#### **COUNTDOWN TO KICKOFF**

- 22 Notre Dame has already had 22 (10 on defense, 12 on offense) different players register their first career starts this season.
- 19 The freshmen wide receiver duo of Golden Tate and Duval Kamara each caught TD passes against Purdue. Notre Dame had gone 19 years since the last time a pair of freshman had TD receptions in the same game (MORE ON PAGE 18).
- 15 Golden Tate became the first Irish freshman in 15 years to eclipse 100 yards receiving in a single game (MORE ON PAGE 19).
- 7+5 With freshmen Jimmy Clausen (#7) and Armando Allen (#5) each starting against Penn
  =12 State, it marked the first time since freshmen were made eligible in 1972 that Notre
  Dame started rookies at both quarterback and tailback.
- 10 The Irish play 10 BCS affiliated schools (tied second-most in the NCAA) in 2007.
- **9** Notre Dame played nine freshmen in the season-opening loss to Georgia Tech. It was tied for the fourth most freshmen to take the field in a season-opener since 1972.
- 8 The Irish are the only school in America to play a BCS school in each of their first eight games of the season.
- 7 Notre Dame forced seven UCLA turnovers on Oct. 6. The seven turnovers were the most for an Irish opponent since Purdue had eight turnovers on Sept. 30, 1989.
- 6 The Irish limited UCLA to six points on a pair of field goals. Notre Dame had not held an opponent without an offensive touchdown since Sept. 25, 2004. The six points allowed were the fewest by the Irish since the same game.
- 5 The Irish have started five freshman this season, including QB Jimmy Clausen, HB Armando Allen, WR Duval Kamara, WR Golden Tate and OLB Kerry Neal.
- 4 Freshman OLB Brian Smith is just the fourth freshman to ever return an interception for touchdown (since 1972). He is the first since Sept. 25, 1976 when Bobby Leopold took a pick back 57 yards in a 48-0 victory at Northwestern.
- 3 Notre Dame forced three fumbles against UCLA. The Irish had not forced three fumbles in a single game since Sept. 9, 2006 against Penn State.
- 2 Notre Dame has recorded defensive touchdowns each of the last two weeks. The Irish had not recorded defensive touchdowns in consecutive weeks since Oct. 22 and Nov. 5 of 2005 (against Tennessee and BYU).
- Senior inside linebacker Maurice Crum, Jr. became the first Irish player to ever record a pair of forced fumbles, two fumble recoveries and two interceptions in the same game. Crum also set a single-game school record with four turnovers forced.

**WHAT TO WATCH FOR:** USC has captured each of the last five meetings over Notre Dame. With a victory this weekend, the Trojans could become just the third school to ever hold a winning streak of six games or more against the Irish. Michigan (1887-09) and Michigan State (1955-63) each registered eight straight wins.

 $\square$  USC and Notre Dame have beaten each other more than any other opponent (42 wins by the Irish and 31 by the Trojans).

□ Notre Dame and adidas will honor the 30th anniversary of the 1977 National Championship team by wearing the authentic green jerseys and gold pants for the USC game on October 20th.

The throwback uniforms will be designed to replicate those worn by the 1977 team.

#### NOTRE DAME HEAD COACH CHARLIE WEIS:

Charlie Weis (Notre Dame, 1978) is in his third season as the Notre Dame head coach. The Irish finished his inaugural season with a 9-3 mark and an appearance in the Fiesta Bowl. Notre Dame followed that campaign with a 10-3 record last season and another BCS Bowl berth (Sugar). With 19 wins over his first two seasons, Weis has captured more games than any other previous Irish coach through his first two years on the Notre Dame sidelines. In addition to leading one of three schools to consecutive BCS bowl games, Weis guided the Irish to their most wins over any two-year span since 1993-94. He is 0-2 against USC.

USC HEAD COACH PETE CARROLL: Pete Carroll (Pacific, '73) is 69-13 in seven years as a college head coach (all at USC), the best winning percentage of any current Division I coach with at least five years of experience. He reached 50 career USC wins faster than any head coach in Trojan history. His losses have been by a total of 51 points (4.3 average) and only one was by more than a touchdown. That loss came against Notre Dame in South Bend in 2001 (27-16). After starting off his Trojan career 2-5, he has gone 67-8 with a pair of national championships (2003-04). His teams have appeared in a record five consecutive BCS bowls (including a pair of BCS Championship Games). USC's 11 wins in each of the past five seasons is a school record (only Nebraska 1993-97, Florida State 1996-2000 and Oklahoma 2000-04 have done that).

- 11 straight games from 1983-93, but a 17-17 tie in 1994 (at USC) ended the streak. Notre Dame won in 1995 and a Trojan 27-20 overtime victory in 1996 (Lou Holtz's final game as Irish coach) ended the 13-game unbeaten run.
- $\square$  From 1965 to 1982, either Notre Dame or USC was ranked in the top 20 entering the game. In fact, both teams were ranked in the top 20 in each series meeting from 1972-79. In that eightyear span, USC compiled a 6-2 record, but the two Notre Dame victories (1973, 1977) marked national championship seasons for the Irish.
- $\square$  It's not unheard of that a national title to be at stake for one of the combatants in this rivalry. Seven times Notre Dame has entered the USC game with a shot at a national crown, only to be defeated (1938, 1948, 1964, 1970, 1974, 1980 and 2006) and an eighth chance was damaged by a tie in 1948. Notre Dame ruined USC's national title dreams three times: 1947 (38-7), 1952 (9-0) and 1988 (27-10).
- □ USC's current five-game win streak against Notre Dame is tied for the longest by the Trojans in the series. The Trojans' also won five straight from 1978-1982.
- □ Notre Dame is 2-3 in its last five games against USC in South Bend. The Trojans have entered the game at Notre Dame ranked in the top 5 the last two trips.
- $\square$  At least one team has been ranked in the AP Top 25 in 60 of the 68 (.88 percent) meetings since 1936 (the first season of AP national rankings), while both teams have been ranked a total of 28 times.
- $\Box$  This will be the 17th time USC has traveled to South Bend ranked in the top 10. The Irish are 8-7-1 all-time in those games, including a pair of victories when Notre Dame was unranked (1959, 1963).
- $\square$  Notre Dame is 9-16-3 when it is ranked lower than USC.
- $\square$  Since 1965, the ND-USC game has been nationally televised on 34 occasions (including the 2007 game).

## A RECORD-SETTING SERIES

- ☐ Four of the top rushing games in Notre Dame history have come against USC: Reggie Brooks' 227 yards at USC in 1992 (4th place; 19 carries, 11.9 avg., 3 TDs); Vagas Ferguson's 185 yards at home in 1979 (17th; 25, 7.4, 2); Jim Morse's 179 yards at home in 1954 (22nd; 19, 9.4, 1); and Jerome Bettis' 178 yards at home in 1991 (24th; 24, 7.4, 2).
- □ The following rank first in the Irish record book and occurred during the USC series: Bob Livingstone's 92-yard run from scrimmage in 1947; Coy McGee's 24.4 rushing yards per attempt in 1946 (6 for 146); Joe Theismann's 33 pass completions (tied with Brady Quinn's effort against Michigan State, 2005); Theismann's 526 passing yards (USC opponent record) and 512 yards of total offense in 1970; and Tim Brown's 30.6 yards per kick return in 1986 (5 for 153).
- □ Steve Beuerlein's four TD passes vs. USC in 1986 are tied for fourth in the Irish record book. □ Lee Becton's record six consecutive games with 100-plus rushing yards included a game vs. USC in 1993 (the third game of that string).
- $\square$  Reggie Brooks had two 200+ rushing yards games in the same season, in 1992 vs. Purdue and USC (second most in a single-season).

☐ Thesimann's 71 total offense attempts and 58 pass attempts vs. USC in 1970 rank second and fourth, respectively, in the Irish record book.

☐ Notre Dame returned two interceptions for TDs vs. USC in 1966, which remains tied for the Irish record.

□ Notre Dame's 19 passing first downs in the 1970 USC game ranks second best all-time.

 $\ensuremath{\square}$  In addition to Livingstone's above run, some of the longest plays in Irish history have come vs. USC: Joe Heap's 94-yard punt return in 1953 (4th); Eric Penick's 85-yard rush in 1973 (t-4th), Joe Perkowski's 49-yard FG in 1961 (9th); Bob Scarpitto's 82-yard punt return in 1958 (10th); Paul Hornung and Morse hooked up on a 78-yard pass play in 1955 (10th); Wally Fronhart's 82-yard interception return in 1935 (t-10th); and Hornung's 95yard kickoff return in 1956 (t-13th).

□ USC players own several Notre Dame opponent records: Charles White's 44 rushing attempts in 1979 and 120 career rushing attempts from 1976-79; Carson Palmer's 425 yards passing in 2002; Matt Leinart's five touchdown passes in 2004 and nine career touchdown passes; R. Jay Soward's 23 career receptions: Anthony Davis' six TDs and 36 points in 1972 (both are USC records and tied for Pac-10 records), in addition to 11 career TDs and 68 career points from 1972-74; John Jackson's 14 receptions in 1989 is tied with two others; Dwayne Jarrett's three touchdown receptions in 2006 is tied with three others, his five career touchdown catches and 335 career receiving yards stand alone; Eric Hipp's six extra points in 1979; Don Schafer's 60-yard FG in 1986 (USC record); Adrian Young's four INTs in 1967 (also the USC record and tied for Pac-10 record); Anthony Davis' 100-yard kickoff return is tied with three others; and Vern Lillywhite's 83-yard punt in 1946.

lue USC's 425 passing yards in 2002 and five touchdown passes in 2002 are Irish opponent records.

## ON THIS DATE

Notre Dame has played 16 previous games in its history on Oct. 20. The Irish are 9-6-1 all-time on this date. The Irish have recorded four shutouts on Oct. 20 (1951, 1934, 1906, 1900). Notre Dame has twice played USC on this date in its history, including the 2001 victory over the Trojans (27-16) in South Bend -- the last victory for the Irish in the all-time series.

Oct. 20, 2001: Carlyle Holiday rushed for 98 yards, including a 35-yard touchdown run, as Notre Dame beat Southern Cal 27-16 for its third straight victory after opening with three losses for the first time ever. The Irish fell behind, 13-3, early in the second quarter after their defense got caught in the huddle while Carson Palmer threw a 20-yard scoring pass. But the Irish outscored the Trojans, 24-3, the rest of the way. Julius Jones, who ran for 95 yards on 21 carries, put the game away with a 5-yard TD run with 1:21 left.

Oct. 20, 1990: Lou Holtz does it again, orchestrating his second upset of the mighty Miami Hurricanes at Notre Dame Stadium in three years. This time, his sixth-ranked Irish pound the second-ranked Hurricanes, 29-20, as Craig Hentrich boots a school-record five field goals. Raghib "Rocket" Ismail returned a kickoff 94 yards for a touchdown.

Oct. 20, 1979: Tony Hunter had five catches for 131 yards, good for a 26.2 average, in the 42-23 loss to fourth-ranked USC. The 26.2 yards per reception ranks as the sixth-highest in single-game school history.

#### NOTRE DAME-USC CONNECTIONS

□ The winner of the game keeps a shillelagh (presented by the Notre Dame Club of Los Angeles), with shamrocks representing Notre Dame victories and rubies Trojan heads standing for USC wins (each is engraved with the year and final score). The original foot-long shillelagh was flown from Ireland by Howard Hughes' pilot, according to legend, and was introduced in 1952 (although the medallions date back to the start of the series in 1926). When the original shillelagh ran out of space after the 1989 game, it was retired and is permanently displayed at Notre Dame. A new shillelagh, slightly larger than the original, was commissioned by Jim Gillis, a former baseball player at both USC and Notre Dame and onetime president of the Notre Dame Club of Los Angeles. The new trophy was handcrafted in 1997 in County Leitrum, Ireland, and contains medallions beginning with the 1990 game.

- $\square$  Notre Dame women's volleyball head coach Debbie Brown was twice named the national player of the year while helping USC win the 1976 and 1977 national championship in women's volleyball.
- $f \square$  Notre Dame's roster features eight players from the state of California. USC's roster does not have a player from Indiana.
- f Q Notre Dame head coach Charlie Weis (15 years) and USC head coach Pete Carroll (16 years) each spent much of their career in the NFL ranks. Weis coached with the New York Giants, New England Patriots and New York Jets, while Carroll worked with the Buffalo Bills, Minnesota Vikings, New York Jets and New England Patriots.
- $\square$  While each spent time with the Jets (Weis three years, Carroll five years) and Patriots (Weis a total of nine years over two stints, Carroll three years), the two never worked on the same staff.
- $\square$  The two did face one another on a total of 11 occasions through their respective tenures in the NFL.
- □ A number of players from USC and Notre Dame either attended the same high school or hail from the same hometown.

## NOTING THE BOSTON COLLEGE GAME

 $\Box$  The game was officially sold out making it the 195th consecutive sellout at Notre Dame Stadium. Since 1966, every Notre Dame home football game has been a sellout except one - a 1973 Thanksgiving Day game vs. Air Force. The Irish have now played in front of sellouts in 243 of their last 244 home games.

□ The following Notre Dame players extended streaks for consecutive starts: senior ILB Maurice Crum, Jr. (32), senior DE Trevor Laws (32), senior C John Sullivan (19), sophomore OT Sam Young (19), senior CB Terrail Lambert (16) and senior SS Tom Zbikowski (13).

 $\square$  With sophomore OG **Eric Olsen** and freshman WR **Duval Kamara** each earning their first respective career start for Notre Dame today, the Irish have already had 22 (10 on defense, 12 on offense) different players register their first career starts this season.

So., OG, Eric Olsen	Fr., WR, Duval Kamara

- □ Freshman WR **Duval Kamara** became the fifth Notre Dame freshman to start this year joining QB **Jimmy Clausen**, HB **Armando Allen**, WR **Golden Tate** and OLB **Kerry Neal**.
- f Q The 52-yard rush by L.V. Whitworth of Boston College in the first quarter was the longest of the season by a Notre Dame opponent. The previous long run of the season for an Irish opponent was a 45-yard burst by Georgia Tech's Tashard Choice.
- □ Boston College went ahead 13-0 on an eight-play, 41 yard drive just before halftime. The Eagles then used an interception return to the Notre Dame 11-yard line to set up another touchdown pushing the lead to 20-0. After the Irish drew within six points, 20-13, on Brian Smith's interception

return for touchdown, Boston College benefitted from a excessive celebration penalty that forced the Irish to kick off from their 15, and the Eagles returned the pooch kick 18 yards to the Notre Dame 44. Five plays later, a Matt Ryan to Kevin Challenger 13-yard pass returned the crucial two-score advantage to Boston College, 27-14. Those touchdown drives were the eighth, ninth and 10th this season for a Notre Dame opponent that failed to cover 45 yards. In fact, Irish foes have had 19 scoring drives (field goals or touchdowns) in 2007 of 45 yards or less. ☐ The Eagles rushed for 94 yards on 13 carries in the first half against the Irish. Boston College picked up 52 of those yards on one rush -- the fourth play from scrimmage for the Eagles (they also had a two-yard run on their first offensive play of the game). Notre Dame proceeded to limit Boston College to 40 yards on the ground (11 carries) the rest of the first half. The Eagles managed 74 yards of rushing in the second half, but it took 23 carries or just 3.2 yards per carry.

