Exceptional Education

Since its founding, Notre Dame has stressed mixing academics with faith and has done so while becoming one of the top institutions of higher learning in the nation. Featuring five undergraduate colleges (Arts and Letters, Science, Architecture, Engineering and Business), the First Year of Studies, the Graduate School and the Law School, the University finds itself attracting some of the top students and faculty in the country. Students also participate in cutting edge research and diverse study abroad opportunities, enabling Notre Dame to offer one of the top academic experiences in the world.

2	Ranking of the Mendoza College of Business by <i>BusinessWeek</i> , in its annual survey of undergraduate business programs.
22	Ranking of the Notre Dame Law School by <i>U.S. News and World Report</i> .
37	National Endowment for the Humanities fellowships won by faculty in the College of Arts and Letters, more than any other university in the nation.
5	Publications in which the University of Notre Dame is ranked among the top 25 institutions of higher learning (<i>U.S. News and World Report</i> , <i>Princeton Review</i> , <i>Time</i> , <i>Kiplinger's</i> and <i>Kaplan/Newsweek</i>).

First Year of Studies

The First Year of Studies program provides all first-year students with the opportunity to gain a wide-ranging liberal arts background before choosing a specific major within Notre Dame's five undergraduate colleges. A progressive advising program for all student-athletes enables the University to follow the academic progress of all student-athletes on a regular basis. Key to the program is the fact that it is not run by the athletics department but by the University administration.

Student-Athlete Success

Notre Dame expects the best out of its student-athletes just as it does of every other student on campus. Notre Dame has had unprecedented academic success among its athletes, consistently ranking among the top NCAA Football Bowl Subdivision schools in graduation rates and academic progress. With more Academic All-Americans than any other school since 2000, Irish athletes have shown themselves capable of performing in the classroom while competing on the field at an elite level.

14

Programs honored by the NCAA for Academic Progress Rate scores in 2009, more than any other of the 119 Football Bowl Subdivision universities. The APR measures multi-year academic success by team members.

9

Irish teams which recorded a perfect score of 1,000 in the NCAA's 2009 Academic Progress Rate report, more than any other Football Bowl Subdivision institution. Notre Dame also had 11 additional programs with scores of 990 or better and all 26 varsity teams placed above NCAA standards.

19

Programs which achieved a perfect 100 percent graduation rate according to the NCAA's Graduation Success Rate, second most among Football Bowl Subdivision institutions.

100

Federal graduation rate percent achieved by nine Irish teams, according to the latest NCAA figures. Notre Dame had 11 teams ranked first in their respective sport.

.863

Percentage of Irish varsity sports (19 of 22) to achieve a perfect 100 percent graduation rate according to the NCAA's Graduation Success Rate. Notre Dame was one of only 10 institutions with more than half its programs achieving a 100 percent graduation rate and no other school saw more than 80 percent of its programs achieve a perfect score.

Sports Medicine

While no athlete plans on an injury, Notre Dame is prepared with one of the top sports medicine teams in the country to help keep its athletes fit and ready to compete. With training facilities in the Joyce Center, Notre Dame Stadium and the Guglielmino Athletics Complex, the training staff is always there to care for athletes. With approximately 200 years combined experience on the full-time staff, Notre Dame also boasts a partnership with the renowned South Bend Orthopaedics to provide first-class care.

14

Total sports medicine staff members. Head athletic trainer Jim Russ leads three associate trainers, eight assistant trainers and two physical therapists.

8,500

Square feet of cutting-edge sports medicine technology, including two 3,500-gallon therapy pools, a full x-ray unit and an MRI machine.

Strength and Conditioning

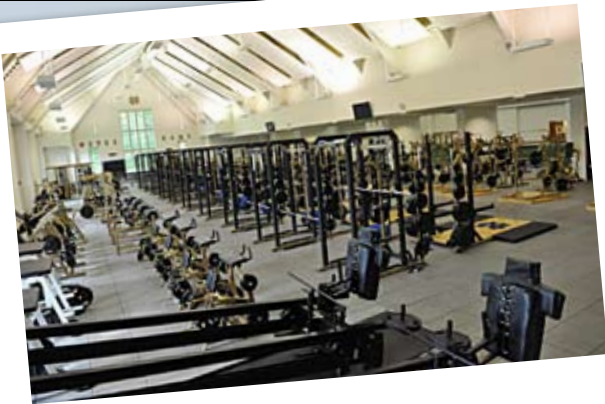

The task of keeping athletes in top physical condition is up to the strength & conditioning staff. The strength and conditioning staff knows the demands of competing on an elite level and is committed to ensuring Irish athletes are always in the best possible condition. From weight lifting to wind sprints and from warming up to cooling down, the strength and conditioning staff has every aspect covered.

10

Full-time employees working with Irish varsity athletes. The strength and conditioning staff includes director Ruben Mendoza, eight coaches, one nutritionist and one intern.

25,000

Square feet in the Haggart Fitness Complex, which is located in the Guglielmino Athletics Complex, including a weight room, a 45-yard artificial turf agility field, a Gatorade hydration station, six plasma TVs and a 28-speaker sound system.

The University of Notre Dame

When Father Edward F. Sorin started his school in the northern Indiana wilderness, he had only \$300, three log buildings badly in need of repair and a far-sighted vision of establishing a liberal arts school to meet the growing educational needs of the frontier. He dreamed of building a great university, and in 1842, he founded the University of Notre Dame du Lac.

Over the years, the University of Notre Dame du Lac would evolve into a preeminent place for Catholic thought. While becoming one of the top undergraduate institutions in the country, Notre Dame has also been at the cutting edge of research, including such innovations as the transmission of wireless messages and the development of synthetic rubber. The University also has stressed residential life, with four of five students living on campus. Students come to Notre Dame not only to learn how to think, but to learn how to live, keeping faith with the vision of Father Sorin.

1842	The University of Notre Dame was founded by Rev. Edward F. Sorin, C.S.C., as an independent, national Catholic university adjacent to South Bend, Ind., on St. Mary's and St. Joseph's Lakes.
11,733	Total enrollment at the University of Notre Dame, with 8,371 undergraduate students.
23.9	Karat gold in the famed Golden Dome, which tops the Main Building at the heart of campus.
5	Notre Dame's ranking by <i>Princeton Review</i> in a list of "Dream Schools" which takes into account academics and student life, among other attributes.

Student Body

Notre Dame is one of a handful of universities with a truly international student body, coming from more than 100 nations and all 50 states. The most recent freshman class featured 88 percent of students in the top 10 percent of their high school class. In addition, there are no fraternities or sororities at Notre Dame, with the school's 28 residence halls housing more than 80 percent of the student body, serving as the focal point of social, religious and athletic activities.

95

Graduation rate percentage among Notre Dame students, third in the nation behind only Harvard and Princeton.

97

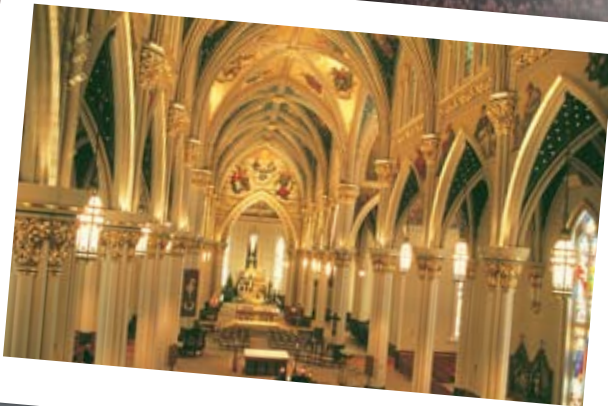

Retention rate between freshman and sophomore year which thanks to the University's renowned First Year of Studies Program, ranks among the highest in the country.

80

Percent of Notre Dame students who reside in one of 28 on-campus residence halls, where approximately 40 Holy Cross religious leaders provide pastoral assistance.

50/100

States and countries, respectively, which Notre Dame students call home.

Rev. John I. Jenkins, C.S.C.

President

Rev. John I. Jenkins, C.S.C., took office as the 17th president of the University of Notre Dame on July 1, 2005. He was elected by the University's Board of Trustees to a five-year term April 30, 2004.

An associate professor of philosophy and member of Notre Dame's faculty since 1990, Father Jenkins had served as a vice president and associate provost at the University from July 2000 until becoming president.

Prior to his service in the provost's office, Father Jenkins had been religious superior of the Holy Cross priests and brothers at Notre Dame for three years. As religious superior, he was a Fellow and Trustee of the University.

Father Jenkins specializes in the areas of ancient philosophy, medieval philosophy and the philosophy of religion. He is the author of *Knowledge and Faith in Thomas Aquinas*, published by Cambridge University Press in 1997.

Father Jenkins earned degrees in philosophy from Oxford University in 1987 and 1989. He earned his master of divinity degree and licentiate in sacred theology from the Jesuit School of Theology in Berkeley, Calif., in 1988. Prior to entering the Congregation of Holy Cross, he earned bachelor's and master's degrees in philosophy from Notre Dame in 1976 and 1978, respectively.

Father Jenkins was ordained a priest in Notre Dame's Basilica of the Sacred Heart in 1983. He served as director of the Old College program for Notre Dame undergraduate candidates for the Congregation of Holy Cross from 1991 to 1993.

A native of Omaha, Neb., Father Jenkins was born Dec. 17, 1953.

Jack Swarbrick

Director of Athletics

John B. "Jack" Swarbrick Jr., a University of Notre Dame graduate who has risen to national prominence as a lawyer, consultant, and executive in the collegiate and Olympic sports industries, is in his second year as director of athletics at his alma mater.

His first year on campus in 2008-09 featured the announcement of plans for a new, free-standing ice hockey arena; creation of an athletic administrative division to enhance athletic performance — plus 35 All-Americans, eight Academic All-Americans and four NCAA post-graduate Scholarship winners.

Notre Dame teams in 2008-09 finished as the NCAA runner-up in both women's soccer (26-1, led by Hermann Trophy winner Kerri Hanks) and fencing (men 33-0, women 32-2), while the women's tennis squad advanced to the NCAA semifinals. The Irish men's soccer squad was seeded 14th in the NCAA bracket, while the hockey team ranked fourth in the final poll after winning CCHA regular-season and postseason crowns. Men's lacrosse finished unbeaten in the regular season (and second in the final poll) -- and women's lacrosse won its first BIG EAST title.

Notre Dame also ranked number one in the country (among Football Bowl Subdivision schools) in the most recent Graduation Success Rate (GSR) numbers with a 98 for all student-athletes. The 2009 Academic Progress Rate (APR) statistics included more perfect 1,000 scores by Irish teams (nine) than by any other FBS institution.

Raised in Yonkers, N.Y., and Bloomington, Ind., Swarbrick is a 1976 *magna cum laude* graduate of Notre Dame with a bachelor's degree in economics. Upon graduating from Stanford University Law School in 1980, he returned to Indiana to accept a position as an associate in the Indianapolis law firm Baker & Daniels. He was made partner in 1987 and spent 28 years overall with the firm.

As a member of the Indiana Sports Corporation, including the chairmanship from 1992 to 2001, Swarbrick's leadership efforts resulted in the city earning the bid to host the 2012 Super Bowl; becoming the home of the NCAA headquarters; and hosting the 1987 Pan American Games, the 1991 World Gymnastics Championships, NCAA Men's Basketball Final Fours, and other college championship competitions plus a wide array of national and world championships in the Olympic sports.

He served as sports commissioner of the 1982 U.S. Olympic Festival in Indianapolis, competition director of the '87 Pan American Games, and chairman of the '91 World Gymnastics Championships. Swarbrick has served as general counsel for numerous national governing bodies of Olympic sports, including USA Gymnastics and USRowing.

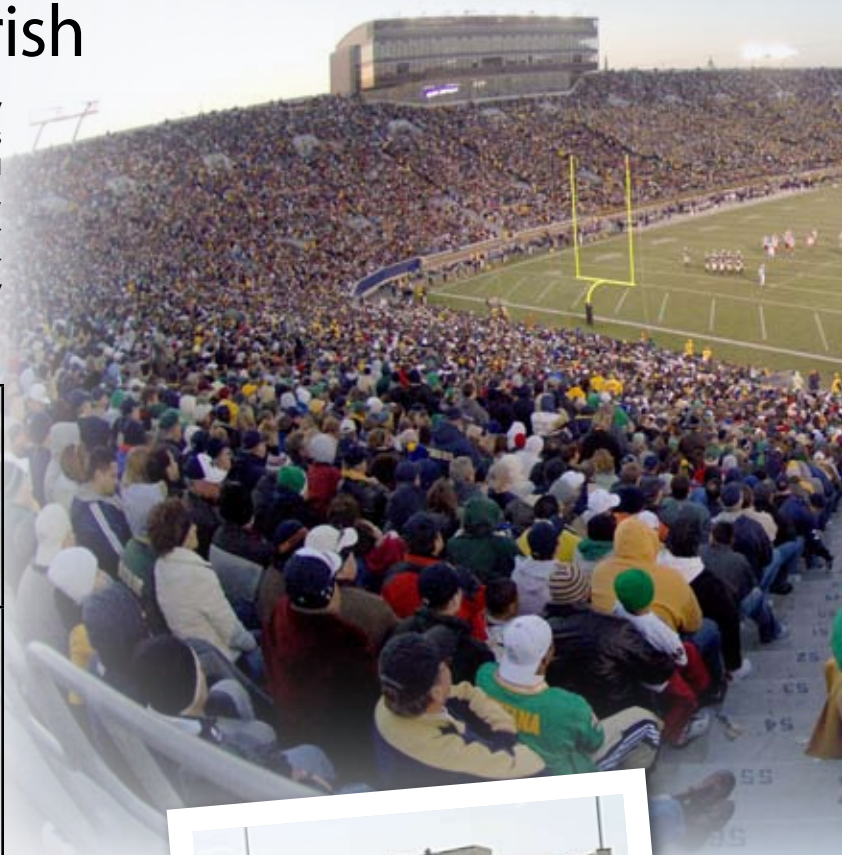

Born March 19, 1954, Swarbrick and his wife Kimberly are the parents of four children: Kate, a senior at Saint Louis University; Connor, a junior at Wake Forest University; Cal, a senior in high school; and Christopher, a high school junior.

