## GAME 12: NOTRE DAME (6-5) vs. #5 USC (9-1)

DATE: Saturday, November 29, 2008

**TIME**: 5:01 p.m. PT

**SITE (CAPACITY)**: Los Angeles Coliseum (92,000); Los Angeles, Calif.

**TICKETS:** Saturday's game is not sold out. Notre Dame has played in front of sellout crowds in 70 of its last 77 road games. The only non-sellouts include the 2001-07 games at Stanford, the 2004 game vs. Navy (The Meadowlands), the 2005 game at Washington and the 2006 game at Air Force.

Notre Dame games will be broadcast by Don Criqui (play-by-play), former Irish great Allen Pinkett (analysis) and Jeff Jeffers providing pre-game, sideline and post-

#### **COUNTDOWN TO KICKOFF**

- Junior CB Raeshon McNeil has recorded a team-high 10 pass breakups this season. That is most by an Irish player since Dave Waymer had 12 in 1978. (SEE PAGE 26)
- 9 Senior LB Maurice Crum Jr. recently became the ninth player to record 300 career tackles at Notre Dame. (SEE PAGE 25)
- 8 Sophomore WR Golden Tate's 888 receiving yards currently ranks eighth-best in single-season receiving yards history at Notre Dame. His eight touchdowns this year also pace the team. (SEE PAGE 22)
- 7 Despite missing all but three plays of the past two games, freshman WR Michael Floyd's seven touchdown receptions still ranks third in the country among any true freshman this year. (SEE PAGE 23)
- 6 The Irish defense is on pace for its best season in six years. Notre Dame ranks 28th in the nation allowing 316.5 total yards per game, best since the 2002 squad ranked 13th and permitted 300.0 total yards per game. (SEE PAGE 10)
- 5 Senior FS David Bruton has registered 205 career tackles, fifth-most of any Notre Dame defensive back. His 88 tackles this season is the fifth-best single-season total by an Irish defensive back in school history. (SEE PAGE 27)
- 4 Four members of the Irish offensive line have started every game this season and that continuity has helped them cut the sacks allowed from 58 last year to 16 this year. In fact, the Irish O-line is on pace to allow the fewest sacks in a regular season since 1998. (SEE PAGE 18)
- 3 Senior SS **Kyle McCarthy** needs three tackles to set the school record for most tackles in a season by a defensive back. McCarthy's team-high 96 tackles are just behind Chinedum Ndukwe's total of 98 tackles from 2006. (SEE PAGE 27)
- 2 Sophomore RB **Armando Allen** has 45 receptions this season, the second-most catches by an Irish running back in a season. (SEE PAGE 20)
- Notre Dame's kickoff coverage team is tops in the nation allowing only 16.38 yards per kickoff return, 1.02 yards better than second-place Ohio State. (SEE PAGE 16)
- Sophomore QB Jimmy Clausen, a native of Westlake Village, Calif., has never lost a game played in the state of California nor to a school from the Golden State. Clausen was 42-0 in high school and is 2-0 against Stanford and 1-0 against both San Diego State and UCLA.

### Return To Sender (since 1999)

The return game has been a source of strength for Notre Dame in recent years. The Irish have logged 40 returns (punts, kickoffs, fumbles, interceptions) for touchdowns during the past nine seasons (2000-present), a figure that ranks tied for eighth in the country during that stretch. Here's a look at the national leaders in TD returns since 2000:

### NOTRE DAME HEAD COACH CHARLIE WEIS:

A record combined win total for the first two seasons of any Notre Dame head football coach, consecutive Bowl Championship Series appearances for the first time in Irish history, and the two most accomplished passing seasons in Notre Dame football annals - those are the most notable by-products of the first three seasons of the Charlie Weis era in South Bend.

Weis, a 1978 Notre Dame graduate and owner of four Super Bowl-champion rings as products of a stellar 15-season career as a National Football League assistant coach, wasted no time putting his signature stamp on his alma mater's program in his first two years as Irish head coach in 2005 and 2006.

Weis and his Irish followed up a 9-3 record in '05 and BCS appearance in the Tostitos Fiesta Bowl with a 10-3 overall mark in '06 and a second consecutive BCS invitation, this time to the Allstate Sugar Bowl. Those 19 combined wins (including eight straight in the middle of the '06 regular season) qualified as most in  $\alpha$ two-year period by the Irish since they collected 21 in 1992-93. It was also the first time Notre Dame played in BCS games in successive years and the most prominent two-season bowl qualification since the Irish played in the Fiesta and Orange Bowls after the 1994 and '95 campaigns. The only schools to play in BCS games after both the '05 and '06 seasons were Notre Dame, Ohio State and USC.

Notre Dame's 10 regular-season wins in '06 marked the ninth time that figure had been achieved in Irish history. Weis' 19 combined wins in his first two seasons were the most by a ND head coach in his first two years (the previous high was 17 by both Terry Brennan in 1954-55 and Dan Devine in 1975-76). For the second straight year in '06 Weis was one of three finalists for the George Munger Award presented by the Maxwell Football Club (of Philadelphia) to the college coach of the year.

The architect in '05 and '06 of the two most prolific passing seasons in Irish football history, Weis effectively transformed the ND offense into one of the most productive in the nation, as the Irish scored more points in `05 (440) than in any previous season in school history - and also qualified as the most improved offensive attack in the nation, jumping its total offense production (477.33 yards per game) a nationalbest 131.8 yards per game better than in '04. The Irish followed that up with another strong passing attack in '06, with Notre Dame's average of 264.1 passing yards per contest ranking 13th nationally and second all-time in the Notre Dame record book (behind only the 330.3 mark from '05). The Irish protected the football nearly as well as any team in the country in '06, with their 14 overall turnovers in 13 games ranking tied for fourth of the 119 NCAA I-A teams.

On a combined basis in 2005 and '06 under Weis, Notre Dame led the nation in interception avoidance with only 1.6 percent of Irish passes picked off over those two years. The Irish, thanks in large part to the play of quarterback Brady Quinn, finished third in TD passes with 69 and sixth in passing yards per game (295.8) and passing rating (151.7). In '05 and '06 combined, compared to the previous two seasons, the Irish improved their points per game by 11.5, and their total yards per game by 90.9.

#### SENIORS STELLAR ON SENIOR DAY

- ▶ Notre Dame got a number of great performances from seniors who made their final appearances at Notre Dame Stadium last Saturday against Syracuse.
- ▶ DT Pat Kuntz had a season-high seven tackles, including 1.5 for loss.
- DB Ray Herring had a season-high six tackles, including his first career sack.
- ▶ LB **Scott Smith** picked up his first career forced fumble that helped set up an Irish field goal.
- ▶ DB **Mike Anello** not only forced a fumble on a punt helping the Irish grab a 3-0 lead and also deflected a punt.
- ▶ WR **David Grimes** had a season-high tying seven receptions and a career-high 83 yards receiving, including a season-best 31-yard catch.

#### MORE, MORE BIG PLAYS

- ▶ Sophomore QB **Jimmy Clausen** failed to complete a pass of over 20 yards for the first time in a game two weeks ago against Navy, but rebounded with four last Saturday against Syracuse.
- ► Clausen now has 36 completions of over 20 yards on the season. He connected on just 13 in 10 games as a freshman a year ago.
- ▶ The Irish had six passing plays of at least 30 yards in the entire 2007 season. Not only does sophomore WR **Golden Tate** have more by himself (13), but Notre Dame has 22 as team though 11 games.
- $\blacktriangleright$  Sophomore WR **Golden Tate** had a 42-yard punt return with 3:54 left in the 3rd quarter against Boston College, the longest of the season for both Tate and the Irish. It was the longest punt return for a Notre Dame player since Tom Zbikowski had a 60-yard punt return in the victory over Stanford in the 2007 season finale.

#### YOUNG PUPS

- ► Freshman DB **Robert Blanton** picked up his first career start against Navy. Blanton is the sixth different Irish rookie to start a game this season. Blanton joined WR **Michael Floyd**, TE **Kyle Rudolph**, OG **Trevor Robinson**, DE **Ethan Johnson** and LB **Darius Fleming**.
- ▶ The Irish started five freshmen against Boston College, a season-high. On offense, Notre Dame started with WR **Michael Floyd** (8th start), TE **Kyle Rudolph** (9th), and OG **Trevor Robinson** (1st). On the defensive side, DE **Ethan Johnson** (3rd start) and LB **Darius Fleming** (2nd) got the nod.
- ▶ The five freshmen starters are the most for the Irish since six rookies were in the starting lineup in the 2007 season finale at Stanford.
- ▶ Robinson became just the fifth freshman to start a game on the Irish offensive line at any point, joining an elite club that includes teammate junior OT Sam Young (the entire 2006 season), Ryan Harris (final eight games of 2003), Brad Williams (vs. Navy and Boston College in 1996) and Mike Rosenthal (vs. Ohio State, USC and Air Force in 1995).
- ▶ Notre Dame's freshman duo of WR **Michael Floyd** and TE **Kyle Rudolph** each established school records for receptions and receiving yards by first year players at their respective positions. Floyd's total is also a record for any position.
- ightharpoonup Floyd not only holds the rookie records for receptions and receiving touchdowns, but he also surpassed Tony Hunter's previous school record (690) for receiving yards by a freshman.
- ▶ The Irish played 53 different players against Pittsburgh and 22 have at least two years of eligibility remaining after this season.
- ▶ The Irish have scored 33 touchdowns already this season and 27 have come from either freshmen or sophomores, including both scores in last Saturday's game against Syracuse. The only touchdowns scored this season by upper classmen were junior RB James Aldridge (3), senior WR David Grimes (2), and junior LB Toryan Smith.
- ▶ The 27 of 33 touchdowns by underclassmen does not include sophomore QB **Jimmy Clausen**, who has tossed 20 touchdown passes this season.
- Notre Dame not only started two freshmen against Washington, but also played a total of nine true freshmen in the game, including the first career appearance for ΤΕ Joseph Fauria.

#### SUPER SOPHOMORES

- ▶ Notre Dame's 2007 recruiting class, which was widely considered one of the top classes in the country, experienced serious growing pains a year ago, but from the early returns from 2008 the experience was rewarding.
- ► The Irish have scored 33 touchdowns in 2008 and 17 have come from sophomores. WR Golden Tate leads Notre Dame with eight touchdowns (seven receiving, one rushing). RB Armando Allen has scored four touchdowns, while RB Robert Hughes has three. WR Duval Kamara and LB Brian Smith each have one touchdown. When you toss in freshman WR Michael Floyd, freshman TE Kyle Rudolph and freshman DB Robert Blanton, a first or second year player has scored 27 of Notre Dame's 33 touchdowns.
- ▶ Sophomore Jimmy Clausen has thrown 20 touchdown passes.
- ▶ The top two running backs are both sophomores.
- ▶ Tate leads the Irish in total touchdowns (eight), receptions (50) and receiving yards (888). He is tied for the lead in receiving touchdowns (seven). Tate also leads Notre Dame in all-purpose yards with 1,518 (138.0 per game).
- ▶ Allen leads the Irish in rushing yards (569), yards per rush (4.5, among backs with at least 10 carries) and tied for first in rushing touchdowns (three).
- ▶ Hughes is second on Notre Dame in rushing yards (320) and tied for the team-lead with three rushing touchdowns.
- ightharpoonup Four of the top six players in scoring and six of the top 12 are all sophomores (three others are freshman).

- ▶ The top three players in total offense and five of the top seven are sophomores.
- ▶ The top two players and three of the top four in all-purpose yards are sophomores.
- ► Two of the top six and five of the top 18 tacklers on the Irish squad are sophomores (and three others are freshmen).

#### THIRD DOWN CONVERSIONS

- $\blacktriangleright$  Since the bye week (the previous four games before Syracuse), Notre Dame had limited its opponent to just 14-of-58 on third down (24.1%), but the Orange managed to convert 6-of-13 (46.2%) on third down.
- ▶ Notre Dame ranked 15th in the NCAA FBS in third down conversion percentage defense at 31.4% before last Saturday's contest with Syracuse.
- ▶ The Irish slipped to 21st in the NCAA FBS in third down conversion percentage defense.

- ▶ The Irish were stellar on third down against Boston College. The Irish limited the Eagles to just 3-of-14 (21.4%).
- ▶ Over its three games entering Boston College, Notre Dame had made major improvements on third down. The Irish had converted 46.9% (23-of-49) on third down. Notre Dame had converted just 33.8% (22-of-65) over its first five games.
- ▶ However, Notre Dame struggled on third down in the loss to the Eagles. The Irish converted just 5-of-15 (33.3%). Notre Dame continued its struggles on third down last week in its victory over Navy. The Irish converted just 3-of-10.
- ▶ Notre Dame entered the North Carolina game converting on just 33.8% (22-of-65) on third down this season. The Irish proceeded to convert 6-of-8 on third down in the opening 30 minutes. In fact, North Carolina had allowed just 35.4% (28-of-79) on third down prior to the game. Notre Dame limited the Tar Heels to just 2-of-7 in the first half.

- ▶ The Irish, which ranked second in the NCAA FBS in pass defense a season ago, has really come together since a slow start. After four games this season, Notre Dame was allowing 251.25 passing yards per game, which ranked 101st in the country. The Irish have since risen to 22nd in the nation and allow just 176.73 per game.

- ▶ Notre Dame forced Navy into a three-out on its opening possession of the game. The Midshipmen had scored on their opening drive in each of their first nine games this season.
- ▶ The Irish limited Navy to just one first down in the first quarter and 21 total yards on 12 plays. Navy had 21 yards on nine rushes and failed to complete a pass on three attempts.
- ▶ Navy did not register a first down (without benefit of penalty) until the 8:20 mark of the second quarter.
- ▶ Notre Dame did not allow Navy a rushing first down until the Midshipmen's final drive of the opening half.
- ▶ The Midshipmen entered the game averaging 308.00 yards per game on the ground. Navy managed just 97 yards on the ground on 22 carries in the first half. In fact, 37 of those 97 yards came on two carries a 15-yard rumble from fullback Eric Kettani and 22-yard touchdown run from Cory Finnerty.
- ▶ The Irish defense came out of the halftime lockeroom and dominated the Midshipmen in the third quarter. Notre Dame limited the Middies to just 33 total yards on 11 plays and only one first down. All 11 plays were rushes.
- ▶ In the first and third quarters combined, Notre Dame limited the Midshipmen to just a pair of first downs and one came on an Irish defensive penalty.
- ▶ Notre Dame held Navy to just 178 yards rushing on the day. It was the fewest rushing yards by the Midshipmen since Rutgers allowed just 113 on Oct. 14, 2006.
- ▶ The Irish held Navy to just 1-for-13 on third down. The Mids' only third down conversion came on their final drive of the game.
- ▶ Notre Dame forced Navy into nine punts. The Midshipmen previous single-game high from this year was six punts against Wake Forest on Sept. 27. The nine punts were the most by the Midshipmen since they punted 11 times against Rutgers on Oct. 14, 2006.
- ▶ Navy's 242 total yards are the fewest for the Midshipmen since that Rutgers game of 2006.
- ▶ Notre Dame, which allowed just 242 total yards against Navy, had allowed under 250 yards of total offense in two of the last three games. In fact, the Irish have allowed less than 250 yards of total offense in three of its last five games.
- ▶ The Irish defense forced three three-and-outs last week against Syracuse and nine over their last two games. Notre Dame has forced at least six three-and-outs in three of its last four games.
- ▶ Notre Dame has forced 24 three-and-outs in the last five games as compared to the 15 the Irish forced over their first six games. Notre Dame has also forced 35 punts in last five games as compared to 29 punts over its first six games.
- ▶ Since returning from the bye week, the Irish defense has really stepped up. Here's an inside look into Notre Dame's defensive improvements.

- ▶ The 958 yards of total offense allowed by Notre Dame over the four games against Washington, Pittsburgh, Boston College and Navy was the fewest yards allowed by an Irish defense over any four-game span since the final four games of the 1996 season. Notre Dame allowed 924 yards against Boston College, Pittsburgh, Rutgers and USC.
- ▶ In the final 2007 NCAA stats, Notre Dame ranked 72nd in scoring defense (28.75), 39th in total defense (357.00) and 96th in rushing defense (195.42).
- ▶ Over the season's first 11 games, the Irish have seen major improvements in all three categories.

	2007	2008	Improvement
Scoring Defense	28.75 (72nd)	20.82 (31st)	7.93 yards (27.6%)
Total Defense	357.00 (39th)	316.45 (28th)	40.55 yards (11.4%)
Rush Defense	195.42 (96th)	139.73 (55th)	55.69 yards (28.5%)

- ▶ The Notre Dame defense stepped up in adverse conditions to keep the Irish in the game against Boston College. Notre Dame held the Eagles to 3-of-14 on 3rd down conversion attempts while holding the Eagles to 246 yards.
- ▶ The Irish limited Boston College to just 10 offensive points. The Eagles other touchdown came on an interception return. The Eagles only touchdown drive, which covered just 48 yards, followed sophomore WR **Golden Tate's** muffed punt.
- ▶ Notre Dame limited Boston College quarterback Chris Crane to just a completion percentage of 40.9% (9-of-22) and 79 yards -- the fewest allowed this year by the Irish.
- ▶ Notre Dame forced six three-and-outs in the game and nine of Boston College's 14 drives gained seven or fewer yards. In fact, the Irish have forced 15 three-and-outs in last three games.
- ▶ The Irish did not register a defensive penalty the entire game.
- ▶ Over the entire Washington game and the opening quarter against Pittsburgh, Notre Dame's first team defense allowed 61 total yards on 47 plays good for an average of 1.3 yard per play. In fact, the Irish forced eight three-and-outs on defense in 12 opponent drives.
- ▶ Pittsburgh did not convert a first down until the 11:50 of the second quarter.
- ▶ The Panthers had 11 possessions in regulation. Notre Dame forced Pittsburgh into a trio of three-and-outs before overtime. The Irish have now forced nine three-and-outs in their opponents last 20 drives in regulation.
- $\blacktriangleright$  Simply put, Notre Dame registered its top defensive game in recent memory at Washington. The Irish limited the Huskies to only 124 total yards on 48 offensive plays (only 2.6 yards per play) -- all Notre Dame bests since head coach Charlie Weis arrived in South Bend in 2005. In fact, the 124 total yards were the fewest for an Irish opponent since Rutgers managed only 43 in a 62-0 Notre Dame victory on Nov. 23, 1996.
- ▶ The Irish forced the Huskies to punt on each of their first nine possessions. Washington's longest drive of the game (prior its final drive of the game) went for 14 yards. The Huskies did have a nine play drive that managed just nine yards.
- ▶ Notre Dame forced Washington into six three and outs over its first nine drives.
- ▶ Prior to that final Huskies' drive, in which they marched 69 yards on 10 plays against Notre Dame's third-team defense to avoid their first home shutout since 1976, Washington had only 55 total yards on 38 plays. The Huskies had not been held below 100 yards of total offense in nearly 60 years.
- ▶ Notre Dame held Washington to plays of two yards or less 30 times over its 48 plays. Notre Dame did not allow a play of longer than eight yards prior to that final drive. Washington finished the game with eight plays of over eight yards and five came on that final meaningless drive.
- ▶ While the Irish did not force a turnover, they did register four sacks against Washington. Notre Dame managed just one sack over its first four games, but the Irish have totaled 12 in their last four games.
- ▶ Notre Dame also limited the Huskies to just nine first downs, but five came on that final drive. The nine first downs allowed are the fewest under Weis and fewest by an Irish opponent since Pittsburgh managed just nine in a Notre Dame 20-14 victory on Oct. 11, 2003.
- ▶ Washington could only muster 26 yards rushing on 23 carries, just 1.1 yards per carry. The 26 yards rushing are the fewest for an Irish foe since UCLA had 26 in last season's meeting. Notre Dame did not allow a rush of longer than eight yards all game.

### ONLY THE BIG BOYS

Notre Dame is one of just five NCAA Division I-A programs that has never faced a non-Division I-A opponent since the current division setup was established in 1978 (the division's names have undergone a change this year, but the setup is still the same). The four remaining schools that have yet to play a non-Division I-A opponent since the advent of the current format are Michigan State, USC, UCLA and Washington.

