Irish Tee Off 2007-08 Season With Return To Minnesota

For the third consecutive year, Notre Dame will open its season by participating in Minnesota's Gopher Invitational, slated for Saturday and Sunday (Sept. 15-16) at the Spring Hill Golf Club in Wayzata, Minn. The Irish placed fifth in the inaugural version of the tournament in 2005, before taking ninth place in last year's event, which was played in cold and blustery conditions.

Notre Dame returns five monogram winners, including three starters, from last year's squad that finished as the BIG EAST Conference runner-up and posted the second-lowest single-season stroke average in school history (295.71). Junior **Josh Sandman**, an all-conference selection last year, is the top returning player for the Irish with a 73.91 stroke average in 2006-07. He also is in a virtual tie for the school's career stroke average record at 73.76.

Quoting Coach Kubinski ...

"We're excited to be making our third trip to the Gopher Invitational at the Spring Hill Golf Club. It's a supremely-conditioned golf course that offers a great variety of shots and always has very fast and very undulating greens.

"We're obviously a very young team this season with 8 of our 12 players being underclassmen. I like what I've seen thus far. We haven't played young in qualifying. We've already had several scores in the 60s, including a couple of 64s. While Spring Hill will be set up more in line with a USGA competition — requiring great patience and discipline — I expect good scores from our boys.

"Josh (Sandman) is poised to have a breakout season. He has made strides in his mental approach and has always been extremely talented, physically. Greg Rodgers and Eddie Peckels offer senior leadership as captains this year, and they have an opportunity this week to turn their hard work into effective

Did You Know?

Notre Dame has ties to two of the most famous players in golf history.

Billy Casper won 51 PGA Tour titles, including three majors (1959 & 1966 U.S. Open; 1970 Masters) and was sixth on that tour's all-time victories list upon retirement. He also logged nine wins on the Senior PGA Tour (now the Champions Tour), was an eight-time member of the U.S. Ryder Cup Team and was inducted into the World Golf Hall of Fame in 1978. However, before turning pro, Casper attended Notre Dame in 1950 and won the Western Junior National Championship, which was contested at the old Notre Dame Golf Course. His Irish career was cut short when he was called away to military service in the Korean War.

Walter Hagen, Jr., was a three-year monogram winner at Notre Dame from 1938-40, helping the Irish to three consecutive NCAA Championship berths, including a sixth-place finish in 1938. If the name sounds familiar, it should be — his father, Walter Hagen, Sr., won 40 PGA titles, including 11 major championships (five PGA Championships, four British Opens and two U.S. Opens) in his storied career, ranking third behind Jack Nicklaus and Tiger Woods. The elder Hagen also was a six-time U.S. Ryder Cup captain, and five years after his death in 1969, he was part of the inaugural induction class for the World Golf Hall of Fame.

play. I expect Greg to build on his great play at our most recent event, the BIG EAST Championship (Rodgers tied for 11th place at one-over par 217).

"I expect Coach (Steve) Colnitis will provide solid leadership in my absence. He has been in our system for three years now and has a great understanding of our approach. I know he'll have the course mapped out and our boys ready to play smart shots."

Dates and Times

Teams will play the first two rounds (36 holes) on Saturday, beginning with a shotgun start for round one at 8:30 a.m. (ET) and featuring continuous play into the second round. Pairings and tee times for Sunday's final round will be based upon the 36-hole standings, with split starts from the first and 10th tees. All times and formats are tentative and subject to change.

Following The Irish

Live in-progress scoring from the Gopher Invitational will be available through the Golfstat web site (www.golfstat.com). In addition, complete results following each day's action will be posted on the official Notre Dame athletics web site (www.und.com). The latest information from the tournament, including results, scheduling updates and weather delays, also will be available on the Notre Dame Sports Hotline (574-631-3000).

Results also will be available via the Irish ALERT text-message system, which provides fans with regular updates on Notre Dame's progress at the Gopher Invitational through text messages sent to their cell phone. For more information, visit the official Notre Dame athletics web site (www.und.com).