☑ Boston College controlled the ball 39:03 to Notre Dame's 20:57. It was the greatest time of possession disparity against the Irish in the 32-game Charlie Weis era. The previous high was when Air Force had a 38:35 to 21:25 edge last year in its 39-17 loss. It was the most possession time for an Irish opponent since Nov. 16, 1991 when Penn State racked up 39:47 of possession time

□ Notre Dame cut the Boston College lead to 20-14 following freshman OLB **Brian Smith's** 25-yard interception return midway through the third quarter. The interception return for touchdown was Notre Dame's second of the season (second in as many weeks). The Irish had not receorded defensive touchdowns in consecutive weeks since Oct. 22 and Nov. 5 of 2005 (against Tennessee and BYU). Both of the touchdowns were interception returns from current senior SS **Tom Zbikowski**.

☐ With his second carry, sophomore HB **James Aldridge** went over 100 rushes for his career.

□ Senior P Geoff Price picked up his eighth punt of 50 yards or more this season (21st career) following a 56-yard bomb that pinned Boston College at its own 11-yard line. Price, who pinned UCLA inside its 20-yard line on three different occasions last week, also pinned the Eagles inside the 20-yard line three times.

□ Senior TE John Carlson picked up his 80th career reception on a six-yard grab in the first quarter. Carlson stands third all-time in Irish tight end history with 82 career catches. Ken MacAfee (1974-77) holds the school record with 128 receptions and Anthony Fasano (2003-05) ranks second with 92.

☑ Senior DE **Trevor Laws** blocked a 34-yard field goal attempt by Steve Aponavicius midway through the second quarter. The blocked field goal is Laws' second of the season and fifth of his career. Laws, who finished the game with a career-high 11 tackles, has posted 10 or more tackles twice this season.

 $\Box$  Sophomore WR **Robby Parris** recorded a 26-yard reception midway through the second quarter, added a 28-yard grab in the third quarter and capped off Notre Dame's first scoring drive of the afternoon with a 19-yard touchdown catch (the first of his career). Notre Dame has nine passing plays over 20 yards this sea-

- □ Sophomore QB **Evan Sharpley** entered the game in the third quarter and promptly led the Irish on a 79-yard scoring drive to bring Notre Dame within 20-7. Sharpley went 4-for-7 for 64 yards and a touchdown on the drive (his third career touchdown pass).
- $\square$  Notre Dame has nine passing plays over 20 yards this season and Sharpley has six of those completions.
- $\Box$  Sharpley finished the afternoon 11-of-29 for 135 yards and one touchdown. He has guided the Irish to their three longest scoring drives of the season (79 and 81 yards at Purdue, 79 yards against Boston College).
- $\Box$  Freshman OLB **Brian Smith** returned a Matt Ryan pass 25 yards for a touchdown to cut the Boston College lead to jut six points, 20-14, midway through the third quarter. Smith is the first freshman to record an interception return for touchdown since Sept. 25, 1976. Bobby Leopold took a pick back 57 yards that afternoon in a 48-0 victory at Northwestern. Since freshman were made eligible in 1972, Smith is just the fourth to ever return an interception for touchdown.

## IN FRONT OF A FULL HOUSE

□ Notre Dame has played in front of sellout crowds in 198 of its previous 226 games, including 73 of its last 80 contests dating back to the Tostitos Fiesta Bowl at the end of the 2000 season (the 2001, 2003 and 2005 games at Stanford, the 2004 game vs. Navy at the Meadowlands, the 2005 game at Washington and the 2007 game at UCLA were not sellouts). At Michigan in 2003, the Irish and Wolverines attracted the largest crowd in NCAA history (111,726), marking the third time in the history of the series that an NCAA attendance record was set. Including last year's game at Georgia Tech, the Irish have been part of establishing a new stadium attendance record seven times since 2001. The list also includes: at Nebraska and Texas A&M in 2001, at Air Force and Florida State in 2002, home vs. Boston College in 2002, vs. Oregon State in the Insight Bowl in 2004 (the game set a Bank One Ballpark record for football configuration). Notre Dame and Michigan played before an over-capacity 111,386 at Michigan Stadium in September of 2005. At Purdue in '05, the Irish and Boilermakers played before 65,491 football fans, a Ross-Ade Stadium record (since the renovation of the facility in 2003). Penn State drew the second largest crowd in Beaver Stadium history for the meeting with the Irish earlier this season.

 $\square$  Notre Dame did not become the first school in NCAA history to ever play three regular season road games before crowds of 100,000. Both Penn State and Michigan exceeded that mark, but UCLA fell short.

## **TEAM NOTES**

□ A total of 68 different players have seen action this fall for Notre Dame. Of those 68 players, 37 are either freshmen or sophomores. The Irish have played 11 true freshman through their first seven games and five (Jimmy Clausen, Armando Allen, Golden Tate, Kerry Neal and Duval Kamara) have started.

□ Notre Dame has already had 22 (10 on defense, 12 on offense) different players register their first career starts this season. They include HB Armando Allen, QB Jimmy Clausen, DB Raeshon McNeil, WR George West, WR Golden Tate, FS David Bruton HB James Aldridge, ILB Toryan Smith, OG Dan Wenger, ILB Anthony Vernaglia, OLB Kerry Neal, DE Dwight Stephenson, Jr., OT Paul Duncan, OG Matt Carufel, OG Mike Turkovich, WR Robby Parris, TE Will Yeatman, OLB John Ryan, DE Derrell Hand, NT Pat Kuntz, RG Eric Olsen and WR Duval Kamara. The Irish have also used freshman place kicker Brandon Walker and sophomore punter Eric Maust.

□ With freshmen **Jimmy Clausen** (#7) and **Armando Allen** (#5) each starting against Penn State, it marked the first time since freshmen were made eligible in 1972 that Notre Dame started rookies at both quarterback and tailback.

 $\square$  Notre Dame played nine freshmen in the season-opening loss to Georgia Tech. It was tied for the fourth most freshmen to take the field in a season-opener since 1972.

 $f \square$  The Irish returned just five senior lettermen and eight junior lettermen. Of those 13 upperclassmen, only six had ever started a game for Notre Dame prior to this season.

 $\square$  Notre Dame returned just 30 letterwinners to the 2007 team. The total is the third lowest (or 117th) in the nation.

 $\square$  The Irish lost 28 lettermen from the 2006 team that finished 10-3 and earned a spot in the Allstate Sugar Bowl. The total is tied for the fifth most in the country.

#### FRESH HORSES

Eleven true freshmen have played for Notre Dame this season. HB **Armando Allen**, QB **Jimmy Clausen**, HB **Robert Hughes**, WR **Duval Kamara**, OLB **Kerry Neal**, TE **Mike Ragone**, OT **Matt Romine**, OLB **Brian Smith**, WR **Golden Tate**, PK **Brandon Walker** and NT **Ian Williams** all have made significant contributions in 2007, giving Irish fans good reason to feel optimistic about the future.

Allen (126) and Hughes (39) are second and third on the team in rushing. Allen is third on Notre Dame with 16 receptions for 61 yards. He has also added 19 kick returns for 383 yards (20.2 yards per return). Hughes picked up his first career touchdown against Michigan State.

Kamara is fourth on the Irish in receiving with 15 receptions for 155 yards -- good for 10.3 per catch. He had six grabs for 68 yards, including his first career touchdown earlier this season against Purdue.

Tate caught three passes for 104 yards and one touchdown at Purdue. He not only became the first freshman to catch a touchdown pass since Maurice Stovall (Nov. 23, 2002 against Rutgers), but also became the first Notre Dame freshman to surpass 100 yards receiving in a game since Derrick Mayes (100 yards on two catches) against Pittsburgh on Oct. 10, 1992. Tate also ranks 67th in the NCAA with a 23.42 yards per kick return.

Clausen has started six games this fall, becoming just the eighth freshman quarterback to start for Notre Dame since 1950. He has completed 81-of-141 (57.4%) for 618 yards and one touchdown.

Williams, Smith and Neal have been major additions to the Irish defense this fall. Neal has started each of the last three games at outside linebacker. He has registered eight tackles (five solo), including a sack. Neal has added three pass break-ups, two quarterback hurries (stat only tracked in home games) and a 11-yard fumble return setting up an Irish field goal against UCLA. Smith has played in six games and has registered 10 tackles (five solo), including two for loss and one sack. He has recorded a forced fumble and became the first freshman to return an interception for touchdown since 1976. Smith raced 25 yards to bring Notre Dame within six points, 20-13, against #4 Boston College. Williams leads all Irish first-year players with 19 total tackles (12 solo). He has a half tackle for loss.

Ragone has seen action in six games, mostly on special teams, while Romine played in two games before suffering an injury that has sidelined him the last four weeks.

Walker has handled the kicking duties the entire season. He is 4-of-6 on the season, including a career-best 48 yard kick at UCLA. Walker is the first left-footed kicker for Notre Dame since Harry Oliver in 1981.

## HUNDREDS OF FORMER PLAYERS TO FORM PRE-GAME "TUNNEL"

Another Notre Dame tradition will continue with the game versus arch-rival USC, as prior to the game the 2007 team will run through a tunnel comprised of former Irish football players (several hundred are expected to return). Former head coach Bob Davie wrote a letter to every former Notre Dame football player during the summer of 1997, with the University providing them with the opportunity to buy two tickets to the season opener and inviting them to be part of the tunnel ceremony. Nearly 250 Irish football alumni formed the tunnel prior to the 1997 opener versus Georgia Tech and approximately 300 former players formed the tunnel prior to the 1998 opener versus Michigan before returning again for the '99 opener vs. Kansas. Another such group is expected versus the Trojans.

#### HISTORY OF THE GREEN JERSEY

Although Notre Dame's official colors for athletics long have been listed as gold and blue, the color of the Irish home football jersey has switched back and forth between blue and green for more than 50 years.

While dark blue jerseys with a gleaming gold helmet and gold pants is the signature uniform for the Notre Dame football team, green has developed into an unofficial third school color.

Any discussion about the green uniforms in Notre Dame athletics history begins with the Notre Dame-USC football game on Oct. 22, 1977. Irish head coach Dan Devine – who had received a friendly suggestion from head basketball coach Digger Phelps during an off-season conversation – ordered special green jerseys four months in advance of the Irish-Trojan game. had not worn green jerseys since a 1968 Thanksgiving Day game in Yankee Stadium against Syracuse.

In what was billed as the best-kept secret in Notre Dame football history, most of the team was unaware of the uniform switch until 20 minutes before kickoff – although Devine allowed captains Ross Browner, Terry Eurick and Willie Fry to try on the new jerseys on Friday afternoon prior to the pep rally. Even though Fry hinted about the change at the rally that evening by calling for the fans to wear green to the game and referring to his teammates as the 'Green Machine,' the secret remained safe until the team returned after pregame warm-ups to find green jerseys with gold numbers handing in each player's locker.

Notre Dame Stadium already was operating at a fever pitch that day before the team even took the field. The student body wheeled a homemade Trojan horse onto the field to symbolize the historical Fall of Troy. The Irish fans also were eager to make up for the 55-24 loss to USC in 1974, a game that Notre Dame led 24-6 at halftime.

The Irish rolled to a 49-16 victory over USC in their green jerseys and the "Green Machine" was born. Notre Dame wore the jerseys for the rest of the season, sweeping through the remainder of the schedule and thumping #1 Texas, 38-10, in the Cotton Bowl to earn the national cham-

Gerry Faust outfitted his Irish teams in green jerseys for victories over USC in 1983 and '85 (the team switched to green during halftime of the '85 game). Lou Holtz incorporated green twice in his tenure, sparking the team to a 1982 Sugar Bowl victory over Florida with green numbers on white jerseys. The team also wore green in a 35-28 loss to Georgia Tech for the 1999 Gator Bowl while Tyrone Willingham's 2002 team wore green in a 14-7 loss to Boston College.

Although the 1977 Notre Dame-USC football game marked the renewal of the green jerseys, Notre Dame football teams have been wearing green in one fashion or another since Knute Rockne patrolled the sidelines during the 1920s. In those days, the Notre Dame varsity team usually wore blue while the freshman squad was outfitted in green.

On several occasions, Rockne's varsity team did wear green – simply for purposes of distinction when the Irish opponent also came out in blue. Games against Navy in the late 1920s, for example, featured green-clad Notre Dame teams in order to avoid confusion with the Navy's blue uniforms.

Rockne didn't mind using the color change as a psychological ploy. When Notre Dame faced Navy in Baltimore in 1927, the Irish head coach started his second-string reserves. Navy took advantage by scoring a touchdown in the first five minutes of the game. Immediately following the Midshipmen's score, Rockne made his move, as reported by George Trevor in the New York

"Instantaneously, the Notre Dame regulars yanked off their blue outer sweaters and – like a horde of green Gila monsters – darted onto the field. From that moment on, Notre Dame held the initiative, imposed its collective will upon the Navy."

Notre Dame came from behind to win that game, 19-6, and then used the same maneuver the following year at Chicago's Soldier Field. That 1928 game saw Notre Dame beat Navy, 7-0, with the Scholastic Football Review including this description:

"Mr. K.K. Rockne may, or may not, be a psychologist. But, he did array his team in bring green jerseys for their battle with the United States Naval Academy. Mr Rockne evidently surmised that garbing a band of native and adopted Irish in their native color is somewhat akin to showing a bull the Russian flag."

The green jerseys remained prominent throughout the Frank Leahy years - particularly son in September of 1947, when Heisman Trophy winner Johnny Lujack graced the cover of Life magazine clad in green. Several of Joe Kuharich's squads wore green with UCLA-style shoulder stripes and shamrocks on the helmets. Even Hugh Devore's 1963 team, after wearing blue all season, switched to green for the season finale against Syracuse.

## YOUTH ON SERVE

Notre Dame used a total of 61 players in the season opener against Georgia Tech. An incredible 31 of those players were either freshmen or sophomores, including five that started. Just over 50% of the players on the field were in their first or second year with the Irish. On the other hand, Georgia Tech started just one freshmen or sophomore and played only 19 first or second year players.

The 31 freshmen and sophomores playing in a season opener stands as the most in Irish history. The previous high for first and second year players in a Notre Dame season opener came during the 1983 and 1989 seasons (29).

## NEWCOMERS THROWN INTO ACTION

In the season opening loss against Georgia Tech, nine members of the 2007 signing class saw their first action. Armando Allen (Fr., HB), Jimmy Clausen (Fr., QB), Robert Hughes (Fr., HB), Duval Kamara (Fr., WR), Kerry Neal (Fr., LB), Matt Romine (Fr., OT), Golden Tate (Fr., KR), Brandon Walker (Fr., PK) and Ian Williams (Fr., NT) each played in their first season with the Irish. In addition to those nine players from the 2007 signing class making their Notre Dame debuts versus Georgia Tech, the following players saw action in an Irish uniform for the first time: Thomas Bemenderfer (Jr., OC), Dan Wenger (So., OG), Demetrius Jones (So., QB), Leonard Gordan (So., DS/DC), Luke Schmidt (So., FB), Paddy Mullen (So., DT) and Kallen Wade (So., DE). In all, 16 of the 61 players that played against Georgia Tech for Notre Dame were making their first ever appearance in an Irish uniform.

## MORE ON THE FRESHMEN

Notre Dame used nine freshmen in its season opening loss to Georgia Tech. It was tied for the fourth most used in an opener since the freshman eligibility rule became enacted in 1972. The Irish used 11 freshmen in the 2006 opener against the Jackets. A total of 14 frosh played in the 36-13 win over Virginia in the 1989 Kickoff Classic and 12 saw action in the 52-6 blowout of Purdue in 1983

# Return To Sender (since 1999)

The return game has been a source of strength for Notre Dame in recent years. The Irish have logged 41 returns (punts, kickoffs, fumbles, interceptions) for touchdowns during the past nine seasons (1999-07), a figure that ranks tied for ninth in the country during that stretch. Here's a look at the national leaders in TD returns since 1999 (research courtesy of Colorado):

#### STARTING SOMETHING

104

Five offensive players and four players on the defensive side of the ball picked up their first career starts in the loss against Georgia Tech. George West (X), Paul Duncan (LT), Michael Turkovich (LG), Dan Wenger (RG) and Demetrius Jones (QB) each started the game for the first time for the Irish offense, while Pat Kuntz (NT), John Ryan (OLB), Anthony Vernaglia (OLB) and David Bruton (FS) hit the field the first play for the Notre Dame defense.

