Exceptional Education

Since its founding, Notre Dame has stressed mixing academics with faith and has done so while becoming one of the top institutions of higher learning in the nation. Featuring five undergraduate colleges (Arts and Letters, Science, Architecture, Engineering and Business), the First Year of Studies, the Graduate School and the Law School, the University finds itself attracting some of the top students and faculty in the country. Students also participate in cutting edge research and diverse study abroad opportunities, enabling Notre Dame to offer one of the top academic experiences in the world.

2	Ranking of the Mendoza College of Business by <i>BusinessWeek</i> , in its annual survey of undergraduate business programs.
22	Ranking of the Notre Dame Law School by <i>U.S. News and World Report</i> .
37	National Endowment for the Humanities fellowships won by faculty in the College of Arts and Letters, more than any other university in the nation.
5	Publications in which the University of Notre Dame is ranked among the top 25 institutions of higher learning (<i>U.S. News and World Report</i> , <i>Princeton Review</i> , <i>Time</i> , <i>Kiplinger's</i> and <i>Kaplan/Newsweek</i>).

First Year of Studies

The First Year of Studies program provides all first-year students with the opportunity to gain a wide-ranging liberal arts background before choosing a specific major within Notre Dame's five undergraduate colleges. A progressive advising program for all student-athletes enables the University to follow the academic progress of all student-athletes on a regular basis. Key to the program is the fact that it is not run by the athletics department but by the University administration.

Student-Athlete Success

Notre Dame expects the best out of its student-athletes just as it does of every other student on campus. Notre Dame has had unprecedented academic success among its athletes, consistently ranking among the top NCAA Football Bowl Subdivision schools in graduation rates and academic progress. With more Academic All-Americans than any other school since 2000, Irish athletes have shown themselves capable of performing in the classroom while competing on the field at an elite level.

14

Programs honored by the NCAA for Academic Progress Rate scores in 2009, more than any other of the 119 Football Bowl Subdivision universities. The APR measures multi-year academic success by team members.

9

Irish teams which recorded a perfect score of 1,000 in the NCAA's 2009 Academic Progress Rate report, more than any other Football Bowl Subdivision institution. Notre Dame also had 11 additional programs with scores of 990 or better and all 26 varsity teams placed above NCAA standards.

19

Programs which achieved a perfect 100 percent graduation rate according to the NCAA's Graduation Success Rate, second most among Football Bowl Subdivision institutions.

100

Federal graduation rate percent achieved by nine Irish teams, according to the latest NCAA figures. Notre Dame had 11 teams ranked first in their respective sport.

.863

Percentage of Irish varsity sports (19 of 22) to achieve a perfect 100 percent graduation rate according to the NCAA's Graduation Success Rate. Notre Dame was one of only 10 institutions with more than half its programs achieving a 100 percent graduation rate and no other school saw more than 80 percent of its programs achieve a perfect score.

Sports Medicine

While no athlete plans on an injury, Notre Dame is prepared with one of the top sports medicine teams in the country to help keep its athletes fit and ready to compete. With training facilities in the Joyce Center, Notre Dame Stadium and the Guglielmino Athletics Complex, the training staff is always there to care for athletes. With approximately 200 years combined experience on the full-time staff, Notre Dame also boasts a partnership with the renowned South Bend Orthopaedics to provide first-class care.

14

Total sports medicine staff members. Head athletic trainer Jim Russ leads three associate trainers, eight assistant trainers and two physical therapists.

8,500

Square feet of cutting-edge sports medicine technology, including two 3,500-gallon therapy pools, a full x-ray unit and an MRI machine.

Strength and Conditioning

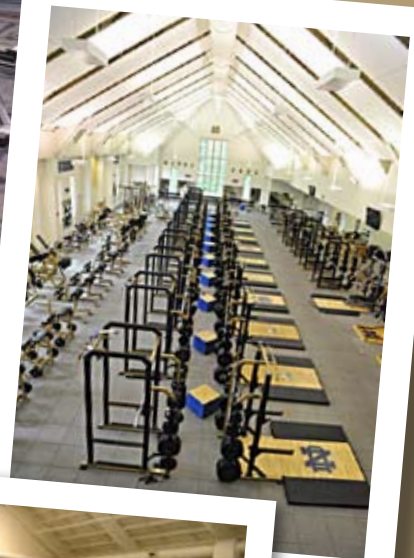

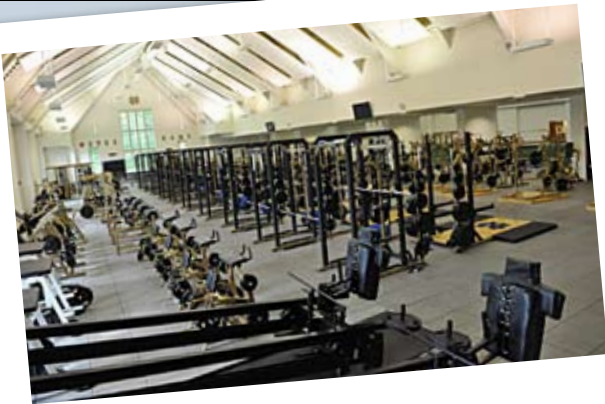

The task of keeping athletes in top physical condition is up to the strength & conditioning staff. The strength and conditioning staff knows the demands of competing on an elite level and is committed to ensuring Irish athletes are always in the best possible condition. From weight lifting to wind sprints and from warming up to cooling down, the strength and conditioning staff has every aspect covered.

10

Full-time employees working with Irish varsity athletes. The strength and conditioning staff includes director Ruben Mendoza, eight coaches, one nutritionist and one intern.

25,000

Square feet in the Haggart Fitness Complex, which is located in the Guglielmino Athletics Complex, including a weight room, a 45-yard artificial turf agility field, a Gatorade hydration station, six plasma TVs and a 28-speaker sound system.

The University of Notre Dame

When Father Edward F. Sorin started his school in the northern Indiana wilderness, he had only \$300, three log buildings badly in need of repair and a far-sighted vision of establishing a liberal arts school to meet the growing educational needs of the frontier. He dreamed of building a great university, and in 1842, he founded the University of Notre Dame du Lac.

Over the years, the University of Notre Dame du Lac would evolve into a preeminent place for Catholic thought. While becoming one of the top undergraduate institutions in the country, Notre Dame has also been at the cutting edge of research, including such innovations as the transmission of wireless messages and the development of synthetic rubber. The University also has stressed residential life, with four of five students living on campus. Students come to Notre Dame not only to learn how to think, but to learn how to live, keeping faith with the vision of Father Sorin.

1842	The University of Notre Dame was founded by Rev. Edward F. Sorin, C.S.C., as an independent, national Catholic university adjacent to South Bend, Ind., on St. Mary's and St. Joseph's Lakes.
11,733	Total enrollment at the University of Notre Dame, with 8,371 undergraduate students.
23.9	Karat gold in the famed Golden Dome, which tops the Main Building at the heart of campus.
5	Notre Dame's ranking by <i>Princeton Review</i> in a list of "Dream Schools" which takes into account academics and student life, among other attributes.

Student Body

Notre Dame is one of a handful of universities with a truly international student body, coming from more than 100 nations and all 50 states. The most recent freshman class featured 88 percent of students in the top 10 percent of their high school class. In addition, there are no fraternities or sororities at Notre Dame, with the school's 28 residence halls housing more than 80 percent of the student body, serving as the focal point of social, religious and athletic activities.

95

Graduation rate percentage among Notre Dame students, third in the nation behind only Harvard and Princeton.

97

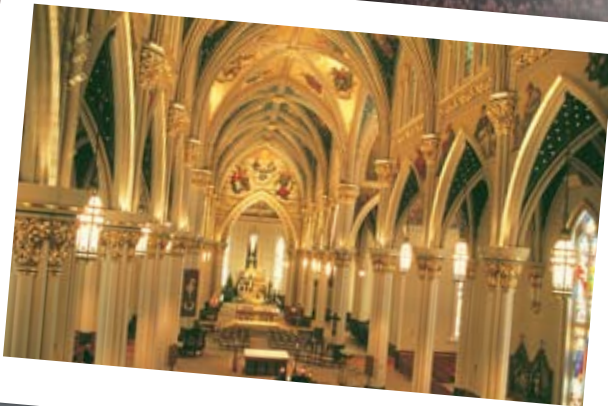

Retention rate between freshman and sophomore year which thanks to the University's renowned First Year of Studies Program, ranks among the highest in the country.

80

Percent of Notre Dame students who reside in one of 28 on-campus residence halls, where approximately 40 Holy Cross religious leaders provide pastoral assistance.

50/100

States and countries, respectively, which Notre Dame students call home.

Rev. John I. Jenkins, C.S.C.

President

Rev. John I. Jenkins, C.S.C., took office as the 17th president of the University of Notre Dame on July 1, 2005. He was elected by the University's Board of Trustees to a five-year term April 30, 2004.

An associate professor of philosophy and member of Notre Dame's faculty since 1990, Father Jenkins had served as a vice president and associate provost at the University from July 2000 until becoming president.

Prior to his service in the provost's office, Father Jenkins had been religious superior of the Holy Cross priests and brothers at Notre Dame for three years. As religious superior, he was a Fellow and Trustee of the University.