The Tournament Format

A total of 12 five-man teams (60 participants, plus the possibility of some additional golfers competing on an individual basis) will be taking part in the Gopher Invitational. Conventional collegiate golf team scoring rules will apply, with the lowest four scores in the five-man lineup for each round counting toward the team total. Scores by golfers competing on an individual basis do not count to the team score.

The Teams

Besides Notre Dame and tournament host Minnesota, the remaining teams in the field for the Gopher Invitational are: Arkansas, Georgia Southern, Illinois, Indiana, Lamar, Michigan State, Princeton, San Diego, SMU and Wisconsin.

According to the preseason edition of the *Golf World/Nike Golf Top 25* coaches' poll, No. 16 Lamar is the highest-ranked team scheduled to take part in this weekend's tournament. Two other teams received votes in the initial coaches' survey — Minnesota (129 votes; 26th place) and Michigan State (21 votes; 32nd place).

Meanwhile, the final 2006-07 ratings in the *Golfweek/Sagarin Performance Index* show that five of last year's top 50 teams will be on hand for the Gopher Invitational. Leading the way is No. 3 Lamar, followed by No. 26 Minnesota and No. 30 Michigan State. Also on the first page of the *Golfweek* ratings are No. 44 Wisconsin and No. 48 SMU. Georgia Southern and Notre Dame were not far outside the *Golfweek* Top 50, checking in at No. 57 and No. 60, respectively.

In addition, the year-end Golfstat rankings indicate five of this weekend's participants appeared in that service's Top 50 at the close of the 2006-07 campaign. Third-ranked Lamar set the bar, with No. 31 Michigan State, 32nd-ranked Minnesota, No. 36 Wisconsin and 49th-ranked Indiana rounding out last year's top 50 teams in the '07 Gopher Invitational field.

1944 NCAA Champion • 1937 NCAA Runner-Up • 33 NCAA Postseason Appearances

Head-To-Head

At some point last season, Notre Dame faced each of the other 11 teams in this weekend's Gopher Invitational field, amassing a combined 12-15-1 (.446) record against those clubs. The Irish record vs. the rest of the this week's tournament competition breaks down as follows: Arkansas (2-0), Georgia Southern (1-1), Illinois (2-1), Indiana (0-3), Lamar (0-4), Michigan State (0-3), Minnesota (1-2), Princeton (1-0), San Diego (2-0), SMU (1-1) and Wisconsin (2-0-1).

The Course

Opening in 1999, the Spring Hill Golf Club is a challenging par-72, 7,020-yard layout designed by noted architect Tom Fazio. The course was rated as one of the top five courses in the state of Minnesota, according to the 2006-07 *Golf Digest* rankings, and continues to live up to that reputation. It puts a premium on shot-making ability, especially around the greens, which will be among the most difficult that many of the golfers in this weekend's field will face all year.

Noting The Irish At The Gopher Invitational

- ◆ Notre Dame is making its third appearance in as many years at the tournament hosted by Minnesota. In 2005-06, the Irish posted a fifth-place finish with a three-round total of 29-over par 893 (309-297-287). Last year, Notre Dame battled cold and windy conditions to place ninth at 54-over par 918 (313-295-310).
- ◆ Scott Gustafson was Notre Dame's top individual in 2005-06, tying for sixth place in the 66-man field with a two-over par 218 (73-73-72). A year ago, current junior **Josh Sandman** and three-time PING All-Midwest Region selection Cole Isban tied for 19th place at 11-over par 227.
- ◆ Sophomore **Doug Fortner** made his college debut in last year's Gopher Invitational, tying for 43rd place at 20-over par 236 (79-71-86). Fortner also aced the par-3, 139-yard 17th hole with a pitching wedge during the second round.
- ◆ Freshman **Connor Alan-Lee** played his way into this weekend's starting lineup after a solid effort during qualifying earlier in the preseason. Alan-Lee, a native of Solana Beach, Calif., posted a 74.94 stroke average on the American Junior Golf Association (AJGA) circuit the past two summers, collecting three top-20 finishes along the way.