#### SCHEDULE NOTES

□ Notre Dame will face eight teams that went to bowl games last year: Georgia Tech (Gator), Penn State (Capital One), Michigan (Rose), Purdue (Champs), UCLA (Emerald), Boston College (Meineke Car Care), USC (Rose) and Navy (Meineke Car Care).

 $\Box$  Notre Dame is the only school in the country to face a school from a BCS conference over the first eight weeks of 2007. The next longest streak to open this season is four (Florida Atlantic). The Irish also play a total of 10 BCS affiliated schools (which is tied for second most in the NCAA).

□ The Irish take on Duke for the first time since 1966. Notre Dame leads the brief all-time series, 2-1. The Irish blanked the Blue Devils, 64-0, in the last meeting.

f Q Notre Dame travelled to the Rose Bowl for the first time since Knute Rockne brought his eventual national champion 1924 squad to Pasadena to face Stanford in the Rose Bowl. The '24 team featured the Shock Troops, Seven Mules and the famous Four Horsemen.

f Q Notre Dame is one of 12 I-A teams (only two other BCS schools) to play six straight weekends to open the season and have four of the six games on the road. The others are Akron, Buffalo, Florida International, Eastern Michigan, Duke, Kent State, Miami (Ohio), San Jose State, Troy, Utah State and West Virginia.

 $\square$  Notre Dame's schedule is ranked as the second most dificult in the country by Sagarin. Washington is the only school rated with a tougher schedule.

#### 2007 NOTRE DAME OPPONENT UPDATE

Below is a look at Notre Dame opponents' results from last week. Since 1977, when the NCAA started rating strength of schedule, Notre Dame's schedule has been rated the most difficult five times in the last 30 years (1978, 1985, 1987, 1989 and 1995).

Opponent	'07 Record	Oct. 13
Georgia Tech	4-3	W, 17-14 (at Miami)
Penn State	5-2	W, 38-7 (#19 Wisconsin)
Michigan	5-2	W, 48-21 (Purdue)
Michigan State	5-2	W, 52-27 (Indiana)

Air Force	5-2	W, 45-21 (at Colorado State)
Duke	1-6	L, 14-43 (#12 Virginia Tech)
Stanford	2-4	L, 36-38 (TCU)

Notre Dame 2007 Opponents' Combined Record: 52-28 (.650)

#### ONLY THE BIG BOYS

Notre Dame is one of just five NCAA Division I-A programs that has never faced a non-Division I-A opponent since the current division setup was established in 1978 (the division's names have undergone a change this year, but the setup is still the same). The four remaining schools that have yet to play a non-Division I-A opponent since the advent of the current format are Michigan State, USC, UCLA and Washington. The list stood at seven entering this season, but Michigan and Ohio State each opened its respective seasons with Appalachian State and Youngstown State on Sept. 1.

## IRISH ADD HERALDED SIGNING CLASS

This preseason, Notre Dame has welcomed another outstanding recruiting class under third-year head coach Charlie Weis. The Irish signing class has been ranked as high as fifth (tied) in college football. Below charts where the media experts tabbed Notre Dame's 2007 incoming class:

#### IRISH STRONG IN OCTOBER

Notre Dame enters the USC game having won 29 of its last 35 games in the month of October, dating back to a 20-17 loss to the Trojans on Oct. 18, 1997. Since the 1988 season, Notre Dame is 61-13 (.824) in October and was 32-7 (.821) in October in the 1990s.

## **DEFENSIVE NOTES**

- $\square$  The Irish return 18 letterwinners and five starters on defense. Heading the list of returnees is two-time All-America strong safety **Tom Zbikowski**.
- □ With the addition of new defensive coordinator Corwin Brown, Notre Dame switched from its previous 4-3 base defense to a 3-4. The change was due in large part to head coach Charlie Weis' familiarity with the scheme from his time in the NFL.
- $\Box$  Fifth-year senior LB **Joe Brockington** broke onto the scene in 2006 starting the final nine games. Brockington finished the season with 59 tackles, good for fifth on the team. He recorded a career-best 15 stops at Air Force.
- □ Notre Dame is replacing three of its four starters on the defensive line with the graduation of tackle Derek Landri and ends Victor Abiamiri and Chris Frome. Fifth-year senior **Trevor Laws** is the lone returning starter. Laws registered 62 tackles, 40 solo, and 11 for loss, including four sacks. □ While Penn State scored 31 points and totaled 164 yards on the ground, the stats are a little misleading. The Irish limited the Nittany Lion ground game to just 57 yards through the opening three quarters. Notre Dame's first team defense held Penn State to 126 yards on 42 carries --- just 3.0 yards per rush.
- $f \square$  The Irish first team defense also denied the Nittany Lions a single rush beyond 12 yards.
- $\square$  Penn State starting running back Austin Scott finished the night with 116 yards, but 53 came on just nine carries in the fourth quarter against a tied Irish defense.
- □ Notre Dame's secondary held Penn State and senior quarterback Anthony Morelli to just 131 yards on 12-of-22 passing (51 yards came on one reception). The Irish limited senior Derrick Williams to just two receptions for 14 yards. Penn State managed just five catches for 10 yards or longer and only one reception topped 16 yards.

## NOTRE DAME MAKES LIFE OF OPPOSING QUARTERBACK DIFFICULT

Boston College quarterback Matt Ryan (32-of-49 for 291 yards) became the first opposing quarterback to complete 60% of his passes against the Irish this season. He was also the first signal caller to surpass 255 yards in the air. Excluding Ryan, the Irish passing defense has limited their opposing quarterbacks to a combined completion percentage of 49.7% (79-of-159).

## IRISH SECONDARY BLANKET STAR WIDEOUTS

Notre Dame has faced the likes of Greg Smith (3 rec., 31 yards; Georgia Tech), Demaryius Thomas (1 rec., 9 yards; Georgia Tech), Jordan Norwood (3 rec., 20 yards; Penn State), Adrian Arrington (2 rec., 15 yards; Michigan) and Dorien Bryant (8 rec., 82 yards; Purdue). That group of five receivers managed just 17 receptions for 157 yards (only 9.2 yards per catch). That same group of wideouts is averaging 13.8 yards per reception against everyone else. Here is a further breakdown of the Irish success against the top receiving options of their 2007 opponents.

## IRISH SECONDARY ONE OF THE MOST IMPROVED IN THE COUNTRY

With the return of experienced defensive backs, including senior SS **Tom Zbikowski**, senior DB **Terrail Lambert**, senior DB **Ambrose Wooden**, sophomore DB **Darrin Walls** and the emergence of junior FS **David Bruton**, the Irish figured to have a vastly improved secondary in 2007. Well, the improvements are significant and looks as though Notre Dame could have one of its best units in years. The Irish are allowing over 30 fewer yards per game in the air this season and almost 100

## College Graduates

The 2007 Notre Dame roster features nine players who have already earned their undergraduate degree from the University. Fifth-year seniors Joe Brockington, John Carlson, Trevor Laws, Geoff Price, Dwight Stephenson, Jr., John Sullivan, Travis Thomas, Ambrose Wooden and Tom Zbikowski all graduated from Notre Dame in May of 2007.

The fifth-year senior group also proved to be diligent workers in the classroom - especially in their final undergraduate semester at the University. The football team posted a 3.04 GPA for the spring semester in 2007, exceeding the 3.0 mark for the fourth consecutive semester.

Here is a list of the graduates on the 2007 Notre Dame football team.

- □ ILB Joe Brockington: degrees in American studies and computer applications from the College of Arts and Letters.

 $\Box$  UCLA came into the matchup with Notre Dame averaging 24.6 points per game, 424.6 total yards per game, 199.4 rushing yards per game (16th in the NCAA at the time) and 225.2 passing yards per game. The Irish held the Bruins well below their averages in each of those categories.

Stat	Avg. Entering Game	Vs. Notre Dame	Difference
Points	24.6	6	-18.6
Total Yards	424.6	282	-142.6
Rushing Yard	ds 199.4	89	-110.4
Passing Yard	ds 225.2	193	-32.2

- $f \square$  The Irish forced three turnovers in the third quarter and then again in the fourth quarter. It was the most turnovers forced by the Irish in a single quarter since Notre Dame forced three against Michigan State on Sept. 23, 2006.
- $\Box$  The Irish forced  $\alpha$  total of seven UCLA turnovers. It was the most turnovers forced by  $\alpha$  Notre Dame defense since Purdue had eight turnovers against the Irish on Sept. 30, 1989.
- $\square$  Notre Dame turned those seven turnovers into 17 points -- the most points off turnovers in a single game since Penn State on Sept. 8, 2006 (Notre Dame also had 17 points off turnovers).

- $\Box$  Notre Dame held UCLA without an offensive touchdown. It marked the first game the Irish held their opponent without an offensive touchdown since a 38-3 victory over Washington (Sept. 25, 2004).
- ☐ The Irish blanked UCLA in the second half. Notre Dame had not held an opponent scoreless over an entire half since Navy on Oct. 28, 2006.
- $\Box$  Notre Dame totaled a season-high five sacks. It was the most sacks for the Irish since Stanford on Oct. 7, 2006.
- $\ensuremath{\square}$  The Irish limited the Bruins to just 29 yards rushing on 15 carries in the second half.

#### TREVOR LAYING DOWN THE LAWS

- $\Box$  Senior DE **Trevor Laws** has been quite active in his new role as DE in the Notre Dame 3-4 defense. Laws, who finished fifth on the Irish in tackles last year, leads the Irish with 58 tckles this season. He also leads Notre Dame with 5.5 tackles for loss. He has even chipped in with a pair of blocked field goals (five for his career).
- $\ensuremath{\mathbf{\square}}$  Laws was recently named a midseason second team All-American by Phil Steele.
- $\square$  Laws currently ranks tied for 91st in the NCAA in tackles at 8.14 tackles per game (total of 58). He leads the nation in tackles among defensive lineman. The 58 tackles already ranks in the top 20 all-time in single season tackle history by Irish defensive lineman.

- $\Box$  Laws recorded six tackles, a sack (his seventh career sack) and two pass break-ups in the 20-6 victory at UCLA on Oct. 6. The sack was the second of his season. Laws now has 13.5 tackles for loss.
- $f \square$  Laws continued to fight through double and sometimes triple teams at Purdue. He finished the game with six tackles, including a career-high 3.0 for loss, and one sack.
- $\Box$  Laws put together his fourth consecutive tremendous effort in the loss against Michigan State. He totaled nine tackles, a fumble recovery, a pass break-up and two quarterback hurries.
- $\square$  Laws' effort against the Wolverines is even more impressive when you consider he moved to right defensive end and lined up against Michigan All-American left tackle Jake Long. Laws not only had seven tackles, but he added 1.5 for loss.
- $f \square$  Laws totaled nine stops in the season opener against Georgia Tech, followed with a then career-high 10 stops at Penn State, seven more tackles against Michigan and six stops (three for loss) at Purdue. He also added a quarterback hurry and blocked field goal against the Yellow Jackets. The field goal block was the fourth of his Irish career.

#### ZIBBY NOW ALL-TIME LEADER IN TACKLES BY A DEFENSIVE BACK

After picking up six tackles against Penn State, two-time All-American strong safety **Tom Zbikowski** became the Notre Dame career leader for tackles by a defensive back. With 260 career stops, Zbikowski ranks ahead of Jim Browner (228, 1976-78) for the top spot. He ranks 16th all-time in Notre Dame tackles history regardless of position. Zbikowski recently passed Wes Pritchett (1985-88) and Drew Mahalic (1972-74).

#### ZIBBY HAS A KNACK FOR THE FOOTBALL

□ Senior All-American SS **Tom Zbikowski** is fifth on the Irish with 41 tackles, including 25 solo stops. He has added a sack, interception, pass break-up and three forced fumbles. Zbikowski is also averaging 10.3 yards per punt return (11 for 113). With three career punt return for touchdowns, he currently shares the school record with four other players (Allen Rossum, 1994-96; Ricky Watters, 1987-90; Tim Brown, 1984-87; Nick Rassas. 1963-65).

f 2 Zbikowski recorded his second career sack and forced his third fumble of the season on the same play setting up the Irish field goal late in the first quarter in the 20-6 win at UCLA on Oct. 6. Zbikowski has now been involved in a total of 16 turnovers (seven forced fumbles, seven interceptions, two fumble recoveries) during his brilliant four-year career. The sack was his first since Nov. 5, 2005 against Tennessee. Zbikowski finished the game against the Bruins with five tackles.

 $\ensuremath{\square}$  Zbikowski was recently named a midseason second team All-American by Phil Steele.

 $f \square$  Zbikowski picked up six tackles and a pass break-up against No. 4 Boston College. He also added three punt returns for 34 yards, including an 18-yard return.

 $f \square$  Against Purdue, Zbikowski recorded his seventh career interception and first since Nov. 12, 2005 against Navy. He has caused three turnovers this season, including two forced fumbles against Penn State on Sept. 8. He recorded seven tackles on the afternoon.

☑ Zbikowski forced the fifth and sixth fumbles of his career against Penn State on Sept. 8. He became the first Irish player to record two forced fumbles in the same game, since, well, himself against Michigan State in 2004. Zbikowski has six career interceptions (two returned for touchdowns) and two fumble recoveries (both returned for TDs).

## CRUMBLING THE COMPETITION

 $\Box$  Senior LB **Maurice Crum, Jr.**, totaled 100 tackles in 2006 to lead Notre Dame. Crum was the first Irish player to eclipse the 100 tackle mark since Courtney Watson had 117 in 2003.

Crum, who missed most of the game with No. 4 Boston College due to a toe injury, is tied for third on the Notre Dame defense with 48 tackles. He has 3.5 tackles for loss, one sack, two interceptions, four pass break-ups, two forced fumbles, two fumble recoveries, including a 34-yard fumble return for touchdown against UCLA.

 $f \square$  Crum was recently named a midseason third team All-American by Phil Steele.

 $\square$  Crum, Jr. went over 200 tackles for his career in the victory over UCLA on Oct. 6. However, it was almost forgotten considering the rest of his evening.

☐ Crum, Jr. recorded a forced fumble and fumble recovery on the same play midway through the third quarter. For Crum, it was his first forced fumble and fumble recovery of the season (first career fumble recovery and third forced fumble of career).

 $\Box$  Crum, Jr. added another forced fumble and promptly scooped up the ball and raced 34-yards for a touchdown. The TD was Crum's first career score and was the first fumble return for touchdown since Tom Zbikowski against Penn State on Sept. 9, 2006.

 $\Box$  Crum, Jr. added his second career interception (first of the season) in the fourth quarter. Crum was the first Irish player to force three turnovers (two fumbles, one interception) in a single-game since Shane Walton had three (all interceptions) against Maryland on Aug. 31, 2002.

□ Crum, Jr. would add another INT late in the fourth quarter. He is the first Irish player ever to record four turnovers in a single game. Crum also recorded a team-high tying seven tackles.

□ Crum, Jr., was all over the field in the loss to Michigan State on Sept. 22. The senior linebacker registered a career-best 16 tackles, including six solo stops. His previous career-high for tackles in a game was 14

against Penn State in 2006.

☐ Crum, Jr., as well as senior DT Trevor Laws and junior FS David Bruton, led the Irish with nine tackles against Georgia Tech. For Crum, it was the fifth time in his career he led Notre Dame in tackles. He led the Irish in tackles four times in 2006 (Penn State, 14; UCLA, 8; UNC, 9; USC, 9). Crum, Jr., added a tackle for loss versus the Jackets.