Father Jenkins specializes in the areas of ancient philosophy, medieval philosophy and the philosophy of religion. He is the author of *Knowledge and Faith in Thomas Aquinas*, published by Cambridge University Press in 1997.

Father Jenkins earned degrees in philosophy from Oxford University in 1987 and 1989. He earned his master of divinity degree and licentiate in sacred theology from the Jesuit School of Theology in Berkeley, Calif., in 1988. Prior to entering the Congregation of Holy Cross, he earned bachelor's and master's degrees in philosophy from Notre Dame in 1976 and 1978, respectively.

Father Jenkins was ordained a priest in Notre Dame's Basilica of the Sacred Heart in 1983. He served as director of the Old College program for Notre Dame undergraduate candidates for the Congregation of Holy Cross from 1991 to 1993.

A native of Omaha, Neb., Father Jenkins was born Dec. 17, 1953.

Jack Swarbrick

Director of Athletics

John B. "Jack" Swarbrick Jr., a University of Notre Dame graduate who has risen to national prominence as a lawyer, consultant, and executive in the collegiate and Olympic sports industries, is in his second year as director of athletics at his alma mater.

His first year on campus in 2008-09 featured the announcement of plans for a new, free-standing ice hockey arena; creation of an athletic administrative division to enhance athletic performance — plus 35 All-Americans, eight Academic All-Americans and four NCAA post-graduate Scholarship winners.

Notre Dame teams in 2008-09 finished as the NCAA runner-up in both women's soccer (26-1, led by Hermann Trophy winner Kerri Hanks) and fencing (men 33-0, women 32-2), while the women's tennis squad advanced to the NCAA semifinals. The Irish men's soccer squad was seeded 14th in the NCAA bracket, while the hockey team ranked fourth in the final poll after winning CCHA regular-season and postseason crowns. Men's lacrosse finished unbeaten in the regular season (and second in the final poll) -- and women's lacrosse won its first BIG EAST title.

Notre Dame also ranked number one in the country (among Football Bowl Subdivision schools) in the most recent Graduation Success Rate (GSR) numbers with a 98 for all student-athletes. The 2009 Academic Progress Rate (APR) statistics included more perfect 1,000 scores by Irish teams (nine) than by any other FBS institution.

Raised in Yonkers, N.Y., and Bloomington, Ind., Swarbrick is a 1976 *magna cum laude* graduate of Notre Dame with a bachelor's degree in economics. Upon graduating from Stanford University Law School in 1980, he returned to Indiana to accept a position as an associate in the Indianapolis law firm Baker & Daniels. He was made partner in 1987 and spent 28 years overall with the firm.

As a member of the Indiana Sports Corporation, including the chairmanship from 1992 to 2001, Swarbrick's leadership efforts resulted in the city earning the bid to host the 2012 Super Bowl; becoming the home of the NCAA headquarters; and hosting the 1987 Pan American Games, the 1991 World Gymnastics Championships, NCAA Men's Basketball Final Fours, and other college championship competitions plus a wide array of national and world championships in the Olympic sports.

He served as sports commissioner of the 1982 U.S. Olympic Festival in Indianapolis, competition director of the '87 Pan American Games, and chairman of the '91 World Gymnastics Championships. Swarbrick has served as general counsel for numerous national governing bodies of Olympic sports, including USA Gymnastics and USRowing.

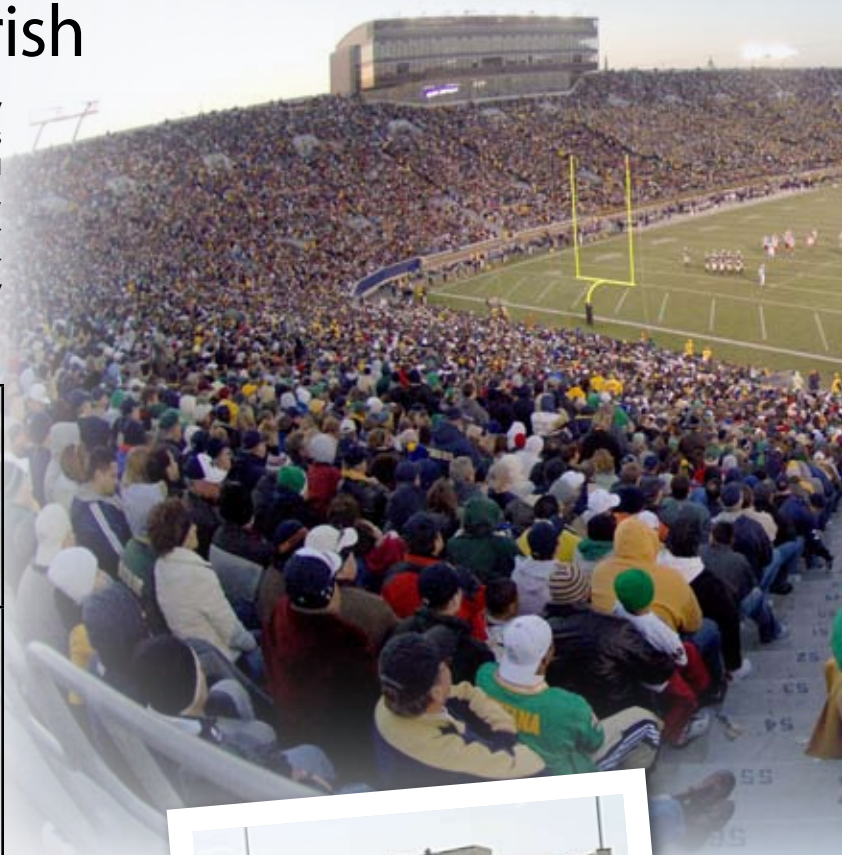

Born March 19, 1954, Swarbrick and his wife Kimberly are the parents of four children: Kate, a senior at Saint Louis University; Connor, a junior at Wake Forest University; Cal, a senior in high school; and Christopher, a high school junior.

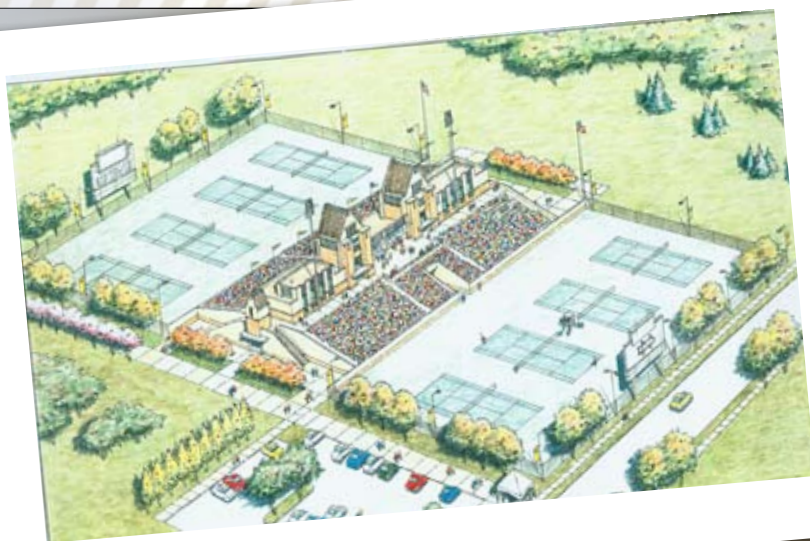

Homes of the Fighting Irish

In the midst of a master plan that will touch nearly every varsity team, Notre Dame has shown its commitment to providing athletes with the best possible facilities to help them compete on a national level. From new facilities to the extensive renovation of existing ones, Notre Dame is committed to giving Irish athletes every edge imaginable. The plan will result in a drastically altered footprint on the south-east corner of campus, creating an athletics quad that will give every Irish athlete a place they will be proud to call home.

3	New athletics facilities which will open on campus during the 2009-10 year. Alumni Stadium will be the new home for men's and women's soccer; Purcell Pavilion renovation and expansion of the Joyce Center arena will be completed; and Arlotta Family Stadium will open as the new home for the men's and women's lacrosse teams.
3	New facilities which have opened their doors in the past five years, including the Guglielmino Athletics Complex (housing football offices and locker room, a new weight room and new sports medicine facilities), the LaBar Practice Complex (featuring two Field Turf fields and one natural grass field) and Melissa Cook Stadium (home of the Irish softball team).
26.3	Million dollars being spent on Purcell Pavilion for additions and renovations to the Joyce Center arena. Purcell Pavilion at the Joyce Center will feature a three-story addition with club seating, a hospitality area, additional area for restrooms and concessions, as well as new space for the Varsity Shop and the Notre Dame ticket office.
4	Facilities which are still on the master plan to create a comprehensive athletic quad. The track and field teams, the hockey program, the tennis squads and the rowing team all will receive new facilities in the near future.

Championship Teams

Notre Dame prides itself on competing with the best in every sport it fields. Eight different programs have won national championships since Notre Dame began its first varsity team, football in 1887. With more consensus national championships in football than any other school, other programs have begun to emerge on the national scene in the 14 years since Notre Dame joined the BIG EAST Conference.

