* 1-meter diving in championship meets consisted of 11 dives until 2000-01, when it switched to six dives

Fourteen years after graduating, Jim Birmingham remains among the top six Irish swimmers ever in both the 50 and 100 Free.

BIG EAST Championships

Notre Dame in the BIG EAST Championships

After competing for 25 years as an independent, Notre Dame joined the Midwestern Collegiate Conference in 1983-84, beginning a 12-year membership in which the Irish would win six league championships (1986 and 1988-92) and finish as the MCC runner-up four times (1984-85 and 1993-94). Notre Dame joined the BIG EAST Conference prior to the 1995-96 season and has been a member since then.

The Irish have registered 11 consecutive top-four finishes in the BIG EAST Championships, including a trio of runner-up results (1999-2000 and 2004). In 2005, Notre Dame registered a meet-record 902.5 points to capture the program's first-ever BIG EAST title. The Fighting Irish defeated Pittsburgh, the eight-time defending conference champions, by 275 points. Notre Dame defended its title in 2006 by registering 809 points to top runner-up Pittsburgh and the rest of the field. The Irish were edged out by West Virginia (765.5-761) in their bid for a third consecutive title in 2007 but bounced back with the crown in 2008.

Notre Dame has won 17 event titles at the BIG EAST meet, with five of those occurring at the 2005 championships and four more in 2006. Tim Kegelman became the first Irish swimmer to win three BIG EAST titles. Kegelman collected all three titles at the 2005 meet by winning the 100 Fly, 200 IM was part of the champion 400 Medley Relay. Ray Fitzpatrick (who was first in the 200 Free in 2000 after anchoring the champion 400 Free Relay in 1999) was the first Irish student-athlete to win multiple BIG EAST championships. In 2006, Jay Vanden Berg became the second competitor in program history to capture multiple titles in the same meet as he won both the 500 and 1,650 Free events. Vanden Berg also won the 1,650 Free in 2005 and is tied with Kegelman for the program record of three event titles.

The top three finishers in every event gain all-BIG EAST honors, and over 40 Notre Dame competitors – including eight on the 2008-09 roster – have achieved that status. Kegelman leads the Irish with 12 all-conference honors, while three Irish athletes have garnered six individual all-BIG EAST accolades (Scott Zumbach, Ted Brown, Jay Vanden Berg). Notre Dame's top diver in the BIG EAST Championships was Andy Maggio (2003), who garnered all-BIG EAST accolades three times.

John Koselka, a former school recordholder in the 50 and 100 free, was a member of the 1985-86 team (the first under head coach Tim Welsh) that captured Notre Dame's first league title, winning the Midwestern Collegiate Conference Championships.

National & International Meets

Bob Ebel

Divers Bob Ebel and Michael Bulfin along with swimmer Tim Kegelman are the only three Notre Dame student-athletes ever to take part in the NCAA Men's Swimming and Diving Championships.

Bulfin, from Ft. Lauderdale, Fla., became the first member of the Irish program to earn multiple trips to the NCAA Championships when he made his second trip in 2008. Bulfin added another feather to his cap by becoming the program's first All-American. He notched a pair of points in the final round of the 3-meter competition to secure a top-20 finish at the 2008 NAAs. Bulfin finished 28th in the 1-meter with a count of 264.25 during the preliminary rounds. He followed that with a stellar 319.55 and a 16th-place finish in the 3-meter event during the prelims to move into the final heat. It was there that he moved up one spot to 15th with a score of 332.40 in the final round of the 3-meter to earn the first points for Notre Dame at the NAAs in program history.

Bulfin also qualified for the NAAs in 2006.

Ebel, a native of St. Louis, Mo., did so in 3-meter diving event as a sophomore in 1975. He qualified with a record-breaking performance in a dual meet against Illinois State on Feb. 22 in the Rockne Memorial Pool. Ebel's score of 302.65 stood as the school record for nearly 15 years.

Kegelman competed at the 2005 NCAA Championships after earning his berth with a season-best time of 47.66 in the 100 Fly. He also swam in the 200 Individual Medley and the 100 Fly at the national meet.

A variety of other Irish swimmers and divers have been close to qualifying, including a very near miss by diver Andy Maggio in 2002.