### NOTRE DAME'S OFFENSIVE IMPROVEMENT THE BEST IN THE NATION

▶ Notre Dame is the only school that is among the top 13 in most improved offense and scoring defense.

#### IRISH FINALLY PUNTS AGAINST NAVY

▶ Notre Dame was forced to punt against Navy for the first time since the 2004 meeting. The Irish had gone 247 plays against Navy without being forced to punt - dating back to a D.J. Fitzpatrick punt in the fourth quarter of the 27-9 Irish victory in 2004. The Irish ran 17 plays over three drives in last saturday's game, 90 plays over nine drives in 2007, 62 plays over 10 drive in the 2006 and 70 plays over nine drives in 2005.

### NOTRE DAME KEPT NAVY OFF THE FIELD

▶ The Irish won the time of possession battle against Navy 35:33 to 24:27. It was the smallest amount of time of possession for the Midshipmen since Oct. 22, 2005 against Rice when they managed just 22:20.

### STEPPING UP ON THE SHORT FIELD

- ▶ Notre Dame defense held Boston College to a field goal in the first half, despite the fact the Eagles started three of their first four drives in Irish territory. On the three drives that began on the Notre Dame half of the field, Boston College failed to score.
- ▶ The Eagles eventually benefitted from a total of five drives that began inside Irish territory, but Notre Dame limited them to only one touchdown.
- ▶ Navy started two drives inside Notre Dame territory and the Irish limited the Mids to one score (a touchdown).
- ▶ Notre Dame's opposition has started 17 different drives this season in Irish territory. The Irish defense has limited their opponent to just seven scores (six touchdowns, one field goal) on those 17 possessions. In fact, Notre Dame has allowed just 17 points (two touchdowns, field goal) on its opponents last nine drives that began inside the Irish 50-yard line.

### LONG DAY AT THE STADIUM

- ▶ Notre Dame and Pittsburgh played the longest game in Irish history earlier this season. Notre Dame had never seen a game enter the fourth overtime. The Irish dropped a three-overtime game to Navy in 2007. In fact, the Irish have dropped their last three games that have entered overtime.
- ▶ The game lasted 4:01, which is longest in terms of time since the Michigan State game in 2005. In fact, no other game has ever gone longer since 2002 (when length of time was included on box scores).
- ▶ Notre Dame and Pittsburgh combined for 160 total plays in the game (the Panthers ran 77, while the Irish ran 83).
- ▶ The 83 plays for Notre Dame are the most this season and most since the Irish ran 90 last year against Navy.

### TERRITORIAL DOMINANCE

- ▶ Washington ran 26 plays in the first half and not one inside the Irish 50-yard line. By contrast, 27 of Notre Dame's 42 plays were run inside Huskies' territory.
- ▶ Notre Dame's average drive start was its own 43-yard line, while Washington's was its own 20. When you take into consideration each team had six first half possessions, the Irish had an advantage of 138 hidden yards.
- ▶ Washington did not enter the Irish territory until 5:50 to go in the game.
- $\blacktriangleright$  Washington ran  $\alpha$  total of 48 plays in the game. Notre Dame ran  $\alpha$  total of 49 plays in Washington territory alone.

### NOTRE DAME AWAY FROM THE FRIENDLY CONFINES

- ▶ Notre Dame opened the 2008 season with a perfect 4-0 record inside Notre Dame Stadium, but the Irish have not been able to replicate that success on the road. The Irish are 2-3 away from home and 1-3 on an opponent's home field.
- ► The most obvious reason for the Irish lack of success on the road is simple -- turnovers. Notre Dame has forced 18 turnovers in its six home games, but just two turnovers in games against Michigan State, North Carolina, Washington, Boston College and Navy. In fact, the Irish have a +12 turnover margin at home and -17 turnover margin away from home.
- ▶ Here are a couple of other interesting Irish stats in home games versus road games:

#### **TURNOVERS**

- ▶ Notre Dame's turnover difficulties on the road continued against Navy. The Irish turned it over on their first two drives of the afternoon (interception and a fumble) and then again (interception) on its second-to-last drive of the first half.
- ▶ The Irish did, however, force a turnover late in the second quarter that set up the go-ahead Notre Dame field goal. It was the first forced turnover for Notre Dame on the road since the Michigan State game earlier in the season (a span of 15 quarters).
- ▶ Notre Dame added a fourth turnover deep in Navy territory with 4:54 to go in the game. The Irish had first and goal at the two-yard line leading 27-7 before freshman Jonas Gray fumbled.
- $\blacktriangleright$  The Irish were charged with a fifth turnover (team fumble) on Navy's first onside kick late in the fourth quarter.
- ▶ The Irish have a minus-17 turnover margin in their five games away from Notre Dame Stadium. Notre Dame has forced two turnovers (Michigan State, Navy), while the Irish have committed 19 turnovers along the way, including a trio of five turnover games (North Carolina, Boston College and Navy).
- ▶ The Irish were minus-five in turnover margin against Boston College, which was the identical spread Notre Dame found itself against North Carolina earlier this season. Notre Dame has registered a minus-five effort in the turnover department just three times since the start of the 2002 season and two have come in the last four games.
- ▶ Notre Dame has now registered five turnovers in a game three different times in 2008 (actually all in the last five games). Prior to this span of games, one must go back 110 games to find Notre Dame posting three seperate five turnover games.
- ▶ The Irish turned it over five different times (four interceptions and a fumble) at Boston College. That does not include a block punt that led to the Eagles only offensive touchdown.

- ▶ The Irish were minus-five in turnover margin against Boston College, which was the identical spread Notre Dame found itself against North Carolina earlier this season. Notre Dame has registered a minus-five effort in the turnover department just three times since the start of the 2002 season and two have come in the last five games.
- ▶ Notre Dame forced four Stanford turnovers in its victory on Oct. 4. Over their last five games, the Irish have forced four turnovers and three came against Pittsburgh. Notre Dame has not forced a single turnover in three of the five games.
- ▶ After failing to record a turnover in two games against Washington and North Carolina, Notre Dame picked off three passes against Pittsburgh. The Irish had  $\alpha + 3$  advantage in turnover margin. In fact, Notre Dame had not lost a game when owning a +3 advantage in the turnover department since Sept. 4, 1999 when the Irish lost at Michigan, 26-22.
- ▶ Notre Dame did not force a turnover in the victory over Washington and did not force one in consecutive games (also included the North Carolina game). The Irish had not gone back-to-back games without forcing a turnover since meetings with North Carolina and Air Force in 2006 --  $\alpha$ span of 20 games. Prior to this season's matchup with the Tar Heels, Notre Dame had recorded seven interceptions and recovered seven fumbles in its first five games which ranked sixth-best in the NCAA FBS of schools that had played an equal number of games.
- ▶ Notre Dame entered the game against North Carolina with a +5 advantage in turnover margin and ranked tied for 20th in the NCAA FBS. In fact, Notre Dame had gone the two previous games (Purdue and Stanford) without committing a single turnover. The Irish had not gone two straight games without a turnover since the 2006 season when ironically enough Notre Dame went without turnovers in victories over the Boilermakers and Cardinal.
- ▶ The Irish committed five turnovers (two interceptions, three fumbles) against the Tar Heels, while North Carolina failed to commit one. The minus-five in turnover margin is the largest for Notre Dame in a game this season and largest turnover margin since Nov 2, 2002 in a 14-7 loss against Boston College.

### NO RUNNING BACKS

Notre Dame opened the game against North Carolina with four wide receivers, one tight end and no running backs. The Irish had not opened five wide, no running backs, since Oct. 22, 2005 against BYU (just the second time under Weis and more than likely in Notre Dame school history). Notre Dame also opened that game with four WRs and one tight end. Brady Quinn proceeded to throw for 467 yards and a school record six touchdown passes that afternoon. Sophomore QB Jimmy Clausen set career-highs in completions (31), attempts (48) and yards (383) in the loss to the Tar Heels

#### CHARLIE AND THE IRISH OFFENSIVE FACTORY

- ▶ Fourth-year head coach Charlie Weis came to Notre Dame with a tremendous reputation as one of the premier offensive minds in all of the NFL. The Irish saw immediate results in 2005, setting 11 school records, including passing yards (3,963), touchdown passes (32, bested in 2007), total offense yards (5,728) and total points (440). Notre Dame has surpassed the 40-point barrier on 11 different occasions in Weis' 48 games as head coach. Prior to his arrival, Notre Dame had eclipsed 40 points just nine times in its previous 97 contests. In addition, the Irish had 83 separate 100-yard receiving games over its first 116 seasons of football, but Notre Dame has had 28 the past four years under Weis. To put those numbers in perspective, Notre Dame averaged a 100-yard receiving effort every 13 games. Under Weis, the Irish is recording a 100-yard receiving effort every other
- ► Freshman WR Michael Floyd and sophomore WR Golden Tate each surpassed 100 yards receiving against Pittsburgh. They are the first Irish tandem to eclipse 100 yards receiving in the same game since Jeff Samardzija and John Carlson both eclipsed the century mark against Michigan State in 2006.

▶ Notre Dame has recorded eight 100-yard receiving games from the wideout tandem of Floyd and Tate this season. The Irish had just one such game in 2007 (Tate against Purdue). Notre Dame had 19 combined in 2005 and 2006.

#### **QUITE AN EARLY TURNAROUND**

- ▶ Notre Dame opened the 2007 season with five straight losses for the first time in school history. The 2008 Irish opened the year at 4-1, nearly reversing that trend 180 degrees in one season. The four-game improvement over the first five games of a season is the greatest ever by a Notre Dame squad.
- $\blacktriangleright$  In fact, it was the greatest turnaround through five games by an NCAA FBS school in 10 years since South Carolina opened the 2000 season with a 4-1 record. The Gamecocks were 0-5 after five games of the 1999 season.
- $\blacktriangleright$  Interestingly enough, that 2000 South Carolina squad was under a second-year coach that underwent a similar type turnaround in South Bend. His name... Lou Holtz.

School (Years)	Record	Record	Improvement
Notre Dame (2007-08)	0-5	4-1	+4
South Carolina (1999-00)	0-5	4-1	+4

- ▶ Notre Dame now stands 6-5 on the season, which is still a four-game improvement from the same point of the season in 2007 when the Irish were 2-9.
- ▶ Here is a quick look at how the 2008 Irish compare to the 2007 squad.

### NOT SO MANY NEW FACES

- ▶ Notre Dame had 28 different players (13 on defense, 15 on offense) register their first career start in 2007 (a total of 16 players made their first career starts in 2005 and 2006 combined). The Irish have had 11 more players (DB Robert Blanton, OG Trevor Robinson, LB Steve Quinn, DE Darius Fleming, DE Ethan Johnson, RG Chris Stewart, FS Sergio Brown, FS Harrison Smith, TE Kyle Rudolph, WR Michael Floyd) make their first start in 2008.
- ▶ Notre Dame started eight true freshmen in 2007, including HB Robert Hughes, QB Jimmy Clausen, HB Armando Allen, WR Golden Tate, WR Duval Kamara, OLB Kerry Neal, OLB Brian Smith and NT Ian Williams. In comparison, the Irish have started six freshmen in 2008 (DB Robert Blanton, OG Trevor Robinson, DE Darius Fleming, DE Ethan Johnson, TE Kyle Rudolph and WR Michael Floyd).

### SPREADING THE WEALTH

- ▶ Sophomore QB **Jimmy Clausen** completed passes to seven different receivers in the victory over Navy. Clausen has now hooked up with at least six different receivers in 10 of Notre Dame's 11 games this season. In fact, Clausen has connected with at least seven receivers in five of Notre Dames 11 games, including a season-high eight against San Diego State.
- ► Clausen completed passes to six different receivers in the victory over Washington (junior back-up QB **Evan Sharpley** completed a pass to a seventh in the fourth quarter).
- ► Clausen completed passes to six different receivers in the first half alone against North Carolina, including four different receivers for multiple receptions. Clausen completed a pass to a seventh different receiver in the second half.

### NOTRE DAME WINNING TIME-OF-POSSESSION BATTLE

▶ While Notre Dame's offense has been piling up the yardage this season (averaging 367.9 yards per game), it also has won the time of possession battle in seven of 11 games this season. Not too much surprise, four of the five times the Irish have not held an advantage in time of possession came in losses (Michigan State, Pittsburgh, Boston College and Syracuse). Overall, Notre Dame averages 31:37 minutes per game with the ball, compared to 28:23 for its opponents. Here is a game-by-game breakdown:

Game	ND	Opp.	Game	ND	Opp.
San Diego State	30:52	29:08	at Washington	37:28	22:32
Michigan	27:48	32:12	Pittsburgh	28:44	31:16
at Michigan State	26:15	33:45	at Boston College	27:53	32:07
Purdue	35:26	24:34	vs. Navy	35:33	24:27
Stanford	33:20	26:40	Syracuse	31:19	28:41
at North Carolina	33:05	26:55			

▶ The Irish won the time of possession battle against Navy 35:33 to 24:27. It was the smallest amount of time of possession for the Mids since Oct. 22, 2005 against Rice when they managed just 22:20.

### WHAT A DIFFERENCE A YEAR MAKES

- ▶ Notre Dame lost both meetings with Big Ten rivals Michigan and Purdue in 2007. The Irish were outscored 71-19 in those games, including a 38-0 shutout at the hands of the Wolverines.
- ▶ Notre Dame upended both Michigan and the Boilermakers this season. They outscored the two longtime rivals, 73-38, in the meetings.
- $\blacktriangleright$  The 35-17 rebound victory over the Wolverines is the fifth-greatest turnaround from one season to the next against the same opponent.

### IN FRONT OF A FULL HOUSE

Notre Dame has played in front of sellout crowds in 212 of its previous 243 games, including 87 of its last 95 contests dating back to the Tostitos Fiesta Bowl at the end of the 2000 season (the 2001, 2003, 2005 and 2007 games at Stanford, the 2004 game vs. Navy at the Meadowlands, the 2005 game at Washington and the 2007 game at UCLA were not sellouts). At Michigan in 2003, the Irish and Wolverines attracted the largest crowd in NCAA history (111,726), marking the third time in the history of the series that an NCAA attendance record was set. Including the 2006 game at Georgia Tech, the Irish have been part of establishing a new stadium attendance record seven times since 2001. The list also includes: at Nebraska and Texas A&M in 2001, at Air Force and Florida State in 2002, home vs. Boston College in 2002, vs. Oregon State in the Insight Bowl in 2004 (the game set a Bank One Ballpark record for football configuration). Notre Dame and Michigan played before an over-capacity 111,386 at Michigan Stadium in September of 2005. At Purdue in '05, the Irish and Boilermakers played before 65,491 football fans, a Ross-Ade Stadium record (since the renovation of the facility in 2003). Penn State drew the second largest crowd in Beaver Stadium history for the meeting with the Irish last season.

### **SPECIAL TEAMS**

### SPECIAL TEAMS

- ▶ Junior Eric Maust recorded an average of 42.1 per punt in 2007. Maust landed nine of his 21 punts inside the 20-yard line and recorded a long punt of 53 yards. A starting pitcher on the base ball team, Maust has punted 41 times in 2008 and averages 40.9 per boot. He already has five punts of 50+ yards and 14 have been pinned inside the 20-yard line.
- ▶ Notre Dame had not had a left-footed kicker since Harry Oliver in 1981 until sophomore Brandon Walker entered the picture in 2007. Walker served as the primary placekicker throughout the season and converted six of 12 field-goal attempts with a long of 48 yards. He also serves as the backup punter.
- ▶ Walker connected on his first field goal of the season with a 41-yard kick against Purdue and added a then season-long 42-yarder against North Carolina. He made both of his field goal attempts against Washington and converted on his first four attempts against Pittsburgh to extend his streak to seven. Walker did miss, though, in the fourth overtime.

Walker connected on his first two attempts last week against Syracuse (34 and 45 yards) to give him 11 field goals made over his last 12 kicks. Walker then missed a 26-yard kick, but a mishandled snap was too fault. He then missed kicks from 49 and 53 yards in the fourth quarter.

- ▶ Walker's 15 points and four field goals against the Panthers were the most in both categories in the Weis era.
- ▶ Junior **Ryan Burkhart** is the kickoff specialist for the Irish after spending much of his freshman season in the same capacity. Burkhart has averaged 61.3 yards per kick and Notre Dame opponents are averaging just 16.38 per return (first in the NCAA FBS).

### KICKOFF RETURN DEFENSE UNIT SHOWS MAJOR IMPROVEMENT

▶ Notre Dame leads the NCAA FBS in kickoff return defense at 16.38 yards per return -- over a full yard better than any other school in the country. It is even more impressive when you consider they have registered just one touchback and it came against Pittsburgh. Ohio State, which ranks second, has recorded 14 touchbacks this season.

 Z007
 Z008
 Improvement

 Kickoff Return Defense
 22.75 (89th)
 16.38 (1st)
 6.37 yards (28.5%)

### PITTSBURGH BLOCKS PUNT AND SNAPS STREAK

- ▶ Junior P **Eric Maust** had a punt blocked for the first time in his career (first punt blocked by an Irish opponent since Michigan State in 2005).
- $\blacktriangleright$  Notre Dame had recorded 184 punts in between the two blocks and Maust had gone 45 career punts without a block.
- ▶ Maust had another punt blocked against Boston College.

#### NOTRE DAME KICKOFF COVERAGE CONTINUES TO EXCEL

- ▶ Notre Dame allowed its longest kick return of the season following their field goal early in the first quarter against Syracuse last week. The Orange returned the ensuing kickoff 29 yards. The previous high for a kick return by an Irish foe was 28 yards by Navy.
- ▶ The Irish did limit Syracuse to just 65 yards on its next five kickoff returns, which averaged out to 13.0 yards per return.
- ▶ Notre Dame limited Navy to just 16.0 yards per kickof return. The Midshipmen did register a 28-yard return (the longest by an Irish foe this season), but the Irish pinned Navy inside the 20-yard line on three of Ryan Burkhart's six kickoffs.
- ▶ Notre Dame limited Pittsburgh to just 18.5 yards per return. The Panthers' best starting field position following an Irish kickoff was its own 30-yard line.
- ▶ Notre Dame's unit was quite active against Washington. The Irish had seven kickoffs and the Huskies averaged just 15.9 yards per return. Washington's best starting field position following a Notre Dame kickoff was its own 32-yard line.
- ▶ Notre Dame entered the game with Stanford tops in the NCAA FBS allowing just 13.94 yards per kick return and only three kickoff returns longer than 20 yards (none longer than 27) over its first four games, but the Cardinal averaged 22.2 yards per return and registered four returns of 20 yards or more.
- ▶ The Irish kickoff coverage entered the contest with Purdue ranked third in the NCAA FBS allowing just  $14.0~\rm yards$  per return. The Boilermakers entered the game averaging  $31.8~\rm yards$  per return second best in the country. Notre Dame limited Purdue to  $13.9~\rm yards$  per return. In fact, the Irish kept the nation's top kick returner at the time, Desmond Tardy (who averaged  $40.3~\rm coming$  into the game), completely out of the mix. He failed to register a single kick return, while Kory Sheets, who was 20th in the NCAA FBS at  $30.5~\rm yards$  per return, managed just  $13.9~\rm per$  return on seven kickoffs.

