The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to the senior monogram athletes who have been most exemplary as both students and leaders. The awards, presented by the Faculty Board on Athletics, are named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960.

Erin Brooks represented the United States and Notre Dame in the 1997 World University Games and came home with a bronze medal in the 200 backstroke.

In addition to their many accomplishments in collegiate action, Notre Dame women's swimmers and divers have a history of also competing in various prestigious national and international meets, including in each of the last three Olympics. In 1996, Jilen Siroky ('04), then just 15 years of age, represented the United States in the Atlanta games, finishing 15th in the 200-meter breaststroke. Siroky also was the '96 U.S. champion in the 100 breast. In 2000, Christel Bouvron represented her native Singapore in the Sydney games, finishing 32nd in the 200-meter butterfly and 36th in the 400 freestyle. Four years later, she became just the second current Notre Dame student-athlete ever – and first in 84 years – to take

part in the Olympics, matching her 32nd-place finish in the 200 fly.

In addition to that pair of Olympians, 26 Irish student-athletes have competed in U.S. Olympic Trials and four more have swum in their native country's trials. Backstroker Erin Brooks, a 1997 graduate, represented the U.S. in the '97 World University Games and came home with a bronze medal in the 200 backstroke. Notre Dame also has a long history of swimmers and divers who have qualified or competed in the USA Swimming Senior National Championships, as nearly 60 future, current, or former Irish competitors have done so.

Current senior Natalie Burke, from Cape Town, South Africa, competed in her home country's Olympic trials in 2004.

All-Time Series

Karli Richards helped Notre Dame to a 7-0 record against Big Ten opponents during her monogram seasons (1999-2000), including two wins apiece against Michigan, Illinois and Northwestern.

Former Irish swimmer Amy Deger (2000-03) aided Notre Dame to its largest ever margin of victory in a dual meet with a 223-77 win over Pittsburgh in 2001.

Equipment necessary for the latest diving training techniques, including a trampoline, is located in the diving area. The Rolfs Aquatic Center diving well contains two one-meter boards and two three-meter boards.

The Irish swimming and diving teams compete in the state-of-the-art Rolfs Aquatic Center. After four years of varsity intercollegiate swimming competition in the Rockne Memorial Pool, the Notre Dame women's swimming and diving program entered a new era in 1985, as they moved to the \$4.5-million natatorium located in the Joyce Center.

Donated by brothers Thomas and Robert Rolf of West Bend, Wis., the Rolfs Aquatic Center provides Notre Dame with a modern, innovative facility on par with any other in the country. Ellerbe Architects and Engineers of Bloomington, Minn.,

the architects used in the planning of the Joyce Center, also were commissioned to design the 45,000-square-foot facility which houses a 50-meter Olympic pool (25 yards in width), spectator seating for 400 and support facilities.

The facility features two movable bulkheads to allow sections of the pool to be blocked off, allowing swimming competition and warm-up swimming to occur simultaneously. The design also allows recreational swimming, water polo, instructional swimming and other aquatic activities. Diving is accommodated with two one-meter boards and two three-meter boards.

The Rolfs Aquatic Center is home to Notre Dame women's and men's swimming and diving teams. The pool has two moveable bulkheads that allow the Irish the opportunity to train on either a long or short course.

Support functions housed in the center of the facility just below the spectator seating include men's and women's locker rooms, men's and women's varsity locker rooms, and men's and women's staff locker rooms. Offices for the Notre Dame swimming staff, aquatics directors, and lifeguards are deckside and glass-fronted with a view of the pool.

Several deckside instructional areas are located around the pool and feature infrared heat lamps, designed to keep wet swimmers warm between events. The pool features a stainless steel racing gutter which is designed to absorb the bow waves of a swimmer, allowing faster swimming times.

Another instructional feature is the presence of two underwater windows which allow critiquing of a diver's or swimmer's underwater technique. The unique structural system consists of three trusses which span 120 feet, with the roof suspended below the trusses. In addition, the white exterior trusses provide an interesting and athletic character to the building. The lighting system is designed to be adjusted

from maximum brightness for television to nearly dark for dramatic synchronized swimming presentations.

The center was officially dedicated on November 13, 1985.
