Women's lacrosse begins its 12th season as the 20th sport sponsored by the BIG EAST Conference. Connecticut, Georgetown, Rutgers and Syracuse, along with Notre Dame, began conference play in the spring of 2001. Loyola (MD) began its first season as an associate member in 2006. In 2009, the conference welcomed Cincinnati and Louisville as they began full-time play. The Villanova Wildcats brought the league's roster to nine teams in 2010.

The teams will play a round-robin schedule against each of the other eight teams. The BIG EAST Tournament will be played for the fifth time this spring with Georgetown serving as host. The tournament winner receives the automatic bid into the NCAA Tournament. Notre Dame has competed in the BIG EAST Conference since 1995-96 in most of its 26 sports.

Exceptional Education

Since its founding, Notre Dame has stressed mixing academics with faith and has done so while becoming one of the top institutions of higher learning in the nation. Featuring five undergraduate colleges (Arts and Letters, Science, Architecture, Engineering and Business), the First Year of Studies, the Graduate School and the Law School, the University finds itself attracting some of the top students and faculty in the country. Students also participate in cutting edge research and diverse study abroad opportunities, enabling Notre Dame to offer one of the top academic experiences in the world.

First Year of Studies

The First Year of Studies program provides all first-year students with the opportunity to gain a wide-ranging liberal arts background before choosing a specific major within Notre Dame's five undergraduate colleges. A progressive advising program for all student-athletes enables the University to follow the academic progress of all student-athletes on a regular basis. Key to the program is the fact that it is not run by the athletics department but by the University administration.

Student-Athlete Success

Notre Dame expects the best out of its student-athletes just as it does of every other student on campus. Notre Dame has had unprecedented academic success among its athletes, consistently ranking among the top NCAA Football Bowl Subdivision schools in graduation rates and academic progress. With more Academic All-Americans than any other school since 2000, Irish athletes have shown themselves capable of performing in the classroom while competing on the field at an elite level.

14

Notre Dame was one of only 10 institutions with more than half its programs achieving a 100 percent graduation rate and no other school saw more than 80 percent of its programs achieve a perfect score.

1

According to 2009 NCAA Graduation Success Rate results, Notre Dame ranked first in the nation in graduation rates among all student-athletes (99 percent), male student-athletes (98 percent), female student athletes (100 percent), black student-athletes (97 percent) and football student-athletes (96 percent).

Sports Medicine

While no athlete plans on an injury, Notre Dame is prepared with one of the top sports medicine teams in the country to help keep its athletes fit and ready to compete. With training facilities in the Joyce Center, Notre Dame Stadium and the Guglielmino Athletics Complex, the training staff is always there to care for athletes. With approximately 225 years combined experience on the full-time staff, Notre Dame also boasts a partnership with the renowned South Bend Orthopaedics to provide first-class care.

Sports Nutrition

Notre Dame has incorporated Erika Whitman, a full-time sports dietitian, as a part of its Strength and Conditioning staff. Whitman continually provides accurate and up-to-date nutrition education to student-athletes and coaches. Including nutrition as an integral component of all training programs enables Irish athletes to achieve optimal health and maximize performance.

1

Notre Dame is one of only 17 Football Bowl Sub-division schools to employ a full-time sports dietitian in its athletics department.

Strength and Conditioning

The task of keeping athletes in top physical condition is up to the strength & conditioning staff. The strength and conditioning staff knows the demands of competing on an elite level and is committed to ensuring Irish athletes are always in the best possible condition. From weight lifting to wind sprints and from warming up to cooling down, the strength and conditioning staff has every aspect covered.

10

Full-time employees working with Irish varsity athletes. Notre Dame's Olympic sports teams are led in the weight room by director of strength and conditioning Tony Rolinski and his staff.

The University of Notre Dame

When Father Edward F. Sorin started his school in the northern Indiana wilderness, he had only \$300, three log buildings badly in need of repair and a far-sighted vision of establishing a liberal arts school to meet the growing educational needs of the frontier. He dreamed of building a great university, and in 1842, he founded the University of Notre Dame du Lac.

Over the years, the University of Notre Dame du Lac would evolve into a preeminent place for Catholic thought. While becoming one of the top undergraduate institutions in the country, Notre Dame has also been at the cutting edge of research, including such innovations as the transmission of wireless messages and the development of synthetic rubber. The University also has stressed residential life, with four of five students living on campus. Students come to Notre Dame not only to learn how to think, but to learn how to live, keeping faith with the vision of Father Sorin.

1842

The University of Notre Dame was founded by Rev. Edward F. Sorin, C.S.C., as an independent, national Catholic university adjacent to South Bend, Ind., on St. Mary's and St. Joseph's Lakes.

Notre Dame is one of a handful of universities with a truly international student body, coming from more than 100 nations and all 50 states. The most recent freshman class featured 89 percent of students in the top 10 percent of their high school class. In addition, there are no fraternities or sororities at Notre Dame, with the school's 28 residence halls housing more than 80 percent of the student body, serving as the focal point of social, religious and athletic activities.

Jack Swarbrick

Director of Athletics

John B. "Jack" Swarbrick Jr., a University of Notre Dame graduate who rose to national prominence as a lawyer, consultant and executive in the collegiate and Olympic sports industries, is in his third year in 2010-11 as director of athletics at his alma mater.

Among Swarbrick's athletics initiatives are meeting the performance needs of Notre Dame student-athletes through establishment of a new sports performance division, reaching out to more former Irish student-athletes via the Notre Dame Monogram Club and other programs, utilizing emerging digital technologies to deliver better information on and access to Notre Dame athletic programs via expanded production and distribution of programming, and restructuring Notre Dame's approach to sport administration through assignment of a unique administrator to each of the 26 Irish sports.

The past two years combined in Notre Dame athletics have featured 68 All-Americans, 14 Academic All-America selections and four NCAA Post-Graduate Scholarship winners; record involvement in community service hours by Irish student-athletes; NCAA runner-up team finishes in 2010 men's lacrosse,

2009 fencing and 2008 women's soccer; NCAA semifinal appearances in 2009 and 2010 women's tennis and 2009 women's soccer, plus a 2010 third-place fencing finish; the hiring of new Irish head football coach Brian Kelly to start the 2010 season; the decision to build a new, freestanding ice hockey arena, scheduled to open for the 2011-12 season, plus the 2009-10 dedications of new facilities for soccer and lacrosse – as well as opening of the new Purcell Pavilion within the south dome of the Joyce Center, and 15 BIG EAST Conference titles along with four other league crowns in hockey, men's lacrosse and fencing.

Notre Dame ranked number one in the country (among Football Bowl Subdivision schools) in the two most recent Graduation Success Rate (GSR) surveys -- in 2009 with a 99 (including a 97 score in football that also ranked number one).

Born in Yonkers, N.Y., and raised in Yonkers and Bloomington, Ind., Swarbrick is a 1976 magna cum laude graduate of Notre Dame with a bachelor's degree in economics. Upon graduating from Stanford University Law School in 1980, he returned to Indiana to accept a position as an associate in the Indianapolis law firm Baker & Daniels. He made partner in 1987 and spent 28 years overall with the firm.

As a member of the Indiana Sports Corporation, including the chairmanship from 1992 to 2001, Swarbrick led most of the city's successful proposals to a wide array of athletics organizations – from the National Football League to the United States Olympic Committee to the Big Ten Conference. His leadership efforts resulted in the city earning the right to play host to the 2012 Super Bowl in Indianapolis at Lucas Oil Stadium; becoming the home of the National Collegiate Athletic Association national headquarters in 1999; hosting the 1987 Pan American Games, 1991 World Gymnastics Championships, NCAA Men's Basketball Final Fours and other college championship competitions and an array of national and world championships in Olympic sports.

Swarbrick's practice at Baker & Daniels focused on the representation of owners of sports teams and organizations that sanction or conduct athletic competitions. He served as general counsel for numerous national governing bodies of Olympic sports, including USA Gymnastics and USRowing, and as a consultant to the 1996 Summer Olympic Games in Atlanta.

In his work as an advisor to the NCAA, Swarbrick coordinated the men's College Basketball Partnership, an NCAA-led group that addresses the opportunities and challenges in the sport, and developed the business plan for the new NBA/NCAA youth basketball enterprise, iHoops. In 2000 Swarbrick received one of the NCAA's highest honors, The Flying Wedge Award, for his work in establishing Indianapolis as the new home of the NCAA. In 2001 the State of Indiana presented him with the Sagamore of the Wabash Award.

Born March 19, 1954, Swarbrick was named Notre Dame's 12th athletics director on July 16, 2008. He and his wife, Kimberly, are the parents of four children: Kate, a 2010 graduate of St. Louis University; Connor, a senior at Wake Forest University; Cal, a freshman at TCU; and Christopher, a high school senior.

Homes of the Fighting Irish

In the midst of a master plan that will touch nearly every varsity team, Notre Dame has shown its commitment to providing athletes with the best possible facilities to help them compete on a national level. From new facilities to the extensive renovation of existing ones, Notre Dame is committed to giving Irish athletes every edge imaginable. The plan will result in a drastically altered footprint on the south-east corner of campus, creating an athletics quad that will give every Irish athlete a place they will be proud to call home.

6

New facilities which have opened their doors in the past five years, including the Guglielmino Athletics Complex (housing football offices and locker room, a new weight room and new sports medicine facilities), the LaBar Practice Complex (featuring two Field Turf fields and one natural grass field) and Melissa Cook Stadium (home of the Irish softball team). Three facilities opened during the 2009-10 school year: Alumni Stadium (home to men's and women's soccer), Purcell Pavilion (renovation and expansion of men's and women's basketball arena) and Arlotta Family Stadium (home of men's and women's lacrosse).

26.3

Million dollars spent on Purcell Pavilion for additions and renovations to the Joyce Center Arena. Purcell Pavilion at the Joyce Center features a three-story addition with club seating, a hospitality area, additional area for restrooms and concessions, as well as new space for the Varsity Shop and the Notre Dame ticket office.

3

Facilities which are still on the master plan to create a comprehensive athletic quad. The hockey program, the tennis squads and the rowing team all will receive new facilities in the near future.

Championship Teams

Notre Dame prides itself on competing with the best in every sport it fields. Eight different programs have won national championships since Notre Dame began its first varsity team, football in 1887. With more consensus national championships in football than any other school, other programs have begun to emerge on the national scene in the 15 years since Notre Dame joined the BIG EAST Conference.

8

Conference championships won by Irish teams during the 2009-10 year (six BIG EAST plus two Midwest Fencing Conference championships).

Irish in the Community

In addition to academic success, Notre Dame emphasizes giving back to the community as well. Notre Dame athletes have participated in countless service projects through the years, benefiting the Notre Dame and South Bend communities and beyond. Team and individual projects have allowed Irish athletes to see the positive impact they have in the lives of others and learn how to use their talents to benefit those in their communities.