## WHO SAYS KUNTZ IS UNDERSIZED AT NOSE TACKLE?

 $\Box$  Junior NT **Pat Kuntz** entered the 2007 season without a single start and just 11 tackles in 21 career games. Kuntz has excelled in Notre Dame's new 3-4 defensive scheme. He has registered 33 tackles, three times his entire total from the previous two seasons, over the first seven games. Kuntz picked up a career-high eight stops and a half-tackle for loss against Penn State on Sept. 8.

 $\square$  Kuntz, who many have said is undersized, has managed to knock down seven passes from the line of scrimmage. He has already surpassed Chinedum Ndukwe's team-high from the entire 2006 season. Kuntz batted down two passes against both Georgia Tech (Sept. 1) and UCLA (Oct. 6).

 $\square$  Kuntz is on pace to tie the school record for pass break-ups in a single-season. Of those players that have broken up 10 or more passes in a single season, he would be just the second non-defensive back on the list (David Martin, 1966).

## Passes Broken Up - Season

1.	Shane Walton	14 (2002)
2.	Clarence Ellis	13 (1969)
3.	Dave Waymer	12 (1978)
4.	Tom Schoen	11 (1967)
5.	Luther Bradley	11 (1973)
6.	Dennis Phillips	10 (1963)
	Tony Carey	10 (1964)
	Tom Longo	10 (1964)
	David Martin	10 (1966)
	Thomas O'Leary	10 (1966)
	Ralph Stepaniak	10 (1969)

#### BROCKINGTON MAKES HAPPY RETURN TO HAPPY VALLEY

 $\square$  Senior ILB **Joe Brockington**, a native of Palmya, Pa., is second on the Irish defense with 57 tackles, including 34 solo stops. He has 4.5 tackles for loss (second best on the team) and one fumble recovery. Brockington made a career-best 15 stops against Air Force in 2006 and has eclipsed the double-digit tackle barries twice already in 2007.

## SOMETHING BRUTON IN THE NOTRE DAME SECONDARY

 $\square$  Junior FS **David Bruton** is tied for third on Notre Dame with 48 tackles, including 33 solo stops. Bruton has three tackles for loss, a sack and two interceptions.

 $\square$  Bruton recorded his second career interception in the 20-6 victory at UCLA on Oct. 6. Bruton returned it 17 yards to set up the eventual gamewinning touchdown (Irish took a 13-6 lead they never relinquished).

 $f \square$  Bruton picked up first first career interception in the loss to Michigan State on Sept. 22. Bruton also added a career-best 15 tackles, including seven solo.

 $f \square$  Bruton made quite an impression in his first career start for the Irish in the season opener against Georgia Tech. He finished with a game-high tying nine tackles, two for loss, and a sack. Bruton also managed to pick up a special teams tackle on senior Geoff Price's 55-yard long punt -denying the Georgia Tech returner to gain a single yard. He once again led Notre Dame in tackles against Michigan. Bruton recorded nine stops and one for loss.

The Irish, however, made the necessary adjustments in the second half and slowed down the Boilermaker attack. Purdue managed just 109 total yards (63 in the air and 46 on the ground) and 10 points after halftime. The Boilermakers averaged just 3.1 yards per play in the second half, way down from the 6.0 yards per play before intermission.

#### WATCH OUT FOR WALLS

Sophomore DB **Darrin Walls** not only registered his first career interception, but the Pittsburgh, Pa., native returned it 73 yards for a touchdown against Penn State. The interception return was the first for the Irish since senior DB Terrail Lambert turned the task against Michigan State in 2006. The 73-yard INT return was the longest interception return since senior SS Tom Zbikowski returned a pick 83 yards against BYU on Oct. 22,2005.

#### MORE FROM THE IRISH DEFENSE AGAINST THE YELLOW JACKETS

 $\square$  Of Georgia Tech's four scoring drives before intermission, three began in Irish territory (two after fumbles) and another opened at the Yellow Jacket 47-yard line. In fact, four scoring drives that resulted in 16 of their 33 points came off drives of 18, 36, 21 and 17 yards.

f Q While Tashard Choice did gain 196 yards on 26 carries, the Irish actually bottled up the Georgia Tech star for most of the afternoon. Choice collected 106 of those 196 yards on just four carries. Take away those runs, Notre Dame limited Choice to 90 yards on 22 totes.

 $f \square$  The Irish did not allow Georgia Tech a single third down conversion in the first half. The Yellow Jackets were 0-for-6 on third down and did not register a third down conversion until their seventh drive of the afternoon.

 $\square$  Notre Dame allowed just over 200 yards (203.4) per game passing in 2006. The Irish also allowed their opponents to complete just over 55% of its passes a year ago. Georgia Tech completed, though, on just 45% (11-for-24) of its throws for a mere 121 yards.

## **OFFENSIVE NOTES**

□ Notre Dame returns 10 letterwinners on offense, including three starters. The returnees include Freshman All-American lineman **Sam Young** and second team All-America tight end **John Carlson** as well as Rimington and Outland Trophy candidate **John Sullivan**.

☐ The Irish offensive line has two of five starters back from last year in sophomore **Sam Young** and senior **John Sullivan**. Among the departed were tackle Ryan Harris, who finished his career with 45 consecutive starts, and guard Dan Santucci, who closed his with 25 straight.

 $f \Box$  Senior TE **John Carlson**, a Mackey Award finalist in 2006 and Maxwell Award candidate in 2007, exploded onto the scene last season becoming Notre Dame's third-leading receiver in terms of yardage and worked his way into the Fighting Irish record books. The 6-6, 256-pound student-athlete from Litchfield, Minn., caught 47 passes for 634 yards and four touchdowns despite missing almost three entire games. Carlson recorded the second-most receiving yards in a single season ever by a Notre Dame tight end and ranked third for most receptions in a single season by a tight end. He ranked second in the NCAA Division I in receptions per game by a tight end and third for most receiving yards per game by a tight end and third for most receiving yards per game by a tight end and third for most receiving yards per game by a tight end in 2006.

☐ Carlson was recently named a semifinalist for one of college football's most sought after and competitive awards. The Draddy Trophy recognizes an individual as the absolute best in the country for his combined academic success, football performance and exemplary community leadership

Nominated by their schools, which are limited to one nominee, semifinalists must be a senior or graduate student in their final year of eligibility, have a GPA of at least 3.2 on a 4.0 scale, have outstanding football ability as a first team player, and have demonstrated strong leadership and citizenship. Established to honor former NFF Chairman Vincent dePaul Draddy, a Manhattan College quarterback who developed the Izod and Lacoste brands, the award comes with a 24-inch, 25-pound bronze trophy and a \$25,000 post-graduate scholarship.

Carlson, who was a ESPN The Magazine/CoSIDA Academic All-American in 2006, graduated last May from the College of Arts and Letters with a degree in history. He earned a 3.917 grade-point

The NFF Awards Committee will select and announce up to 15

finalists on Oct. 25. Each finalist will be recognized as part of the 2007 National Scholar- Athlete Class, receiving an \$18,000 post-graduate scholarship. The Draddy winner, who will receive a \$25,000 postgraduate scholarship, will be announced at the NFF's Annual Awards Dinner on December 4 at the prestigious Waldorf-Astoria in New York City. A total distribution of more than \$300,000 in scholarships will be awarded that evening.

## IRISH AIM TO CONTINUE QUARTERBACK'S FIRST-START MAGIC

- □ Notre Dame opened the 2007 season with a new starting quarterback, sophomore **Demetrius Jones**. While history was on the side of the young signal caller, he was not able to add to the lore of first time starting Irish QBs. From 1985-98, Notre Dame was victorious in nine straight games in which an Irish quarterback was making his first career start, including four coming in a season opener. Those openers were won by Rick Mirer (#1 Notre Dame def. #4 Michigan 28-24 in '90), Kevin McDougal (#7 Notre Dame def. Northwestern 27-12 in '93), Ron Powlus (#3 Notre Dame def. Northwestern 42-12 in '95) and Jarious Jackson (#22 Notre Dame def. #5 Michigan 36-20 in '98).
- f Q Notre Dame's nine-game, first-start streak ended in the 10-0 loss at USC on Nov. 28, 1998, when Eric Chappell started in place of the injured starter Jackson (then-freshman Arnaz Battle also played a large chunk of that game).
- □ Freshman **Jimmy Clausen** started at Penn State on Sept. 8 and became the fourth straight Irish quarterback to lose in his first career start. Notre Dame had won the three previous games in which a quarterback debuted (Arnaz Battle, 9/2/00; Gary Godsey, 9/16/00; Matt Lovecchio, 10/7/00).
- $\square$  Sophomore **Evan Sharpley** will have a chance this weekend against USC to snap Notre Dame's recent skid under first time starting quarterbacks.
- □ Interestingly enough, the Irish is 7-1 under a first-time starting quarter-back when playing in Notre Dame Stadium (since 1985). The only defeat came earlier this season when **Demetrius Jones** started against Georgia Tach

Last 17 starting debut games by Irish quarterbacks (Notre Dame is 12-5 in those contests).

- □ Terry Andrysiak, sophomore (vs. Mississippi, 11/9/85, 8th game of season) ... win, 37-14 ... 4-of-8 passing, 60 yards, TD ... 2 rushes for -7 yards.
- □ Tony Rice, sophomore (#11 Notre Dame at Air Force, 10/17/87, 5th game of season) ... win, 35-14 ... 1-of-5 passing, 10 yards, INT ... 9 rushes for 70 yards, 2 TD ... played due to Andrysiak's broken collarbone injury, in previous game at Pittsburgh.
- □ Kent Graham, freshman (#9 Notre Dame vs. Boston College, 11/7/87, 8th game of season) ... win, 32-25 ... 6-of-8 passing, 11 yards, INT ... 3 rushes for 7 yards.

- □ Paul Failla, freshman (#8 Notre Dame at Purdue, 9/28/91, 4th game of season) ... win, 45-20 ... 1-of-1 passing, 10 yards ... 2 rushes for 11 yards ... started in place of Mirer due to team policy of "no practice, no start" (Mirer had pulled rib cartilage during the week) ... Mirer replaced Failla beginning with the second series.
- □ Kevin McDougal, senior (#7 Notre Dame vs. Northwestern, 9/4/93, 1st game of season) ... win, 27-12 ... 6-of-8 passing, 135 yards ... 5 rushes for 16 vards.
- ☐ Ron Powlus, sophomore (#3 Notre Dame at Northwestern, 9/3/94, 1st

#### SHARP(LEY) OFF THE BENCH

- $\Box$  Junior quarterback **Evan Sharpley**, who served as the Irish backup to departed All-American Brady Quinn last year, replaced an injured **Jimmy Clausen** against Purdue and promptly led the Irish on a pair of fourth quarter scoring drives. Sharpley was 11-of-18 over the two scoring drives for 139 yards. He went 5-of-7 for 69 yards capped off with a sevenyard strike to freshman **Duval Kamara** to make it 26-12. On the ensuing Notre Dame drive, Sharpley went 6-of-11 for 70 yards, including a 25-yard touchdown pass to freshman **Golden Tate** to make it 26-19. He was 16-of-26 for 208 yards and two touchdowns. Sharpley is the first quarterback, other than Quinn, to not only eclipse 200 yards passing in a game, but also to throw for two touchdowns since Carlyle Holliday did both against Rutgers on Nov. 23, 2002.
- $\Box$  Sharpley entered the game in the third quarter against No. 4 Boston College and promptly led the Irish on a 79-yard scoring drive to bring Notre Dame within 20-7. Sharpley went 4-for-7 for 64 yards and a touchdown on the drive (his third career touchdown pass).
- $\mbox{\ensuremath{\square}}$  Notre Dame has nine passing plays over 20 yards this season and Sharpley has six of those completions.
- $\square$  Sharpley finished the afternoon 11-of-29 for 135 yards and one touchdown. He has guided the Irish to their three longest scoring drives of the season (79 and 81 yards at Purdue, 79 yards against Boston College).

## NO TURNOVERS = VICTORY (USUALLY)

Notre Dame did not commit a turnover in its 20-6 victory at UCLA on Oct. 6. It was the first game this season that the Irish failed to commit a turnover. Notre Dame did not commit a turnover in six of its 13 games last season -- and to the surprise of nobody -- the Irish were 6-0 in those contests. Excluding the 2006 Fiesta Bowl against Ohio State and the 2004 regular season finale at USC, the Irish had not lost a game in which it failed to commit a turnover since 1985. That USC defeat snapped an

amazing 41-game unbeaten streak (40-0-1) for the Irish when they didn't commit a turnover. Prior to the '04 game with the Trojans, the last time a Notre Dame team lost a game without committing a turnover was in a 34-30 loss at Penn State on Nov. 12, 1983. In all, Notre Dame is 48-2-1 since 1983 when not turning over the football.

## BABY IRISH GROWIN' UP

Notre Dame's offense broke through against Purdue on Sept. 29. The Irish set season-highs in points (19, since topped), touchdowns (3), passing yards (377), total yards (426), total yards per play (5.5), passing yards per completion (11.1) and passing yards per attempt (7.2). Notre Dame had nine different receivers make catches, including 21 from either freshmen or sophomores. In fact, of the 377 yards in the air, 293 were recorded by first or second year players.

#### QUITE THE FRESHMAN DUO

The Notre Dame wide receiver duo of **Golden Tate** and **Duval Kamara** each had breakout games at Purdue on Sept. 29. Tate had three receptions for 104 and a touchdown, while Kamara hauled in six passes for 68 yards with a touchdown. Tate not only became the first freshman to catch a touchdown pass since Maurice Stovall (2002 against Rutgers), but also became the first Notre Dame freshman to surpass 100 yards receiving in a game since Derrick Mayes (100 yards on two catches) against Pittsburgh on Oct. 10, 1992. Tate and Kamara also became the first freshman tandem to register touchdown receptions in the same game since Sept. 24, 1988. Derrick Brown and Raghib "Rocket" Ismail each had touchdown grabs in a 52-7 victory over Purdue.

#### CLAUSEN FINDS WAY

Freshman signal caller **Jimmy Clausen** had his best game to date at Purdue on Sept. 29. Clausen, who missed most of the fourth quarter after suffering a hip injury, was 18-of-26 for 169 yards and one touchdown. The 18 completions, 169 yards and touchdown were all career-highs. Clausen recorded a completion percentage of 69.2% against Purdue -- second-highest ever by a Notre Dame freshman quarterback (only Steve Beuerlein (.700, 14-for-20) at Penn State on Nov. 12, 1983 completed a higher percentage). His 18 completions also rank as the fourth most ever by a Notre Dame freshman quarterback.

## AWAKEN THE IRISH PASSING GAME

Notre Dame entered the game with Purdue ranked 117th in the NCAA in passing (111.25 yards per game). The Irish attempted 52 passes and threw for 377 yards and three touchdowns. The 52 pass attempts were the most since Sept. 17, 2005 against Michigan State, while the 377 yards passing were the most since Nov. 26, 2005 at Stanford. Freshman **Jimmy Clausen** completed 18-of-26 passes for 169 yards and one touchdown, while junior **Evan Sharpley** went 16-of-26 for 208 yards and two touchdowns. The 34 total completions were a single-game school record. The previous mark of 33 completions was set against Michigan State (2005) and USC (1970).

## PARRIS LIGHTS UP PURDUE

Notre Dame sophomore wide receiver **Robby Parris** led the Irish with a career-high seven receptions and 93 yards against Purdue on Sept. 29. Parris, who entered the 2007 season with just one career catch, hauled in each of those seven passes in the second half and three resulted in first downs. Parris also had two catches for over 20 yards (Notre Dame had just two entering last Saturday).

