Notes: Number in parentheses before opponents' name is Irish player/doubles team national ranking at time of match. Number in parentheses after opponents' name is his/their national ranking at time of match. Numbers in parentheses at bottom are career records in each category, sometimes followed by the current streak in that category for the player/team. Third number appearing in some records is number of matches abandoned. Records vs. BIG EAST & Midwest Region do not include matches against Notre Dame teammates. "Close sets" category is player's record in sets decided by two games or fewer. "Close Matches" category in singles indicates player's record in matches where either both player one at least one set or it was a two-set affair with a total difference in games of no more than four. In doubles, it is team's record in doubles matches decided by two games or fewer. "Long Streaks" category gives season- and career-long winning and losing streaks.
