## BYRON V. KANALEY AWARD

The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to the senior monogram athletes who have been most exemplary as both students and leaders.

The award, presented by the Faculty Board on Athletics, is named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960.

The Notre Dame volleyball team has had 10 of its players honored with the Kanaley Award, which is presented at the spring athletic department awards dinner: Terese Henken (1984), Alicia Turner (1993), Julie Harris (1994), Jaimie Lee (1998), Keara Coughlin (2003), Kristen Kinder (2004), Emily Loomis (2005), Adrianna Stasiuk (2007), Kristen Dealy (2011) and Natalie Johnson (2018)

Terese Henken 1984    Alicia Turner 1993    Julie Harris 1994    Jaimie Lee 1998    Keara Coughlin 2003    Kristen Kinder 2004    Emily Loomis 2005

Adrianna Stasiuk 2007    Kristen Dealy 2011    Natalie Johnson 2018

## FRANCIS PATRICK O'CONNOR AWARD

The Francis Patrick O'Connor Award honors male and female student-athletes who best display the total embodiment of the true spirit of Notre Dame as exemplified by their contributions and inspirations to their respective teams. To be considered, student-athletes must possess those qualities attributed to Pat O'Connor: caring, courage, confidence, encouragement, humility, honesty, humor, kindness and patience.

Since 1993, the University has presented this award in the name of O'Connor, a former student-athlete who died in 1973 following his freshman year at Notre Dame. Pat was the son of William "Bucky" O'Connor, who played guard for the Notre Dame football team in the 1940s. The Irish volleyball team has had four players earn the honor.

Justine Stremick 2008    Megan Fesl 2009    Frenchy Silva 2011    Caroline Holt 2018

## LEADERSHIP OF DISTINCTION AWARD

The Leadership of Distinction Award is given to individuals who are deemed exceptional leaders by their coaches and teammates, based on the results of a 360-degree evaluation.

# Purcell Pavilion

Notre Dame's Purcell Pavilion at the Joyce Center, the home of Irish volleyball since the establishment of the varsity program in 1980, has become one of the most difficult sites in the nation for road teams to win at.

Since 1980, Notre Dame has posted a 356-137 home record for an impressive .722 winning percentage, including perfect marks of 17-0 and 12-0 during the 1994 and 2001 campaigns, respectively.

The Irish have pieced together a variety of impressive winning streaks on their home floor. Notre Dame has won 14 or more matches in a row at home on five different occasions, highlighted by a streak of 27 straight home wins from 1993-95 and a program-best 36-match winning streak from 2000-02.

The Joyce Center may not be a favorite venue for league opponents, as Notre Dame won 74 consecutive regular-season conference matches in the Joyce Center from former head coach Debbie Brown's arrival in 1991 through the 2004 campaign. Upon joining the BIG EAST Conference in 1995, the first 61 league teams to play in the Joyce Center were defeated before Pittsburgh upset the Irish in the 2003 BIG EAST Championship finale.

On 19 occasions, Notre Dame has downed ranked teams in the Joyce Center, including six wins over top-10 opponents. In 1993, the Irish downed national power Nebraska twice at home, first defeating the third-ranked Cornhuskers in four sets in the Golden Dome Invitational in September and then winning in three games in the second round of the NCAA Championship when Nebraska was No. 8 in the nation. Other notable wins in the Joyce Center include a four-set triumph over No. 9 USC in 1995 and a five-set marathon victory vs. No. 10 Pepperdine in the 2002 Golden Dome Invitational. In 2005, the Irish boasted home wins over both No. 11 Texas and No. 6 Louisville.

Most recently, Notre Dame defeated three ranked opponents during the 2017 campaign, knocking off No. 21 Florida State, No. 23 Michigan State and No. 24 Ohio State.

The Joyce Center, which will celebrate its 50th year of service to the University in 2018-19. The facility also serves as a multipurpose sports complex, theatre and concert hall, convention center, and office building.

The first-ever volleyball match played in the north dome of the facility (also known as "the Field House") was in 2007, when No. 7 Florida handed the Irish a 3-1 defeat. The Irish returned to the Field House for the bulk of the 2009 season as the main arena underwent renovations. The last match the Irish played in the Field House was in 2012, when Notre Dame defeated Pittsburgh, 3-1, while the NBA's Chicago Bulls and Indiana Pacers played an exhibition game in Purcell.

Notre Dame volleyball played its matches in "the Pit," an intimate gymnasium in the basement of the Joyce Center, from 1980-83 until increased attendance served as the

impetus for a move to the basketball arena. The Irish played in "the Pit" again in 1986 due to renovation, but other than that, have had their home matches in the south arena since 1984. In 1999, a new Sport Court volleyball-only playing surface debuted in the Joyce Center, completing the facility's evolution into one of the top volleyball venues in the country.