## TATE GOLDEN UNDER THE DOME

Freshman wide receiver **Golden Tate** exploded onto the scene in the second half of Notre Dame's 33-19 loss at Purdue. Tate, who spent the first four weeks predominantly handling kickoff return duties, caught three passes for 104 yards and one touchdown. Tate not only became the first freshman to catch a touchdown pass since Maurice Stovall (Nov. 23, 2002 against Rutgers), but also became the first Notre Dame freshman to surpass 100 yards receiving in a game since Derrick Mayes (100 yards on two catches) against Pittsburgh on Oct. 10, 1992. All three of his receptions were for over 20 yards. The Irish entered the contest with the Boilermakers with just two completions of 20 or more yards the entire season. Tate hauled in passes for 25, 36 and 43 yards.

## DUVAL DOES MORE AGAINST PURDUE

Freshman wide receiver **Duval Kamara** entered the game with Purdue on Sept. 29 with a total of five receptions for 58 yards over his first four career games. He bested both totals in the second half alone against the Boilermakers. Kamara finished the game with six catches for 68 yards and one touchdown. Five of Kamara's six receptions went for first downs, while the other was a seven-yard TD catch.

#### IRISH MADE STRIDES AGAINST MICHIGAN STATE

 $f \square$  Notre Dame spent all of the week following the Michigan loss in training camp mode. The Irish not only practiced Sunday after the game with the Wolverines, but did so in full pads and full contact. Notre Dame also lined up its No. 1 offense vs. its No. 1 defense, No. 2 offense vs. No. 2 defense. The idea was to become more physical and develop an identity leading into Michigan State.

 $\square$  The Irish did show improvement in many areas. Notre Dame was penalized 24 times for 173 yards over its first three games -- an average of eight penalties and 57.7 yards per game. Against Michigan State, the Irish were whistled for just four penalties (35 yards).

f 2 The Notre Dame rushing attack awoke for the first time this season. The Irish entered the game with the Spartans with a season total of minus-14 yards. Notre Dame finished the afternoon with 117 yards (take away the sack yardage and the effort would have been 127). The Irish had just six rushes of 10 or more yards over their first three games, but they recorded four such runs against Michigan State (43, 17, 18, 14).

 $\Box$  Sophomore running back **James Aldridge** surpassed the 100-yard mark in his first career start. He became the first Irish running back to rush for 100 yards in his first career start since Tony Fisher, then a sophomore, had 110 yards on 13 carries in a 48-13 victory over Kansas on Aug. 28, 1999. Aldridge also became the first Notre Dame running back, other than departed Darius Walker, to eclipse 100 yards on the ground since Ryan Grant on Oct. 16, 2004.

 $\square$  Freshman running back **Robert Hughes** made his debut in the Notre Dame rushing offense. Hughes finished the afternoon with 33 yards on six carries and his first career touchdown.

f Q Notre Dame failed to score an offensive touchdown over its first three games. The Irish, however, hit pay dirt twice in the first half against Michigan State, including an 80-yard drive. The Irish finished the day with season-highs in rushing yards (117) and total yards (203). Notre Dame also registered touchdowns on its two trips into the red zone. The Irish came into the game 2-of-3 in red zone chances, but both resulted in Notre Dame field goals.

## CLAUSEN GOT THE BALL IN HAPPY VALLEY

Jimmy Clausen became the first freshman quarterback to start for Notre Dame since Brady Quinn got the call against Purdue on Sept. 27, 2003. His start against Penn State on Sept. 8, just the second game of the year, was the earliest start into α season for an Irish freshman quarterback. Clausen was just the eighth freshman quarterback to start for the Irish in the last 57 seasons (1951-present), joining Ralph Guglielmi (1951), Blair Kiel (1980), Steve Beuerlein (1983), Kent Graham (1987), Paul Failla (1991), Matt LoVecchio (2000) and Quinn (2003). Notre Dame is 6-2 since 1951 when α freshman quarterback makes his first-ever start for the Irish.

#### QUARTERBACKS EFFICIENT, DESPITE CONSTANT DURESS

Despite constant pressure from the Georgia Tech defense that led to nine sacks, the Notre Dame quarterback trio of sophomore **Demetrius Jones**, junior **Evan Sharpley** and freshman **Jimmy Clausen** still managed to complete 15-for-22 passes -- good for 68.2%. The completion percentage ranked 10th best in the Charlie Weis era. Sharpley finished 10-for-13 on the day for 92 yards. His 76.9% completion percentage is third best since Weis arrived at Notre Dame.

#### AR(MAN)DO TO BE RECKONED WITH

Freshman HB **Armando Allen** has totaled 489 all-purpose yards over the first six games this season. He led Notre Dame with six receptions against Penn State and returned three kicks for 67 yards (including a long of 25 yards). Allen registered 110 all-purpose yards in his first career game with Notre Dame versus Georgia Tech. Allen recorded 84 kick return yards on five tries and 25 yards rushing on three carries. He also added a reception for one yard.

#### CHARLIE AND THE IRISH OFFENSIVE FACTORY

Third year head coach Charlie Weis came to Notre Dame with a tremendous reputation as one of the premier offensive minds in all of the NFL. The Irish saw immediate results in 2005, setting 11 school records, including passing yards (3,963), touchdown passes (32, bested in 2007), total offense yards (5,728) and total points (440). Notre Dame has surpassed the 40-point barrier on 10 different occasions in Weis' 32 games as head coach. Prior to his arrival, the Irish had eclipsed 40 points just nine times in its previous 97 contests. In addition, the Irish had 83 separate 100-yard receiving games over its first 116 seasons of football, but Notre Dame has had 20 the past three years under Weis. To put those numbers in perspective, Notre Dame averaged a 100-yard receiving effort every 13 games. Under Weis, the Irish is almost recording a 100-yard receiving effort every game.

#### MORE ON WEIS' OFFENSE

Notre Dame has registered its top two passing seasons in school history each of the last two years. The Irish averaged 330.3 yards in the air in 2005 and 264.7 in 2006. Notre Dame has also eclipsed 400 points each of the last two seasons. The Irish had only topped 400 points in a season on five previous occasions (1989, 1991, 1992, 1993, 1996). In fact, the 843 total points scored over '05 and '06 are the most points ever scored in consecutive years -- besting the previous school record of 835 (1991 and 1992).

## SPREADING THE WEALTH

Junior Evan Sharpley and freshman Jimmy Clausen completed passes to nine different receivers in the game at Purdue on Sept. 29. The trio of Demetrius Jones, Sharpley and Clausen completed passes to nine different Irish receivers against Georgia Tech as well (five of those receptions were the first career grabs for the respective player). Clausen, who made his first career start at Penn State, also completed passes to seven different receivers against the Nittany Lions.

## YOUNG RECEIVERS

The Notre Dame offense boasts an experienced pass-catcher at the tight end position, but at running back and wide receiver, the Irish will be utilizing some young talent in 2007. The current group of wideouts boasts  $\alpha$ grand total of 160 career catches (126 this year) and 43 of those come from the hands of junior David Grimes (served as Notre Dame's #3 receiver a year ago). Sophomore George West has just 16 career catches, but played in all 13 games in 2006 and registered one touchdown rush and 16 returns (12 on kickoff and four on punt). Sophomore Robby Parris, who was the only other wideout on the Irish roster with a reception entering the year, grabbed seven balls for 98 yards against Purdue and added a career-long 35-yard grab at Penn State (picked up his first career touchdown and career-high 94 yards receiving against Boston College). Junior D.J. Hord, who missed all of last season with a torn achilles, did see action in six games during the 2005 season. He picked up his first career catch against the Yellow Jackets. Freshman WR **Duval** Kamara (15 catches for 155 yards), sophomore TE Will Yeatman (three grabs for 23 yards), senior RB **Junior Jabbie** (six for 20 yards) and freshman RB **Armando Allen** (16 for 61 yards) all recorded their first career catch in the season opener. **Golden Tate** picked up his first career catch against Purdue. He finished the game with three catches for 104 yards and a touchdown.

#### RED ZONE SUCCESS

The Irish offense had a 89.9 percent success rate in the "red zone" last fall. Notre Dame converted 44-of-49 chances inside the opponents' 20-yard line, including 37 touchdowns. The Irish registered a touchdown 75.5 percent of the time entering the "red zone."

In 2007, Notre Dame is 9-of-13 inside the red zone, but three of the scores were field goals. The Irish was 1-of-1 in their red zone opportunities against Boston College on Oct. 13.

## JOHN CARLSON TURNED IN ALL-AMERICAN TYPE SEASON IN 2006

Despite an injury that sidelined him for nearly three full games, Notre Dame senior TE **John Carlson** exploded onto the college football scene in 2006. He had 47 receptions for 634 yards -- good for an average of 57.6 yards a game and 13.5 per reception. Carlson's season ranked as one of the best ever by an Irish tight end. His 634 yards receiving ranks second best in single-season tight end history, while his 47 catches was tied for second best. Carlson's 13.5 yards per catch was second among all Irish receivers in 2006. He was 81st, nationally, in receiving yards per game and fourth among tight ends. He also ranked 78th overall in receptions per game and sixth in the category among tight ends. With Carlson's 121-yard effort on four grabs against Michigan State (also tied an ND record for average yards per reception in a single-game), he became the first Irish tight end to eclipse 100 yards receiving in a game since Anthony Fasano had 155 yards against Purdue on Oct. 2, 2004.

Carlson, who became the 49th Irish football player to be named ESPN The Magazine/CoSIDA Academic All-American, is the only 2006 Mackey Award finalist to return in 2007. He is one of three tight ends on the Maxwell Award watch list. Carlson ranks third all-time for receptions (63) in Notre Dame tight-end history and needs just 30 grabs this season to move into second.

He proved to be one of the top tight ends in 2006 and his numbers compared quite favorably with the last seven John Mackey Award winners.

## **SPECIALTY NOTES**

□ Notre Dame opened the season with a new kicker for the third consecutive season. D.J. Fitzpatrick ('05), Carl Gioia ('06) and now freshman **Brandon Walker**. Walker is the first freshman kicker for Notre Dame since Nicholas Setta in 2000.

f Q Walker, a freshman from Findlay, Ohio, became the first left-footed Irish kicker since the recently-deceased Harry Oliver held the duties during the 1980-81 seasons. The drought dates back to Oliver's 35-yard boot against Miami on Nov. 27, 1981. Since that kick, a total of 21 different Irish kickers have attempted 430 field goal attempts -- all coming from the right side.

 $\Box$  Walker had a pair of field goals in the 20-6 victory at UCLA on Oct. 6, including a career-long boot of 48 yards. The 48-yard field goal was the longest by an Irish kicker since D.J. Fitzpatrick also had a 48-yard kick against Michigan State on Sept. 17, 2005.

 $\hfill \Box$  Walker is 4-of-6 on the season for Notre Dame and one of his two unsuccessful kicks were blocked.

#### ZBIKOWSKI'S RAPID RETURNS

 $\Box$  Senior SS **Tom Zbikowski** recorded a 47-yard punt return to set up a field goal bringing the Irish within a touchdown, 17-10, in the third quar-

ter against Penn State. The punt return was the fourth of his career that exceeded 45 yards.

books. He became the fifth player in Irish history to ever return three punts for touchdowns in a career. Zbikowski has seven career TD returns (two interceptions, three punts, two fumbles). Zbikowski scooped up a fumble and raced 25 yards for a touchdown against Penn State in 2006. With the return, Zbikowski became the Irish all-time leader in fumble return yards (100) and joined Tony Driver (1997-00) as the only Notre Dame players to ever return a pair of fumbles for touchdowns. In a three-game stretch against USC, BYU and Tennessee in 2005, he returned a punt or interception for a touchdown four times - the first Irish defensive player to accomplish such a feat. Zbikowski also returned a fumble 75 yards for a TD against Michigan State in 2004. With his interception and punt return for a touchdown against Tennessee in 2005, Zbikowski became the first Irish player to accomplish that feat (interception return and punt return in the same game) since Nick Rassas against Northwestern in 1965. Rassas returned an interception 92 yards and a punt 72 yards for scores in Notre Dame's 38-7 rout.

## THEY SHALL RETURN

□ During the past 21 seasons (1987-07), Notre Dame has produced 93 touchdowns via kickoff, punt, interception and fumble returns — with the most recent touchdown runback coming Oct. 13 on freshman outside linebacker **Brian Smith's** 25-yard interception return against No. 4 Boston College. Senior inside linebacker **Maurice Crum Jr.** returned a fumble 36 yards for a touchdown) and sophomore defensive back **Darrin Walls** returned an interception 73 yards at Penn State on Sept. 8.

□ Notre Dame scored four touchdowns via returns last season, two by the defense (INT return by Lambert at Michigan State and fumble return by **Tom Zbikowski** vs. Penn State) and two by special teams (punt return by Zbikowski against North Carolina and blocked field goal return by Lambert at Air Force).

 $\square$  In contrast, opponents in the past 21 seasons have combined for 32 total touchdown returns vs. the Irish. Here's a year-by-year breakdown of the Irish return touchdowns since 1986:

#### PRICE IS RIGHT

 $\Box$  Senior P **Geoff Price** regained his 2006 All-American form against Penn State. Price recorded a career-high nine punts. His previous career-high, who averaged 44.8 yards per punt, was seven (set on three

previous occasions), including in last week's season opener. The 403 yards on the nine punts was also a career best for the Ray Guy Award candidate

 $\square$  Price punted six times with an average of 42.2 yards against No. 4 Boston College. He pinned the Eagles inside their 20-yard line on three occasions. All six of Price's punts went unreturned.

☐ Price, who did not serve as the starting punter at Purdue (Sept. 29), punted nine times at UCLA (Oct. 6) for 363 yards (40.3 per punt). He also pinned the Bruins inside their 20-yard line on three different occasions.

□ After entering last season with only two career punts, Price made his presence known across the country for Notre Dame. Price finished last season ranked sixth in the NCAA with a average boot of 45.4 yards (50 punts for 2,272 yards). He bested the previous Irish single-season school record of 44.9 held by Craig Hentrich (1990). Price also owns the Notre Dame career record (45.4). He not only boomed 14 kicks last year over 50+ yards, but also managed to drop 14 inside the opponents' 20-yard line. Price averaged 50+ yards in punts in two separate games in 2006, including a school-record average of 51.9 yards per kick (7-for-363) against Michigan. He was an '06 semifinalist for the Ray Guy award and has already received numerous preseason All-American honors this year. Price was named second-team All-American by Lindy's and honorable mention by Street & Smith's.

#### 100,000 FANS (OR MORE) WATCH THE IRISH

Notre Dame is quite accustomed to playing in front of huge crowds, but the Irish have taken it to another level in 2007. Notre Dame travelled to Penn State and Michigan in consecutive weeks. The Irish played in front of the second largest crowd in Beaver Stadium history (110,078) and 111,178 at Michigan Stadium the following week. Notre Dame became the second school to play consecutive road games before crowds exceeding 100,000. Minnesota is the only other school to ever play consecutive road games before 100,000 (Penn State and Michigan during the 2005 season).

#### NOTING THE UCLA GAME

- The Irish continued to struggle on third down in the opening half. Notre Dame was just 1-of-8 and averaged just 0.7 yards per third down play. Meanwhile, UCLA was 4-of-10 on third down and averaged 2.3 yards per third down play.