## HELLO, ANELLO

▶ Senior CB **Mike Anello**, who was awarded a scholarship during fall practice, has made quite a name for himself over the past two seasons. Anello joined the squad a walk-on in 2007 and spent the entire fall camp as well as the first two weeks of the season on the scout team. After making one play after another against the Irish first team special teams unit, head coach Charlie Weis moved Anello into the starting lineup against Michigan in 2007 as a gunner opposite senior FS **Devid Parton** 

- ▶ In that first career game against the Wolverines, Anello proceeded to make a solo tackle on his second ever play in a Notre Dame uniform. He finished last season with six tackles in eight games.
- ▶ Anello was named to the ESPN The Magazine/CoSIDA Academic All-District Team for District 5. He will get placed on the national ballot for the ESPN The Magazine/CoSIDA Academic All-America Team.
- ▶ He added ESPN The Magazine/CoSIDA Academic All-America second team honors last week.
- ▶ Notre Dame's opponents have a total of 71 punt (21) or kickoff (50) returns in 2008. Anello has registered a tackle on 22 of those 71 opportunities.
- ▶ Anello has recorded eight multi-tackle games this season, remarkable when you consider he plays excluviely on special teams.
- ▶ The special teams stalwart forced his second fumble of the season and career early in the first quarter to set up Notre Dame's first score of the afternoon last week against Syracuse.
- ▶ Anello also got a piece of Rob Long's 25-yard punt early in the third quarter to set up another golden scoring opportunity (he blocked a punt that was returned for a touchdown against Navy).
- ▶ Anello had another breakthrough game against Navy. He registered a pair of tackles on special teams, including one on a kickoff inside the Navy 20-yard line. Anello also blocked his first career punt that junior **Toryan Smith** scooped up and raced 14 yards for a touchdown.
- ▶ Anello saw his first action away from special team late in the fourth quarter of the victory over Washington. He registered his first career non-special teams tackle and first career pass breakup.
- ▶ Anello registered another pair of tackles against North Carolina. He was unfortunately involved in the tackle that injured Tar Heels' star returner Brandon Tate.
- ▶ Anello picked up two more solo tackles in the victory over Stanford, including a solo stop following Doug Baldwin's 38-yard return (Anello missed the tackle near one sideline, only to chase him down from behind at the opposite sideline).

- ▶ Anello finished the afternoon against Purdue with three more tackles on special teams, including a solo stop on the game's opening kickoff against the nation's-then second-best kick return squad.
- ▶ Anello continued his tear on the opposition on punt and kickoff coverage against Michigan. He registered three more tackles, two solo, as well as forced a fumble and recovered another. Anello also nearly recovered a second Wolverine fumble on a punt.
- ▶ The fumble recovery set up another Irish score to make it 14-0 early in the first quarter.
- ▶ Anello was incredible in the season opener against San Diego State. He registered four solo tackles on special teams (two on punt return coverage and two on kickoff return coverage).

### NOT TO BE OVERSHADOWED

- ▶ While senior CB **Mike Anello** certainly deserves much of the credit with his play on special teams, fellow senior FS **David Bruton** (the other gunner) has played a significant role. Bruton, widely considered one of the top gunners in all of college football the past two seasons, led the Irish in special teams stops the past two seasons and only Anello's 21 outdistances senior LB **Scott Smith's** and Bruton's 10.
- $\blacktriangleright$  Smith has also made a name for himself on special teams. He now ranks tied for second on the team in special teams stops with 10.
- ▶ A new face has begun to inch closer to Bruton and Anello in terms of special team's tackles, but freshman DE **Darius Fleming** has done it all on kickoff return. Fleming has nine special teams tackles on the year and each of the nine has come on kickoff coverage.

### MAKING THE MAUST OF THE SITUATION

- ▶ Junior P **Eric Maust** had the unenviable task of replacing one of the top punters in Irish history, but the dual sport athlete has picked up right where Geoff Price left off in 2006 and 2007.
- ▶ Maust has punted 41 times in 2008 for 1,676 yards, good for a 40.9 average. Maust not only had the first punt of his career blocked against Pittsburgh, but also had a career-low punt of 18 yards.
- ▶ Maust had struggled over the two games against Pittsburgh and Boston College. He punted 10 times with an average of just 37.1 and two were blocked. Maust's net punting average was just 25.2, but he returned to form against Navy. Maust punted three times for 132 yards (a 44.0 average) and pinned one inside the Midshipmen 20-yard line.
- ▶ Maust had another workmanlike effort last week against Syracuse. He punted four times for 172 yards -- 43.0 per punt average -- and twice pinned the Orange inside their 20-yard line.
- ▶ Maust has also dropped 14 inside the opponents 20-yard line. In fact, he has dropped 23 inside the 20-yard line already in his career (on just 62 punts).
- ▶ Maust was not asked to punt in the victory over Washington. He did, however, take the field and sold Notre Dame's fake punt quite well.
- ▶ Maust punted just once against North Carolina and saw his streak of nine games with a punt downed inside the 20-yard line snapped.
- ▶ Maust punted five times against Stanford for a 41.4 average and dropped a pair inside the Cardinal 20-yard line, including a game-high 50 yard boot that left Stanford at its own three-yard line.
- $\blacktriangleright$  Maust also extended his streak of games with a punt pinned inside the 20-yard line to nine.
- ▶ Maust has already bombed five punts of over 50 yards, including two against Michigan (despite horrendous weather conditions).
- ▶ Maust had gone six consecutive games with a pair of punts that were downed inside the opponents' 20-yard line before failing to do so against Purdue (managed just one) on two punts, but with the two against Stanford has done so in seven of Notre Dame's last eight games.
- ▶ Maust punted just twice in the 38-21 victory over Purdue, but the junior recorded a career-best 54 yarder in the first half.
- $\blacktriangleright$  Maust's hang time and directional punting has helped the Irish punt coverage team rank tied for 42nd best in the NCAA FBS with a 7.00 per return average.

### TATE GOLDEN ON RETURNS

▶ Sophomore WR **Golden Tate** has taken over most of the punt and kick return efforts for the Irish the past six weeks. Since taking over kick returns back on Oct. 11 at North Carolina, Tate has returned 19 kickoffs for 382 yards (20.1 per return), including a long of 30 yards against Syracuse.

▶ Tate has also done most of the punt returns as well. He has hauled in 13 punts for 107 yards (8.2 per return), including a career-best punt return of 42 yards against Boston College. The 42-yard punt return was the longest of the season for the Irish. He also added a 24-yard return against Navy.

### **OFFENSIVE NOTES**

#### OFFENSIVE LINE

▶ Notre Dame started one of its most inexperienced offensive lines in years last season (as four different players registered their first career starts), but a benefit from last season's struggles is that the 2008 offensive line now is full of experienced hands. Three returning players started all 12 games last season — and two more started six and five games, respectively. Junior Sam Young has started all 36 games in his career at tackle and is the most experienced returning player on the Irish offensive line. He opened the first 15 games at right tackle before sliding over to left tackle following the second game of his sophomore season, but returned to RT this season. Young is the only Notre Dame offensive lineman to start every game through his first two seasons since freshmen regained eligibility in 1972. Seniors Paul Duncan and Mike Turkovich had not earned meaningful minutes prior to starting all 12 games last year. Duncan (who had recent hip surgery and will miss the rest of the season) started the first two games at left tackle, then switched with Young and played the final 10 contests at right tackle. Turkovich had only played in 16 games prior to 2007, but he started every game at left guard for the Irish. Juniors Eric Olsen and Dan Wenger both saw valuable playing time in 2007, but they did it at different points of the season and in different ways. Olsen did not start until midway through last year, but once he opened at right guard against UCLA, Olsen never relinquished his opportunity. He started the final six games of the campaign. Wenger opened the season as the starting right guard and played three games there before an injury forced him to the sidelines. After missing the middle portion of the schedule, he returned to start the final two contests at center. Wenger's natural position is center. Fellow junior Chris Stewart worked his way up the depth chart and started each of the first eight games in 2008, but was recently lost for the foreseeable future with a knee injury. Freshman Trevor Robinson became the fifth freshman to ever start a game on the offensive line for the Irish against Boston College. The quintet of Turkovich, Stewart, Wenger, Olsen and Young started each of the first eight games. Robinson has started each of the last three games for the Irish.

The line has already seen major improvements from a year ago. Here a just a few noticeable upgrades:

- $\blacktriangleright$  Four members of the Irish offensive line have started every game this season and that continuity has helped them cut the sacks allowed from 58 last year to 16 this year. In fact, the Irish O-line are on pace to allow the fewest sacks in a regular season since 1998.
- ▶ Notre Dame surrendered an NCAA record 58 sacks in 2007, but the Irish did not allow a single sack over their first two games of 2008 (first time since 2003 Notre Dame has gone consecutive games without allowing a sack).
- ▶ Pittsburgh ranked 11th in the NCAA FBS in sacks entering its game with the Irish at 3.00 sacks per game. The Panthers were limited to a season-low one by Notre Dame.
- ▶ The Irish have allowed just 16 sacks over their first 11 games. Notre Dame ranks tied for 34th in the NCAA FBS in fewest sacks allowed. Stanford managed just one sack against the Irish and they rank 10th in the country.
- ▶ Notre Dame completed dominated the game on the ground against Navy. The Irish not only outrushed the Middies, 230-178, but also earned 15 first downs on the ground to Navy's six.
- ▶ Notre Dame's 51 rushes were a season-high and the 230 yards on the ground were the second-most this season.
- ▶ The Irish rushed the ball the final 12 plays of the game and 26 of the final 29 plays for Notre Dame were on the ground.
- ▶ The Irish won the time of possession battle against Navy this afternoon 35:33 to 24:27. It is the smallest amount of time of possession for the Middles since Oct. 22, 2005 against Rice when they managed just 22:20.
- ▶ In last season's 38-0 defeat at Michigan, the Irish allowed eight sacks and was limited minus-six yards rushing on the afternoon. In the 35-17 Irish victory earlier this season, Notre Dame did not allow the Wolverines

- a single sack (even though they averaged 4.0 sacks per game -- tops in the NCAA entering the contest) and rushed for 113 yards. The Wolverines had allowed 83 yards on the ground over their first two games combined.
- ▶ The Irish entered their game against Purdue with 234 yards rushing over their first three games of the season combined (ranked 111th in the nation at 78.00 per game). In fact, Notre Dame managed just 16 yards on the ground in the 23-7 loss at Michigan State the week prior, but the Irish racked up 201 yards on 40 carries last week against Purdue. The 201 yards rushing were the most for the Irish since they picked up 220 against Duke on November 17, 2007 at Notre Dame Stadium.
- ▶ Notre Dame rushed for 252 yards in the rout of Washington. The 252 yards on the ground were the most since the Irish rolled up 275 against Pittsburgh in head coach Charlie Weis' first game on the sidelines in 2005
- ▶ Notre Dame gained 459 yards of total offense against Washington. The Irish surpassed the 450-yard barrier in total yards in three of four weeks. In fact, Notre Dame had 430+ total yards in four consecutive games (Purdue, Stanford, North Carolina and Washington).
- ▶ Notre Dame had not surpassed 430 yards of total offense in four straight games since 1995 when the Irish had 502 (Sept. 9 at Purdue), 493 (Sept. 16 vs. Vanderbilt), 511 (Sept. 23 vs. Texas) and 447 (Sept. 30 at Ohio State).
- $\blacktriangleright$  The Irish ran 77 offensive plays without a single punt against the Huskies.

#### QUARTERBACKS

- No Notre Dame freshman quarterback had ever started his first game for the Irish prior to the fourth week of the season until sophomore Jimmy Clausen opened under center in the second game of the 2007 season at Penn State. Clausen started nine games for the Irish and etched his name throughout the Notre Dame record books. He equaled the school record for starts by an Irish freshman quarterback and finished second on the following freshman quarterback single-season lists: passing yards, completions and completion percentage.
- ▶ Senior Evan Sharpley epitomized the role of a quality backup in 2007. Called upon in eight games, Sharpley never skipped a beat as the Irish signal caller. He entered when Clausen was injured at Purdue and passed for 208 yards with two TDs and one interception and then started against USC and Navy. A member of the Irish baseball team, Sharpley missed most of spring practices due to his baseball commitment where he led the team in home runs. Freshman Dayne Crist, a 6-4, 230-pounder from California who was a Parade All-American last year and one of six finalists for the U.S. Army Player of the Year Award, as well as Nate Montana (son of NFL Hall of Famer and former Irish legend Joe) also join the mix this fall.

### CLAUSEN CONTINUES TO DEVELOP

- ► Clausen registered his 14th consecutive start, 11th of the season and 20th of his career last week against Syracuse.
- ► Clausen became just second Notre Dame quarterback to throw for at least 20 touchdowns in a season (Brady Quinn in 2005 and 2006).
- $\blacktriangleright$  Clausen hooked up with sophomore WR **Golden Tate** on a 35-yard touchdown pass to give the Irish a 13-10 lead with two seconds remaining in the first half.
- ▶ Clausen was 4-of-5 for 76 yards on the drive (he had just 61 passing yards prior to the drive).
- ▶ The touchdown pass was Clausen's first in nine quarters dating back to the fourth quarter of the Pittsburgh game on Nov. 1.
- ▶ Clausen completed 13-of-18 for 137 yards and one touchdown in the first half against the Orange. He completed 77.8% (28-of-36) of his passes over the six quarters of football (entire Navy game and first half against Syracuse).
- ▶ The Irish had six passing plays of at least 30 yards in the entire 2007 season. Not only does sophomore WR **Golden Tate** have more by himself (13), but also Notre Dame has 22 as team though 11 games.
- ▶ With his 12th pass attempt against Syracuse, Clausen moved past Blair Kiel (1980-83) into fifth place on the Irish career pass attempts list with 610.
- ▶ With his 91st passing yard against the Orange, Clausen moved past Joe Theismann (1970) into fifth place on the Irish single-season passing yards list with 2,530.

- ▶ With his 148th passing yard against Syracuse, Clausen moved past Brady Quinn (2004) into fourth place on the Irish single-season passing yards list with 2,587.
- ▶ With his first touchdown pass against the Orange, Clausen moved into a tie with Ron Powlus (1994) for third place on the Irish single-season touchdown pass list with 19. He also moved into a tie for ninth place (Bob Williams, 1948-50) on the Irish career list in the same category with 26
- ▶ With his second touchdown pass against Syracuse, Clausen moved past Ron Powlus (1994) into third place on the Irish single-season touchdown pass list with 20. He also moved into a tie for seventh place (Terry Hanratty, 1966-68; Steve Beuerlein, 1983-86) on the Irish career list in the same category with 27.
- Over the 11 starts after sitting out two games to recover mentally and physically in 2007, sophomore QB Jimmy Clausen completed 58.3 percent of his passes (229-of-393) for 2,739 yards with 24 touchdowns and helped Notre Dame to a 7-4 record during that stretch.
- ▶ The 83.3% completion percentage by Clausen against Navy was the best by an Irish quarterback since Jarious Jackson completed 85.7% of his passes against Navy on Nov. 14, 1998. In fact, Clausen's outing ranks as the fifth-best completion percentage in single-game Notre Dame history.

- ► Clausen failed to throw a touchdown pass in a game for the first time in 2008 against Boston College -- snapping a streak of eight consecutive games (failed to throw one again against Navy as well). He also threw a career-high four interceptions. Clausen became the first Irish quarterback to throw four interceptions since Brady Quinn at Purdue on Sept.
- ▶ Clausen attempted 43 passes against Pittsburgh and failed to throw an interception. The 43 pass attempts were the fifth-most in single-game school history without a pick.
- ▶ Interestingly, Clausen has three of the top seven-best games in terms of most passes in a single game without an INT and each has come in Notre Dame's last 14 games.
- ▶ He has thrown at least three TD passes four times in 2007 and six times in his career -- all over Notre Dame's last 14 games.
- ▶ Has surpassed the 300-yard passing barrier twice this season.

- ▶ After Notre Dame stalled in the third and early fourth quarter, Clausen guided a 75-yard, 12-play TD drive to give the Irish a 24-17 lead with 5:38 to go in the game. He went 4-of-6 for 55 yards on the drive.

- ▶ Clausen bested his career-high in passing yards three straight weeks (Purdue, Stanford and North Carolina).
- ▶ Clausen finished the afternoon against the Tar Heels with a total of five 20+ yard completions.
- ▶ Opened the second-half against North Carolina with an interception on his first pass attempt, the first INT in 132 pass attempts (was returned for a touchdown by North Carolina to bring the Tar Heels within 17-16).
- ▶ The 132 passes without an interception is the second longest in school history by a Notre Dame quarterback (only Brady Quinn's 226 straight passes without an INT during the 2006 season was longer).
- ▶ Threw for a total of 730 yards over the two Notre Dame games against Stanford (347) and North Carolina (383).
- ▶ It was the most passing yards by a Notre Dame quarterback in consecutive weeks since Brady Quinn totaled 815 in victories over Washington and Purdue during the 2005 season (468 at Purdue and 327 at Washington).

- lacktriangle Clausen missed on his first three pass attempts to open the game against Purdue, but connected on the next five straight passes to close the first quarter (extended streak to six early in the second quarter before an incompletion in the Purdue end zone).
- ▶ Here is a guick comparison of Clausen's sophomore stats (through 11 games) against the previous top sophomore final passing seasons by Notre Dame quarterbacks in school history:

- ▶ Clausen struggled in the first-half against Michigan State (just 7-of-14 for 79 yards and two INTs), but rebounded with a stellar second-half in which he started 17-of-21 for 163 yards and a touchdown before missing his final six attempts.
- $\blacktriangleright$  Clausen tossed a pair of touchdowns in the 35-17 victory over Michigan. Clausen hooked up with fellow sophomores WR Duval Kamara and WR Golden Tate.
- ▶ The 48-yard touchdown pass to Tate against Michigan was Clausen's longest of his career, but stood for only eight minutes on the game clock.

- ► The 60-yard passing play from Clausen to Tate was the fourth-longest passing play under Weis.

- ▶ With Notre Dame trailing 13-7 and 11:55 to go in the fourth quarter in the season opener against San Diego State, Clausen proceeded to complete 8-of-his-final-9 passes for 98 yards and two touchdowns (led Notre Dame on scoring drives of 80 and 55 yards) to secure the come-frombehind victory.

### RUNNING BACKS

- ▶ One of the deepest positions on the team in terms of talent and versatility is the running back spot. The top three rushers from 2007 all return, featuring styles that complement one another. Those three combined to start 10 games last year and rushed for 1,105 yards and four TDs.
- ▶ Junior James Aldridge (78 car., 319 yards, 3.8 avg., three TD) started five games in 2007 and led the Irish with 463 yards on 121 carries. Aldridge did not play in the season opener, but returned to the lineup against Michigan and rushed for 28 yards on nine carries against the Wolverines. He added four carries for 13 yards against Michigan State. Aldridge rushed for 34 yards and registered a season-high 17 yard carry against Purdue. He had five rushes for for nine yards in the victory over Stanford. Aldridge had four carries for 23 yards, including a 15-yard burst. He also added his first career touchdown that gave the Irish a 24-16 lead in the third quarter. Aldridge had his best game of the season in the victory over Washington. He rumbled 84 yards on 13 carries and added a pair of touchdowns. Aldridge was the third running back this season to not only lead the Irish in rushing for a game, but also register a multi-touchdown game. He rushed for a game-high 80 yards on 16 carries as Notre Dame rumbled for 230 yards against Navy.
- ▶ Sophomore **Armando Allen** (126 car., 569 yards, 4.5 avg., three TD) showed flashes of his game-breaking speed last year, but he was seldom able to rip off big gains in 2007. Allen's longest run was 15 yards and his longest reception went for 16 yards, however the dual-threat option he presents as a rusher and receiver combined with his elite speed adds another dimension to the Irish backfield.
- ▶ Fellow sophomore **Robert Hughes** (90 car., 320 yards, 3.6 avg., three TDs) burst onto the scene in the final two games last year, featuring a power running game not seen by a Notre Dame player in a number of years. With just 18 carries through the first 10 games, Hughes became the workhorse versus Duke and Stanford by rushing a combined 35 times for 246 yards (7.0 avg.) and two TDs. Hughes became the first freshman running back at Notre Dame to surpass 100 rushing yards in consecutive games since Allen Pinkett in 1982.
- ▶ Returning from a knee injury that sidelined him for most of the 2006 season, senior **Asaph Schwapp** started seven games a year ago and served as the lead fullback in every game. Schwapp was the lead blocker for the aforementioned three running backs and also rushed 12 times in 2007, gaining 14 yards. Schwapp has played in all 10 games, but did not register a start until the Navy game (as Notre Dame has opened most of its games in three, four and even five wideouts).