Kubinski Kubed

Fourth-year Notre Dame head coach **Jim Kubinski** will not make the trip with the Irish to this weekend's Gopher Invitational, but he's got a very good reason. His wife, Sarah, is due to give birth to the couple's first child any day. Assistant coach **Steve Colnitis** will assume coaching duties for Notre Dame at the Gopher Invitational.

"B" Prepared

In addition to Notre Dame's participation at the Gopher Invitational, the Irish "B" team will travel to Piscataway, N.J., Friday and Saturday for the Rutgers Invitational. A contingent of three sophomores (**Olavo Batista**, **Carl Santos-Ocampo**, **Kyle Willis**) and two freshmen (**Jeffrey Chen**, **Dustin Zhang**) will head to the East Coast for this weekend's tournament, with Notre Dame Warren Golf Course General Manager/Head Golf Pro **John Foster** serving as acting coach for the Irish, while regular assistant coach **Steve Colnitis** heads to Minnesota.

It should be noted that Notre Dame's team scores from the Rutgers Invitational will not count toward the program's national rankings (*Golfstat* or *Golfweek*), although individual scores will be accepted.

Irish Among Nation's Elite Programs In *Golf Digest* Rankings

The Notre Dame men's golf program has been rated ninth in the nation, according to the latest in-depth *Golf Digest* rankings released in the August 2007 issue of the magazine. The Irish were cited for their impressive combination of athletic and academic success, as well as the quality of the program's new facilities and the accomplishments of its coaching staff.

Notre Dame was ranked among the top 35 in all three categories evaluated in the *Golf Digest* study. In the "golf-first" rating, which heavily weights a program's performance on the course through both adjusted scoring average and player growth during the past four seasons (2003-04 through 2006-07), the Irish checked in at No. 35. Under the "academics-first" classification, which depends largely on the school's standing in the latest *U.S. News & World Report* rankings and the golf program's graduation rates, Notre Dame was 14th in the nation. However, when combining those two rankings and factoring in facilities, coaching and climate (location) — the components of the "balanced" *Golf Digest* ranking — the Irish made their biggest impression, placing ninth in the country, second among all programs north of the Mason-Dixon Line, and tops in the BIG EAST Conference.

"We are understandably thrilled with the 2007-08 *Golf Digest* program rankings," Notre Dame head coach **Jim Kubinski** said. "We think this only confirms what we've believed for quite a while — that we have the pieces in places to compete as one of the elite programs in the country, both on the course and the classroom. The greatest days for Fighting Irish golf are still to come and we couldn't be more excited about what lies ahead."

In addition, Notre Dame's facilities were singled out as the third-best college golf footprint in the nation with a 98 rating — only Stanford and Duke had higher totals. The Irish have made tremendous strides in their physical plant during the past decade, beginning with the 2000 debut of the on-campus Warren Golf Course, designed by Bill Coore and PGA Tour great Ben Crenshaw and rated among the nation's top college and public layouts. The course already has hosted five BIG EAST Championships, the 2005 NCAA Central Regional, a 2004 U.S. Amateur Championship qualifier, and three Western Amateur Championship qualifiers in its seven-year existence.

Notre Dame's latest facility addition opened in September 2006, with the completion of the \$2.1 million, 10,333-square foot Robert and Marilyn Rolfs Family All-Season Varsity Golf Facility, located on the grounds of the Warren Golf Course. The Rolfs Facility features a 5,000-square foot indoor short game area, six covered tee stations that include state-of-the-art video equipment for instant coaching feedback, office space for the Irish men's and women's coaching staffs, and a fully-furnished lounge area with separate locker room areas for both teams.

The complete 2007-08 *Golf Digest* rankings in all three categories, as well as a full explanation of how the ratings were determined, can be found by going on-line at <http://www.golfdigest.com/rankings/college/2007/09/collegegolfrankings>.