- Notre Dame scored 17 points in the third quarter. It was the most points in a quarter for the Irish this season and most since Notre Dame scored 20 points in the second quarter against Army on Nov. 18, 2006.
- - 20
- The Irish forced three turnovers in each of the third and fourth quarter. It was the most turnovers forced by the Irish in a single quarter since Notre Dame forced three against Michigan State on Sept. 23, 2006.
- The Irish forced a total of seven UCLA turnovers. It was the most turnovers forced by a Notre Dame defense since Purdue had eight turnovers against the Irish on Sept. 30, 1989.
- Notre Dame turned those seven turnovers into 17 points -- the most points off turnovers in a single game since Penn State on Sept. 8, 2006 (Notre Dame also had 17 points off turnovers).
- Notre Dame held UCLA without an offensive touchdown. It marked the first game the Irish held their opponent without an offensive touchdown since a 38-3 victory over Washington (Sept. 25, 2004).

The Boilermakers' drive started on the Irish 25-yard line and culminated with a 34-yard field goal. Purdue added a five-yard drive for another field goal late in the second quarter to make it 16-0. The scoring drives were the ninth and 10th of the season for an Irish opponent that failed to cover 25 yards. In comparison, Notre Dame's 13 opponents only recorded six such drives over the entire season in 2006 (four were defensive touchdowns and one was a special

teams touchdown).  $\footnote{\footnote{\square}}$  The Boilermakers used a pair of second-quarter turnovers for points. Opponents of the Irish have taken supreme advantage of their 12 turnovers in 2007. Notre Dame's foes (Georgia Tech, Penn State, Michigan, Michigan State and Purdue) have turned those turnovers into 43 points. The Irish have been outscored 43-21 this season on turnovers.  $\footnote{\footnote{\square}}$  Purdue totalled 262 yards (189 yards in the air and 73 on the ground),

Ryan finished the day with six tackles, all solo, including two for loss (12 yards).

 $\square$  Freshman wide receiver **Golden Tate** picked up his first reception on the Notre Dame drive late in the second quarter. The 36-yard grab was the longest for the Irish this season (at the time). flue Shift to 3-4: The Irish scrapped the 4-3 defense in favor of the 3-4 scheme in an effort to get more speed on the field.

☑ New Face, New Title: Head coach Charlie Weis brought in two new coaches, including defensive coordinator Corwin Brown. Brown joined the Irish coaching staff after spending the previous three years with the New York Jets of the NFL. Weis also moved former Notre Dame quarterback Ron Powlus into the role of quarterbacks coach. Powlus spent the previous two seasons with the program as the director of personnel development.

## IN OVERTIME

Notre Dame is 2-4 all-time in overtime games. The last time the Irish played an OT game was a 44-41 loss to Michigan State on Sept. 17, 2005.

## EIGHTH-BEST IN THE NCAA SINCE 1988

Notre Dame has the nation's eighth best record over the last 20 seasons, or since the start of 1988. The Irish have posted a 164-70-2 record. The best Division I-A records from the start of 1988 (research courtesy of Colorado):

#### HISTORIC NOTRE DAME STADIUM

The 2007 football season marks the 77th year of Irish football in fabled Notre Dame Stadium. The Irish have played 394 games in the facility to date and own a 297-94-5 (.756) record in the "House that Rockne Built." The Irish were 4-2 at home in 2005 and 6-1 in 2006 to push the team's record at home to 101-34 (.754) over the last 23 years. The most wins in a season by the Irish at home is seven by the 1988 national championship team and the longest home winning streak in Notre Dame football history is 28 games (from 11/21/42 through 9/30/50).

## SULLIVAN NAMED CAPTAIN; WALK-ONS AWARDED SCHOLARSHIPS

Five Notre Dame football players were pleasantly surprised by head coach Charlie Weis at the beginning of practice on Aug. 23. In an impromptu announcement given in front of the team, fifth-year senior center **John Sullivan** was named a team captain and junior center **Thomas Bemenderfer**, senior cornerback **Wade Iams**, senior long snapper **J.J. Jansen** and senior cornerback **William David Williams** all were awarded scholarships for the 2007-08 school year.

The coaching staff unanimously decided to name Sullivan the fifth team captain for 2007 based on the leadership role he demonstrated throughout the summer and training camp. He joins fellow fifth-year seniors John Carlson, Travis Thomas and Tom Zbikowski along with fourth-year senior Maurice Crum Jr. as team captains. Sullivan is the most experienced returning offensive player, having started 21 consecutive games at center and 33 games at that position in his Notre Dame career. He was named to the 2007 watch lists for the Outland Trophy and Rimington Award and was tabbed a first-team preseason All-American by Street & Smith's.

Bemenderfer began his college career as a scholarship athlete at Northwestern University before transferring to Notre Dame for the 2006-07 school year. The Mishawaka, Ind., native and Penn High School graduate walked onto the football team last year and is currently listed as a backup center.

Iams is also a local product as he hails from Mishawaka, Ind., and is a graduate of Penn High School. The four-year walk-on earned a 4.0 grade-point average during the 2006-07 school year and currently holds a 3.921 cumulative GPA.

Jansen earned a scholarship for the second-consecutive season and serves as the team's long snapper. The Phoenix, Ariz., product became the team's long snapper in the middle of the 2005 season and has held that position ever since.

Williams is in his third year with the Notre Dame football team. A Raleigh, N.C., native, he earned a 3.933 GPA during the 2007 spring semester and his cumulative GPA for the 2006-07 school year was 3.893.

## IRISH CHAMPIONSHIP FOOTBALL COACHES HONORED

The five coaches who have produced national championships in football at the University of Notre Dame - Knute Rockne, Frank Leahy, Ara Parseghian, Dan Devine and Lou Holtz - are now honored as part of the third Notre Dame Stadium gate to feature the history and tradition of the Irish football program.

Mixed media wall relief portraits and action montages of the five Notre Dame national championship coaches this week were positioned at Gate D of Notre Dame Stadium, as part of a multi-year plan to theme the five entrance gates to Notre Dame's home football facility. They were created by Lou Cella, senior sculptor of Timeless Creations, Inc., a division of the Rotblatt-Amrany Fine Art Studio in Highland Park, Ill.

Cella created the sculpture of Father Theodore Hesburgh and Father Edmund Joyce (former Notre Dame president and executive vice president) just south of the Hesburgh Library on the Notre Dame campus. Rotblatt-Amrany is responsible for the Michael Jordan statue in front of the United Center in Chicago, as well as various statues of sports figures Wilt Chamberlain, Magic Johnson, Vince Lombardi, Al McGuire and George Halas.

The national championship coach display at Gate D is the third of the Notre Dame Stadium gates to be finished, following the Heisman Trophy display at Gate B that opened in 2005 and the All-America display at Gate A that opened in 2006. Funding for all the themed gates has been provided by the Notre Dame Monogram Club.

Notre Dame's 79 consensus All-America football players are honored inside Gate A with panels containing authentic Notre Dame helmets with nameplates. Those displays were designed by Rockwell Group of New York and fabricated by Show Motion Inc., of Connecticut.

Prior to the 2005 season, three-by-eight foot replica Heisman Trophies were added to the Gate B display, where pictures of all seven Irish Heisman winners were placed earlier. The honoring of Notre Dame's Heisman Trophy winners took the form of seven individual panels installed within existing brick niches of the old stadium wall just inside Gate B - with one display each for Angelo Bertelli, John Lujack, Leon Hart, John Lattner, Paul Hornung, John Huarte and Tim Brown.

Each display consists of a three-by-eight-foot aluminum panel, powder-coated in Notre Dame blue and serving as a background for holding an oversized, three-foot-tall replica of the Heisman Trophy. The Heisman replicas are finished in bronze, cantilevered off of the blue aluminum panels and sculpted from an original Heisman Trophy.

## ARA PARSEGHIAN STATUE DEDICATED ON SEPT. 22

A statue of former University of Notre Dame football coach Ara Parseghian, a member of the College Football Hall of Fame, was dedicated on Saturday, Sept. 22, 2007, at Notre Dame Stadium.

The dedication, the morning of the Notre Dame-Michigan State football game, took place at Notre Dame Stadium's Gate D, which honors the Irish national championship football coaches.

All of Parseghian's former players and coaches were invited to the dedication ceremonies – and more than 200 of them attended. Speaking at the dedication on behalf of Parseghian's former players will be 1964 Heisman Trophy winner John Huarte.

The Parseghian statue shows the former Irish coach on the shoulders of his players following the '71 Cotton Bowl win over top-rated Texas. The statue was sculpted by Notre Dame graduate Jerry McKenna, who also created the Frank Leahy and Moose Krause statues east of Notre Dame Stadium, as well as the Knute Rockne sculpture at the College Football Hall of Fame in downtown South Bend, Ind.

The sculpture has been funded completely by donations from Parseghian's former players, assistant coaches and student managers. Plans for the statue were spearheaded by former Irish football player Peter Schivarelli (he played in '69 and '70).

The sculpture will complement bas relief portraits of the five Notre Dame national championship coaches – Rockne, Leahy, Parseghian, Dan Devine and Lou Holtz – that are now located at Gate D, designated the national championship coaches gate.

Parseghian served as Irish head coach from 1964 through the '74 season (he previously had been head coach at Northwestern for eight seasons and Miami of Ohio for five). His Notre Dame teams won consensus national titles in 1966 and 1973, and also claimed the McArthur Bowl Trophy from the National Football Foundation following a 9-1 campaign in '64. His 11 Notre Dame teams combined to finish 95-17-4 (.836) – and his Irish posted victories in the 1971 Cotton Bowl (over top-rated Texas), the 1973 Sugar Bowl (over top-rated Alabama) and the 1975 Orange Bowl (again over unbeaten Alabama).

Parseghian was chosen the national college coach of the year in 1964 by the Football Writers Association of America and by the American Football Coaches Association. Parseghian was selected to the College Football Hall of Fame in 1980.

In 1994, Parseghian started the Ara Parseghian Medical Research Foundation to fund study of Niemann-Pick Type C Disease in hopes of moving towards a cure. To that end, the foundation has raised more than \$22 million to combat the disease, which has claimed three of Parseghian's grandchildren. The disease, also known as NP-C, is a genetic pediatric neurodegenerative disorder that causes progressive deterioration of the nervous system, usually in school-age children. By interfering with children's ability to metabolize cholesterol, the NP-C causes large amounts of the substance to accumulate in the liver, spleen and brain, leading to a series of ultimately fatal neurological problems.

## COLLEGE FOOTBALL HALL OF FAMER CHRIS ZORICH HONORED

Chris Zorich, two-time All-American defensive tackle at the University of Notre Dame, was one of 12 former college players and two coaches named to the National Football Foundation's 2007 College Football Hall of Fame Class for the NCAA Football Bowl Subdivision (formerly Division I-A). Zorich was recognized for his honor at halftime of the Georgia Tech game.

The 2007 College Football Hall of Fame class will be inducted at the 50th Annual Awards Dinner on Dec. 4, 2007, at the Waldorf-Astoria Hotel in New York City. The players and coaches were enshrined at the Hall of Fame in South Bend in August 2007.

Zorich becomes the 42nd former Notre Dame player inducted into the College Football Hall of Fame. The Irish also have five former coaches in the Hall and the 47 total enshrinees are the most of any NCAA institution.

A three-year starter at defensive tackle for the Irish, Zorich left Notre Dame as one of the most decorated defensive players in school history. He was a two-time All-American, earning unanimous first-team All-America accolades as a senior in 1990. Zorich was named United Press International Lineman of Year for 1989 and was chosen CBS Sports/Chevrolet Defensive Player of the Year for 1990. He was selected as the 1990 Lombardi Award recipient, given annually to the outstanding lineman in college football, and was a finalist for the Outland Trophy that year, too. Zorich started at nose tackle on the 1988 national championship team and finished his Notre Dame career with 219 tackles, including 21 tackles for loss.

Zorich graduated from Notre Dame with a Bachelor of Arts degree in American Studies in 1991 and from the Notre Dame Law School in 2002.

A native of Chicago's South Side, Zorich is president of the Christopher Zorich Foundation and is a past recipient of USA Weekend's "Most Caring Athlete Award" and the Jesse Owens Foundation Humanitarian Award. The Foundation assists disadvantaged families through a variety of diverse activities and have affected over 100,000 individuals.

Zorich currently lives in Chicago where he works for the law firm of Schuyler, Roche & Zwirner, P.C.

#### Game #1 • Sept. 1, 2007 Georgia Tech 33, Notre Dame 3 Notre Dame, Ind. • Notre Dame Stadium (80,795)

 $\mbox{(AP)}$  -- Tashard Choice helped Georgia Tech fans forget about the loss of Calvin Johnson.

Choice rushed for a career-high 196 yards and two touchdowns and the Georgia Tech defense had little trouble with Notre Dame's new passers, forcing two fumbles by Demetrius Jones, sacking Evan Sharpley seven times and keeping Jimmy Clausen from doing any damage in a 33-3 victory Saturday.

"I did not see this coming," Georgia Tech coach Chan Gailey said. "I thought we would play pretty well defensively. I did not know we would run the ball as well as we ran it today."

Notre Dame coach Charlie Weis didn't see it coming either. He said one of the biggest problems was the Irish weren't ready for the speed of the game, and blamed himself for not having the team prepared.

"Who else are you going to blame but yourself? I'm the head coach," he said. "It's my responsibility."

It was just the 15th season-opening loss in Notre Dame history and the most lopsided, surpassing the 31-10 loss to Pittsburgh to start the 1976 season. It's also the first time the Irish failed to score a touchdown in a season opener since a 20-12 loss at Michigan in 1985.

The three points are the fewest points scored by the Irish under third-year coach Charlie Weis. The previous low was in a 14-10 win in the season-opener against Georgia Tech last season.

Weis said after the game he couldn't remember the last time an offense he coached had failed to score a touchdown.

"We've had some rough games in the past, but it's been a while," he said.

Weis kept his choice of starting quarterback secret until game time, hoping that preparing for three quarterbacks would make it tough on Georgia Tech's defense. It didn't work. In fact, it almost looked as if Georgia Tech knew what was coming

Gailey said the Yellow Jackets focused on stopping the run.

"We're going to blitz you. We don't care who you are," he said. "We thought the challenge was to stop the running game to see if they could throw the ball well enough to beat us."

Choice, the leading rusher in the Atlantic Coast Conference last season with 1.473 yards, rushed for more than 100 yards for an eighth straight game, breaking

the school record set by Eddie Lee Ivery in 1978. He scored on a 22-yard run on a direct snap and set up his other 7-yard TD -- also on a direct snap -- with a 45-yard run

"We just wanted to make a statement and come here to Notre Dame and let everybody know that Georgia Tech is going to be a team to reckon with this year," Choice said.

The only disappointment for Georgia Tech (1-0) was it was forced to settle for four field goals by Travis Bell, who had another one blocked. Jonathan Dwyer added a 7-yard TD run in the fourth quarter.

Taylor Bennett played solidly, completing 11-of-23 passes for 121 yards.

"He did some really good things, and he missed some throws that I had seen him make 50 times in practice," Gailey said. "The great thing is, he didn't have to go play great today. He could play good and we could still win."

Georgia Tech had 386 yards total offense and held the Irish to 122 yards -- the fewest yards for Notre Dame since it had 109 yards in a 44-13 loss at USC in 2002. Jones, Sharpley and Clausen were a combined 15-for-22 for 122 yards. Clausen, the celebrated freshman, was 4-for-6 for 34 yards.

Notre Dame tried to come out and play smash-mouth football -- a stark departure from the aerial attack it used the past two seasons behind Brady Quinn.

"We were going in there determined to try to run the ball, make sure we didn't have negative plays, to make sure we played close to the vest early and got used to the speed of the game with the number of people that were relatively inexperienced," Weis said. "And when it all played out, all of a sudden a couple of bad things could happen, you turn the ball over a couple of times, and they make a couple of big plays."

The Georgia Tech offense repeatedly took advantage of good field position. The only long scoring drive for the Yellow Jackets was a 13-play, 63-yard drive in the third quarter that started on their own 16 and ended in a 39-yard field goal.

