## *Fighting Irish*

## *Season Preview*

*Senior Jenny Chiang has won three consecutive BIG EAST 3M-dive titles and is looking to close out her career with a fourth straight title in February.*

## 2012-13 Season Preview

The University of Notre Dame women's swimming and diving program has big expectations for the 2012-13 season after finishing 22nd at last season's NCAA Championships as three student-athletes participated and brought home an All-America certificate and three honorable mention All-America scrolls.

Returning for the Irish are 15 student-athletes that competed at least season's BIG EAST Championships, including nine that won a combined 27 all-BIG EAST citations and seven individual and relay titles.

Highlighting the returnees are swimmers Kim Holden, Kelly Ryan and Emma Reaney and diver Jenny Chiang.

Holden, who spent much of last season rehabbing from double shoulder surgery, managed to return in time to win four all-BIG EAST scrolls and a title with the 400 medley relay team. The tri-captain went to the 2011 NCAA Championships as a sophomore.

Ryan won two individual titles (100 free and 200 back) and two relay titles (400 free and medley relay) at the BIG EAST Championships on her way to seven all-BIG EAST certificates. The tri-captain did herself one better at the NCAA Championships, as she finished seventh in the 200 back to earn All-America honors for the first time.

Reaney turned in a splendid freshman campaign that saw her break the school record in the 200 IM, win two individual events (200 IM and 100 breast) and two relays (400 free and medley relays). She earned seven all-BIG EAST scrolls at the conference meet and three honorable mention All-America certificates (100 and

200 breast, 200 IM) at the NCAA Championships.

Chiang has won three consecutive BIG EAST titles in the 3-meter dive and looks to complete the career sweep in February. The Fairport, N.Y., native also is an accomplished 1-meter diver, earning all-BIG EAST accolades just a season ago. Chiang later went on to the NCAA Championships, finishing 17th in the 1-meter discipline, which was one spot out of All-America position.

During the summer, Holden, Ryan, Reaney, Bridget Casey, Christen McDonough and Lauren Stauder all competed at the U.S. Olympic Trials, with Reaney advancing to the semifinals in the 200 IM after finishing ninth in the opening round.

Freshman swimmers Genevieve Bradford, Catherine Galletti, Sydney Golic, Anna Grainger and Genevieve Heidkamp and divers Emma Gaboury and Lindsey Streepey all look to add depth throughout the roster for the Irish.

### DIVING

Head diving coach Caiming Xie returns plenty of talent in the diving events this season highlighted by Chiang and sophomore Allison Casareto. Chiang is a three-time BIG EAST champion and a five-time all-BIG EAST honoree, while Casareto turned in an impressive freshman campaign that was highlighted by a second place effort in the 1-meter discipline before she took seventh in the 3-meter dive.

Senior Kimmie Lisiak and sophomore Molly Geraghty should see plenty of opportunities throughout the year as well.

### FREESTYLE

Ryan and sophomore Suzanne Bessire headline the freestyle group. Last year Ryan won the 100 free for the second consecutive year at the BIG EAST Championships, while Bessire earned all-BIG EAST accolades in the 400 and 800 free relays and the 200 free. She also took fifth in the 100 free.

Also looking to help out the squad in the sprint free events is sophomore Hannah Bowen, who swam a leg of the 200 free relay that finished second, while also finishing ninth in the 50 free and 16th in the 100 free.

In the longer distances sophomores Casey and Erin Foley and senior Jaime Malandra will compete in the 500, 1,000 and 1,650 events.

### BACKSTROKE

The Irish have two of the top back specialists in the conference in Holden and Ryan. Holden won the 100 and 200 back during both her freshman and sophomore years, and finished third in the 100 back and eighth in the 200 back last season. She has also swum the back leg on numerous conference championship teams. Ryan meanwhile won the 200 back last year at the BIG EAST Championships before earning All-America honors in the event at the NCAA Championships.

During the summer the pair turned in world-ranked times in the back at the U.S. Open in August.

Senior Lauren Scott is an Irish captain for the second year in a row. Last year Scott earned all-BIG EAST honors in the 200 free relay as the team finished second.

## BREASTSTROKE

Leading the charge for the breaststroke group is Reaney, who won the 100 breast and finished second in the 200 breast at the BIG EAST Championships before earning honorable mention All-America honors in both events.

Also adding to the depth in the event are McDonough and Stauder, who are looking to build on their experience at the U.S. Olympic Trials. Last year McDonough took ninth in both events at the BIG EAST Championships, while Stauder took 10th in the 200 breast and 13th in the 100 breast.

## FLY

The Irish have a lot of quality depth in the fly events, led by Holden and Casey. Holden finished third in the 100 fly last season at the conference meet, while Casey took fourth in the 200 fly.

Junior Sarah Dotzel joins the pair as an experienced fly performer, as she finished fifth in the 100 last season at the BIG EAST Championships.

Looking to add to the depth of the event for Notre Dame are sophomores Melissa Scott and Courtney Whyte.

## INDIVIDUAL MEDLEY

The IM is in good hands with Reaney, who won the 200 at the conference meet last year before earning honorable mention All-America honors. The school record holder in the event is also an accomplished 400 IM performer.

Looking to assist Reaney in the event will be M. Scott and senior Gracie Fredlake, who has the versatility to swim the IM or distance freestyle events.

## RELAY EVENTS

The relays should remain strong for the Irish despite losing all-BIG EAST standout Amy Prestinario to graduation. Both the 400 medley and 400 free relay teams that won conference championships return three swimmers as do the 200 free and medley and 800 free relay teams that earned all-BIG EAST accolades.

Holden swam on the 200 and 400 medley relay teams, while Reaney swam on the 400 medley and 400 free relays. Ryan was on the 200 and 800 free and 400 medley

relays. Other returnees in the relays include senior tri-captain Lauren Scott (200 free), Dotzel (200 medley), Bessire (400 and 800 free) and Bowen (200 free).

## SCHEDULE

The Irish have six home meets and have road dual meets against perennial powers Auburn and Indiana to help them get ready for the BIG EAST and NCAA Championships.

Brian Barnes, who is entering his fifth season at the helm of the program, has high hopes for this year's team and put a challenging schedule forth to help the squad reach its goals.

"It's a very busy and challenging schedule for us," said Barnes. "We have determined that competing regularly really helps us perform better at the big meets. We are going to see some incredibly tough competition throughout the season, especially at Auburn and with the Kansas Women's Classic and the Ohio State December Invitational. We look forward to using last season and the Olympic Trials as a building block to accomplish our goals this year."

