RED STORM

Last Time Out

- ▶ St. John's jumped out to a 4-0 lead and never trailed Providence en route to a 9-6 conference win, the third-straight victory for St. John's.
- ▶ Freshman Colin Keegan led St. John's with a hat trick and a career-best four points in just his second career start. Classmate Kieran McArdle scored four points on two goals and two assists. Goalkeeper Jeff Lowman tallied 14 saves and held the Friars to a season-low six goals, nothing a save percentage of .700.
- ▶ The win was the Red Storm's third straight victory and second consecutive season that the program started conference play at 2-1.

Jeff Lowman Tabbed For BIG EAST Weekly Honor Roll

- ▶ A native of Millersville, Md., Lowman stopped 14 shots and allowed just six goals to lead St. John's to a 9-6 win over Providence on Saturday. The six goals were the fewest allowed by St. John's this season. Several of Lowman's saves came at point blank range during a Friar two-man up opportunity. The St. John's defense killed off all three Providence extra-man opportunities.
- ▶ This week's award is the third time that Lowman has been honored by the BIG EAST this season. He earned Defensive Player of the Week honors on Feb. 21, and was named to the Honor Roll on Feb. 28.

Cernuto, McArdle Move Up The Ranks

- ▶ Freshmen scoring machines Kevin Cernuto and Kieran McArdle have blown away several Red Storm records and have each placed highly in the conference and national rankings. The two attackers have teamed with junior Charlie Holenstein and freshman Colin Keegan to make up for the loss of injured junior Harry Kutner, last year's leading scorer.
- ▶ A native of Neshanic Station, N.J., Cernuto set a conference high in points in his first career outing, scoring four goals and collecting three assists. He was the fastest Red Storm player to 20 points since the reinstatement of the program in 2005, topping that mark in just six games. Cernuto is currently tied for third in the BIG EAST in points scored per game (3.00). Cernuto is fourth among NCAA freshmen in goals and points and was picked no. 16 in Terry Foy's Top 25 freshmen on March 23 on InsideLacrosse.com.

- ▶ Entering his college career as Long Island's leading goal scorer in 2010, Kieran McArdle has not disappointed Red Storm fans. He recently put together a seven-point week against Hofstra and Sacred Heart, earning the BIG EAST Weekly Honor Roll nod. McArdle's career-high five goals against Vermont ties for the most in one game in the conference this year. He has tallied 12 goals and 10 assists to lead the team through the last five games. He set a new career mark with four assists against Rutgers in the Big City Classic. McArdle is tied with Cernuto for third in the league in points per game (3.00) and eighth in goals scored average (1.80).

Lowman Making The Saves

- ▶ Sophomore goalkeeper Jeff Lowman has tallied 124 saves (12.4 per game) in his first season as the Red Storm's full-time goalkeeper, currently ranking third in the country and tops in the BIG EAST. His save percentage of .579 puts him second in the BIG EAST and 10th in the NCAA.
- ▶ Lowman was named the BIG EAST Defensive Player of the Week for his 16-save, seven-goals-allowed effort in the team's win over Holy Cross (Feb. 19). He made the BIG EAST Weekly Honor Roll the next week for his 15-save performance against Yale (Feb. 26). Lowman broke through with a career-high 18 saves against Georgetown (March 5). He earned the BIG EAST Weekly Honor Roll nod after holding Providence to just six goals (April 9)

The Diaper Dandies

- ▶ This year's starting lineup is marked by a majority of underclassmen as four of the

team's top five scorers and all of the squad's specialty players are freshmen and sophomores.

- ▶ With a starting lineup of seven underclassmen, including five freshmen, St. John's ranks as one of the youngest teams in the country. Only two teams routinely start more underclassmen, and only squad, Mercer, puts more freshmen in the starting lineup (10).