25	National championships (11 in football, seven in fencing, two in women's soccer, two in men's tennis, one in men's golf, men's cross country and women's basketball) won by Notre Dame.
101	BIG EAST Conference championships won by Notre Dame in 14 seasons of league play.
10	Conference championships won by Irish teams during the 2008-09 year (eight BIG EAST, plus Central Collegiate Hockey Association and Great Western Lacrosse League).
13	Irish programs which finished their 2008-09 season nationally ranked.
11	Consecutive years in which Notre Dame has finished in the top 25 of the United States Sports Academy Division I Directors' Cup, sponsored by the National Association of Collegiate Directors of Athletics. With a 21st-place finish in 2009, Notre Dame matched its finish from the previous year.

Championship People

To measure the success of Notre Dame's determination to have both academic and athletic success, one needs only to look at the numbers. From Academic All-Americans to BIG EAST Conference Academic All-Stars, Notre Dame continues to set the bar nationally.

210

All-time Academic All-Americans produced by Notre Dame, second most of any university.

84

Academic All-Americans since 2000, more than any other school.

2

Irish teams which have produced more Academic All-Americans than any other school in their respective sports – baseball and women's soccer.

8

Notre Dame Academic All-Americans in 2008-09.

48

Notre Dame NCAA postgraduate scholarship recipients since 1964, including four in 2008-09: Matt Besler (men's soccer), Brittany Bock (women's soccer), Lauren Buck (rowing) and Patrick Smyth (men's cross country).

Irish in the Community

In addition to academic success, Notre Dame emphasizes giving back to the community as well. Notre Dame athletes have participated in countless service projects through the years, benefiting the Notre Dame and South Bend communities and beyond. Team and individual projects have allowed Irish athletes to see the positive impact they have in the lives of others and learn how to use their talents to benefit those in their communities.

5,500

Hours of community service completed by Notre Dame student-athletes during the 2008-09 school year.

686

Community service hours completed by the women's swimming team, tops among Irish programs in 2008-09. The team assisted with programs including the Domer Run, Irish Aquatics, Relay for Life and Fit for Fun, among others.

82.5

Hours of community service completed by the women's soccer All-American Carrie Dew, more than any other Irish athlete. Dew volunteered at Healthwin Specialized Care with the elderly, Life-works children's program and Take 10, which emphasizes non-violent ways for children to resolve disputes, among other service projects.

An Exclusive Club

The Notre Dame Monogram Club was founded by athletics director Jesse Harper in 1916 to bring together varsity letterwinners to promote spirit, unity, leadership and sportsmanship. Today's active members help keep past athletes connected to Notre Dame and the current student-athletes. In addition to helping contribute to scholarships, the Monogram Club has helped contribute to new facilities, especially the renovation of Heritage Hall and the Monogram Room, located in the Joyce Center.

2

Postgraduate scholarships awarded by the Monogram Club in 2009. Football's Thomas Bemenderfer and volleyball's Mallorie Croal earned the first annual grants. Croal will be working towards a masters of nursing at San Diego while Bemenderfer will be enrolling in medical school at Indiana University.

3,628

Active members in the Monogram Club through the 2008-09 year. The contributions of active members entitle them to *Inside Irish*, a magazine for members; the annual Riehle Open golf outing; football tickets and makes their children eligible for the Brennan-Boland-Riehle Scholarship.

2.5

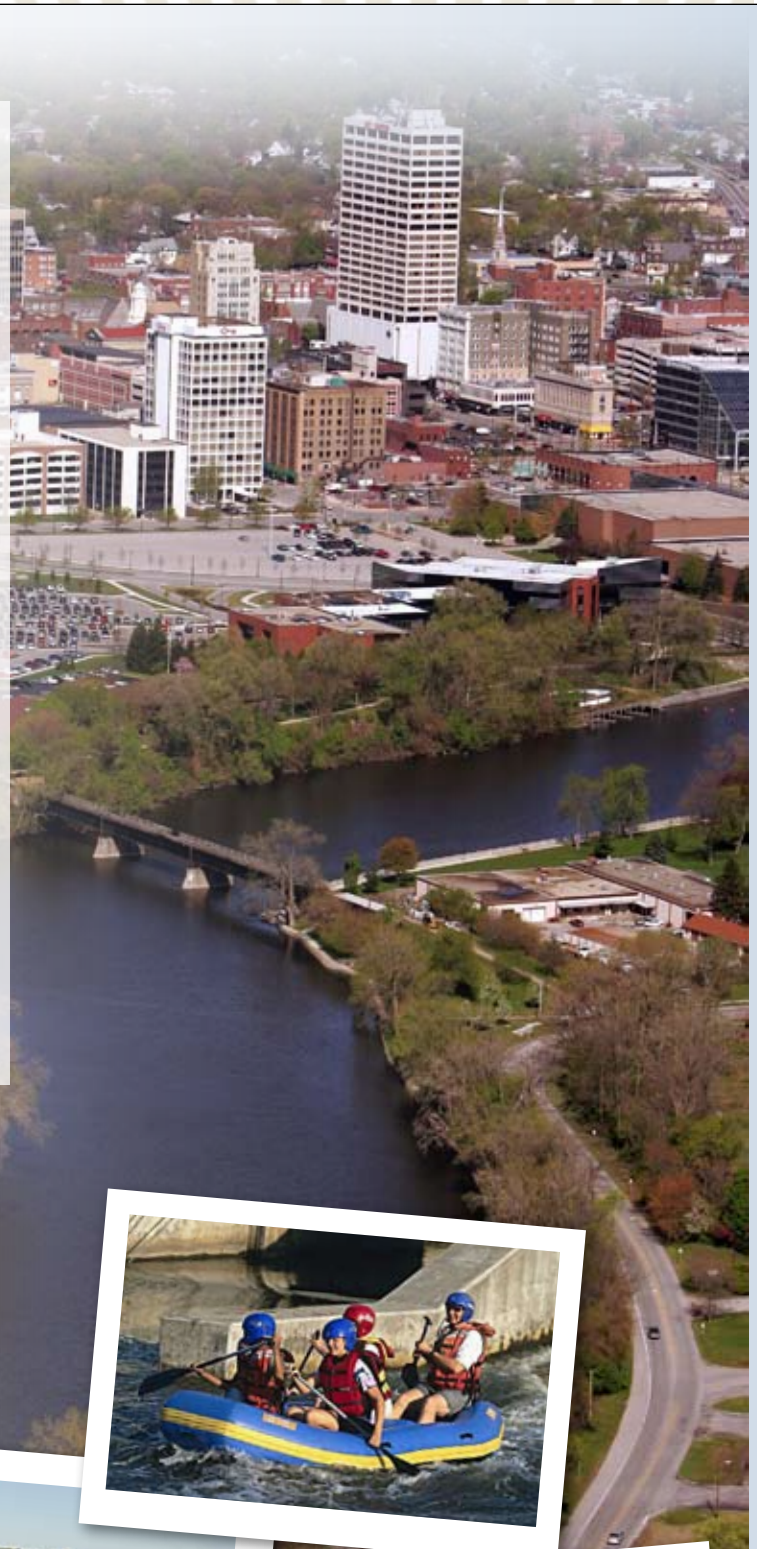

Million dollars which have been contributed to the Brennan-Boland-Riehle Scholarship fund, which benefits the children of former Notre Dame athletes who attend the University.