The Irish, who are coming off a 22nd place finish at the 2012 NCAA Championships, open the season with the 48th annual Dennis Stark Relays on Friday, Oct. 12 at Rolfs Aquatic Center. The relays are named for former legendary Irish men's and women's head coach Dennis Stark. Formerly the Notre Dame Relays, the meet was officially renamed the Dennis Stark Relays in 2003.

After a trip to Auburn, Ala., on Oct. 26 for a dual meet with the Tigers, who finished tied for seventh at this past season's NCAA Championships, the Irish return home for a trio of dual meets. On Nov. 2, the Irish welcome Purdue to Rolfs for a 5 p.m. dual meet. The next week Notre Dame plays host to a pair of BIG EAST dual meets as Pittsburgh (Nov. 9) and Louisville (Nov. 10) invade Rolfs.

Following the clash with the Cardinals, Notre Dame travels to two elite multi-team meets in the Kansas Women's Classic from Nov. 16-18, and the Ohio State December Invitational from Nov. 30-Dec. 2. In Topeka, Kan., the Irish will meet Arkansas, Iowa State, Nebraska and Kansas, while in Columbus, Ohio, Notre Dame will swim against Florida, Indiana, North Carolina and Wisconsin.

Coming out of the holiday break, the Irish welcome Michigan and Northwestern to Rolfs for a two-day meet from Jan. 11-12, before heading to Indiana for a dual with the Hoosiers on Jan. 19.

The annual Shamrock Invitational is scheduled for Jan. 25-26, while the Irish will end the regular season at Toledo on Feb. 9.

Indianapolis, Ind., will be a familiar end of the season spot for the Irish this season, as both the BIG EAST and NCAA meets will be held at the IU Natatorium in Indiana's capital city. The BIG EAST meet will be held from Feb. 27-March 2, with the NCAA Swimming and Diving Championships slated for March 21-23.

**BRIAN  
BARNES**

Head Coach

5th Season

Indiana '95

Brian Barnes joined the University of Notre Dame as head of the women's swimming and diving program in August 2008 after serving as an assistant coach at Auburn since 2005.

"It's an absolute honor to be here at Notre Dame," Barnes said at his hiring. "My coaching career has now gone full circle, beginning as a club coach for 10-year-olds and practicing at (Notre Dame's) Rolfs Aquatic Center to being the head coach here." "This school is one of the finest academic institutions in the world, and I certainly believe that you also can have high levels of success here at Notre Dame in women's swimming and diving."

During his time with the Irish, Barnes has continued the program's winning ways as evidenced by a strong 2011-12 season in which two student-athletes earned All-America honors, 10 received all-BIG EAST accolades and eight earned a spot at the U.S. Olympic Trials.

Highlighting the season were sophomore Kelly Ryan and freshman Emma Reaney. Ryan received seven all-BIG EAST scrolls, won four events (two individual and two relay), was named an All-American in the 200 back and swam three events at the Olympic Trials, while Reaney earned all-BIG EAST honors in seven events, won four BIG EAST championships (two individual and two relay), was named an honorable mention All-American in three events (100 and 200 breast, 200 IM) and competed in four events at the Olympic Trials, including a semifinal appearance in the 200 IM. Reaney also earned a spot in Sports Illustrated's Faces In The Crowd for the Jan. 16th edition and earned BIG EAST Swimmer of the Week three times.

Diver Jenny Chiang also turned in an impressive year as she won the BIG EAST 3-meter crown for the third year in a row and advanced to the NCAA Championships in both the 1-meter and 3-meter diving events, finishing 17th in the 1-meter, just one spot away from earning All-America honors.

Overall the team earned 33 all-BIG EAST scrolls and seven titles (five individual, two relays) among 10 student-athletes on their way to a second place finish for the second year in a row.

Three school records fell in 2012 including the 200 back (Ryan), 200 IM (Reaney) and 400 freestyle relay (Ryan, Prestinario, Bessire, Reaney).

In his first two years with the Irish, Barnes helped secure the 14th and 15th consecutive BIG EAST titles in 2009 and 2010. The streak is

the longest in BIG EAST history regardless of sport. For his efforts, he earned BIG EAST Coach of the Year both seasons.

During those campaigns, the program brought home 18 championships (five relay and 13 individual) 13 second-place finishes (two relay and 11 individual) and nine third-place finishes (two relay and seven individual). All totaled, Irish student-athletes claimed 67 All-BIG EAST awards in 2009 and 2010.

During that time span, junior diver Natalie Stitt earned BIG EAST Most Outstanding Diver accolades in 2009 after winning the one and three-meter dives, while junior Samantha Maxwell claimed BIG EAST Most Outstanding Swimmer honors in 2010 after having a hand in four titles (100 and 200 breast, 200 and 400 medley relay).

Barnes also coached a pair of All-Americans in Maxwell and Amywren Miller.

Maxwell earned All-America honors in the 100 breast and honorable mention in the 200 breast as a sophomore in 2009 and honorable mention in the 100 breast as a junior in 2010. Miller received All-America accolades as a junior in 2010 in the 50 free. Stitt advanced to nationals in 2009 in the one-meter dive.

Six swimmers participated in the 2009 World Championship Trials.

Despite claiming second at the 2011 BIG EAST Championships, thus ending Notre Dame's dominant streak, the Irish racked up the accolades, winning seven titles, two relay and five individual, and earning 29 All-BIG EAST scrolls.

Maxwell returned to the NCAA Championships in 2011, and was joined by sophomore Kim Holden, who competed in three events.

During the summer of 2011, five Notre Dame swimmers, including incoming freshman Bridget Casey, competed at the ConocoPhillips National Championships. For her efforts in the 200 fly, Casey earned a spot on the USA Swimming National Junior Team.

A summary of accolades involving the Notre Dame women's swimming and diving during Barnes' tenure include three All-Americans, five honorable mention All-Americans, eight NCAA qualifiers among six athletes in 21 events, two BIG EAST team titles, 32 BIG EAST combined relay and individual titles, 129 All-BIG EAST honors, two BIG EAST Coach of the Year awards, one BIG EAST Most Outstanding Swimmer award and one BIG EAST Most Outstanding Diver award.