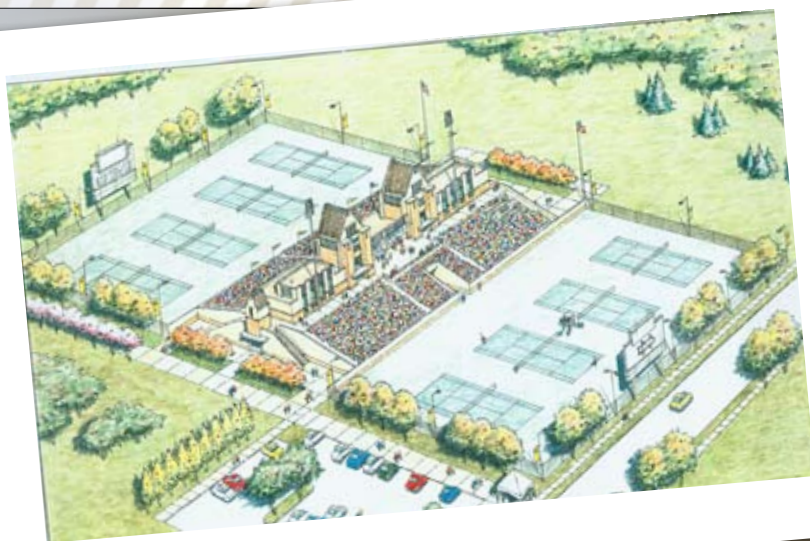

Homes of the Fighting Irish

In the midst of a master plan that will touch nearly every varsity team, Notre Dame has shown its commitment to providing athletes with the best possible facilities to help them compete on a national level. From new facilities to the extensive renovation of existing ones, Notre Dame is committed to giving Irish athletes every edge imaginable. The plan will result in a drastically altered footprint on the south-east corner of campus, creating an athletics quad that will give every Irish athlete a place they will be proud to call home.

3	New athletics facilities which will open on campus during the 2009-10 year. Alumni Stadium will be the new home for men's and women's soccer; Purcell Pavilion renovation and expansion of the Joyce Center arena will be completed; and Arlotta Family Stadium will open as the new home for the men's and women's lacrosse teams.
3	New facilities which have opened their doors in the past five years, including the Guglielmino Athletics Complex (housing football offices and locker room, a new weight room and new sports medicine facilities), the LaBar Practice Complex (featuring two Field Turf fields and one natural grass field) and Melissa Cook Stadium (home of the Irish softball team).
26.3	Million dollars being spent on Purcell Pavilion for additions and renovations to the Joyce Center arena. Purcell Pavilion at the Joyce Center will feature a three-story addition with club seating, a hospitality area, additional area for restrooms and concessions, as well as new space for the Varsity Shop and the Notre Dame ticket office.
4	Facilities which are still on the master plan to create a comprehensive athletic quad. The track and field teams, the hockey program, the tennis squads and the rowing team all will receive new facilities in the near future.

Championship Teams

Notre Dame prides itself on competing with the best in every sport it fields. Eight different programs have won national championships since Notre Dame began its first varsity team, football in 1887. With more consensus national championships in football than any other school, other programs have begun to emerge on the national scene in the 14 years since Notre Dame joined the BIG EAST Conference.

25	National championships (11 in football, seven in fencing, two in women's soccer, two in men's tennis, one in men's golf, men's cross country and women's basketball) won by Notre Dame.
101	BIG EAST Conference championships won by Notre Dame in 14 seasons of league play.
10	Conference championships won by Irish teams during the 2008-09 year (eight BIG EAST, plus Central Collegiate Hockey Association and Great Western Lacrosse League).
13	Irish programs which finished their 2008-09 season nationally ranked.
11	Consecutive years in which Notre Dame has finished in the top 25 of the United States Sports Academy Division I Directors' Cup, sponsored by the National Association of Collegiate Directors of Athletics. With a 21st-place finish in 2009, Notre Dame matched its finish from the previous year.

Championship People

To measure the success of Notre Dame's determination to have both academic and athletic success, one needs only to look at the numbers. From Academic All-Americans to BIG EAST Conference Academic All-Stars, Notre Dame continues to set the bar nationally.

210

All-time Academic All-Americans produced by Notre Dame, second most of any university.

84

Academic All-Americans since 2000, more than any other school.

2

Irish teams which have produced more Academic All-Americans than any other school in their respective sports – baseball and women's soccer.

8

Notre Dame Academic All-Americans in 2008-09.

48

Notre Dame NCAA postgraduate scholarship recipients since 1964, including four in 2008-09: Matt Besler (men's soccer), Brittany Bock (women's soccer), Lauren Buck (rowing) and Patrick Smyth (men's cross country).

Irish in the Community

In addition to academic success, Notre Dame emphasizes giving back to the community as well. Notre Dame athletes have participated in countless service projects through the years, benefiting the Notre Dame and South Bend communities and beyond. Team and individual projects have allowed Irish athletes to see the positive impact they have in the lives of others and learn how to use their talents to benefit those in their communities.

5,500

Hours of community service completed by Notre Dame student-athletes during the 2008-09 school year.

686

Community service hours completed by the women's swimming team, tops among Irish programs in 2008-09. The team assisted with programs including the Domer Run, Irish Aquatics, Relay for Life and Fit for Fun, among others.

82.5

Hours of community service completed by the women's soccer All-American Carrie Dew, more than any other Irish athlete. Dew volunteered at Healthwin Specialized Care with the elderly, Life-works children's program and Take 10, which emphasizes non-violent ways for children to resolve disputes, among other service projects.

An Exclusive Club

The Notre Dame Monogram Club was founded by athletics director Jesse Harper in 1916 to bring together varsity letterwinners to promote spirit, unity, leadership and sportsmanship. Today's active members help keep past athletes connected to Notre Dame and the current student-athletes. In addition to helping contribute to scholarships, the Monogram Club has helped contribute to new facilities, especially the renovation of Heritage Hall and the Monogram Room, located in the Joyce Center.

2

Postgraduate scholarships awarded by the Monogram Club in 2009. Football's Thomas Bemenderfer and volleyball's Mallorie Croal earned the first annual grants. Croal will be working towards a masters of nursing at San Diego while Bemenderfer will be enrolling in medical school at Indiana University.

3,628

Active members in the Monogram Club through the 2008-09 year. The contributions of active members entitle them to *Inside Irish*, a magazine for members; the annual Riehle Open golf outing; football tickets and makes their children eligible for the Brennan-Boland-Riehle Scholarship.

2.5

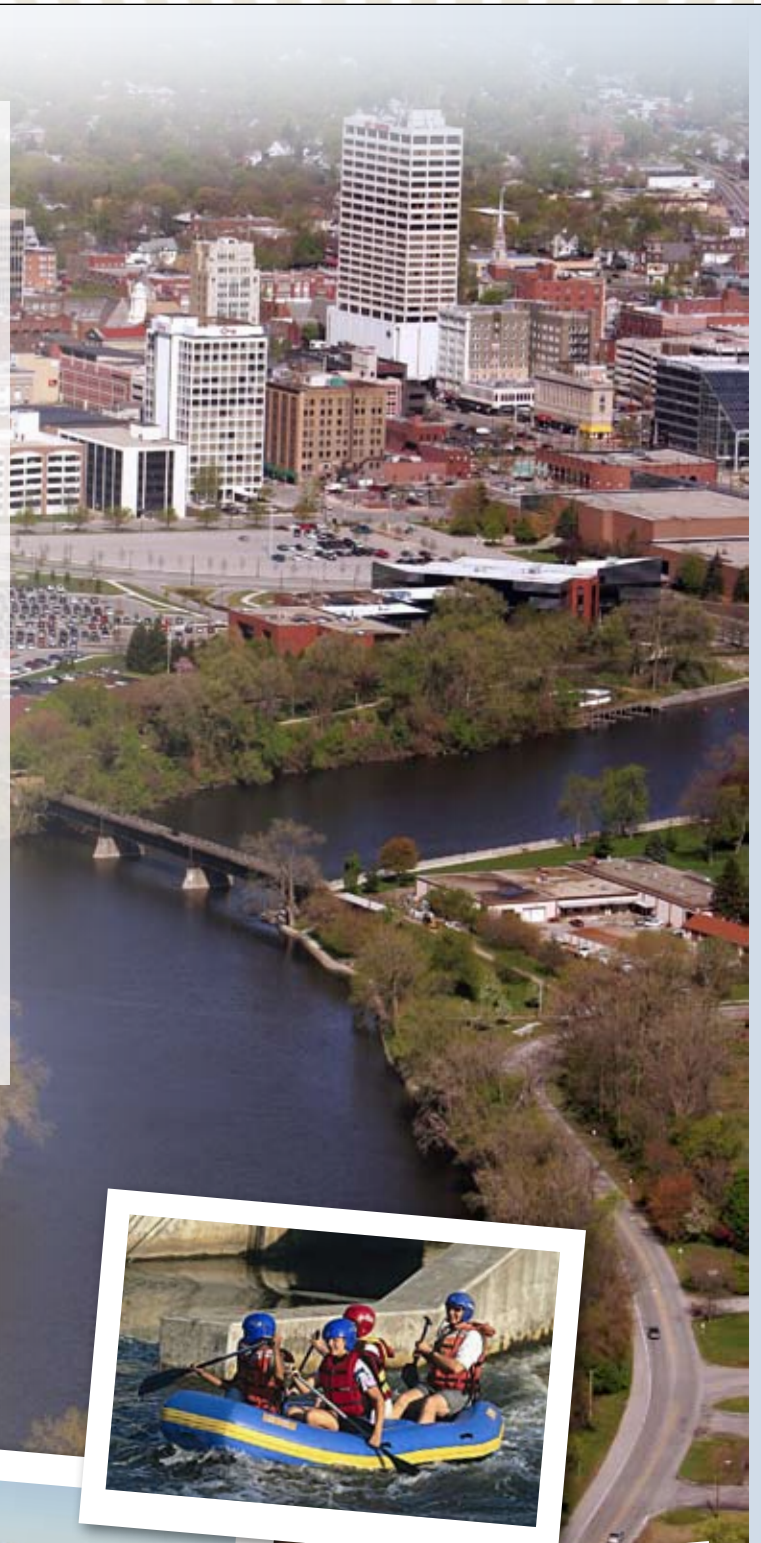

Million dollars which have been contributed to the Brennan-Boland-Riehle Scholarship fund, which benefits the children of former Notre Dame athletes who attend the University.

Notre Dame's Neighbor

Located adjacent to South Bend, Ind., the University of Notre Dame has always acknowledged its place in a greater community. Sitting between South Bend and Mishawaka in northern Indiana, Notre Dame has benefited the area in ways unimaginable, especially when it comes to Notre Dame football weekends. It is estimated that the average football weekend brings approximately \$6.2 million dollars to the surrounding community. In addition to the financial aspect, Notre Dame feels truly invested in the surrounding community, with students participating in countless service projects to benefit the greater South Bend area.

266,678	Population of the South Bend-Mishawaka area.
5.5	Millions of dollars in voluntary contributions over the next 10 years from the University of Notre Dame to the cities of South Bend and Mishawaka, the town of Roseland and to St. Joseph County.
21	Football legends enshrined in South Bend's College Football Hall of Fame in the summer of 2009, including former Irish head coach Lou Holtz. The College Football Hall of Fame was constructed in downtown South Bend in 1995 and features what is regarded as one of the most interactive museums in the world.
1,900	Feet runs the East Race Waterway, the first and only manmade whitewater rapids facility in North America. The East Race hosted the 2004 U.S. Olympic Trials for kayak.

GIVE A GIFT *and* LEAVE A LEGACY

Over 650 student-athletes on 26 varsity teams excelling in academics, spirituality, community service and athletics - all made possible courtesy of the generous alumni, parents and friends who support Notre Dame's first athletics annual fund – the Rockne Heritage Fund.

The culmination of these gifts assists the University in underwriting athletics scholarships that are the lifeblood of every program that wants to recruit the best and the brightest and compete for national championships.

Our work has just begun. Scholarships are one of the largest line items in the department of athletics operating budget, accounting for roughly \$14 million annually.

Director's Circle

Members donating to the Rockne Heritage Fund at the \$1,500, \$5,000, \$10,000 and \$25,000 levels, receive a corresponding benefits package.

For more information on the attractive football ticket benefit, visit our website: und.com/rockneheritagefund.

Academic All-Americans – The 2006-07 season proved to be a banner one, both on the fields of competition and in the classroom, for the Notre Dame track & field/cross country program. The Irish had four student-athletes earn *ESPN The Magazine*/CoSIDA Academic All-America honors, led by middle distance runner Thomas Chamney, who was a first-team selection in 2007 after picking up third-team plaudits in '06.

Chamney became the fifth Irish track and field athlete to be tabbed a two-time Academic All-American and the fourth to earn first-team honors. The three-time All-American on the track earned a Bachelor's Degree from the College of Arts and Letters in 2007, graduating with a 3.56 cumulative grade point average in English.

Joining Chamney as 2007 Academic All-Americans were sprinter Maryann Erigha and distance harriers Sunni Olding and Todd Ptacek. The honors were the first for each athlete. Erigha was also awarded an Arthur Ashe Jr. Sports Scholar Award (first team) along with fellow sprinter Okechi Ogbuokiri (fourth team), and was a recipient of Notre Dame's Byron V. Kanaley Award for exemplary scholarship and leadership among senior monogram winners.

Through the years, the Notre Dame track & field/cross country program has produced 21 student-athletes who have been awarded a place on the *ESPN The Magazine*/CoSIDA Academic All-America Team a total of 27 times. The program has been especially strong the past five seasons, as 11 athletes have combined to garner 15 Academic All-America certificates, including five first-team berths. Distance runner Patrick Smyth continued the tradition in 2009, earning first-team Academic All-America honors.

All-America Streak – Irish runners have a proven record in national championship meets, as evidenced by their current line of All-America citations.

The Irish men's track & field team is on a streak of 19 years (1990-2009) with at least one competitor earning All-America honors (the Irish have amassed 167 All-America honors since 1921). The Notre Dame women's track & field team has enjoyed at least one All-America performance each season since 1997 (12-year streak) and 42 overall since 1994.

All-American (Two Sports) – Former Irish great Raghieb "Rocket" Ismail is part of an exclusive group of four student-athletes who have combined All-America honors in football and another sport during their Notre Dame careers. Ismail was a two-time consensus first-team All-American in football (1989, 1990) and also earned All-America honors on the track as a sprinter in 1991.