Doubling Up With The Long Sticks

- ▶ St. John's faced a very good problem early in the season with an overabundance of talent at the long-stick midfielder position. Sophomore Dillon Ayers returned as the team's leader in caused turnovers and won the position over phenomenal freshman Joe Addona. After two games, Coach Miller moved Addona to the close defense position to get his best defenders on the field together.
- ▶ The tandem of Ayers and Addona have made life tough for opposing offenses recently, holding then-no. 8 Hofstra to just eight goals and a .518 shots on goal percentage. Addona forced six turnovers, including four in the first quarter while Ayers picked up a career-high tying seven ground balls against the Pride.
- ▶ Ayers currently ranks sixth in the conference and 47th in the country in ground balls per game (4.0). Ayers is currently ranked ninth in the conference in caused turnovers with 1.3 per game.

Man-ning Up On Man-Down

- ▶ The St. John's man-down defense has been very effective over the team's recent three-game win streak. The Red Storm have allowed only two extra-man goals in 12 opportunities for a penalty killing percentage of .833. St. John's currently ranks 16th in the country with man-down killing percentage of .745 on the season.
- ▶ Senior close stick defenders Mike Sherry and Dan Cremens have combined for 41 ground balls and 24 caused turnovers this season to help the man-down team.

Scoring In Transition

- ▶ Faced with the departure of defensive midfielders Reggie Davis and Nick Messinger, the Red Storm coaching staff moved junior Matt Hurst and sophomore Brandon Ayers from the offensive end to the defensive end of the mid-field.
- ▶ The defensive midfield, with senior Dan Kalata also in the rotation, has accounted for eight points in the last six games. Ayers has scored five goals in those games, including a hat trick against Sacred Heart.
- ▶ St. John's recent stretch of high scores is the result of its effective play in unsettled situations and efficiency in the clearing game, converting clears at a clip of 87.7 percent in the last six games.

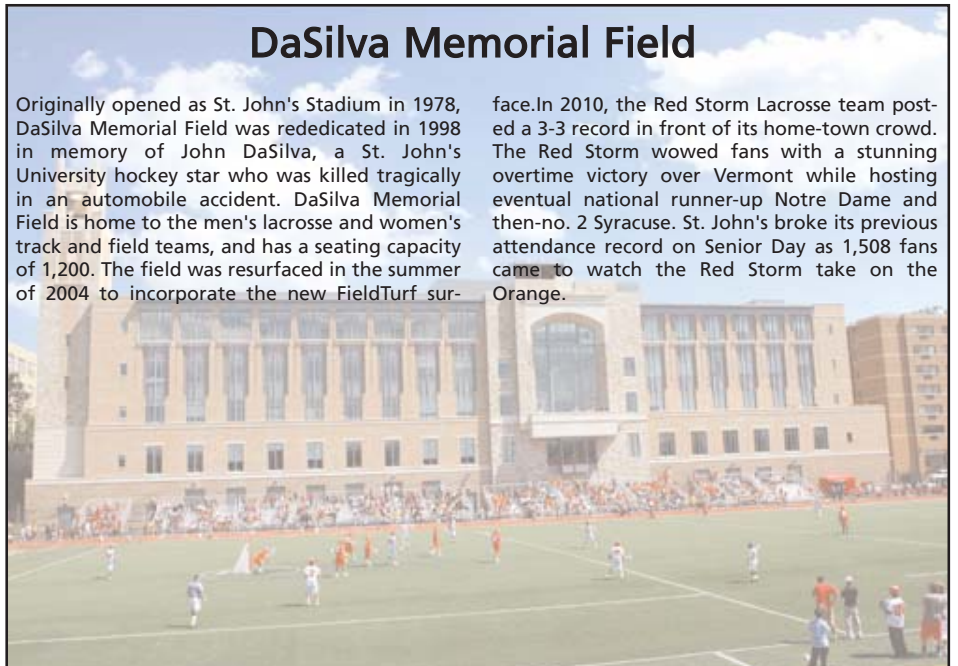

Cremens Named Lowe's Senior CLASS Award Semi-Finalist

- ▶ Red Storm co-captain Dan Cremens was selected as one of 20 semi-finalists for the Lowe's Senior CLASS Award. To be eligible, a student-athlete must be classified as an NCAA Division I senior and have notable achievements in four areas of excellence - classroom, character, community and competition.
- ▶ An accounting major, Cremens was one of 16 student-athletes selected to receive 2010-11 American Eagle Outfitter BIG EAST Institutional Male Scholar-Athlete Awards. Cremens is a member of the school's President's Society and the Chi Alpha Sigma National College Athlete Honor Society.
- ▶ A starter at close defense since his sophomore year, Cremens is one of the team's two captains and a presence of leadership in the middle of the Red Storm defense. This season he leads the close defense with 20 ground balls through ten games.

