACK

► Four players return to the Irish secondary with starting experience while some talented newcomers will aim to leave a mark on the depth chart too.

► Senior **Cole Luke** is the veteran of the group. He has started each of the 36 games over the 2014-16 seasons at cornerback. Luke ranked among the national leaders with his 15 passes defended in 2014 and applied ample pressure on opposing receivers in 2015. Luke had a tackle for loss among his two stops in the season opener at Texas (Sept. 4) and also broke up a pass before adding two more tackles against Nevada.

► A good battle was waged in fall practice to replace **KeiVarae Russell** at the other cornerback spot between sophomores **Nick Coleman** and **Shaun Crawford**.

► Crawford won the job, but Coleman will certainly see plenty of playing time. Both ended up starting at Texas while the Irish extensively used their nickel package.

► Coleman saw action in all 13 games as a freshman, mainly on special teams.

► Crawford, who missed all of last season following ACL reconstructive surgery in August '15, suffered a season-ending achilles injury against Nevada after making five tackles and adding a pass break-up.

► Junior **Nick Watkins**, who started in Russell's place against Ohio State in the Fiesta Bowl, has been limited for most of fall camp following Spring surgery for a broken arm. He had a second surgery in October and will miss the rest of the 2016 campaign.

► Early-enrolled freshman **Devin Studstill** turned a lot of heads during a solid spring and will garner immediate playing time. He played much of the second half of the Texas game at safety before making his first career start versus Nevada. Studstill then collected his first career interception against the Spartans.

► Junior **Drue Tranquill** returns from injury in 2016. He brings veteran experience and maturity to the strong safety position. Sixth-year performer **Avery Sebastian** will also see time on the field after starting against the Longhorns.

► A quartet of freshmen, CB **Julian Love**, S **Jalen Elliott**, CB **Troy Pride Jr.** and CB **Donte Vaughn**, have all seen significant playing time this season.

**HERE'S TO YOON!**

- ▶ On the heels of a freshman All-American debut season for the Irish, **Justin Yoon** returns as a stabilizing force.
- ▶ Yoon made each of his last 12 field goals entering the 2016 season, not missing since Sept. 12, 2015, at Virginia. Although snapped when his first attempt at Texas on Sept. 4 was blocked, it ranks as the fourth-longest streak in school history:

**Most Consecutive Field Goals Made**

Player (Years)	FGs
1. David Ruffer (2009-10)	23
2. Nick Tausch (2009)	14
3. Mike Johnston (1982)	13
<b>4. Justin Yoon (2015)</b>	<b>12</b>
5. John Carney (1984-85)	10

- ▶ Yoon tallied 95 points last fall (50 PATs and 15 field goals), the most in Irish lore by a freshman, the third-most by any kicker and the ninth-most for any player regardless of position.
- ▶ Yoon showed a remarkable consistency to reach that high point total, successfully making 88.2% of his field goals, ranking sixth in the nation last fall and first among freshmen.
- ▶ Yoon's range included a 52-yard field goal against Navy in 2015 which ranked the third-longest in school history and the longest nationally by a 2015 freshman.

**NEWSOME'S AWESOME**

- ▶ His personality is hardly quiet, but junior **Tyler Newsome** very quietly put together one of the finest seasons ever by an Irish punter in 2015.
- ▶ Newsome's punting average of 44.5 yards stands first in Notre Dame history with a minimum of 50 boots. Aiding this is the 52.4-yard average from the UMass game on Sept. 26, 2015, that established a single-game school record for a minimum of five punts.
- ▶ Newsome's 44.5-yard average ranked 15th in the nation last year but the mere average conceals his fine work in placement. Of his 55 punts, 21 (38%) found themselves inside the opponent's 20-yard line.
- ▶ In the 2016 season opener at Texas, his top punt went for 53 yards. He added a 53-yarder among five kicks against Nevada, giving him 23 boots of at least 50 yards in 15 career games played.
- ▶ He unleashed a 71-yard boot against Michigan State, just the 12th punt in school history to go over 70 yards and the longest since Hunter Smith drilled a 79-yard punt against Arizona State in 1998.

**SPECIAL SPECIALISTS**

- ▶ Notre Dame brings back a significant amount of special teams experience beyond merely those who will lay their feet on the ball.
- ▶ Graduate student **Scott Daly** is in his fourth consecutive year serving as Notre Dame's long snapper. Daly has been flawless on both long and short snaps over the past two years. He also made a critical play in the 2015 Shamrock Series win over Boston College at Fenway Park when he recovered a fumble of a muffed punt at the Eagles' four-yard line.
- ▶ Last fall, returner **C.J. Sanders** was one of nine players in the nation, and the only freshman, to return both a punt and a kickoff for a touchdown. The speedy wide receiver and son of former Tennessee Titans receiver Chris Sanders returns in 2016 aiming to build upon a freshman season where his 640 kickoff return yards ranked eighth for a single season in school history. He leads the Irish in all-purpose yards in 2016 with 123.3 per game.
- ▶ This fall, sophomore running back **Dexter Williams** will look to take some kickoff returns along with Sanders while fleet-footed sophomore wide receiver **Chris Finke**, a former walk-on awarded a scholarship on August 22, will backup Sanders on punt returns. Williams had a 20-yard kickoff return in the season-opener at Texas.
- ▶ Junior quarterback **Montgomery VanGorger** is poised to step in as the holder for placement kicks, a role where he served as a backup to **DeShone Kizer** in 2015, seeing action only in the win over UMass.