The other members of this elite club are: Edward "Moose" Krause (football 1932; basketball 1932-34), Dick Arrington (football 1965; wrestling 1966) and Bob Golic (football 1977-78; wrestling 1978-79).

Former high jumper and 2006 graduate Emily Loomis narrowly missed becoming the first female student-athlete in school history to join this group. She earned her first track All-America citation with a tie for eighth place in the outdoor high jump at the 2006 NCAA Championship, in addition to earning honorable mention All-America laurels in volleyball following the 2003 campaign. Technically, Notre Dame has not considered honorable mention selections in its final count of All-Americans.

Irish football flanker Tim Brown (above) held the Notre Dame 55-meter record until fellow gridiron star Raghieb Ismail broke the record in 1991. Brown won the Heisman Trophy for his football exploits in 1987.

Aragon – Former Irish track and cross country standout Dr. Chuck Aragon was presented with the Spirit of Notre Dame Award during the Notre Dame-Michigan game in the fall of 1992. The award, sponsored by Maxwell House and General Foods, recognized Notre Dame athletes, past and present, who distinguished themselves in competition, demonstrated the "Spirit of Notre Dame" and exhibited the ideals of the University. Aragon captained both the Notre Dame cross country and track teams during his career (1977-81) and was the first Irish sub-four-minute miler. An All-American and bronze medalist in the 1,500 meters at the Pan Am Games, he placed fourth in the 1984 Olympic Trials. Aragon, who completed his residency in anesthesiology, donated many hours to the Logan Center while at Notre Dame.

Back to the Bend – Although the Irish won their only cross country national championship in 1957, the bus ride home from East Lansing, Mich., was anything but a celebration. In 26-degree weather, the Irish upset heavily-favored Michigan State, but when coach Alex Wilson added up the team's score of 121 points, he felt the score was extremely high to contend for the title. As a result, he and his team packed up and took the bus back to South Bend. About halfway home the stunning news came over the bus radio, Notre Dame had defeated Michigan State by six points.

Coaching Tree – Although one of Notre Dame's oldest varsity programs (dating back to 1890), the Irish track and field team didn't bring on its first coach until 1916, when Knute Rockne took the job. He held that position until 1927, starting a trend of stability among Irish track coaches.

Glossary

Current Notre Dame track & field coach Joe Piane is perhaps the best example of this, as he is in his 35th year at the helm of the Irish. Piane is the longest-tenured coach among active mentors at Notre Dame, with men's swimming coach Tim Welsh next in line with his 24th season on tap in 2009-10.

Notre Dame Track and Field Coaches Through The Years (1890-present)

No coach - 1890-1916

Knute Rockne - 1916-1927

John P. Nicholson - 1927-1940

William P. Mahoney - 1940-1942

E.R. "Doc" Handy - 1942-1950

Alex Wilson - 1950-1972

Don Faley - 1972-1974

Joe Piane - 1974-present

Deeter – JoAnna Deeter ended her career as one of the best women's cross country and track and field runners in Irish history. A native of Glen Ellyn, Ill., Deeter earned All-America status twice for cross country in 1996 and 1998 and three times in track & field, all in 1999. Included in her accomplishments were two then-school records – the indoor and outdoor 3,000 and the 10,000.

Fifth – One-fifth of a mile (approx. 320 meters) is the length of the Meyo Track, the largest collegiate indoor surface in the country and the home track for the Irish indoor teams. First opened in 1988, the track was named for Ray and Marie Meyo of Brecksville, Ohio, and is made of the Mondo track surface featuring six 42-inch lanes.

The Meyo Track has established itself as one of the fastest surfaces in the nation and welcomes a number of high-class athletes in a "last chance" meet (the Alex Wilson Invitational) who are attempting to qualify for the NCAA

Track coach from 1927-1940, John P. Nicholson became an innovator in coaching technique purely by accident.

Indoor Championship. The Meyo Invitational, which features the "Meyo Mile" (a special race that features many of the top milers in the nation) and the Alex Wilson Invitational are fixtures on the Notre Dame indoor track & field schedule each season.

Football Players – The Notre Dame football and track & field programs are two of the oldest varsity sports on the Irish campus. There have been a number of football stars who have crossed over to the track, or the field, and left an impression on the track and field program. Just a glance at the Notre Dame track and field record book shows the effect that football players have had on it. Raghib "Rocket" Ismail, who finished second in the Heisman Trophy balloting in 1990, holds the school record for the indoor 55 meters and finished as an All-American in 1991.

Former Irish defensive back Allen Rossum (now a defensive stalwart with the NFL's San Francisco 49ers) currently holds the school record in the indoor 60 meters (6.68), former running back Randy Kinder set the indoor 200-

meter record in 21.11, former receiver Ryan Postel owns the indoor 400-meter record (47.01) and former halfback Aubrey Lewis holds the top mark in the 400-meter hurdles (50.2).

Some football players who also earned monograms on the track include 1987 Heisman Trophy winner Tim Brown, Jack Elder, Edward "Moose" Krause, Elmer Layden, Dean Lytle, Ryan Mihalko (the school-record holder in the javelin), Dwight Ellick, Terrail Lambert, Creighton Miller and Knute Rockne.

Ghana – The impact of Notre Dame track can be felt around the world as evidenced by William P. Mahoney, an Irish alumnus who served as the U.S. ambassador to Ghana under the Kennedy Administration. A sprinter for coach John Nicholson, Mahoney took over the coaching duties when Nicholson died in 1940. Mahoney guided the team to an unofficial victory in the Drake Relays before he entered the Navy in 1942.

Golden Anniversary – The 2006 season marked the 51st running of the Notre Dame Invitational cross country meet, one of the nation's oldest and largest intercollegiate races. The invitational was started by former Irish head coach Alex Wilson in 1956 as a four-mile race, extended to five miles in 1968 and a women's competition added in 1987. Notre Dame has won the men's event 16 times (most recently in 2007) and the women's race on six occasions (last doing so in 2003).

Heisman – Achieving success on both the track and the football field was the trademark of former Irish runners Tim Brown and Raghib "Rocket" Ismail. Brown won the 1987 Heisman Trophy in addition to running with the track team during the offseason. Brown owned the school record in the 55 meters until 1990 when '90 Heisman runner-up Ismail ran 6.07 in the event, and eventually went on to earn track All-America honors by finishing second in the 1991 NCAA indoor 55 meters.

Two-time NCAA champion ('23 and '24) Tom Lieb introduced the spinning throw delivery in the shot put, which is still in use today.

John P. Nicholson was one of track and field's greatest innovators in the late 20's and early 30's. Here he is pictured with Irish distance great Greg Rice, plotting out the All-American's next race.

Hurd – Dr. Bill Hurd was honored in 2002 at the annual Notre Dame Monogram Club dinner with the Moose Krause Distinguished Service Award, the highest honor presented by the Monogram Club. A world-class sprinter and 1969 Notre Dame graduate with a degree in electrical engineering, Hurd now is a noted eye surgeon, with an ophthalmology practice in Memphis that specializes in cataract, glaucoma and diabetic treatment and keratorefractive surgery.

Hurd annually spends 2-3 weeks providing voluntary eye surgery to the poor in Africa, Mexico and Brazil. On one trip to Madagascar, he and two other doctors saw 1,100 patients in 10 days and he performed 35 eye surgeries – with Hurd and his colleagues increasingly in demand as their reputation grows.

Hurd's days of distinction as a collegian included being named Notre Dame's "athlete of the year" for 1967-68 and establishing the American indoor record in the 300-yard dash (29.8). He set eight Notre Dame records and totaled five All-America finishes at the 1968 and '69 NCAA meets.

He also was a finalist (top eight) at the Olympic Trials in the 100 and 200 meters, finishing fifth in the 100 to just miss a spot on the Olympic squad (his competitors included the likes of Jim Hines, John Carlos, Tommy Smith and Mel Gray).

Hurd – who added graduate degrees from Massachusetts Institute of Technology (master's in management science) and Meharry Medical School in Nashville – was a Rhodes Scholarship

regional finalist and received Notre Dame's Harvey Foster Award in 1992 (recognizing alumni for distinguished civic activity) and the NCAA's prestigious Silver Anniversary Award in 1994 (recognizing career success and community service). He holds two U.S./foreign patents for optical devices, including a slit-lamp, mountable intraocular biometer.

Also an accomplished jazz musician, Hurd completed work on his fourth CD, in which he plays the saxophone and flute.

Hurd and his wife Rhynette, an attorney, have sent both of their sons to Notre Dame. One of his sons, Ryan, was a four-year monogram winner on the Irish track & field team from 2001-04.

Jinx – Although Irish great Greg Rice is widely regarded as one of the best distance runners of all time, his coach only saw him race once during his Notre Dame career. Coach John Nicholson superstitiously felt he jinxed Rice during races and therefore stayed in South Bend while Rice traveled to meets. The only race Nicholson saw was perhaps one of Rice's finest as he outdueled Taisto Maki and Don Lash to win a three-mile race in 13:52.2. Unfortunately, the race would also be Nicholson's last as the coach died two days later from complications of a heart attack that he suffered just hours before the competition.

Lieb – Tom Lieb, an Irish shot put thrower in the early 20's, is credited with introducing the spin-style delivery to the sport, a style which is

still used today. Lieb won the NCAA title in the event during the 1923 and 1924 seasons.

Loftus Center/Guglielmino Athletics Complex – Notre Dame first utilized the Loftus Center in October of 1987 and is enjoying its 23rd full season of use in 2009-10. The indoor facility is highlighted by Moyo Field, a Prestige Turf surface installed in 2003 that is shared with several Irish sports teams, including the football and lacrosse programs. The Loftus Center is connected to the Guglielmino Athletics Complex, which features the 25,000-square foot Haggard Fitness Center, a facility holding more than 250 pieces of weight training equipment, six plasma televisions and a state-of-the-art sound system. It also houses the 150-seat Isban Auditorium as well as plentiful meeting space.

Moyo Invitational – Four minutes, one mile. For years it was the unbreakable barrier and it remains among the most celebrated feats in all of sport. Folks that know the sport of track and field will tell you that 3:40 in the 1,500 or 7:55 in the 3,000 are just as impressive, but to the casual fan there is something about the simplicity of it; four laps, four minutes, one mile.

In February 2010, the 23rd annual Moyo Invitational will return to the Loftus Sports Center on Notre Dame's campus with the marquee event at the meet being the Moyo Mile. In the past seven seasons, 18 runners have broken the magical four-minute mark, highlighted by two of the most exciting races at Notre Dame in recent memory.

Notre Dame senior Luke Watson pulled ahead in the final 30 meters and won a heartstopping Moyo Mile in 2003, hitting the tape in a school-record time of 3:57.83.

Glossary

In 2003, Notre Dame senior Luke Watson won the race in school record time (3:57.83), moving into the lead a mere 30 meters from the finish line. After the dust had settled, the top five in the race were each in under four minutes, each within a half second of the others and each owned one of the five fastest times in the world that year.

The 2005 race turned out to be just as thrilling, with four runners breaking the four-minute barrier, including a pair of Notre Dame athletes (Watson, running unattached, and sophomore Kurt Benninger). All four sub-four minute runners earned automatic qualification to the NCAA Indoor Championship and Benninger's time of 3:58.75 put him less than a second off Watson's school-record mark of two years earlier. Notably, Indiana's Sean and John Jefferson also became the first American brothers to run sub-four minute miles.

The Invitational, as well as the Meyo Mile, are the brainchild of Irish head track & field coach Joe Piane. When the Loftus Center was built, Notre Dame installed a track that was oversized (one-fifth of a mile, or approximately 320 meters) and topped with a Mondo surface, which produced a rare and very fast combination.

Piane recounted the invention of the Invitational. "We put the meet together because it was a huge track and it was attractive to just give it a try. The name comes from Ray Meyo, who donated everything, and we decided to highlight the mile because even the average person knows that a sub-four-minute mile is very good, so we put together a 'four minute challenge' knowing that if the race did go under four minutes, everyone was going to say, 'Wow! This is really something.'"

The Meyo Mile, however will not be the only great event on the weekend. The Meyo Invitational is always packed with outstanding performances from start to finish. In 2009 athletes registered 83 automatic or provisional qualifications for the NCAA Championship, and through the years, numerous track and school records have been shattered. In fact, six meet records and three track marks went by the boards during the 2007 meet alone.

National Champions – Fifteen Irish athletes have won 16 national track titles during the program's history, in addition to the two individual crowns and one team championship in cross country. The most recent track champion was Ryan Shay, who ran away with the 10,000 meters at the 2001 NCAA Championships in Eugene, Ore.

Before Shay's triumphant victory, Notre Dame's last track & field champion was Tom McMannon who won the 55-meter high hurdles in 1972. Greg Rice (1938) and Oliver Hunter (1942) were individual cross country champions, while coach Alex Wilson's 1957

Notre Dame's Greg Rice (second from left) is considered by many to be the greatest distance runner in U.S. history. The 1940 Sullivan Award winner, Rice went undefeated in 65 major indoor and outdoor races over a three-year span, setting 10 world records in six different events. He also was an All-American in the two-mile race, winning the NCAA title in 1937 and 1939 and finishing second in 1938.

squad won the NCAA cross country national championship.

Pioneer – Harry M. Jewett was the first recognized Notre Dame track and field athlete, making his debut in 1890 at a relay invitational in Ann Arbor, Mich. The school was next represented in 1898 and the Irish have competed in every year since then with the exception of 1906.

Rockne – The name that has become synonymous with Notre Dame football also was involved in the Irish track scene. After a difficult freshman year as a reserve on the varsity football team, Knute Rockne turned his attention to track where he earned a monogram and, as legend has it, once broke the world record in the indoor pole vault with his best effort of 12-4, but held it for such a brief period that he never received official recognition for it. Rockne became the University's first track coach in 1916 and the first cross country mentor in 1920. During his tenure, Rockne guided five Olympians and two Olympic medalists. The coach resigned his track responsibilities in 1928 to devote his energy to football until his death in 1931.

Roof Top Coaching – Injured by a wild discus throw, John P. Nicholson (Irish track coach from 1927-40) sat on the roof of a car and shouted instructions to his runners through a megaphone during training. The method proved so effective that Nicholson made the car a regular part of his training regimen.