The Irish currently own six BIG EAST meet records (100 back, 100 and 200 breast, 200 IM, 400 medley relay and three-meter dive) that were set during Barnes tenure. Sixteen of the 21 school records have fallen during Barnes time with the program.

In addition to stellar performance in the pool, the Irish program has enjoyed their top four semesters of highest team grade point average under Barnes guidance.

In 2011, Barnes created and ran the first annual Coaches vs. Cancer Fighting Irish Swim Clinic. The clinic saw almost 100 kids age 8-18 participate and raised more than \$5,000 towards the local RiverBend Cancer Services and the American Cancer Society.

Barnes and the rest of the Irish swimming and diving team topped their performance in 2012, raising over \$20,000 with the help of Olympic gold medalist Tyler McGill, who coached at the meet, and a \$10,000 donation from Notre Dame football head coach Bryan Kelly's foundation Kelly Cares.

Before coming to Notre Dame, the Osceola, Ind., native helped guide both the Auburn men's and women's swimming teams to NCAA Championships in 2006 and 2007. The men won the Southeastern Conference meet three times from 2006-08, while the women picked up a pair of league titles during that span. In 2008, Auburn's men placed fifth at the NCAA meet, with the women posting a runner-up performance.

Overall, Barnes helped mentor 291 All-Americans in his three years as an assistant, including 11 individual and six relay titles between the two teams. In the SEC, the women produced 15 individual titles and eight relay titles during Barnes three seasons, while the men had 12 individual and relay titles.

Barnes spent three seasons (2002-05) as the assistant men's swimming coach at his alma mater, Indiana University. He helped coach the 2005 Hoosiers to their highest finish at the NCAA Championships since 1991 and their first 10-win dual meet season since 1985. In 2005, Indiana garnered 29 All-America honors, the most since 1976, and finished second at the Big Ten Conference Championships. In 2004, the Hoosiers had five All-Americans and finished 17th at the NCAA Men's Championships. Overall, Barnes helped tutor 93 All-Americans and seven Big Ten champions while with the Hoosiers.

Barnes was a highly accomplished swimmer during his career at Indiana from 1992-95. He was a two-time All-American and a five-time honorable mention All-American. His school record in the 400 Individual Medley

stood for more than 15 years from 1992 until 2007. A two-time team most valuable swimmer, he served as team captain during his senior campaign.

The two-time Indiana Swimming Male Swimmer of the Year (1989, 1995) was also a member of the USA Swimming National Team in 1989 and 1992. Barnes was a U.S. Olympic Trials qualifier in 1992 and 1996.

A 1995 graduate of Indiana, Barnes earned a bachelor's degree in kinesiology and is a level-4 certified member of the American Swimming Coaches Association.

Following graduation, Barnes got into coaching with the local Michiana Marlins, a USA Swimming club team that practices in the Roffs Aquatic Center on the campus of Notre Dame. He was the assistant coach for two seasons at the University of Kansas and the head coach of the Lawrence (Kan.) Aquahawks swim club from 1998-2002 before heading to his alma mater for three seasons.

Barnes, the father of Jack and Caroline, lives in South Bend.

**CAIMING  
XIE**

Head Diving Coach

17th Season

Beijing Institute of Physical Education '85

Now in the 35th year of his career as a diving coach, Caiming Xie has helped his protégés win BIG EAST titles, All-America honors and gold medals. A proven winner, Caiming's experience reaches all over the world and he is in his 17th season as head women's and men's diving coach at Notre Dame.

During his tenure, he has molded four of the top divers ever to compete for the Irish – Jenny Chiang, Heather Mattingly, Meghan Perry-Eaton and Natalie Stitt – who have combined for 11 BIG EAST titles, nine appearances in the NCAA Championships, nine All-America citations and four BIG EAST Most Outstanding Diver awards. One of the foursome holds all of the Notre Dame and Roifs Aquatics Center diving records and both of the BIG EAST 3-meter diving records.

For his efforts, Caiming, the first full-time diving coach in Notre Dame history, has been named the BIG EAST's top diving coach on six occasions, claiming the top honor in 1999, 2004, 2005, 2006, 2007 and 2009.

Most recently, Caiming coached Jenny Chiang to a three-peat in the BIG EAST 3-meter dive from 2010-12. Chiang also upped the league's meet record to 337.40 points and finished 17th at the NCAA Championships in 2012 in the 1-meter discipline, just one spot away from earning All-America honors.

Before Chiang, Natalie Stitt won the 2009 BIG EAST Championships Most Outstanding Diver honor as Stitt swept the 1- and 3-meter events at the league meet. She went on to finish 32nd at the NCAA Championships in both events.

Caiming helped coach a United States squad that claimed six medals at the 2009 World University Games in Belgrade, Serbia. Caiming again coached at the World University Games in Shenzhen, China.

In 2006, Caiming molded two women's divers into all-BIG EAST performers in the 3-meter event, as Lucy Hirt was the runner up while her teammate, Tara Hyer, placed third in

the same event at the BIG EAST Championships. For his efforts, Caiming captured his fourth BIG EAST Coach of the Year Award. Just two seasons later, Hyer was third off the 3-meter board at the league meet while Natalie Stitt claimed the title in that event and placed third off the 1-meter board.

From 2003-05, Perry-Eaton turned in the most impressive two-year stretch ever by an Irish diver, as she was beaten just one time during the regular season before sweeping the springboard events at the 2004 and 2005 BIG EAST Championships en route to being tabbed the meet's top diver.

Perry-Eaton was the first Notre Dame diver ever to win a title at the NCAA Zone C Championships in 2004, taking first off the 1-meter board. At the NCAA Championships, she delivered the highest-ever finish for a Notre Dame swimmer or diver, taking third in that event, ending up just 3.30 points behind the national champion to become an All-American. She followed up with a fifth-place finish in 1-meter diving at the 2005 NCAA meet.

In 2002-03, Perry-Eaton became the first Notre Dame diver – and first non-University of Miami diver since 1996 – to win a BIG EAST championship, placing first in the 1-meter competition. She also was second on the 3-meter board and was named the BIG EAST's top diver – her first of three consecutive diver-of-the-year awards. Perry-Eaton then qualified for the NCAA Championships, where she placed ninth in the 1-meter event and 20th on the 3-meter board to earn honorable mention All-America honors.