### THREE-HEADED RUSHING MONSTER

- ▶ Junior HB James Aldridge, sophomore HB Armando Allen and sophomore HB Robert Hughes helped Notre Dame dominate the game on the ground against Navy. The trio ran for 204 yards on 37 carries good for 5.5 yards per rush.
- ▶ The Irish not only outrushed the Middies, 230-178, but also earned 15 first downs on the ground to Navy's six. Notre Dame's 51 rushes were a season-high and the 230 yards on the ground were the second-most this season.
- ▶ The Irish rushed the ball the final 12 plays of the game and 26 of the final 29 plays for Notre Dame were on the ground.
- ▶ The Irish won the time of possession battle against Navy this afternoon 35:33 to 24:27. It is the smallest amount of time of possession for the Middies since Oct. 22, 2005 against Rice when they managed just 22:20.

#### AR(MAN)DO TO BE RECKONED WITH

- ▶ With three receptions against Syracuse, sophomore HB **Armando Allen** moved past Darius Walker (2005) into second place on the Notre Dame single-season receptions list for running backs with 45.

- ▶ Allen rushed for 62 yards on 15 carries in the victory over Washington, but failed to catch a pass for the first in a game this season.
- ▶ Allen had 130 all-purpose yards in the loss at North Carolina. He rushed for 60 yards on 11 carries (good for a 5.5 per carry average) and did not have a rush for negative yardage.

- $\blacktriangleright$  Ripped off a 16-yard rush early in the second quarter against the Boilermakers.
- ▶ Added a career-best 21-yard burst up the middle on the scoring drive to open the second half.
- ► Capped the five play, 81 yard drive with a 16-yard touchdown run (the first of his career).
- ▶ Equaled his career-best run with two more 21 yard gallops on Notre Dame's second drive of the second half.
- ▶ Prior to the meeting with Purdue, Allen's longest run was 15 yards, but he had five runs of longer than 15 yards against the Boilermakers.

Pinkett rushed for 129 yards against Navy (Oct. 30) and 112 yards against Pittsburgh (Nov. 6).

### WIDE RECEIVERS

- ▶ The entire wide receiver group returns in 2008 as the Irish look to return to the aerial assault applied in 2005 and 2006. Six receivers combined to catch 117 passes for 1,252 yards with eight TDs in 2007 and the two leading receivers were a sophomore and a freshman.
- ▶ Senior tri-captain **David Grimes** (31 rec., 287 yards, 9.3 avg., two TDs) is the veteran leader of the bunch. Grimes, who did not see the field against Michigan State or Washington battling a back injury, is one of three players outside of the freshman or sophomore class to score a touchdown this season. He returned to the lineup against Purdue with four receptions for 65 yards, including a 30-yard score. Grimes had a season-high seven catches for 60 yards, including a 23-yard grab against Stanford.

- ▶ Grimes hauled in a season-high tying seven receptions for a career-high 83 yards, including a season-best 31 yard catch against Syracuse.
- ► His previous career-high for receiving yards was 79 against UCLA on Oct. 21, 2006.
- ▶ Junior Robby Parris (9 rec., 50 yards, 5.6 avg.) tallied the most receiving yards by an Irish wide receiver last year (361) and had the highest average yards per reception total (12.4) among receivers with at least 10 receptions. Parris started four games in 2007 and flashed his big-play potential as he led the team with eight receptions of at least 20 yards and recorded over 90 yards receiving in two games (93 yards at Purdue, 94 yards vs. Boston College), but battled an injury through the preseason is still looking to regain top form. He had his best game of 2008 in the victory over Washington. Parris had three receptions for 19 yards.
- ▶ Following a strong freshman season that saw him named an honorable mention freshman All-American by *The Sporting News*, sophomore **Duval Kamara** (16 rec., 178 yards, 10.9 avg., 1 TD) looks to grow the connection forged with quarterback **Jimmy Clausen**. Prior to freshman WR **Michael Floyd**, Kamara held the previous Irish freshman record for most receptions (32) by a first-year wide receiver (breaking Tim Brown's school record of 28) and also set the Notre Dame record for most TD receptions by a freshman (4). Kamara registered a catch in each of the first six games for Notre Dame, including a 10-yard touchdown against Michigan to give the Irish a 14-0 first quarter lead, but was limited to just a single reception in each of the first five games for Notre Dame. Kamara broke out of his early-season slump with a season-high five receptions for 58 yards against North Carolina.
- ▶ Notre Dame has also seen the emergence of sophomore **Golden Tate** (50 rec., 888 yards, 17.8 avg., 7 TDs). The Hendersonville, Tenn., native showed flashes of brilliance in 2007 (four of his six receptions exceeded 20 yards), highlighted by his three catches, 104 yards and one touchdown performance against Purdue. Tate has already exceeded his entire reception output from a year ago and leads the Irish in receiving yards. He has hauled in passes of 30, 30, 31, 33, 35, 36, 38, 38, 40, 45, 47, 47 and 60 yards over the first 11 games. Tate is 30th in the NCAA in receiving yards per game (80.73), t-77th in receptions per game (4.55) and only one other WR in the nation (with at least 4.55 receptions per game) has a higher average per catch than Tate's 17.8.
- ▶ Freshman Michael Floyd was the Gatorade Player of the Year in Minnesota as a junior and a senior and was a USA Today first-team All-American. The rookie picked up his first career start against Michigan and not only became the first Irish freshman to register a TD catch in a season opener (San Diego State), but also became the first freshman to register Notre Dame's first points of a season by touchdown. Floyd has 46 receptions for 702 yards on the season. He has already established new school records for receptions (46), receiving yards (702) and receiving touchdowns (7) by an Irish freshman. He also set a freshman record with seven receptions against Michigan State. Floyd led Notre Dame with 86 receiving yards, including a 26-yard touchdown. He recorded his first career 100 yard receiving game against Purdue. He hauled in six passes for 100 yards, including a 38-yard pass play from sophomore QB Jimmy Clausen.

action in 10.

- ▶ The Irish figured to struggle to find an immediate replacement for John Carlson, one of the most prolific tight ends in school history. Carlson started each of the last 23 games in which he appeared and recorded the second-most receptions (100) and third-most receiving yards (1,093) for a career by a Notre Dame tight end.
- ▶ Sophomore **Mike Ragone**, a former high school All-American, was the initial odds on favorite to replace Carlson after playing in 11 games as a freshman in 2007, but was lost for the season with a torn ACL. Junior

- **Will Yeatman** has played in 28 games in his career, starting six contests as a second tight end (including each of the first three in 2008), but will miss the remainder of the season. He has eight career receptions for 39 yards (six of which came in 2007).
- ▶ Freshman **Kyle Rudolph** has exploded onto the scene. A *USA Today* first-team All-American and considered by most recruiting sites as the top tight end in the nation, Rudolph has started all 11 games this season and became the first Notre Dame rookie tight end to ever start a season opener. He hauled in two catches for 29 yards, including an 18-yard reception against Michigan State. Rudolph recorded single-game highs in both receptions (5) and receiving yards (70) against Stanford. Rudolph also added his second career touchdown reception and a career-best 24-yard grab against the Cardinals.
- $\blacktriangleright$  With his first reception against Pittsburgh, Rudolph established a new school record for receptions by a Notre Dame freshman tight end. He broke Ken McAfee's record of 14 catches in 1974.
- ▶ With his 12-yard reception against Syracuse midway through the second quarter, Rudolph eclipsed Dean Masztak's school record for most receiving yards by a freshman tight end. Masztak had 236 yards receiving on 13 receptions in 1978.
- ▶ Rudolph now owns the school record for rookie tight ends in both receptions (24) and receiving yards (258).

#### RUDOLPH THE PASS CATCHING TIGHT END

▶ Here is how Rudolph's season to date compares to three other outstanding Notre Dame rookies tight ends (Brown and McAfee each were named first team All-Americans later in their career).

Player (Year)	Rec.	Yds.	Avg.	TD
Kyle Rudolph (2008)	*24	*258	10.9	2
Ken McAfee (1974)	14	146	10.4	1
Dean Masztak (1978)	13	236	18.2	0
Derek Brown (1988)	12	150	12.5	*3
Jabari Holloway (1997)	8	144	18.0	1
^Kyle Rudolph (2008)	28	305	10.9	3

<sup>\*</sup>projected over 13 games

- ▶ Rudolph became the first Irish freshman tight end to record a touchdown reception in 11 years in the victory over Purdue. Jabari Holloway was the last Notre Dame tight end to do so in a 33-15 loss at Stanford in 1997. He broke the drought with his five-yard grab of a **Jimmy Clausen** pass in the third quarter as the Irish extended their lead to 28-14 over the Boilermakers.
- ▶ Rudolph is the first Notre Dame rookie tight end to haul in touchdown passes in consecutive weeks (Purdue and Stanford) since Derek Brown did during the 1988 season. Ironically enough, Brown also did it in victories over both Purdue and Stanford.
- ightharpoonup Rudolph was held without a catch in the victory over Washington. It marked just the second time this season (Michigan being the other game) in which he failed to make a reception.

### **IRISH DEFENSE**

### DEFENSIVE LINE

- ▶ It is nearly impossible to replace the 2007 production of Trevor Laws. Not only did he lead the entire nation for tackles by a defensive lineman (112 tackles, 9.3 tackles/game), but he also recorded the second-most tackles ever by an Irish defensive lineman. No one individual on the Irish roster will come close to duplicating the performance by the 2007 Notre Dame MVP, but the vacancy he created at the position could be filled by a combination of players.
- ▶ Senior **Justin Brown** returns for his fifth year at Notre Dame after setting individual career highs in almost every statistical category last year. The senior member of the defensive line, Brown has started six games in 2008 with 21 tackles and 4.5 for loss (two of which came in the victory over Michigan). He had another quality game against Navy. Brown had a season-high five tackles, including one for loss and a fumble recovery.
- ▶ Senior **Pat Kuntz** started the first 10 games of 2007 at nose tackle and recorded 42 tackles including 2.5 tackles for loss. He also tied for teamhigh honors with nine passes broken up, the most by any defensive lineman in the nation a year ago. After failing to register a tackle in the season opener, Kuntz came back with three solo stops, including one for loss against Michigan. He recorded a season-high six stops against Purdue.

<sup>\*</sup> Notre Dame rookie single-season TE records

Kuntz had his best game of 2008 in the victory over Stanford. He finished the afternoon with three tackles, 2.0 sacks, 2.0 tackles for loss, an interception (the first of his career), a fumble recovery and a pass breakup. Kuntz recorded four tackles against Pittsburgh and followed up that performance with a five tackle effort versus Boston College.

▶ Sophomore Ian Williams started the final two games of the season at nose tackle, but he was a valuable reserve in the first 10 contests as he totaled 45 tackles, sixth-most on the team. It was the third-most tackles by an Irish freshman defensive lineman in school history and he earned freshman All-America honors from the Football Writers Association of America. Williams had one solo tackle over the first two games of the season, but regained his form with six stops against Michigan State. He had another good game against Pittsburgh. Williams recorded six tackles (equalling season-high) and a career-best 2.0 for loss. Williams was again active against Navy. He had a then season-high seven tackles. Williams registered a season-high eight tackles last week against Syracuse. Over the last two weeks, he has 15 tackles (the same amount he has the previous six weeks combined).

#### WHO SAYS KUNTZ IS UNDERSIZED?

- ▶ Senior **Pat Kuntz** entered the 2007 season without a single start and just 11 tackles in 21 career games. Kuntz excelled in Notre Dame's new 3-4 defensive scheme last season and has adapted to a move from nose tackle to defensive end this season.
- $\blacktriangleright$  Kuntz had a season-high seven tackles, including 1.5 for loss, in last week's game against Syracuse.
- ▶ Kuntz registered four tackles, including a half for loss and half sack against Navy.
- ▶ Kuntz had five tackles in the loss at Boston College.
- ▶ Kuntz had four tackles in the loss to Pittsburgh.
- $\blacktriangleright$  Kuntz had three tackles, including a sack, in the defeat at North Carolina.
- ► Kuntz did rank in a tie for 69th in the NCAA FBS in sacks per game (0.50) before failing to register a sack each of the past three weeks before getting a half sack last week against Navy.
- ▶ In fact, all three of his sacks came over Notre Dame's two games against Stanford and North Carolina.
- $\blacktriangleright$  Kuntz had his best game of 2008 in the victory over Stanford. He finished with three tackles, 2.0 sacks, 2.0 tackles for loss, an interception (the first of his career), a fumble recovery and a pass breakup
- ► Kuntz totaled a season-high six tackles, including three solo stops, in the victory over Purdue.
- ► Kuntz did not record a tackle in the season-opening victory over San Diego State, but finished with three solo tackles against Michigan, including one for loss.
- ▶ Kuntz possesses a tremendous motor and work ethic and displayed an uncanny ability to knock down passes at the line of scrimmage.
- ▶ Despite missing the final two games of 2007 to injury, Kuntz started 10 games, totaled 53 career tackles with three tackles for loss, 0.5 sacks, nine pass break-ups and one fumble recovery.
- ▶ Kuntz led all defensive linemen in the NCAA FBS in 2007 with nine pass break-ups last year and tied for the team-high honors.

Name, School	PBU	INT	PD	
Pat Kuntz, Notre Dame	9	0	9	
Phillip Hunt, Houston	8	1	9	
Tyson Jackson, LSU	8	0	8	

- ▶ Kuntz has played in 41 career games with 21 career starts (10 in 2007).
- ▶ Kuntz ranked 58th in the nation in passes broken up and just outside the top 100 in the nation in passes defended a year ago.

### LINEBACKERS

▶ Three starters return while two other linebackers have starting experience, as the linebackers group possesses the leader of the defense as well as upstart talent which helped make the Irish defense so improved last year. A staple of Notre Dame's linebacker corps the last three seasons, tri-captain **Maurice Crum Jr.** returns for a fifth year and is the indisputable leader of the defense. He has started 46 of 47 games (failed to start the first game of his career against Washington and then against at Boston College) that Notre Dame has played the past four years. Crum notched 84 of those stops in 2007 and enters this weekend with 303 career

tackles. He became the ninth Irish player to ever record 300 career tackles. Crum ranks third on Notre Dame with 62 tackles in 2008. He has 3.5 TFLs, 1.0 sack and a forced fumble on the season for the Irish.

- ▶ Junior **John Ryan** is one of the more versatile members of the Irish defense, as he posted eight starts as an outside linebacker in 2007 and two starts at defensive end last year. He has just seven tackles this season, but has added a pair of pass break-ups, two quarterback hurries and two fumble recoveries. Ryan has seen limited action since the North Carolina game.
- ▶ Two freshmen burst onto the scene in 2007 and made significant contributions to Notre Dame's defense. **Kerry Neal** and **Brian Smith** each started as outside linebackers during their rookie seasons and both now server as sophomore starters. Neal has picked up 22 tackles (three each against Sam Diego State and Michigan), 3.0 for loss, 1.0 sack and his first career interception against the Aztecs. He registered a career-high five stops last week against Syracuse. Smith is fourth on the squad with 53 tackles, 4.0 for loss, 2.0 sacks, two fumble recoveries, one forced fumble, two pass breakups and three quarterback hurries. He ranks tied for 17th in the nation in fumble recoveries despite missing most of the Navy game and the entire Syracuse game with an injury. Neal had a then career-high four tackles against Pittsburgh and chipped in his first sack of the season.

#### CRUMBLING THE COMPETITION

- ▶ Senior LB **Maurice Crum, Jr.**, totaled 100 tackles in 2006 to lead Notre Dame. Crum was the first Irish player to eclipse the 100 tackle mark since Courtney Watson had 117 in 2003.
- ▶ His 46 career starts are tied with QB Brady Quinn (2003-06), for the second most on record in Notre Dame history. Former SS Tom Zbikowski (2004-07) heads the list with 48 career starts.

Name	Career Starts	Career
Tom Zbikowski	48	(2004-07)
Maurice Crum, Jr.	46	(2005-)
Brady Quinn	46	(2003-06)
Ryan Harris	45	(2003-06)

- ▶ With his third tackle against Syracuse, Crum, Jr. became the ninth player in Notre Dame history to reach 300 career tackles. He also moved into a tie with Tom Zbikowski (2004-07) for eighth on the Irish career tackles list.
- ▶ With his fourth tackle against the Orange, Crum Jr. moved past Tom Zbikowski (2004-07) for eighth on the Irish career tackles list.
- $\blacktriangleright$  Crum failed to start a game for just the second time in his career at Boston College.
- $\blacktriangleright$  Crum also failed to register a tackle for the first time in his career -- which spans 48 games.
- $\blacktriangleright$  Crum had a season-high nine tackles and 1.0 for loss against Pittsburgh.
- ► Crum failed to start for the first time in his career in the victory over Washington, snapping a streak of 43 consecutive starts (every game the Irish had played since the start of the 2005 season).
- ▶ The 43 consecutive starts was the longest streak on the team and seventh-longest among current NCAA FBS players.
- $\blacktriangleright$  Crum still has a chance to equal the recognized school record for career starts.
- ► Crum, Jr. has 303 career stops.

- ▶ Notre Dame sophomore LB **Brian Smith** ranks fourth on the Irish with 53 tackles.
- ► Smith has also registered 4.0 tackles for loss, 2.0 sacks, two fumble recoveries, one forced fumble, two pass breakups and three quarterback hurries
- lacktriangle Smith ranks tied for 17th in the nation in fumble recoveries.
- ▶ Smith made just two tackles in the victory over Navy, but missed most the game after suffering an injury early in the second quarter. He did not play last week against Syracuse and will likely miss the USC game.
- $\blacktriangleright$  Smith totaled eight solo tackles against Boston College and a pass breakup.

- ▶ Smith posted three tackles, including a vicious 11-yard sack on Ronnie Fouch, in the victory over Washington last week.
- ▶ Smith had three tackles and a quarterback hurry in the loss at North Carolina.
- ▶ Smith recorded six tackles, three solo, one tackle for loss and one sack, as well as a quarterback hurry, in the victory over Stanford.
- ightharpoonup Smith registered a career-best 10 tackles, including one for loss, and a forced fumble against Michigan State.
- ▶ Smith has started nine of 10 games for Irish, but just three times at inside linebacker (Michigan State, Boston College and Navy) as Notre Dame has opened in nickel quite often in 2008.
- ▶ Smith is the first sophomore LB to post 10 or more tackles in a single game since Maurice Crum, Jr. had 11 against Navy on Oct. 28, 2006.

#### **DEFENSIVE BACKFIELD**

- ▶ The most improved area on the entire team last year was the play by the Irish secondary. Two of the four starters return from the group that recorded the second-best pass defense in the nation. Notre Dame allowed almost 42 fewer passing yards per game and the passing efficiency of opposing quarterbacks improved from 90th in 2006 to 22nd last year.
- ▶ Senior **David Bruton** was a major contributor to the success of the Irish secondary in his first season as starter at free safety. He proved to be a tremendous addition as he ranked third on the team with 85 tackles and added three interceptions. Bruton recorded at least nine tackles in five games and is the top returning tackler from 2007.
- ▶ Senior Terrail Lambert returns for his fifth season and is the most veteran member of the defensive backs. Lambert had started 31 consecutive games at cornerback before failing to start last week against Navy (was injured during practice on Thursday prior to the game with the Middies) and has intercepted four passes while totaling 107 tackles over the last three campaigns. Only Crum has started more games on the Irish defense, and no player has played in more games than Lambert over the past three years. Lambert has 33 tackles (20 solo stops) and four pass breakups so far in 2008.
- ▶ Junior **Raeshon McNeil** has secured the other starting cornerback spot. McNeil has played in 30 games for the Irish and has been used as an extra cornerback and also as an extra safety. He made his 13th career start against Syracuse and leads Notre Dame with 10 pass breakups, including two in the victory over Michigan, and 12 passes defended (10 PBUs and two INT).
- ▶ McNeil recorded three pass-break ups in the loss at Boston College. The three PBUs were the most in a game for the Irish in the Weis era. In fact, it is the most by an Irish player since Shane Walton and Gerome Sapp each had three against Florida State on Oct. 26, 2002.