DaSilva Memorial Field

Originally opened as St. John's Stadium in 1978, DaSilva Memorial Field was rededicated in 1998 in memory of John DaSilva, a St. John's University hockey star who was killed tragically in an automobile accident. DaSilva Memorial Field is home to the men's lacrosse and women's track and field teams, and has a seating capacity of 1,200. The field was resurfaced in the summer of 2004 to incorporate the new FieldTurf sur-

face. In 2010, the Red Storm Lacrosse team posted a 3-3 record in front of its home-town crowd. The Red Storm wowed fans with a stunning overtime victory over Vermont while hosting eventual national runner-up Notre Dame and then-no. 2 Syracuse. St. John's broke its previous attendance record on Senior Day as 1,508 fans came to watch the Red Storm take on the Orange.

St. John's Faces Program's Toughest Schedule

- ▶ The 2011 season will offer many opportunities for St. John's to make an impact on the national stage. The Red Storm schedule includes a program-record eight games against teams ranked in the Nike/Inside Lacrosse Preseason Top 20 Poll, including four in the top 10. St. John's will also take part in the nationally televised Konica Minolta Big City Classic at the New Meadowlands Stadium in East Rutherford, N.J. STJ will play Rutgers on April 3 at 1 p.m. on ESPN3.com.
- ▶ Along with the conference game against Rutgers, St. John's will play two other games on television marking the first time the Red Storm has been a part of three televised games in one season in head coach Jason Miller's tenure. The team's game against Hofstra on March 22 will air via tape delay on Verizon FiOS1. Also, the team's season finale at Syracuse on May 7 will be broadcast regionally on Time Warner Cable.

2010 U.S. Lacrosse High School All-Americans

Entering his fifth season at St. John's, head coach Jason Miller entered the year excited about the rising level of talent that chose to be a part of the Red Storm program in 2010. A record six incoming freshmen were named U.S. Lacrosse All-Americans in their respective regions in the spring of 2010. That group has accounted for 22 games started, 33 points and 29 ground balls through eight contests.

The Seminarian Goalie

St. John's currently carries four goalies on its roster, all of whom are currently underclassmen. However, one of those players is not like the others. But, he wouldn't want you to think that about him.

Freshman Daniel McQuillan, a native of Bellmore, N.Y., and a U.S. Lacrosse All-American out of Kellenberg Memorial High School, is a Division I lacrosse player and junior seminarian in the Catholic Church.

Living at the Seminary of the Immaculate Conception in Douglaston, N.Y., just minutes away from campus, McQuillan balances the demands of a typical Division I student-athlete with the rigors and discipline of training to become a priest in the Catholic Church.

Although he understands the uniqueness of his situation, McQuillan is humble about his calling and feels that he is no different from any of his teammates.

"Ultimately, I'm just another guy in that locker room," McQuillan says. "I don't see the demands on me to be any different than on someone working to be an accountant or to go into any other life calling."

McQuillan's humility and friendly nature immediately endeared him to his new teammates when he transferred to St. John's from Belmont Abbey right before the season began.

Backing up sophomore Jeff Lowman, McQuillan has made one appearance this season, seeing time against Vermont.

Head Coach Jason Miller

5th Season Springfield '93

A new era of St. John's lacrosse began on Sept. 1, 2006 as Jason Miller was named the third head coach in St. John's lacrosse history. Now entering his fifth year coaching the Red Storm, Miller will lead his team against some of the nation's best talent in the team's second season in the BIG EAST lacrosse conference.