Mattingly was the first Irish diver to earn All-America honors, as she was a four-time honorable mention selection before being named an All-American in 3-meter action in 2002 with an eighth- place finish. Mattingly was the first Notre Dame diver to qualify for the NCAA Division I Championships, and she earned bids to the meet in each of her four collegiate campaigns. Mattingly also had a great deal of success in the NCAA zone meet, taking second in 1-meter action in 1999, in addition to third-place results in 3-meter competition in both 1999 and 2002.

Before coming to Notre Dame, Caiming was the head diving coach for three years at Toledo, earning Mid-American Conference Diving Coach of the Year laurels in each of his last two seasons. Prior to his stint with the Rockets, Caiming was an assistant coach for the 1991-92 season at Pittsburgh.

Boasting a wealth of international experience on his résumé, Caiming served as the 1980 Chinese Olympic diving coach. He also was a

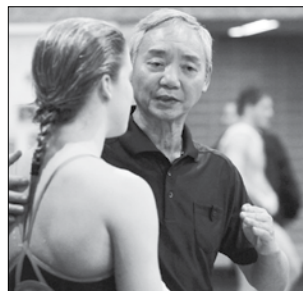

technical consultant for United States Diving since 1994 and has held clinics and presentations for the United States Diving national team.

The Chinese national team coach from 1977-90, Caiming coached Sun Shu-Wei, a gold medalist in the men's platform competition at the 1992 Olympics in Barcelona, Spain, and Zhu Jin- Hong, who finished fourth in the women's platform in Barcelona. Caiming's divers also have earned medals at the Asian Games, World Cup, World University Games, and World Championships.

A competitive diver in his own right, Caiming won the springboard competition at the Asian Games in 1974 and earned first place in the platform and second in the springboard competition at the National Games of China in 1975.

A 1985 graduate of the Beijing Institute of Physical Education, he also won numerous Chinese diving championships on the national level.

Caiming and his wife, Ping Tong, have one son, Tong, who graduated from Notre Dame in 2003 after a successful career as an Irish diver.

**KATE KOVENOCK**

Assistant Coach

Fourth Season

Connecticut College '05

Kate Kovenock was named assistant coach for the Notre Dame women's swimming and diving team in the spring of 2009 after serving as an assistant coach for the men's and women's teams at Division III powerhouse Kenyon College.

"Kate's hire was a true search and a true hire," said head coach Brian Barnes. "That's not common in the coaching community, but it was very clear to me that Kate was the right person for our program and for the University. She is very bright and has great instincts. When we met I knew immediately that she used her time at Kenyon well. She has an understanding of the level of effort it takes to compete at a championship level and the pace required to be competitive from year-to-year."

"When Coach Barnes offered me the position, I accepted without hesitation," said Kovenock. "My excitement at the prospect of joining Barnes' staff and to coach at Notre Dame was – and continues to be – impossible to hide. Barnes and I believe in the potential that exists at Notre Dame. It is an honor to share the responsibility to continue to raise the national profile of the Notre Dame women's swimming and diving program."

During her time with the Irish Kovenock has been a key asset to a program that has continued its successful history under fifth year head coach Brian Barnes.

2011-12 was no different as two student-athletes earned All-America honors, 10 received all-BIG EAST accolades and eight earned a spot at the U.S. Olympic Trials.

Highlighting the season were sophomore Kelly Ryan and freshman Emma Reaney. Ryan received seven all-BIG EAST scrolls, won four events (two individual and two relay), was named an All-American in the 200 back and swam three events at the Olympic Trials, while Reaney earned all-BIG EAST honors in seven events, won four BIG EAST championships (two individual and two relay), was named an honorable mention All-American in three events

(100 and 200 breast, 200 IM) and competed in four events at the Olympic Trials, including a semifinal appearance in the 200 IM. Reaney also earned a spot in Sports Illustrated's Faces In The Crowd for the Jan. 16th edition and earned BIG EAST Swimmer of the Week three times.

Overall, Irish swimmers earned 30 all-BIG EAST scrolls and six titles (four individual, two relays) among 8 student-athletes on their way to a second place finish for the second year in a row.

Three school records fell in 2012 including the 200 back (Ryan), 200 IM (Reaney) and 400 freestyle relay (Ryan, Prestinario, Bessire, Reaney).

During her first two years with Notre Dame Kovenock also helped tutor Irish standouts Samantha Maxwell, Amy Wren Miller and Kim Holden. Maxwell, the 2010 BIG EAST Most Outstanding Swimmer after having a hand in four titles (100 and 200 breast, 200 and 400 medley relay), earned All-America honors in the 100 breast and honorable mention in the 200 breast as a sophomore in 2009 and honorable mention in the 100 breast as a junior in 2010. She also competed at the NCAA's in 2011. Miller received All-America accolades as a junior in 2010 in the 50 free, while Holden competed in three events at the 2011 NCAA Championships.

During Kovenock's first season in 2010, the Irish won their 15th and final BIG EAST title in a row to extend the longest streak in league history regardless of sport.

Away from competitive action, Kovenock has helped plan and organize with Barnes two Coaches vs. Cancer Fighting Irish Swim Clinics that have raised over \$25,000 for RiverBend Cancer Services and the American Cancer Society.

During Kovenock's four years at Kenyon, the women's program won three NCAA Championships (2007, 2008, 2009), the men's program won four NCAA Champions (2006, 2007, 2008, 2009), and Kenyon swimmers earned over 240 All-American awards in NCAA competition.

"(While at Kenyon) I learned a tremendous amount about life and work behind the scenes of an established championship team," said Kovenock. "Regardless of what a team or an athlete or a coach has accomplished in past years, you have to be willing to redefine the standard. We're trying to maximize potential in all that we do. It comes down to consistently recognizing and capitalizing on the opportunities that are in front of us everyday. My passion and belief in Notre Dame is tied directly to that philosophy. The opportunities that exist at the

University of Notre Dame are unparalleled. If we recruit student-athletes with the right talent, belief, and desire, the Notre Dame swimming and diving program can do something special."

On deck at Kenyon, Kovenock worked under legendary head coach Jim Steen and was given specific training responsibilities with the men's and women's sprint groups. Over the course of four years, a Kenyon swimmer won the 50 freestyle NCAA title twice (2007, 2009) and the NCAA record, which still stands today, was broken once (2009).