Notre Dame swimmers have taken part in other major national and international meets over the several years. MacKenzie LeBlanc took the gold in the 200-meter butterfly at the Tri Nations Cup meet in Quebec City. The Vernon, B.C., native topped the podium after checking in with a time of 2:00.13. LeBlanc won one of Canada's six gold medals to

open the two-day meet which featured the top prospects expected to challenge for spots on the 2012 Olympic teams for Canada, France and Great Britain. The Tri Nations Cup is a dual meet between Canada, France and Great Britain. Hosted in Quebec City, this inaugural competition showcases Canada's 2012 Olympic potential hopefuls. LeBlanc qualified for the Canadian team as a result of his third-place finish at the Canadian Olympic Trials in Montreal in April 2008.

Andrew MacKay's was the first Irish swimmer to take part in the Olympics, hitting the water in the 2004 Olympic Games in Athens, Greece. MacKay, the first native of the Cayman Islands ever to qualify for the Olympics in swimming, took part in both the 200- and 400-meter individual medleys and broke his own national records in both events. In the 400-meter event, it took him just 0.59 seconds to get off the starting blocks at the commencement of the race, and that reaction time was the fastest of any non-backstroker (male or female) during the entire Athens Olympics. He moved up from his seeding in both races to finish 33rd in the 400 IM and 41st in the 200-meter version.

MacKay also competed in the 2004 World Championships in Indianapolis, Ind., swimming the 100-meter IM.

While MacKay is Notre Dame's first men's swimming Olympian, various other Irish student-athletes have taken part in high-profile national and international meets. Dan Szilier, a 2000 graduate, was the most accomplished of that group, as he finished ninth in the 200-meter breaststroke in the 1999 World University Games in Palma de Mallorca, Spain. Szilier qualified for that team by taking seventh at the 1998 USA Swimming Summer National Championships. In 1997, Szilier was tabbed Rookie of the Meet at the USA Swimming Spring National Championships, ending up third in the 200 breast and eighth in the 100 breast.

James Scott-Browne, a distance freestyler who swam for the Irish from 1997-99, also had a taste of international experience. He was a member of USA Swimming's national junior team, which took part in a variety of meets abroad. Additionally, Scott-Browne participated in the 1997 World Scholar-Athlete Games.

The 2000 U.S. Olympic Trials featured three Notre Dame swimmers: Szilier, Jonathan Pierce (1,500 free), and Ryan Verlin (200 fly). Szilier led the Irish contingent by finishing 29th in the 200 breast.

Countless other Notre Dame competitors have participated in the USA Swimming senior national meets.

Byron V. Kanaley Award

The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to the senior monogram athletes who have been most exemplary as both students and leaders.

The awards, presented by the Faculty Board on Athletics, are named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960.

Seven members of the Notre Dame men's swimming and diving team have received the award, including three since 2000.

Rolfs Aquatic Center

The Irish swimming and diving teams compete in the state-of-the-art Rolfs Aquatic Center. After 27 years of intercollegiate swimming competition in the Rockne Memorial Pool, the Notre Dame swimming and diving programs entered a new era in 1985, as they moved to the \$4.5-million natatorium located in the Joyce Center.

Donated by brothers Thomas and Robert Rolf of West Bend, Wis., the Rolfs Aquatic Center provides Notre Dame with a modern, innovative facility on par with any other in the country. Ellerbe Architects and Engineers of Bloomington, Minn., the architects used in the planning of the Joyce Center, also were commissioned to design the 45,000-square-foot facility which houses a 50-meter Olympic pool (25 yards in width), spectator seating for 400 and support facilities.

The facility features a cutting edge video and replay board, two movable bulkheads to allow sections of the pool to be blocked off allowing swimming competition and warm-up swimming to occur simultaneously. The design also allows recreational swimming, water polo, instructional swimming and other aquatic activities. Diving is accommodated with two one-meter boards and two three-meter boards.

Support functions housed in the center of the facility just below the spectator seating include men's and women's locker rooms, men's and women's varsity locker rooms, and men's and women's staff locker rooms. Offices for the Notre Dame swimming staff, aquatics directors, and lifeguards are deckside and glass-fronted with a view of the pool.

Equipment necessary for the latest training techniques, including a trampoline and underwater viewing decks, are located in the Rolfs Aquatic Center.

Several deckside instructional areas are located around the pool and feature infrared heat lamps, designed to keep wet swimmers warm between events. The pool features a stainless steel racing gutter which is designed to absorb the bow waves of a swimmer, allowing faster swimming times.