Scholarships – Beginning with the 2004-05 season, all 26 varsity programs at the University of Notre Dame received the full NCAA complement of scholarships.

"Fully scholarshiping all our programs will help us realize our goals over the next five or

six years of pushing Notre Dame's athletic program toward a top finish in the annual NACDA Directors' Cup standings," former Director of Athletics Kevin White said.

"This eventually will put all of our programs in position to compete for national championships."

Starting Blocks – John P. Nicholson bestowed upon the track world perhaps his greatest innovation, the starting block. His starting block caught on in the late 1920s and was well-received by the track community.

"You have a device which will materially make short distance, hurdle and relay racing more popular with both the public and athletes," wrote former Illinois coach Harry Gill in a 1929 letter. "It appears to be a real help to track athletics."

John Griffith, former chairman of the NCAA track & field rules committee and commissioner of the Big Ten Conference, was equally impressed in a letter written the same year.

"I have studied the pictures of your new starting device with a great deal of interest, and am of the opinion that you have made a distinct contribution to track athletics."

Sub-four – Jake Watson made history on June 2nd, 2007 at the Music City Distance Carnival. It was there that he ran 3:59.4 over one mile, breaking the elusive four-minute barrier, but even more notably, joined his older brother Luke as just the second pair of brothers in American history to run sub-four minute miles. Luke, an Irish distance running legend and former assistant coach, first broke the barrier indoors at the 2002 Meyo Invitational. Jake performed the feat after earning his first career All-America honors during the 2007 track and field season. The Watsons (Stillwater, Minn.) join twins Sean and John Jefferson who both broke four minutes in the 2005 Meyo Mile.

Varsity – While the men's track & field and cross country teams are two of the oldest teams at Notre Dame, dating back to the 19th century, the women's program is only in its infancy. The women's cross country team is in its 23rd year and owns seven conference titles, including three BIG EAST crowns, all won in the past seven seasons. The women's cross country team also has finished among the top 10 in four of the past seven NCAA Championships, including a third-place outing in 2002 and a fourth-place showing in 2004.

The women's track & field squad enters its 18th season of varsity competition this year and has won seven league championships in that time (three in the BIG EAST) and advanced at least one runner to the NCAA Championship for the 15th consecutive year in 2009. In 2008, the Irish won their first-ever outdoor BIG EAST Championship, edging Louisville 120.5 to 106.5 in a total team effort.

Track & Field Legends

**J. Gregory
Rice**

*All-American
1937-39
Sullivan Award Winner*

Greg Rice, billed as the greatest distance runner the United States has ever produced, was presented with the 1940 Sullivan Trophy as the nation's top amateur athlete after he set a world three-mile record at the national championships. Named "the Little Man with a Big Finish," Rice smashed the world three-mile record with a time of 13:51. He earned All-America honors in the mile in 1937, and also received those honors in the two-mile as he won the event in 1937 and '39 and placed second in 1938.

Rice was undefeated in 65 major indoor and outdoor races in just over three years with 10 world records in six different events. Rice became the first-ever cross country national champion in 1938 when he ran the four-mile course in 20:12.9 to lead the Irish to a second-place team finish.

Born in 1916, Rice died in May of 1991.

**Nicholas
Sparks**

*Monogram Winner
1987-88*

Best-selling author Nicholas Sparks graduated in 1988 and was a two-time monogram winner in track & field. At Notre Dame, Sparks was a member of the 4x800-meter relay team, which still holds the outdoor school record.

After pursuing a variety of jobs after graduation, he wrote his first published novel entitled "The Notebook," which was released in 1996. It became one of only five novels published in the past 35 years that spent more than a year on the *New York Times* hardcover best seller list, and was eventually made into a movie in 2004 starring Ryan Gosling and Rachel McAdams.

His second novel, "Message in a Bottle," was published in 1998 and remained a bestseller for 43 weeks. The film version, starring Kevin Costner, Paul Newman and Robin Wright Penn, opened at number one at the box office and grossed more than \$100 million.

His third novel, "A Walk to Remember," was published in October 1999 and turned into a movie in 2002 starring Mandy Moore.

In 2004, he was honored by Notre Dame with the first-ever Rev. Robert F. Griffin, C.S.C., Award, for establishing an initiative in the University's Creative Writing Program that includes fellowships, internships and an annual Sparks Prize to support a student writer-in-residence.

Nicholas Sparks is married and has five children. He lives in New Bern, N.C., and still runs nine miles a day.

**Alex
Wilson**

*All-American 1930-32
Irish Track Coach 1950-72*

A middle-distance track star at Notre Dame, Alex Wilson is a perfect example of an outstanding athlete and legendary coach.

While at Notre Dame, Wilson was undefeated in the quarter- and half-mile events and set a national indoor record of 49.3 for the 440 in 1932. He set records in both the 440 and 880 races. Wilson also won the Amateur Athletic Union 600 and twice captured the Milrose 600.

In 1928 and 1932, he competed in the Olympics for his native Canada and won a silver in the 800-meter race and a bronze in the 400-meter run in 1932.

In 1950, after 18 years as a successful track and swimming coach at Loyola (Ill.), he returned to coach at Notre Dame. During his 23 years with the Irish, his teams finished in the national top-10 11 times. Wilson guided three track national champions, 28 track and eight cross country All-Americans and led the Irish to the cross country national championship in 1957. His teams appeared in the meet a total of 18 times.

He was voted into the Canadian Track Hall of Fame in 1954 and in 1967 he was elected to the Helms Athletic Foundation Hall of Fame for his contributions as a track coach in the United States. In December of 2008, Wilson was inducted into the U.S. Track & Field and Cross Country Coaches Association Hall of Fame.

Wilson was also honored as national coach of the year by the NCAA Cross Country Coaches Association in 1972, and an indoor track and field meet is held in his honor each year at Notre Dame.

Wilson died on Dec. 10, 1994, at the age of 87.

**Rick
Wohlhuter**

*All-American 1969-70
U.S. Olympian
Sullivan Award Winner*

Rick Wohlhuter, a two-time Olympian and 1971 Notre Dame graduate, was selected to the Track and Field Hall of Fame in 1991. Winner of an Olympic bronze medal in the 800 meters in 1976, he holds the distinction of being the last man to qualify for the Games in both the 800- and 1,500-meter events. Wohlhuter won the IC4A 880-yard title in 1971 and qualified for the Olympics in 1972.

In addition to his appearance in the Games, Wohlhuter broke the U.S. 800-meter record twice and twice set world records for the 880-yard race. He also set the world record for the 1,000 meters in 1974 and won the event the next three indoor seasons. Wohlhuter also won national outdoor titles in 1973 and '74. In 1974 he earned the Sullivan Award as the nation's top amateur athlete.

A 1970 NCAA champion in the 600-yard event, the two-time All-American was also a member of Notre Dame's two-mile relay team which placed second in the nation in 1969.

Wohlhuter joined John Beatty, the first man to break the four-minute mile indoors, high jumper Charles Dumas, a 1956 gold medalist and first jumper to clear seven feet, and Doris Brown-Heritage, winner of 14 U.S. distance titles and five world cross country championships, as the 1991 Track and Field Hall of Fame inductees.

Track & Field Legends

**Tameisha
King**

*Four-time All-American
Four-time BIG EAST
Champion*

Tameisha King graduated from Notre Dame in 2003, and left the University as its top female long jumper.

King owns both the indoor and outdoor school records for the long jump, in addition to running in the school record 4x100-meter relay.

She was a four-time All-American, with three of those honors coming during the outdoor season, and one during the indoor season. Each of her All-America honors came in the long jump.

King had five top-10 finishes in the NCAA Championship as well as four BIG EAST Championships to her credit.

King also has a very impressive résumé outside of the collegiate spectrum. In 2001, as a sophomore, she placed second in the long jump at National Junior Track & Field Championship, and went on to finish among the top 10 at the World Junior Championship in Santiago, Chile.

More recently, King won the 2004 USA Track & Field Indoor long jump title after finishing fourth in '03. She also ended up sixth at the 2004 U.S. Olympic Trials and was the top finisher from the United States at the 2003 Pan American Games.

**Ryan
Shay**

*Nine-time All-American
2001 NCAA Champion
2003 USA Marathon Champion*

A 2001 graduate, Ryan Shay became the USA Marathon Champion in 2003, continuing the championship ways of his collegiate years. Shay is the most decorated athlete in the history of Notre Dame track & field. A 2001 NCAA champion in the 10,000 meters, Shay was a nine-time All-American including two honors for cross country, two for indoor track and five for outdoor track. His nine honors are the second-most in school history.

In 2002, a fifth year of eligibility, Shay was named an Academic All-American and had a second-place finish in the 10,000 meters at the NCAA Championship.

Shay was a nine-time BIG EAST champion in his years at Notre Dame, with one of those victories coming in cross country. He also had seven top-10 finishes at the NCAA Championships in various distance events including the 3,000, 5,000 and 10,000 meters.

In 2000, he competed for the right to represent the USA Track & Field Team at the Olympic Games, finishing 10th in the Olympic Trials.

Upon graduation, he held school records in the indoor 5,000 meters, the outdoor 5,000 meters and the 10,000 meters.

Shay's 2001 national championship was the first outdoor championship by a Notre Dame athlete since 1954.

Shay died unexpectedly on Nov. 3, 2007 during the running of the 2008 U.S. Olympic Marathon trials in New York City.

**Luke
Watson**

*Eight-time All-American
Six-time BIG EAST Champion
Sub-Four Minute Mile*

Enjoying one of the best careers in the history of Notre Dame track and field, Luke Watson competed in one of the most exciting moments in the history of the track and field program.

In January of 2003, Watson broke one of the great barriers in sports, the four-minute mile, in front of one of the largest crowds to ever see a track meet at Notre Dame. Watson's mile of 3:57.83 was the fastest collegiate indoor mile in the country in '03 and was only the second sub-four-minute mile in school history.

In the '03 season, Watson's last with the Irish, he was honored as an All-American for the eighth time, including two for cross country, four for indoor track and two for outdoor track. He was also named an Academic All-American in both the '02 and '03 seasons.

Upon graduating, Watson had five top-10 finishes in the NCAA Track & Field Championship, and two top-10 finishes at the NCAA Championship for cross country. Additionally, Watson held six school records upon graduation – the indoor and outdoor mile, the 3,000-meter steeplechase, the indoor 3,000 meters, outdoor 5,000 meters and the distance medley relay.

Watson was also a force to be reckoned with in the BIG EAST. During his career he was a six-time BIG EAST champion. He also led the 2003 Irish to BIG EAST Championships in both the indoor and outdoor seasons, the first time a Notre Dame team accomplished that feat.

**Molly
Huddle**

*Ten-time All-American
Seven-time BIG EAST
Champion*

Molly Huddle graduated from Notre Dame in 2007 as one of the most decorated athletes in Irish sports history. Huddle concluded her career at the 2007 NCAA Outdoor Track and Field Championships, finishing third in the 5,000-meter run to earn her tenth All-America selection, a record for the most All-America selections by a Notre Dame athlete in any sport.

Huddle's other accolades include six BIG EAST track titles, the most by any Irish woman, and four NCAA Midwest Regional 5,000-meter titles.

She set records across the board by being the first woman in BIG EAST history to win both the outdoor 5,000-meter and 10,000-meter race in back-to-back years as well as be named the BIG EAST Outstanding Outdoor Track Performer for two consecutive seasons. Former sprinter Liz Grow is the only other Irish athlete to win the award, receiving the honor in 2002.

Huddle posted top-four finishes in each of her four NCAA 5,000m appearances, taking the runner-up spot in 2006. She currently holds four Irish school records (indoor 3,000m & 5,000m/outdoor 5,000m & 10,000m) as well as the BIG EAST meet record in the 10,000m.

Huddle's success was not limited to the track. In her freshman season of cross country she was named the 2003 NCAA Great Lakes Regional Runner of the Year after her first-place performance. She earned All-America honors in 2002, 2003 and 2005 with 6th-, 41st- and 15th-place finishes, respectively.

Huddle has competed at several USA Track and Field Championships, placing seventh at the 2004 Olympic Trials and winning the 2003 U.S. Junior National 3,000-meter title.

Irish Men Look to Repeat Success from a Year Ago

Veteran student-athletes hope to carry on tradition of Irish achievements

Senior Matt Schipper, a three-time BIG EAST pole vault champion, returns to lead the Irish men's track and field team in 2009.

After two consecutive BIG EAST Outdoor Championship titles and two runner-up finishes at the indoor meet, the 2009 edition of the Notre Dame men's track and field team hopes to continue the success and build on the foundation set by previous Irish student-athletes.

Now in his 35th year, Irish head coach Joe Piane and his staff will look to stay atop the conference ranks and challenge for the national spotlight.

Despite the loss of four-time All-American Patrick Smyth, the Irish return several veteran runners in 2009.

Fifth-year senior Daniel Clark and senior Jake Walker return to lead the Irish distance runners. Clark earned all-BIG EAST honors and scored points for Notre Dame a year ago when he finished second in the mile at the league indoor meet and third in the 1,500 meters at the outdoor event. Walker scored points for the Irish with a fourth-place 10,000-meter finish at the BIG EAST Outdoor Championships.

Senior Blake Choplin is back with the Irish after finishing fourth in the 1,000 meters at the conference indoor meet and competing in the 800 meters, along with senior Jack Howard, at the Mideast Regionals. Junior Dan Jackson contributed to the Irish men's success last season, scoring points at the league meets with a fifth-place indoor 5,000-meter finish and a sixth-place finish in the outdoor 10,000 meters.

Sophomore Jordan Carlson made an impression with the Irish during his first season of competition a year ago, finishing sixth in the mile at the BIG EAST indoor meet and qualifying for the Mideast Regionals in the 1,500 meters.

The Irish have a strong group of distance-running freshmen on campus this season, including Jeff MacMillan, J.P. Malette, Jeremy Rae and Trent Sayers.

Associate head coach John Millar's sprints and hurdles group could be the Notre Dame's dark horse this season after returning almost every member from

a year ago. "We have the potential to repeat the success we had last year," Millar said. "We've got some good leaders who will hopefully step up this season."

One of those leaders is senior Balazs Molnar. The Dunaujvaros, Hungary native stormed onto the scene for the Irish as a freshman in 2007 and hasn't slowed down. Last season, he finished fourth in the 400 meters at the BIG EAST Indoor Championships and fourth in the 400-meter hurdles at the conference outdoor meet, scoring points for the Irish on both occasions. Molnar also competed in the 400-meter hurdles at the Mideast Regionals, finishing 15th.