Interest in the Irish volleyball program has steadily increased over the past several seasons, as crowds of more than 1,000 have taken in Notre Dame matches on 89 occasions since 2000. The 10 largest gatherings - all 2,800 fans or more - came for matches preceding football pep rallies, held in the Joyce Center on Fridays before home games.

In 2003, the Notre Dame-Virginia Tech matchup that ended with a thrilling five-set Irish victory was played before a record crowd of 8,643. That season also featured the largest-ever non-pep rally crowd for volleyball, as 2,715 witnessed Notre Dame beat rival Miami in three games in a match televised live by CSTV (CBS College Sports). Over 1,500 fans were in attendance when the Irish downed No. 17 Louisville, 3-1, in the 2007 Senior Day match televised by ESPNU.

The facility underwent a major facelift which wrapped up in 2009. Groundbreaking ceremonies for the new Purcell Pavilion, including the Joyce Center arena addition and renovation, were held in September 2008.

The first phase of the project involved construction of a new three-story structure at the south end of the arena. That structure includes a new three-story lobby, the Notre Dame ticket operations and a varsity shop to sell apparel and souvenirs, in addition to a new club seating and hospitality area.

Replacement of the existing Joyce Center arena seating, including installation of chair-back seating throughout the arena, began after the University's commencement exercises in May 2009.

The University announced in October 2007 that this \$26.3 million project had received a \$12.5 million leadership gift from Notre Dame alumnus and Trustee Philip J. Purcell III, the retired chairman and chief executive officer of Morgan Stanley.

The arena is the home for Notre Dame teams in men's and women's basketball and women's volleyball - as well as commencement when there is inclement weather, concerts, Masses and other events.

Originally opened in December 1968 as the Athletic and Convocation Center, the Irish facility in 1987 was renamed the Edmund P. Joyce Center after former longtime University executive vice president Rev. Edmund P. Joyce, C.S.C.

Among those notables who have appeared at the Joyce Center are six presidents - Jimmy Carter, George H. Bush, Gerald Ford, Ronald Reagan (twice), George W. Bush (twice) and Barack Obama - as well as entertainment

legends Elvis Presley, Frank Sinatra, Bruce Springsteen, Billy Joel, Elton John and U2. The building was dedicated Dec. 1-8, 1968, with a weeklong series of events dubbed Performance Maximus - including a concert by Andy Williams and a Notre Dame-UCLA basketball game.

Notre Dame christened the renovated Purcell Pavilion at the Joyce Center on Oct. 31, 2009, with a 3-1 win against Seton Hall.

## Irish in the NCAA Championship

The Irish earned 15 consecutive bids to the NAAs from 1992-2006 to become just one of eight schools that appeared in each of the 15 NCAA tournaments over that stretch (along with Stanford, Penn State, UC Santa Barbara, Nebraska, Long Beach State, USC and Florida). The Irish have an all-time record of 14-19 (.424) in NCAA Championship play, highlighted by six trips to the round of 16 and a visit in the 1993 quarterfinal.

The Irish made the most of their first-ever NCAA berth in 1988 by upsetting No. 20 Penn State in the opening round. Notre Dame then traveled to No. 4 Illinois and took the Illini to the wire before falling in five games. The 1993 squad put together the school's deepest postseason run compliments of wins over No. 8 Nebraska at home in three games and a five-game win at Minnesota to reach the quarterfinals. That team's run ended at the hands of No. 7 Penn State. The Irish also were among the final 16 in each of the next two seasons (1994-95) and completed a stretch of four round-of-16 appearances in five years with a second-round win over No. 18 Arkansas in 1997. Notre Dame returned to the final 16 in 2005, beating Dayton and Northwestern at home before losing in five sets to No. 12 Wisconsin.

Notre Dame has played host to NCAA Championship action on seven occasions, going 8-2 on its home court. The Irish stayed at home for first-round play in 1988 and 1993-95 before hosting first- and second-round action in 1996, 2002 and 2005.

The NCAA Division I Women's Volleyball Championship began in 1981 with a 20-team field. From 1982-85, 28 teams earned invitations until the field expanded to 32 teams in 1986. In 1993, the invitation list was enlarged to 48 with 16 teams gaining first-round byes. After one year of experimentation with a 56-squad event (1997), with the top eight seeds receiving opening byes, the current 64-team format was adopted in 1998. First- and second-round action takes place at 16 campus sites, with the winners advancing to four pre-determined regional sites.

The Notre Dame volleyball program was a member of the BIG EAST from 1995-2012. During that time the Irish experienced unprecedented success. The Irish compiled a 193-33 (.854) regular-season mark with 11 titles while posting winning streaks of 45, 35 and 19 consecutive matches. Notre Dame once earned 58-straight victories at home in BIG EAST regular-season play.

Irish volleyball squads carried a home conference winning streak of 74 straight matches from 1991 to 2004, which includes wins over both Midwestern Conference and BIG EAST opponents. Notre Dame streaked through the BIG EAST regular season slate seven times without a loss (most recently in 2009 after going 14-0) while becoming just the second team to go undefeated since the league adopted the 14-match format in 2005.