6,000

Hours of community service completed by Notre Dame student-athletes during the 2009-10 school year.

5,000

An Exclusive Club

The Notre Dame Monogram Club was founded by athletics director Jesse Harper in 1916 to bring together varsity letterwinners to promote spirit, unity, leadership and sportsmanship. Today's active members help keep past athletes connected to Notre Dame and the current student-athletes. In addition to helping contribute to scholarships, the Monogram Club has helped contribute to new facilities, especially the renovation of Heritage Hall and the Monogram Room, located in the Joyce Center.

2

Post-Graduate scholarships awarded by the Monogram Club in 2010. Men's basketball's Tim Andree and women's tennis' Cosmina Ciabanu earned the second annual grants. Andree will begin law school in the fall while Ciabanu will attend medical school in California.

2.5

Million dollars which have been contributed to the Brennan-Boland-Riehle Scholarship fund, which benefits the children of former Notre Dame athletes who attend the University.

Notre Dame's Neighbor

Located adjacent to South Bend, Ind., the University of Notre Dame has always acknowledged its place in a greater community. Sitting between South Bend and Mishawaka in northern Indiana, Notre Dame has benefited the area in ways unimaginable, especially when it comes to Notre Dame football weekends. It is estimated that the average football weekend brings approximately \$6.2 million dollars to the surrounding community. In addition to the financial aspect, Notre Dame feels truly invested in the surrounding community, with students participating in countless service projects to benefit the greater South Bend area.

Arlotta Stadium

Arlotta Stadium is the new home of the Notre Dame men's and women's lacrosse teams and what a home it is as it ranks among the top lacrosse facilities in the nation.

The state-of-the-art facility was dedicated on October 17, 2009 and the women's team played its first game there on March 7, 2010, dropping a 12-8 decision to Dartmouth.

The women would win their first game at the new home of Irish lacrosse on March 27, as they knocked off Louisville, 11-9, in a BIG EAST contest.

Arlotta Stadium was the site of an historic game for Tracy Coyne's team as the Irish recorded the first shutout in Notre Dame and BIG EAST history when they blanked Villanova, 16-0, on April 9.

Construction on the facility began in August of 2008. The new stadium is a 2,000-seat, lighted playing venue that includes an artificial-turf field, spacious locker rooms and player lounges, rest rooms and concession areas.

The state-of-the-art facility is named after Notre Dame graduate John Arlotta, president and chief executive officer of Denver-based Coram Inc. He and his wife, Bobbie, pledged the lead gift toward the stadium to be built to the east of the Joyce Center as part of the University's new athletics quadrangle. The Arlotta children - Mindy, Andy and Jon - also pledged an additional gift from The Arlotta Family Foundation toward the project. In addition to their generous donation, alumni and friends of the lacrosse programs have donated over two million dollars.

The new stadium replaces Moose Krause Stadium where the Irish women's team played for the first 13 years of the program along with indoors at the Loftus Sports Center.

The Loftus Sports Center will combine with the new Arlotta Stadium to give the University of Notre Dame some of the top lacrosse facilities in the country.

Constructed in 1988, it is one of just six indoor facilities in the country that plays host to Division I women's lacrosse games.

The Loftus Center and the Guglielmino Athletics Complex provides Notre Dame with one of the top multi-purpose indoor facilities in the nation. Complete with the 120-yard synthetic turf Meyo Field, six-lane 352-yard Mondo indoor track and a 9,000-square-foot weight room, it is used by several Irish athletic programs.

The building is named after John R. Loftus of St. Charles, Ill., a 1949 graduate of the University. Loftus is chief executive of JRL, a real estate, investment and construction firm. Loftus is also a member of the Notre Dame Monogram Club, having

The Isban Auditorium within the new Guglielmino Athletics Complex provides an ideal setting for team meetings. The auditorium can seat up to 150 people in large chairback seats.

The Haggag Fitness Center, which is shared by both the Loftus Center and the Guglielmino Athletics Complex, features 25,000 square feet of strength and conditioning space with state-of-the-art weight equipment, a 50-yard Mondo track for speed training, a 45-yard by 18-yard Prestige Turf athletic surface for team workouts and an updated sound and lighting system that features six plasma television screens.

The Loftus Sports Center, one of the six indoor facilities in the country that plays host to Division I women's lacrosse games, is the home of the Notre Dame Fighting Irish women's games when inclement weather precludes them from being contested at Moose Krause Stadium.

played on the varsity basketball team in 1944, 1948 and 1949.

The Meyo Field in the Loftus Center offers Irish lacrosse a 55-by-110 yard synthetic turf playing surface. It was revamped in the summer of 2003 with the addition of Prestige field turf. The field and surrounding track are named for Ray and Marie Meyo of Brecksville, Ohio. Meyo, who graduated from Notre Dame in 1964, is president and chief executive officer of Telxon Corp. in Akron, Ohio, the world's largest manufacturer of portable tele-trans-action computers.

The Meyo Field is permanently marked for men's and women's lacrosse competition and is used as a backup site for games in the event of inclement weather. The Irish have played several contests in the Loftus Center.

In addition to the Meyo Track and Field in the Loftus Center, the Irish lacrosse squad also benefits from the Haggag Fitness Center located in the "Gug" as the Guglielmino Athletics Complex is known, which opened in the spring of 2005. Equipped with more than 40,000 pounds of free weights, it is four times the size of the weight room in the Joyce Center. It is considered by national strength coaches to be one of the largest, and finest, college training facilities in the nation.

The Irish women's lacrosse program has benefited from the Loftus Sports Center since the program began and had a 62-29 (.681) home record from 1997 and 2009 between Loftus and Moose Krause Stadium, including a perfect 9-0 mark during the 2006 season.

The women's team was 4-2 in its first season at the state-of-the-art Arlotta Stadium in 2010.

Loftus Sports Center saw its first women's contest on March 18, 1998, a 15-6 loss to Colgate. Heading into the 2011 season, the Irish are 25-8 (.758) all-time in games played at the Loftus Center.

ARLOTTA STADIUM: The Notre Dame women's lacrosse team played its first-ever game at Arlotta Stadium on Sunday, March 7, 2010 and the final results weren't quite what the Irish were looking for as they dropped a 12-8 decision to No. 20 Dartmouth. The state-of-the-art facility is named after Notre Dame graduate **John Arlotta**, president and chief executive

officer of Denver-based Coram Inc. He and his wife, **Bobbie**, pledged the lead gift toward the stadium. The **Arlotta children - Mindy, Andy and Jon** - also have pledged an additional gift from The Arlotta Family Foundation toward the project. In addition to their generous donation, alumni and friends of the men's and women's lacrosse programs have made significant contributions. The stadium was dedicated on Oct. 17, 2009. The previous afternoon, the Notre Dame men's lacrosse team defeated the Iroquois National Team, 14-8, in the first game played at Arlotta Stadium. The stadium features over 2,000 permanent seats, lights, an artificial-turf field, locker rooms, team lounges, restrooms and concession areas. On the season, the Irish were 4-2 in their first year in their new on-campus stadium.

CAPTAINS: Seniors **Shaylyn Blaney** and **Jackie Doherty** have been selected team captains for the 2011 season. Blaney served as a team captain last season as a junior and led the team with 40 goals while being third on the team with 43 points. A three-time all-BIG EAST selection, Blaney has been chosen as a second team IWLCA All-American twice in her career. Doherty is the team's top defensive player and is coming off a junior year that saw her win the team's top defensive player award while being selected first team all-BIG EAST and first team IWLCA All-American. Doherty led the Irish in ground balls (53) and caused turnovers (40) while being second on the team with 30 draw controls.

CAN'T BEAT HILLING: Freshman goalkeeper **Ellie Hilling** set a Notre Dame record during the 2010 season when she blanked opponents for a total of 98:33 consecutive minutes between April 5 and April 11. Her streak started versus Loyola on April 5 when she held the Greyhounds off the scoreboard over the final 4:38 of an 11-10 win. On April 9, the Rochester, N.Y., native shutout Villanova, 16-0, over 60 minutes to

increase her string of scoreless goalkeeping to 64:38. The shutout was the first in Notre Dame history and the first ever in BIG EAST play. On April 11, Hilling's streak continued as she shutout Syracuse for the entire first half and then 3:55 of the second half before the Orange broke through in a 6-5 Notre Dame win. The 33:55 gave the Irish goalkeeper a total of 98:33 of shutout goalkeeping.

CLASSY CLASS: Head coach Tracy Coyne's eight-member freshman class was ranked as the fourth-best freshman class in the nation by *Inside Lacrosse* in the magazine's September of 2010 issue. Three members of the class were ranked among the top 25 freshmen in the country - midfielders **Kaitlyn Brosco** (Shoreham, N.Y.), **Margaret Smith** (Westminster, Md.) and **Grace Dooley** (Chicago, Ill.) with a fourth midfielder, **Molly Shawhan** (Fulton, Md.) named to the magazine's "Watch List," that listed 40 other top women's lacrosse freshmen who will play their first Division I season this spring. Ranked ahead of the Irish in the team rankings were Georgetown, North Carolina and Maryland while Northwestern, Syracuse, Virginia, Duke, Penn State and Johns Hopkins rounded out the top 10. Brosco was listed as the number three freshman, Smith, seventh and Dooley, 23rd overall.

CRADLE OF COACHES: Both of head coach Tracy Coyne's assistant coaches from the 2010 season have moved on to become head coaches of Division I lacrosse teams. **Kateri Linville**, who served as an assistant to Coyne for five years (2005-10) has returned to her alma mater, the University of Delaware, to take over as that program's head coach. **Meredith Simon Black '04**, a three-year assistant on Coyne's staff (2007-10), was married in October and moved to California where she became an assistant coach at the University of California. She already has been selected as the first head coach at Marquette University and will begin that job in 2012 when the Golden Eagles begin their new program. Along with Simon, eight other former Coyne players (including current Irish assistant **Crysti Foote '06**) are now involved in coaching at the high school or collegiate level.

DOUBLE-DIGIT WINS: Notre Dame's 11-win season in 2010 gives the Irish five consecutive seasons with double-digit wins for the first time in the program's 15-year history. Over the last five seasons, the Irish are 65-29 (.691).

LONGEST GAME: Notre Dame and Syracuse played the longest game in BIG EAST history on May 6, 2010 when the two teams played four overtimes (72:58) in the semifinals of the BIG EAST Tournament with the Orange winning the game, 12-11. The Irish trailed 4-0 in the game before rallying to lead, 7-5, at halftime. The teams traded goals in the second half with Syracuse taking a 9-8 lead with 4:26 left. Goals by Shaylyn Blaney (3:26) and Megan Sullivan (00:27) gave the Irish a 10-9 lead only to see Halley Quillinan tie the game with 12 seconds left. In the first overtime, Blaney and Quillinan traded goals and the score stayed tied at 11-11 until the 2:02 mark of the fourth overtime when Christina Dove scored the game winner. For the year, the Irish played four overtime games and were 2-2 in those contests. In this, the 15th season of the program, Notre Dame has played 19 overtime games and is 8-11 all-time.