The second half of Notre Dame's Hungarian duo, junior Miklos Szebeny, is another key returner for the Irish. Szebeny earned all-BIG EAST honors with a third-place finish in the 200 meters at the conference indoor meet. He also finished fourth in both the 100 meters and 200 meters at the BIG EAST Outdoor Championships.

The Irish also return juniors Tyrell Atkins, Chandler Brooks and Matthew Brown, key contributors to Notre Dame's sprint success last season.

Millar will also turn to sophomore Jordan Rincon, who made a big impact with the Irish during his freshman campaign and was a major player in their conference success. Rincon earned his first all-BIG EAST honors with a second-place 400-meter finish at the league's indoor meet. Rincon was also part of the successful Irish relay teams from 2008-09.

The Irish relay teams earned all-conference recognition with a second-place 4x400 finish and third place performances from the 4x100 and 4x800 squads.

"We're returning basically the same team from last year, so hopefully the success we had then will carry over into this season," Millar said.

In the field events, the Irish return a strong group of performers led by three-time BIG EAST pole vault champion Matt Schipper. The senior from Leo, Ind., won the conference indoor and outdoor pole vault titles a year ago and garnered all-region honors with a fifth-place performance at the Mideast Regionals. He finished 14th at the NCAA Indoor Championships and 19th at the national outdoor event.

Joining his older brother in the pole vault is all-BIG EAST honoree Kevin Schipper. The sophomore finished second at the league indoor meet as a freshman, then followed that performance by scoring points for the Irish with a fourth-place finish at the outdoor championships. The younger Schipper then finished sixth at the Mideast Regionals.

Senior Eric Quick returns as the top Irish jumper in 2009. Quick scored points for Notre Dame at both BIG EAST meets, finishing fifth in the triple jump and seventh in the long jump at the indoor event, before earning a fourth-place finish in the outdoor triple jump and a sixth-place feat in the long jump. He wrapped up his junior season with a 10th-place triple jump performance at the Mideast Regionals.

The Irish return four top throwers this season led by juniors John Belcher, Greg Davis and Denes Veres. Belcher earned all-BIG EAST honors last season with a third-place finish in the indoor shot put and scored points at the outdoor meet with a fifth-place shot put performance. He qualified for the regional meet, finishing 21st. Davis garnered all-conference recognition after finishing second in the weight throw. He finished sixth in the league's outdoor hammer throw competition and qualified for the Mideast Regionals. Veres scored points for the Irish at the BIG EAST Indoor Championships with a fourth-place shot put performance, before finishing seventh in the outdoor competition.

Sophomore Andrew Hills played a key role in the Irish field events during his freshman season. Hills finished sixth at the BIG EAST indoor meet in the shot put and eighth at the outdoor competition. He qualified for the Mideast Regionals, finishing 19th in the shot put. Notre Dame will also turn to sophomore Mitchell Gormley in 2009.

Junior Justin Schneider will handle multi-event duties for the Irish this season after a successful sophomore campaign. Schneider finished fourth in the heptathlon at the BIG EAST Indoor Championships, before earning all-league honors with a second-place performance in the decathlon at the outdoor event. He closed out the season with a 20th-place finish in the decathlon at the NCAA Championships.

Several talented student-athletes will be joining the Irish field events team this season, including jumpers Alex Bavis and Ted Glasnow and thrower Anthony Thomas.

With a veteran group of student-athletes and a gifted group of newcomers, the 2009 Irish men's track and field team will have a solid chance to sweep the BIG EAST trophies and make a run for the national stage.

All-BIG EAST selection Jordan Rincon will play a major role with the Irish sprints group this year.

Women's Track & Field Preview

Irish Women Turn to Veteran Experience in 2009-10

The Notre Dame women will look to an experienced group of returners and promising newcomers to continue success

With almost all of their major players returning in 2009-10, the Irish women's track and field team will turn to its veterans to continue the success found a year ago and lead the squad to the medal stand at the BIG EAST Conference meets.

The Irish women are coming off one of their best national performances in program history. Notre Dame finished 24th at the NCAA Outdoor Championships, the second-highest finish in school history and their best showing since 1999, when the Irish finished 17th.

With the loss of All-American pole vaulter Mary Saxer and NCAA competitor Anna Weber, head coach Joe Piane and his staff will turn to key returners in 2009-10 to lead the Irish back to national prominence.

One of those key returners is senior Joanna Schultz. The Holmen, Wis., native earned her first All-America honor last season, finishing fourth in the 400 meters at the NCAA Indoor Championships. She earned all-BIG EAST accolades in the indoor 400 meters with a second-place finish at the league meet, before claiming the 400-meter crown at the BIG EAST Outdoor Championships. Schultz garnered all-region recognition with a fifth-place 400-meter finish at the Mid-east Regionals and closed out her season at the NCAA Outdoor Championships.

"With all of her accomplishments throughout her career, Joanna Schultz is definitely going to be a mainstay and leader of the women's program this season," Irish associate head coach John Millar said.

Also returning for the Irish is the junior trio of Natalie Johnson, Kelly Langhans and Kali Watkins.

Johnson earned all-BIG EAST honors with a runner-up finish in the 500 meters at the league's indoor meet. Langhans scored points for the Irish women with an eighth-place 800-meter finish at the

conference outdoor competition, before taking eighth place in the Mid-east Regional 800 meters.

"Natalie Johnson and Kelly Langhans will handle the 800-meter duties again for us this year. I think they definitely have NCAA potential," Millar said.

Watkins earned points for the Irish with a seventh-place finish in the 100-meter hurdles at the BIG EAST Outdoor Championships.

A strong group of sophomore sprinters will be back on the track for the Irish this season as well.

Natalie Geiger finished seventh in the 400 meters at her first BIG EAST Indoor Championships as a freshman a year ago.

"I think Natalie has really improved on last year, and she really has the ability to get to the NCAA's this season," Millar said.

Sasha Blanchard and Allison Schroeder will also add depth and experience to the Irish sprinting squad in 2009-10.

Two talented freshmen enter the picture this year for the Irish runners. Nevada Sorenson was ranked in the top 10 nationally, while Ericka Nowell will have an impact in the 400-meter hurdles.

"Overall, I think the sprinters have improved well as a group from last year. We're definitely more well rounded this season," Millar said. "I think we're going to be stronger, and we have a lot of NCAA potential."

On the distance side, two seniors return with BIG EAST experience. Lindsey Ferguson finished eighth in the indoor 3,000-meters at the league meet, then earned all-conference honors with a third-place 3,000-meter steeplechase finish at the outdoor competition. She finished 15th in the steeplechase at the Mid-east Regionals. Beth Tacl competed in the 3,000 and 5,000 meters at the BIG EAST Indoor Championship, and scored points for the Irish with a fifth-place performance in the outdoor 10,000 meters.

Marissa Treece leads a strong group of sophomore distance runners. Treece finished sixth in the mile at the BIG EAST indoor meet and ninth in the 1,500 meters at the outdoor competition. She qualified for the regional meet, finishing 13th in the 1,500 meters.

Abby Higgins set a school record (2:50.55) with her point-scoring sixth-place finish in the 1,000 meters at the BIG EAST Indoor Championships last season. Theresa Cattuna also brings BIG EAST experience to the Irish runners, competing in the 5,000 meters at the indoor meet last season.

In the field, the Irish return one of the nation's top throwers as Jaclyn Espinoza is set for her final season with the Irish. A year ago, Espinoza finished third in the discus throw at the NCAA Outdoor Championships, earning her first All-America honor. The Keizer, Ore., native won the BIG EAST Outdoor discus crown and finished sixth in the indoor shot put and seventh in the outdoor event. Espinoza also earned all-region honors with a fifth-place discus finish at the Mid-east Regionals.

Senior Elise Knutzen also returns for the Irish after finishing sixth in the javelin at the Mid-east Regionals a year ago. Knutzen also scored points for Notre Dame at the BIG EAST Outdoor meet, finishing sixth in the javelin competition.

Maddie Buttinger earned her first two all-BIG EAST honors last season and will handle the multi-events for the Irish in 2009-10.

Senior Joanna Schultz, an All-American in the 400 meters a year ago, returns to lead the Irish women in 2009.

Also in the throws mix are junior Rudy Atang, who competed in both the indoor and outdoor conference meets last season, and freshman Madeline Casanova.

Handling the jumps this year for the Irish is senior Jaime Minor. She finished seventh in the triple jump at the league outdoor meet in 2009. Freshmen Chrissy Finkel and Kendra Jennings will look to share the jump duties with Minor this season.

Sophomore Maddie Buttinger will step into the big shoes left by All-American Alyssa Hasan when she takes over the multi-events for the Irish in '09-10. Buttinger had a very successful freshman campaign last season, earning all-BIG EAST honors with a third-place pentathlon finish at the indoor meet and a second-place heptathlon performance at the outdoor competition. She also finished sixth in the indoor high jump and eighth in the outdoor event.

With such a strong group of returners and talented freshman entering the mix, the Irish women's track and field team hopes to continue its recent success and find its way to the medal stand at the BIG EAST meets.

Irish Runners Turn to Veteran Experience in 2009

Notre Dame upperclassmen set to lead teams back to the NCAA Championships

All-BIG EAST selection Jake Walker returns as one of Notre Dame's top runners in 2009.

The Irish men's and women's cross country teams had strong seasons in 2008, catapulting them to the NCAA Championships. But that taste of success only left them hungry and wanting more in 2009.

Notre Dame's men finished second at last year's BIG EAST Conference Championships and fourth at the Great Lakes Regional meet. After earning an at-large bid to the NCAA Championships, the Irish capped off their season with a 19th-place finish at the national meet.

The Irish men lost just one senior to graduation, but three-time cross country All-American Patrick Smyth left behind a pair of big shoes to fill. Smyth won the Great Lakes Regional individual crown for the second straight season and finished 10th at the NCAA Championships a year ago, the best showing since Kurt Benninger's eighth-place performance in 2005. The Salt Lake City, Utah native was the first Irish runner to earn multiple cross country All-America honors since Ryan Shay and Luke Watson in 2001 and the first three-time honoree since Mike McWilliams in 1993.

Despite the loss of Smyth, head coach Joe Piane has faith in this year's squad. "We don't have that stud up front like we did with Patrick, but we're returning our other six NCAA competitors from last year. They'll definitely have to step it up this season, but I believe they can," Piane said.

Leading that pack is senior Jake Walker. The Ellwood City, Pa., product earned his second all-BIG EAST honor last year after finishing 13th at the league meet. He finished 44th at the Great Lakes Regional and 76th at the NCAA Championships.

The Irish will also benefit from the veteran leadership of fifth-year senior Daniel Clark. The Jackson, Mich., native earned his first cross country monogram a year ago, while finishing 36th at the BIG EAST meet, 30th at the Great Lakes Regional and 152nd at the national contest.

A strong group of junior runners also return for the Irish. Dan Jackson provided several key performances for Notre Dame, including an 18th-place finish at the BIG EAST Championships. He finished his sophomore season with a 28th-place showing at the Great Lakes Regional and a 74th-place finish at the NCAA Championships.

After winning the National Catholic individual crown to begin his season, Paul Springer finished 17th at the BIG EAST Championships. He also crossed the line in 67th at the Great Lakes Regional and 189th at the NCAA Championships.

Roscoe, Ill., native Ryan Jacobs competed in six races for the Irish a year ago. He finished 29th at the BIG EAST meet, 57th at the Great Lakes Regional and 185th at the NCAA Championships.

Joe Miller leads a strong group of sophomores into the 2009 season. Miller earned all-BIG EAST honors a year ago with a 14th-place finish at the league meet. He wrapped up his freshman season with a 20th-place showing at the Great Lakes Regional and a 134th-place finish at the NCAA Championships.

Piane and the Irish also have several more experienced runners returning in 2009. Juniors Spencer

Carter and Ryan Gamboa each competed in three races a year ago, while sophomores Jordan Carlson and Kelly Lynch gained valuable experience during their freshman campaign. Carlson finished 45th at the BIG EAST Championship.

A talented group of freshmen will join the Notre Dame squad this season, including J.P. Malette, who recently competed for his native Canada at the world cross country championships.

"All of our guys have been working really hard over the summer. Everyone is coming to campus healthy, so we're looking forward to getting this season started," Piane said.

On the women's side five of the top seven runners return, including all-BIG EAST honoree Lindsey Ferguson. After making their first NCAA Championship appearance since 2005, the Irish women are hoping their success from last season will carry over to the '09 campaign.

Lost to graduation are ESPN The Magazine/CoSIDA Academic All-District Five selection Becca Bauman, Byron V. Kanaley Award winner Heidi Rocha and Emily Wauford.

Ferguson, along with fellow seniors Beth Tacl and Molly Sullivan, will lead the Irish women this season. Ferguson won the National Catholic women's crown, before finishing 13th at the BIG

Sophomore Joe Miller and junior Paul Springer return to the cross country course as two of Notre Dame's top runners from a year ago.

EAST Championship and 10th at the Great Lakes Regional meet. She finished off her junior season with a 99th-place finish at the NCAA Championships.

Tacl finished 45th at the BIG EAST Championships, 36th at the regional meet and 204th at the national competition. Sullivan competed in three meets for the Irish a year ago.

Notre Dame will also look to an experienced junior class for leadership this fall. Marissa Treece won the Valparaiso Invitational title, before finishing second, behind Ferguson, at the National Catholic meet. She closed out her season with a 20th-place BIG EAST finish, a 14th-place showing at the Great Lakes Regional and a 122nd-place performance at the NCAA Championships.

"Lindsey and Marissa were our two top runners last year, so we'll definitely look to them for leadership and experience," women's head coach Tim Connelly said. "We've also got Beth Tacl and Rachel Velarde back, so we're in pretty good shape."

Abby Higgins took advantage of her year of experience as a freshman, finishing 39th at the BIG EAST Championship and 49th at the Great Lakes meet. She capped off her sophomore season with a 193rd-place finish at the NCAA Championships.

Fellow juniors Theresa Cattuna and Erica Watson got three meets under their belts for the Irish a year ago.

A large sophomore class will also help the Irish down the stretch in '09. Velarde made an immediate impact during her freshman campaign, competing in six races for the Irish. The

Albuquerque, N.M., native finished 34th at the BIG EAST Championship, 34th at the Great Lakes Regional and 155th at the NCAA Championships.