Another instructional feature is the two underwater windows which allow critiquing of a diver's or swimmer's underwater technique. The unique structural system consists of three

trusses which span 120 feet, with the roof suspended below the trusses. In addition, the white exterior trusses provide an interesting and athletic character to the building. The lighting system is designed to be adjusted from maximum brightness for television to nearly dark for dramatic synchronized swimming presentations.

The center was officially dedicated on November 13, 1985.

Rolfs Aquatic Center is home to Notre Dame's men's and women's swimming and diving teams. The pool has two moveable bulkheads that allow the Irish the opportunity to train on either a long or short course.

The BIG EAST Conference

The 2008-09 academic year will be the 30th for The BIG EAST Conference. While the league has gone through membership changes since its birth, it has never been stronger. This academic year will mark the conference's fourth year as the nation's largest Division I-A conference.

The goals of the BIG EAST have never changed. The league aims and expects to compete at the highest level and does so with integrity and sportsmanship. The student-athletes of the member schools continue to maintain the league's proud tradition of success.

BIG EAST teams earned their share of recognition at the highest levels in 2007-08. Four women's teams advanced to their respective NCAA Final Fours: Connecticut field hockey and women's basketball, Notre Dame soccer and Syracuse lacrosse.

Individually in men's sports, Villanova's Bobby Curtis was the NCAA outdoor track champion in the 5,000 meters. Connecticut's O'Brian White won the M.A.C. Hermann Trophy, the highest individual honor in soccer. Two years ago, BIG EAST male and female student-athletes were Hermann Trophy winners.

In men's basketball, the BIG EAST tied its own record set in 2006 by earning eight NCAA Championship bids. BIG EAST women's teams have received eight NCAA invitations in each of the past two years. The combined 16 men's and women's berths in 2008 was an NCAA first.

The quality of BIG EAST football has never been more balanced. Six of the league's eight squads were nationally ranked in 2007. For the third straight year, the BIG EAST representative in the Bowl Championship Series won its BCS bowl game.

The BIG EAST continued to produce student-athletes who were at the forefront of athletic and academic achievement. Nineteen BIG EAST players were chosen to their respective ESPN The Magazine Academic All-America Teams, including eight first-team selections.

The BIG EAST became the nation's largest Division I-A group in 2005-06 when five new members began competing. The new schools were: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida.

BIG EAST institutions reside in nine of the nation's top 34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With its newest members, BIG EAST markets contain almost one fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 25 national championships in six different sports and 125 student-athletes have won individual national titles.

The BIG EAST has always been able to boast that some of its best students are also some of its best athletes. More than 370 student-athletes have earned academic all-America honors. Last year in football, Louisville quarterback Brian Brohm, who finished his career as the BIG EAST's career passing leader, was one of the league's eight first-team ESPN The Magazine Academic All-America team picks.

Also, Connecticut's Rebecca Lobo, one of the most heralded women's basketball players in the history of the sport, was named to the CoSIDA Academic All-America Hall of Fame in 2008. Lobo, a two-time BIG EAST Player of the Year, led the Huskies to the 1995 NCAA national championship.

The BIG EAST has enjoyed tremendous basketball success, especially in this decade. In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA titles in the same season. In '02-03, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in the same year when the Syracuse men and the Connecticut women captured their respective national championships. In men's basketball, BIG EAST squads have won three of the last 10 NCAA championships. BIG EAST women's teams have taken five of the last nine NCAA titles.

Proactive movement has been a signature strategy for the conference that was born in 1979. The BIG EAST continually turns challenges into opportunities to become stronger.

In the spring of 2001, the BIG EAST added women's lacrosse and rowing to its growing list of sports. The first women's golf championship was held in the spring of 2003. In 2007, the league conducted its first women's lacrosse championship tournament. In 2009-10, the BIG EAST will begin sponsorship of men's lacrosse, its 24th sport.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse Universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad based

programs, led by administrators and coaches who place a constant emphasis on academic integrity. Its student-athletes own significantly high graduation rates and their record of scholastic achievement notably shows a balance between intercollegiate athletics and academics.

Any successful organization needs outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, became Commissioner in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

For 2009-10, the BIG EAST will undergo one significant change. Tranghese has announced that he will step down from his position on June 30, 2009.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

While BIG EAST basketball games are regular sellouts at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden, attendance figures also are significant in soccer, women's basketball and baseball games.

More than 550 BIG EAST student-athletes have earned all America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last six summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes.