NAIL BITERS: One thing that can be said about the 2010 Notre Dame women's lacrosse team is that they kept fans on the edge of their seats. In 11 of the team's

Freshman goalkeeper Ellie Hilling started all 18 games for the Irish, going 11-7 on the year. She had a 9.69 goals-against average and turned in a 98:33 minute shutout streak from April 5 to April 11. Included in that streak was a the first shutout in Notre Dame and BIG EAST history, a 16-0 whitewashing of Villanova.

18 games last year, the Irish had four overtime games, eight games decided by one goal and 11 decided by two goals or less. In overtime, the Irish were 2-2. They were 5-3 in one goal games and 7-4 in games decided by two or less. In the BIG EAST Tournament, the Irish dropped a 12-11, four overtime game to Syracuse in the semifinals. That game was decided after 72:58, the longest game in Notre Dame history and the longest in the history of the BIG EAST Tournament.

NEW FACES: Head coach **Tracy Coyne** has two new assistant coaches this season as they replace **Merideth Simon '04** and **Kateri Linville**, who have moved on to head coaching positions at Marquette (in 2012) and at Delaware respectively. Replacing them are former Irish All-American **Crysti Foote '06** and **Nick Williams**, a former standout lacrosse and football player at Towson. Foote, who helped lead Notre Dame to its only appearance in an NCAA women's lacrosse Final Four joined Coyne's staff in July after spending last season working on her Masters Degree at Long Island University. She has been an assistant coach at Drew University and Columbia since graduating. A member of Canada's national team and a veteran of two World Cups ('05, '09), Foote was a two-time All-American and a Tewaaraton Trophy finalist in 2006. She owned virtually every offensive record for the Irish upon her graduation. Williams also joined the staff in July after one season as an assistant coach at Towson. A two-sport athlete at Towson, Williams was a four-year member of the lacrosse and football teams. In lacrosse, Williams helped the Tigers to a pair of CAA titles and in football is the program's fifth leading rusher. He will work with the Irish defense and the goalkeepers while Foote works with the attack.

NCAA APPEARANCES: With its 2010 NCAA Tournament appearance, Notre Dame advanced to the tournament in three consecutive seasons for the

first time in the program's history. The 2010 appearance marked the sixth trip for the Irish in the last nine years. The Irish participated in 2002, 2004, 2006, 2008, 2009 and 2010. Last season, the Irish dropped a 19-7 first-round game at Northwestern. The 2009 appearance featured a first round home win over Vanderbilt (19-13) before the Irish dropped a 16-10 decision to North Carolina at Chapel Hill, N.C. The 2008 season saw the Irish open with a first round game at Evanston, Ill., where they dropped a 15-7 decision to top-ranked Northwestern. In 2006, Notre Dame defeated Cornell in the first round, 16-8, then defeated BIG EAST rival, Georgetown, 12-9, in the quarterfinals with both games played at home. In their first-ever Final Four appearance, Notre Dame dropped a 14-8 decision to Dartmouth to end the season. In 2004, the Irish lost in the first round at Northwestern by a 10-8 score. In 2002, the Irish advanced for the first time, defeating Ohio State at Moose Krause Stadium, 11-7, before losing to top-ranked Princeton, 11-5, in the quarterfinals.

PRESEASON BIG EAST HONORS: Three members of the 2011 Notre Dame women's lacrosse team were selected to the preseason all-BIG EAST team. Seniors **Kailene Abt**, **Shaylyn Blaney** and **Jackie Doherty** were selected to the team with Blaney and Doherty being unanimous selections by the league's coaches. Abt was a second team all-BIG EAST selection in 2010 as she finished fourth in scoring with 29 goals and 10 assists for 39 points. She was a second team IWLCIA all-West/Midwest selection for the first time in her career. She was third on the squad with 29 draw controls and had a career-best 19 caused turnovers while grabbing 23 ground balls. Blaney was a first team all-BIG EAST selection last year and made her third appearance on the all-BIG EAST roster (second team in 2008 and first team in 2009). A two-time second team IWLCIA All-American, she had 40 goals with three assists for 43 points while leading the team

Season Preview

with 37 draw controls. She added 36 caused turnovers and was third with 36 ground balls. Doherty rounds out the trio as she is coming off a junior year that saw her named first team all-BIG EAST and a first team IWLC A All-American. The winner of Notre Dame's 2002 Award as the team's top defender, Doherty led the Irish in ground balls (53) and caused turnovers (40) and was second in draw controls (30). Her 2.22 caused turnovers per game and 2.94 ground balls were tops in the BIG EAST in 2010.

RECORD TURNAROUND: Notre Dame's dramatic turnaround from 2005 (3-12) to 2006 (15-4), a +10 differential, is the largest turnaround in NCAA women's lacrosse history, according to the NCAA record book. The previous biggest changes were seven-game turnarounds by American University (0-14 in 1996 to 8-8 in 1997) and Holy Cross (4-12 in 2000 to 13-7 in 2001). Notre Dame also turned the tables in BIG EAST play, going 4-1 that season, finishing second after going 1-4 in 2005 for a fifth-place finish.

SISTER ACTS: The Notre Dame women's lacrosse program has a long history of sisters playing for coach Tracy Coyne. This season, Coyne welcomes her ninth set of sisters to play for the Irish as junior midfielder **Megan Sullivan** is joined by her younger sister, **Lauren**, a freshman. The Sullivan's join eight other sister duos to play at Notre Dame in the 15-year history of the program. - **Maggie '10** and **Lena Zentgraf '07**, twin sisters, **Heather** and **Lindsey Ferguson '08**, **Julie '08** and **Crysti '06 Foote**, **Lauren '09** and **Meghan '06 deMello**, **Kelly** and **Kristen Gaudreau '04**, **Carol '06** and **Angela '03 Dixon** and **Mary '06** and **Annemarie McGrath**. They are among 48 Division I players, selected by a panel of coaches from around the country, eligible for women's collegiate lacrosse's top player award. Blaney makes her third consecutive appearance on the list after appearing last season with **Gina Scioscia '10** and in 2009 with **Jillian Byers '09**, who went on to become Notre Dame's second finalist for the award last year. Previously, Byers was named to the "Watch List" in 2008 along with **Caitlin McKinney '08** who also was named in 2007. The Irish have now had eight players selected to the "Watch List" as Blaney, Byers, Doherty,

McKinney and Scioscia join **Crysti Foote '06**, **Meredith Simon '04** and **Danielle Shearer '03** as Irish players named to the "Watch List." THE PLAYMAKER: Junior attack standout **Maggie Tamasitis** moves into the role of top playmaker for the Irish this season due to the graduation of **Gina Scioscia '10** who is the only player in the program's history with over 100 goals (116) and 100 assists (106). Tamasitis has already proven to be quite the passer as she enters her third season at Notre Dame with 33 goals and 46 assists. As a sophomore she was second on the team in scoring with 18 goals and 26 assists for 44 points. Her 46 career assists already ranks her ninth on Notre Dame's all-time list after just two seasons. Tamasitis also enters the 2011 season with an 18-game, point streak as she scored at least one point in every game of her sophomore year.

Sophomore Maggie Tamasitis was second on the team in scoring in 2010 with 18 goals and 26 assists for 44 points. She enters the 2011 season ranked ninth on the all-time assist list with 46 in her career.

Veteran Leadership And Youthful Enthusiasm To Guide Irish In 2011

Notre Dame women's lacrosse celebrates 15th season, looking to build on the success of the past five years.

The Notre Dame women's lacrosse team begins its 15th season of play on the Division I level on Feb. 11 when the Irish open the campaign on the road with the University of California Bears in Berkeley, Calif.

After 14 seasons, coach Tracy Coyne's program has become one of the most consistent programs in the nation. Since 2006, Notre Dame has put together five consecutive winning seasons, going 65-29 (.691) in that span, with a BIG EAST championship (2009), a trip to the NCAA Final Four (2006) and NCAA Tournament appearances in four of the five seasons, including each of the last three years.

Notre Dame was 11-7 in 2010 with a 6-2 record in the BIG EAST, good for a second place tie with Syracuse. In the BIG EAST Tournament, the Irish played one of the most memorable games in the league's history, going to four overtimes before falling to the Orange, 12-11, in the longest game in school and conference history.

A third consecutive trip to the NCAA Tournament, a first for the program, pitted the Irish on the road at Northwestern where the season ended in a 19-7 loss. They finished the year ranked 12th in the final IWLCA coaches' poll.

That brings us to the 2011 campaign, one that Coyne and her coaching staff start with guarded optimism. As in any college sport there are changes that occur from year-to-year as players graduate and move on.

In Notre Dame's case, Coyne not only has to replace three regulars in her playing lineup but also a pair of assistant coaches who have moved on to new positions.

Kateri Linville, who ran the Irish defense for five seasons, is now the head coach at her alma mater, the

University of Delaware. Meredith Simon Black '04, a three-year assistant, was married in the offseason and moved to California where she is serving as an assistant at Cal this season. She will become the first head coach at Marquette when the Golden Eagles begin their program in 2012.

On the field, the Irish will have to replace All-American attack standout Gina Scioscia, all-BIG EAST defender Rachel Guerrera and valuable midfielder Maggie Zentgraf as all three graduated.

Scioscia finished her career with 222 points and is the only player in school history to have over 100 goals and 100 assists and is fourth on the school's all-time scoring list. Guerrera was a tough, tenacious defender who started for three seasons on the Notre Dame back line. Zentgraf was a team leader on and off the field and a contributor off the bench in her career.

Finding players to replace those three shouldn't be difficult for Coyne and her staff that includes new assistants - former Irish women's lacrosse standout Crysti Foote '06 and Nick Williams, who joins the Irish after serving as an assistant at Towson in 2010. Kassen Delano '04 returns for her third season as the volunteer assistant coach.

The Irish return a strong, talented senior class to go with a talented group of juniors and sophomores. Add to the mix, a seven-player freshman class that was ranked fourth in the nation by *Inside Lacrosse* in the magazine's fall rankings of incoming freshmen and it's easy to see why the Irish are excited about the coming year.

"I really think that this team will be better than last year," says Coyne.

"This will be the fastest team that we've ever had. We have two great senior leaders and a group of seven seniors who are totally committed to the team and what we are doing. This is the best senior leadership that we've had since 2004. It's a big class and everyone is contributing."

As with any team, the first step to success comes in the goal and the Irish have a pretty good one in 5-2 sophomore **Ellie Hilling** (Rochester, N.Y.) who begins her second season as the team's top goalkeeper.