30.	Raeshon McNeil, Notre Dame	10	2	12	1.09

- ▶ Freshman **Robert Blanton** made his Irish debut against Michigan and registered two tackles, one for loss. Blanton continued to make a major impact with a stellar game against Purdue. He recorded five solo tackles, a pass breakup and a 47-yard interception return for touchdown. Blanton registered his first career start against Navy and became the sixth Notre Dame rookie to start this season.
- ▶ Sophomore Harrison Smith is listed as the backup to Bruton at free safety, but also has seen significant action at Sam linebacker, including making his first career start against Michigan State and has since started seven more games. Smith was a highly recruited player from Tennessee who was named the state's player of the year by Gatorade. The former state decathlon champion did not play in his first year with the Irish, but has picked up 49 tackles with 8.5 for loss, 3.5 sacks and four pass breakups over the first 11 games of 2008. Smith even picked up a 23-yard run and 35-yard run on a pair of fake punts to give the Irish first downs against Stanford and Washington. He leads the Irish in tackles for loss and ranks fifth on the team in tackles.
- ▶ Junior **Sergio Brown** had played in 22 games over the last two seasons primarily on special teams, recording 11 tackles, but has exploded onto the scene in 2008. Brown has started four games for the Irish, as the extra safety in nickel packages, and has registered 20 tackles, 13 solo, five pass breakups, two quarterback hurries, two TFLs, two sacks, one fumble recovery and a blocked punt.
- ▶ Replacing All-American Tom Zbikowski is a tall order, but senior **Kyle**McCarthy has done so and then some over his first 11 games of 2008.

  McCarthy had played in 25 games and started one (against Navy in 2007), but has taken his game to another level.

### KYLE USHERS IN MCCARTHYISM ERA IN SECONDARY

- ► Senior SS **Kyle McCarthy** has definitely instilled intense fear amongst Irish opponents through the first three games this season.
- $\blacktriangleright$  McCarthy ranks tied for 40th in the NCAA FBS in total tackles and tied for 40th in solo stops.

### **IRISH MISCELLANEOUS NOTES**

### IRISH TOP LATEST NCAA GRADUATION RATINGS

The University of Notre Dame ranks number one in the country in terms of graduating its student-athletes, according to statistics released in mid-October.

Whether measured by the federal government in its Department of Education report or by the NCAA through its newer Graduation Success Rate (GSR) numbers, graduation rates for Notre Dame student-athletes also rank among the national leaders in all major categories among all major football-playing colleges and universities. Notre Dame led the nation in the GSR ratings for all student-athletes (at 98, tied with the United States Naval Academy), while also ranking first in both the GSR and federal standings for female student-athletes (100 GSR, 93 federal) - as well as first in the federal listing for black student-athletes (84). Both the federal graduation-rate figures and the GSR numbers for Notre Dame student-athletes found the Irish ranked fourth or better nationally in five major categories among the 119 football-playing institutions in the NCAA Football Bowl Subdivision (formerly Division I-A).

The federally mandated NCAA Graduation-Rates Report, the 18th such survey issued by the association, covers students who enrolled between 1998 and 2001 at all Division I institutions. The federal graduation rates are based on the raw percentage of student-athletes who entered an institution and graduated within six years. Students who leave or transfer, regardless of academic standing, are considered nongraduates. All those receiving athletics aid are included in the statistics. All military academies are exempt from the federal survey because they do not offer grants-in-aid to student-athletes. The GSR was created to more accurately reflect actual graduation rates by including transfer data in the calculation. College and university presidents asked the NCAA to develop a new methodology that takes into account the mobility among students in today's higher education environment. Research indicates that approximately 60 percent of all new bachelor's degree recipients are attending more than one undergraduate institution during their collegiate careers.

In calculations listing all student-athletes in all sports, Notre Dame tied for first among the Bowl Subdivision football schools in the GSR figures, which were initiated in 2005 by the NCAA. The University's 98 percent GSR for all its student-athletes matched that for the U.S. Naval Academy. Using the federal formula, Notre Dame graduated a four-year average of 89 percent of its student-athletes, just behind Stanford at 91 percent.

Notre Dame graduated 93 percent of all women competing in varsity athletics, to rank first among its peer institutions (tied with Northwestern) based on the federal calculations. Among men, Notre Dame's 87 percent federal rate was second, behind only Stanford's 90 percent rate.

Notre Dame graduated 84 percent of its black student-athletes, ranking first nationally based on the federal rate, and Irish football players graduated at a 85 percent rate, to rank fourth. In the GSR standings, in addition to its number-one ranking for all student-athletes, Notre Dame finished tied for first among female student athletes at 100 (Vanderbilt and the U.S. Naval Academy also finished at 100), second among male student-athletes at 97 percent (behind the Naval Academy at 98), second among football players at 94 percent (behind the Naval Academy at 95), and second among black student-athletes at 96 percent (behind the Naval Academy at 98).

The NCAA also calculated graduation rates over a 10-year period (student-athletes who entered from 1992-93 through 2001-2002). During those 10 years, Notre Dame had 627 student-athletes who exhausted their eligibility - and 100 percent of them graduated within the allotted six-year period. By comparison, Northwestern had a 100 percent rate, Duke recorded 99 percent, and Boston College and Stanford both had 98 percent rates.

▶ Since the NCAA first published GSR numbers in 2005, here are the trends for Notre Dame in all 10 categories over the four years of graduation rates (includes ranking and raw graduation percentage; SA stands for student-athletes):

### HOLTZ TO COACH LEGENDS IN NOTRE DAME JAPAN BOWL 2009

Former University of Notre Dame head coach and College Football Hall of Fame Class of 2008 member Lou Holtz will lead the Fighting Irish Legends onto the field when he coaches in what he promises will be "one last game"

Holtz will take charge of the Legends, an alumni team made up of former Fighting Irish football players, for the NOTRE DAME JAPAN BOWL 2009 to be played at the 55,000-seat Tokyo Dome in Japan's capital city on Saturday, July 25, 2009. The game against the Japanese national team will be the highlight of an eight-day visit to Tokyo to celebrate the 75th anniversary of the Japan American Football Association (JAFA).

The Fighting Irish Legends will meet for a two-day mini camp in South Bend on July 17 and 18 next year, before heading east from July 19 to 26 as unique sporting ambassadors in Japan.

Holtz has named former Georgia Tech, East Carolina and

Wyoming veteran head coach Bill Lewis as his assistant head coach and defensive backs coach. Lewis spent nine years on the staff of the Miami Dolphins was as an assistant head coach and defensive backs coach at the University of Notre Dame. Former Notre Dame running back Reggie Brooks, who played for Holtz as a member of the Irish team from 1989-92 and now handles Notre Dame football alumni relations for the Notre Dame Monogram Club, is charged with recruiting the Fighting Irish Legends playing staff. Invitations are being sent out to former players, focusing on those who played at Notre Dame during the past decade. Details of the Fighting Irish Legends roster and additions to the coaching staff will be announced in the coming months.

This marks the fifth international experience for the Notre Dame football program:

- ▶ The Notre Dame freshman football team played in Mexico City, Mexico, in 1971.
- ▶ The Irish defeated Miami 40-15 in the Mirage Bowl (the regular-season finale that year) at National Olympic Stadium in Tokyo, Japan, on Nov, 24, 1979. Vagas Ferguson carried 35 times for 177 yards and three touch-
- ▶ 19th-ranked Notre Dame defeated Navy 54-27 at Croke Park in Dublin, Ireland, in a regular-season game played Nov. 2, 1996 - behind Autry Denson's 123 rushing yards and two TDs.
- ▶ An Irish alumni team won 14-10 against the Hamburg Blue Devils at Volksparkstadion in Hamburg, Germany, on July 8, 2000 - thanks to an end-zone interception by Ivory Covington on the final play of the game.

# MIKE ANELLO NAMED TO ACADEMIC ALL-DISTRICT TEAM

Senior defensive back Mike Anello was named to the ESPN The Magazine/CoSIDA Academic All-District Team for District 5. Anello now gets placed on the national ballot for the ESPN The Magazine/CoSIDA Academic All-America Team.

Anello owns a 3.93 cumulative grade point average (GPA), qualifying him for the dean's list, and is a finance major in Notre Dame's Mendoza College of Business. He has earned dean's list recognition every semester at Notre Dame and is scheduled to graduate this

December in 3.5 years. Anello owns a 4.0 GPA in his major courses and is a member of

Beta Gamma Sigma, the business honors society. After joining the squad as a walk-on in 2007 and making six tackles on special teams in eight games, Anello (Orland Park, Ill.) was awarded a scholarship this fall and has made quite a name for himself this sea-

Anello is tied for 11th on the Irish in tackles with 17, including 12 solo stops, despite playing exclusively on special teams. He not only has recorded six multi-tackle games, but Notre Dame's opponents have  $\alpha$ total of 57 punt (18) or kickoff (39) returns in 2008 and Anello has regis-

tered a tackle on 17 of those 58 opportunities. Anello's top performance of the season came against Michigan earlier this season when he registered three tackles, two solo, as well as forced a fumble and fumble recovery. He also nearly recovered a second Wolverine fumble on a punt.

## YOUNG RECEIVED HARVEY G. FOSTER AWARD

Bryant Young, a 1994 Notre Dame graduate and former Irish and professional football player, received the Harvey G. Foster Award during a halftime ceremony at the Notre Dame-San Diego State game Sept. 6. The Foster Award is given annually to a Notre Dame graduate distinguished for athletic endeavors and community service.

An All-American defensive tackle for the Irish, Young played for 13 years with the San Francisco 49ers before retiring last year with 89 career sacks. His NFL accolades include Defensive Rookie of the Year, four Pro-Bowl and All-Pro honors, selection to the 1990s All Decade Team and Comeback Player of the Year after suffering a potentially careerending leg injury in 1999. Last year, Young's teammates voted him the winner of the Len Eshmont Award, the team's most prestigious honor for inspirational and courageous play, for a record eighth time. No other player in 49ers history has won the award more than twice.

Young and his wife, Kristin (also a 1994 Notre Dame graduate), established the Young Dreams Foundation, which benefits youth organizations in San Francisco and Chicago. The supports summer youth football camps and college tuition for San Francisco Bay-area students. In addition, the Youngs have established several scholarships at Notre Dame for San Francisco and Chicago students.

For his philanthropic efforts, Young was named USA Today's Most Caring Athlete in 2000 and was nominated as one of the 10 Most Influential African-Americans in the Bay area.

### **ROCKNE AND YONTO**

They represent two of the most storied names in Fighting Irish annals when it comes to coaching football at Notre Dame.

That Irish football family lost two individuals with major connections to the University's coaching tree late this past summer with the deaths of Jack Rockne and Joe Yonto.

Rockne was the last remaining child of legendary Irish coach Knute Rockne. A long-time South Bend resident, Jack had been closely involved with Notre Dame athletics in recent years through the athletic department's Rockne Heritage Fund. Though never associated with football the way his famous father was, he had been a frequent fan at Irish home games of late. In 2006 he received an honorary monogram from the Notre Dame Monogram Club in recognition of his contributions and dedication to the University.

Yonto made his name as the long-time Notre Dame defensive line coach, beginning in 1964 when Ara Parseghian came to town and continuing on Dan Devine's staff and several years under Lou Holtz. When he wasn't coaching on the field, he worked under athletics directors Gene Corrigan and Dick Rosenthal as a special assistant to the athletics director while helping administer the football program. Yonto coached a glossy list of All-Americans and first-round NFL draft picks, including the likes of Alan Page, Mike McCoy, Walt Patulski and Ross Browner. Rockne and Yonto.

They were loyal sons of Notre Dame. They will be missed. -- John Heisler

### TEAM ECLIPSES 3.0 GPA FOR SIXTH STRAIGHT SEMESTER

Members of the 2007-08 Notre Dame football team combined to post a semester grade-point average above 3.0 during the '08 spring semester, marking the sixth straight semester (and the first six times in recorded history) that the Irish football team has topped the 3.0 GPA level as a group.

Fifty-four of the 104 players registered at least a 3.0 mark for the '08 spring semester and 53 members of the team currently have a cumulative GPA of at least a 3.0.

Fourteen members of the team earned a place on the Dean's List and the team's current cumulative GPA is over 3.0.

Statistics for the semester cumulative GPAs of the football team were not kept prior to 1992, but before Weis' arrival in 2005, the previous best semester cumulative GPA was 2.911. Beginning with the '05 fall semester, the Irish football team has recorded over a 3.0 combined GPA in each semester.

Weis' first team in 2005 surpassed the 3.0 mark for the first time ever with a 3.044 combined GPA in the fall semester of '05. At that time, that marked the highest figure ever attained by the football team. Then, the Notre Dame players followed that up with a combined and unprecedented 3.072 mark in the spring semester of '06.

The fall semester of '06 saw the Irish football team post a 3.041 cumulative GPA and 61 of the 104 players achieved at least a 3.0 during that semester. In the spring of '07, Irish players improved on that and recorded a 3.043 combined GPA.

#### **NEW SCHOLARSHIPS**

Former Notre Dame walk-on and current senior OC **Thomas Bemenderfer** was elevated to scholarship status prior to the start of the 2008 season, as was junior P **Eric Maust** and senior CB **Mike Anello**.

Anello (Orland Park, Ill.) earned the scholarship following a sensational 2007 season. Anello was a starting gunner on the punt coverage team and tallied six tackles. He is currently involved in many of the special teams units for the 2008 season. Anello owns a 3.93 cumulative grade-point average (GPA), qualifying him for the dean's list, and is a finance major in Notre Dame's Mendoza College of Business.

Bemenderfer (Mishawaka, Ind.) earned a scholarship for the second straight season. He began his college career as a scholarship athlete at Northwestern University before transferring to Notre Dame for the 2006-07 school year. He is currently listed as the backup center. A member of the dean's list, Bemenderfer is enrolled in pre-professional studies in the College of Science and has a 3.762 GPA.

Maust (Alpharetta, Ga.) filled in at punter during the 2007 season and averaged a team-high 42.1 yards on 21 punts, landing nine inside the 20 with only one touchback. A junior from Atlanta, Ga., Maust enters the 2008 season as the starting punter for the Irish. He is also one of the top pitchers for Notre Dame's baseball team and recorded a 6-3 record last season. Maust is enrolled in the Mendoza College of Business, majoring in finance, and owns a 3.153 GPA.

### CRUM JR. ONE OF 10 FINALISTS FOR LOWE'S SENIOR CLASS AWARD

Fifth-year senior linebacker Maurice Crum Jr. has been chosen one of 10 finalists for the 2008 Lowe's Senior CLASS Award, announced Thursday. Crum is the fourth Irish student-athlete nominated this fall joining men's soccer player Matt Besler and women's soccer players Brittany Bock and Kerri Hanks.

The inaugural class of finalists for the NCAA football division of the Lowe's Senior CLASS Award was announced today, launching a nationwide balloting process to determine the 2008 recipient for the honor that combines on-field and off-field achievements for NCAA Division I football seniors in the Bowl Subdivision.

An acronym for Celebrating Loyalty and Achievement for Staying in School, the Lowe's Senior CLASS Award focuses on the total student-athlete and encourages those leaders to use their platform in athletics to make a positive impact on their circle of influence.

Crum graduated last May from Notre Dame with a degree in sociology and is currently enrolled in the graduate studies program. Besides taking part in several community service activities around campus during his tenure at Notre Dame, Crum spent a week in Ghana in June where he helped put together a library and computer lab at an orphanage. From June 10-18, Crum joined eight other students and adults in Accra, Ghana and helped establish a new computer lab with 14 computers, two printers and seating for 24 students. They also brought approximately 2,000 books for the new library and participated in a dedication ceremony involving government and local leaders.

On the football field, Crum is in his second year as captain of the Fighting Irish football team and became just the 17th two-time captain in the football team's history. His 34 tackles is tied for third on the team and he has started all 43 games in his career to this point. Crum has totaled 275 career tackles and needs 25 more stops to become the ninth player in Irish history to record 300 career tackles.

Joining Crum as 2008 finalists for the NCAA football division are: tight end Travis Beckum (University of Wisconsin - Madison), offensive lineman Jeff Byers (University of Southern California), quarterback Chase Clement (Rice University), quarterback Chase Daniel (University of Missouri - Columbia), linebacker James Laurinaitis (The Ohio State University), center Alex Mack (University of California - Berkeley), defensive tackle Darryl Richard (Georgia Tech University), punter/kicker Louie Sakoda (University of Utah), and kicker Austin Starr (Indiana University).

These 10 senior student-athletes will be placed on the official ballot for a nationwide vote beginning today and concluding December 10th. Votes from coaches and media will be coupled with fan balloting to determine the recipient of the award. Fans can vote online during this time period at www.seniorclassaward.com. For the first time in the award's history, text voting will also be available starting Saturday, October 25th. To vote for Crum via text, fans will send the text code FB4 to 839863.

### **FATHER RIEHLE PASSES**

Rev. James Riehle, C.S.C., longtime executive director of the Notre Dame Monogram Club and chaplain to University of Notre Dame athletics teams for nearly three decades, died this morning at Holy Cross House on the Notre Dame campus following a brief illness. He was 83.

Riehle served as Monogram Club executive director from 1978 through 2002, and then continued to work with the club in an emeritus role. He began as the chaplain for the athletic department in 1966, officially earning the title in 1973. His first football game as Notre Dame team chaplain was the famous 10-10 tie with Michigan State in '66.

"Father was a true Notre Dame man who dedicated his life to his faith and to the University," said current Monogram Club executive director Jim Fraleigh.

"He touched the lives of thousands of Notre Dame students and student-athletes – and he was the driving force behind the initiatives of the Monogram Club."

A 1949 graduate of Notre Dame, Riehle earned his bachelor's degree in business administration and then studied theology at Holy Cross College in Washington, D.C., from 1960-64. He earned his master's in business administration from Notre Dame in 1978.

Riehle was ordained as a deacon at the Shrine of the Immaculate Conception in Washington, D.C., in 1963. On June 10, 1964, he was ordained as a priest in Notre Dame's Sacred Heart Church. His first assignment was as chaplain for Dillon Hall before he went to Sacred Heart Parish in New Orleans, La. In 1966, Riehle returned to Notre Dame as the assistant dean of students and rector of Sorin Hall. He assumed the dean of students post in 1967 and served in that capacity until 1973. For 12 years, until 1985, Riehle served as rector of Pangborn Hall.

Born Nov. 25, 1924, and originally from Saginaw, Mich., Riehle held several posts at the University, including chairman of the board of directors for the University Club (1971-77) and director of energy conservation (1973-93).

In recognition of his contributions to the athletic department and the University of Notre Dame, he was honored with the 2001 Moose Krause Man of the Year Award by the Monogram Club -- and the intramural fields located on the north end of the campus (just east of Stepan Center) were named in his honor.

The Monogram Club fund that assists former Irish athletes with funding for their children to attend Notre Dame is named the Brennan-Boland-Riehle Scholarship Fund in his honor.

Formerly an enthusiastic hockey player and long an avid cigarsmoker and golfer, Riehle played the role of Notre Dame football team chaplain in the movie "Rudy." He also starred in an adidas commercial in which he facetiously asked former Irish quarterback Joe Montana, "What have you been doing since you left the University?"

A 2003 inductee into the College Football Hall of Fame, Theismann played for the Irish from 1968-70 as a 6-0, 170-pound quarterback from South River, N.J. A first-team All-America selection as a senior in '70 by

both the Associated Press and Football News, he ended up runner-up that year in the Heisman Trophy balloting to winner Jim Plunkett of Stanford.

As a senior in '70, Theismann led the Irish to a 10-1 record and a Cotton Bowl victory over top-rated Texas with its 30-game win streak. Also an Academic All-American in '70, Theismann in 1990 was inducted into the Verizon Academic All-America Hall of Fame.

He still holds Irish all-time records for pass completions in a game (33 vs. USC in '70), passing yards in a game (526 vs. USC in '70) - and he ranked sixth all-time in career passing yards (4,411) and fifth in career TD passes (31). In his Notre Dame career, he completed 290 of 509 passes (.569) for 4,411 yards and 31 TDs. He also rushed 316 times for 1,043 yards and 16 TDs.