Eight other sophomores ran at least one race for the Irish last season, including Alissa Ott, who won the National Catholic JV title.

"We had several student-athletes that were on the edge of being in that top seven or eight last year, so we're hoping they can come in and step up," Connelly said.

An exceptional freshman class joins the Irish this season led by Illinois state mile champion Rebecca Tracy and Arizona high school standout Jessica Rydberg.

The 2009 schedule will provide strong competition for the Irish as they make another run to the NCAA Championships.

Notre Dame opens their season Sept. 4 at the Valparaiso Crusader Open, before returning to South Bend for the National Catholic Championships and the Notre Dame Invitational.

For the 30th consecutive year, Notre Dame will play host to the National Catholic Championships. This year's meet will be held Sept. 18 at the University of Notre Dame Burke Golf Course. Started in the fall of 1980, the meet features teams from prominent Catholic institutions throughout the United States. The Notre Dame men have claimed 19 titles, including a run of 10 straight from 1995-2004. The women's race was added in 1984 with the Irish women claiming the last seven consecutive team crowns and 15 overall.

On Oct. 2, the Irish will host the 54th running of the Notre Dame Invitational at the Burke Golf Course. The Invitational, one of the nation's oldest and largest intercollegiate cross country meets, was started by former Irish head coach Alex Wilson in 1956 and regularly features runners from approximately 60 schools around the country. The women's race was added in 1987.

This year's Notre Dame Invitational will feature several cross country powers, including Washington, Arizona, Arizona State, Fresno State, New Mexico, Tulsa, Florida, Florida State, Penn State, Providence and Syracuse. The race will also feature multiple Midwest schools, including Michigan and Michigan State.

"The Notre Dame Invitational is shaping up to be a great meet this year," Piane said. "We've got some great out-of-region teams coming in, as well as several strong Midwest schools."

The Irish will head to Terre Haute, Ind., on Oct. 17 for the Pre-National NCAA meet, followed by the BIG EAST Championships on Oct. 31. The league meet will make its first-ever trip to the Midwest, as the '09 race will be held in Kenosha, Wis. The Irish hope to capitalize on the Midwest home advantage and improve on their finishes from a year ago. The Irish men were the '08 runners-up, while the women finished sixth.

Notre Dame will make the short trip to Bloomington, Ind., on Nov. 14 for the Great Lakes Regional meet. Both the Irish men and women finished fourth at the regional contest last season.

The NCAA Championships will be held Nov. 23 in Terre Haute, Ind. The Irish earned at-large berths to the national meet last season, with the men finishing 19th and women coming in 29th.

Sophomore Rachel Velarde and the rest of the Irish women's cross country squad have set their sights on returning to the NCAA Championships in 2009.

Notre Dame's New Outdoor Track

Notre Dame's new \$3 million outdoor track will be the competition and practice site for the Irish track and field programs. Construction on the nine-lane facility began in June 2008.

One of the newest editions to the Notre Dame campus is the outdoor track and field complex. Groundbreaking ceremonies heralded the start of construction on the \$3 million outdoor facility in June 2008. The new nine-lane track is located southeast of the Joyce Center and will be the competition and practice site for the Notre Dame men's and women's track and field teams.

The track will meet IAAF guidelines with the widest possible turns, and one synthetic "D" zone will be located at the south end of the track. Throwing and jumping events will be provided in two directions, and a warm-up area will be located at one end of the track. Construction began in late June, with the completion tentatively expected in November 2009. Fundraising efforts continue on the remaining \$5 million stadium portion of the new track facility.

Lead gifts for the project have come from an anonymous benefactor, as well as six named Notre Dame supporters:

- John Hatherly '82, who ran track for the Irish as a miler and for whom the men's locker room will be named
- Dr. Bob Harris '69, a chemistry major who played intramural football and has participated in Notre Dame's Football Fantasy Camp
- Dr. Jim Kerrigan, '79, a monogram winner for the Notre Dame track team
- John Leahy '84, who continues the Leahy athletic legacy at Notre Dame
- Mike Lukas '79 MA, whose daughter, Katherine, is part of Notre Dame's Class of 2012
- Rick and Emily Peltz, Rick is a South Bend/Indianapolis businessman

Groundbreaking ceremonies were held in June 2008 marking the start of construction on Notre Dame's new outdoor track.

Coaching Staff

Joe Plane begins his 35th season as head cross country / track and field coach, serving as the longest actively tenured coach at Notre Dame.

Head Coach

Joe Piane

**Head Coach
35th Season
Loras College '69**

In 1889, track and field became the second varsity sport in school history. One hundred and 20 seasons later, student-athletes continue to represent the Fighting Irish across the nation on the track, in the field and on the cross country course.

For the past 34 campaigns, Joe Piane has been leading the program – and shows no signs of stopping any time soon. The longest active tenured coach at Notre Dame, Piane begins his 35th season under the Golden Dome in the fall of 2009, having recently inked a multi-year contract extension.

The 2009-10 season will be yet another landmark for Piane as he moves into second place in Notre Dame history for longest coaching tenure. Piane passed former Irish fencing coach Mike DeCicco (34 seasons from 1962-95), and tennis and wrestling coach Tom Fallon (32 seasons from 1934-75) and now sits behind legendary baseball skipper Jake Kline, who spent 42 seasons with the Irish from 1955-87.

"I'm thrilled to know that I'll be here at Notre Dame for the next several years and hopefully well beyond that until my retirement," Piane says. "My family and I truly enjoy living in South Bend and being a part of the community here. I also value and appreciate the opportunity I have had to work at a place like Notre Dame because of the quality of the people I've been fortunate enough to work with. I have coached many very special student-athletes during my time here and seeing their development has been one of the most rewarding aspects of my job — one that I'm eager to continue well into the foreseeable future."

Piane's record at Notre Dame speaks for itself. Just consider the accomplishments Notre Dame athletes have made under Piane's watchful eye:

- Men's cross country runners have earned All-American status 26 times, with Patrick Smyth taking home the honor in 2008.

- A Notre Dame cross country runner has appeared at the NCAA Championship meet in each of the past 19 years, while the team has made the trip 19 out of the past 25 years.

- The Notre Dame men's cross country team has finished in the top 10 at the NCAA meet in 11 of the

past 21 seasons, highlighted by third-place finishes in 1990 and 2005 (matching the program's best showing since winning the 1957 NCAA title).

- The Irish men's cross country team has won five BIG EAST Conference titles since joining the league in 1995, including crowns in 2004 and 2005. What's more, Notre Dame men's harriers have earned all-BIG EAST honors 40 times, with a school-record five runners receiving that distinction in '05.

- The Irish men's track & field team has earned 71 All-America citations since 1974 (including Patrick Smyth in the 2009 indoor and outdoor seasons), while the women's team has received 42 such accolades since 1994 (most recently Mary Saxer, Joanna Schultz and Jaclyn Espinoza in '09). Combined, Piane has helped mentor 113 track & field All-Americans (and 130 overall when including cross country honorees) during his tenure.

- Both the Notre Dame men's and women's track & field teams were champions in 2007 with the Irish men taking the indoor title and the Irish women claiming their first outdoor team championship. The men also claimed the 2008 and 2009 BIG EAST outdoor titles. Overall the men's team has won nine BIG EAST titles (three indoor/six outdoor), while the women's squad has hoisted the hardware three times (two indoor/one outdoor).

- In the school's 13-year BIG EAST membership (1995-96 to present), Notre Dame athletes have won 116 conference individual or relay titles in track & field and cross country, with eight student-athletes going on to be named the conference's outstanding track or field performer at its indoor or outdoor championship meets.

A distance-coaching specialist, Piane is recognized across the nation as one of the best in the business. He has been named NCAA Division I National Cross Country Coach of the Year on two different occasions (1987 and 2001) while garnering five district/regional coach-of-the-year honors and nine league cross country coach-of-the-year plaques. In total, Piane has earned or shared 27 league coach of the year awards (indoor track, outdoor track or cross country), including 15 BIG EAST Coaching Staff of the Year accolades in the past 11 years (1999-2009). In 2007 alone the Notre Dame staff earned two of

those BIG EAST Coaching Staff of the Year honors, one for men's indoor track & field and one for women's outdoor track & field. They also racked up two more for men's outdoor track and field in 2008 and 2009.

As the Irish track & field program continues to assert itself on the national stage, Piane has led from the front every step of the way. In 2009, the Notre Dame men won the BIG EAST outdoor title, marking the eighth time in 10 seasons that the Irish took home either the conference indoor or outdoor trophy. Persistence paid off for the women in 2007 as they won their first BIG EAST outdoor championship.

Individually, Piane and his assistants at Notre Dame produced six All-Americans in track and field in 2009 with three during the indoor season and three during the outdoor season. Mary Saxer became Notre Dame's first-ever women's pole vault All-American, earning her first All-America honor at the NCAA Indoor Championships. She earned her second All-America citation at the outdoor meet later that season. Joanna Schultz earned her first All-America honor with an eighth-place finish in the 400 meters at the NCAA Indoor Championships. Jaclyn Espinoza finished third in the discus at the outdoor championships to earn her first All-America recognition, as well. Patrick Smyth earned his sixth and seventh All-America honors in 2009. His combined seven All-America honors are the third most in Irish men's track & field/cross country history behind only Ryan Shay (nine) and Luke Watson (eight).

Piane's success has not just been in the present, as three of his more successful pupils in recent years have been 10-time All-American Molly Huddle (2007), Shay (2001) and Watson (2002).

Huddle finished her career under Piane with ten All-America certificates, a record for the most All-America selections by a Notre Dame athlete in any sport. The Elmira, N.Y., native had seven career BIG EAST championships, including back-to-back double victories in the 5,000m and the 10,000m in her last two seasons. Her seven championships are the most by any Irish woman and she joins former student-athlete Liz Grow as Notre Dame's only athletes to be

named the BIG EAST Outstanding Outdoor Track Performer in two consecutive years (2006, 2007). She currently holds four Irish school records (indoor 3,000m & 5,000m/outdoor 5,000m & 10,000m).

In 2001, Piane helped distance specialist Shay compile one of the greatest track seasons in Notre Dame history. The Central Lake, Mich., resident won the BIG EAST indoor 5,000 meters, the conference outdoor 5,000 and 10,000 meters and finished off the season in legendary style by becoming Notre Dame's first individual NCAA champion since 1972 by taking first place in the 10,000 meters (29:05.44) at the NCAA Outdoor Championship in Eugene, Ore. Shay moved on to become one of the best marathon runners in the country, winning five U.S. titles as well as USA Running Circuit (USARC) titles in 2003 and 2004. Tragically, Shay's life was cut short as he died suddenly during the running of the 2008 U.S. Olympic marathon trials in New York.

Shortly after helping steer Shay to the top of the college running mountain, Piane had similar success with Watson. Both men had set their sights on breaking the four-minute mile barrier at the Moyo Invitational in 2002, hoping that Watson would become just the second runner to crack the mark. Piane helped assemble an outstanding field for the race, which was arguably the highlight of the entire collegiate indoor season. Watson did his part, scorching past the field in the final straight away to win in 3:58.83, easily a school-record time and briefly the fastest mile run in the world during the indoor season. Watson eventually moved on to garner All-America honors in the indoor mile, indoor 3,000 meters and outdoor 5,000 meters – as well as taking home BIG EAST Championships in the mile, 3,000-meter steeplechase and outdoor 5,000 meters. In the

summer of '06, Watson returned to his alma mater as a member of the Irish men's distance/cross country coaching staff.

With Piane at the helm, the Notre Dame men's cross country team has enjoyed six of its most successful seasons in the program's history during the past nine years. In 2000, Piane helped the Irish recover from the loss of Shay due to injury and earn a ninth-place finish at the NCAA Championship meet.

With Shay back on the team in '01, Notre Dame achieved its highest-ever national ranking (fourth), won the BIG EAST Championship (Piane and his staff earned the league's Coaching Staff of the Year award) and ended up sixth at the national meet to give the Irish (at the time) their highest team finish since 1993.

In 2004, Notre Dame threatened to eclipse its best-ever ranking, as Piane deftly guided his charges from an unranked start all the way to a BIG EAST title and a No. 5 national ranking before placing 11th at the NCAA Championship. For his efforts, Piane and his aides garnered a second BIG EAST Men's Cross Country Coaching Staff of the Year plaque. That set the stage for 2005's successful run that culminated in Notre Dame's return to the NCAA awards podium for the first time since 1990.

In 1985, Piane was named a member of the United States National Track staff. As such, he was one of 40 collegiate coaches given the opportunity to coach a United States squad in international competition. During the summer of 1987 he did just that, guiding a team of American all-stars in meets held in England and Ireland. Upon the conclusion of the 1991 Notre Dame track season, Piane once again faced international competition as he was appointed coach of the U.S. Pan American juniors team for the games in Kingston, Jamaica.

Piane became Midwest regional chairman for United States Olympic Development in the area of track and field in 1984. Piane's other Olympic preparation experience came in '85 when he coached the North team in the National Sports Festival. He also coached the U.S. team against England in Birmingham, England.

Piane has produced a winning record in all but one season with the Irish men's cross country team and is also the creator of Notre Dame's National Catholic Championship, an annual meet held on campus since 1980. The Irish running program continues to be a rapidly-growing entity thanks to Piane's achievements. Continually searching for greater challenges, he also founded the Moyo Invitational and the Alex Wilson Invitational, both traditional indoor Notre Dame track & field meets. The Moyo Invitational has turned into a prime breeding ground for record-setting performances, with the 2007 meet resulting in 85 NCAA provisional or automatic qualifying marks, six meet records and three Moyo Track standards broken. The 2006 meet had similar results with 76 NCAA provisional or automatic qualifying marks hit and seven meet records and three Moyo

Track records falling. At the same time, the Alex Wilson Invitational has developed into one of the top indoor "last chance" meets in the nation, hosting the country's best performers just prior to the NCAA Championship.

A 1969 graduate of Loras College, Piane ran both track and cross country for four years at the Dubuque, Iowa, institution. He captained Loras' undefeated cross country squad as a senior, while excelling in middle distance events during the track season. He was inducted into the Loras College Athletics Hall of Fame in the fall of '02.