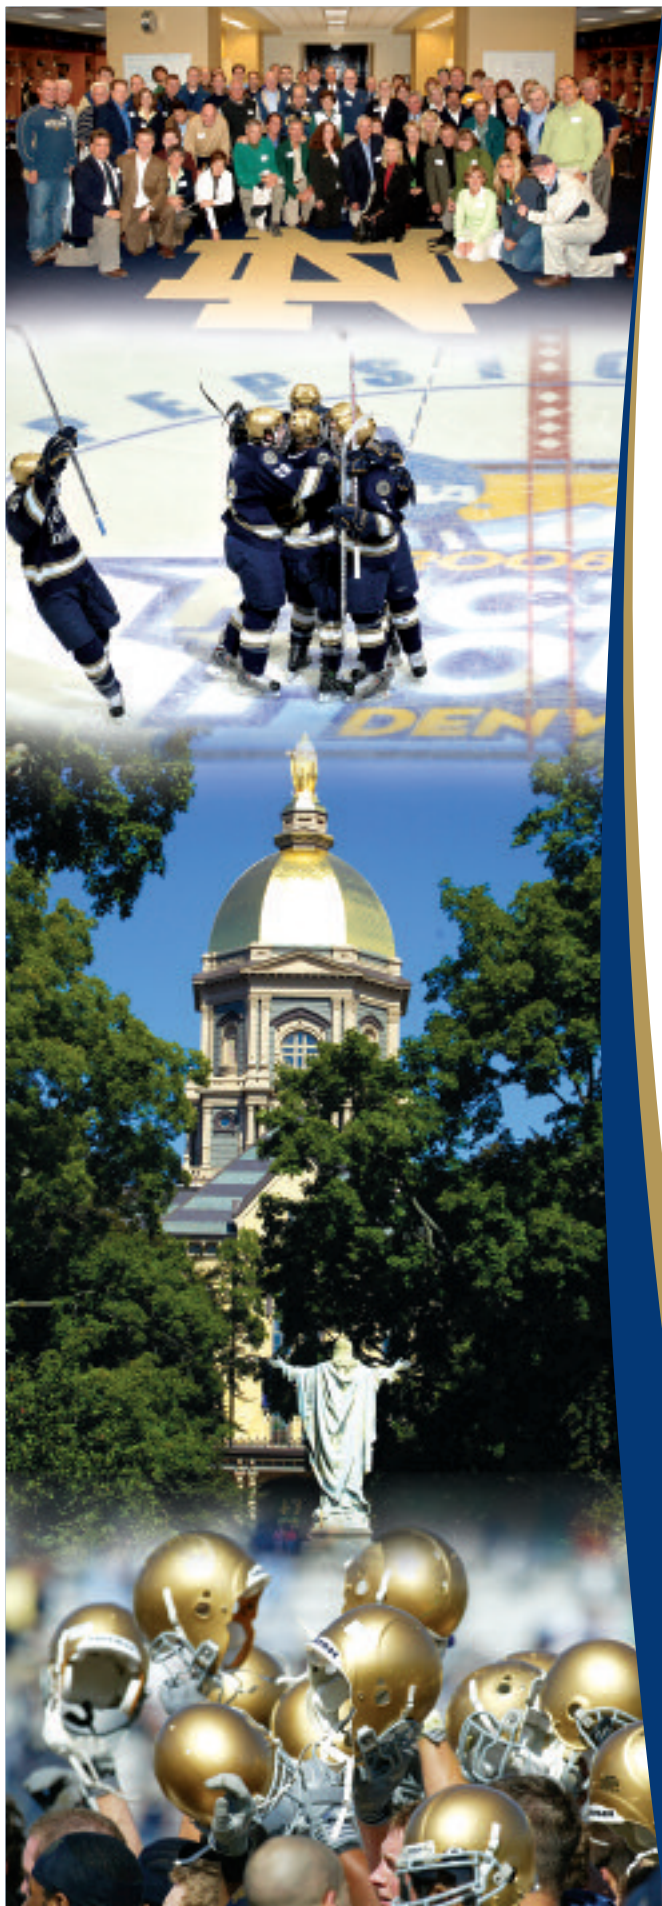

Notre Dame's Neighbor

Located adjacent to South Bend, Ind., the University of Notre Dame has always acknowledged its place in a greater community. Sitting between South Bend and Mishawaka in northern Indiana, Notre Dame has benefited the area in ways unimaginable, especially when it comes to Notre Dame football weekends. It is estimated that the average football weekend brings approximately \$6.2 million dollars to the surrounding community. In addition to the financial aspect, Notre Dame feels truly invested in the surrounding community, with students participating in countless service projects to benefit the greater South Bend area.

266,678	Population of the South Bend-Mishawaka area.
5.5	Millions of dollars in voluntary contributions over the next 10 years from the University of Notre Dame to the cities of South Bend and Mishawaka, the town of Roseland and to St. Joseph County.
21	Football legends enshrined in South Bend's College Football Hall of Fame in the summer of 2009, including former Irish head coach Lou Holtz. The College Football Hall of Fame was constructed in downtown South Bend in 1995 and features what is regarded as one of the most interactive museums in the world.
1,900	Feet runs the East Race Waterway, the first and only manmade whitewater rapids facility in North America. The East Race hosted the 2004 U.S. Olympic Trials for kayak.

GIVE A GIFT *and* LEAVE A LEGACY

Over 650 student-athletes on 26 varsity teams excelling in academics, spirituality, community service and athletics - all made possible courtesy of the generous alumni, parents and friends who support Notre Dame's first athletics annual fund – the Rockne Heritage Fund.

The culmination of these gifts assists the University in underwriting athletics scholarships that are the lifeblood of every program that wants to recruit the best and the brightest and compete for national championships.

Our work has just begun. Scholarships are one of the largest line items in the department of athletics operating budget, accounting for roughly \$14 million annually.

Director's Circle

Members donating to the Rockne Heritage Fund at the \$1,500, \$5,000, \$10,000 and \$25,000 levels, receive a corresponding benefits package.

For more information on the attractive football ticket benefit, visit our website: und.com/rockneheritagefund.

*Notre Dame seeks its 14th consecutive BIG EAST
Conference title in 2009-10 to extend the league's
longest winning streak of any team in any sport.*

Repeat and Advance

Lofty goals within reach for defending BIG EAST Conference Champions under second-year head coach Brian Barnes

NOTRE DAME, Ind. – Winning a conference championship just once would be a noteworthy accomplishment for many programs throughout the nation. However, Notre Dame is not just another program.

With a BIG EAST Conference record 13 consecutive league titles to its name, the Irish swimming and diving program not only seeks a 14th trophy but has its sights set on NCAA hardware.

Notre Dame head coach Brian Barnes, now in his second season with the program after earning four men's and women's national titles as an assistant at Auburn, has his program poised to make an impact on the national scene this season.

"It was a great first year in terms of the advancement of our program, while I've gotten to learn about Notre Dame and the student-athlete at Notre Dame," Barnes said. "This season's team is different than last year, as most teams are from year to year. But when you really evaluate the potential up and down the roster, we can make some great things happen."

"I've asked them if they are content with just winning the BIG EAST title and challenged them to shoot to achieve something bigger and better. We want to win the BIG EAST each year, but what are we going to do after that? The gates are wide open for these women with the commitment and drive they've displayed over the last year."

Returning All-American breaststroker Samantha Maxwell along with five school record holders and six World Championships Trials participants makes for a bountiful 2009-10 Irish roster.

Maxwell set the program's 100 and 200 Breast records at last year's NCAA Championships, a meet she traveled to with Amywren Miller and diver Natalie Stitt. Miller became the fastest swimmer in Irish history by breaking the 50 Free record at the BIG EAST Championships in 2009, while Stitt swept the 1-

Junior Samantha Maxwell will be a key instrument in leading the Irish to a 14th consecutive BIG EAST title.

and 3-meter events at the league meet to earn the BIG EAST Most Outstanding Diver award.

The experience that those three alone bring to the table provides Barnes with a strong nucleus to build upon throughout the season. Furthermore, 10 school records were reset last season and each of those swimmers return in 2009-10.

"We broke school records in fly, back, breast and free last year and all of those women returned after the summer in great shape," Barnes said. "Our medley relays are looking good with Maggie Behrens (100 Back school record holder) and freshman Kim Holden comes in with times that are just as fast to add some depth there. Katie Casey (200 Fly school record holder) and Kellyn Kuhlke (100 Fly school record holder) should have a good hold on those events throughout the year."

The Irish have added more speed to the team to chase Miller, including freshman Lauren Scott, whom Barnes noted as a solid catch for

the program. He also pointed out that the distance corps, paced by Lauren Sylvester and Zeina Shanata, is also much improved with the additions of Jaime Malandra and Gracie Fredlake.

In the individual medley events, Ashlee Edgell and Megan Farrell – who are also team captains for the campaign – return to the pool in hopes of making another push at BIG EAST titles.

"You may even see some of our swimmers race in events they may have never swum in throughout the season," Barnes said.

While Barnes has challenged the team to go from good to great, the 2009 BIG EAST Coach of the Year knows his team is capable of sending even more swimmers and divers to the NCAA Championships.

"If we are going to live like the BIG EAST is the most important meet of the year, then it is going to be," Barnes said. "I want us to live every day talking about the NCAA Championships and bigger and better things – like even national and international competitions. When we arrive at the BIG EAST Championships, then that will be the most important

meet of the year. The rest of the time we are going to talk about the NCAA Championships.

"This team has All-American potential all over it. There are some exciting things in the water right now. To enter the collegiate season knowing that we have the tools in the shed, I think we can put more points on the board at the NCAAs. I think we could come out of this season with a pretty good showing in March."

But before March rolls along the Irish have a hefty schedule cut out for them. Five home meets and trips to a pair of Big Ten schools highlight the 2009-10 slate.

"The road to the NCAA Championships in March is a process, and all of these meets along with our training trip are part of that process," Barnes said. "We've put together a competitive schedule that should help us achieve several goals, including defending our BIG EAST Championship and sending even more participants to the NCAA Championships."

Notre Dame opens with the 26th edition of the Dennis Stark Relays (Oct. 9) at the Rolf's Aquatic Center and hosts Michigan one day later.

"The Dennis Starks Relays is a fun meet, but being able to honor Coach Starks for his contributions to the program is the best part of the day," Barnes said.

Trips to Purdue (Nov. 6) and Indiana's Hoosierland Invite (Nov. 20-22) round out the fall portion of the schedule.

The Irish will head to Hawaii for the program's annual winter training trip Dec. 28-Jan. 8 but will have little time to rest as Northwestern comes to town on Jan. 9.

Senior Day ceremonies are scheduled for the Jan. 16 home meet against Louisville, and the Shamrock Invitational (Jan. 29-30) is the final meet of the regular season.

The 2010 BIG EAST Conference Diving Championships will take place Feb. 12-14 in Pittsburgh, Pa., while the swimming events run from Feb. 17-20.

Purdue will host the NCAA Zone Diving Championships (March 12-13) and the NCAA Swimming and Diving Championships (March 18-20).

Diver Natalie Stitt hopes to defend her 1- and 3-meter titles at the 2010 BIG EAST Championships.

Coaching Staff

Brian Barnes and his staff look to take Notre Dame deeper into the NCAA's this season after sending three student-athletes to the national meet in 2009.

Head Coach

Brian Barnes

**Head Coach
Second Season
Indiana '95**

Brian Barnes was named the University of Notre Dame's head women's swimming coach in August 2008 after serving as an assistant coach at Auburn since 2005.