In addition to her coaching duties, Kovenock coordinated recruiting for the women's program. After back-to-back NCAA runner-up finishes in 2005 and 2006, the swimmers recruited during Kovenock's tenure sparked a resurgence for the women's program, playing key roles in Kenyon's three titles from 2007-09. As a sprinter at Connecticut College (Div. III), Kovenock captured an individual NCAA Championship in the 50 free (2004) and earned 11 individual NCAA All-American awards (2002 – 2005). At the conference level, she went undefeated in the 50 and 100 freestyle events over her four years.

Kovenock's collegiate career was marked by academic accolades as well. Graduating with a B.A. in honors philosophy, Kovenock was an Academic All-American during each of her four years and was named to the ESPN The Magazine Academic All-American Team during both her junior and senior years.

**JOSH  
SKUBE**

Volunteer Assistant Coach

13th Season

Indiana '98

Josh Skube is in his 13th season as a volunteer assistant coach for Notre Dame swimming and diving, returning to the women's program in 2011-12 after six years with the Fighting Irish men. Also in his 13th year as a faculty member in the physical education department, Skube assists in all aspects of home practices and meets, while traveling with the team to away meets.

Skube swam collegiately for Ball State University from 1994-96 before earning a bachelor's degree in kinesiology ('98) and a master's degree in exercise physiology from Indiana University.

A member of the American College of Sport Medicine, Skube also has served as an assistant coach for Bloomington North High School (1999-2000) and the Duneland Swim Club (1995-97). Known for his deep technical knowledge of the sport, he also has been published in SwimTechnique magazine.

A distance freestyle specialist, Skube hails from Chesterton, Ind., and swam for Chesterton High School, earning team MVP honors in leading the Trojans to Duneland Conference titles in his final two seasons.

Skube comes from a family with strong Notre Dame roots, as his father Thomas ('70), uncle Charles ('60), and cousins Mara ('86) and Steve ('90) are all graduates of the University. Born Nov. 30, 1975, in Crown Point, Ind., Skube

and his wife, Susan, live in South Bend with their daughters, Ivie and Addison.

## *Fighting Irish*

## *Season In Review*

*As a freshman in 2011-12, Emma Reaney earned three Honorable Mention All-America scrolls and was a seven-time all-BIG EAST performer.*

# Season In Review

2012 was a big year for the Notre Dame swimming and diving program. They started things off with a bang by winning the 47th annual Dennis Stark Relays and continued on to place fourth at the Ohio State Invitational at the beginning of December. The Irish fought hard and came in second at the BIG EAST Championship meet, while three swimmers continued on to the NCAA Championships in Auburn, Ala., bringing home four All-America certificates.

Here are just a few of the many highlights of the 2011-12 season:

The Fighting Irish started their 2011-12 season off right with a win at the 47th annual Dennis Stark Relay meet. Competing against Oakland, Michigan, Valparaiso, Illinois State and TCU, the Irish won seven swimming and two diving relays. Two meet records were broken this time around: the 200 free relay was bettered by the Irish with a time of 1:35.01, and the TCU Horned Frogs dropped the 400 free relay time down to 3:28.36. The Irish won the 400-yard free relay, 800-yard free relay, 400-yard IM relay, 300-yard butterfly relay, 300-yard back relay, 300-yard breaststroke relay and the 200-yard medley relay, as well as both the 1-meter and 3-meter diving relays for a decisive victory at RofS Aquatic Center.

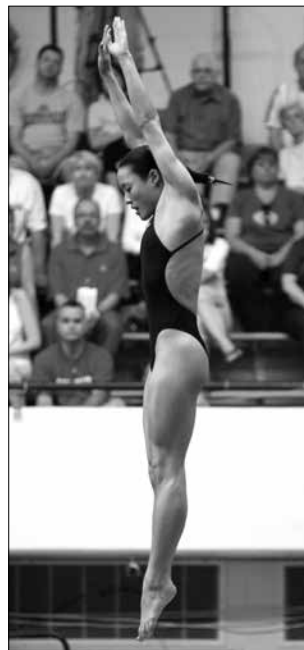

In their last meet of 2011, the Irish traveled to Columbus, Ohio for the Ohio State Invitational, where they finished fourth with 718 points. Senior Amy Prestinario and sophomore Christen McDonough earned spots at the 2012 summer U.S. Olympic trials in the 100 fly and 100 breast, respectively. Emma Reaney blew past the competition in the 200 IM, setting a new school and meet record with her 1:57.67 time on the first day. Elsewhere during the first day of competition, the 400-yard medley relay team capped the day off by winning with an NCAA B-cut time of 3:39.59. On Day two, Reaney continued her winning streak by touching in first in the 400 IM with a time of 4:12.19. Just a mere .12 seconds away from shattering this school record as well, and she went on to take third in the 100 breast at 1:02.21.

Fellow teammate Kelly Ryan impressed as well, touching in second in the 100 back with a time of 54.20. Ryan and Reaney were two of the four members of the 800 free relay team (the other two being

Suzanne Bessire and Prestinario) that claimed third, posting a time of 7:21.79. Diver Jenny Chiang also earned points for the Irish in the 3-meter dive, placing second with a score of 310.65. Chiang finished second on the first day of competition in the 1-meter diving event with a tally of 293.30, ahead of fellow Irish diver Allison Casareto, who placed third with 285.10 points. On the final day of competition, freshman Erin Foley placed second in the 1,650 free with a time of 16:46.61, beating out the third place finisher by over five seconds. Ryan placed second in both the 200 back and 100 free, with times of 1:55.66 and 49.62. Emma Reaney took second in the 200 breast with a time of 2:12.37, followed closely by Lauren Stauder in third at 2:13.05. The 400 free relay team of Prestinario, Ryan, Reaney and Hannah Bowen closed out the meet with an NCAA B-cut time of 3:20.93, placing third.

Over winter break, Jenny Chiang had a larger splash than normal, using her diving expertise to land in fifth place at the USA 3M Diving Winter National Championship Preliminaries. She went on to the Championships the next week, and placed into the quarterfinals. Throughout her career at Notre Dame, Chiang has come to represent the face of Irish Diving with her continued successes on both the 1M and 3M dives. Chiang finished out the 2011-12 season by winning her third BIG EAST title in the 3M dive and placing 3rd at the BIG EAST Championship 1M dive event. At the NCAA Diving Championships, Chiang finished just two points shy of qualifying for the finals and earning All-America honors in the 1-M dive.