The Sandman Cometh

With the graduation of three-time PING All-Midwest Region selection Cole Isban, junior **Josh Sandman** moves to the top of the Notre Dame starting lineup. Sandman was an all-BIG EAST Conference selection in 2007 after his 10th-place finish at the season-ending league tournament when he fired a one-under par 215 (73-74-68).

A native of Greensboro, N.C., Sandman currently stands in a virtual tie with Isban for the school's career stroke average record with a mark of 73.764 in 49 career rounds (Isban registered a 73.755 mark from 2003-07). Sandman also has been about as consistent as they come, posting 11 Top 25 finishes in 17 career tournaments, with 47 of his 49 rounds (95.9 percent) counting to the team score.

Captains Courageous

Notre Dame's three seniors have been selected as team captains for the 2007-08 season. **Mike King**, **Eddie Peckels** and **Greg Rodgers** all are serving in that capacity for the first time in their careers.

The .500 Rule

According to a new rule passed by the NCAA Division I Men's Golf Committee, teams must finish their season with a winning head-to-head record (i.e. better than .500) in order to be considered for a berth in postseason play.

Things You Should Know About The Irish

- ◆ Notre Dame has won six BIG EAST Conference titles in its 12-year league affiliation, stringing together three consecutive crowns from 1995-97 and again from 2004-06. The Irish also have made 33 NCAA postseason appearances in their history (most recently in 2006 with a trip to the NCAA East Regional), winning the 1944 national title and finishing second in 1937.
- ◆ Notre Dame has taken its play to new levels in recent years, posting three of the top seven single-season stroke averages in school history since head coach **Jim Kubinski** took over as head coach in January 2005. The Irish also have carded nine of the top 13 tournament scores (54 holes) in program history during the Kubinski era, including a school-record 842 (-22) at the 2006 BIG EAST Championship.
- ◆ Notre Dame's impressive resurgence of late has been augmented by its play against nationally-ranked opponents. In fact, since Kubinski arrived under the Golden Dome, the Irish have defeated 13 Top 25 teams (according to *Golfweek*) and posted 12 top-five tournament finishes, including three event titles (most recently the '06 BIG EAST Championship).
- ◆ Kubinski himself was nominated for a place on the 2007 *GOLF Magazine* Top 100 Teachers List, after being placed into consideration by the Indiana Section of the PGA. Approximately 400-500 people are chosen annually from the 30,000 PGA professionals nationwide for a few select places on the *GOLF Magazine* list, whose membership includes such notables as Hank Haney, Butch Harmon, David Leadbetter and Rick Smith.

Next Up: Fighting Irish Gridiron Golf Classic (Sept. 30-Oct. 2)

Notre Dame returns home for the second annual Fighting Irish Gridiron Golf Classic, to be held at the Warren Golf Course on the Notre Dame campus. Lamar won last year's event, with the Irish and Baylor rounding out the top three. The Cardinals will return to defend their title, with Baylor, Michigan State and North Florida joining Notre Dame in the quest for top honors.

JIM KUBINSKI

Head Coach • Fourth Year at Notre Dame Springfield College (1993)

One of the nation's top young golf teachers, Jim Kubinski is in his fourth season as the head coach at Notre Dame. Having assumed the post on Jan. 28, 2005, Kubinski is just the sixth head coach in the 78-year history of the Irish men's golf program, inheriting a storied tradition that includes the 1944 national championship, 19 top-10 NCAA Championship finishes and 33 NCAA postseason appearances.

"We feel Jim is one of the rising stars in the golf coaching community and someone who can continue to develop our program into a perennial national contender," Notre Dame director of athletics Kevin White said.

It hasn't taken long for Kubinski to make his mark at Notre Dame and reward White's confidence in his abilities. In his first tournament at the helm of the Irish, just one month after setting foot on campus, Kubinski helped guide Notre Dame to the championship of the 2005 NOKIA Sugar Bowl Tulane Invitational, winning the title on the first hole of a sudden death playoff against UNC Wilmington. It was the first of two tournament crowns in the 2004-05 season for Notre Dame and made Kubinski the first Irish men's golf coach since 1961 to win the opening event of his career. That season, Rev. Clarence Durbin, C.S.C., led the Irish to a 23.5-6.5 dual-match win over Western Michigan.