Piane began his impressive coaching career in 1970. Working for the Peace Corps, he coached track & field and cross country at both the regional and national levels in the North African country of Morocco. Piane guided a top-ranked junior cross country team, sending three runners to Cambridge, England, for the International Cross Country Championship (now known as the IAAF World Championship) in 1972, where Morocco finished third. Several of those Moroccan runners went on to compete at the '72 Summer Games in Munich, Germany, and one advanced to the 1976 Summer Games in Montreal, Canada.

After returning to the United States in July 1972, Piane assisted the track and cross country programs at Western Illinois. During that time he earned a master's degree in physical education.

Born Aug. 6, 1946, in Westchester, Ill., Piane joined the Notre Dame staff in 1974 as an assistant track coach and physical education instructor with plans to stay on for just one year. He was named head track and cross country coach the following season.

Piane and his wife, Mimi, reside in South Bend, with their son, Nick.

Assistant Track & Field Coach
(Women's Distance)
Notre Dame '83

As the Notre Dame women's cross country team continues to establish itself as one of the best in the nation, the man standing at the forefront of that emergence has been Tim Connelly.

Now in his 22nd season at Notre Dame, Connelly not only serves as the head coach of the Irish women's cross country team, but also tutors the middle distance and distance runners during the indoor and outdoor track seasons. As one of the longest tenured active assistants at the University, he is closely involved with all aspects of the Notre Dame track & field/cross country program and is known as one of the best coaches in the Midwest.

Since taking over the Irish women's cross country program during its infancy in 1988, Connelly has helped Notre Dame reach unprecedented heights, finishing among the top 10 at the NCAA Championship four of the past seven seasons. Notre Dame also has garnered a trip to the NCAA awards podium twice, finishing in a program-best third place in 2002, followed by a fourth-place showing in 2004.

However, that hardly begins to scratch the surface of Connelly's accomplishments during his two-decade run at Notre Dame. The Irish women also have won three BIG EAST Conference titles (all in the past seven seasons) and placed either first or second at five of the past eight NCAA Great Lakes Regional meets. What's more, Notre Dame harriers have collected 14 All-America honors and 26 all-BIG EAST cross country citations since the Irish joined the conference in 1995-96.

On the track, the Notre Dame women's distance program has grown exponentially in recent years. Irish runners have earned no fewer than 19 All-America certificates, including 14 in the past eight years alone, while Connelly's athletes have advanced to NCAA Championship competition 34 times (14 indoors/20 outdoors).

In addition, Notre Dame women's distance runners have garnered all-conference status 63 times and won 10 BIG EAST individual titles (as well as the 2003 distance medley relay crown) during the past 13 seasons. The Irish thinclads also have played a critical role in a pair of team titles at the BIG EAST Indoor Championship ('02, '06) and one BIG EAST Outdoor Championship (2007), as well as nine runner-up finishes at conference meets (five indoor, four outdoor).

For his efforts, Connelly has been richly rewarded with numerous coaching honors. He has been chosen for the BIG EAST Women's Cross Country Coaching Staff of the Year award three times ('02, 2003, 2005) and has been part of the BIG EAST Women's Indoor Track & Field Coaching Staff of the Year twice ('02, '06) and the BIG EAST Women's Outdoor Track & Field Coaching Staff of the Year once (2007).

Connelly's distance runners helped the Irish women's program to a fourth-place finish at the 2009 BIG EAST Outdoor Championships, while the women's cross country squad finished sixth at the BIG EAST Championship with junior Lindsey Ferguson garnering all-conference honors. The Irish also returned to the NCAA Championship for the first time since 2005.

Under Connelly's tutelage, Notre Dame's distance program was able to excel in 2007, playing a large role in helping the Irish win their first BIG EAST outdoor championship since joining the league in 1995-96. Connelly produced six top-eight finishers to bring in points for the Irish. The women's cross country team's season ended with a third-place finish at the BIG EAST Cross Country Championships and a fifth-place finish at the NCAA Great Lakes Regional meet, just shy of a bid to the national meet. The conference finish was the fifth consecutive top-three BIG EAST finish by the Irish women.

In 2007, Molly Huddle led the women's distance with a runner-up performance in the 5,000 meters at the BIG EAST indoor championships and a double crown at the BIG EAST outdoor championships in the 5,000 meters and the 10,000 meters, only the third multiple winner of the honor since its inception in 1993, and the first back-to-back recipient since former Irish All-American Liz Grow took the hardware in 2001 and 2002. Her outdoor performance earned her BIG EAST Outstanding Outdoor Track Performer honors. At the NCAA Mideast Regional meet, she went on to win her fourth consecutive 5,000-meter title, to pave her way to the national meet where she became a 10-time All-American after taking third in the 5,000 meters.

Connelly's charges were at the forefront of a historic run in 2005-06, as Notre Dame came within 10 points at the conference's outdoor meet of becoming the first school in 18 seasons to win the BIG EAST women's "triple crown" (cross country, indoor track, outdoor track). It all started with an impressive 25-point win at the BIG EAST Cross Country Championship, with the 34-point Irish performance being the best scoring outing by any league school since 1994. Notre Dame had four of the top eight runners in the field, giving the Irish their largest-ever crop of all-conference honorees.

That outing preceded a runner-up showing at the NCAA Great Lakes Regional, where Notre Dame once again was dominant up front with four of the top 10 runners in the meet. The Irish then capped the 2005 season with a seventh-place finish at the NCAA Championship, highlighted by a program-best three All-America performances (Stephanie Madia, Huddle and Sunni Olding). In fact, Madia's third-place finish and time of 19:48.4 were the best-ever by a Notre Dame woman, while Huddle joined Lauren King as the second three-time women's cross country All-American in school history.

Moving indoors on the track for the 2005-06 season, Jacqueline Carter and Brienne Schmidt made excellent strides in the middle distances, notching school records in the 800- and 1,000-meter runs, respectively. Madia was strong at the longer distances, peaking well late in the year with two of the top-four 5,000-meter times in school history before earning her second All-America honor with a fourth-place finish at the NCAA Championship.

Huddle then took center stage during the '06 outdoor season, posting the nation's fastest times at both 5,000 and 10,000 meters, and becoming only the second woman in BIG EAST history to win both races at the conference meet. She went on to be named the BIG EAST Outstanding Outdoor Track Performer, as well as the USTFCCCA Great Lakes District Outdoor Track Athlete of the Year and won her third NCAA Mideast Regional 5,000-meter title in as many tries. Huddle's season ended just short of the brass ring, as she finished second in the 5,000 meters at the NCAA Championships, still the best placement ever by an Irish women's track athlete in any event. She also garnered her ninth All-America citation.

In '04, Huddle had one of the most prolific seasons in Irish track and field history. She was an All-American in the indoor 3,000- and 5,000-meter runs as well as the outdoor 5,000 meters. Connelly accompanied Huddle as she competed in the United States Olympic Trials, eventually finishing seventh in the 5,000 meters as the top non-professional/collegian in the race. A year earlier, Connelly guided Huddle to All-America honors in the indoor 3,000 meters and outdoor 5,000 meters. Huddle capped that season by running away with the U.S. Junior 3,000-Meter Championship at the national meet in Palo Alto, Calif.

A 1983 Notre Dame graduate, Connelly ran both cross country and track for the Irish. Following his graduation, Connelly served as a graduate assistant coach under Joe Piane while working toward his master's degree in business.

In 1986, Connelly moved on to Syracuse as an assistant cross country and track coach. During his time in central New York, he coached the men's and women's middle distance and distance runners and managed recruiting duties for both programs.

A native of Pittsburgh, Pa., Connelly and his wife, the former Donna Southerly, are the parents of two children — daughter, Alexandra, and son, Brendon.

John Millar

**Associate Head Track & Field Coach
(Sprints/Hurdles)
Western Ontario '78**

One of the top sprint and hurdle coaches in the world, John Millar enters his 19th season at Notre Dame and has developed the Irish sprint groups into a force in the BIG EAST Conference. Millar's tenure at Notre Dame, which included serving as the speed coach for all Notre Dame athletic teams for several years, is the third longest active streak of any current Irish assistant coach in any sport.

A dedicated coach, recruiter and organizer, Millar also has played a key role in Notre Dame's management of four home indoor meets, which are widely regarded as being among the top events in the country each season.

Millar's sprinters and hurdlers have continued to have success for the Irish on both the men's and women's side of the field. Junior Joanna Schultz earned her first All-America honor at the 2009 NCAA Indoor Championships with an eighth-place finish in the 400 meters and qualified for the outdoor meet later that season. Schultz joined sophomores Miklos Szebeny and Johnson and freshman Jordan Rincon in garnering all-BIG EAST indoor citations. Schultz won the 400-meter championship at the BIG EAST Outdoor meet, while the 4x100-meter and 4x400-meter relay teams earned all-BIG EAST honors.

As a sophomore in 2008, Balazs Molnar grabbed all-BIG EAST indoor honors with a third-place finish in the 400-meter dash. Freshmen Cora Dayon and Johnson earned their first all-BIG EAST indoor honors in the 500 meters, finishing second and third, respectively. The men's 4x100-meter relay team finished third at the BIG EAST Outdoor Championships and played a major role in helping the Irish men's squad to their fifth outdoor conference title.

In 2007, Molnar took the BIG EAST outdoor 400-meter hurdle race by storm with his time of 51.62. His all-BIG EAST performance marked the first time an Irish sprinter (male or female) won a league 400-meter hurdle title in school history.

Millar's women sprinters undoubtedly found success on the track and were key in helping secure the team's first BIG EAST Outdoor Track & Field Championship in 2007. Both the women's 4x100 and 4x400-meter relays took titles at the 2007 BIG EAST Outdoor Track & Field Championships, spurring the Irish women's first BIG EAST outdoor championship since joining the league in 1995.

That same year, Millar set up dominance in the women's individual 400 meter with Okechi Ogbuokiri, Schultz and Brienne Davis taking second, third and fourth in the event respectively while Maryann Erigha went on to earn additional all-BIG EAST honors with her second-place finish in the 100 meters.

Both Erigha and Ogbuokiri had previous success under Millar's tutelage. Erigha was a two-time BIG EAST champion in the outdoor 100 meters and indoor 200 meters while Ogbuokiri was a conference titlist in the indoor 400m. Both sprinters went on to qualify for the NCAA Championship for the first time in their respective careers in 2005.

Millar also helped cultivate the skills of men's hurdler Selim Nurudeen, who was a two-time All-American, seven-time BIG EAST Champion and 15-time all-BIG EAST selection during his career at Notre Dame from 2001-05. Nurudeen also was named the '05 BIG EAST Indoor Championship Outstanding Track Performer after helping the Irish win the team title and he competed in the 2008 Beijing Olympics as part of the Nigerian track and field team.

Prior to his current proteges, Millar helped cultivate '02 graduate Liz Grow into Notre Dame's first women's All-American sprinter, as Grow was a fixture at the NCAA indoor and outdoor meets during her four years on the team.

Millar's sprint group made a huge splash on the national scene in '02. The women's 4x400 relay unit consisting of Ayesha Boyd, Kristen Dodd, Grow and Kymia Love qualified for the NCAA Indoor Championships, becoming the first Irish women's sprint relay to achieve that distinction. In the outdoor season, the same group took a step further, earning All-America honors after placing fifth in the nation at the NCAA Championships. Millar's 4x100, 4x400 (outdoor) and 4x400 (indoor) all have set school records in the past eight seasons and the 4x100 group won BIG EAST Championships in 2003 and 2004.

The development of the women's sprint corps allowed Notre Dame to capture its first-ever BIG

EAST team title in '02 at the league indoor meet. Millar and his fellow Irish coaches were named the BIG EAST Indoor Coaching Staff of the Year that season. They repeated that performance in 2006, nearly winning the league's "triple crown" for the first time in 18 years before a runner-up finish in the BIG EAST outdoor meet. Nevertheless, Millar was again part of the BIG EAST Indoor Staff of the Year.

Millar helped the women's 4x400 team return to both the NCAA indoor and outdoor meets in '03. The squad of Tiffany Gunn, Kristen Dodd, Ayesha Boyd and Kymia Love just missed out on a repeat All-America effort at the outdoor meet, finishing ninth.

In his first year with the Irish, Millar began the process of enhancing the Notre Dame sprint corps, which culminated in three school records in the 55 and 200 meters along with the 4x100 relay. He guided Raghbi Ismail to a second-place finish in the 1991 NCAA Indoor Championships and the fastest collegiate 55-meter time in the world.

Millar also coached two-time All-American Allen Rossum to seventh-place finishes in the 55-meter dash at the 1995 and 1997 NCAA Indoor Championships, and hurdler Errol Williams was an All-American in both indoor (55-meter hurdles) and outdoor track (110-meter hurdles) in 1998.

The native of Toronto, Canada, took a break from his coaching duties at Notre Dame in early March of 1999 to serve as the head coach of the USA women's track squad, which earned eight medals at the '99 World Indoor Championships in Maebashi, Japan.

Millar is a seasoned veteran of coaching athletes both on the national and international levels. During a six-year stint at Texas, he coached 96 NCAA All-Americans, including 10 national champions, and helped guide the Lady Longhorns to four national titles.

Prior to his position at Texas, Millar was an assistant at Tennessee for two years where he worked with 1984 Olympic gold-medal hurdler Benita Fitzgerald-Brown. In addition, he served as an assistant coach on the Canadian Olympic track staff and assisted in training world-class hurdler Mark McCoy. He also served as USA Track and Field's national women's hurdle coordinator, coach of the North team at the 1992 U.S. Olympic Festival and assistant coach of the USA Junior National Team at the 1993 Pan-Am Junior Championships.

Millar was head coach at York University in Toronto from 1981 to 1983 where he served as chief director for both the men's and women's programs in track & field. He led the school to a Canadian national championship in 1981.

He also traveled to the 2000 Olympic Games in Sydney, Australia, as a member of the Canadian track & field coaching staff.

Millar graduated from Western Ontario in 1978 and holds a master's degree from Arizona State.

He and his wife, the former Lynn Haan, have a son, James, who graduated from Notre Dame in May 2008 as a track and field monogram winner.

Assistant Coaches

Adam Beltran

Assistant Track & Field Coach (Throws)
University of Missouri-Kansas City '99

Adam Beltran joined the Notre Dame men's and women's track and field program in 2007 as an assistant coach for throws.