To start off 2012, freshman sensation Emma Reaney was showcased in Sports Illustrated's "Faces in the Crowd". This weekly feature has been a part of the Sports Illustrated magazine since 1956, and serves to highlight amateur athletes around the country and their impressive feats. Reaney was featured in the January 16th issue and at the time of its issue, Reaney was 8-0 for the season in IM competition. The article points out that she finished in the top-four in seven events at the Ohio State Invitational. Reaney would continue to have an impressive second half of the season, breaking school records at several meets, earning seven all-BIG EAST scrolls at the BIG EAST Championships and earning Honorable Mention All-America

*Junior Jenny Chiang won her third BIG EAST 3-meter title in a row in 2012.*

accolades in the 200 IM, 100 breast and 200 breast events at the NCAA Championships.

At the BIG EAST Championship meet at the University of Pittsburgh, several swimmers and divers gave spectacular performances at Trees Pool, and it showed in the final results. In diving, freshman Allison Casareto placed second in the 1-meter event with a score of 283.80, while junior Jenny Chiang placed third with 280.80 points. Both earned all-BIG EAST accolades in this event, but Chiang went on to impress in the 3-meter dive. She extended her diving dominance by winning the event for a third-straight year, cementing her legacy on the Fighting Irish diving team. Chiang is the sixth individual to win three BIG EAST titles in the same event, and merely the second diver to do so.

In the swimming portion of the meet, the Irish relay teams fought to set the bar high on the first day, starting with the 800 free and 200 medley relay teams both placing third. Swimming in the 800 were Amy Prestinario, Kelly Ryan, Suzanne Bessire and Emma Reaney, who finished with a time of 7:15.31 and earned all-BIG EAST recognition. In the 200 medley relay, swimmers Kim Holden, Reaney, Sarah

*Senior Amy Prestinario earned six all-BIG EAST scrolls in 2012 including titles in the 400 free and medley relays.*

Dotzel and Prestinario out-touched UConn's team with a time of 1:40.94 to also earn all-BIG EAST recognition.

In day two of the meet, Reaney astounded spectators and coaches alike as she breezed through the 200 IM with a time of 1:56.42, setting a Notre Dame, meet, and pool record time. In the 200 free relay event a photo finish was required to verify that Louisville's team did indeed out-touch Notre Dame by a mere .18 seconds. Notre Dame's team of Ryan, Prestinario, Hannah Bowen and Lauren Scott recorded a time of 1:31.65, the fastest for any Irish 200 free relay team all year.

Continuing their streak of BIG EAST success, on day three the 400 medley relay team won their fourth consecutive BIG EAST title in the event with a time of 3:36.28. This was Notre Dame's 11th 400 medley relay title in its 17 years in the BIG EAST. Swimming in the event were Ryan (backstroke), Reaney (breaststroke), Holden (butterfly) and Prestinario (freestyle). Reaney later went on that same day to win the 100 breast with a time of 59.85, while Holden had impressive performances in the 100 fly and 100 back: she

placed third in both with identical times of 54.41. In the 200 free, Ryan placed second with a time of 1:47.04 and Bessire touched in third at 1:48.02.

On the final day of competition, Irish swimmers heated up the pool in multiple events. Ryan won the 200 back title with a new Trees Pool record and season-best time of 1:55.56; she then came back for an impressive double victory in the 100 free with a time of 49.38. Prestinario came in second in the 100 free with a time of 50.12. Reaney also showed up to compete and took second in the 200 breast, touching in at 2:11.42. The 400 free relay team became repeat champions as Ryan, Prestinario, Bessire and Reaney not only won the event in 3:18.93, but set a new school record in the process, out-swimming their competitors by close to three full seconds. When all the points were tallied, the Fighting Irish came in second with 593.5 points.

Notre Dame sent three team members to the NCAA Championships for the 17th straight season in 2011-12. Swimming for the Irish were freshman Emma Reaney and sophomore Kelly Ryan, and appearing in her first NCAA meet was junior diver Jenny

Chiang, who qualified for the 1-meter but also dove in the 3-meter. Chiang was the first diver to compete in the NCAA Championships for the Irish since Natalie Stitt dove in the 1-meter event in 2009. Chiang missed qualifying for the finals in the 1-meter dive by two points, coming in 17th. Ryan went on to earn her first All-America accolade in the 200 back with a time of 1:54.16, as she finished seventh overall. Reaney became an overnight sensation on the first night of competition, setting a new school record in the 200 IM with a time of 1:55.67. She won her first honorable mention All-America citation in the event, but continued to impress in both the 100 and 200 breast. In the 100, she placed 11th overall with a time of 59.81, and in the 200 she placed 14th with a time of 2:09.73. She won two more honorable mention All-America citations, bringing her total to three. Reaney became only the fifth swimmer ever to win 3 or more All-America accolades in the history of the Irish's program. Ryan, Reaney and Chiang earned the Irish 30 points, which put them 22nd at the meet. The finish was the best for the Irish since 2005.

*Sophomore Kelly Ryan earned All-America honors in the 200 back after earning seven all-BIG EAST scrolls in February at the BIG EAST Championships.*

Former Notre Dame head coach Carrie Nixon earned a program-best 12 All-America accolades during her career, which was highlighted by setting the NCAA Championships record in the 50m Free (24.99) in 2000.

The first two Notre Dame women's swimming and diving All-Americans were middle-distance freestyler Jeanine Blatt (middle) and diver Betsy Shadley (right) — shown here with former head coach Dennis Stark. The two were AIAW Division III All-Americans in 1979, two seasons before the women's varsity program was established.

At Notre Dame's eighth annual O.S.C.A.R.S. (Outstanding Student-Athletes Celebrating Achievements and Recognition Showcase) in 2009, the Notre Dame women's swimming and diving team was recognized with The Trophy Award for its work with the Irish Aquatics swim program, providing swim lessons to area youth. Established by the Office of Student Welfare and Development and first presented in 2006, The Trophy Award annually recognizes an athletic team that has demonstrated its commitment and dedication to the community through unparalleled community service to Notre Dame and South Bend.

## Byron V. Kanaley Award

Elizabeth Barger  
2000

Linda Gallo  
1997

Andrea Bonny  
1984

Jeanine Blatt  
1982

The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to the senior monogram athletes who have been most exemplary as both students and leaders. The awards, presented by the Faculty Board on Athletics, are named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960.

# National & International Competition

In addition to their many accomplishments in collegiate action, Notre Dame women's swimmers and divers have a history of also competing in various prestigious national and international meets, including three of the last four Olympics.

