Conference

Notre Dame won the BIG EAST Conference Commissioner's Trophy for women's athletics, signifying the league's top all-around athletics program, every year from 1997-2003.

BIG EAST N

After celebrating its 25th anniversary a year ago, the BIG EAST Conference moves forward in 2004-05 with new members poised to join a conference that gives unequivocal importance to providing student-athletes with opportunities to excel against the nation's best.

nferenc In 2005-06, the league will add five new members: the University of Cincinnati, DePaul University, the University of Louisville, Marquette University and the

University of South Florida.

D

Since opening its doors in 1979, the league has won 24 national championships in six different sports and 122 student-athletes have won individual national titles. The BIG EAST always has been able to boast that some of its best students are also some of its best athletes. More than 300 student-athletes have earned Academic All-America honors

In 2003-04, three BIG EAST student-athletes were named the national scholar-athlete of the year in their respective sports - Connecticut's Emeka Okafor in men's basketball, Notre Dame's Vanessa Pruzinsky in women's soccer and St. John's Chris Wingert in men's soccer.

BIG EAST student-athletes also have continued their success after leaving the classrooms and playing fields. Former Connecticut women's basketball standout Dr. Leigh Curl was inducted into the Academic All-America Hall of Fame in 1999. Former Georgetown men's basketball star Dikembe Mutombo was named a winner of the President's Service Award, the highest honor in the U.S. for volunteer service.

The BIG EAST continued to thrive on the playing fields and in the playing arenas in 2003-04. In basketball, Connecticut won the men's and women's NCAA titles. With the Syracuse men and the UConn women also grabbing NCAA crowns the previous season, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in consecutive seasons. In fact, the BIG EAST has won the last five women's basketball titles.

Also in '03-04, St. John's played in the NCAA men's soccer national championship game while Connecticut made it to the women's soccer final and

Georgetown played in its third women's NCAA lacrosse semifinal in the last four years. Providence placed third in women's cross country and league member Syracuse won the national title in men's lacrosse, though it is not a BIG EAST sport.

Whether it's the student-athletes or the league as a whole, moving proactively has been a consistent strategy for the conference that was formed in 1979.

In the spring of 2001, the BIG EAST added

The Notre Dame men's tennis team celebrated its fourth BIG EAST title in 2004.

women's lacrosse to its growing list of sports. The inaugural women's golf championship was held in the spring of 2003.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse. Seton Hall, Connecticut and Boston College completed the original sevenschool alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad-based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The BIG EAST Conference has enjoyed a leadership role nationally. Its student-athletes own significantly high graduation rates, and their record of scholastic achievement notably shows a balance between

> intercollegiate athletics and academics.

Any successful organization enjoys outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt,

moved into the commissioner's chair in 1990. In his first year, he administered the formation of the BIG EAST football conference.

BIG EAST sports attract the interest of followers in the nation's largest media markets including New York, Chicago, Philadelphia, Boston, Washington, D.C., Pittsburgh and Hartford. When the new schools are added in 2005-06, the BIG EAST markets will contain almost one-fourth of all television households in the U.S.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student-athletes. The conference has long-range television contracts with CBS, ESPN and ABC.

While BIG EAST basketball games are regular sellouts at campus and major public arenas, including the annual BIG EAST Championship in Madison Square Garden, attendance figures also are significant at BIG EAST soccer, women's basketball and baseball aames.

More than 500 BIG EAST athletes have earned All-America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last five summer Olympiads.

The BIG EAST has its headquarters in Providence, where the conference administers to more than 5,500 athletes in 23 sports.

Notre Dame BIG EAST Titles

Since joining the BIG EAST in 1995-96, Notre Dame has won more conference championship titles (57) than any other school:

The National Association of Collegiate Directors of Athletics, USA Today and the United States Sports Academy began sponsorship of the NACDA Directors' Cup competition in 1993-94.

The program, formerly sponsored by Sears, honors institutions maintaining a broadbased program and achieving success in many sports, both men's and women's. The program was expanded in 1995-96 to include Divisions II and III and NAIA.

Each institution is awarded points in a predetermined number of sports for men and women. The overall champion is the institution that records the highest number of points in its division's Directors' Cup standings. The winner receives a Waterford crystal trophy.

The University of Notre Dame achieved its ninth top-25 finish in the 11-year history of the Directors' Cup all-sports competition, finishing 19th in the final standings for 2003-04.

Spring sports play netted the Irish 231 points, thanks to NCAA participation in women's lacrosse (tie for 9th place, 25 points), women's golf (55th, 18 points), men's tennis (tie for 33rd, 25 points), women's tennis (tie for 17th, 50 points), men's golf (tie for 34th, 38 points), softball (tie for 33rd, 25 points) and baseball (tie for 17th, 50 points, based on regional championship appearance).

In just two seasons, Molly Huddle has earned All-America accolades on seven occasions.

Notre Dame placed 19th in the 2003-04 NACDA Directors' Cup competition.

Winter competition meant 275 points for Notre Dame based on NCAA Championship finishes in fencing (3rd place, 85 points), women's track and field (21st, 52 points), women's swimming and diving (25th, 49 points), women's basketball (tie for 9th, 64 points, based on regional semifinal appearance) and hockey (tie for 9th, 25 points, based on regional semifinal appearance).

Fall NCAA competition earned the Irish 199 points based on their 10th-place finish in the NCAA Women's Cross Country Championships (60 points), their secondround appearance in NCAA women's soccer (50 points), their third-round NCAA appearance in men's soccer (64 points, highest total ever in that sport for Notre Dame) and their NCAA first-round women's volleyball appearance (25 points).

Notre Dame, champion Stanford, and Duke (18th) were the three highest-ranked private institutions in the final standings.

In previous years in which the Directors' Cup competition has been held, Notre Dame finished 11th in 1993-94, 30th in 1994-95, 11th

Did You Know?

Notre Dame has finished in the top 25 of the NACDA Directors' Cup nine times in the 11 years of the program. in 1995-96, 14th in 1996-97, tied for 31st in 1997-98, 25th in 1998-99, 21st in 1999-2000, 11th again in 2000-01 and 13th in 2001-02 and 2002-03.

NACDA

Directors' Cu

Twenty-four of Notre Dame's 26 varsity sports have scored points for the Irish in the NACDA Cup competition. Leading the way are the men's and women's fencing programs, which have used nine consecutive top-three finishes at the NCAAs to contribute 716 points since fencing was added to the NACDA Cup in 1995-96. (Only one point total is awarded for men's and women's fencing due to the NCAA

Championships being a combined event.) Women's soccer is next, having contributed 651.5 points, highlighted by six national semifinal appearances and the 1995 national title. It also stands as one of three teams – along with volleyball and softball – to have scored NACDA Cup points in all 11 years. Ten of Notre Dame's sports have contributed points on nine or more occasions, while all but eight have scored points in more than half of the NACDA Cup competitions.

BIG EAST

omposite Schedule

2004-05 BIG EAST Notes

• UCONN THREE-PEATS FOR BIG EAST'S FIFTH NCAA TITLE Connecticut won its fifth overall and third straight national championship with a semifinal victory over Minnesota (67-58) and a title game win over Tennessee (70-61) in New Orleans. UConn (31-4) became the first Division I team to play in five straight Final Fours and is now 4-0 in NCAA title games. The BIG EAST has won each of the last five national championships - UConn (2000, '02, '03, '04) and Notre Dame (2001).

• HUSKIES x 2 Connecticut became the first NCAA Division I school to have both its men's and women's teams win the national title in the same year. While the UConn women earned their fifth title, the men captured their second championship.

TAURASI SHINES IN NEW ORLEANS UConnís Diana Taurasi was named the Most Outstanding Player in the Final Four for the second straight year. The Naismith Player of the Year scored 18 points in the semifinal game and 17 against the Lady Vols. Taurasi joins Cheryl Miller (USC) and Chamique Holdsclaw (Tennessee) as the only players to win the Most Outstanding Player award twice.

 EAST REGIONAL SETS ATTEN-DANCE RECORD The BIG EAST Conference hosted the East Regional at the Hartford Civic Center on March 27 & 29. An East Regional record crowd of 14.855 watched UConn defeat Penn State for a trip to New Orleans. That attendance figure also ranks second all-time for any regional game. The semifinal figure of 14,253 ranks second for an East Regional and the total attendance (29,108) moves into second on the regionals two-session list.

TAURASI EARNS NAISMITH HONOR On March 23, Connecticut senior guard Diana Taurasi became the fifth twotime winner of the Naismith Award. The three-time All-American is the first BIG EAST player to win the award more than once after earning the honor as a junior.

 BIG EAST LED NATION WITH EIGHT NCAA BIDS The BIG EAST Conference was the only league to land eight teams in the 2004 NCAA Division I Women's Basketball Championship. The BIG EAST is only the second conference to accomplish the feat as the SEC placed eight in 1999 and 2002. Boston College, Connecticut, Notre Dame, Miami, Rutgers, Villanova, Virginia Tech and West Virginia all earned bids.

BIG EAST

2004-05 BIG EAST Notes

• SETON HALL IN WNIT For the second straight year, Seton Hall earned a spot in the WNIT. The Pirates defeated George Mason (61-56) in overtime in the first round and lost in OT at Saint Joseph's (68-61) in the second round.

· NOTRE DAME TO TAKE PART IN THE PRESEASON WNIT For the first time since 1996, and only the second time in school history, the Notre Dame women's basketball team will take part in the Preseason Womenis National Invitation Tournament (WNIT). The Irish have been selected to host Illinois State on Friday, Nov. 12 at the Joyce Center in the opening round of the 16-team event.

 CARRYING STREAKS INTO THE 2004-05 SEASON Notre Dame will enter the 2004-05 campaign with a 20-game home winning streak, the eighth-longest active run in the nation and the second-longest in school history. Villanova carries a 13-game home win streak into this season tied for 11th in the nation with Kansas State. Texas owns the longest streak at 36 games

 FOUR BIG EAST PLAYERS NAMED TO WOODEN LIST A total of four BIG EAST women's basketball players have been named to the 30-member team of the Women's John R. Wooden Award Preseason All-America list. Notre Dame's Jacqueline Batteast, Rutgers' Cappie Pondexter and Connecticut's Ann Strother and Barbara Turner are all candidates for the Wooden Award, which honors the national player of the year. The Wooden Award will be presented on April 9 at The Los Angeles Athletic Club and will be televised live on CBS. Last year marked the first season in which a Wooden women's national player of the year was selected.

 BIG EAST HAD MOST POSTSEA-SON SQUADS - AGAIN! The BIG EAST Conference had 19 men's and women's teams participating in postseason play this year, more than any league in America. In addition to the eight women's NCAA bids and the WNIT berth, the men had 10 teams continue their seasons. The BIG EAST was one of three conferences to place six men's teams in the NCAA Championship. Additionally, four teams were chosen for the NIT. This marks the second straight year the BIG EAST led the nation in combined men's and women's postseason bids, having earned 19 last year as well.

• THE BIG EAST IS LESS TWO TEAMS Miami and Virginia Tech left the BIG EAST for the Atlantic Coast Conference at the end of the 2003-04 academic year. Miami began competing in the BIG EAST in 1991-92. Virginia Tech's first basketball season in the league was 2000-01.