As a freshman, Hilling started all 18 games, playing all but 2:19 minutes of the season and was 11-7 with a stellar 9.69 goals-against average and a .421 save percentage. In her rookie year, Hilling relied on her quickness and athleticism to make plays. This season, she will be able to add experience to her resume as she learned a great deal in year one.

Included in Hilling's rookie season was the first-ever shutout in Notre Dame and BIG EAST history (16-0 versus Villanova on April 9) and a 98:33 minute streak without giving up a goal between April 5 and April 11. In that string, she followed the blanking of Villanova by shutting out Syracuse for the first 30 minutes in a 6-5 upset of the seventh-ranked Orange.

As a freshman, Hilling was the only goalkeeper on the roster. In 2011, sophomore **Adele Bruggeman** (Cincinnati, Ohio) joins the Irish as her back up. Bruggeman continues to make the transition to the Division I game and was able to get playing time in the fall and will provide a solid backup in goal.

"We are definitely strong in goal with Ellie (Hilling)," says Coyne. "She's athletic, has quick hands and the ability to read the play and react. Ellie learned a lot as a freshman and that will benefit her this season."

Hilling will rely on a veteran group on defense in front of her that will be led by returning senior starters

All-American candidate Jackie Doherty anchors the Notre Dame defense. One of the nation's premier players, Doherty has the ability to change a game because of her quickness and instincts in the defensive zone.

Jackie Doherty (Ellicott City, Md.) and **Lauren Fenlon** (Dayton, Md.). Joining the senior duo in the defensive rotation will be juniors **Kate Newall** (Middlesex, England), **Jordy Shoemaker** (Andover, Mass.) and **Kristin DeRespiris** (Locust Valley, N.Y.), sophomores **Emily Conner** (Alexandria, Va.) and **Michelle Tremblay** (Tonka Bay, Minn.) and freshmen **Margaret Smith** (Westminster, Md.) and **Kristen Cousins** (Glen Ridge, N.J.).

In Jackie Doherty, the Irish have one of the top defensive players in the nation. The senior was a first team IWLCA All-American and a first team all-BIG EAST selection in 2010 and is a preseason all-BIG EAST pick this year. A team captain this season along with Shaylyn Blaney, Doherty is a fierce competitor with a tremendous work ethic while being a true team leader. Her all-around skills make her a game-changing player who has the ability to dominate in the defensive zone. As a junior, she led the Irish in ground balls (53) and caused turnovers (40) and was second in draw controls with 30. She even chipped in four goals with one assist in 18 games.

Fenlon joins Doherty to give the Irish one of the top defensive duos in the BIG EAST. A steady, all-around

Senior Lauren Fenlon teams with Jackie Doherty to give the Irish a veteran duo on defense. The all-BIG EAST candidate had 27 ground balls and 12 caused turnovers in 2010.

Season Preview

defender, Fenlon will be in the mix for postseason honors due to her tough, steady play game in, game out. She brings a physical presence to the Notre Dame defense and is one of those players that understand what it takes to win. A quiet team leader who leads by example, Fenlon had 27 ground balls and 12 caused turnovers while helping lead the Irish to their lowest goals-against since 2006.

Kate Newall returns as a starter and brings tremendous speed to the defense. A fierce competitor, she has a tenacious style of play that disrupts opposing players. As a sophomore, Newall had 17 ground balls, grabbed 18 draw controls and had 10 caused turnovers. Offensively, she scored three goals and added an assist while starting all 18 games.

The two returnees who saw the most playing time in 2010 on defense are Conner and Shoemaker. Conner, a sophomore, played in 17 games in her rookie year, making eight starts, while Shoemaker played in 11 games, making three starts in the defensive midfield. A smart player with strong instincts for the game, she has strong stick skills and can play a key role in transition.

Shoemaker also will be in the mix for a starting spot on the Irish defensive unit. A talented athlete who knows the Irish defensive system, she brings versatility to the defense because of her athleticism.

DeRespiris has seen limited action in her first two seasons but is the true definition of a team player. In 2010, with just one goalkeeper on the roster, the Locust Valley, N.Y., native became the backup goalkeeper, working on her goalkeeping skills in practice. She continues to improve her defensive game and pushes teammates in practice.

Tremblay was sidelined in her freshman year due to a knee injury suffered in January of 2010, but impressed the coaching staff prior to her season-ending injury. She is an outstanding athlete who plays a physical defensive game.

A pair of talented freshmen – Cousins and Smith – also will be in the mix for playing time on defense. Cousins brings size (5-11) and athletic ability to the lineup and continues to adapt to the speed of the Division I game. Smith is recognized as one of the top freshmen in the nation and should play a key role in her first year at Notre Dame. She was ranked seventh by *Inside Lacrosse* in the magazine's rankings of the top freshmen for 2011. A highly skilled player with great game instincts, she has the ability to take over a game.

"We've worked really hard to make our defensive unit more athletic," says Coyne. "This group is a seasoned, veteran unit. We're experienced and have built a strong foundation. I expect the defense to be one of the strengths of this team."

Without question, any scouting report on the Irish will point out the strength and depth of the Notre Dame midfield. This group provides the Irish with speed, skill and athleticism and Notre Dame's success usually falls on the shoulders of the midfielders.

The Irish return four starters in the midfield with seniors **Kailene Abt** (Huntington, N.Y.), **Shaylyn Blaney** (Stony Brook, N.Y.) and **Kaitlin Keena** (Vienna, Va.) joined by junior **Megan Sullivan** (Winchester, Mass.). This foursome runs the Notre Dame transition game and has a talented supporting cast behind them.

Leading the group is sophomore returnee **Jenny Granger** (East Setauket, N.Y.) who came off the bench in 16 games. Junior **Flannery Nangle** (Auburn, N.Y.) played in 11 games but will miss the 2011 season after suffering a knee injury in the fall. Sophomore **McKenzie Brown** (Greenwood Village, Colo.) saw limited playing time as freshmen and will be joined by a talented freshman class that adds four highly skilled players – **Kaitlyn Brosco** (Shoreham, N.Y.), **Molly**

Junior midfielder Megan Sullivan is a key player in Notre Dame's transition game. In 2010, she broke into the starting lineup to score 16 goals and add six assists while remaining a force in the defensive zone.

Shawhan (Fulton, Md.), **Lindsay Powell** (Honeoye Falls, N.Y.) and **Grace Dooley** (Chicago, Ill.) – to the group.

Blaney is the most decorated member of the midfield as she is a two-time IWLC second team All-American and has been selected all-BIG EAST in each of her first three seasons. A two-year captain of the Irish, Blaney is one of three Notre Dame players selected to the 2011 preseason all-BIG EAST team. Recognized as one of the top midfielders in the nation, Blaney's game is played at both ends of the field. As a junior, she scored 40 goals and had three assists to finish third in scoring but she also contributed defensively, leading the team with 37 draw controls while being third in ground balls (36) and second in caused turnovers (36).

Senior teammate and fellow Long Islander, Kailene Abt is the third team member to garner preseason all-BIG EAST honors going into the 2011 campaign. The talented midfield/attack player was a second team all-BIG EAST choice and IWLC all-West/Midwest region selection as a junior. Abt brings size (5-11) and tremendous athletic ability to her spot in the lineup and has the ability to be a dominating force on the field. A year ago, she was fourth in scoring with 29 goals and 10 assists for 39 points. Like Blaney, she contributes at both ends of the field as she had 23 ground balls, 29 draw controls and forced 19 turnovers.

While Blaney and Abt are fast, the third senior member of the group – Kaitlin Keena – is probably the fastest returnee in the Notre Dame lineup. Her quickness and

stick skills make her a key member of the Irish transition game. While her offensive numbers were down in 2010 (4 goals and eight assists), she still had a strong all-around game with 16 ground balls, 18 draw controls and five caused turnovers.

Joining the three seniors is Megan Sullivan who took over a starting role last season. Her speed and quickness make her an asset in transition and as her confidence grew, so did her all-around game. A talented defensive player, Sullivan's offensive skills blossomed as she had 16 goals and six assists while she adding 21 ground balls, 12 draw controls and 10 caused turnovers.

Look for Jenny Granger to have a big impact on the Irish offensive attack this season. She is coming off a great fall and has all the tools to be a dominant midfield/attack player at Notre Dame. Another in a long line of talented players from Long Island to play for Coyne and the Irish, Granger came off the bench as a freshman and contributed 12 goals and three assists for 15 points to the attack.

Brown had a great fall and has bounced back from leg injuries that limited her as a freshman. A high school All-American, she has a good scoring touch and will be working to gain playing time this spring.

The one word that comes to mind when talking about the four freshmen additions in the midfield is speed, speed and more speed.

Kaitlyn Brosco adjusted quickly during the fall and should see playing time early for the Irish. A fierce competitor with blazing speed, Brosco can set up plays or score at any time. A three-time high school All-American, she scored 320 points in her high school career at Shoreham Wading River, leading her team to three New York state championships. She was ranked as the third among freshmen by *Inside Lacrosse* magazine in its fall recruiting rankings.

Shawhan is a true midfielder who only plays at one speed – fast. A fierce competitor, she makes things happen on the field. She has excellent stick skills and knows what it takes to win. She was named to the *Inside Lacrosse* "Watch List" for incoming freshmen making their debuts in 2011.

Powell has outstanding speed and quickness and continues to adapt to the Division I game. She was a high school All-American in her senior year. Her rookie season will be cut short due to a knee injury suffered in preseason training.

Dooley rounds out the group of talented midfielders and was ranked 23rd by *Inside Lacrosse* magazine in its fall recruiting rankings. An outstanding player on the draw, she had 110 draw controls in her senior year of high school to go with 150 goals and 85 assists. The Chicago native is tall and fast and should become an impact player at Notre Dame during her collegiate career.

"This is a pretty experienced group of players," says Coyne. "I love our depth and talent at midfield. I believe that our scoring will be spread out this season and we

won't count on one or two players. Someone will rise to the top but I like it when the scoring is spread out. That will start with this group of players."

On attack, the Irish have to replace first team all-BIG EAST standout Gina Scioscia who has graduated after accounting for 222 points in her career while finishing last season with the second longest scoring streak (37 games) in Irish history.

The three top returnees on attack include senior **Ansley Stewart** (Alexandria, Va.), junior **Maggie Tamasitis** (Boyertown, Pa.) and sophomore **Betsy Mastropieri** (Richmond, Va.). Stewart and Tamasitis were starters while Mastropieri was the top attack player off the bench.

Behind them on attack are senior **Meredith Locasto** (Pittsburgh, Pa.), junior **Kelly Driscoll** (Andover, Mass.) sophomore **Jaimie Morrison** (Yorktown Heights, N.Y.) and freshmen **Julia Giorgio** (Greenwich, Conn.) and **Lauren Sullivan** (Winchester, Mass.).