"We're thrilled that Brian has come to lead our women's swimming program," said Notre Dame athletics director Jack Swarbrick.

"He has worked with world-class swimmers at Auburn, and he competed as part of a program at Indiana that has as much tradition as any. He absolutely understands what it takes to be successful in the environment of women's swimming at the intercollegiate level."

"It's an absolute honor to be here at Notre Dame," Barnes said. "My coaching career has now gone full circle, beginning as a club coach for 10-year-olds and practicing at (Notre Dame's) Rolfs Aquatic Center to being the head coach here.

"I'm fired up and honored to be able to represent Notre Dame. This school is one of the finest academic institutions in the world, and I certainly believe that you also can have high levels of success here at Notre Dame in women's swimming and diving."

Barnes wasted no time in placing the Irish back at the forefront of the BIG EAST Conference by leading the team to its 13th consecutive league title in 2009, the longest streak by any team (and in sport) in conference history. Notre Dame won 10 events at the BIG EAST Championships while earning 40 all-league accolades and teamed to reset 12 program records. Furthermore, the Irish sent three student-athletes to the NCAA Championships with Samantha Maxwell coming home with a pair of All-America honors as Notre Dame finished 31st overall. Six swimmers also participated in the 2009 World Championship Trials.

For his efforts, Barnes was named the 2009 BIG EAST Women's Coach of the Year.

An Osceola, Ind., native, Barnes helped guide both the Auburn men's and women's swim-

ming teams to NCAA Championships in 2006 and 2007. The men won the Southeastern Conference meet three times from 2006 through '08, while the women picked up a pair of league titles during that span. In 2008, Auburn's men placed fifth at the NCAA meet, with the women posting a runner-up performance.

Barnes spent the bulk of his time working with Auburn's middle-distance performers. The Auburn student-athletes earned 84 All-America honors from 30 different athletes and six NCAA individual championships in Barnes' final season with the program in '08 — as the women finished their season as one of the top two teams in the country for the seventh year in a row. The Tiger women have won five of the last seven NCAA team titles with the only other second-place finish coming in 2005.

Barnes spent three seasons (2002-05) as the assistant men's swimming coach at his alma mater, Indiana University. He helped coach the 2005 Hoosiers to their highest finish at the NCAA Championships since 1991 and their first 10-win dual meet season since 1985. In 2005, Indiana garnered 29 All-America honors, the most since 1976, and finished second at the Big Ten Conference Championships. In 2004, the Hoosiers had five All-Americans and finished 17th at the NCAA Men's Championships.

Prior to his coaching stint at Indiana, Barnes served as the head coach of the Lawrence (Kan.) Aquahawks from 1998-02. With the Aquahawks, he was responsible for the general management of a 200-member, parent-run swim club. He created a program for swimmers ages five to 22, planning practices and meet schedules for swimmers of all ages and abilities. During his tenure, Barnes produced a number of collegiate swimmers who went on to swim at the NCAA Division I level and was recognized as the Region VIII Coach of the Year in 2000.

Before joining the Aquahawks, Barnes served as the assistant coach at the University of Kansas from 1997-98. He developed daily workouts and was involved in every aspect of recruiting. Barnes began his coaching career with the Michiana Marlins, a USA Swimming club team in South Bend, Ind., that held practices in the Rolfs Aquatic Center at Notre Dame.

At his club stops, Barnes coached a 2002 National Junior Team swimmer, a 2001 Central Zone record-holder, a 1998 World Championship finalist, two of the top eight finalists at the Senior Nationals in 1996, and a Missouri Valley swimming record-holder. He also coached several national age-group top-16 qualifiers (including one champion), several Missouri Valley age-group champions, numerous Indiana State Champions and record-holders, and several national championship qualifiers.

Barnes was a highly accomplished swimmer during his career at Indiana from 1992-95. He was a two-time All-American and a five-time honorable mention All-American. His school record in the 400 Individual Medley stood for more than 15 years from 1992 until 2007. A two-time team most valuable swimmer, he served as team captain during his senior campaign.

The two-time Indiana Swimming Male Swimmer of the Year (1989, 1995) was also a member of the USA Swimming National Team in 1989 and 1992. Barnes was a U.S. Olympic Trials qualifier in 1992 and 1996.

A 1995 graduate of Indiana, Barnes earned a bachelor's degree in kinesiology and is a level-4 certified member of the American Swimming Coaches Association.

In July 2004, Barnes married the former Alyssa Winter of Surry, N.H. They are the parents of Jack and Caroline.

What They're Saying About Brian Barnes...

Richard Quick

Former Head Swimming and Diving Coach, Auburn University

"Brian is a great coach that many people in the nation don't know about yet. He has great intuition in terms of what an athlete needs and how to get the most out of that athlete."

David Marsh

Head Swimming Coach, United States Olympic Committee Center of Excellence with Mecklenburg Aquatic Club (N.C.)

"He is one of the top young coaches in the United States. His background gives him tremendous experience at all levels and in all events. The passion Brian will pour into Notre Dame will no doubt lead to phenomenal success in the future. Notre Dame hit a home run with this hire."

Vicki Schmidt

Kansas State Senator

"I'm one of Brian's most ardent fans. He is the best thing in swimming. He is everything that is great about a coach and represents all that a coach should be. He coached our son throughout high school and became a part of our family, and it speaks to Brian's character that he has stayed in touch with us throughout the years. I wish I could have sent more children his way! He has no weaknesses, only strengths. Notre Dame is a lucky school to have landed him. He will make the University proud. I'm thrilled that he gets to return home and I look forward to following his progress."

Eric Nelson

Head Swimming Coach, Wichita Swim Club (Kan.)

"I think Notre Dame made a great hire in Brian Barnes. He is a great leader of student-athletes. He's an extremely confident and professional coach. The best thing about him is that he cares about people. Notre Dame will turn out great swimmers and great people under Brian."

Getting To Know Irish Head Coach Brian Barnes

On being born and raised in the South Bend area ...

I was born in Mishawaka (Ind.) and was the fourth of five children. When I was one, we moved to Osceola and I lived in the same house for 18 years. I grew up swimming for the Michiana Marlins who practiced in various pools in the South Bend school district and here at Notre Dame. My big ties to Notre Dame were definitely through football. We were big Notre Dame fans and took a particular liking to (former head football coach) Lou Holtz. I remember my father pulling for Notre Dame when they won the national championship in 1977.

When you grow up in Osceola and close to Notre Dame, you dream of playing football for the Irish. That was common at my middle school and my high school. Of course I thought about that when I was younger, but it was my goal to swim collegiately.

On how he began his career as a swim coach ...

I graduated from Penn High School and went off to Indiana University. After I graduated there, I came back to the area knowing that I wanted to coach but I didn't know how to get into the profession. I was presented with a great opportunity with the Michiana Marlins and I started off coaching the 10-and-under swimmers here at the Rolf's Aquatic Center.

The head coaching position with the Michiana Marlins freed up. I have to be honest – I didn't really know what I was doing as a 23-year-old head coach. I coached the Marlins for one year and was then presented with the opportunity to coach collegiately at Kansas. I moved to Lawrence and coached at KU for one year.

There was a local club team that showed a lot of potential and a lot of promise. I applied and accepted a position with the Lawrence AquaHawks and I knew that with taking the job I would stay put for a while. I was there for four years coaching the program. It was a great program, as we started out with 85 swimmers. Over the course of my time there we built a beautiful 10-lane indoor swimming pool. The program was exploding! By the time I left the Lawrence I had eight assistants and over 200 families involved within the program.

On his progress within the college coaching ranks ...

I was presented with the opportunity to coach at Indiana University and of course I had trouble turning that down. I got back into collegiate coaching and recruiting student-athletes at IU and that was an awesome experience because I had some meaningful years under my belt and I knew what I was doing. I had become a better coach; you never really learn how to coach, you just try to improve. I had confidence on deck and learned the recruiting system, the NCAA and the university structure. After being at Indiana for three years, Auburn was looking for an assistant and they called upon me.

On developing as a coach at Auburn ...

Having the chance to coach at Auburn was an unbelievable opportunity. I knew that going down there and being around those people was going to be an extremely valuable experience. Being a part of a championship program, I viewed it as a career investment. With the expectations of winning conference and national championships each season, there is a certain attitude and belief within the program that the student-athletes thrive on. I will always be grateful for my time spent at Auburn.

On what he's like outside of coaching ...

I'm a garage guy. I like to build things. Home improvement and carpentry are definitely hobbies. When I was at Auburn I'd routinely make recruiting calls from my garage because I always had a project going on in there. I've also been to over 200 concerts and still go to shows when I have the chance.

My son, Jack, is going to play nose guard for a football team. I think he's going to be good at pushing people around – he's rough and a tumbler. I met my wonderful wife, Alyssa, in Bloomington. She's a certified athletic trainer and she's phenomenal at decorating cakes. I'm very blessed to have such a loving and supportive family.

Diving Coach

Caiming Xie

**Head Diving Coach
15th Season
Beijing Institute of
Physical Education '85**

Now in the 32nd year of his career as a diving coach, Caiming Xie has helped his protégés win BIG EAST titles, All-America honors and gold medals. A proven winner, Caiming's experience reaches all over the world and he is in his 15th season as head women's and men's diving coach at Notre Dame.