Miller's 5-8 overall record and 2-5 league record as a first-year head coach was a Red Storm lacrosse program-best thus far. Under his tutelage, the Red Storm was ranked as high as sixth in the country in man-down defense with at least seven athletes ranked among the NCAA top 100. With Miller at the helm, St. John's garnered its first ever all-conference honoree in then-junior Tom Michaelsen, an all-ECAC second-team selection.

In his second season at St. John's, Miller's squad once again posted a 2-5 league record, defeating Fairfield and Penn State. Senior Tim LaMare was selected to the ECAC's second team roster as a defenseman and eight players earned a place on the ECAC All-Academic Team, the most of any school in the conference. Once again, the Red Storm man-down defense was ranked as high as fourth nationally, and the Red Storm's face-off win-percentage was rated the sixth-best in the NCAA. The Red Storm experienced many milestones as Michaelsen was the first player in 18 years selected to play in the annual North-South Senior All-Star Game. He was also drafted by teams in both the National Lacrosse League and Major League Lacrosse, the only St. John's player to be drafted to either professional league.

Although St. John's finished with a 5-9 overall record in 2009, the team opened the season with four straight wins, including a 10-9 upset of the fifth-ranked Georgetown Hoyas. The win marked the first victory over Georgetown in the series history. Senior captain Dom DeNapoli was named All-ECAC First Team and the 2009 NCAA Division I Ground Balls Statistical Champion, as he finished the year with 119 ground balls. DeNapoli became the second St. John's player in as many seasons to be selected to play in the annual USILA North-South Senior All-Star Game.

Last season marked the Red Storm's first in the newly formed BIG EAST lacrosse conference. St. John's finished 5-9 overall against a schedule that featured four NCAA tournament teams and the national runner-up in Notre Dame. The Red Storm defeated Rutgers for the team's first BIG EAST victory and senior Tom Manes was named BIG EAST Offensive Player of the Week for his four-goal, one-assist performance. Senior Gavin Buckley was named one of 10 national finalists for the Lowe's Senior CLASS Award.

Miller came to St. John's after spending three seasons as the top assistant coach of the University of Massachusetts lacrosse program. While on the sidelines for the Minutemen, he worked with the defense and face-off units, helping lead the team to its first ever NCAA national title game in 2006. During the NCAA semifinal contest, the UMass defense held Maryland, one of the nation's strongest offensive teams, to just five goals. The Minutemen's road to the national championship game was arguably the toughest in the history of the tournament, as Massachusetts defeated No. 2 Hofstra, No. 3 Cornell and No. 4 Maryland before facing No. 1 Virginia in the final, as an unseeded contender.

Under the tutelage of Miller, two Minutemen earned All-America honors, including Jack Reid, who was a finalist for the Schmeisser Award as the nation's top defenseman. Reid was a first round pick in the Major League Lacrosse Draft in June 2006. He was also the first first team All-America defenseman in UMass history.

Prior to his time at Massachusetts, Miller coached at the United States Military Academy from 2000-03, where he helped lead the Black Knights to a 24-20 record in three seasons. During that stretch, Army won two Patriot League titles and earned a NCAA Tournament berth in 2003 for the first time since 1997. Miller learned under one of the best mentors in the collegiate game's history as he assisted National Lacrosse Hall of Famer, Jack Emmer, the NCAA's all-time win leader with 326 career victories.

Before Army, Miller spent one season as an assistant coach at the Rochester Institute of Technology, where the Tigers advanced to the quarterfinals of the 2000 NCAA Division III tournament.

From 1997-99, Miller served as a graduate assistant at Springfield College in Massachusetts while earning his masters degree in education with a concentration in athletic administration. In 1998, Springfield captured the ECAC Division III championship.

Miller spent the first two years of his coaching career at Franklin and Marshall College in Lancaster, Pa., from 1995-97.

A native of Rochester, N.Y., Miller played defense on the Springfield College lacrosse team and graduated in 1993 with a degree in sports management.

