

KELLY CARES

FOUNDATION

A playbook for hope.

Kelly Cares Foundation Mission Statement

The Kelly Cares Foundation was established by the Brian and Paqui Kelly family to support organizations, initiatives and programs that closely align with the goals and values of the Kelly family in three main areas: personal involvement, with emphasis on breast cancer research, prevention, education and awareness; education and institutional advancement; and, community involvement in selected initiatives and projects.

On Monday, July 12, 2010 we will be holding the 1st annual Kelly Open to benefit the Kelly Cares Foundation. Your participation in this event would be greatly appreciated. There are a number of ways in which you can support the Foundation on that day (see attached).

I hope you can join us for a great day of golf, prizes, fun, food and drinks.

For registration, please contact John Foster at the number provided below:
