## Byron V. Kanaley Award

Perhaps the most prestigious honor awarded to Notre Dame student-athletes is the Byron V. Kanaley Award. Presented annually since 1927, the Kanaley Award goes to senior monogram student-athletes who have been most exemplary as students and leaders.

The awards, selected by the Faculty Board on Athletics, are named in honor of Byron V. Kanaley, a 1904 Notre Dame graduate who was a member of the baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University in the Notre Dame Alumni Association as a lay trustee from 1915 until his death in 1960.

Four-year monogram recipient **Shannon Byrne** was the first Irish women's golfer to earn the Kanaley Award in 2004, while three-time Academic All-American **Ashley Armstrong** became the program's second and most recent honoree in 2015.

## Clover Cup

Since 2012, the University of Notre Dame women's golf program has co-hosted the Clover Cup with the Longbow Golf Club in Mesa, Arizona, plus generous support from Visit Mesa ([visitmesa.com](http://visitmesa.com)).

During the first four years of the event, the Irish have finished in the top five all four times, including runner-up placements in 2014 and 2015 at their only "home" tournament of the season.

Last year, Notre Dame posted its second consecutive runner-up finish in the 15-team field. Junior **Talia Campbell** was the top Irish individual at the tournament, placing fourth at 217 (+1).

"It's tough to find much wrong

about a second-place team finish and Talia played really well on a very challenging course," head coach **Susan Holt** said. "We are so thankful to the staff at Longbow (Golf Club) and Visit Mesa, as well as all of the participating teams, who helped make the Clover Cup such a great tournament experience again this year."

In addition to tying their best Clover Cup finish, the Irish also reached out to the local community while in Mesa for spring break. The coaches and players went to Cardon Children's Hospital, and the morning away from golf gave them an opportunity to spend a few hours with patients in the activities center.

"We played board games, air hockey, basketball, putt putt golf and colored pictures. It was a great time for us being able to help the kids forget about their troubles and put smiles on their faces," Holt said. "Our student-athletes are very active in the South Bend community with various outreach programs and to be able to give back to the Mesa community that is so supportive of our golf tournament is something we are very happy to do."

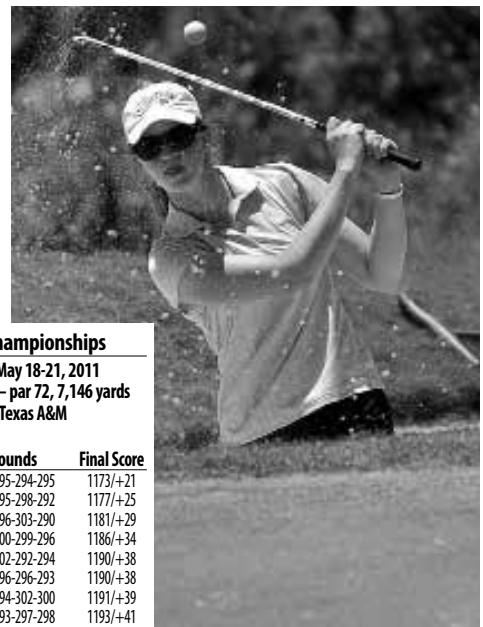

In her final tournament at Notre Dame, senior So-Hyun Park concluded her Irish career with her best round of the NCAA Championships (75, +3) to finish at 318 (+30).

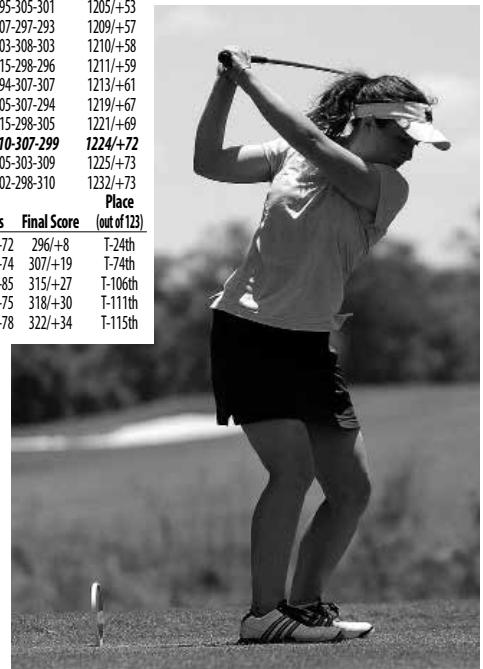

One of two freshmen to play for Notre Dame in the program's first NCAA Championships appearance, Kristina Nhim carded a 78 in the final round to finish at 322 (+34).