Miller and his entire family have made a commitment to education. His father, Richard, recently retired as the President of Hartwick College in Oneonta, N.Y., and his mother, Barbara, is a former English teacher. Miller's wife, Mary, is a school teacher on Long Island. The couple lives in Rockville Centre, N.Y. and has three children, son Liam (5), daughter Maggie (4), and daughter, Catherine Grace, whom the couple welcomed to their family in June of 2010.

McArdle scored a career-high five goals for his third multi-goal game and second hat trick this year. Cernuto tallied his third hat trick of the season, scoring four goals on six shots.

The Catamounts were able to build their lead due to strong play in the face-off X, winning 14-19 draws in the first three quarters.

Vermont opened the game with two quick goals as the Catamounts' Philie netted a shot at the 14:00 minute mark off an assist from Masson. After a Catamount face-off win,

Masson took it himself to give a Vermont the 2-0 advantage.

St. John's responded when midfielder Jarrett Carr passed to Cernuto in the middle of the field. Cernuto dodged right and scored on the run to make it 2-1. McArdle tied the game at two after a run from behind the net led to a score on the right side.

Worley gave the lead back to Vermont at the 4:23 mark of the first period, finding the net after Masson set him up for another assist. The Vermont run extended into the second quarter as the Catamounts attacked in an unsettled situation, shooting on goalkeeper Jeff Lowman who made the initial save. However, Philie corralled the rebound in front of the net and put it in for his second goal of the game.

After a Vermont goal from Worley, St. John's short-stick midfielder Brandon Ayers caused a turnover with a big hit in the Red Storm defensive half that led to a St. John's score, as McArdle attacked from the right side, faked a pass and hit the back of the net to cut it to 5-3.

Philie registered his third goal of the game at the 6:42 mark, but Cernuto closed the half with his second goal, this time from X, to make the margin 6-4 at intermission.

Vermont came out firing early in the second half as Luke Ryder hit the net from the right side at the 14:34 mark. Just nine seconds later, a Catamount face-off win led to a goal from Max Gradinger that opened up the game at 8-4.

Vermont tacked on another four goals to end the third quarter, holding a 12-4 lead heading into the final period.

Cernuto and McArdle continued their scoring for St. John's in the fourth quarter, combining for five goals in the final period of play.

Cernuto notched two unassisted goals, while McArdle found the net on a man-up opportunity, a man-down situation at 2:09 and a goal in the final moments. McArdle's fourth goal was St. John's first man-down goal this season, while the man-up goal came off an assist from freshman Ryan Fitzgerald.

Defensively, sophomore Dillon Ayers and freshman Joe Addona combined for seven ground balls, while Ayers also tallied three caused turnovers. Sophomore Jeff Lowman made 12 saves while allowing 13 goals and Daniel McQuillan saw his first action of his Red Storm career, playing 14:02 in net in the final quarter.

Game 7					
March 22 • James Shuart Stadium					
	1	2	3	4	Tot
St. John's	0	0	3	2	5
8/5 Hofstra	2	4	1	1	8

The No. 8/6 Hofstra Pride built a 7-0 lead and withstood five second-half goals from St. John's to take an 8-5 victory in primetime, non-conference lacrosse action at James M. Shuart Stadium in Hempstead, N.Y.

With the win, Hofstra improved to 6-1 on the season with an undefeated record against non-conference teams. St. John's moved to 1-6 while playing in the team's first game under the lights this season.

Six different players scored goals for the Pride, led by Stephen Bentz and Jay Card who each netted two goals apiece. Hofstra's Andrew Gvozden registered 11 saves in goal for the win.

St. John's freshman Kieran McArdle tallied a team-high three points on one goal and two assists, while classmate Ryan Fitzgerald scored two goals, including one on a man-up opportunity.

The St. John's defensive effort was led by freshman Joe Addona and sophomore Dillon Ayers. Addona caused a career-high six turnovers, including four in the first quarter, which marked the highest single-game output in that category since Mike Luyster forced seven turnovers back in 2007. Ayers once again led the team in ground balls, tallying seven to tie a career high that he set against Georgetown (March 5).

The Pride took the lead just 1:32 into the contest when Ian Braddish found the net off a pass from Jamie Lincoln. Both teams' defenses stiffened for the rest of the quarter, forcing shots wide and causing turnovers. The Pride found the net again with 3:21 left in the period when Bentz hit Kevin Ford for the score.

The second stanza marked Hofstra's most productive quarter as the Pride built a 6-0 lead off of goals from Bentz, Card and Sorichetti. However, despite Hofstra's 17 first-half shots, only eight were on goal. St. John's also put eight shots on goal, all of which Gvozden saved.

The Red Storm offense came alive in the third quarter, ignited by the hot shooting of Fitzgerald. The freshman midfielder put St. John's on the board at the 7:51 mark with a shot from the top. Fitzgerald scored again just two minutes later, while the Pride was being released from a one-minute illegal hit penalty, to tally the extra-man goal and make the margin, 7-2.

St. John's sophomore defensive midfielder Brandon Ayers closed the quarter with a goal

at the 1:33 mark to maintain St. John's momentum and make the score 7-3.

In what has been a difficult quarter for St. John's this season, the Red Storm outshot the Pride, 9-3, in the third, winning 3-5 face-offs, collecting three more ground balls and forcing four turnovers while only giving the ball up twice.

However, Hofstra's Jamie Lincoln extended the lead at the 12:45 mark of the fourth period, to keep St. John's at bay.

The Red Storm scored two goals at the end of the period, the first from freshman midfielder Joe Granata off an assist from McArdle at the 3:27 mark.

McArdle ended the game with a spectacular play, causing a turnover on a clear attempt, picking up the ground ball and racing to the net, firing it past Hofstra goalkeeper Rob Bellairs with one second remaining, to make the final score 8-5.

Despite the final margin, St. John's held the edge in shots (33-27), turnovers (14-19) and ground balls (22-21), while Hofstra's John Antoniades was strong at the face-off X, winning 10-16 draws.

Game 8

March 26 • DaSilva Memorial

	1	2	3	4	Tot
Sacred Heart	3	0	2	2	7
St. John's	5	3	5	2	15

St. John's used hat tricks from three different players along with a strong defensive effort to run to victory over Sacred Heart, 15-7, in lacrosse action at DaSilva Memorial Field on Saturday afternoon.

Freshmen Kevin Cernuto led St. John's (2-6, 0-1) with five points, tying his career high with four goals to go with one assist. Classmate Kieran McArdle tallied his third hat trick of the season with three goals, all in the first half, and one assist. Sophomore defensive midfielder Brandon Ayers smashed his previous career bests by netting three goals on four shots.

Sacred Heart (3-5, 0-0) was led by a hat trick from Mike Mawdsley while Bryan Badolato scored two goals.

St. John's forced 24 Sacred Heart turnovers while holding a 33-23 edge in ground balls. The Red Storm also outshot the Pioneers 42-31, including 27 shots on goal.

After giving up the game's opening goal to Sacred Heart's Mawdsley at the 10:40 mark, the Red Storm scored three straight goals in a four minute stretch to establish a 3-1 lead that the team never relinquished.

Freshman Keith Switzer scored St. John's first goal off an assist from Charlie Holenstein in a man-up opportunity at the 8:49 mark. McArdle followed that strike with his own goal, dodging from behind the net to give St. John's the lead. Holenstein capped the run with a score at the 4:21 mark off an assist from Cernuto.

Both teams combined for four goals over the last four minutes of the quarter, making the score 5-3 at the end of the first. Cernuto and McArdle accounted for the two Red Storm goals while defensive midfielder Dan Kalata assisted on one score for his first point of the season.

The Red Storm defense stiffened in the second quarter, holding the Pioneers scoreless and allowing only three shots.

Senior captain and close defender Mike Sherry excited the crowd at the beginning of the period by racing the ball upfield on a clear attempt and passing to McArdle positioned at the edge of the crease who shot the ball passed the goaltender. The assist marked Sherry's first point of the season.