A fourth-round draft pick of the Miami Dolphins in the 1971 NFL Draft, Theismann went on to a Pro Bowl career with the Washington Redskins, playing in two Super Bowls and winning one in 1983. He was selected the NFL MVP in 1983 and the NFL Man of the Year in 1982. He retired from the NFL after the '85 season (he played 1974-85), having thrown for 25,206 career yards and 160 TDs and rushed for another 1,815 yards and 17 TDs.

He spent many years as an ESPN NFL analyst and also owns a restaurant in Alexandria, Va.

Theismann added another award to his trophy case recently when he was named the 2008 Davey O'Brien Legends Award recipient. The award, which was started in 2001, is given to a quarterback who has made major contributions to the game on and off the field each year.

Theismann, who also was selected as a baseball shortstop by the Minnesota Twins in the 1971 MLB draft, went north to play in the Canadian Football League and threw for more than  $6{,}000$  yards and 40 TDs in three seasons.

# NOTRE DAME AND ISP JOIN TO PRODUCE FOOTBALL RADIO NETWORK

The University of Notre Dame and ISP Sports, have approved a new, 10-year business partnership in which ISP will become the new exclusive national rights-holder for Notre Dame football radio broadcasts.

The Notre Dame-ISP relationship will begin with the 2008 season and extend through the 2017 season -- with ISP managing, producing and syndicating Notre Dame's national football radio network.

ISP, the largest collegiate-only sports marketing firm in the country, represents athletics marketing and multi-media rights for more than 40 Division I-A universities, five major conferences (including two Bowl Championship Series conferences, the BIG EAST Conference and the Atlantic Coast Conference) and two postseason football bowl games.

ISP takes over for Westwood One, which had held Irish football radio rights since 1968, originally as the Mutual Broadcasting Company.

ISP has named Ron Murphy the general manager for the Notre Dame ISP Sports Network. Murphy brings over 30 years of advertising sales and management experience, having worked for several notable companies such as CBS, Yankee Entertainment and Sports (Y.E.S.) and FOX Sports Net.

Murphy joins ISP's team of more than 250 professional sales people dedicated to the collegiate market, with relationships with more than 800 radio stations (and more than 100 television stations) around the country.

Headquartered in Winston-Salem, N.C., ISP has nearly 50 sales offices around the country. Sutton founded the company in 1992. Among ISP clients are seven ACC athletic programs (Boston College, Clemson, Florida State, Georgia Tech, Miami, Virginia Tech, Wake Forest), five from the BIG EAST (Cincinnati, Pittsburgh, South Florida, Syracuse, Villanova), five from the Southeastern Conference (Alabama, Auburn, Georgia, South Carolina, Vanderbilt) and three from the Pacific-10 Conference (California, UCLA, Washington). In 2007, the BIG EAST Conference and ISP announced a six-year agreement involving virtually all conference marketing and sales.

Notre Dame remains the only college football program to have its games broadcast on a truly national radio network of linear stations. Joe Boland, former sports director at WSBT in South Bend, originated the Irish Football Network in 1948. In 1956, the Mutual Broadcasting System first carried Notre Dame games on approximately 560 stations. From 1958-67, the ABC Radio Network carried Irish games on a similar-sized network. Mutual began carrying Notre Dame games again in 1968 (that year with 253 affiliates). Mutual eventually became Westwood One (now a publicly held company managed and partly owned by CBS Radio).

### NOTRE DAME, NBC EXTEND FOOTBALL CONTRACT THROUGH 2015

The University of Notre Dame and NBC Sports have reached agreement on a new five-year contract giving NBC the rights to televise Irish home football games from 2011 to 2015, extending the partnership between the University and network to 25 years.

A joint announcement of the extension was made on June 19 by NBC Sports & Olympics chairman Dick Ebersol, NBC Sports president Ken Schanzer and Notre Dame's president, Rev. John I. Jenkins, C.S.C.

Each season from 2011 to 2015, NBC will televise seven games at Notre Dame Stadium and an additional eighth off-site game airing in prime time.

Revenues from the NBC contract have played a key role in Notre Dame's financial aid endowment since the start of the relationship in 1991. University officers decided then to use a portion of the football television contract revenue for undergraduate scholarship endowment (not athletic scholarships). To date, some 2,400 Notre Dame undergraduate students have received nearly \$26 million in aid.

The University also has committed NBC revenues to endow doctoral fellowships in its Graduate School and MBA scholarships in its Mendoza College of Business.

The revenue generated through the NBC contract is a primary reason why Forbes magazine has recognized the substantial financial contributions made by Irish athletics to the University's academic enterprise. In a 2007 survey, Forbes reported that the Notre Dame football program returns \$21.1 million to academic initiatives, a total that is more than the survey's next five programs combined.

NBC has been televising Irish home games since 1991, and this marks the fifth of a series of five-year agreements with Notre Dame. The original agreement covered the seasons from 1991 through 1995. The first five-year extension (announced in 1994) covered 1996 to 2000, the second extension (announced in May '97) covered 2001 to 2005, and the third extension (announced in December '03) covered 2006 to 2010.

# SPECIAL DESIGNATION HOME FOOTBALL GAMES ANNOUNCED FOR 2009

The University of Notre Dame athletics department has announced the special designation home football games for the 2009 season:

Sept. 5, 2009 Nevada SENIOR ALUMNI GAME
\*Nov. 7/21, 2009 Navy/Connecticut PARENTS GAME
Nov. 7/21, 2009 Navy/Connecticut ALUMNI FAMILY

\*Please note that there have been some changes to the special designation games for 2009, as detailed below.

Notre Dame contributing alumni who graduated 35 or more years ago receive priority status on their alumni ticket application for the designated Senior Alumni game (Sept. 5 vs. Nevada). In the event that demand from senior alumni again exceeds supply, as in recent years, tickets will be allotted in descending order to the most senior alumni. For example, tickets will be assigned first to those in the 50-year club and then descending in years since graduation. It is a priority of the University to make as many tickets as possible available to the Senior Alumni population.

For 2009, parents of returning Notre Dame undergraduate students may apply for up to four tickets to each of two home football games (Nov. 7 vs. Navy and Nov. 21 vs. Connecticut). Parents will be guaranteed to receive tickets to at least one game. If you choose to apply for both parent offerings, one of your games, based on demand, will be subject to the general lottery.

The Parent games for incoming (first-year and transfer) students will be determined at a later date, based on demand and availability. Those games will be announced in June 2009.

For the designated Alumni Family games (Nov. 7 vs. Navy and Nov. 21 vs. Connecticut), contributing alumni have the option to apply for up to four tickets on their lottery application for those games only.

Minimums and qualifications apply for all contributing alumni. If you have questions about your alumni status, please contact the Alumni Files Office at 574-631-7959.

Please call the Notre Dame ticket office for more information. A detailed brochure will be sent with your application in late April. The Notre Dame ticket office can be reached at 574-631-7356, or online at www.und.com/tickets.

**USC HEAD COACH PETE CARROLL**: Energetic and charismatic eighth-year USC head football coach Pete Carroll has returned the Trojan football program to national prominence.

He is 76-14 (84.4%) in 7 years (2001-2007) as a college head coach (all at USC), the best winning percentage of any current Division I coach with at least 5 years of experience. He reached 50 career USC wins faster than any head coach in Trojan history. His losses have been by a total of 59 points (4.2 average) and only 1 was by more than a touchdown (it was by 11 points). After starting off his Trojan career 2-5, he has gone 74-9 (89.2%) with a pair of national championships (2003-04). He is 49-9 in Pac-10 games, giving him an 84.5% winning mark (a league record).

His teams have been ranked in the AP Top 25 for the past 78 games, a school record. He is 23-0 in November. He has 28 victories over AP Top 25 teams (28-7 overall, 80.0%). His teams have won an unprecedented 6 consecutive Pac-10 titles and appeared in an NCAA record 6 consecutive BCS bowls (including a pair of BCS Championship Games). His teams have recorded at least 11 victories in each of the past 6 seasons, an NCAA record, and finished ranked in the AP Top 4 in each of those seasons. USC's 13 (2004), 25 (2003-04 and 2004-05), 37 (2003-05), 48 (2002-05 and 2003-06) and 59 (2002-06, 2003-07) wins during 1-, 2-, 3-, 4- and 5-year spans represent the winningest periods in Trojan history.

Under Carroll, USC is riding winning streaks in 23 November games, 14 September games, 11 non-conference home games and 8 non-conference road games (not including 5 neutral site contests). His USC teams also had a number of other since-broken winning streaks: a Pac-10 record 35 consecutive home games, Pac-10-record 34 overall games, a Pac-10-record 27 Pac-10 games, a Pac-10 record 24 consecutive league home games, a schoolrecord 18 road games (not including 4 neutral site contests) 18 October games 16 non-conference games 16 games against AP Top 25 teams and a school-record 13 Pac-10 road games. His Trojans also set a no-longer-active NCAA record by scoring at least 20 points in 63 consecutive games. USC was AP's No. 1 team for a nationalrecord 33 straight polls (including 2 pre-season polls) and was ranked in the AP Top 10 for a school-record 63 consecutive games. He has gone 12-2 against traditional rivals Notre Dame and UCLA.

Also under Carroll, USC is the first school to have 3 Heisman Trophy winners in a 4-year span. Carroll has produced 30 All-American first teamers and 42 NFL draft picks (including 11 first rounders, with a No. 1 selection in Carson Palmer and a No. 2 in Reggie Bush). His last 6 recruiting classes have been ranked in the Top 10 nationally (including first 5 times by some experts). He also served as USC's defensive coordinator in his first 5 seasons at Trov.

have held their oppoentnts to seven points or less on six different occasions. USC opened the season with a 52-7 victory at Virginia. The topranked Trojans then returned home for a top five showdown with fifth-ranked Ohio State. USC fell behind 3-0 following the Buckeyes opening drive of the game, but scored 35 unanswered points to run away with a 35-3 rout. The Trojans then hit the road to Oregon State in hopes of avenging last season's loss in Corvallis, but the Beavers upened USC, 27-21. The Trojans have taken off since the loss to Oregon State. USC has dominated Oregon (44-10), Arizona State (28-0), Washington State (69-0), Arizona (17-10), Washington (56-0), Cal (17-3) and Stanford (45-23). USC has pitched three shutouts and allowed just five touchdowns over its last seven games.

▶ USC rallied from a 17-10 second quarter deficit to pull away from Stanford for a 45-23 victory on Nov. 15. The Trojans outscored the Cardinal 28-6 in the second half to close the scoring. Stanford was looking for its second straight shocking upset of the Trojans after upending the top-ranked Trojans a year ago in Los Angeles. USC's C.J. Gable made sure there wouldn't be a second Stanford stunner. Gable returned a kickoff 93 yards for a touchdown and ran for another score to help the sixth-ranked Trojans overcome an early deficit and avenge last year's shocking loss to the Cardinal. Mark Sanchez added two touchdown passes and Stafon Johnson ran for two scores for the Trojans, who had their season ruined a year ago when they lost as a 41-point home favorite, 24-23 to the Cardinal.

- ▶ USC enters Saturday's game with the 18th-ranked rushing offense, 34th-ranked passing offense, 16th-ranked total offense and 12th-ranked scoring offense. The Trojans are averaging 208.80 yards per game on the ground, 242.20 yards in the air, 451.00 total yards and 38.40 points per game. Gable leads the USC ground game with 574 yards (57.4 ypg), but Johnson and McKnight have added 569 and 484 yards rushing, respectiely. Gable and Johnson have each rushed for seven touchdowns. The trio has combined for 1,627 yards, 14 touchdowns and average 6.4 yards per carry. Sanchez has completed 64.8 percent of his passes (173-of-267) for 2,258 yards, 26 touchdowns and seven interceptions. Damian Williams has been the favorite target for USC quarterbacks with 38 catches, 553 yards and six touchdowns. Patrick Turner has 34 receptions for 503 yards and eight touchdowns.
- ▶ The USC defense ranks second in total defense (222.50/game), first in pass defense (132.30/game), first in scoring defense (8.30/game) and sixth in rush defense (90.20/game). The Trojans have totaled 24 sacks. Kyle Moore and Brian Cushing lead the team with 8.5 and 8.0 tackles for loss respectively.
- ▶ USC's kicking game has been handled by David Buehler. He is 7-of-8 on field goal attempts this season, including 2-of-2 from outside 40 yards. Greg Woidneck is averaging 36.8 yards per punt and has dropped 13 inside the 20-yard line.

#### NOTRE DAME VS. PAC-10

- ▶ Notre Dame is 80-41-6 (.654) all-time against teams from the Pac-10 Conference. USC represents the second of two Pac-10 opponents for the Irish in the regular season. Notre Dame already defeated Stanford, 28-21, on Oct. 4.
- ▶ The 127 games against Pac-10 teams is the second-most for the Irish against any conference. The Big Ten Conference (345) represents the most games played against Notre Dame and the ACC ranks third (108).
- ► Notre Dame has a winning series record against nine of the Pac-10 teams. Most of those games (79) have come versus USC (42-32-5), while 23 other matchups have come against Stanford.
- ▶ Notre Dame has played a handful of games versus California (4-0), Washington (7-0), UCLA (4-0), Arizona (2-1), Oregon (1-0-1) and Oregon State (0-2). Notre Dame and Arizona State met for the first time in 1998, while the Irish met Oregon State for the second time in the 2004 Insight Bowl. Notre Dame played its first-ever game against Washington State in 2003, downing the Cougars, 29-26, in overtime.
- ▶ Notre Dame has posted a 32-24-5 (.566) record against Pac-10 opponents on the road.

### **NOTRE DAME - USC SERIES NOTES**

- ▶ Notre Dame and USC will be meeting for the 80th time. The Irish lead the all-time series 42-32-5 overall, but the Trojans own a 20-17-4 advantage in games played in Los Angeles. The teams have met twice at a neutral site (Soldier Field in Chicago) in 1927 and 1929.
- ▶ Notre Dame's 42 wins over USC are the most for any Trojan opponent. California is second with 30 wins over USC.
- ▶ The Irish compiled an unbeaten streak of 13 games against USC from 1983-1995. The Irish won 11 straight games from 1983-93, but a 17-17 tie in 1994 (at USC) ended the streak. Notre Dame won in 1995 and a Trojan 27-20 overtime victory in 1996 (Lou Holtz's final game as Irish coach) ended the 13-game unbeaten run.
- ▶ From 1965 to 1982, either Notre Dame or USC was ranked in the top 20 entering the game. In fact, both teams were ranked in the top 20 in each series meeting from 1972-79. In that eight-year span, USC compiled a 6-2 record, but the two Notre Dame victories (1973, 1977) marked national championship seasons for the Irish.
- ▶ It's not unheard of that a national title be at stake for one of the combatants in this rivalry. Seven times Notre Dame has entered the USC game with a shot at a national crown, only to be defeated (1938, 1948, 1964, 1970, 1974, 1980 and 2006) and an eighth chance was damaged by a tie in 1948. Notre Dame ruined USC's national title dreams three times: 1947 (38-7), 1952 (9-0) and 1988 (27-10).
- ▶ USC's current six-game win streak against Notre Dame is the longest by the Trojans in the series. The Trojans' won five straight from 1978-1982.
- ▶ Notre Dame is 1-4 in its last five games against USC in Los Angeles. The Trojans have entered the game at USC ranked no worse than sixth in the country over the last three meetings.
- ▶ At least one team has been ranked in the AP Top 25 in 61 of the 69 (88 percent) meetings since 1936 (the first season of AP national rankings), while both teams have been ranked a total of 28 times.

Jay Soward's 23 career receptions; Anthony Davis' six TDs and 36 points in 1972 (both are USC records and tied for Pac-10 records), in addition to 11 career TDs and 68 career points from 1972-74; John Jackson's 14 receptions in 1989 is tied with two others; Dwayne Jarrett's three touchdown receptions in 2006 is tied with three others, his five career touchdown ratches and 335 career receiving yards stand alone; Eric Hipp's six extra points in 1979; Don Schafer's 60-yard FG in 1986 (USC record); Adrian Young's four INTs in 1967 (also the USC record and tied for Pac-10 record); Anthony Davis' 100-yard kickoff return is tied with three others; and Vern Lillywhite's 83-yard punt in 1946.
- $\blacktriangleright$  USC's 425 passing yards in 2002 and five touchdown passes in 2002 are Irish opponent records.

### IRISH - TROJANS SERIES HISTORY

- ▶ This rivalry began in 1926, when legendary Irish head coach Knute Rockne became the first Midwestern coach to take a team to the West Coast (Notre Dame won that game, 13-12) and the teams have meet every season since (taking 1943-45 off due to travel restrictions during World War II).
- ▶ Notre Dame has won eight Associated Press national titles while USC has won five.
- ▶ The Irish have been selected as a national champion by at least one legitimate poll in 19 seasons, USC lists 16 such campaigns.
- ▶ Notre Dame began the 2008 season second on the all-time winning percentage and total victories lists. USC was not far behind in eighth and 10th place, respectively.
- ▶ Instantly recognizable coaches have stalked the sidelines for each team. Knute Rockne, Frank Leahy, Ara Parseghian, Dan Devine, Lou Holtz and Charlie Weis for Notre Dame. Howard Jones, John McKay, John Robinson and Pete Carroll for USC.

#### ON THIS DATE

Notre Dame has played nine previous games in its history on Nov. 29. The Irish are 8-1 all-time on this date. The Irish have recorded three shutouts on Nov. 29.

**Nov. 29, 1986**: Lou Holtz's first foray into the Notre Dame-USC rivalry was a successful one, as the Irish rallied back from a 20-9 halftime deficit. Notre Dame trailed 30-12 early in the third quarter before Steve Beuerlein started hitting his stride. He hit Braxston Banks with a 22-yard TD pass, Milt Jackson for 43 yards and Banks for five yards to cut it to 37-35. Tim Brown's 56-yard punt return then put John Carney in position to cap the comeback with a 19-yard field goal with two seconds left.

**Nov. 29, 1997:** Scott Cengia kicked a 20-yard field goal with five seconds remaining to give Notre Dame a 23-22 victory over Hawaii. The Irish grabbed a 7-0 lead on Allen Rossum's 37-yard interception return for touchdown. It marked his ninth career touchdown return (three kickoff, three punt and three interception), which set an NCAA record for career touchdown returns.

## NOTRE DAME-USC CONNECTIONS

- ▶ The winner of the game keeps a shillelagh (presented by the Notre Dame Club of Los Angeles), with shamrocks representing Notre Dame victories and rubies Trojan heads standing for USC wins (each is engraved with the year and final score). The original foot-long shillelagh was flown from Ireland by Howard Hughes' pilot, according to legend, and was introduced in 1952 (although the medallions date back to the start of the series in 1926). When the original shillelagh ran out of space after the 1989 game, it was retired and is permanently displayed at Notre Dame. A new shillelagh, slightly larger than the original, was commissioned by Jim Gillis, a former baseball player at both USC and Notre Dame and onetime president of the Notre Dame Club of Los Angeles. The new trophy was handcrafted in 1997 in County Leitrum, Ireland, and contains medallions beginning with the 1990 game.
- ▶ Notre Dame women's volleyball head coach Debbie Brown was twice named the national player of the year while helping USC win the 1976 and 1977 national championship in women's volleyball.
- ▶ Notre Dame's roster features 10 players from the state of California. USC's roster does not have a player from Indiana.
- ▶ Notre Dame head coach Charlie Weis (15 years) and USC head coach Pete Carroll (16 years) each spent much of their career in the NFL ranks. Weis coached with the New York Giants, New England Patriots and New York Jets, while Carroll worked with the Buffalo Bills, Minnesota Vikings, New York Jets and New England Patriots.
- ▶ While each spent time with the Jets (Weis three years, Carroll five years) and Patriots (Weis a total of nine years over two stints, Carroll three years), the two never worked on the same staff.
- ▶ The two did face one another on a total of 11 occasions through their respective tenures in the NFL.
- $\blacktriangleright$  Freshman LB **Anthony McDonald's** father, Mike, played at USC and was a long snapper for the L.A. Rams in the NFL.
- ▶ A number of players from USC and Notre Dame either attended the same high school or hail from the same hometown.