Beltran helped Jaclyn Espinoza earn her first All-America honor with a third-place finish at the 2009 NCAA Outdoor Championships, as well as the BIG EAST outdoor discus title. John Belcher also became a BIG EAST champion in the hammer throw. Seven Irish throwers qualified for the NCAA regional meet, while six Notre Dame student-athletes earned all-BIG EAST honors.

Beltran guided the Irish throwers to seven all-BIG EAST honors in 2008, including Brandon Drenon's first BIG EAST outdoor title in the discus. Six of Beltran's athletes qualified for the NCAA Mid-east Regionals. Alyssa Hasan earned all-BIG EAST and All-America honors in the pentathlon. She also garnered all-BIG EAST honors for her heptathlon performance at the BIG EAST Outdoor Championships. Espinoza finished 25th in the discus at the NCAA Outdoor Championships.

Prior to joining the Notre Dame staff, Beltran was on the track and field staff at Saint Francis (Pa.) University where he worked with the Red Flash throwers and oversaw the pro-

gram's recruiting efforts. Under his tutelage, 20 St. Francis student-athletes won Northeast Conference (NEC) titles in the men's and women's weight throw, javelin, hammer throw, discus and women's shot put.

During his tenure at St. Francis, Beltran watched 17 Red Flash throwing records fall in the men's and women's indoor shot put, discus, javelin, women's outdoor shot put and the men's hammer and weight throws. In 2007, junior Lisa Morse earned the Outstanding Field Performer award at the NEC Outdoor Championships, while Dian Gmitter went on to win the same award at the indoor league meet.

Before his stint at St. Francis, Beltran served as an assistant coach at the University of Missouri-Kansas City. He worked with throwers and coached athletes to Mid-Continent Conference titles in the shot put and the javelin. Nine of his athletes went on to break school track and field records under his tutelage.

A 1999 graduate of UMKC, the Austin, Texas, native earned his bachelor of liberal arts degree with an emphasis in American studies and a minor in black studies/cultural anthropology. He has earned USA Track and Field Level I and Level II certifications.

Amy Henry

Assistant Track & Field Coach (Sprints/Hurdles)
Hampton University '02

Amy Henry is in her second season as an assistant track and field coach at Notre Dame, working with the Irish sprinters and hurdlers.

Henry guided Joanna Schultz to her first All-America honor with an eighth-place finish at the 2009 NCAA Indoor Championships. Schultz also qualified for the NCAA outdoor meet and won the BIG EAST outdoor 400-meter title. Four Irish student-athletes earned all-BIG EAST individual honors, while the outdoor 4x100-meter and 4x400-meter relay teams earned all-league accolades as well.

Henry came to Notre Dame after a two-year stint as an assistant coach at the University of Texas-El Paso, where she worked with sprinters, hurdlers and multi-event athletes. Henry also spent time as an assistant coach at Hampton, working with sprinters, hurdlers and distance runners. She also taught physical education and athletic training courses as an adjunct professor.

After graduating from Hampton with a bachelor's degree in psychology in 2002, Henry began

working towards her master's degree in developmental kinesiology with a specialization in sport psychology from Bowling Green State, University while working as the coordinator of the school's GradSTEP program, which aids students in the transition from undergraduate to graduate school. She also worked as a sport psychology consultant for the track and field and softball teams at Bowling Green.

Henry has also made several academic presentations and been published in the Berkshire Encyclopedia of World Sport.

A standout athlete in both college and high school, Henry was a Mid-Eastern Atlantic (MEAC) all-conference sprinter and hurdler while at Hampton and an all-Mid-American Conference (MAC) performer at Bowling Green. The Newport News, Va., native was a three-time letterwinner and multiple track All-American at Menchville High School. She holds USA Track and Field Level I certification.

Assistant Coach

**Jim
Garnham**

**Assistant
Track & Field Coach
(Jumps)
Kent State '98**

Jim Garnham joined the Notre Dame track and field staff as an assistant coach for jumps in the fall of 2008.

Garnham led the Irish jumpers to an outstanding season in 2009 that included two All-America honors and four BIG EAST titles.

Mary Saxer earned her first All-America honor with a ninth-place pole vault finish at the NCAA Indoor Championships, then followed that with a third-place, All-America performance at the outdoor meet. Saxer won the BIG EAST indoor and outdoor pole vault titles, as well.

Matt Schipper qualified for both the NCAA indoor and outdoor meets after taking home the BIG EAST indoor and outdoor pole vault titles in '09. Kevin Schipper was the third Irish pole vaulter to earn all-BIG EAST honors with a second-place pole vault finish at the league's indoor meet.

Garnham joined the Irish staff after a three-year stint as the field events coach at the University of Tulsa. During his tenure, he coached an NCAA qualifier in the shot put, a USATF indoor shot put qualifier, 17 NCAA Midwest Regional qualifiers, four Conference USA champions and 20 all-C-USA athletes. His student-athletes also set 18 school records at Tulsa.

Prior to Tulsa, Garnham served five years as an assistant track and field coach at the University at Buffalo, where he worked with multi-event athletes, javelin throwers and hurdlers. He coached a USATF indoor heptathlon qualifier, a Canadian Olympic trials qualifier in the women's heptathlon, two NCAA qualifiers, four NCAA East Regional qualifiers and five Mid-American Conference champions.

Garnham earned his bachelor's degree in his-
tory from Kent State in 1998.

Home Cross Country Meets

Notre Dame Invitational

The 54th running of the Notre Dame Invitational, one of the nation's oldest and largest intercollegiate cross country meets, is scheduled for Oct. 2, 2009, at the University of Notre Dame Burke Golf Course. The Invitational was started by former Irish head coach Alex Wilson in 1956 and regularly features runners from approximately 60 schools around the country. A 5,000-meter women's race was added in 1987 to the current men's event (lengthened from four to five miles in 1968).

National Catholic Championship

For the 30th consecutive year, Notre Dame will play host to the National Catholic Cross Country Championship — Sept. 18, 2009, at the University of Notre Dame Burke Golf Course. The meet was conceived by current Irish head men's cross country coach Joe Piane and began in the fall of 1980. It features teams from prominent Catholic institutions throughout the United States.

The Notre Dame men are out to claim their 20th team title (and 18th in the past 22 years), while the Irish women's team will seek to claim its 16th title in 18 years.

Men's Meet Records

The Loftus Center on Notre Dame's campus plays host to several indoor track and field meets during the season. The Irish track and field program boasts one of the top indoor facilities in the nation, including an elevated long jump pit (on the left) and pole vault pit (on the right). Notre Dame also hosts two of the more prestigious meets of the indoor track and field season - the Meyo and Alex Wilson Invitationals.

Wendy Murray was one of the first women's cross country runners to earn a monogram at Notre Dame in 1986. She eventually earned four such awards, the first women's Irish harrier to earn that distinction.

For the second time in three seasons, Notre Dame earned a spot on the awards podium at the NCAA Cross Country Championship with a fourth-place finish in 2004 (from left to right: head coach Tim Connelly, Elizabeth Webster, Jean Marinangeli, Molly Huddle, Maggie Nelsen, Katie DeRusso, Lauren King, Kerry Meagher, Stephanie Madia and Sunni Olding).

Becca Bauman was a three-time cross country monogram winner from 2006-2008 and was named to the ESPN The Magazine/CoSIDA Academic All-District Five Second Team as a senior.

Men's Track & Field Monogram Winners

Irish in the BIG EAST

With 30 years under its belt, The BIG EAST Conference continues on a path of success in and out of the athletic arena. The goals have always been the same. The league wants and expects to compete at the highest level and does so with integrity and sportsmanship. The commendable performances of the student-athletes at BIG EAST schools are the indicators of the league's proud tradition of success.

The BIG EAST has gone through membership changes since its birth, but the 2009-10 academic year will mark the conference's fifth straight with the same 16-member group, the nation's largest Division I-A conference.

In 2008-09, BIG EAST student-athletes again succeeded on the national stage. The Connecticut women's basketball team won its sixth national championship by defeating conference foe Louisville in an all-BIG EAST NCAA title game. The Notre Dame women's soccer team reached the NCAA championship game and the Syracuse field hockey squad advanced to the NCAA Final Four. Three BIG EAST women's cross country teams finished in the top 10 at the NCAA Championships. West Virginia was fourth followed by Villanova in sixth place and Georgetown in ninth.

Individually in women's sports, Providence's Dannette Doetzel won the 10,000 meters at the NCAA Outdoor Track & Field Championships. Connecticut's Maya Moore was the conference's sixth winner of the Wade Trophy as the top player in women's basketball. Notre Dame's Kerri Hanks won the Hermann Trophy, the top award in women's soccer.

On the men's side, Connecticut and Villanova advanced to the Final Four in basketball. The 2008-09 campaign was arguably the best men's basketball season in the history of the BIG EAST with the league setting NCAA standards with three No. 1 tournament seeds, four teams in the round of the Elite Eight and five in the Sweet 16.

The St. John's men's soccer team reached the NCAA College Cup before losing in the national semifinals.

BIG EAST football has maintained its high profile and its reputation as a balanced group. Seven of the league's eight squads were nationally ranked or received votes in the national polls in 2008. Cincinnati was the league champion. The BIG EAST, a charter member of the Bowl Championship Series, has won three of its last four BCS bowl games. West Virginia, Louisville and Connecticut also have won or shared league crowns over the past four seasons.

The BIG EAST has continued to produce student-athletes who were at the forefront of athletic and academic achievement. In 2008-09, 19 BIG EAST players were chosen to their respective *ESPN The Magazine* Academic All-America Teams, including eight first-team selections. Nearly 400 student-athletes have earned academic all-America honors.

The BIG EAST became the nation's largest Division I-A conference in 2005-06 when five new members began competing. The new schools were: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida.

BIG EAST institutions reside in nine of the nation's top 34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With

its newest members, BIG EAST markets contain almost one fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 26 national championships in six different sports and 126 student-athletes have won individual national titles.

The BIG EAST has enjoyed tremendous basketball success, especially in this decade. In 2008-09, the BIG EAST produced four of the eight Final Four teams in men's and women's basketball. It was only the second time in NCAA history that one conference placed that many Final Four teams in the same season.

In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA basketball titles in the same season. In '02-03, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in the same year when the Syracuse men and the Connecticut women captured their respective national championships. In men's basketball, BIG EAST squads have won three of the last 11 NCAA championships. BIG EAST women's teams have taken six of the last 10 NCAA titles.

Proactive movement has been a signature strategy for the conference that was born in 1979. The BIG EAST continually turns challenges into opportunities to become stronger.

In 2009-10, the BIG EAST will add men's lacrosse to its growing list of sports, which will increase its total to 24 sport championships. The first women's golf championship was held in the spring of 2003. Women's lacrosse and rowing were added in 2001.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad based pro-

grams, led by administrators and coaches who place a constant emphasis on academic integrity. Its student athletes own significantly high graduation rates and their record of scholastic achievement notably show a balance between intercollegiate athletics and academics.

Any successful organization has been fortunate to have outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, became Commissioner in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

For 2009-10, the BIG EAST will undergo one significant change. Tranghese stepped down from his position on June 30, 2009. John Marinatto, who has served as senior associate commissioner, has moved into the Commissioner's chair.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student-athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

BIG EAST men's basketball games are regular sell-outs at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden. The women's basketball championship has led all conferences in attendance for the past six years. Attendance figures also are significant in soccer and baseball.

More than 550 BIG EAST student-athletes have earned All-America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last six summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes.

OUTFITTER OF NOTRE DAME ATHLETICS

OFFICIAL OUTFITTER

UNIVERSITY OF NOTRE DAME

History

- The University of Notre Dame du Lac was founded in 1842 by Father Edward Sorin. Adjacent to South Bend, Ind., and nestled next to Saint Mary's and Saint Joseph's Lakes, the University was started with \$310 in cash and three log buildings in disrepair.
- Notre Dame would establish many firsts for Catholic institutions of higher learning, including the first Catholic law school, the first Catholic engineering school and the first student residence with private rooms, Sorin Hall.

Academics

- The University is organized into four colleges - Arts and Letters, Science, Engineering and the Mendoza College of Business - the School of Architecture, the Law School, the Graduate School, six major research institutes, more than 40 centers and special programs and the University library system.
- Notre Dame is rated among the nation's top 25 institutions of higher learning in surveys conducted by *U.S. News and World Report*, *Princeton Review*, *Time*, *Kiplinger's*, and *Kaplan/Newsweek*.
- Notre Dame ranks fifth in a listing of "dream schools" in a survey of parents by the *Princeton Review*. The top five are Princeton, Stanford, Harvard, New York University and Notre Dame.
- Notre Dame is among a select group of schools that ranks in the top 25 on the *U.S. News & World Report* survey of the nation's top colleges and in the National Association of Collegiate Directors of Athletics Directors' Cup for overall success in athletics.

Students

- Graduate and undergraduate students at the University come from all 50 states and more than 100 countries worldwide.
- Notre Dame's graduation rate of 95 percent is exceeded by only Harvard and Princeton.
- Notre Dame's 98 percent retention rate between the freshman and sophomore years is among the highest in the country, thanks in large part to the University's unique First Year of Studies Program.
- Notre Dame has one of the highest undergraduate residential concentrations of any national university, with 80 percent of its students living in 27 residence halls.

- The medical school acceptance rate of the University's preprofessional studies graduates is 80 percent, almost twice the national average.
- Notre Dame ranks first among Catholic universities in the number of doctorates earned by its undergraduate alumni - a record compiled over some 85 years.

Service

- Community service is a hallmark of Notre Dame. About 80 percent of Notre Dame students engage in some form of voluntary community service during their years at the University, and at least 10 percent devote a year or more after graduation to service in the United States and around the world.
- The University's Alliance for Catholic Education (ACE) annually sends 180 recent graduates to teach in some 100 understaffed Catholic schools in the southern, southeastern and southwestern United States and in South Bend. A national model, ACE has received the Higher Education Award from the Corporation for National Service for leadership in using national service resources through AmeriCorps.

Alumni

- The University's network of 270 alumni clubs -- including 60 international clubs -- is the most extensive in higher education.
- With graduates renowned for their loyalty and generosity, Notre Dame annually ranks among the top five in percentage of alumni who contribute to the University.
- In recent years, Notre Dame alumni have won a Nobel Prize in medicine, a Pulitzer Prize in journalism, and an Emmy Award for contributions to television technology.