Stewart returns for her third season as a starter on attack and will look to have a big season in her final year. As a junior she was fifth on the team in scoring with 19 goals and seven assists for 26 points. As the veteran leader of the offense, Stewart is the quarterback in transition and organizes the attack. The hard-working senior has done it in the past as she put up a 30-goal campaign in her sophomore year.

The heir apparent to Scioscia as the quarterback of the offense is Tamasitis who had a career year in 2010 as she finished second in scoring with career highs in goals (18), assists (26) and points (44). The talented playmaker already has 46 assists in her first two seasons and is an outstanding feeder from behind the cage. Tamasitis will look to pick up some of the scoring and

has shown the ability to go to the cage as evidenced by her 18 goals a year ago.

Mastropieri came off the bench as a freshman, playing in 15 games, and showed the ability to put the ball in the net as she scored seven goals in limited playing time. She continues to develop her game and is one of the best on the team when it comes to moving without the ball. She has the ability to catch in tight spaces with a great shot.

Locasto has seen limited time in her first three seasons but is a valued member of the senior class due to her outstanding leadership skills. An outstanding student who finished her undergraduate work in three years and is already in graduate school, Locasto knows her role and has done a great job in helping her younger teammates adapt to playing at Notre Dame. When she does get to play, she has produced since she has excellent stick and shooting skills.

Driscoll is in her second season on attack after playing defense as a freshman and is a great team player. A hard worker with a point guard mentality she understands the offense and has shown the ability to find the open man on the attack. She saw action in four games a sophomore, scoring one goal.

Morrison could be a one of those diamonds in the rough that Coyne always seems to find. A high school All-American,

Senior attack Ansley Stewart will be counted on in the goal-scoring department in 2011. She has scored 49 goals over the last two seasons.

she may be the most natural shooter on the team and has shown excellent instincts when she gets on the field. Morrison has shown the ability to work inside and has good dodge moves that help her open shooting lanes.

A pair of freshmen joins the team this year and one will use her freshman season to develop while the second uses it to recover from a knee injury. Giorgio is a hard-working rookie who continues to develop her all-around game in her first season. Sullivan, the younger sister of midfielder Megan Sullivan, showed promise in the fall of being a freshman that could work her way into the lineup as she showed good instincts with a physical style of play in front of the goal. She will have to wait for the chance as she suffered a knee injury in January that will sideline her until the 2012 season.

The 2011 schedule should be a strong test for the Irish. Three teams in the BIG EAST are ranked in the IWLCA coaches' preseason poll - No. 5 Syracuse, No. 8 Georgetown and No. 12 Loyola (Md.) - with Rutgers receiving votes as part of the eight-game league schedule. An ambitious non-league schedule features second-ranked Northwestern, No. 11 Vanderbilt, No. 13 Stanford, No. 18 Boston University and No. 20 Hofstra to give the Irish eight ranked teams on the schedule. The Irish also will face traditional opponents that include Ohio State, Cornell, Duquesne and California.

"Our goal is to vie for a BIG EAST title and make a long run in the NCAA Tournament," says Coyne. "We know there will be challenges along the way because we play some of the top teams in the country. Our combination of dynamic youth and experienced veterans gives us a perfect blend of talent to compete against the nation's top teams. As usual, the BIG EAST will provide us with our toughest competition and we look forward to facing our traditional rivals."

"We can't wait for the season to begin," adds the 15th year head coach of the Irish.

UNIVERSITY OF NOTRE DAME®

Notre Dame head coach Tracy Coyne is in her 15th season as the only head coach in the history of the Fighting Irish women's lacrosse program. In her first 14 seasons at Notre Dame, the Irish are 137-89 with six NCAA appearances and one BIG EAST Championship.

COYNE

Head Coach

15th Season

Ohio University '83

Tracy Coyne begins 15th season at the helm of the Notre Dame women's lacrosse program.

Notre Dame head coach Tracy Coyne enters her 15th season directing the Fighting Irish women's lacrosse program. As the only coach in the team's Division I history, Coyne has seen the program come a long way.

From the first steps of making the jump from a club program, to leading Notre Dame to its first Final Four appearance in 2006 and a BIG EAST Championship in 2009, Coyne has been there every step of the way.

The veteran coach has now seen her team make the NCAA tournament six times in the last nine years, including three straight appearances from 2008 to 2010. In 2006, she saw the Irish engineer the biggest turnaround in NCAA women's lacrosse history, going from 3-12 in 2005 to 15-4 in 2006.

Coyne has been the guiding force as Irish women's lacrosse has moved from a first-year varsity program in 1997 to one of the top programs in the nation in 2011.

From her first days as the Irish head coach, Coyne and her coaching staff laid the groundwork that led to the success the program has achieved in its first 14 years of existence.

Since 2006, Coyne's teams have put together a 65-29 record (.691) with four NCAA tournament appearances, including a trip to the final four in 2006 and a BIG EAST title in 2009.

Over the past two seasons, Coyne has developed three first team IWLCA All-Americans (Jackie Doherty in 2010 and Jillian Byers '09 and Shannon Burke '09, following the 2009 season) and three second team choices with Shaylyn Blaney taking honors in '09 and

'10 and Gina Scioscia '09.

Doherty and Blaney led the 2010 team to an 11-7 mark and a second-place finish in the BIG EAST a year ago. The Irish went on to play the longest game in the history of the BIG EAST Tournament, falling to Syracuse, 12-11, in four overtimes in the tourney semifinals. From there, Notre Dame made its third straight NCAA appearance, falling in the opening round at Northwestern.

The 2009 Irish set a variety of school records on the way

to a 16-5 record and the program's first BIG EAST championship.

Led by four All-Americans - Shannon Burke, Jillian Byers, Shaylyn Blaney and Gina Scioscia - the Irish advanced to the NCAA Tournament, defeating Vanderbilt at home before falling at North Carolina in the quarterfinals.

Byers closed her Notre Dame career as BIG EAST co-attack player of the year and a Tewaaraton Trophy finalist.

In 2008, Coyne's squad was led by a pair of All-Americans - Caitlin McKinney (first team) and Jillian Byers (second team) - and finished the year with a 12-7 overall record. McKinney was named the BIG EAST midfielder of the year with Coyne taking conference coach of the year honors for the third time.

Notre Dame was 4-1 in the conference and played in its second BIG EAST Championship tournament; this one hosted by the Irish at historic Notre Dame Stadium. Notre Dame lost in the first round of the NCAA Tournament, dropping a 15-7 decision to top-ranked Northwestern in Evanston, Ill.

McKinney and Byers led the 2007 team to an 11-6 overall record and a 3-2 mark in the BIG EAST. That qualified Notre Dame for a berth in the first BIG EAST Tournament held in Syracuse, N.Y.

The Irish also accomplished something in 2007 that no BIG EAST team had ever done to that point as they dealt Georgetown its first regular-season loss since the BIG EAST began play in 2001.

The current five-year run of success started in 2006 as the Irish rebounded from a 3-12 season in 2005 to go 15-4 and advance to the Final Four. The record-setting turnaround included a 4-1 record in the BIG EAST and a 7-4 mark against nationally ranked teams.

The Irish would host a pair of NCAA Tournament games, defeating BIG EAST foe Georgetown (first time in eight tries) in the quarterfinals to move on to the NCAA finals.

Foote became the first Irish player to be named All-American twice in her career, taking first team honors in 2006 and was the program's first Tewaaraton Trophy finalist. Freshman Jillian Byers was a second team All-American and McKinney took third team honors.

Through all the success and growing pains, Coyne has been the one constant the program has had.

Hired in July of 1996, the Pittsburgh, Pa., native quickly spread the word about the Notre Dame women's lacrosse program, put together a team that fashioned a 5-4 record during the 1997 season, and assembled a top-notch recruiting class that included four high school All-Americans.

She followed her inaugural season with a 7-6 mark in 1998, including wins against two teams that had beaten the Irish in 1997 - Ohio State and Davidson.

The 1999 Irish continued their ascent with nine wins against an enhanced schedule, while the 2000 team completed one of the toughest schedules in the country with a 5-10 mark.

In 2001, the Irish served notice to the women's lacrosse world that Notre Dame was ready to become a prime-time player on a national level.

In the first year of competition in the BIG EAST, the Irish were 10-5 overall and finished third with a 4-2 mark in conference play.

Late in the season, Notre Dame moved into the national rankings after road wins against 17th-ranked Delaware and seventh-ranked Yale. The Irish finished the year ranked 18th in the nation.

The 2002 season saw the Irish ranked for the first time in the preseason, set records for wins (13) and BIG EAST wins (5) and finished the year seventh in the nation. That season also produced the first two All-Americans in the program's history - Kathryn Lam and Danielle Shearer - plus a first-ever berth in the NCAA tournament.

In 2003, the Irish finished the campaign ranked 16th with an 8-7 record capped by a four-game winning streak to end the year. Three Irish players - Andrea Kinnik, Danielle Shearer and Jen White - received various

media and national All-American honors.

The 2004 campaign saw Coyne recognized by her peers as the BIG EAST coach of the year as her team finished the year ranked ninth in the nation in the IWLCA coaches' poll with a 12-5 mark. The Irish lost in the first round of the NCAA tournament at Northwestern and achieved its highest ranking ever as they moved to No. 2 on April 11. Three more players joined the list of Irish All-Americans as Andrea Kinnik, Abby Owen and Meredith Simon all received honors with Simon becoming the program's first, first-team All-American.

Four consecutive seasons of success hit a bump in the road in 2005 as the Irish struggled to a 3-12 record. Crysti Foote was named third-team All-American and freshman Caitlin McKinney was selected to the U.S. National Developmental Team.

On the international level, Coyne spent seven years (1999-05) as the head coach of the Canadian women's

lacrosse team, guiding Canada to fourth-place finishes in the World Cup in 2001 and 2005.

Admired by her coaching peers, there is little doubt Coyne has the Notre Dame women's lacrosse program headed in the right direction. Her accomplishments and success at the Division III level reflect the effort, dedication and passion she has for the sport.

Prior to coming to Notre Dame, Coyne spent seven years as head coach at Roanoke College (1990-96) and two seasons at Denison College (1988-89).

At Roanoke, Coyne served as head coach of both the women's lacrosse and field hockey teams. In seven seasons, her lacrosse teams compiled a 91-21 record for an .813 winning percentage. She led her squads to the NCAA Division III tournament five times, with her 1992 and 1990 teams earning appearances in the national semifinals. Under Coyne, the 1990 Division III Coach of the Year, the Maroons won five Old Dominion Conference championships, including three straight titles from 1994-96. She also claimed ODAC coach-of-the-year honors in 1990 and 1995.