That was the start of what has been a stellar three-year run for the Notre Dame skipper, who piloted the Irish to consecutive BIG EAST Conference titles in 2005 and 2006, and back-to-back NCAA regional appearances both years. He also has a three-year record of 224-206-10 (.520) record and 13 wins over teams ranked in the *Golfweek* Top 25. What's more, Notre Dame has regularly collected votes in the *Golf World*/Nike Golf Top 25 poll and has risen as high as No. 12 in the *Golfweek* rankings (Oct. 2, 2005).

Under Kubinski's guidance, Notre Dame has registered 12 top-five finishes in 33 tournaments, including three tourney titles (two coming in sudden-death playoffs). The Irish also have carded three of the top seven single-season stroke averages in school history, following a 299.89 mark in 2004-05 (seventh all-time) with a school-record pace of 292.97 in '05-06 and a 295.71 mark last season (second all-time).

In addition, Notre Dame has fired nine of the top 13 single-round scores in school history since Kubinski arrived on campus, including impressive final-round postseason efforts at the 2005 NCAA Central Regional (282, +2) and the 2006 BIG EAST Championship (school-record 272, -16). The latter score highlighted a 12-stroke comeback victory over Louisville, the second-best rally in the storied history of the Irish men's golf program, and led the Notre Dame's selection as the *Golfweek* National Team of the Week (May 1, 2006) for the first time in program history.

Individually, Kubinski has produced impressive results with several Irish players in a short span of time. Cole Isban became the first three-time PING All-Midwest Region selection (2005-07) in program history under Kubinski's tutelage, and recently graduated as the school record holder for single-season stroke average (72.71 in 2006-07), and career stroke average (73.76). Josh Sandman got a late start to his college career in '05-06 due to an injury, but since he hit the links, he has been superb, posting a 73.76 career stroke average in 49 rounds (17 tournaments) that puts him on pace to threaten Isban's school record. Thus, it's no wonder Kubinski was nominated for the 2007 *GOLF Magazine* Top 100 Teachers List, honoring the nation's pre-eminent golf instructors.

"As a lifelong Notre Dame fan, I couldn't ask for a greater opportunity than to be the head coach of the Fighting Irish," Kubinski said. "It's certainly a special time to play for Notre Dame and be a part of this great university. I'm looking forward to an exciting time ahead and feel that we're building something here that will be a great source of pride for our players and our university in the years to come.

"Notre Dame exemplifies the best of everything in a college environment, both academically and athletically," Kubinski continued. "It's my goal to ensure that we are a perennial top-10 program on the course and in the classroom, consistent with the best traditions of Notre Dame, and I truly believe we can achieve that goal."

Kubinski was a three-year golf letterman and two-year team captain at Springfield (Mass.) College before graduating in 1993. A two-time all-Northeast 10 Conference selection in 1991 and 1992, he also received the Springfield College Maroon Club Award for academic and athletic achievement in 1992. His playing experience continued on the North Atlantic Tour where he tied for sixth place at the '95 Boston Open, and he also competed in the Carolinas Section PGA.

Born May 4, 1970 in Springfield, Mass., Kubinski and his wife, Sarah, now live in South Bend. The couple was married in Durham, N.C., on Oct. 15, 2005, and is expecting their first child in September.

Tournament Notes: This was the first of two "B" team tournaments Notre Dame will play in 2006-07, with no "B" team scores counting on the national rankings lists (*Golfstat/Golfweek*), although individual scores are accepted ... the Irish fielded a lineup that included three freshmen (Olavo Batista, Carl Santos-Ocampo, Kyle Willis) making their college debuts ... for the second consecutive tournament, a Notre Dame rookie sank a hole-in-one in his first college tournament, as Santos-Ocampo aced the par-3, 175-yard third hole with a 7-iron in the final round ... junior Eddie Peckels posted his best finish since a seventh-place showing at the 2004 Earl Yestingsmeier Invitational (another "B" team event), when he also recorded his top college score (215, +5) ... Peckels' final-round 69 also was the best of his career, one stroke better than his third-round 70 at the '04 Yestingsmeier ... the tournament was an early homecoming for Willis, who hails from Lake Forest, Ill., and graduated from Lake Forest High School last spring.