In 1996, Jilen Siroky ('04), then just 15 years of age, represented the United States in the Atlanta games, finishing 15th in the 200m breast. Siroky also was the 1996 U.S. champion in the 100 breast.

In 2000, Christel Bouvron represented

her native Singapore in the Sydney games, finishing 32nd in the 200m fly and 36th in the 400 free. Four years later, she became just the second current Notre Dame student-athlete ever – and first in 84 years – to take part in the Olympics, matching her 32nd-place finish in the 200 fly.

In addition to that pair of Olympians, 47 Irish student-athletes have competed in U.S. Olympic Trials, including eight that qualified in 2012, and four more have swum in their native country's trials.

Backstroker Erin Brooks, a 1997 graduate, represented the U.S. in the '97 World University Games and came home with a bronze medal in the 200 back. Notre Dame also has a long history of swimmers and divers who have qualified or competed in the USA Swimming Senior National Championships, as nearly 60 future, current or former Irish competitors have done so.

*Christel Bouvron was a two-time (2000, 2004) member of the Singapore Olympic team.*

# Rolfs Aquatic Center

The Irish swimming and diving teams compete in the state-of-the-art Rolfs Aquatic Center. After four years of varsity intercollegiate swimming competition in the Rockne Memorial Pool, the Notre Dame women's swimming and diving program entered a new era in 1985, as they moved to the \$4.5-million natatorium located in the Joyce Center.

Donated by brothers Thomas and Robert Rolf of West Bend, Wis., the Rolfs Aquatic Center provides Notre Dame with a modern, innovative facility on par with any other in the country. Ellerbe Architects and Engineers of Bloomington, Minn., the architects used in the planning of the Joyce Center, also were commissioned to design the 45,000-square-foot facility which houses a 50-meter Olympic pool (25 yards in width), spectator seating for 400 and support facilities.

The facility features two movable bulkheads to allow sections of the pool to be blocked off, allowing swimming competition and warm-up swimming to occur simultaneously. The design also allows recreational swimming, water polo, instructional swimming and other aquatic activities. Diving is accommodated with two one-meter boards and two three-meter boards.

Support functions housed in the center of the facility just below the spectator seating include men's and women's locker rooms, men's and women's varsity locker rooms, and men's and women's staff locker rooms. Offices for the Notre Dame swimming staff, aquatics

Equipment necessary for the latest diving training techniques, including a trampoline, is located in the diving area. The Rolfs Aquatic Center diving well contains two one-meter boards and two three-meter boards.

directors, and lifeguards are deckside and glass-fronted with a view of the pool.

Several deckside instructional areas are located around the pool and feature infrared heat lamps, designed to keep wet swimmers warm between events. The pool features a stainless steel racing gutter which is designed to absorb the bow waves of a swimmer, allowing faster swimming times.

Another instructional feature is the presence of two underwater windows which allow critiquing of a diver's or swimmer's underwater technique. The unique structural system consists of three trusses which span 120 feet, with the roof suspended below the

trusses. In addition, the white exterior trusses provide an interesting and athletic character to the building. The lighting system is designed to be adjusted from maximum brightness for television to nearly dark for dramatic synchronized swimming presentations.

The center was officially dedicated on November 13, 1985.

The Rolfs Aquatic Center is home to Notre Dame women's and men's swimming and diving teams. The pool has two moveable bulkheads that allow the Irish the opportunity to train on either a long or short course.

With 30 years under its belt, The BIG EAST Conference continues on a path of success in and out of the athletic arena. The goals have always been the same. The league wants and expects to compete at the highest level and does so with integrity and sportsmanship. The commendable performances of the student-athletes at BIG EAST schools are the indicators of the league's proud tradition of success.

The BIG EAST has gone through membership changes since its birth, but the 2009-10 academic year will mark the conference's fifth straight with the same 16-member group, the nation's largest Division I-A conference.

In 2008-09, BIG EAST student-athletes again succeeded on the national stage. The Connecticut women's basketball team won its sixth national championship by defeating conference-foe Louisville in an all-BIG EAST NCAA title game. The Notre Dame women's soccer team reached the NCAA championship game and the Syracuse field hockey squad advanced to the NCAA Final Four. Three BIG EAST women's cross country teams finished in the top 10 at the NCAA Championships. West Virginia was fourth followed by Villanova in sixth place and Georgetown in ninth.

Individually in women's sports, Providence's Dannette Doetzel won the 10,000 meters at the NCAA Outdoor Track & Field Championships. Connecticut's Maya Moore was the conference's sixth winner of the Wade Trophy as the top player in women's basketball. Notre Dame's Keri Hanks won the Hermann Trophy, the top award in women's soccer.

On the men's side, Connecticut and Villanova advanced to the Final Four in basketball. The 2008-09 campaign was arguably the best men's basketball season in the history of the BIG EAST with the league setting NCAA standards with three No. 1 tournament seeds, four teams in the round of the Elite Eight and five in the Sweet 16.

The St. John's men's soccer team reached the NCAA College Cup before losing in the national semifinals.

BIG EAST football has maintained its high profile and its reputation as a balanced group. Seven of the league's eight squads were nationally ranked or received votes in the national polls in 2008. Cincinnati was the league champion. The BIG EAST, a charter member of the Bowl Championship Series, has won three of its last four BCS bowl games. West Virginia, Louisville and Connecticut also have won or shared league crowns over the past four seasons.

The BIG EAST has continued to produce student-athletes who were at the forefront of athletic and academic achievement. In 2008-09, 19 BIG EAST players were chosen to their respective ESPN The Magazine Academic All-America Teams, including eight first-team selections. Nearly 400 student-athletes have earned academic all-America honors.

The BIG EAST became the nation's largest Division I-A conference in 2005-06 when five new members began competing. The new schools were: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida.

BIG EAST institutions reside in nine of the nation's top-34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With its newest members, BIG EAST markets contain almost one-fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 26 national championships in six different sports and 126 student-athletes have won individual national titles.

The BIG EAST has enjoyed tremendous basketball success, especially in this decade. In 2008-09, the BIG EAST produced four of the eight Final Four teams in men's and women's basketball. It was only the second time in NCAA history that one conference placed that many Final Four teams in the same season.

