BIG EAST Championships

Notre Dame in the BIG EAST Championships

After competing for 25 years as an independent, Notre Dame joined the Midwestern Collegiate Conference in 1983-84, beginning a 12-year membership in which the Irish would win six league championships (1986 & '88-92) and finish as the MCC runner-up four times (1984-85 & '93-94). Notre Dame joined the BIG EAST Conference prior to the 1995-96 season and has been a member since then.

The Irish have registered 10 consecutive top-four finishes in the BIG EAST Championships, including a trio of runner-up results (1999-2000 & 2004). In 2005, Notre Dame registered a meet-record 902.5 points to capture the program's first-ever BIG EAST title. The Fighting Irish defeated Pittsburgh, the eight-time defending conference champions, by 275 points. Notre Dame defended its title in 2006 by registering 809 points to top runner-up Pittsburgh and the rest of the field. The Irish were edged out by West Virginia (765.5-761) in their bid for a third consecutive title in 2007. In the BIG EAST, 12 of the 16 league members have men's swimming and diving teams.

Notre Dame has won 15 event titles at the BIG EAST meet, with five of those occurring at the 2005 championships and four more in 2006. Tim Kegelman became the first Irish swimmer to win three BIG EAST titles. Kegelman collected all three titles at the 2005 meet by winning the 100 fly, 200 individual medley and being part of the champion 400 medley relay. Ray Fitzpatrick (who was first in the 200 free in 2000 after anchoring the champion 400 free relay in '99) was the first Irish student-athlete to win multiple BIG EAST championships. In 2006, Jay Vanden Berg became the second competitor in program history to capture multiple titles in the same meet as he won both the 500 and 1,650-yard freestyle events. Vanden Berg also won the 1,650 free in 2005 and is tied with Kegelman for the program record of three event titles.

The top three finishers in every event gain all-BIG EAST honors, and 42 Notre Dame competitors – including nine on the 2007-08 roster – have achieved that status. Kegelman leads the Irish with 12 all-conference honors, while three Irish athletes have garnered six individual all-BIG EAST accolades (Scott Zumbach, Ted Brown, Jay Vanden Berg). Notre Dame's top diver in the BIG EAST Championships was Andy Maggio ('03), who garnered all-BIG EAST accolades three times.

National & International Meets

Bob Ebel

Divers Bob Ebel and Michael Bulfin along with swimmer Tim Kegelman are the only three Notre Dame student-athletes ever to take part in the NCAA Men's Swimming and Diving Championships. Ebel, a native of St. Louis, Mo., did so in three-meter diving as a sophomore in 1975. He qualified with a record-breaking performance in a dual meet against Illinois State on Feb. 22 in the Rockne Memorial Pool. Ebel's score of 302.65 also would stand as the school record for the next 15 years. Kegelman, who hails from Yorktown, Pa., competed at the 2005 NCAA Championships after earning his berth with a season-best time in the 100-yard butterfly of 47.66. He also swam in the 200-yard individual medley and the 100-yard fly, however he was disqualified from the latter.

Tim Kegelman

Bulfin is the most recent Irish competitor to qualify for the NCAA meet as he did so off the three-meter board during the 2005-06 campaign. The Ft. Lauderdale, Fla. native placed 18th in the three-meter competition at the NAAs and 27th in the one-meter.

A variety of other Irish swimmers and divers have been close to qualifying, including a very near miss by diver Andy Maggio in 2002.

Notre Dame swimmers have taken part in other major national and international meets over the past decade, culminating in current freshman Andrew MacKay's participation in the 2004 Olympic Games in Athens, Greece. MacKay, the first native of the Cayman Islands ever to qualify for the Olympics in swimming, took part in both the 200- and 400-meter individual medleys and broke his own national records in both events. In the longer race, it took him just 0.59 seconds to get off the starting blocks at the commencement of the race, and that reaction time was the fastest of any non-backstroker (male or female) during the entire Athens Olympics. He moved up from his seeding in both races to finish 33rd in the 400 IM and 41st in the shorter event.