Sandman's opening-round 66 was a career-low, one shot better than his final-round total in this year's Prestige at PGA WEST ... senior All-America candidate Cole Isban logged his fifth consecutive top-20 outing and 11th in the past two seasons (covering 18 tournaments, including DQ at 2005 CordeValle Collegiate) ... senior co-captain Adam Gifford shot a career-low 219, one stroke better than his previous mark, also established in this season's Prestige at PGA WEST ... freshman Carl Santos-Ocampo made his first appearance as a member of the Irish travel squad.

Notre Dame's second-round 314 was its highest score of the season, and highest since a 318 in the opening round of the '05 Aggie Invitational ... senior All-American candidate Cole Isban has finished in the top 25 at all six tournaments he has played this year.

Tournament Notes: The tournament was shortened to 36 holes due to poor weather conditions (cold, wind, snow) ... the first round was played with wind chill readings in the teens ... Notre Dame has been a regular at Purdue's tournament through the years, with this marking the 23rd time (and second in as many years) that the Irish played in the West Lafayette event ... junior Greg Rodgers made his first appearance of the spring and carded his first round of par or better this season with his second-round 72 ... senior All-America candidate Cole Isban has finished in the top 25 nine times in 10 events this season, while sophomore Josh Sandman now has been a top-25 finisher seven times in '06-07.

Tournament Notes: Notre Dame found itself playing in a weather-shortened tournament for the second week in a row ... the last time the Irish played two consecutive 36-hole events was the 1998-99 season, when Notre Dame took part in three straight two-round tournaments — Louisville Intercollegiate (2nd, 609), BIG EAST Championship (2nd, 617) and Golden Ocala Invitational (8th, 599), with the first two events closing out the '98 fall schedule ... the Irish had not played at the Kepler Intercollegiate since 2003, but were making their 29th overall trip to OSU's spring tourney since the '68-69 season ... Notre Dame did not have a player finish in the Top 25 for the first time since the '06 NCAA East Regional, when Cole Isban was the top Irish individual with a tie for 52nd place ... Isban's opening-round 79 matched his highest score of the season (first round, Gopher Invitational), while his two-round total of 155 was his highest since he shot a 156 at the '06 NCAA East Regional ... Isban played in his school-record 47th tournament and became the first Irish golfer ever to card 10,000 career strokes.

Tournament Notes: Notre Dame finished as the BIG EAST runner-up for the fourth time (also 1998, 2002, 2003) and among the top-three at the BIG EAST Championship for the 11th time in its 12-year affiliation with the conference ... the Irish shot the best round of the tournament by any squad with a final-round 278 (-10) that also was a season-low and third-best in school history (record: 272 in the final round of the 2006 BIG EAST Championship) ... Notre Dame's tournament score of 856 (-8) was a season-low, as well as the fourth-best mark in school history (record: 842 at the '06 BIG EAST Championship) ... the Irish had at least three all-BIG EAST selections for the fourth time in five years (school-record four honorees in 2003) ... senior Cole Isban earned his third all-conference plaque, joining Mark Baldwin as the only three-time all-BIG EAST picks in school history ... senior Adam Gifford and sophomore Josh Sandman were first-time all-league choices ... Gifford's 36-hole score of 141 (-3) tied for the best ever by an Irish golfer at the BIG EAST Championship (Todd Vernon did it in 1997 and Sandman matched it in 2006) ... Gifford tied his best single-round and tournament score of his career, as well as his best tournament finish ever ... junior Greg Rodgers matched his career-low 18-hole score with a final-round 69 and posted a career-best tournament finish.