During her tenure at Roanoke, Coyne produced 22 All-Americans, including 12 first-team selections. In her first season at the school (1990), her team finished with a 17-1 record and advanced to its first-ever appearance in the NCAA semifinals. In 1995, one of her players earned national goalkeeper-of-the-year accolades. She also had four players garner ODAC player-of-the-year honors during her tenure.

Her field hockey teams also achieved success, as she guided the school to its first-ever national ranking in that sport.

Prior to taking over at Roanoke, Coyne served as head lacrosse and field hockey coach at Denison. In two seasons there, her lacrosse teams compiled a 23-5 record and won back-to-back North Coast Athletic Conference titles. In her first season at Denison, she guided the squad to a 13-3 mark and a berth in the NCAA Division III tournament. In addition, her efforts earned her NCAC coach-of-the-year accolades.

In 23 seasons as a head coach, her lacrosse teams have a combined 251-115 record (.686) and have won 10-plus games in 17 of those seasons.

She starts the 2011 season as the 10th winningest coach of all-time by wins (251) and is 29th in winning percentage (.686). Among active Division I head coaches, Coyne is third in wins and seventh in winning percentage.

Coyne served as an assistant coach for the United States women's lacrosse team in 1992 and has been a selector for that squad on three occasions. She chaired the Brine Division III national coaches' poll and is currently the Division I representative to the Intercollegiate Women's Lacrosse Coaches' Association's Board of Directors. She also has chaired the NCAA West/Midwest Regional Advisory Committee and currently chairs the IWLCA's All-American committee.

A 1983 graduate of Ohio University, Coyne received her bachelor of science degree in organizational communications. A letter winner in both lacrosse and field hockey, Coyne helped the lacrosse squad to the 1982 Midwest Regional championship as well as an eighth-place finish at the AIAW National Lacrosse Championships. In 1981, she led her field hockey team to a share of the Mid-American Conference title.

Coyne served as senior class vice-president at Ohio and was the recipient of the Leona Hughes Pace Award, which is presented annually by the Student Alumni Board to the outstanding senior at the school.

She then attended graduate school at St. Thomas University (Fla.) where she received a master of science degree in sports administration in May of 1985.

After graduating, Coyne was an administrative assistant in the University of Pittsburgh athletic department and an assistant lacrosse and field hockey coach at Sewickley Academy in Sewickley, Pa.

CRYSTI
FOOTE

Assistant Coach

First Season

Notre Dame '06

Crysti Foote '06 begins her first season as an assistant coach at her alma mater in 2010-11.

A two-time IWLCA All-American during her playing days, Foote replaces former assistant coach Kateri Linville who became the head coach at the University of Delaware following the 2010 season.

As an assistant at Notre Dame, Foote will work with the Irish attack on a daily basis while assisting with recruiting, team travel, camps and clinics in addition to the day-to-day office operations.

In making the announcement of her hiring, head coach Tracy Coyne said, "It's exciting to have another alumnae return to coach here at Notre Dame. Crysti will carry on the tradition that has worked very well for us. The program will benefit most from two of Crysti's best assets: her game intelligence and her ability to assist players in refining their skills. It's always beneficial to have someone on staff who understands what it means to be a Notre Dame student-athlete. There are demands on athletes here that Crysti can identify with and she will help the players successfully navigate a demanding landscape."

Coyne added, "Crysti was an exceptional player who succeeded at the highest level of the game. On the field she was always very calm and took things as they came to her. She faced challenges head on with confidence and with a 'Hey, I can do this' attitude. She never got uptight. That's one of the many reasons the players are going to love working with her. As a player she was generous with sharing the wealth. She will coach the same way. Everyone in the program is going to get better. Most of all, Crysti understands what it takes to win."

Foote rejoins the Irish after spending 2009-10 working on her master's degree in guidance counseling at Long Island University.

While working on her master's, Foote worked with high school lacrosse programs and clubs doing clinics. Prior to that she

served as an assistant coach at Drew University (2007-08) and Columbia University (2008-09) after finishing her collegiate career.

During her Notre Dame career (2002-06), Foote rewrote the school's record books for single-season and career scoring.

A four-time monogram winner, the Suffern, N.Y., resident served as team captain of the 2006 squad, leading the Irish to the NCAA semifinals while recording the school's single-best offensive season with 74 goals and 40 assists for 114 points, a mark that stands today.

Her totals led the nation and she was named the Intercollegiate Women's Lacrosse Coaches Association (IWLCA) attack player of the year.

A Tewaaraton Trophy finalist in 2006, Foote was the BIG EAST attack player of the year and took first team IWLCA All-American honors.

The Notre Dame Monogram Club's team most valuable player as a senior, Foote graduated as Notre Dame's all-time leader in games (66), goals (161), assists (76) and points (237). She held single-season records for goals, assists, points and shots and single-game marks for goals (9) and points (11). She currently ranks second all-time in goals, third in assists, second in points and fifth in draw controls while still owning the mark for goals in a single game.

The 26-year old Foote was born in Toronto, Ontario and continues to play internationally for Canada's World Cup team. She already has made two World Cup appearances in 2005 and 2009. In 2005 with Coyne as the head coach, she led the Canadians in scoring and was seventh in the tournament with 20

goals and seven assists for 27 points, helping Canada to a fourth-place finish in the tournament held in Annapolis, Md. She earned player of the game honors with six goals in a win over Wales.

Four years later in 2009, the talented scorer teamed with her younger sister, Julie, a 2008 Notre Dame graduate, to help Canada to a bronze medal at the World Cup held in the Czech Republic. There, she finished second in scoring for Canada, notching 12 goals and seven assists for 19 points, including an eight-point game (5g, 3a) to earn player of the game honors in a win over Japan.

NICK
WILLIAMS

Assistant Coach

First Season

Towson '08

Nick Williams begins his first season as an assistant coach with the Notre Dame women's lacrosse team during the 2010-11 campaign.

Williams was named to head coach Tracy Coyne's staff on July 22, 2010 after serving as an assistant at his alma mater, Towson University for the 2010 campaign. He replaces Meredith Simon '04 who is now an assistant coach at the University of California.

In naming Williams to her staff, Coyne said, "I love Nick's multi-sport background. The fact that he played football and men's lacrosse at a Division I program was impressive. He has a great work ethic and knowledge of the game. His background will bring a fresh perspective to our program."

Coyne added, "In the interviewing process, Nick made a connection with the University that showed me he understands the Notre Dame culture. I really like his football background. There are a lot of things about the way football approaches their sport that we can pull from to make our program better. He is totally committed to winning and came highly recommended by everyone that I spoke to. What resounded most was the endorsement of Nick's character. That might be the most important trait for any coach who comes to work at Notre Dame."

With the Irish, Williams will oversee the defense and work with the team's goalkeepers while also assisting with recruiting, scouting opponents and camps and clinics.

During his lone season at Towson, Williams helped the Tigers' women's team to a 13-3 overall record, a first-ever at-large selection to the NCAA Tournament and a final ranking of seventh in the nation, the highest ranking in the school's history.

At Towson, Williams served as the goalie coach with Tiger goalkeeper, Mary Teeters, earning second team all-conference honors. Assisting with both the offense and defense, he coached the 2010 Colonial Athletic Association (CAA) player of the year, three first team all-CAA picks, two second team choices and two all-rookie selections during the 2010 campaign.

A two-sport athlete at Towson University, Williams graduated in 2008 with a Bachelor's Degree in sports management.

A four-year member of the Tigers' men's lacrosse team, Williams played 61 career games and helped Towson to a pair of CAA championships. He scored 29 goals with 22 assists in his career, including a career-best, four-goal game against Cornell in the 2005 NCAA Tournament.

The Baltimore, Md., native also was a football standout at Towson and is the fifth-leading rusher in school history with 1,985 yards during his career. As a sophomore, Williams rushed for 911 yards in 11 games, including a career-high 169 yards in a win over Dela-

ware. He was a third team all-Atlantic 10 selection at running back following his sophomore year.

Williams also picked up coaching experience in both sports as he served as an assistant coach of the women's lacrosse team at Pomona College in Claremont, Calif., during the spring of 2009 where he worked with the offensive attack and served as the school's recruiting coordinator. He followed that with a season as the running backs coach at his high school alma mater - Calvert Hall College High School in Baltimore - during the fall of 2009.

Notre Dame senior Gina Scioscia finished the 2010 season as the team's leading scorer with 39 goals and 24 assists for 63 points. She finished her career with 116 goals and 106 assists for 222 career points. Scioscia is the only player in Notre Dame history with 100 goals and 100 assists for her career.

Irish Advance To NCAA Tournament For Third Consecutive Year

Notre Dame ties for second in the BIG EAST and advances to the NCAA Tournament for the third consecutive year; Jackie Doherty named first team

IWLCA All-American while Shaylyn Blaney takes second team honors for second time. Jillian Byers and Shannon Burke named first team

IWLCA All-Americans; Shaylyn Blaney and Gina Scioscia named second team.

"Too Close For Comfort," would be the appropriate title for the 2010 Notre Dame women's lacrosse team's highlight film.

The Irish finished the season with an 11-7 overall record and were 5-2 in the BIG EAST, good for a second-place tie in the chase for the league title. They even advanced to the NCAA Tournament for the third consecutive year, a first in the program's history, and the sixth time overall.

But a closer look at the season will reveal a season of living on the brink as Coach Tracy Coyne's squad was involved in an amazing eight games decided by one goal, 11 contests decided by two or less goals and four that went to overtime, including a four-overtime thriller versus Syracuse in the BIG EAST Tournament.

That many close finishes has to take something out of a team, but it also was a positive aspect as it showed that Coyne's Irish were never out of a game and had the ability to battle back and grab a victory from the jaws of defeat.

Notre Dame was 5-3 in those one-goal games, 7-4 in the games decided by two goals or less and 2-2 in the overtime contests.

The Irish finished the year ranked 12th in the final IWLCA poll and recorded the fifth consecutive double-digit win season since the start of the 2006 season. In those five seasons, Notre Dame owns a 65-29 record for a .691 winning percentage.

While the 2009 team rewrote the record book in just about every offensive category, the 2010 team made defense a priority with a veteran group of defenders and a talented freshman goaltender. The team defense surrendered just 10.05 goals per game, the lowest since the 2006 squad gave up 9.84 per game. **Ellie Hilling's** 9.69 goals-against average was the lowest since Carol Dixon '06 gave up 8.57 in 2004.

The 2010 Irish featured a pair of IWLCA All-Americans with junior defender **Jackie Doherty** taking first team honors and junior midfielder **Shaylyn Blaney** being named second team for the second year in a row. Five team members were selected to the all-BIG EAST team with senior attack standout **Gina Scioscia** joining Doherty and Blaney on the first team and senior defender **Rachel Guererra** and sophomore midfielder **Kailene Abt** taking second-team honors.