During his tenure, he has molded the top two divers ever to compete for the Irish - Heather Mattingly and Meghan Perry-Eaton - who combined for five BIG EAST titles, seven appearances in the NCAA Championships, and eight All-America citations. The duo also holds all six of the Notre Dame diving records, as well as four Rolf's Aquatic Center records.

For his efforts, Caiming, the first full-time diving coach in Notre Dame history, has been named his conference's top diving coach on six occasions, claiming the BIG EAST's top honor in 1999, 2004, 2005, 2006, 2007 and 2009. The last seven seasons have been the most successful in Irish women's diving history, featuring eight BIG EAST titles, five All-America honors and four BIG EAST Championships Most Outstanding Diver awards.

Most recently, Caiming coached Natalie Stitt to

the 2009 BIG EAST Championships Most Outstanding Diver honor as Stitt swept the 1- and 3-meter events at the league meet. She went on to finish 32nd at the NCAA Championships in both events.

Caiming also helped coach a United States squad that claimed six medals at the 2009 World University Games in Belgrade, Serbia.

In 2006, Caiming molded two women's divers into all-BIG EAST performers in the 3-meter event as Lucy Hirt was the runner up while her teammate, Tara Hyer, placed third in the same event at the BIG EAST Championships. For his efforts, Caiming captured his fourth BIG EAST Coach of the Year Award. Just two seasons later, Hyer was third off the 3-meter board at the league meet while Natalie Stitt claimed the title in that event and placed third off the 1-meter board.

From 2003-05, Perry-Eaton turned in the most impressive two-year stretch ever by an Irish diver, as she was beaten just one time during the regular season before sweeping the springboard events at the 2004 and 2005 BIG EAST Championships en route to being tabbed the meet's top diver. Perry-Eaton was the first Notre Dame diver ever to win a title at the NCAA Zone C Championships in 2004, taking first off the 1-meter board. At the NCAA Championships, she delivered the highest-ever finish for a Notre Dame swimmer or diver, taking third in that event, ending up just 3.30 points behind the national champion to become an All-American. She followed up with a fifth-place finish in 1-meter diving at the 2005 NCAA meet.

In 2002-03, Perry-Eaton became the first Notre Dame diver - and first non-University of Miami diver since 1996 - to win a BIG EAST championship, placing first in the 1-meter competition. She also was second on the 3-meter board and was named the BIG EAST's top diver - her first of three consecutive diver-of-the-year awards. Perry-Eaton then qualified for the NCAA Championships, where she placed ninth in the 1-meter event and 20th on the 3-meter board to earn honorable mention All-America honors.

Perry-Eaton finished her career holding four of the six Notre Dame diving records: six-dive 1-meter in both dual (322.64) and championship (331.58) action, as well as 11-dive, 3-meter championship competition (586.43) and 10-meter platform championship action (336.60). Additionally, she boasts Rolf's Aquatic Center records in both six-dive 1-meter formats (322.64 dual, 315.25 championship), as well as for dual-meet 3-meter action (333.82). Her score of 309.20 in 1-meter diving in 2003 en route to winning her first BIG EAST title stands as the highest since the switch to a six-dive format in championship meets in 2000-01.

Mattingly was the first Irish diver to earn All-America honors, as she was a four-time honorable mention selection before being named an All-American in 3-meter action in 2002 with an eighth-

place finish. Mattingly was the first Notre Dame diver to qualify for the NCAA Division I Championships, and she earned bids to the meet in each of her four collegiate campaigns. Mattingly also had a great deal of success in the NCAA zone meet, taking second in 1-meter action in 1999, in addition to third-place results in 3-meter competition in both 1999 and 2002. She still maintains two Notre Dame records: for 10 dives in a championship meet off the 1-meter board (425.40) and for six-dive, 3-meter action (351.15). Her score of 550.55 in winning the 3-meter competition in the 2000 Notre Dame Invitational also is the best in the history of Notre Dame's home facility.

Before coming to Notre Dame, Caiming was the head diving coach for three years at Toledo, earning Mid-American Conference diving-coach-of-the-year laurels in each of his last two seasons. Prior to his stint with the Rockets, Caiming was an assistant coach for the 1991-92 season at Pittsburgh.

Boasting a wealth of international experience on his résumé, Caiming served as the 1980 Chinese Olympic diving coach. He also was a technical consultant for United States Diving since 1994 and has held clinics and presentations for the United States Diving national team.

The Chinese national team coach from 1977-90, Caiming coached Sun Shu-Wei, a gold medalist in the men's platform competition at the 1992 Olympics in Barcelona, Spain, and Zhu Jin-Hong, who finished fourth in the women's platform in Barcelona. Caiming's divers also have earned medals at the Asian Games, World Cup, World University Games, and World Championships.

A competitive diver in his own right, Caiming won the springboard competition at the Asian Games in 1974 and earned first place in the platform and second in the springboard competition at the National Games of China in 1975. A 1985 graduate of the Beijing Institute of Physical Education, he also won numerous Chinese diving championships on the national level.

Caiming and his wife, Ping Tong, have one son, Tong, who graduated from Notre Dame in 2003 after a successful career as an Irish diver.

Assistant Coach

Kate Kovenock

Assistant Coach
First Season
Connecticut College '05

Kate Kovenock, who spent four seasons as assistant coach for both the men's and women's swimming programs at Division III powerhouse Kenyon College, was named assistant women's swimming coach at the University of Notre Dame in May 2009. An 11-time All-American at Connecticut College, she helped Kenyon College to seven (four men's and three women's) NCAA men's and women's team championships during her four-year tenure at the school.

"Kate is a great hire and I am very excited to have her join my staff," head coach Brian Barnes said. "She has a comprehensive understanding of athletics and swimming that will help build Notre Dame into a highly-successful program. Kate is very bright and understands the effort that it takes to compete at a championship level. Her coaching experience at Kenyon has given her great insight into the pace you need to work at to be competitive from year-to-year."

An assistant on the Kenyon staff, the women's team won national titles from 2007-09 after recording a runner-up finish in 2006. During Kovenock's tenure, a total of 32

women's swimmers earned 247 All-America citations, including 11 who earned 10 or more All-America accolades from 2005-09.

She coordinated recruiting efforts for the women's program and was responsible for coaching all training groups. In addition, she designed and implemented Power Rack programs for sprint and stroke groups. Kovenock also served as a liaison with academic services at the College and handled many administrative duties with regards to travel, training trips, budgets and scheduling relative to the program.

From 2003-08, she also served as a coach for the Total Performance Elite Sprint Camp at Kenyon College.

Kovenock graduated from Connecticut College with honors and distinction earning her bachelor's degree in philosophy in '05. A four-year member of the women's swimming program from 2001-05, she was the NCAA champion in the 50-yard freestyle at the Division III national championships as a junior in 2004. She garnered 11 All-America accolades in the 50, 100 and 200-yard freestyle events and won 11 New England Small College Athletic Conference (NESCAC) championships in those

events. Kovenock also held NESCAC records in those events. A two-time co-captain of the teams, she finished her career as the school record holder in the 50, 100, 200-yard freestyle and 50 and 100-yard butterfly events.

A member of the Dean's List throughout her four years at Connecticut College, she was a two-time *ESPN The Magazine*/CoSIDA Academic All-American and twice earned NESCAC All-Academic Team honors. In '04, she was the recipient of the Connecticut College Social Sciences, Humanities and Arts research grant. In her senior year, she also served as a senior admission fellow for the school's Department of Admission and was a four-year member of the Athletic Advisory Board for Student-Athletes.

"I am very excited to join Brian's staff and become a part of the Notre Dame community," Kovenock said. "In coming to the University, I had put into my mind a picture as to what it would be like here. It really struck me during the interview process what an impressive experience Notre Dame offers to its student-athletes and the resources and facilities that exist at the school. I look forward to the opportunity to be part of the swimming program here."

Making a Scene With No. 13

First-year head coach Brian Barnes keeps Irish on track with 13th consecutive BIG EAST title

Sixteen Irish swimmers and divers earned all-league accolades at the 2009 BIG EAST Conference Championships in Indianapolis, Ind.

The Irish put the finishing touches on their 13th consecutive BIG EAST title in February 2009 to extend the league's longest championship winning streak in any sport. In all, Notre Dame broke 12 school records at the four-day meet. Notre Dame went 6-3 during the dual meet portion of its 2008-09 schedule and received votes in the final CSCAA top-25 poll.

BIG EAST Hardware ...

First-year head coach Brian Barnes was honored as the BIG EAST Coach of the Year and Caiming Xie took away the league's hardware as the top diving coach. Natalie Stitt was handed the meet's award as the top female diver after claiming the individual title off the 1- and 3-meter boards.

Irish at NAAs ...

Samantha Maxwell, Amywren Miller and Stitt represented the Irish at the NCAA Championships, scoring 19 points as the team finished 31st overall.

Under 1:00.00 ...

Maxwell turned in a top-10 finish during the preliminary session of the 100 Breast at the NCAA Championships. Her 59.73 performance broke her own school record and was the first sub-1:00.00 mark recorded in program history. Maxwell placed sixth in the finals with a 59.44

to reset the school record and earn her first All-America accolade. She also earned Honorable Mention All-America nods in the 200 Breast.

Steaming at the Boiler-Make-It ...