Weis said he's not sure who the starter will be next week against Penn State, but said he will announce his decision by Tuesday.

"I have to wait to see how many of those errors are quarterback related and how many of them are protection related, how many of them are route related," he said. "There's a whole litany of problems right there that we have to fix."

# Game #2 • Sept. 8, 2007 Penn State 31, Notre Dame 10 State College, Pa. • Beaver Stadium (110,078)

**(AP)** -- After choosing their words carefully all week, the Penn State Nittany Lions could finally speak freely Saturday night.

They got revenge on Notre Dame.

No. 14 Penn State's defense bottled up Jimmy Clausen, the Irish freshman quarterback making his first start, Derrick Williams returned a punt 78 yards for a touchdown and Austin Scott ran for two second-half scores in a 31-10 win at raucous Beaver Stadium.

Happy Valley rejoiced after the Nittany Lions got payback for Notre Dame's 41-17 win last year in South Bend, Ind.

"It's a revenge game, and you're beating one of the powerhouses of college football year in and year out," linebacker Dan Connor said. "It's something we wanted to do and we're proud of."

Anthony Morelli threw for 131 yards and a touchdown, though Penn State's offense looked shaky much of the day.

The Irish were worse, in almost every way.

Penn State held an opponent without an offensive touchdown for the second straight game. Notre Dame failed to score an offensive touchdown for the second straight game, and was held to zero yards rushing.

That left the Irish 0-2 for the first time since 2001, when Notre Dame lost its first three games.

"We thought they were pretty good going in, and they were pretty good," Notre Dame coach Charlie Weis said of the Penn State defense.

The much-ballyhooed Clausen finished 17-of-32 for 144 yards and an interception. Most of the freshman's completions were on swing passes or screens as Weis went conservative until midway through the fourth quarter.

"With a young quarterback, you don't want him to be comfortable. He's a talented kid," Penn State coach Joe Paterno said about Clausen.

A loud crowd of 110,078, second largest in Penn State history, appeared to lead to numerous communication problems for the Irish offense, which was whistled for several offsides and delay-of-game penalties.

"I'm not doing cartwheels," Weis said about Clausen. "But I can't say I'm displeased either. I think he wasn't the problem."

Darrin Walls staked the Irish to a 7-0 lead, returning an interception 73 yards

for a touchdown and quieting a crowd dressed almost entirely in white. However, Williams brought them back to life.

The junior, who runs track in the offseason, caught Geoff Price's punt down the right sideline and navigated through early traffic before making a cross-field dash to the end zone. Teammate A.J. Wallace delivered a key block and Notre Dame's Rasheon McNeil missed a tackle.

"You hope with the kind of speed we have that you'll get those once in a while." Paterno said.

Morelli hit Jordan Norwood for a 10-yard TD pass midway through the second quarter to give Penn State a 14-7 advantage, and a relentless defense took over from there. Scott finished with 28 carries and 116 yards along with his two scores. Morelli was 12-of-22 passing and had an interception.

Notre Dame's offensive line, which was battered for nine sacks in the season-opening loss to Georgia Tech, couldn't contain the Nittany Lions most of the game.

Trailing 17-7 early in the third quarter, Notre Dame had a golden opportunity after Tom Zbikowski returned a punt 43 yards to the Penn State 7.

From there, Penn State's defense held firm. Clausen threw an incompletion, Armando Allen was held to a 2-yard gain, Clausen threw the ball away under pressure, and the Irish had to settle for a field goal.

They would not score again.

Trailing 23-10, another Irish drive ended after Clausen was sacked on a blitz by Connor, who finished with a team-high 12 tackles.

"Obviously they're known as Linebacker U. for a reason," Notre Dame center John Sullivan said.

Clausen's best drive came late in the fourth quarter, when he led Notre Dame to the Penn State 10. However, that ended on fourth down when he was forced to scramble and then threw high, a pass that was intercepted in the end zone by Justin King.

Zbikowski led the Notre Dame defense by forcing two fumbles, but Penn State's running game finally got on track in the second half.

"We didn't come out on fire, but we ended up on top," Scott said. "That's all that matters."

## Game #3 • Sept. 15, 2007 Michigan 38, Notre Dame 0

Ann Arbor, Mich. • Michigan Stadium (111,178)

(AP) -- Michigan took care of Mike Hart's guarantee with ease.

Hart ran for 187 yards on 35 carries and scored two touchdowns, and Ryan Mallett threw for three scores, leading the Wolverines to a 38-0 win over Notre Dame on Saturday.

Michigan handed the Fighting Irish their worst loss since beating them by the same score in 2003.

The Wolverines (1-2) avoided their first 0-3 start in seven decades.

Notre Dame (0-3) is winless after three games for just the second time in school history, putting coach Charlie Weis in unwanted company with Bob Davie.

The Fighting Irish have lost five straight for the first time since the 1985-86 seasons, Gerry Faust's last year and Lou Holtz's first.

In an unprecedented matchup of the storied programs, Michigan looked like it might not be that bad while the Fighting Irish appeared to be even worse than expected after losing to Penn State and Georgia Tech by a combined 51 points.

Hart backed up his prediction of a win with a sensational performance, even against a defense stacked to stop him. His freshman quarterback was efficient in his first career start.

Michigan's defense suddenly was swarming to the football after giving up 73 points in losses to Appalachian State and Oregon.

Freshman Jimmy Clausen was 11-of-17 for just 74 yards and an interception. He was sacked seven times, leading to Notre Dame's rushing total of minus-6.

Notre Dame prevented Clausen from taking more abuse in the fourth quarter, and had to use Evan Sharpley because backup quarter-back Demetrius Jones stunned the team by not showing up for a team meal or the bus trip to Ann Arbor on Friday. Fittingly, Sharpley threw an interception just as it seemed that Notre Dame might avoid a shutout.

The Fighting Irish did move the ball enough on the ground on their

final drive, however, to avoid breaking their school record of minus-12 yards rushing.

In three games, Notre Dame's offense hasn't scored.

Mallett was asked to throw just 15 times, and he connected on seven passes for 90 yards and TDs to receivers Mario Manningham, Adrian Arrington and Greg Matthews.

Senior quarterback Chad Henne, who had started each of his 39 games at Michigan, is out with what appears to be a knee injury. Coach Lloyd Carr has refused to give details, but Henne watched the game with a brace that seemed to be protecting his right knee.

It was ugly right from the start for Notre Dame.

The first snap sailed over running back Armando Allen's head, and the Fighting Irish lost 27 yards on their first two drives.

Notre Dame fumbled five times in the first half, losing two of them, and Clausen threw an interception, helping Michigan take a 31-0 lead.

The Wolverines just coasted in the second half, perhaps ending their stay in the national spotlight.

For the first time since The Associated Press started ranking teams in 1936, Michigan and Notre Dame were both unranked. They also entered the game winless for the first time, not counting openers.

Hart guaranteed  $\alpha$  win over Notre Dame soon after Oregon beat the Wolverines 39-7, handing them their worst loss since 1968, and  $\alpha$  week after being upset by Appalachian State and becoming the butt of Jay Leno's jokes.

#### Game #4 • Sept. 22, 2007 Michigan State 31, Notre Dame 14 Notre Dame, Ind. • Notre Dame Stadium (80,795)

(AP) -- Notre Dame's offense got into the end zone -- twice, in fact. It wasn't nearly enough to end the misery for the Fighting Irish.

For the first time in 119 seasons of Notre Dame football, the Irish are 0-4. Michigan State, which blew a big lead to Notre Dame a year ago in a loss that sent its season in a tailspin, got a measure of revenge against the floundering Fighting Irish with a 31-14 victory Saturday.

Now it's Notre Dame's season that's spinning out of control. The Irish have lost six in a row, the second longest losing streak in school history, and allowed at least 30 points in each game.

Notre Dame coach Charlie Weis said he wasn't focusing on the worst start ever

"Records to me is not the critical factor," he said. "I'll critically evaluate this game and get ready for Purdue."

Michigan State coach Mark Dantonio, who became the first Spartans coach to win his first four games, called the victory a statement. He said the painful 40-37 loss last year in East Lansing had taken a toll on the players and the program.

"Our guys have been mocked, and our guys have been made fun of, and we lost coaches; there was a coaching change, and a lot of things happened," he said. "So we internalized this and turned it to our favor today."

Brian Hoyer threw four touchdown passes -- two to Kellen Davis and one each to Devin Thomas and Mark Dell -- and Javon Ringer rushed for 144 yards on 26 carries and Jehuu Caulcrick ran for 83 yards on 20 carries to pace the Spartans.

"It was an emotional win for us," Davis said. "Getting this victory here was kind of like vindication or redemption for us, especially for those who started last year."

Michigan State also became the first opponent to win six in a row at Notre Dame Stadium.

Last season, Brady Quinn led the Irish back from a 16-point deficit in the fourth quarter. This season it was the Michigan State quarterback who was the star.

Hoyer was 11-of-24 passing for 135 yards as the Spartans amassed 354 yards total offense.

"Anytime you throw four touchdown passes you have to be pretty pleased," Hoyer said. "It's something I'll remember for the rest of my life."

The most memorable play was the final touchdown. On fourth-and-2 from
the 30-yard line, Hoyer fumbled the snap on purpose, as it turns out picked
it up and threw a TD pass to Davis.
WINT-less consent and the stables of the stables of the stables of the stable of the s

"We've practiced that thing since the spring," Dantonio said.

Hoyer said he was worried doing it on fourth down, but said the Irish fell for it.

"I guess it helped that I fumbled on the second play of the game," he said.

Notre Dame finally found some offense, scoring two TDs and finishing in the black in yards rushing for the first time this season, but the Irish defense was weeful.

Notre Dame scored its first offensive touchdown of the season on a 1-yard run by Travis Thomas to cap a 9-yard drive in the first quarter. The score was set up by a Michigan State fumble.

Notre Dame later added an 80-yard scoring drive highlighted by a 43-yard run by James Aldridge, who ran for 104 yards on 18 carries. The Irish ran for 117 yards; Michigan State 219 yards.

Freshman Jimmy Clausen was 7-of-13 passing for 53 yards for Notre Dame. Evan Sharpley, who played the fourth quarter, was 4-of-7 passing for 33 yards. The Irish, who had given up 23 sacks through their first three games, were sacked four times by the Spartans. MSU defensive end Jonal Saint-Dic sacked Clausen for a 17-yard loss and stripped the ball from the quarterback.

The Irish played their best game of the season but couldn't keep up. They have now scored 27 points through four games -- the third fewest ever in school history. The 1933 team managed just 12 points and the 1928 team coached by Knute Rockne scored 25.

Notre Dame scored both of its touchdowns in the first half and trailed 17-14 at halftime. The first came on a short drive after Hoyer fumbled the snap and Irish defensive end Trevor Laws recovered. The second touchdown came on a 3-yard run by Robert Hughes.

The Irish have only had 12 losing seasons in the history of the program --though three have come in the past nine years. With Purdue, UCLA, Boston College and USC up next for the Irish, losing season No. 13 will be tough to avoid.

"You keep going until there's a payoff," Weis said. "Hopefully it's against Purdue."  $\,$

#### Game #5 • Sept. 29, 2007 #25 Purdue 33, Notre Dame 19 West Lafayette, Ind. • Ross-Ade Stadium (62,250)

**(AP)** -- Charlie Weis was looking for something he recognized as winning football. He finally saw it ... just not enough of it.

Purdue extended the worst start in Notre Dame history to five losses when Curtis Painter threw two touchdown passes and Chris Summers hit four field goals in a 33-19 win on Saturday.

The Irish fell behind 23-0 at the half, and Weis let his players know he's tired of playing catch-up.

"This time, I was maybe a little more rough at halftime," he said. "I'd had about enough. It was a collective effort. Offense, defense, special teams."

Notre Dame outscored Purdue 19-10 in the second half, something Weis hopes to build on.

"For the first time this year, we played a half of football where you could win," he said. "That's closer to winning football."

Freshman quarterback Jimmy Clausen threw his first career touchdown pass before leaving with an injured hip, and the Irish gained 426 yards, by far their best output of the season.

It's a start.

Meanwhile, the Boilermakers (5-0) are off to their best start since 2004.

Kory Sheets had 141 yards rushing and Dorien Bryant caught eight passes for 82 yards for Purdue, which hosts No. 8 Ohio State next week.

With Purdue seemingly in control, Notre Dame's Tom Zbikowski intercepted a pass by Painter on early in the second half, and the Irish took advantage. On a fourth-and-goal at the Purdue 5-yard line, Clausen completed a pass to John Carlson to cut the lead to 23-6.

Purdue got a few gifts from Notre Dame on its next possession. The Irish bailed the Boilermakers out on a third-and-21 with a late hit and Summers' 29-yard field goal gave the Boilermakers a 26-6 lead. The Irish committed three penalties for 35 yards on the possession.

Clausen limped often in the game, and at times was shuffled in and out of the lineup. Weis expects him to play on Saturday against UCLA. Backup quarterback Evan Sharpley completed 16-of-26 passes for 208 yards, and Golden Tate caught three passes for 104 yards.

They gave Notre Dame a chance early in the fourth quarter with a 43-yard completion on a fourth-and-5 from the Notre Dame 37. Sharpley eventually threw a 7-yard touchdown pass to Duval Kamara with 12:43 left to cut Purdue's lead to 26-12.

On Notre Dame's next possession, Sharpley completed a 25-yard touchdown pass to a falling Tate to cut Purdue's lead to 26-19 with 7:58 to go.

Purdue righted itself on the next possession. Four running plays netted 35 yards before Painter connected with tight end Dustin Keller for a 14-yard touchdown.

Notre Dame then drove to the Purdue 18, but Terrell Vinson intercepted Sharpley in the end zone to end the threat. It was Vinson's second pick of the game.

The Irish converted 4 of 6 fourth downs, including two in their territory in the fourth quarter. Weis said he was playing for the win, no matter what.

"I told them with seven minutes to go if we cut it to seven, if we scored again, we were going to go for two and try and win in regulation," he said. "Why not go for two?"

Notre Dame will focus on playing a complete game after Weis said they showed potential in the second half.

"If we can do 60 minutes of that, maybe we can come away with a victory," Sharpley said.

Perhaps, but things don't get any easier for the Irish who face UCLA, No. 12 Boston College and top-ranked Southern California the next three weeks.

"It's been tough," Notre Dame defensive end Trevor Laws said, "but you just have to keep playing and show the young guys how to fight."

#### Game #6 • Oct. 6, 2007 Notre Dame 20, #25 UCLA 6 Pasadena, Calif. • The Rose Bowl (78,543)

(AP) -- Jimmy Clausen scored on a quarterback sneak and Maurice Crum returned a fumble 34 yards for another touchdown during a 50-second span of the third quarter as Notre Dame fought its way out of one of the worst slumps in school history with a 20-6 victory over UCLA on Saturday.

It was only the second time Notre Dame had played in Pasadena. Knute Rockne's "Four Horsemen" defeated coach Pop Warner's Stanford team 27-10 in the 1925 Rose Bowl to give the Irish their first undisputed national championship.

This win was significant in quite a different way. It was Notre Dame's first victory of the season and assured the Fighting Irish they won't equal the longest losing streak in school history.

Coach Charlie Weis obviously was relieved.

"When you're 0-5, everyone in the country is laughing at you," Weis said. "The only thing you can do is do something about it on the field. I'm really happy for the kids.

"We never had a better week of practice since I've been here. I said good things will happen, and it happened."

After a school record 0-5 start, the Irish avoided tying their longest losing streak. The victory was their first in eight games dating back to last season. The only other time the Irish lost eight straight was in 1960, when they won their opener and didn't win again until the final game of the season.