As usual, Coyne's squad played a very aggressive schedule that featured 11 games versus teams in the national rankings, including one with national champion, Northwestern. The Irish finished 6-5 versus ranked teams.

During the 2010 season, the Irish scored 197 goals while giving up 181. Leading the offense was senior attack **Gina Scioscia**. A first team all-BIG EAST selection, Scioscia scored 39 goals with 24 assists for 63 points, picking up at least one point per game, finishing her career with a 37-game point scoring streak - the second longest in the program's history.

Scioscia found her game in the second half of the season when she had three or more points over the final 10 games to help the team go 6-4 in that span.

The talented playmaker, who is Notre Dame's all-time leader in assists with 106, became a go-to goal scorer in her junior season and picked that up again in 2010, finishing second on the team with her 39 goals. For her career, Scioscia is the only player in the program's history with over 100 goals and 100 assists as she finished with 116 goals and 106 assists. Her 222 points rank her fourth all-time at Notre Dame.

Moving into Scioscia's role as the Irish playmaker was sophomore **Maggie Tamasitis** who had a career year in her second season as she finished with 44 points on 18 goals and a team-high 26 assists.

Tamasitis started in 17 of the team's 18 games and became a force for Notre Dame in the offensive zone. After a 35-point season as a freshman, Tamasitis moved into the lineup and became a key member of the Notre Dame attack with career highs in goals, assists and points.

Following Tamasitis on the scoring list was leading goal scorer and one of the top midfielders in the nation, junior **Shaylyn Blaney**. She led the Irish offensive attack with 40

goals and chipped in three assists for 43 points. Strong at both ends of the field, Blaney was third on the team with 36 ground balls, led the team with 37 draw controls and was second with 36 caused turnovers.

A first team all-BIG EAST selection, Blaney was a second team IWLCA All-American for the second consecutive year. Over her first three seasons, the Stony Brook, N.Y., native has scored 40 or more goals and is already fifth on Notre Dame's all-time goal list with 127 goals.

Joining Blaney to give the Irish a strong 1-2 punch in the midfield was fellow junior **Kailene Abt**. A talented player, Abt was fourth on the team in scoring with 29 goals and 10 assists for 39 points.

Like Blaney, Abt has the skill to dominate in both the offensive and defensive ends of the field. She had 23 ground balls, 29 draw controls and 19 caused turnovers and was selected as a second team all-BIG EAST choice and a second team IWLCA all-West/Midwest region selection with both honors a first for the 5-11 midfielder who brings size, speed and skill to the Irish midfield.

The 2010 Irish roster featured seven players with 10 or more goals and the fifth member of that group was junior attack **Ansley Stewart**.

The 2009 team's most improved player, Stewart scored 19 goals and set up five others for a 24-point season. The hard-working attack player gave Coyne and her coaching staff plenty of options as she saw duty as a starter and off the bench when the team needed a spark. A strong, accurate shooter, Stewart converted on 45.2% of her shots during the season.

A pair of youngsters followed Stewart in the scoring parade. Sophomore midfielder **Megan Sullivan** became a regular in the starting lineup and provided speed and the ability to play at both ends of the field. Known for her defensive skills, Sullivan began contributing more and more to the offensive attack as her confidence grew and finished the year with 16 goals and 6 assists for 22 points.

She added 21 ground balls, 12 draw controls and 10 caused turnovers to become a solid contributor all over the field.

Joining Coyne's outstanding stable of midfielders was freshman **Jenny Granger**. Another Long Island product, Granger came off the bench and had the ability to jump start the offense.

She started the year slowly, but came on late as she adapted to the Division I game. A talented all-around player, Granger started to show her talents late in the season when she had three or more points in three of her final four games. In 16 games, Granger had 12 goals and three assists for 15 points. She had 13 ground balls and 17 draw controls while working her way into the regular lineup.

Rounding out the regulars at midfield were junior **Kaitlin Keena** and senior **Maggie Zentgraf**. The speedy Keena started 17 of 18 games and had four goals and eight assists for 12 points. Zentgraf, who served as a team captain, played in 13 games before her season was ended due to a knee injury that she suffered in the final home game against Cincinnati.

Two underclassmen who saw action on a regular basis were freshman attack **Betsy Mastropieri** and sophomore midfielder **Jordy Shoemaker**. Mastropieri played in 15 games, all off the bench, but proved to have a nose for the net as a finisher as she scored seven goals on the season. Shoemaker got into 11 games and made three starts. A tough, competitive player, she showed a great deal of versatility, seeing action both at defensive midfield and on the offensive side of the ball.

While the Irish offense had what would be an off year in the scoring department when you look at previous seasons, the defense really proved to be a tough one for opponents to face.

The leader of the Notre Dame defense was junior **Jackie Doherty** who proved her ability by being named a first team IWLCA All-American and a first team all-BIG EAST selection.

Doherty brought a tough, tenacious, winning style to

Junior defender Jackie Doherty led Notre Dame's defense during 2010. A first team IWLCA All-American and first team all-BIG EAST choice, Doherty led the Irish in ground balls (53) and caused turnovers (40).

the defense and made life difficult for opposing players. She led the Irish in ground balls (53), caused turnovers (40) and was second in draw controls.

The talented defender was the leader of a group that took pride in their ability to stop the opposition. The defensive corps included senior **Rachel Guererra**, junior **Lauren Fenlon**, sophomore **Kate Newall** and freshman **Emily Conner** who worked in front of freshman goalkeeper **Ellie Hilling**.

Newall lined up as a defensive midfielder where she used her speed to shut down the opposition. She scored three goals with an assist for four points while grabbing 17 ground balls, 18 draw controls and had 10 caused turnovers.

Guererra was a three-time monogram winner who used her speed and toughness to disrupt the opposition. A three-year starter on Coyne's defense, Guererra recorded 29 ground balls, 21 caused turnovers and six draw controls. She was a second team all-BIG EAST selection and a second team IWLCA all-West/Midwest region choice as a senior captain in 2010.

Fenlon started all 18 games in her second season as a starter on defense. She brought a physical presence to the Notre Dame defense and was not one to shy away from contact around the cage. She had 27 ground balls and 12 caused turnovers and was one of the three starters with Guererra and Doherty in front of Hilling.

Conner got into 17 games as a freshman, making eight starts and gave the coaching staff options on the back line. A physical defender, Conner had 10 ground balls and six caused turnovers.

Notre Dame's defense benefited from the play of their freshman goalkeeper Ellie Hilling who started all 18 games for the Irish, playing over 1,114 minutes. She had a 9.69 goals-against average with a .421 save percentage. During her rookie season, she recorded a 98:33 minute shutout streak that included a 16-0 shutout of Villanova, the first shutout in Notre Dame and BIG EAST history.

The 2010 Notre Dame season featured plenty of close games with wild finishes and heartbreaking endings. The Irish rallied several times during the season from large deficits to get back into games. Eleven of their 18 games were decided by two goals or less and their four overtime marathon in the BIG EAST semifinals was the longest game in the program and the conference's history (72:58).

The season opener on the road at Hofstra was an omen for what was ahead for Coyne's team as Shaylyn Blaney snapped a 12-12 tie with over 10 minutes remaining and the Irish defense slammed the door the rest of the way in a 13-12 win.

Notre Dame opened its home schedule indoors at the Loftus Center, winning a 15-10 decision over Duquesne to give the Irish a nice 2-0 record to open the young season.

On March 7th, Notre Dame's brand new lacrosse stadium, Arlotta Stadium, hosted its first-ever women's lacrosse game when the Irish faced Dartmouth. The results were not quite what everyone had hoped for as the Big Green handed Notre Dame a 12-8 loss. After falling behind, 2-0, Abt would score the first Irish goal in the stadium, but Notre Dame trailed 4-1 at halftime and couldn't rally to pull out the win.

Spring break was next on the docket and Notre Dame headed to California to face the Bears in Berkeley. As would be the case all season, the result was a close one as the Irish won 14-12 in overtime with Stewart getting the winner in extra time.

From the west coast to the east coast, the Irish traveled to Massachusetts to face Boston University in Boston. This one went to two overtimes with Scioscia getting the game winner on a free-position shot with 38 seconds left in the second extra period for a 7-6 win.

It was back to Arlotta Stadium to face Vanderbilt and that first win at the new venue would have to wait as the Commodores edged the Irish, 10-9, getting the last three goals of the game over the final six minutes.

BIG EAST play began on March 27 and the Louisville

Cardinals visited Arlotta Stadium. This time Sullivan scored four goals and Hilling had a career-high 12 assists as Notre Dame took an 11-9 decision for its first win at the new home of the Notre Dame women's lacrosse program.

The Irish closed out March on the road as they traveled to Evanston, Ill., to face Northwestern. The top-ranked Wildcats sent Notre Dame home with a 15-5 loss that dropped the Irish to 5-3 overall.

Conference play took Notre Dame to Washington, D.C. to face Georgetown on the same field that the Irish had won their 2009 BIG EAST Championship. In another close game, the Hoyas would get the final two goals of the game for a 12-10 win. That dropped the Irish to 5-4 on the year and just 1-1 in conference play.

Another tight game followed in Baltimore where Notre Dame faced Loyola. The Irish trailed the Greyhounds, 8-5, in the second half, rallied late to tie the game and Ansley Stewart scored the game winner with six ticks left on the clock in an 11-10 win.

The Irish returned home for a three-game homestand at Arlotta and the new home-field advantage started to pay dividends. On April 9, Notre Dame, behind goalkeeper Ellie Hilling, recorded the first shutout in school and BIG EAST history as the Irish blanked Villanova, 16-0.

Two days later, seventh-ranked Syracuse visited South Bend and the shutout streak continued as the Irish blanked the Orange for 30 minutes, taking a 6-0 lead. In the second half, Syracuse turned the tables, keeping the Irish off the scoreboard. It wasn't enough though as Notre Dame held on to upset the Orange by a 6-5 margin.

The Irish then closed out the three-game homestand with a visit from Cincinnati. For once, the home team had a breather, as they handed the Bearcats a 15-5 loss. The three-game win streak gave Notre Dame an 8-4 record and a 4-1 mark in the BIG EAST.

A three-game road trip would close out the regular season. The first game came on April 22 at Ohio State where the Irish survived another one-goal decision as a

goal by Tamasitis with 24 seconds left gave Notre Dame a 12-11 win.

The Irish closed out the final weekend of the BIG EAST schedule at Rutgers and Connecticut. The game versus the Scarlet Knights snapped a five-game winning streak as the Irish dropped a 12-11 overtime game. Notre Dame fell behind, 7-1, at halftime and rallied to tie the game, only to see Rutgers' Brooke Cantwell get the only goal in the six-minute overtime.

From there it was off to Storrs, Conn., to face the Connecticut Huskies. Here the Irish closed the regular season with a strong, 16-9 win, as Gina Scioscia led the way with seven points. With the win, the Irish finished second in the BIG EAST with their 5-2 record and were 11-5 on the season.