Colleen Fotsch, Kellyn Kuhlke, Maxwell and Miller teamed to set a school record in the 200 Medley Relay at Purdue's Boiler-Make-It Invitational. The foursome went 1:39.29 in a time-trial swim for an NCAA B-cut.

Amywren Revs It Up ...

Miller went 22.37 in the 50 Free while finishing second in the event at the BIG EAST Championships. Miller's performance was the fastest in school history, breaking the record she shared with Carrie Nixon.

Maxing Out ...

Maxwell was named the Division I Women's Counsilman Hunsaker National Collegiate Swimmer of the Week on Jan. 21. During Notre Dame's dual meet at Louisville, Maxwell won the 100 Breast in 1:02.16, good for a pool record and NCAA B-cut, followed by her second win in the 200 Breast, which also broke a pool record and cleared the NCAA B-cut standard in 2:15.04. The sophomore picked up an assist by leading the 200 Medley Relay team to a win in 1:43.04 to notch another pool record.

Shamrock Sweep ...

Notre Dame picked up three dual meet wins at home in January while wrapping up the Shamrock Invitational. Victories over Michigan State (259.5-106.5), Denver (233-131) and West Virginia (265.5-97.5) moved Notre Dame's overall record to 6-2 on the season. The then 24th-ranked Irish won eight events on the final day of the invite.

Records Fall at Ohio State ...

Maxwell cemented her name in the Notre Dame record books for the first time during the 2008-09 season at the Ohio State Invitational in December. Maxwell, who broke her own school record in the 100 Breast (1:01.68) less than 24 hours prior, went 2:12.46 in the 200 Breast on the final day of the event while leading the Irish to a third-place finish. Maxwell set school records in each of the breast events during the 2008 BIG EAST Conference Championships, both of which stood for less than 10 months.

World Championships ...

Six members of the Notre Dame swimming team qualified for and participated in the World Championship Trials in Indianapolis, Ind., July 7-11: Amy Prestinario (200 Individual Medley), Kellyn Kuhlke (100 Fly), Katie Casey (200 Fly), Gwen Blythe (200 Breast), Maggie Behrens (100 Back) and Amywren Miller (50 Free).

Caiming Coaches Team U.S.A. ...

Notre Dame head diving coach Caiming Xie helped coach the United States divers at the World University Games in Belgrade, Serbia, this past summer.

"I was excited and happy to represent the USA and to coach in the University Games. For me, it was a wonderful experience," Caiming said.

"This was more about country and team support than before. Every team stays in the universal village, which was bigger than normal. Our team was very close and always high in spirits.

"The team gathered six medals with four individual and two team medals. I think the women's team award - with the Mexican team finishing first, China finishing second, and USA finishing third - was the most successful. Russia, Ukraine and Canada finished close behind to make it a close event."

Dennis Stark Relays

Oct. 9 • Friday • 5:00 p.m. (ET)
Notre Dame, Ind.
Rolfs Aquatic Center

Notes: This season will mark the 25th edition of the Dennis Stark Relays for the women's swimming and diving team ... the meet strays from the standard format and solely focuses on races of the relay variety ... the 3-meter synchronized diving event will feature five dives per pair and the 1-meter diving relay will consist of teams of two divers performing three dives each ... their scores will be combined ... the 400 IM relay has four legs, with each swimmer completing a 100-yard IM ... the 1,000 Free Relay will have two legs each spanning 500 yards ... following the meet's customary procedure, schools will remain in the same lane for the duration of competition ... beginning in 1964 and taking place in each of the subsequent 44 seasons since, Notre Dame's swimmers and divers have christened each competitive season with the Notre Dame Relays, an event founded by former Irish head coach Dennis Stark ... the creator of the relay meet in 1964, Stark has coached and officiated at every Notre Dame Relay meet since (except for 2008 when he attended his granddaughter's wedding ... however, he did send off the swimmers by writing a few words of encouragement that was read prior to the opening race) ... he was the first coach of both the men's and women's swimming and diving teams at Notre Dame and coached for 27 years before moving into an administrative position as director of the Rolfs Aquatic Center in 1985 ... in his honor, the name of the Notre Dame Relays was officially changed to the Dennis Stark Relays on Nov. 22, 2003.

Shamrock Invitational

*Jan. 29-30 • Friday – Saturday • All day
Rolf's Aquatic Center
Notre Dame, Ind.*

Notes: This will be the fifth time Notre Dame has hosted the Shamrock Invitational, a meet that spans two days and covers three sessions within a championship-style format ... 24th-ranked Notre Dame picked up three dual meet wins during last year's event as victories over Michigan State (259.5-106.5), Denver (233-131) and West Virginia (265.5-97.5) moved Notre Dame's overall record to 6-2 on the season.

BIG EAST Conference Diving Championships

*Feb. 12-14 • Friday – Sunday • All Day
Trees Pool

Notes: Natalie Stitt swept the 1- and 3-meter events at the 2009 BIG EAST Championships en route to earning the league's Most Outstanding Diver award ... head diving coach Caiming Xie also brought home hardware as the league's Women's Diving Coach of the Year.

2009-10 Opponents

BIG EAST Conference Swimming Championships

*Feb. 17-20 • Wednesday – Saturday • All day
Trees Pool
Pittsburgh, Pa.*

Notes: The longest BIG EAST Conference winning streak got longer in 2009 as the Irish claimed their 13th consecutive title ... Notre Dame totaled 828 points, nearly 150 ahead of second-place Louisville (581). Pittsburgh was third with 492.5 points ... Notre Dame earned 40 all-league citations at the meet and head coach Brian Barnes was named the conference's Women's Coach of the Year ... the Irish won 10 events at the 2009 meet.

NCAA Zone Diving Championships

*March 12-13 • Friday – Saturday • All day
Boilermaker Aquatic Center
West Lafayette, Ind.*

Notes: Natalie Stitt earned an invitation to the 2009 NCAA Championships after a ground-breaking performance at the zone meet hosted by Minnesota in 2009 ... Stitt was one of 10 divers from the region to advance to the national event, and just the third Irish diver to advance to the Division I Championships in program history (Betsy Shadley advanced to the Division III Championships in 1979 and 1980) ... Heidi Grossman was 19th overall off the 3-meter board with a 243.30 with Stitt taking 28th after posting a 222.00 ... Stitt came back strong with a sixth-place showing off the 1-meter, scoring 537.50 points through the preliminary and final rounds ... Grossman finished 13th in that event after going 487.20.

NCAA Swimming and Diving Championships

*March 18-20 • Thursday – Saturday • All day
Boilermaker Aquatic Center
West Lafayette, Ind.*

Notes: Samantha Maxwell, Amywren Miller and Stitt represented the Irish at the 2009 NCAA Championships, scoring 19 points as the team finished 31st overall ... Maxwell turned in a top-10 finish during the preliminary session of the 100 Breast at the NCAA Championships ... her time of 59.73 broke her own school record and was the first sub-1:00.00 mark recorded in program history ... Maxwell placed sixth in the finals with a 59.44 to reset the school record and earn her first All-America accolade ... since the inception of the women's program at Notre Dame, 22 individuals representing the Irish have earned All-American honors at the NCAAs ... Carrie Nixon was 12-time honoree from 1999-2002 ... she posted the highest finish of any Irish swimmer to compete in the NCAAs by placing fourth in the 50 Free in 2000 ... Jeanine Blatt and Betsy Shadley were the program's first All-Americans, claiming the honor in 1979 when the Irish competed at the Division III level.

Former Notre Dame head coach Carrie Nixon earned a program-best 12 All-America accolades during her career, which was highlighted by setting the NCAA Championships record in the 50m Free (24.99) in 2000.

The first two Notre Dame women's swimming and diving All-Americans were middle-distance freestyler Jeanine Blatt (middle) and diver Betsy Shadley (right) – shown here with former head coach Dennis Stark. The two were AIAW Division III All-Americans in 1979, two seasons before the women's varsity program was established.

Andrea Bonny
1984

Jeanine Blatt
1982

The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to the senior monogram athletes who have been most exemplary as both students and leaders. The awards, presented by the Faculty Board on Athletics, are named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960.

National & International Competition

Irish in National and International Competition

In addition to their many accomplishments in collegiate action, Notre Dame women's swimmers and divers have a history of also competing in various prestigious national and international meets, including three of the last four Olympics.

In 1996, Jilen Siroky ('04), then just 15 years of age, represented the United States in the Atlanta games, finishing 15th in the 200m Breast. Siroky also was the 1996 U.S. champion in the 100 Breast.

In 2000, Christel Bouvron represented her native Singapore in the Sydney games, finishing 32nd in the 200m Fly and 36th in the 400 Free. Four years later, she became just the second current Notre Dame student-athlete ever – and first in 84 years – to take part

in the Olympics, matching her 32nd-place finish in the 200 Fly.

In addition to that pair of Olympians, 39 Irish student-athletes have competed in U.S. Olympic Trials and four more have swum in their native country's trials. Backstroker Erin Brooks, a 1997 graduate, represented the U.S. in the '97 World University Games and came home with a bronze medal in the 200 Back. Notre Dame also has a long history of swimmers and divers who have qualified or competed in the USA Swimming Senior National Championships, as nearly 60 future, current or former Irish competitors have done so.