The Irish also won nine BIG EAST Tournament championships, posting a 31-9 (.775) mark in the event while reaching the final match in its first 12 tournaments.

Notre Dame also dominated the league's postseason awards, winning both player-of-the-year and coach-of-the-year awards on six occasions. On nine occasions, Irish players have been named the league tournament's most outstanding player. Notre Dame student-athletes garnered 61 all-conference accolades - including 32 first-team honors.

Prior to joining the BIG EAST, Notre Dame was a member of the North Star Conference from 1983-87 and the Midwestern Collegiate Conference from 1990-94. The Irish won regular-season and tournament titles in the NSC in 1986 and 1987, then captured both the regular-season and tournament championships in the MCC from 1991-94.

In 27 years of conference participation in the North Star, MCC and BIG EAST, Notre Dame won 17 regular-season crowns and 15 league tournaments while compiling a 220-33 (.870) mark in regular-season conference matches.

## NOTES ABOUT NCAA VOLLEYBALL SCORING

The sport of volleyball has experienced several shifts/changes since its inception, especially as a collegiate sport. As a result the Notre Dame record book has been expanded to reflect most of those changes in an effort to match the changes made by the NCAA over the last 30-plus years and the way it keeps its official records.

In order to understand this record book and how it is broken up we have listed below a brief chronological history of the changes that the NCAA has made in volleyball over the years.

- 1895: W. G. Morgan created the game of volleyball in Holyoke, Mass., for the YMCA. He blended elements of basketball, baseball, tennis, and handball to create the game. When he created the game it was initially called mintonette. Morgan borrowed the net from tennis, and raised it to six feet, six inches above the floor, just above the average man's head.

- 1917: The game was changed from 21 to 15 points and teams must win each game by two points.

- 1920: Three passes per side and back row attack rules were introduced.

- 1970: Boise State began sponsoring volleyball. At that time the format of the sport was played to either a best-of-three or a best-of-five, depending on whether it was a tournament of regular match, with each game (set) decided at 15 points, win by two.

Game scoring was done by the side-out format where points could only be scored by the serving team.

- 1971: Boise State becomes a member of the Association of Intercollegiate Athletics for Women (AIAW) competing at the Division II level and in Region IX (Pacific Northwest region).

- 1982: The AIAW ceases to exist as the National Collegiate Athletic Association (NCAA) takes over sponsoring women's athletics on a national level including volleyball.

- 1985: The NCAA decides to standardize the sport of volleyball with all matches being determined by a best-of-five format. Prior to this date, the format of matches had regular season tournaments being decided by best-of-three and other matches going by a three-out-of-five system.

- 1989: The NCAA changed the scoring format for the fifth game to rally scoring where a point is scored on every serve.

- 2001: In an effort to shorten the collegiate game and make it television friendly the NCAA dramatically changes the format of the game. Sideout scoring is replaced with the international rally scoring system where a point is scored on every serve, regardless of which team served. Matches remained determined by a best-of-five format but games went to 30 points (win by two) for the first four, while the fifth game remained at 15 points (win by two).

- 2002: The NCAA sanctions the introduction of the libero position, a defensive specialist. The libero wears a different uniform than the rest of her teammates and has unlimited substitutions. As a defensive specialist/back row player the libero cannot hit the ball in an attacking fashion or serve, except in special circumstances.

- 2004: The NCAA increases the role of the libero allowing the player in that position to serve in one of the spots of the team's rotation.

- 2008: The NCAA changed the format of a match again in 2008. The term "game" was officially changed to "set." In addition, scoring for sets one through four moved from 30 points to 25 points (win by two), the fifth set remained unchanged.

## NOTES ABOUT THIS RECORD BOOK

- With the advent of rally scoring the collegiate sport of volleyball was dramatically changed in 2001. In reflection of these changes, the NCAA made some changes to their records where category leaders under the different scoring formats are separated in order to avoid eliminating the achievements of those student-athletes who played under the previous formats. The NCAA has split their records into different phases based on seasons played under the sideout scoring format and the years since during the rally scoring era. In addition, the NCAA has split its rally scoring records up into the years under the 30-point system and the current 25-point format. We have done the same with our record book.

- In 1982 blocking statistics were broken down into three areas: block solos, block assists and total blocks. NOTE: standards for blocking statistics were so inconsistent until the rally scoring era that the NCAA has not included them in its records prior to 2001.

- In 1984 the statistics relating to digs began to be tracked and included in NCAA records.

- With the advent of the rally scoring era in 2001 the statistics in relation to points were introduced. The point total is figured by adding the number of kills, service aces and block solos (all worth one point each), in addition, block assists are worth half (1/2) a point.

- Hitting percentage is figure by subtracting the number of attack errors from the total kills then dividing by the total number of attack attempts.

- In statistical rankings, the rounding of percentages and/or averages may indicate ties where none exists. In these cases, the numerical order of the rankings listed are accurate.