In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA basketball titles in the same season. In '02-'03, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in the same year when the Syracuse men and the Connecticut women captured their respective national championships. In men's basketball, BIG EAST squads have won three of the last 11 NCAA championships. BIG EAST women's teams have taken six of the last 10 NCAA titles.

Proactive movement has been a signature strategy for the conference that was born in 1979. The BIG EAST continually turns challenges into opportunities to become stronger.

In 2009-10, the BIG EAST will add men's lacrosse to its growing list of sports, which will increase its total to 24 sport championships. The first women's golf championship was held in the spring of 2003. Women's lacrosse and rowing were added in 2001.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad based programs, led by administrators and coaches who place a constant emphasis on

academic integrity. Its student athletes own significantly high graduation rates and their record of scholastic achievement notably shows a balance between intercollegiate athletics and academics.

Any successful organization has been fortunate to have outstanding leadership. Michael Tranchese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, became Commissioner in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

For 2009-10, the BIG EAST will undergo one significant change. Tranchese stepped down from his position on June 30, 2009. John Marinatto, who has served as senior associate commissioner, has moved into the Commissioner's chair.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student-athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

BIG EAST men's basketball games are regular sellouts at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden. The women's basketball championship has led all conferences in attendance for the past six years. Attendance figures also are significant in soccer and baseball.

More than 550 BIG EAST student-athletes have earned All-America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last six summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administrators to more than 5,500 athletes.

# NCAA Graduation Ratings

The University of Notre Dame can once again claim the 2012 national championship for graduating its student-athletes in all sports—in the process posting the top NCAA Graduation Success Rate (GSR) figure (99) for its student-athletes for the sixth straight year.

The GSR number for all Notre Dame student-athletes rated the Irish first among the 120 football-playing institutions in the NCAA Football Bowl Subdivision (formerly Division I-A). The 2012 NCAA figures are based on entering classes from 2002 through 2005.

Whether measured by the federal government in its Department of Education report or by the NCAA through its GSR numbers, graduation rates for Notre Dame student-athletes once again rank either number one or among the handful of national leaders in five major categories among all major football-playing colleges and universities.

Notre Dame's institutional research found that Irish student-athletes in 2012 rank number one in five of 10 major categories—ranking second in three others and third in another. That's based on the NCAA-issued GSR and federal figures released today.

For the fourth year in a row Notre Dame leads the nation in four GSR categories—for all student-athletes (at 99), male student-athletes (98), female student-athletes (100) and football student-athletes (97). Notre Dame also ranks number one in the federal numbers for male student-athletes (89).

In calculations that include all student-athletes in all sports, Notre Dame ranks first among the FBS schools in the GSR figures, which were initiated in 2005 by the NCAA. The University's 99 percent GSR for all its student-athletes ranks just ahead of the 98 figure for Duke. Using the federal formula, Notre Dame graduated a four-year average of 91 percent of its student-athletes, just behind Stanford at 92.

In the GSR standings, the Irish led the way in four categories. In addition to its number-one ranking for all student-athletes (99), Notre Dame finished first among female student-athletes at 100 (tied with Wake Forest), first among male student-athletes at 98 percent (ahead of Duke and Northwestern at 96), first among football players at 97 percent (tied with Northwestern), and second among black student-athletes at 98 percent (behind only Rice at 100).

Notre Dame graduated 94 percent of all women competing in varsity athletics, to rank second among its peer institutions based on the federal calculations (behind Stanford at 96). Among men, Notre Dame's 89 percent federal rate also was first, tied with Stanford. Notre Dame graduated 82 percent of its black student-athletes, ranking third based on the federal rate, and Irish football players graduated at an 83 percent rate, to rank sixth.

Nineteen of 22 athletics programs at Notre Dame compiled graduation rates of 100 percent, and none were below 91 percent, according to the eighth year of GSR measurements developed by the NCAA and released today.

None of the 120 Football Bowl Subdivision (formerly NCAA Division I-A) programs in the country had a higher percentage of 100 GSR scores than did Notre Dame with its .863 number (19 of 22).

In addition, Notre Dame ranked second among all FBS institutions with nine perfect scores among 22 sports (.409) in the federal graduation rate analysis.

Twelve University of Notre Dame athletic teams earned perfect 1,000 scores -- more perfect scores than any other Football Bowl Subdivision school registered -- in the eighth annual set of Academic Progress Rate statistics issued Wednesday by the NCAA.

All 26 Irish athletics programs again exceeded the NCAA's APR standards.

Notre Dame's 12 perfect scores of 1,000 led all FBS programs. Boston College and Duke tied for second with nine each, followed by Northwestern (eight), Vanderbilt (eight), Stanford (seven), North Carolina (five), Rice (five) and Texas (five).

The 2012 report released by the NCAA features a four-year compilation of APR data from the 2007-08, 2008-09, 2009-10 and 2010-11 academic years. The APR uses a series of formulas related to student-athlete retention and eligibility to measure the academic performances of all participants who receive grants-in-aid on every team at every NCAA Division I college and university.

Eight Notre Dame's men's teams -- basketball, cross country, golf, hockey, lacrosse, tennis, indoor track and field, and outdoor track and field -- registered perfect 1,000 scores. In addition, four Irish women's teams -- cross country, golf, softball, and swimming and diving -- also earned perfect scores.

Eleven other Notre Dame teams produced scores of 991 or better: women's rowing (998), men's swimming and diving (997), women's lacrosse (997), women's soccer (997), women's indoor track and field (997), women's outdoor track and field (997), baseball (995), women's volleyball (994), men's soccer (993), women's tennis (992) and men's fencing (991).

The release follows the announcement last week by the NCAA of teams that posted multi-year APR scores in the top 10 percent of all squads in their respective sports. The public recognition awards were part of the broad Division I academic reform effort.

Notre Dame had 17 of its programs honored last week for the multi-year achievement -- baseball, men's basketball, men's cross country, men's golf, men's ice hockey, men's lacrosse, men's swimming and diving, men's tennis, men's indoor track and field, men's outdoor track and field, women's cross country, women's golf, women's soccer, softball, women's swimming and diving, women's indoor track and field, and women's outdoor track and field.

Notre Dame also had 17 programs honored in 2011 and 14 programs honored in both 2010 and 2009. Eleven Irish programs were honored each of the previous two years, in both 2007 and 2008.

Notre Dame this year led all FBS schools in number of programs honored, with Duke second with 13. Next in line were Boston College, Northwestern and Stanford with 10 each.