## The Last Meeting #13 USC 38, Notre Dame 0 Oct. 20, 2007

**NOTRE DAME, Ind (AP)** -- Mark Sanchez threw four touchdown passestwo on short drives after miscues by the Fighting Irish - and No. 13 USC beat the Fighting Irish 38-0 Saturday, the largest margin of victory for the Trojans' in the 79-game history of the stories rivalry.

Notre Dame can still claim the most-lopsided victory in the history of the series, a 51-0 win over the Trojans in 1966.

The Irish also lost 38-0 to Michigan earlier this season. The two 38-point losses are tied for the eighth worst losses in Notre Dame history.

Sanchez threw TD passes of 10, 8, 5 and 48 yards and the Trojans won their sixth straight over the Irish, the longest streak for USC against Notre Dame. The Irish won 11 straight from 1983-93.

USC (6-1), coming off three lackluster games - including a stunning 24-23 loss to Stanford - started slowly, but got rolling when a punt by Notre Dame's Geoff Price struck teammate Munir Prince and USC's Vincent Joseph recovered at the Irish 10. The Trojans scored on the next play on a pass from Sanchez to Fred Davis.

The loss ensures Notre Dame its 13th losing season since it started playing football in 1887, and its fourth losing season since 1999. It also is the fourth straight home loss, tying a school record.

The game was competitive for a while. The Trojans, who got back many players who had been out with injuries, didn't go ahead 14-0 until Allen Bradford caught an 8-yard TD pass with 3:55 left in the second quarter. The Trojans went ahead 17-0 with 11 seconds left in the half on a 30-yard field goal by David Buehler.

USC quickly turned it into a blowout in the second half after Travis Thomas fumbled on the Notre Dame 13. Sanchez threw a 5-yard scoring pass to Stanley Havili.

Vidal Hazelton scored a 48-yard touchdown, catching the pass from Sanchez at the 30-yard line and breaking three tackles en route to the end zone. Joe McKnight scored on a 51-yard run in the fourth quarter.

The game was a stark contrast to the classic two years ago when topranked USC beat ninth-ranked Notre Dame 34-31 in the closing seconds as the teams traded great plays in the final minutes.

The closest Notre Dame came to scoring came in the second quarter when David Bruton caught the ball off Woidneck's foot at the USC 29. The Irish managed only 6 yards on the drive and Brandon Walker's 40-yard field goal attempt was blocked by Clay Matthews.

The Irish were held to 48 yards rushing on 30 carries, although those stats were slightly skewed because Evan Sharpley was sacked five times for a loss of 36 yards. The Irish have now given up a school record 39 sacks -- one more than in 2002 -- and still have four games left to play.

Sanchez, making his second start for the injured John David Booty, got off to a bit of a shaky start as he had to call timeout twice during the first four plays because of confusion. But he showed his calm even when things didn't go well and was 21-of-38 passing for 235 yards with no interceptions or sacks.

Sharpley, making his first start in place of freshman Jimmy Clausen, was 17-of-33 passing for 117 yards.

USC had 462 yards total offense compared with 165 yards for Notre Dame. The Trojans, who have been struggling with injuries, got back several key players who had missed time, including tailback Stafon Johnson, who rushed for 47 yards on eight carries.

The Irish wore green jerseys and yellow pants that were replicas of what the 1977 wore when 1 lth-ranked Notre Dame, with Charlie Weis in the stands as a college senior, warmed up in blue then came out for the game in the brightly colored garb and upset No. 5 USC 49-19. The Irish continued to wear the uniforms the rest of the season en route to winning the national championship.

## The Last Meeting in Los Angeles #3 USC 44, #6 Notre Dame 24 Nov. 26, 2006

 ${\bf LOS}$   ${\bf ANGELES}$  (AP) -- No need for any last-second heroics to beat Notre Dame this year.

Southern California's John David Booty passed for 265 yards and three TDs to Dwayne Jarrett as USC whipped the sixth-ranked Fighting Irish 44-24 Saturday night and likely leapfrogged Michigan in the race for the national championship.

No. 3 USC contained Brady Quinn, the Irish's Heisman Trophy contender, and put together a performance that should boost its Bowl Championship Series standing. The Trojans were a close third behind the Wolverines last week.

"I think we're a pretty good team right now," USC coach Pete Carroll said. "We'll play anybody, any where."

Should the Trojans (10-1) beat UCLA (6-5) at the Rose Bowl next weekend, they'll probably play top-ranked Ohio State in the BCS title game Jan. 8 in Glendale, Ariz. USC has beaten its crosstown rivals seven straight times. And now the Trojans have won five straight against Notre Dame (10-2).

The Trojans played in the BCS title game the past two years - winning one and losing one - and earned a piece of the national championship three years ago after being bypassed for the title game.

"It was really a fun night of football," Carroll said. "For the most part, we felt in command in the game. The offense was ripping, it was just an extraordinary night for Dwayne Jarrett, he made the plays great players make."

Booty, who completed 17-of-28 passes and was intercepted twice, watched from the sideline when the Trojans beat the Irish 34-31 at Notre Dame last year on Matt Leinart's 1-yard sneak with three seconds remaining.

Jarrett, whose 61-yard reception on a fourth-and-9 play kept that final drive in South Bend alive, caught scoring passes of 9, 5 and 43 yards from Booty, who succeeded Leinart as USC's quarterback. The 43-yarder came with 8:21 remaining and gave the Trojans a 37-17 lead.

"We didn't win on special teams. We didn't win on offense. We didn't win on defense," Irish coach Charlie Weis said. "We're fighting an uphill battle most of the night. It wasn't very productive."

Jarrett finished with seven receptions for 132 yards and USC freshman C.J. Gable rushed for 107 yards on 20 carries.

"At the beginning of the year, we were the only ones that believed in ourselves," Jarrett said. "A lot of media guys and whoever they might be said we were going to lose, SC was struggling. We were the only ones that believed in ourselves."

USC lost 33-31 at Oregon State on Oct. 28. Since then, the Trojans have outscored the opposition 144-43.

"I think it was kind of good for us in a way, it was kind of a wake-up call," Jarrett said of the loss. "We're so used to winning. It was a reality check for us, just to get our act together."

Quinn threw a 2-yard scoring pass to Jeff Samardzija with 3:39 left, but Brian Cushing returned the ensuing onside kickoff 42 yards to put an exclamation point on the victory.

Quinn, playing his final regular-season game, completed 22 of 45 passes for 274 yards and three touchdowns with no interceptions. He also rushed for 74 yards - most of it on a 60-yard scramble in the second quarter.

Rhema McKnight caught six passes for 109 yards and one touchdown and Jeff Samardzija had six receptions for 79 yards and one TD.

The three Notre Dame stars - all seniors - leave school having never beaten USC.

The win before a crowd of 91,800 at the Los Angeles Coliseum was the Trojans 55th in their last 58 games. They're 20-0 in November games under coach Pete Carroll, and have won 33 straight home games.

The loss snapped an eight-game winning streak for Notre Dame, but the Irish still figure to play in a big-money bowl game.

The Trojans moved 65 yards with the second half kickoff, scoring on a 2-yard run by Chauncey Washington for a 28-10 lead. Washington's 5-yard run on fourth-and-1 from the Notre Dame 30 kept the drive alive, and Jarrett made a one-handed catch for a 19-yard gain on the next play.

The Irish drew within 11 points late in the third period on a 2-yard pass from Quinn to McKnight on fourth-and-goal. It was McKnight's 15th touchdown reception this season, tying the school record set by Samarzdija last season.

The Trojans extended their lead to 31-17 on Mario Danelo's 34-yard field goal early in the fourth quarter.

USC scored on its first three possessions and led 21-10 at halftime. It might have been closer had the Irish not failed to convert three fourth-down plays in USC territory.

Quinn threw a 38-yard pass to McKnight on the game's first play, but Quinn's pass to McKnight on fourth-and-9 from the USC 29 was incomplete. The Trojans then moved 71 yards, scoring on a 9-yard pass from Booty to Jarrett.

USC forced a punt, and Desmond Reed, who tore up his knee in last year's game at Notre Dame, returned it 43 yards to the Irish 26. Booty threw a 5-yard TD pass to Jarrett three plays later.

Notre Dame's Carl Gioia kicked a 27-yard field goal, but Booty's 1-yard run capped a 59-yard drive, putting the Trojans ahead 21-3. That made it an NCAA-record 63 straight games in which USC has scored 20 or more points.

The Trojans' next three possessions were as negative as the first three were positive -  $\alpha$  blocked punt and two interceptions.

Quinn threw a 7-yard touchdown pass to Marcus Freeman on the first play after Steve Quinn blocked Greg Woidneck's punt

## Notre Dame 21, San Diego State 13 Notre Dame, Ind. (Notre Dame Stadium) Sept. 6, 2008

**NOTRE DAME, Ind. (AP)** - Jimmy Clausen threw a 38-yard touchdown pass to Golden Tate moments after Notre Dame forced San Diego State to fumble in the end zone and the Fighting Irish rallied for a 21-13 victory on Saturday.

San Diego State (0-2), a 21-point underdog which lost to an FCS team last week, appeared to be on the verge of an upset early in the fourth quarter.

Brandon Sullivan was inches away from a 4-yard touchdown run and a two-score lead for the Aztecs. But safety David Bruton jarred the ball loose and recovered it in the end zone to help the Irish (1-0) avoid an embarrassing loss.

Clausen was 5-of-5 passing for 76 yards on the ensuing drive to rally the Irish to victory. Clausen added a game-clinching 6-yard TD pass to David Grimes with 2:08 left.

Clausen, who also had a 22-yard TD pass to freshman Michael Floyd late in the first half, was 21-of-34 passing for 237 yards with two interceptions.

Ryan Lindley carried San Diego State's offense, completing 29-of-59 passes for 274 yards with one interception and scoring a touchdown on a 1-vard keeper.

The Irish defense made its share of mistakes. Defensive captain Maurice Crum was called for a flagrant pass interference, then three plays later on a late hit on the quarterback to keep a drive alive, although the Aztecs still didn't score.

San Diego State did finally score, though, after Lindley connected with a Darren Mougey on a 43-yard pass play. Mougey, who had five catches for 97 yards, was wide open at 30 and was tackled at the 1 by Bruton. Lindley scored a play later on a keeper.

The Aztecs went ahead 13-7 midway through the third quarter on an 80-yard scoring drive with Lindley completing 6 of 7 passes for 49 yards, capped with a 15-yard pass to a diving Mougey in the back of the end zone. Lance Yoshida's point-after attempt bounced off the right upright.

Notre Dame coach Charlie Weis said he wanted the Irish to pound the ball, but they struggled against a makeshift San Diego State defensive line that had linebacker Russell Allen playing end because of injuries.

On third-and-1 from the 35-yard line, Hughes was stuffed for a 4-yard loss by a blitz by Laolagi. Armando Allen was crushed by safety Corey Boudreaux at the end of a 22-yard run and fumbled.

The Irish finished with 105 yards on 34 carries.

The crowd of 80,795 was the sixth largest the Aztecs had ever played before. They have lost all six games, although they have had other close calls, losing 24-21 at No. 17 Michigan in 2004 and 16-13 at No. 2 Ohio State in 2003.

Playing before its 200th straight sellout crowd and for the 400th time in Notre Dame Stadium, the Irish improved to 299-96-5 in the House that Rockne Built.

## Notre Dame 35, Michigan 17 Notre Dame, Ind. (Notre Dame Stadium) Sept. 13, 2008

NOTRE DAME, Ind. (AP) - A busted up knee could hardly put a damper on this day for Notre Dame coach Charlie Weis.

"We definitely showed up against a good opponent and it's sweet," said Weis, on crutches most of the game after tearing the ACL and MCL in his left knee Saturday when he was hit in the second quarter along the sideline. "This was a big win for our program and our kids."

Ripping a page out of the playbook that Michigan used for consecutive wins over the Irish the past two seasons, Notre Dame took advantage of mistakes by the Wolverines to jump to a three-touchdown lead. Michigan coach Rich Rodriguez said his team's six turnovers too much to overcome.

"I don't think we're that far off. We've just got to play better," he said. "I've said it many times, we're not good enough to play poorly and win. We're not right now."

Jimmy Clausen, who was sacked eight times by the Wolverines last year, was 10-of-21 passing for 147 yards with two touchdown passes, two interceptions and he wasn't sacked. Robert Hughes ran for two touchdowns for the Irish.

After losing 38-0 and 47-21 to the Wolverines the past two seasons, Clausen said the victory Saturday was big.

Weis was hurt when Irish defensive end John Ryan, who is 6-5, 264 pounds, was blocked and crashed into Weis in the leg. The coach was looking in the other direction because the ball carrier had run past him.

"Tommy Brady's got nothing on me," Weis joked afterward about the injured New England Patriots' quarterback.

Weis will have surgery on his knee in the next few days.

"I feel like an athlete. First time in my life," he said.

The Irish scored their first two touchdowns off turnovers and went ahead 21-0 in the first quarter.

"Neither one of us, is really built at this time to play from behind in a significant margin," Weis said.

"Because the question was for everyone. It wasn't just for media. It was for coaches, it was for players, for everyone. Where are we going to go from here?" he said.

Linebacker Brian Smith, who returned a fumble recovery 35 yards for the only touchdown of the second half early in the fourth quarter, said the Irish showed they are an improved team.

"Last year at Michigan, we were embarrassed as a team. We remembered that as we were training and getting ready for the season," Smith

The victory came on the same day Notre Dame honored former coach Lou Holtz by dedicating a statue of him before the game. Members of his 1988 national team, Notre Dame's last title winner, also were on hand for the victory.

"Today it was not Lou, it was not the '88 team, it was those guys in that locker room stepping up and earn the respect that (senior linebacker) Mo Crum was talking about last night at the pep rally," Weis said. "We had a bunch of guys that stepped up and said we want to make a statement that Notre Dame's not just some garbage school out there."

This year it was the Wolverines who left the game wondering where they go from here.

"Michigan football will be back," Rodriguez said. "All the naysayers out there, I'm disappointed but I'm not discouraged. Michigan football will be back."

The second half was played in a steady rain as the Wolverines made four of their six turnovers.

"You can't blame the conditions," said Steven Threet, who was 16-of-23 passing for 175 yards and a touchdown with no interceptions for Michigan.

Sam McGuffie ran for 131 yards on 25 carries and had four catches for 47 yards and a touchdown. The Wolverines moved the ball better than they did in their first two games in Rodriguez's spread offense. They just couldn't hold on to it.

"I don't think we're that far off. We've just got to play better. I've said it many times, we're not good enough to play poorly and win," he said. "We're not right now."  $\,$

# Michigan State 23, Notre Dame 7 East Lansing, Mich. (Spartan Stadium) Sept. 20, 2008

**EAST LASING, Mich. (AP)** - Javon Ringer ran for 201 yards and two touchdowns on 39 carries, carrying Michigan State to a 23-7 win over Notre Dame on Saturday.

Michigan State (3-1) took a 13-0 lead into the fourth quarter, then sealed the victory by handing off to Ringer on all seven plays of a 77-yard drive that he capped with his second score with 2:16 left.

The Irish (2-1) turned the ball over three times and missed two field goals, hurting their chances of starting 3-0 for the first time since 2002 and the second time in 12 years.

Jimmy Clausen was 24-of-41 for 242 yards with a TD and two interceptions, one in the end zone on a play that was overturned by a video review.

Clausen was sacked three times - after not being sacked once in the first two games - and was hurried and hit numerous times. Brandon Long was credited with  $2\ 1/2$  sacks.

Michael Floyd caught a 26-yard TD pass early in the fourth quarter, getting Notre Dame within six points, after fumbling at the Michigan State 20 early in the third.

Brandon Walker missed two field goals. A 51-yard kick sailed right in the second quarter and a 41-yard kick went left after a high snap with 5:50 to go in the game, ruining a chance to get within six.

Notre Dame coach Charlie Weis was on the sideline without crutches, wearing a brace under his blue slacks that protected his right knee that was injured in last week's win over Michigan.

Ringer led the nation with nine touchdowns and 104 carries after three games, coming off career highs with 43 carries and 282 yards in a shutout win over Florida Atlantic. He took another step toward stardom with his performance against an Irish team geared to stop him and his highlight of the day was a 63-yard run that set up his second TD.

The Spartans got off to a good start, limiting Notre Dame to minus-5 yards on its first two drives and kicking a field goal on their opening possession.

Clausen's up-for-grabs pass in the end zone to a double-covered Duval Kamara was ripped away by safety Otis Wiley on Notre Dame's third drive. It was originally ruled incomplete but overturned by replay.

Clausen threw another poor pass in the second quarter and it was picked off by Wiley at the Notre Dame 22, setting up Ringer's first TD.

Brett Swenson kicked his second field goal with in the third quarter, putting the Spartans ahead 13-0. That proved to be enough scoring for the Spartans, who have won three straight after losing the opener at California

# Notre Dame 38, Purdue 21 Notre Dame, Ind. (Notre Dame Stadium) Sept. 27, 2008

 ${f NOTRE\ DAME,\ Ind.\ (AP)}$  - Notre Dame's offense answered coach Charlie Weis' challenge.

The Fighting Irish put together their most productive third quarter of the season, scoring three touchdowns behind Jimmy Clausen's passing and Armando Allen Jr.'s running, in a 38-21 victory over Purdue on Saturday.

Note Dame hadn't scored in the third quarter this season and were tied 14-14 with Purdue at halftime.

"Basically I told them, "This is the most important drive of the season here," Weis said of the opening drive of the second half. "Because that game could have gone either way at that point."

Notre Dame (3-1), which entered the game averaging 78 yards rushing a game rushing, ran for 90 yards in the third quarter against Purdue (2-2)

Allen Jr., who ran for a career-high 134 yards on 17 carries, had a 21-yard run to set up his 16-yard TD run. He then had two runs of 21 yards on the next possession to help set up Notre Dame's next score, a 5-yard pass from Clausen to Kyle Rudolph.

Clausen passed for a career-high 275 yards and three touchdowns. When Purdue cut the lead to one touchdown on a 54-yard TD pass from Curtis Painter to Desmond Tardy, the Irish answered with a 30-yard TD from Clausen to David Grimes.

"The response they had in the third quarter was probably the probably the most significant part of this football game," Weis said.

Tardy had 10 catches for 175 yards.

The Irish ran for 201 yards on 40 carries. Purdue coach Joe Tiller said because of his team's lack of depth at linebacker he wasn't surprised to see the Irish run the ball so often.

"We played an awful lot of nickel defense, and if I'm coaching against a team that's going to play nickel all the time, I'm going to run it. At least I'm going to run it more than I normally run," he said.

The Boilermakers fell to 1-15 at Notre Dame Stadium since 1976. The loss also left Tiller, who is retiring after the season, with a 5-7 record against the Irish. Purdue had lost 11 straight to Notre Dame before Tiller arrived.

Allen, who had run for 71 yards on 24 carries coming into the game, had the five longest runs of his career.

"I said, 'Where you've been?" Weis said.

Allen said, "It feels great to go out there and prove to people what I'm capable of."  $\,$ 

Irish guard Eric Olsen said it wasn't surprising.

"He has great vision, and for his size, he has great power," Olsen said. "When he gets his legs churning it's hard to bring him down."

Clausen's previous career-high was 246 yards passing against Air Force. Michael Floyd added six catches for 100 yards and Golden Tate caught a touchdown pass.

Weis said Clausen made good decisions and threw the ball away when he needed to.

"It seemed like every ball we had a chance of making a play on. I thought he had a good day," Weis said.

Clausen, using a no-huddle offense, was 20-of-35 passes with no interceptions

"I know I'm capable of doing stuff like this, it was just a matter of time and preparation and practice," Clausen said.

Purdue linebacker Anthony Heygood said the Boilermakers just gave up too many big plays.

"We're a talented defense and we know we can play much, much better than we did today," he said.

Painter was 29-of-55 passing for 359 yards and two touchdowns for Purdue as he kept the Irish off balance in the first half. But the Irish defense came up with some big plays, including a 47-yard interception return by cornerback Robert Blanton.