Rolfs Aquatic Center

Equipment necessary for the latest diving training techniques, including a trampoline, is located in the diving area. The Rolfs Aquatic Center diving well contains two one-meter boards and two three-meter boards.

The Irish swimming and diving teams compete in the state-of-the-art Rolfs Aquatic Center. After four years of varsity intercollegiate swimming competition in the Rockne Memorial Pool, the Notre Dame women's swimming and diving program entered a new era in 1985, as they moved to the \$4.5-million natatorium located in the Joyce Center.

Donated by brothers Thomas and Robert Rolf of West Bend, Wis., the Rolfs Aquatic Center provides Notre Dame with a modern, innovative facility on par with any other in the country. Ellerbe Architects and Engineers of Bloomington, Minn., the architects used in the planning of the Joyce Center, also were com-

missioned to design the 45,000-square-foot facility which houses a 50-meter Olympic pool (25 yards in width), spectator seating for 400 and support facilities.

The facility features two movable bulkheads to allow sections of the pool to be blocked off, allowing swimming competition and warm-up swimming to occur simultaneously. The design also allows recreational swimming, water polo, instructional swimming and other aquatic activities. Diving is accommodated with two one-meter boards and two three-meter boards.

Support functions housed in the center of the facility just below the spectator seating include men's

and women's locker rooms, men's and women's varsity locker rooms, and men's and women's staff locker rooms. Offices for the Notre Dame swimming staff, aquatics directors, and lifeguards are deckside and glass-fronted with a view of the pool.

Several deckside instructional areas are located around the pool and feature infrared heat lamps, designed to keep wet swimmers warm between events. The pool features a stainless steel racing gutter which is designed to absorb the bow waves of a swimmer, allowing faster swimming times.

Another instructional feature is the presence of two underwater windows which allow critiquing of a diver's or swimmer's underwater technique. The unique structural system consists of three trusses which span 120 feet, with the roof suspended below the trusses. In addition, the white exterior trusses provide an interesting and athletic character to the building. The lighting system is designed to be adjusted

from maximum brightness for television to nearly dark for dramatic synchronized swimming presentations.

The center was officially dedicated on November 13, 1985.

The Rolfs Aquatic Center is home to Notre Dame women's and men's swimming and diving teams. The pool has two moveable bulkheads that allow the Irish the opportunity to train on either a long or short course.

The BIG EAST Conference

With 30 years under its belt, The BIG EAST Conference continues on a path of success in and out of the athletic arena. The goals have always been the same. The league wants and expects to compete at the highest level and does so with integrity and sportsmanship. The commendable performances of the student-athletes at BIG EAST schools are the indicators of the league's proud tradition of success.

The BIG EAST has gone through membership changes since its birth, but the 2009-10 academic year will mark the conference's fifth straight with the same 16-member group, the nation's largest Division I-A conference.

In 2008-09, BIG EAST student-athletes again succeeded on the national stage. The Connecticut women's basketball team won its sixth national championship by defeating conference-foe Louisville in an all-BIG EAST NCAA title game. The Notre Dame women's soccer team reached the NCAA championship game and the Syracuse field hockey squad advanced to the NCAA Final Four. Three BIG EAST women's cross country teams finished in the top 10 at the NCAA Championships. West Virginia was fourth followed by Villanova in sixth place and Georgetown in ninth.

Individually in women's sports, Providence's Dannette Doetzel won the 10,000 meters at the NCAA Outdoor Track & Field Championships. Connecticut's Maya Moore was the conference's sixth winner of the Wade Trophy as the top player in women's basketball. Notre Dame's Kerri Hanks won the Hermann Trophy, the top award in women's soccer.

On the men's side, Connecticut and Villanova advanced to the Final Four in basketball. The 2008-09 campaign was arguably the best men's basketball season in the history of the BIG EAST with the league setting NCAA standards with three No. 1 tournament seeds, four teams in the round of the Elite Eight and five in the Sweet 16.

The St. John's men's soccer team reached the NCAA College Cup before losing in the national semifinals.

BIG EAST football has maintained its high profile and its reputation as a balanced group. Seven of the league's eight squads were nationally ranked or received votes in the national polls in 2008. Cincinnati was the league champion. The BIG EAST, a charter member of the Bowl Championship Series, has won three of its last four BCS bowl games. West Virginia, Louisville and Connecticut also have won or shared league crowns over the past four seasons.

The BIG EAST has continued to produce student-athletes who were at the forefront of athletic and academic achievement. In 2008-09, 19 BIG EAST players were chosen to their respective *ESPN The Magazine* Academic All-America Teams, including eight first-team selections. Nearly 400 student-athletes have earned academic all-America honors.

The BIG EAST became the nation's largest Division I-A conference in 2005-06 when five new members began competing. The new schools were: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida.

BIG EAST institutions reside in nine of the nation's top-34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With its newest members, BIG EAST markets contain almost one-fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 26 national championships in six different sports and 126 student-athletes have won individual national titles.

The BIG EAST has enjoyed tremendous basketball success, especially in this decade. In 2008-09, the BIG EAST produced four of the eight Final Four teams in men's and women's basketball. It was only the second time in NCAA history that one conference placed that many Final Four teams in the same season.

In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA basketball titles in the same season. In '02-03, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in the same year when the Syracuse men and the Connecticut women captured their respective national championships. In men's basketball, BIG EAST squads have won three of the last 11 NCAA championships. BIG EAST women's teams have taken six of the last 10 NCAA titles.

Proactive movement has been a signature strategy for the conference that was born in 1979. The BIG EAST continually turns challenges into opportunities to become stronger.

In 2009-10, the BIG EAST will add men's lacrosse to its growing list of sports, which will increase its total to 24 sport championships. The first women's golf championship was held in the spring of 2003. Women's lacrosse and rowing were added in 2001.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad based programs, led by administrators and coaches who place a constant emphasis on academic integrity. Its student

athletes own significantly high graduation rates and their record of scholastic achievement notably shows a balance between intercollegiate athletics and academics.

Any successful organization has been fortunate to have outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, became Commissioner in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

For 2009-10, the BIG EAST will undergo one significant change. Tranghese stepped down from his position on June 30, 2009. John Marinatto, who has served as senior associate commissioner, has moved into the Commissioner's chair.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student-athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

BIG EAST men's basketball games are regular sell-outs at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden. The women's basketball championship has led all conferences in attendance for the past six years. Attendance figures also are significant in soccer and baseball.

More than 550 BIG EAST student-athletes have earned All-America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last six summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes.

OFFICIAL OUTFITTER

UNIVERSITY OF NOTRE DAME

History

- The University of Notre Dame du Lac was founded in 1842 by Father Edward Sorin. Adjacent to South Bend, Ind., and nestled next to Saint Mary's and Saint Joseph's Lakes, the University was started with \$310 in cash and three log buildings in disrepair.
- Notre Dame would establish many firsts for Catholic institutions of higher learning, including the first Catholic law school, the first Catholic engineering school and the first student residence with private rooms, Sorin Hall.

Academics

- The University is organized into four colleges - Arts and Letters, Science, Engineering and the Mendoza College of Business - the School of Architecture, the Law School, the Graduate School, six major research institutes, more than 40 centers and special programs and the University library system.
- Notre Dame is rated among the nation's top 25 institutions of higher learning in surveys conducted by *U.S. News and World Report*, *Princeton Review*, *Time*, *Kiplinger's*, and *Kaplan/Newsweek*.
- Notre Dame ranks fifth in a listing of "dream schools" in a survey of parents by the *Princeton Review*. The top five are Princeton, Stanford, Harvard, New York University and Notre Dame.
- Notre Dame is among a select group of schools that ranks in the top 25 on the *U.S. News & World Report* survey of the nation's top colleges and in the National Association of Collegiate Directors of Athletics Directors' Cup for overall success in athletics.

Students

- Graduate and undergraduate students at the University come from all 50 states and more than 100 countries worldwide.
- Notre Dame's graduation rate of 95 percent is exceeded by only Harvard and Princeton.
- Notre Dame's 98 percent retention rate between the freshman and sophomore years is among the highest in the country, thanks in large part to the University's unique First Year of Studies Program.
- Notre Dame has one of the highest undergraduate residential concentrations of any national university, with 80 percent of its students living in 27 residence halls.

- The medical school acceptance rate of the University's preprofessional studies graduates is 80 percent, almost twice the national average.
- Notre Dame ranks first among Catholic universities in the number of doctorates earned by its undergraduate alumni - a record compiled over some 85 years.

Service

- Community service is a hallmark of Notre Dame. About 80 percent of Notre Dame students engage in some form of voluntary community service during their years at the University, and at least 10 percent devote a year or more after graduation to service in the United States and around the world.
- The University's Alliance for Catholic Education (ACE) annually sends 180 recent graduates to teach in some 100 understaffed Catholic schools in the southern, southeastern and southwestern United States and in South Bend. A national model, ACE has received the Higher Education Award from the Corporation for National Service for leadership in using national service resources through AmeriCorps.

Alumni

- The University's network of 270 alumni clubs -- including 60 international clubs -- is the most extensive in higher education.
- With graduates renowned for their loyalty and generosity, Notre Dame annually ranks among the top five in percentage of alumni who contribute to the University.
- In recent years, Notre Dame alumni have won a Nobel Prize in medicine, a Pulitzer Prize in journalism, and an Emmy Award for contributions to television technology.