Two minutes later, Brandon Ayers scored his first of three goals to increase the Red Storm lead before Cernuto capped the quarter with his second goal, putting St. John's up 8-3 at halftime.

Although Sacred Heart scored two of the first three goals of the third period, St. John's was never threatened down the stretch as the offense exploded for four goals in the final minutes of the quarter. Cernuto, Holenstein, Brandon Ayers and Switzer all found the net in the run.

The St. John's reserves saw the field in the final quarter as freshman Tommy Cox played nearly eight minutes in goal, making one save and allowing one goal. Brandon Ayers scored his third goal of the game in the quarter, while senior Ryan Herits also netted a score.

Five different Red Storm players picked up three or more ground balls, led by senior Dan Cremens who picked up a game-high five ground balls while causing a career-best four turnovers. Sherry picked up four ground balls while long-stick midfielder Dillon Ayers also fielded four ground balls.

Game 9

April 3 • Big City Classic (New Meadowlands Stadium)

	1	2	3	4	Tot
Rutgers	2	3	1	2	8
St. John's	4	2	2	1	9

The St. John's lacrosse team delivered a thrilling 9-8 victory over conference rival Rutgers in the program's first appearance in

the Konica Minolta Big City Classic at the New Meadowlands Stadium in East Rutherford, N.J. An announced attendance of 25,115 was on hand for the three-game event, marking the second-largest crowd for a regular season lacrosse showcase ever.

The Red Storm (3-6, 1-1) was led by junior Charlie Holenstein who tallied a career-high four goals on five shots, all coming in the first half. Holenstein earned Konica Minolta Player of the Game honors for his performance.

Freshman Kieran McArdle recorded his sixth multi-point game of the season, setting a new career high in assists with four to go along with a second-quarter goal. Sophomore Jeff Lowman stopped seven shots in the second half to keep Rutgers at bay in the final minutes.

Rutgers (5-4, 0-2) was spearheaded by Michael Diehl and Scott Klimchak who both tallied hat tricks.

"Today was everything we hoped it would be and more," said head coach Jason Miller. "When you get an opportunity to play in this venue and in this environment, you want to cash in on it, and we did."

The Scarlet Knights excited the crowd early by netting a goal just eight seconds into the game as face-off specialist Christopher Mattes won the opening draw and fed Scott Klimchak who scored from the left side.

St. John's responded with a counter punch as sophomore Jordan Rothman won the ensuing face-off and junior midfielder Matt Hurst put home a line drive from the top of the box to tie the game just 14 seconds in.

Holenstein continued the furious scoring just a minute later off an assist from sophomore Jarrett Carr to give the Red Storm a 2-1 lead.

Both teams settled down over the next 10 minutes, causing turnovers and forcing wide shots. Holenstein broke the drought at the 5:27 mark for his second goal as freshman Kevin Cernuto dished the first of his two assists.

After a Rutgers goal from Diehl, Holenstein finished the first quarter with his third goal on a setup from McArdle, making the margin 4-2.

The second period featured a back and forth battle as Rutgers and St. John's traded multiple goals, despite Rothman winning all six face-offs against the country's top face-off specialist in Mattes.

St. John's tallied goals from McArdle and Holenstein while Rutgers' Kory Kelly, Diehl and Scott Klimchak all found the net, the final goal coming at the 1:28 mark and cutting the Red Storm lead to 6-5 at the intermission.

The Scarlet Knights came out of the locker room and possessed the ball for most of the third quarter, winning three of four face-offs and tying the game on a man-up opportunity midway through the period on a goal from Diehl.

After a Red Storm turnover in the offensive end, sophomore long-stick midfielder Dillon Ayers trapped the Scarlet Knights on a clear attempt at midfield, causing a turnover and reversing the ball in transition. Ayers passed to McArdle who found a cutting Cernuto on the back side to give St. John's a 7-6 advantage, a lead the Red Storm never relinquished.

St. John's extended the lead late in the quarter when freshman Joe Granata passed to his classmate Colin Keegan who fought through a Scarlet Knight defender to go low to high and hit the back of the net.