The 2010 BIG EAST Tournament was played in Piscataway, N.J., at Rutgers with Notre Dame facing Syracuse in the semifinals. The Irish and the Orange battled for over 72 minutes through four overtimes before Syracuse prevailed with a 12-11 victory. The overtime game was the fourth of the season for the Irish.

While the loss in the BIG EAST Tournament was a disappointment for Coyne's team, they were rewarded for a strong season by being selected to the 2010 NCAA Tournament.

The trip to the NAAs marked the third consecutive year that Notre Dame was selected, a first for the program. The Irish went on the road to Evanston, Ill., to face Northwestern, the No. 2 seed.

As has been recent history between the two schools, the Wildcats had their way with the Irish. After battling to a 3-3 tie over the first 17 minutes, the Wildcats out scored Notre Dame by a 16-4 margin over the final 43 minutes of the game to end the Irish season.

The tournament loss ended Notre Dame's season with an 11-7 record for the team's fifth consecutive year with 10 or more wins.

BIG EAST Women's Lacrosse Championships

Thursday, May 5 and Saturday, May 7, 2011

Georgetown's Multi-Sport Field • Washington, D.C.

The fifth annual BIG EAST Women's Lacrosse Championship will be played at Georgetown's Multi-Sport Field on May 5 and 7, 2010. This is the second time that Georgetown has hosted the BIG EAST women's lacrosse championship. The first four tournaments have been played at Syracuse (2007), Notre Dame (2008), Georgetown (2009) and Rutgers (2010).

The 2011 BIG EAST Lacrosse Championship is a four-team single-elimination tournament held over three days. The top four teams according to Conference game winning-percentage in the regular season standings are selected and seeded.

The tournament champion receives the league's automatic bid to the 16-team NCAA Division I Women's Lacrosse Championship.

Syracuse won the first two BIG EAST women's lacrosse championships with Notre Dame taking the title in 2009 and Georgetown winning for the first time in May of 2010.

Notre Dame Women's Lacrosse in the NCAA Championship

The Notre Dame Fighting Irish women's lacrosse team has advanced to the NCAA tournament in each of the last three seasons and six times since the 2002 campaign, highlighted by the 2006 appearance in the the national semifinals in Boston, Mass.

In just 14 seasons as a Division I program, Notre Dame women's lacrosse has become a major player on the national lacrosse scene.

The Irish first appeared in the tournament following the 2002 season and hosted their first-ever tournament game versus Ohio State, taking an 11-7 win over the Buckeyes. That win moved Notre Dame into the quarterfinals on the road at Princeton. The Tigers ended the Irish season with an 11-5 loss at the hands of the eventual national champions.

After just missing the tournament in 2003, Notre Dame was back again in 2004 and would travel to Midwest-rival Northwestern in the first round. The Wildcats handed the Irish a 10-8 loss in their second tourney appearance.

In 2006, the Irish returned to the NCAA Tournament, recording the biggest turnaround in NCAA history, going from 3-12 in '05 to 15-4, a +10 change. That helped the Irish get their second-ever home NCAA game as they played host to Cornell. Notre Dame responded with a 16-8 win to advance to the quarterfinals

for the second time in program history. That game would also be at Moose Krause Stadium against fourth-ranked Georgetown, a team the Irish had never beaten. That seven-game losing streak came to an end as the Irish handed the Hoyas a 12-9 loss to move on to the NCAA finals, held at Boston University. In the semifinals, the Irish faced Dartmouth and saw the most successful season in the program's history come to an end as the Big Green downed Notre Dame, 14-8, to move on to the finals against Northwestern.

For the first time in the program's history, the Irish have advanced to the NCAAAs in three consecutive seasons. A year ago, they traveled to Evanston, Ill., where they dropped a 19-7 decision to Northwestern. That followed a trip to the quarterfinals in 2009 and a first round loss to Northwestern in 2008.

The 2011 NCAA Tournament will begin on Sat.-Sun., May 14-15 with eight games at campus sites. The quarterfinal games will be played at campus sites on Saturday, May 21 with the semifinals and finals at Kenneth P. LaValle Stadium in Stony Brook, N.Y. Stony Brook University will serve as the host with the semi-final games on Friday, May 27 and the national championship game set for Sunday, May 29, 2011.

2006 NCAA Tournament – Quarterfinals

#7 Notre Dame 12, #4 Georgetown 9
May 20, 2006 • Notre Dame, Ind.

For six years, the Georgetown Hoyas stood in the way of the Notre Dame women's lacrosse team in its attempt to win a BIG EAST Conference title.

Three times, including the 2006 season, the Irish finished second to the Hoyas in the league with their lone conference loss coming at Georgetown. Now, only the Hoyas stood in the way of Notre Dame in its bid to advance to the NCAA Finals in Boston, Mass.

Things would be different this time around thanks to the trio of Crysti Foote, Jillian Byers and Caitlin McKinney who combined for nine goals and six assists to lead the Irish to their first win in eight tries against the Hoyas, a 12-9 NCAA quarterfinal victory, that sent the Irish on to the NCAA semifinals at Boston University.

Mary Carpenter, Jane Stoeckert and Heather Ferguson also scored for Notre Dame in the upset victory.

Georgetown got three goals each from Coco Stanwick and Schuyler Sutton while Lucy Poole, Paige Andrews and Courtney Hubschman each scored once for the Hoyas, who fell to 14-4 for the season.

The Irish got off to a fast start, taking a 4-1 lead less than 14 minutes into the game as Byers scored Notre Dame's first three goals on the way to a five-point game (3g, 2a).

Georgetown roared back, scoring the next five goals to take a 6-4 lead and Foote's goal for the Irish with 1:32 left in the first half cut the Hoyas' lead to one at 6-5.

Notre Dame came out fast in the second half and tied the game when Ferguson converted on a free-position goal at 28:35 to make it 6-6.

Stanwick scored her second of the afternoon at 26:18 to restore the Georgetown lead at 7-6. The score would stay that way until 20:57 when

Notre Dame's first-ever win against Georgetown on May 20, 2006 sent the Irish to the 2006 NCAA Finals in Boston, Mass.

McKinney scored her first goal of the half on a free-position shot to even the score at 7-7.

Stanwick gave Georgetown its final lead of the game (8-7) when she scored at 18:47. From there, the potent Notre Dame attack took over as the Irish scored four straight goals – one by McKinney, one by Carpenter and two by Foote – to make it 11-8. Sutton scored with 7:37 left to make it 11-9 and McKinney closed the scoring with her third goal with 4:08 left in the game.

For the game, the Irish out shot Georgetown 26-18 and allowed just seven shots in the second half. Carol Dixon made three saves for Notre Dame while Koch had eight saves for the Hoyas.

May 16, 2009 • Chapel Hill, N.C.

The Notre Dame women's lacrosse team saw its 2009 season come to an end at the hands of the North Carolina Tar Heels in the second round of the NCAA Tournament played at hot, muggy Fetzer Field on the UNC campus on a Saturday afternoon.

The Tar Heels used a balanced attack, strong goalkeeping and a stingy defense as they held the Irish to just 10 goals in a 16-10 loss.

Senior Jillian Byers, playing in her final game for Notre Dame, led the Irish with five goals and one assist, including all four Notre Dame goals in the second half. Kailene Abt scored twice while Kaitlin Keena added a goal and two assists. Junior Gina Scioscia and Jackie Doherty added a goal and an assist in the game. Sophomore Ansley Stewart assisted on a pair of goals.

North Carolina's balanced attack featured three players with three goals each as Corey Donohue, Jenn Russell and Megan Bosica led the Tar Heels offense. Kristen Carr and Chelsea Brooks each had two goals with Laura Zimmerman, Kristen Taylor and Katie Brooks adding a goal each. Taylor added three assists while Russell had one to lead Carolina with four-point games.

The Tar Heels out shot the Irish, 34-28, in the game. Junior goalkeeper Logan Ripley made 12 saves in the game while Erin Goodman had nine stops in the Irish goal.

UNIVERSITY OF NOTRE DAME

History

- The University of Notre Dame du Lac was founded in 1842 by Father Edward Sorin. Adjacent to South Bend, Ind., and nestled next to St. Mary's and Saint Joseph's Lakes, the University was started with \$310 in cash and three log buildings in disrepair.
- Notre Dame would establish many firsts for Catholic institutions of higher learning, including the first Catholic law school, the first Catholic engineering school and the first student residence with private rooms, Sorin Hall.

Academics

- The University is organized into four colleges — Arts and Letters, Science, Engineering and the Mendoza College of Business — the School of Architecture, the Law School, the Graduate School, six major research institutes, more than 40 centers and special programs and the University library system.
- Notre Dame is rated among the nation's top-25 institutions of higher learning in surveys conducted by *U.S. News and World Report*, *Princeton Review*, *Time*, *Kiplinger's* and *Kaplan/Newsweek*.
- The Mendoza College of Business is ranked #1 among the nation's top undergraduate business schools by *Bloomberg BusinessWeek*.
- Notre Dame is among a select group of schools that ranks in the top 30 on the *U.S. News & World Report* survey of the nation's top colleges and in the National Association of Collegiate Directors of Athletics Directors' Cup for overall success in athletics.

Students

- Graduate and undergraduate students at the University come from all 50 states 100 countries worldwide.
- Notre Dame's graduation rate of 95 percent is exceeded by only Harvard and Princeton.
- Notre Dame's 98 percent retention rate between the freshman and sophomore years is among the highest in the country, thanks in large part to the University's unique First Year of Studies Program.
- Notre Dame has one of the highest undergraduate residential concentrations of any national university, with 80 percent of its students living in 29 residence halls.

- The medical school acceptance rate of the University's preprofessional studies graduates is 80 percent, almost twice the national average.
- Notre Dame ranks first among Catholic universities in the number of doctorates earned by its undergraduate alumni — a record compiled over some 85 years.

Service

- Community service is a hallmark of Notre Dame. About 80 percent of Notre Dame students engage in some form of voluntary community service during their years at the University, and at least 10 percent devote a year or more after graduation to service in the United States and around the world.
- The University's Alliance for Catholic Education (ACE) annually sends 180 recent graduates to teach in some 100 understaffed Catholic schools in the southern, southeastern and southwestern United States and in South Bend. A national model, ACE has received the Higher Education Award from the Corporation for National Service for leadership in using national service resources through AmeriCorps.

Alumni

- The University's network of nearly 270 alumni clubs — including 60 international clubs — is the most extensive in higher education.
- With graduates renowned for their loyalty and generosity, Notre Dame annually ranks among the top-five in percentage of alumni who contribute to the University.
- In recent years, Notre Dame alumni have won a Nobel Prize in medicine, a Pulitzer Prize in journalism and an Emmy Award for contributions to television technology.