"We missed some opportunities early," Painter said. "We got behind a team that was doing some things well and really had to take advantage of those opportunities."

Weis said the win was big for the Irish.

"The confidence continues to grow," he said. "I'd say it's huge."

## Notre Dame 28, Stanford 21 Notre Dame, Ind. (Notre Dame Stadium) Oct. 4, 2008

**NOTRE DAME, Ind. (AP)** - Jimmy Clausen threw for a career-high 347 yards and three touchdown passes and Notre Dame held on for a 28-21 victory over Stanford on Saturday.

Notre Dame's seventh straight victory over the Cardinal (3-3) looked as if it was going to be a rout when the Fighting Irish (4-1) were up 28-7 in the fourth quarter.

Stanford made a late run behind Tavita Pritchard. He threw a 1-yard pass to Jim Dray and a 10-yard TD pass to Doug Baldwin with 6 minutes left to close to within a touchdown.

The Cardinal got the ball back on their own 2 with 3:34 left, but couldn't mount a drive. They had one last chance with 8 seconds left, but fumbled the ball and Pat Kuntz recovered to end the game.

The Irish won their fifth straight home game. The Cardinal haven't won at Notre Dame Stadium since 1992.

It was the second straight career-best performance for Clausen, who threw for 275 yards a week earlier against Purdue. He was much more efficient against the Cardinal, however, completing 29-of-40 passes with no interceptions. He had a 21-yard touchdown pass to Armando Allen Jr., a 48-yard scoring pass to Michael Floyd and a 16-yard TD pass to Kyle Rudolph.

Floyd had five catches for 115 yards for the Irish and Allen had seven catches for 66 yards and also scored on a 3-yard run as the Irish were held to 83 yards rushing. The 29 completions also were a careerhigh for Clausen.

After rushing for 107 yards in the first quarter, Stanford managed just 22 yards running in the second and third quarters. The Cardinal finished with 161 yards rushing on 37 carries, led by Toby Gerhart's 104 on 13.

Pritchard was 18-of-28 passing for 182 yards, including 10-of-11 for 106 yards and two touchdowns in the fourth quarter. Gerhart, who left the game last week against Washington with a mild concussion, scored on a 1-yard TD run.

The Cardinal were slowed in the first half by three interceptions thrown by Pritchard and eight penalties for 51 yards.

The Irish took control with two second-quarter touchdowns, sandwiched around an interfering with a fair catch call, to move ahead 21-7. On the first drive, Clausen completed 5-of-6 passes for 65 yards and a pass interference call put the ball on the 2. Allen then raced between two Cardinal defenders to give the Irish a 14-7 lead.

The Irish defense then held Stanford to a three-and-out. On the punt, Allen signaled a fair catch and raced up to catch it, but Nate Wilcox-Fogel got in the way. The ball hit Allen and Stanford's Will Powers picked it up and began running for the end zone, but officials called the interference penalty.

Stanford coach Jim Harbaugh was irate, throwing down his play card and tossing his hat, because he thought Wilcox-Fogel was blocked into Allen.

The Irish got the ball on the Stanford 48. On third-and-8, Clausen threw a long pass that Floyd caught at the 5 and ran in untouched after Stanford cornerback Wopamo Osaisai fell, giving the Irish a two-touchdown lead. The Irish made it 28-7 on Rudolph's TD catch.

Stanford moved the ball well on its first three possessions, but the first two ended in interceptions by David Bruton and Kuntz. The Irish defense, which entered the game with one sack in four games, had five against the Cardinal

## #22 North Carolina 29, Notre Dame 24 Chapel Hill, N.C. (Kenan Stadium) Oct. 11, 2008

**CHAPEL HILL, N.C. (AP) -** Cameron Sexton scored on a leaping 4-yard keeper to start the fourth quarter, Quan Sturdivant returned an interception for a touchdown and No. 22 North Carolina rallied to beat Notre Dame 29-24 on Saturday.

Ryan Houston scored on a short run for the Tar Heels (5-1), who are off to their best start since winning the first eight games of the 1997 season. Hakeem Nicks added nine catches for 141 yards and freshman walk-on Casey Barth kicked three field goals, helping North Carolina rally from an 11-point first-half deficit and beat the Fighting Irish for just the second time in 18 meetings.

This one came down to a wild finish, with the Irish (4-2) reaching North Carolina's 7-yard line in the final seconds before officials ruled after a review that receiver Michael Floyd fumbled the ball after a catch. Trimane Goddard recovered the ball, giving it back to North Carolina for a joyous kneel-down with 3 seconds left.

Jimmy Clausen threw for 383 yards and two touchdowns for Notre Dame, which moved the ball all day against and led 17-9 at the break before committing four second-half turnovers. Notre Dame finished with 472 yards and converted 10 of 16 third downs.

Sexton, the one-time third stringer filling in for injured starter T.J. Yates, threw for 201 yards. But he made his biggest play with his feet, scrambling right on third down and jumping through a hit from Kyle McCarthy at the goal line for the 29-24 lead with 14:55 to play.

The Tar Heels found a way to keep moving forward despite going most of the way without big-play receiver and returner Brandon Tate, who sprained his right knee in the first quarter. Nicks picked up the slack with another big day against the Fighting Irish after tallying six catches for 171 yards and a score against them two years ago. Converted safety Shaun Draughn added his second straight solid game, finishing with 91 yards on 17 carries.

Clausen looked sharp most of the day behind a line that gave him plenty of time to throw. But the sophomore made three costly second-half mistakes that helped the Tar Heels seize momentum after trailing the entire first half.

It started when Sturdivant jumped in front of Kyle Rudolph for the pick on Clausen's first pass and returned it 32 yards for the touchdown to cut it to 17-16. Later in the period, Aleric Mullins stripped Clausen of the ball and recovered the fumble to set up the Tar Heels' go-ahead drive

Then, after the Irish had driven to North Carolina's 36-yard line with about 5 minutes left, Deunta Williams picked off Clausen on the right side, giving the ball back to the Tar Heels for a drive that took 3 minutes off the clock.

Once Notre Dame got the ball back at its own 18 with 1:47 to play, Clausen guided one more drive, pushing to North Carolina's 33-yard line with 11 seconds left before finding Floyd over the middle on what turned out to be the Irish's final play.

## Notre Dame 33, Washington 7 Seattle, Wash. (Husky Stadium) Oct. 25, 2008

**SEATTLE (AP)** - Junior James Aldridge ran for 84 yards and a careerhigh two touchdowns and the Notre Dame defense handled Washington in a 33-7 victory on Saturday night.

Washington's score with 2:56 left prevented its first shutout loss at home since 1976.

Notre Dame (5-2) led 24-0 late in the third quarter and faced fourthand-13 at its own 37.

Harrison Smith took a direct snap on a fake punt and ran 35 yards to set up the second field goal of the game by Brandon Walker.

As the crowd booed, coach Tyrone Willingham remained stoic on the sideline.

The Huskies' offense, with redshirt freshman quarterback Ronnie Fouch making his third career start, did not cross midfield until 6 minutes remained. It had just 51 total yards on 35 plays entering the fourth quarter

Washington (0-7) finished with 124 total yards against a defense that was allowing an average of 368 yards, 75th nationally.

The Huskies remain one of only two winless teams in the Bowl Subdivision, with North Texas.

The Irish looked rusty on offense following its bye, with quarterback Jimmy Clausen frustrated and often misfiring. He did complete 14 of 26 passes for 201 yards, with a 51-yard touchdown pass to Michael Floyd on the game's first series, and an interception.

Notre Dame improved to 7-0 against Washington. The Irish have won both times they've met a former non-interim head coach. The other time was in 2005, another rout of Willingham and the Huskies in Seattle.

Willingham, fired by Notre Dame after going 21-15 in three seasons, is 11-32 in three-plus seasons at Washington. The Huskies are off to their worst start since beginning 0-9 in 1969.

The Irish took a 17-0 lead 4 minutes into the second quarter, on Walker's third field goal in nine tries this season.

The Huskies were outgained 238-38 and had just 5 yards passing in the first half.

Quarterback Jake Locker again watched helplessly on the sideline, wearing a sweatshirt and a knit cap. The sophomore is out indefinitely with a broken thumb.

Notre Dame needed just five plays after halftime to make it 24-0, after a 33-yard pass from Clausen to Golden Tate and a 4-yard touchdown run by Aldridge.

Clausen missed on 10 of his first 16 passes against a team ranked last in the nation in pass efficiency defense. Two potential touchdown passes landed in front of the feet of his receivers in the end zone. Clausen also threw wide of an open Robby Parris on fourth-and-18 late in the first half

Clausen had another interception, by Nate Williams deep in Huskies territory, erased because officials called cornerback Vonzell McDowell for pass interference. The Irish scored three plays later on a 21-yard run by wide receiver Tate on an end-around. The sophomore's first career rushing score made it 14-0.

## Pittsburgh 36, Notre Dame 33 (40t) Notre Dame, Ind. (Notre Dame Stadium) Nov. 1, 2008

**NOTRE DAME, Ind. (AP)** - Coming off  $\alpha$  disappointing loss, Pittsburgh didn't flinch when Notre Dame scored  $\alpha$  pair of touchdowns 83 second apart to open a 14-point halftime lead.

Pitt scored on its opening drive after halftime and the Panthers' defense held the Irish to 7 yards on 10 plays in the third quarter.

Then the Panthers scored twice in the fourth quarter, tying it each time, before Conor Lee kicked his school-record fifth field goal in the fourth overtime to lead Pitt to a 36-33 victory on Saturday.

"I can't describe the heart our football team has," Pitt coach Dave Wannstedt said. "They never came unglued. As many adverse things that happened in the game, turnovers and so forth, nobody ever folded, nobody ever lost their poise, lost their confidence."

Although Lee, a senior, is one of the nation's top kickers, the final 22-yard kick was the first game-winning field goal of his career.

"It's something I think every kicker wants to have happen," Lee said.
"I was like, 'I guess I won the game. Time to celebrate."

The Panthers, who haven't been to a bowl since the 2004 season, are now bowl eligible and a victory shy of giving Wannstedt his first winning record in four seasons.

"To sum it up, we get in overtime, you don't score touchdowns, you know sooner or later something bad can happen," Notre Dame coach Charlie Weis said.

Neither team could get into the end zone in OT, and Lee won the kicking contest.

Notre Dame's Walker, who started the season by making just 1-of-7 field goals, made his first four attempts to run his consecutive made field goal streak to seven. But his 38-yard attempt narrowly missed wide left in the fourth overtime, giving Pitt a chance to kick its way to a win.

Weis said he told Walker afterward not to blame himself, telling him: "I could give 50 plays right now that would have made a difference."

LeSean McCoy, who rushed for a season-high 169 yards on 32 carries, set up the game-winner with an 18-yard run as the sophomore reached 1,000 yards for a second straight season. Wannstedt said McCoy's performance was especially important with starting quarterback Bill Stull out with a concussion he sustained against Rugers.

McCoy had just 5 yards on three carries in the first half and 68 yards at the end of the third quarter.

"The best thing that he did today was that he showed toughness at the end," Wannstedt said.

McCoy, who had his fifth straight 100-yard game, said he was hurrying things early in the game, but finally relaxed. "I kind of let all this hype and Notre Dame just get to me, and I just settled down," he said.

Pitt forced the overtime when they tied the score at 24 with 2:22 left on a 10-yard touchdown pass from Bostick to Jonathan Baldwin on fourth-and-6. The Panthers ran the same play three straight times before Bostick beat Irish cornerback Terrail Lambert for the score.

"The first two, I was trying to be perfect with it. Then I just tried to give him a chance, what do you got to lose? Third time's a charm, fourth down, what do you got to lose? I threw it up there and he went up and made a play," Bostick said.

Bostick started the game slow, completing 3-of-6 passes for 24 yards with one interception in the first half. He finished the game 14-of-27 for 164 yards with one touchdown and three interceptions, two by Raeshon McNeil.

Jimmy Clausen threw three touchdown passes, including a 6-yard score to Golden Tate with 5:38 left to put the Irish and two touchdowns to Michael Floyd just before halftime. He was 23-of-44 passing for 271 yards with no interceptions.

Floyd, who broke the record for catches by a Notre Dame freshman, had 10 catches for 100 yards and Tate had six for 111.

## Boston College 17, Notre Dame 0 Chestnut Hill, Mass. (Alumni Stadium) Nov. 8, 2008

**NOTRE DAME, Ind. (AP) -** Paul Anderson intercepted Jimmy Clausen twice, running one back 76 yards for a touchdown on Saturday night, as Boston College beat Notre Dame 17-0 and extended its winning streak against the Fighting Irish to six in a row.

With the victory, BC (6-3) pulled even in the all-time series between the nation's only catholic schools playing top-tier football -  $\alpha$  tally that was unthinkable only a decade ago, when Notre Dame had won eight of 10 matchups and had 11 consensus national championships to one for Boston College.

Clausen completed 26-of-46 passes for 226 yards for the Irish (5-4). But he also had four interceptions, one returned for a score and two others to kill drives after Notre Dame ventured deep into BC territory.

It was the first shutout for either team in the series that began in 1975 and was dominated by the Irish for the first two decades. Notre Dame has dropped BC from its schedule after two more years.

And just in time.

Montel Harris carried 23 times for 120 yards for the Eagles, who posted their third shutout of the season to snap a two-game losing streak and qualify for a bowl game for the 10th year in a row. Chris Crane completed just 9-of-22 passes for 79 yards, but the BC defense held Notre Dame to 66 yards rushing while collecting five turnovers to go with a blocked punt.

Steve Aponavicius, the walk-on placekicker who was the feel good story for BC last season, missed his first field goal attempt but made his second to give the Eagles a 3-0 lead in the first. It stayed that way until Clausen overthrew his receiver over the middle midway through the second and Anderson gathered it in, then let his blockers clear a path to the end zone.

BC made it 17-0 when Golden Tate fumbled a punt and Brad Newman fell on it at the Irish 48 yard-line. Crane brought BC to the 9 before hitting Brandon Robinson for a touchdown with 10:27 to play in the third quarter.

Ifeanyi Momah blocked a punt and Codi Boek fell on it at the Irish 31 yard-line, but Aponavicius, who missed two field goals in a six-point loss to Clemson last week, missed from 32 yards.

Clausen brought Notre Dame to the BC 24 in the final three minutes before he was picked off by Donnie Fletcher, and the Eagles ran out the clack  $\frac{1}{2}$

## Notre Dame 27, Navy 21 Baltimore, Md. (M&T Bank Stadium) Nov. 15, 2008

**NOTRE DAME, Ind. (AP) -** A year after the Fighting Irish had their record 43-game winning streak against Navy snapped, Notre Dame had to withstand a frenetic rally by the Midshipmen in the final minute and a half to win 27-21.

It seemed appropriate, though, that a tense week for college football's most storied program would culminate with a tense ending against Navy (6-4).

"We made the game a little too exciting at the end," Notre Dame quarterback Jimmy Clausen said. "But we're happy to come out with the victory."  $\,$ 

The Midshipmen trailed 27-7 when Shun White broke loose for a 24-yard touchdown run that seemed as if it would provide little more than window dressing with 1:39 left.

Then Corey Johnson recovered an onside kick at the Notre Dame 41 and the Irish sent their first-team defense back in.

It didn't help. Ricky Dobbs completed a 40-yard pass down the sideline to Tyree Barnes, then ran in from a yard out, and it was 27-21 with 1:21 left with another onside kick coming.

The second worked even better than the first, as Johnson leaped high to come up with a high bouncer.

Navy again took over at the 41. But this time, Dobbs couldn't get the ball downfield. Pat Kuntz's sack keyed the defensive stand, and when Dobbs' final pass sailed high, Notre Dame (6-4) could finally rest.

There would be no repeat of last year's stunner in South Bend, Ind., nor of Navy's 20-point, fourth-quarter comeback that helped beat Temple two weeks ago.

With Weis calling plays for the first time this season, the Irish played it safe offensively against Navy, clamped down on the Middies' option attack and got a big play from their special teams.

In a game that started in windy, overcast conditions at M&T Bank Stadium - the home of the Baltimore Ravens - Notre Dame took control in the third quarter before the rains came and drove much of the crowd of 70.932 to the exits.

Allen ran 11 yards for a touchdown with 9:31 left in the third and Robert Hughes had a 7-yard TD run six minutes later to make it 24-7.

Notre Dame is bowl eligible heading into another very winnable game against Syracuse, before it finishes the season against Southern California

Written on a grease board in the Navy locker room before the game was BELIEVE!! and ACHEIVE!!

And why not. For the first time in more than four decades, the Midshipmen could draw from a winning experience against Notre Dame. Navy celebrated wildly last year after beating the Irish 46-44 in triple overtime.

A two-game winning streak for Navy in the series, its first since 1960-61, was just too much to ask for.

Navy ran for 257 yards last year, but the Irish weren't fooled this time around. Led by linebacker Toryan Smith, Notre Dame held the country's second-ranked rushing offense to 178 yards.

Instead it was Notre Dame that piled up the yards on the ground. The Irish ran 51 times for 230 yards. James Aldridge had 80 yards on 16 carries. Allen ran for 60 yards and caught seven passes for 60 more.

Clausen rarely went downfield, completing 15 of 18 passes for 110 yards with two interceptions and a fumble.

Weis scanned an oversized white card as he limped up and down the sideline on his injured left knee. He decided to try to push around Navy's undersized defense, instead of letting Clausen test the 104thranked pass defense.

Mike Anello helped make up for two early turnovers by Clausen, blocking a punt that Smith caught on a high bounce at the Navy 14. Smith did a swan dive into the end zone that earned him a 15-yard penalty and an earful from special teams coach Brian Polian, but made the score 7-0 in the first quarter.

Cory Finnerty's 22-yard touchdown run for Navy tied it 7-all with 2:39 left in the half. But Notre Dame took advantage of Eric Kettani's fumble near midfield with 1:09 left to take a 10-7 lead on Brandon Walker's 28-yard field goal as time expired.

## Syracuse 24, Notre Dame 23 Notre Dame, Ind. (Notre Dame Stadium) Nov. 22, 2008

**NOTRE DAME, Ind. (AP)** - Cameron Dantley, son of one of Notre Dame's basketball greats, threw an 11-yard TD pass to Donte Davis with 42 seconds left to lead Syracuse to a 24-23 victory Saturday against the stunned and disheartened Fighting Irish.

The Orange trailed 23-10 in the fourth quarter before rallying as Notre Dame struggled mightily on offense. The Irish came away with just six points after starting four times inside the Syracuse 23-yard line.

The victory allowed Syracuse (3-8) to avoid a third 10-loss season in four years under Robinson, who was fired last week, effective the end of the season.

Dantley, the son of former NBA star Adrian Dantley, was 13-of-25 passing for 126 yards.

The Irish had one last chance to win in the closing seconds. With 7 seconds left, the Irish could have run one more play before attempting a field goal, but Weis opted to go for a 53-yard field goal-attempt by Brandon Walker, whose career long is 48. His kick fell well short. Walker was 3-of-6 on field goals for the game.

Freshman Antwon Bailey, who entered the game with 66 yards rushing on 13 carries, started the Orange rally with a 26-yard TD run up the middle with 12:30 left that cut the score to 23-17. Bailey finished with 126 yards rushing.

Notre Dame held the Orange to three-and-out on their next possession and had a chance to ice the game, but a 49-yard field goal attempt by Walker came up short.

The Irish had a chance to hold Syracuse to three-and-out on its next possession, but linebacker Harrison Smith--who had a key penalty that helped Pittsburgh win in overtime--was called for pass interference on third-and-1 from the Notre Dame 39. Bailey ran for 43 yards on six carries during the drive before Dantley completed a 9-yard pass to Tony Fiammetta and the game-winner to Davis.

Jimmy Clausen threw two touchdown passes to Golden Tate, but couldn't get the sputtering Irish offense going. Clausen was 22-of-39 passing for 291 yards and Tate had seven catches for 146 yards. Syracuse held Notre Dame to 41 yards rushing on 28 carries.

The Irish could have put the game away in the third quarter, but couldn't score touchdowns despite great field position.