This time, Notre Dame (1-5) knocked UCLA quarterback Ben Olson out with a knee injury late in the first quarter, then hounded freshman redshirt McLeod Bethel-Thompson into a string of mistakes.

A walk-on pressed into the backup role for UCLA (4-2, 3-0 Pac-10) because of an injury to Patrick Cowan, Bethel-Thompson had not thrown a pass in a college game.

The Irish picked off four of his throws, with Crum getting two of them. He also recovered the quarterback's fumble and ran it in for a touchdown.

"It's unfortunate that Ben went down early in the game," UCLA coach Karl Dorrell said. "It's the kind of game where Notre Dame played everything close to the vest and didn't make any mistakes. They put some pressure on our offense, and our offenses made some mistakes.

"Mac (Bethel-Thompson) did a nice job, given the circumstances with

the type of game and his experience. I give credit to Notre Dame. When they don't have any turnovers and you have six, that's unfortunate."

Clausen put the Irish ahead 13-6 when he bulled over from 1 yard out, with 1:53 left in the third quarter. David Bruton set up the score when he intercepted a pass at the UCLA 21 and returned it to the 4.

The Irish players began to celebrate  $\alpha$  bit on the sidelines when Clausen scored, and Weis said he told them to tone it down.

"It's been a while since we've been up in the second half," he said. "So I told my guys to act like they've been there before. Don't make me look an idiot."  $\,$ 

Crum gave the Irish a 14-point pad when he scooped up the fumble and scored with 1:03 remaining in the third.

Notre Dame's Brandon Walker kicked a 26-yard field goal in the first quarter and a 48-yarder that bounced off the cross bar and went over to tie it 6-6 midway through the third quarter. UCLA's Kai Forbath kicked a 29-yarder in the first quarter, then gave the Bruins a 6-3 lead with a 49-yarder late in the first half.

Bethel-Thompson completed 12-of-28 for 139 yards. Brandon Breazell and Joe Cowan each had five receptions for 69 yards for the punchless Bruins.

Clausen,  $\alpha$  freshman who was  $\alpha$  high school standout in the Los Angeles suburb of Westlake Village, completed 17-of-27 for 84 yards, with no touchdowns and no interceptions.

John Carlson had six catches for 38 yards for Notre Dame.

The oft-injured Olson left the game when Tom Zbikowski sacked him, twisting the quarterback's left knee, late in the first quarter. Olson fumbled on the play and Kerry Neal picked up the ball to give Notre Dame the ball at the Bruins' 1-yard line and set up Walker's first field goal.

Last year, Olson went out with a knee injury in the fifth game and Cowan was the quarterback the rest of the season. Olson missed this year's game against Washington because of concussion-like symptoms.

#### Game #7 • Oct. 13, 2007 #4 Boston College 27, Notre Dame 14 Notre Dame, Ind. • Notre Dame Stadium (80,795)

(AP) -- Matt Ryan kept Notre Dame from getting payback on unbeaten Boston College.

Ryan used a series of screens and short passes to keep the blitzing Irish off balance and threw two touchdowns to lead the fourth-ranked Eagles to a 27-14 victory over Notre Dame.

The Irish were hoping to put a damper on BC's national title hopes as the Eagles had done when they cost Notre Dame a national championship in 1993. They threatened, but just couldn't pull it out.

BC coach Jeff Jagodzinski said he never viewed the game against the Irish (1-6) as a trap game because he knew his team wouldn't take Notre Dame lightly.

"Our kids were so excited about coming out here and playing this football game. It's a great rivalry," he said.

Jagodzinski said his message has stayed consistent against each opponent.

"I told our guys we can't get to where we want to go unless we keep taking care of business every week," he said.

Boston College is 7-0 for just the fifth time in 107 seasons, the first time since 1942, and beat its rival Notre Dame for the fifth straight time. The Irish lead the series between the only two Catholic schools to play major college football 9-8, but the Eagles have won six of the last seven.

The Eagles appeared ready to blow the game open when Ryan threw  $\alpha$  9-yard scoring pass to Andre Callender to make it 20-0 with 11:42 left in the third quarter. The score was set up when Tyronne Pruitt intercepted  $\alpha$  pass by Jimmy Clausen and returned it 30 yards to the Notre Dame 11.

However, the Irish scored a pair of touchdowns 95 seconds apart to cut it to 20-14. Evan Sharpley, who replaced the ineffective Jimmy Clausen at quarterback, threw a 19-yard TD pass to Robby Parris and linebacker Brian Smith returned an interception 25 yards for a touchdown.

The Eagles quickly regained control after the Irish were called for excessive celebration and penalized 15 yards on the kickoff. Brad Newman returned the kick 18 yards to the Notre Dame 44 and the Eagles needed only five plays to score. Ryan, throwing quickly to beat the blitz, hit Kevin Challenger for a 13-yard TD to make it 27-14.

Ryan said he wasn't flustered after throwing the interception for a Notre Dame TD.

"Right after you throw a pick that goes for six you want to come right back out fighting," Ryan said. "At this point in my career I've thrown plenty of picks. You just have to block it out. As a quarterback you definitely have to have temporary amnesia and go out there and keep chucking it. That's what we did "

Despite the constant blitzing, the Irish didn't sack Ryan.

"He's got a really quick release," Notre Dame nose tackle Pat Kuntz said. "He's good, and there's nothing much else I can say about that. He's probably the best quarterback we've seen."

Ryan, 21-4 as a starter, was 32-of-49 passing. Callender caught 10 passes for 91 yards and rushed for 90 yards on 23 carries, including TD runs of 7 and 1 yards.

The Irish offense struggled again, managing just 222 yards total offense. BC, which entered as the No. 3 defense against the run holding opponents to 49.7 yards a game, held the Irish to 27 yards rushing. It was the fifth time this season the Irish were held to less than 50 yards rushing.

Clausen started but failed to lead the Irish to a score. He was 7-of-20 for 60 yards and was pulled after he threw his second interception on Notre Dame's first offensive play of the second half. That set up BC's third touchdown

Sharpley was 11-of-29 for 135 yards. Coach Charlie Weis said he would have to review the tape before deciding who will start against USC next week

"I'm never big on blaming the quarterback for the lack of production on the offense," Weis said.

Weis said the biggest problem for the Irish were too many mistakes. The Irish had the excessive celebration penalty set up one score, the interception set up another and the punter's knee touching the ground another.

"I think we had a chance in this game, but the bottom line is they won 27-14," he said. "If I sit there and say, 'God if we were just better on that snap, or if we would have hit this one pass or if we didn't get a penalty. ...' But the thing is, we did."

Notre Dame has lost five straight to Top 5 teams since beating fifth-ranked Michigan in 2005 in Weis' second game as coach of the Irish.

Notre Dame is 1-6 for just the third time in school history. The other two times were in 1956 and 1960.

#### The Last Meeting #3 USC 44, #6 Notre Dame 24 Nov. 25, 2006

LOS ANGELES (AP) - No need for any last-second heroics to beat Notre Dame this year

John David Booty passed for 265 yards and three TDs to Dwayne Jarrett as USC whipped the sixth-ranked Fighting Irish 44-24 and likely leapfrogged Michigan in the race for the national championship.

No. 3 USC contained Brady Quinn, the Irish's Heisman Trophy contender, and put together a performance that should boost its Bowl Championship Series standing. The Trojans were a close third behind the Wolverines last week.

"I think we're a pretty good team right now," USC coach Pete Carroll said. "We'll play anybody, any where."

Should the Trojans (10-1) beat UCLA (6-5) at the Rose Bowl next weekend, they'll probably play top-ranked Ohio State in the BCS title game Jan. 8 in Glendale, Ariz. USC has beaten its crosstown rivals seven straight times. And now the Trojans have won five straight against Notre Dame (10-2).

The Trojans played in the BCS title game the past two years - winning one and losing one - and earned a piece of the national championship three years ago after being bypassed for the title game.

"It was really a fun night of football," Carroll said. "For the most part, we felt in command in the game. The offense was ripping, it was just an extraordinary night for Dwayne Jarrett, he made the plays great players make."

Booty, who completed 17-of-28 passes and was intercepted twice, watched from the sideline when the Trojans beat the Irish 34-31 at Notre Dame last year on Matt Leinart's 1-yard sneak with three seconds remaining.

Jarrett, whose 61-yard reception on a fourth-and-9 play kept that final drive in South Bend alive, caught scoring passes of 9, 5 and 43 yards from Booty, who succeeded Leinart as USC's quarterback. The 43-yarder came with 8:21 remaining and gave the Trojans a 37-17 lead.

"We didn't win on special teams. We didn't win on offense. We didn't win on defense," Irish coach Charlie Weis said. "We're fighting an uphill battle most of the night. It wasn't very productive."

Jarrett finished with seven receptions for 132 yards and USC freshman C.J. Gable rushed for 107 yards on 20 carries.

"At the beginning of the year, we were the only ones that believed in ourselves," Jarrett said. "A lot of media guys and whoever they might be said we were going to lose, SC was struggling. We were the only ones that believed in ourselves."

USC lost 33-31 at Oregon State on Oct. 28. Since then, the Trojans have outscored the opposition 144-43.

"I think it was kind of good for us in a way, it was kind of a wake-up call," Jarrett said of the loss. "We're so used to winning. It was a reality check for us, just to get our act together."

Quinn threw a 2-yard scoring pass to Jeff Samardzija with 3:39 left, but Brian Cushing returned the ensuing onside kickoff 42 yards to put an exclamation point on the victory.

Quinn, playing his final regular-season game, completed 22 of 45 passes for 274 yards and three touchdowns with no interceptions. He also rushed for 74 yards - most of it on a 60-yard scramble in the second quarter.

Rhema McKnight caught six passes for 109 yards and one touchdown and Jeff Samardzija had six receptions for 79 yards and one TD.

The three Irish stars - all seniors - leave school having never beaten USC.

The win before a crowd of 91,800 at the Los Angeles Coliseum was the Trojans 55th in their last 58 games. They're 20-0 in November games under coach Pete Carroll, and have won 33 straight home games.

The loss snapped an eight-game winning streak for Notre Dame, but the Irish still figure to play in a big-money bowl game.

The Trojans moved 65 yards with the second half kickoff, scoring on a 2-yard run by Chauncey Washington for a 28-10 lead. Washington's 5-yard run on fourth-and-1 from the Notre Dame 30 kept the drive alive, and Jarrett made a one-handed catch for a 19-yard gain on the next play.

The Irish drew within 11 points late in the third period on a 2-yard pass from Quinn to McKnight on fourth-and-goal. It was McKnight's 15th touchdown reception this season, tying the school record set by Samarzdija last season.

The Trojans extended their lead to 31-17 on Mario Danelo's 34-yard field goal early in the fourth quarter.

USC scored on its first three possessions and led 21-10 at half. It might have been closer had the Irish not failed to convert three fourth-down plays in USC territory.

Quinn threw a 38-yard pass to McKnight on the game's first play, but Quinn's pass to McKnight on fourth-and-9 from the USC 29 was incomplete. The Trojans then moved 71 yards, scoring on a 9-yard pass from Booty to Jarrett.

USC forced a punt, and Desmond Reed, who tore up his knee in last year's game at Notre Dame, returned it 43 yards to the Irish 26. Booty threw a 5-yard TD pass to Jarrett three plays later.

Notre Dame's Carl Gioia kicked a 27-yard field goal, but Booty's 1-yard run capped a 59-yard drive, putting the Trojans ahead 21-3. That made it an NCAA-record 63 straight games in which USC has scored 20 or more points.

The Trojans' next three possessions were as negative as the first three were positive -  $\alpha$  blocked punt and two interceptions.

Quinn threw a 7-yard touchdown pass to Marcus Freeman on the first play after Steve Quinn blocked Greg Woidneck's punt.

#### The Last Meeting in Notre Dame #1 USC 34, #9 Notre Dame 31 Oct. 25, 2003

NOTRE DAME, Ind. (AP) - Tested like never before, Matt Leinart, Regaie Bush and Southern California showed they have a championship jaw to go along with all

Leinart pushed and spun his way into the end zone with 3 seconds left to cap a chaotic finish and No. 1 USC escaped with its 28th straight victory, a back-andforth 34-31 win Saturday over No. 9 Notre Dame in a game that lived up to the hype.

For  $\alpha$  moment the Irish, dressed for success in kelly green jerseys, thought they had added another stunning upset to their illustrious history. Leinart scrambled from inside the 5, launched himself toward the end zone but was stopped short and the ball was sent flying out of bounds.

The clock kept ticking down to 0:00. Notre Dame's fans rushed the field and coach Charlie Weis raised his hands in victory, but after the officials huddled, 7 seconds was put back on the clock and the ball was spotted inside the  ${\bf l}$ .

The Heisman Trophy winner took it in himself on the next play, going over the left side for the score.

Irish quarterback Brady Quinn had given Notre Dame a 31-28 lead with 2:02 left, dashing around right end for a 5-yard touchdown, extending his right arm across the goal line with the ball.

But Leinart wasn't done. He completed a 61-yard pass to Dwayne Jarrett on  $\boldsymbol{\alpha}$ fourth-and-9 at his own 26 and a few plays later called his own number for the win-

He sat on the bench after his score, helmet still on, looking exhausted and waiting for a final kickoff that Notre Dame couldn't turn into a miracle.

Bush ran for 160 yards and three touchdowns for the two-time defending champions.

Weis tapped into the Fighting Irish's storied past and even in defeat etched a spot in it for himself and his team. He broke out all the stops, bringing in "Rudy" and Joe Montana to fire up his team and the fans in Friday night's pep rally, then putting the Irish in their green jerseys after warm-ups on Saturday.

The Trojans (6-0) trailed at the half for the third time this season, this time by 21-14 after Tom Zbikowski's 60-yard punt return early in the second quarter gave the Irish (4-2) their first lead.

But Bush tied the game with a 45-yard scoring gallop early in the third. His second long TD of the game put him over 100 yards rushing for the fifth straight

Notre Dame got the lead back with a field goal, but Bush struck again, going around the corner from 9 yards out with about five minutes left to make it 28-24.

Then it was Quinn's turn to have a Heisman moment.

He guided the Irish on an 87-yard drive, completing all three of his passes and finally putting Notre Dame up with 2:02 left.

Quinn finished 19-for-35 for 264 yards.

USC came in averaging 51 points per game, but the Irish put pressure on Leinart and intercepted him twice, the first time since the final game of the 2003 regular season he tossed two picks.

The dynamic backfield of LenDale White and Bush was turned into a solo act, as Bush kept USC in it until Leinart made the plays of the game.

He threw a prefect fade over a defensive back to Jarrett on the huge fourthdown conversion and finished with 301 yards passing.

For a while though, Notre Dame looked ready to add the Trojans to its list of historic streak stopping upsets.

It was Notre Dame that stopped the longest winning streak in NCAA history when the Irish beat Oklahoma and ended its 47-game romp in 1957.

In '46, Army had won 25 straight when Notre Dame tied the Black Knights, and Texas had won 30 in a row before losing to the Irish in 1971.

Two years later, USC had a 23-game winning streak end in the shadows of Notre Dame's Golden Dome.

On Saturday, USC was too tough, too resilient, to let it happen, and the Trojans are still on track to three-peat.

On a cloudless, windy, sweatshirt kind of day, USC struck first in familiar fashturning a takeaway into points.

Keith Rivers picked off Quinn's tipped pass and two plays later Bush burst through the line and hurdled a tackler on the way to a 36-yard touchdown.

Notre Dame responded with a long drive aided by consecutive 15-yard penalties by USC, and Travis Thomas finished it with a 16-yard touchdown.

Another quick-strike drive by USC resulted in White's 3-yard TD run, but Notre Dame controlled the rest of the half and had everyone believing the Fighting Irish could again beat the behemoth and reshape the national title race.

USC had other plans.