Late in the fourth quarter, freshman Keith Switzer extended the lead to 9-6 on McArdle's fourth assist.

Rutgers did not go away quietly as Duncan Clancy assisted on two goals, including one from Matthew Klimchak with 46 seconds remaining to pull within one goal. The Scarlet Knights had a chance to tie it with just seconds remaining, but an errant pass went out of bounds and the Red Storm ran out the clock.

Goalkeeper Lowman finished with 10 saves while Rothman led the team with four ground balls, winning 11-21 face-offs. Senior Mike Sherry picked up three ground balls and caused one turnover.

St. John's converted 14-15 clears and went 1-2 on extra-man opportunities, while killing off four of six Rutgers man-up chances.

The win marks St. John's second straight victory after a 15-7 win over Sacred Heart last week. The contest also marked the second time in two years that St. John's defeated Rutgers by one goal.

Game 10

April 9 • Friar Field Hockey & Lacrosse Complex

	1	2	3	4	Tot
St. John's	2	2	3	2	9
Providence	0	3	2	1	6

St. John's opened the game with four straight goals and never trailed the Providence Friars en route to a 9-6 conference victory at Friar Field Hockey & Lacrosse Complex on Saturday afternoon.

St. John's (4-6, 2-1) won its third consecutive game and second straight in conference play, while Providence (3-7, 0-2) dropped its second

contest in a row.

The Red Storm was led by the efforts of freshman Colin Keegan, who scored a hat trick in just his second career start. Keegan contributed three points in the Red Storm's opening string of four goals. Fellow freshman Kieran McArdle tallied four points on two goals and two assists. Sophomore Jeff Lowman was stout in goal, allowing a season-low six goals and making 14 saves.

After a defensive struggle for the majority of the first quarter with both teams defenses wreaking havoc with challenged shots, senior Ryan Herits broke the deadlock with a dodge on the right side, scoring his sixth goal of the season at the 2:46 mark.

Just two minutes later, freshman Keith Switzer reset the Red Storm offense at the top of the box and passed to classmate Keegan who hit the net for his first goal of the game.

Keegan continued his scoring in the second quarter, hitting a cutting McArdle who scored at the 8:46 mark. Just over a minute later, McArdle reversed it by passing to Keegan over the defense and the freshman put in the shot from the edge of the crease.

The Friars responded with a three-goal run to end the half, with the team's first goal coming at 6:32 off the stick of Steve Lydon. Providence ended the half with a nifty goal from Sean Wright who received a pass from a double-teamed Andrew Barton with just five seconds left before intermission.

The Red Storm defense weathered the Providence attack in the third quarter, killing off a two-person Friar advantage after back-to-back penalties at the 12:13 mark. Lowman made a number of saves from close quarters, notching a total of five stops in the period.

St. John's capitalized on a man-up chance of its own at the 10:33 mark when McArdle dished a no-look pass to a cutting Switzer to extend the lead to 5-3.

After a Providence goal at the 3:58 mark, St. John's responded when sophomore Jarrett Carr spun and fired home his first goal of the season to make it 6-4.

Just 30 seconds later, St. John's turned a failed Friar clear into an unsettled situation and Dillon Ayers hit Keegan on the run to set up the freshman for his third goal of the game.

Providence ended the quarter with yet another last-second goal, hitting the net off a dodge with just three seconds left on the clock.

A tense fourth quarter went back and forth with each team missing scoring opportunities until freshman Ryan Fitzgerald gave the Red Storm a little breathing room at the 5:11

mark. Running off a pick and roll at the top of the box, Fitzgerald found space and scored his seventh goal of the season to extend the lead to 8-5.

The Friars cut it to 8-6 at the 2:47 mark, but a McArdle empty netter ended the Friars hopes and created the final margin of 9-6.

The Red Storm defense caused turnovers on five of 20 clears as defensive midfielder Matt Hurst and Brandon Ayers each picked up four ground balls. Senior defenseman Mike Sherry also collected four ground balls.

Sophomore Jordan Rothman won 7-11 face-offs in the second half to keep the Red Storm with possession late in the game.
