

Dear Football Coach,

As we began preparation for our 2008 season, our seniors decided on our team mantra, "Dive Right In," and that is exactly what our coaches and players did. After a difficult year for our young and inexperienced team, the players came back from the off-season ready to throw themselves into the success of our football program. New leadership emerged, and our team took on a new persona. We have made a significant impact on our players' chances to be more successful in life as people and student-athletes. Furthermore, our outstanding recruiting year has created tremendous excitement for the bright future of Notre Dame Football. We invite you to share in this excitement by attending this year's Notre Dame Coaches Clinic.

Just as I aim to surround myself with a staff that can lead the Irish to victory, I want you to be able to benefit from their expertise and experience. This year's clinic will be held over three days on the Notre Dame campus. Pre-registration will take place on Thursday evening. On Friday you will have an opportunity to attend the FCA luncheon as well as a hosted dinner and social hour in the evening. Those involved in the weekend's activities will have a tremendous experience – including interactive presentations from the Irish coaching staff as well as other visiting coaches. Chalk-talk sessions will provide you with an excellent opportunity to become familiar with various coaching techniques and a chance to get to know the coaches and other visitors. In addition to various presentations, you will also have opportunities to see the current Fighting Irish team practice, a chance to tour the Notre Dame Stadium locker room and exposure to a full slate of exhibitors.

It would be our pleasure to see you and your staff in attendance. To register, please fill out the attached form in this brochure today or go online to www.und.com/coachesclinic to print out a registration form. You may email us at fbclinic@nd.edu with any questions or concerns. We look forward to meeting you and your staff in March!

Go Irish!