**SPECIAL TEAMS TOUCHDOWNS**

- ▶ Although not a TD, it felt like one when Notre Dame returned a blocked extra point for two points with 3:29 remaining in regulation at Texas (Sept. 4) to force overtime. **Jarron Jones** swatted away Trent Dominique's kick and **Shaun Crawford** raced it the length of the field from there. It marked Notre Dame's first defensive extra point since **Allen Rossum** also tallied off of a blocked kick against Texas in 1995.
- ▶ In blocking Syracuse's first point-after attempt of the day and returning it for two points, it marked the second time this season Notre Dame blocked a point-after attempt and returned it for two points of its own. **Jarron Jones** blocked the extra point and **Cole Luke** returned it for two points.

- ▶ Sophomore **C.J. Sanders** returned a kickoff 93 yards for a touchdown vs. Syracuse. It was his second career kickoff return for TD (93 yards at Stanford in 2015).
- ▶ The Irish scored four touchdowns on special teams in 2015. The Irish had not seen four special teams TD in a single season since 2000.
- ▶ The first special teams TD came at Virginia (Sept. 12) when the Irish faked a field goal and holder **DeShone Kizer** threw a seven-yard TD pass to **Durham Smythe**.
- ▶ Notre Dame's second special teams TD came on a 50-yard punt return by **C.J. Sanders** against UMass (Sept. 26).
- ▶ The third Irish special teams TD of 2015 came against USC (Oct. 17) when **Equanimeous St. Brown** blocked a punt and **Amir Carlisle** returned it five yards for a TD.
- ▶ Notre Dame's fourth special teams TD came on a 93-yard kickoff return by Sanders at Stanford (Nov. 28).

**GREAT FOR TELEVISION**

- ▶ Notre Dame has appeared on national or regional television in 300 consecutive games entering the USC game.
- ▶ The Irish have made 417 appearances on network television -- more than any other school.

#### NOTRE DAME ON NBC SPORTS NETWORK

► NBC Sports Network will air a series of documentary-style programs dedicated to the Irish, produced in conjunction with Fighting Irish Media.

► The first feature will chronicle the 1966 national championship team and debuts on NBCSN at 11:30 p.m. ET on Sept. 17, following coverage of the Michigan State game.

► A half-hour special on the life of **Corey Robinson** will debut on NBCSN at 5 p.m. ET on Oct. 25. Robinson played wide receiver for the Irish from 2013-15 but will spend his senior year as a student coach along with serving as Notre Dame's student government President.

► The 2016 Shamrock Series game against Army will feature the mantra "God, Country, Notre Dame" on the Irish uniforms, a phrase which is carved in stone above the side door of Notre Dame's Basilica of the Sacred Heart. Learn more about this phrase and how it permeates through both the University and its football team on NBCSN at 5 p.m. ET on Nov. 8.

► NBCSN will also show highlights from the team's annual ECHOES gala awards show at 12:30 p.m. ET on Dec. 17.

#### BLEACHER REPORT FORGES GROUND-BREAKING SOCIAL MEDIA PARTNERSHIP

► Bleacher Report, a preeminent next generation content creation company, will be Notre Dame football's exclusive social content partnership throughout the season. The B/R social team will be embedded with the Irish during the entire season to create custom content for the program's national fan base.

► The collaboration will consist of full behind-the-scenes access to Notre Dame including practice, locker room, game day activities, home and away games, travel, academic classrooms and a wide array of student and campus life. The array of content will include a weekly video feature, Facebook Live streams, short shareable social packages and game day Snapchat takeovers, distributed across Bleacher Report's website and Team Stream mobile app -- reaching more than 250 million users -- along with B/R social platforms with an audience of more than 200 million fans.

► The new content partnership will include compelling human drama pieces, player interviews, features, scripted humor skits and powerful social visuals.

#### CAMPUS CROSSROADS PROJECT CONSTRUCTION UNDERWAY

► Construction on the Campus Crossroads Project, a \$400 million project that will use the University of Notre Dame's iconic football stadium as a hub for new facilities supporting academic and student life initiatives, began on November 23, 2014, the day after the home finale against Louisville.

► The Campus Crossroads Project is the largest building project in the University's 172-year history, integrating the academy, student life and athletics with the construction of more than 750,000 square feet in three new buildings attached to the west, east and south sides of the University's iconic football stadium, at a projected cost of \$400 million.

► The plan features three new structures attached to and serving the stadium -- the Duncan Student Center (west side of the stadium) for student life services, including space for student organizations, a recreation center and career center; Corbett Family Hall (east side of the stadium) for the anthropology and psychology departments and a digital media center; and a south building for the Department of Music and the Sacred Music at Notre Dame program. The Duncan Student Center and Corbett Family Hall buildings also will include some 3,000 to 4,000 premium seats for the football stadium with supporting club amenities.

► The project also will enhance the football fan experience on game days. A variety of premium seating options -- both indoor and outdoor and mostly club seats -- will be available on three upper levels on the east and west sides. A hospitality area also is planned for the south end of the stadium.

► The most visible change at Notre Dame Stadium will involve the addition of a video board at the top of the south end of the venue, along with ribbon boards along the east and west sides of the stadium.

► More information about the project is available online at [Crossroads.nd.edu](http://Crossroads.nd.edu).