While MacKay is Notre Dame's first men's swimming Olympian, various other Irish student-athletes have taken part in high-profile national and international meets, as well. Dan Szilier, a 2000 graduate who still holds the University record in the 200-yard breaststroke, was the most accomplished of that group, as he finished ninth in the 200-meter breaststroke in the 1999 World University Games in Palma de Mallorca, Spain. Szilier qualified for that team by taking seventh at the 1998 USA Swimming Summer National Championships. In 1997, Szilier was tabbed Rookie of the Meet at the USA Swimming

James Scott-Browne, a distance freestyler who swam for the Irish from 1997-99, also had some international experience. He was a member of USA Swimming's national junior team, which took part in a variety of meets abroad. Additionally, Scott-Browne participated in the 1997 World Scholar-Athlete Games.

The 2000 U.S. Olympic Trials had three Notre Dame swimmers - Szilier, Jonathan Pierce (1,500 free), and Ryan Verlin (200 fly) - competing. Szilier led the Irish contingent by finishing 29th in the 200 breast. MacKay also competed in the 2004 World Championships in Indianapolis, Ind., swimming the 100-meter IM.

Various other Notre Dame competitors have participated in the USA Swimming senior national meets.

Byron V. Kanaley Award

The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to the senior monogram athletes who have been most exemplary as both students and leaders.

The awards, presented by the Faculty Board on Athletics, are named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960.

Seven members of the Notre Dame men's swimming and diving team have received the award, including three since 2000.

Rolfs Aquatic Center

The Irish swimming and diving teams compete in the state-of-the-art Rolfs Aquatic Center. After 27 years of inter-collegiate swimming competition in the Rockne Memorial Pool, the Notre Dame swimming and diving programs entered a new era in 1985, as they moved to the \$4.5-million natatorium located in the Joyce Center.

Donated by brothers Thomas and Robert Rolf of West Bend, Wis., the Rolfs Aquatic Center provides Notre Dame with a modern, innovative facility on par with any other in the country. Ellerbe Architects and Engineers of Bloomington, Minn., the architects used in the planning of the Joyce Center, also were commissioned to design the 45,000-square-foot facility which houses a 50-meter Olympic pool (25 yards in width), spectator seating for 400 and support facilities.

The facility features two movable bulkheads to allow sections of the pool to be blocked off, allowing swimming competition and warm-up swimming to occur simultaneously. The design also allows recreational swimming, water polo, instructional swimming and other aquatic activities. Diving is accommodated with two one-meter boards and two three-meter boards.

Support functions housed in the center of the facility just below the spectator seating include men's and women's locker rooms, men's and women's varsity locker rooms, and men's and women's staff locker rooms. Offices for the Notre Dame swimming staff, aquatics directors, and lifeguards are deck-

side and glass-fronted with a view of the pool.

Several deckside instructional areas are located around the pool and feature infrared heat lamps, designed to keep wet swimmers warm between events. The pool features a stainless steel racing gutter which is designed to absorb the bow waves of a swimmer, allowing faster swimming times.

Another instructional feature is the two underwater windows which allow critiquing of a diver's or swimmer's underwater technique. The unique structural system consists

of three trusses which span 120 feet, with the roof suspended below the trusses. In addition, the white exterior trusses provide an interesting and athletic character to the building. The lighting system is designed to be adjusted from maximum brightness for television to nearly dark for dramatic synchronized swimming presentations.

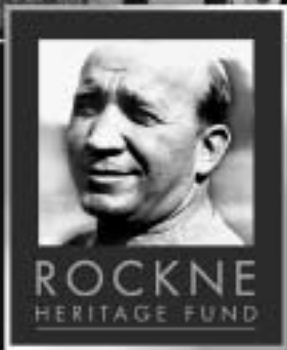

The center was officially dedicated on November 13, 1985.

Give a Gift and Leave a Legacy

Character, academics, spirituality and athletics. These words represent the core of Irish Athletics. This makes us different. As Fr. John Jenkins so eloquently stated, "Our difference is not a detriment. It is an asset that will make our contribution more distinctive, more exemplary, more valuable. We welcome the challenge."

The Rockne Heritage Fund represents an opportunity to acknowledge those differences; to applaud, support and encourage the direction in which we are headed; to provide the resources our student-athletes need to compete at the very highest level; to ensure that the Notre Dame spirit lives on for generations.

Alumni, parents, friends, students, faculty and staff are among those who have generously supported the Rockne Heritage Fund and we are grateful.

In January our recognition society, the Director's Circle, announced a second giving level: Irish Legends. We have generous donors who have made \$5,000, \$10,000 and \$25,000 gifts who are now recognized at this new level.
