Former Notre Dame head coach Carrie Nixon earned a program-best 12 All-America accolades during her career, which was highlighted by setting the NCAA Championships record in the 50m Free (24.99) in 2000.

The first two Notre Dame women's swimming and diving All-Americans were middle-distance freestyler Jeanine Blatt (middle) and diver Betsy Shadley (right) - shown here with former head coach Dennis Stark. The two were AIAW Division III All-Americans in 1979, two seasons before the women's varsity program was established.

The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to the senior monogram athletes who have been most exemplary as both students and leaders. The awards, presented by the Faculty Board on Athletics, are named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960.

National & International Competition

Irish in National and International Competition

In addition to their many accomplishments in collegiate action, Notre Dame women's swimmers and divers have a history of also competing in various prestigious national and international meets, including three of the last four Olympics.

In 1996, Jilen Siroky ('04), then just 15 years of age, represented the United States in the Atlanta games, finishing 15th in the 200m Breast. Siroky also was the 1996 U.S. champion in the 100 Breast.

In 2000, Christel Bouvron represented her native Singapore in the Sydney games, finishing 32nd in the 200m Fly and 36th in the 400 Free. Four years later, she became just the second current Notre Dame student-athlete ever – and first in 84 years – to take part

in the Olympics, matching her 32nd-place finish in the 200 Fly.

In addition to that pair of Olympians, 39 Irish student-athletes have competed in U.S. Olympic Trials and four more have swum in their native country's trials. Backstroker Erin Brooks, a 1997 graduate, represented the U.S. in the '97 World University Games and came home with a bronze medal in the 200 Back. Notre Dame also has a long history of swimmers and divers who have qualified or competed in the USA Swimming Senior National Championships, as nearly 60 future, current, or former Irish competitors have done so.

Rolfs Aquatic Center

Equipment necessary for the latest diving training techniques, including a trampoline, is located in the diving area. The Rolfs Aquatic Center diving well contains two one-meter boards and two three-meter boards.

The Irish swimming and diving teams compete in the state-of-the-art Rolfs Aquatic Center. After four years of varsity intercollegiate swimming competition in the Rockne Memorial Pool, the Notre Dame women's swimming and diving program entered a new era in 1985, as they moved to the \$4.5-million natatorium located in the Joyce Center.

Donated by brothers Thomas and Robert Rolf of West Bend, Wis., the Rolfs Aquatic Center provides Notre Dame with a modern, innovative facility on par with any other in the country. Ellerbe Architects and Engineers of Bloomington, Minn., the architects used in the planning of the Joyce Center, also were com-

mitted to design the 45,000-square-foot facility which houses a 50-meter Olympic pool (25 yards in width), spectator seating for 400 and support facilities.

The facility features two movable bulkheads to allow sections of the pool to be blocked off, allowing swimming competition and warm-up swimming to occur simultaneously. The design also allows recreational swimming, water polo, instructional swimming and other aquatic activities. Diving is accommodated with two one-meter boards and two three-meter boards.

Support functions housed in the center of the facility just below the spectator seating include men's

and women's locker rooms, men's and women's varsity locker rooms, and men's and women's staff locker rooms. Offices for the Notre Dame swimming staff, aquatics directors, and lifeguards are deckside and glass-fronted with a view of the pool.

Several deckside instructional areas are located around the pool and feature infrared heat lamps, designed to keep wet swimmers warm between events. The pool features a stainless steel racing gutter which is designed to absorb the bow waves of a swimmer, allowing faster swimming times.

Another instructional feature is the presence of two underwater windows which allow critiquing of a diver's or swimmer's underwater technique. The unique structural system consists of three trusses which span 120 feet, with the roof suspended below the trusses. In addition, the white exterior trusses provide an interesting and athletic character to the building. The lighting system is designed to be adjusted

from maximum brightness for television to nearly dark for dramatic synchronized swimming presentations.

The center was officially dedicated on November 13, 1985.

BIG EAST Conference

The 2008-09 academic year will be the 30th for The BIG EAST Conference. While the league has gone through membership changes since its birth, it has never been stronger. This academic year will mark the conference's fourth year as the nation's largest Division I-A conference.

The goals of the BIG EAST have never changed. The league aims and expects to compete at the highest level and does so with integrity and sportsmanship. The student-athletes of the member schools continue to maintain the league's proud tradition of success.

BIG EAST teams earned their share of recognition at the highest levels in 2007-08. Four women's teams advanced to their respective NCAA Final Fours: Connecticut field hockey and women's basketball, Notre Dame soccer and Syracuse lacrosse.

Individually in men's sports, Villanova's Bobby Curtis was the NCAA outdoor track champion in the 5,000 meters. Connecticut's O'Brian White won the M.A.C. Hermann Trophy, the highest individual honor in soccer. Two years ago, BIG EAST male and female student-athletes were Hermann Trophy winners.

In men's basketball, the BIG EAST tied its own record set in 2006 by earning eight NCAA Championship bids. BIG EAST women's teams have received eight NCAA invitations in each of the past two years. The combined 16 men's and women's berths in 2008 was an NCAA first.

The quality of BIG EAST football has never been more balanced. Six of the league's eight squads were nationally ranked in 2007. For the third straight year, the BIG EAST representative in the Bowl Championship Series won its BCS bowl game.

The BIG EAST continued to produce student-athletes who were at the forefront of athletic and academic achievement. Nineteen BIG EAST players were chosen to their respective ESPN The Magazine Academic All-America Teams, including eight first-team selections.

The BIG EAST became the nation's largest Division I-A group in 2005-06 when five new members began competing. The new schools were: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida.

BIG EAST institutions reside in nine of the nation's top 34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With its newest members, BIG EAST markets contain almost one fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 25 national championships in six different sports and 125 student-athletes have won individual national titles.

The BIG EAST has always been able to boast that some of its best students are also some of its best athletes. More than 370 student-athletes have earned academic all-America honors. Last year in football, Louisville quarterback Brian Brohm, who finished his career as the BIG EAST's career passing leader, was one of the league's eight first-team ESPN The Magazine Academic All-America team picks.

Also, Connecticut's Rebecca Lobo, one of the most heralded women's basketball players in the history of the sport, was named to the CoSIDA Academic All-America Hall of Fame in 2008. Lobo, a two-time BIG EAST Player of the Year, led the Huskies to the 1995 NCAA national championship.

The BIG EAST has enjoyed tremendous basketball success, especially in this decade. In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA titles in the same season. In '02-03, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in the same year when the Syracuse men and the Connecticut women captured their respective national championships. In men's basketball, BIG EAST squads have won three of the last 10 NCAA championships. BIG EAST women's teams have taken five of the last nine NCAA titles.

Proactive movement has been a signature strategy for the conference that was born in 1979. The BIG EAST continually turns challenges into opportunities to become stronger.

In the spring of 2001, the BIG EAST added women's lacrosse and rowing to its growing list of sports. The first women's golf championship was held in the spring of 2003. In 2007, the league conducted its first women's lacrosse championship tournament. In 2009-10, the BIG EAST will begin sponsorship of men's lacrosse, its 24th sport.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse Universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad based

programs, led by administrators and coaches who place a constant emphasis on academic integrity. Its student-athletes own significantly high graduation rates and their record of scholastic achievement notably shows a balance between intercollegiate athletics and academics.

Any successful organization needs outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, became Commissioner in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

For 2009-10, the BIG EAST will undergo one significant change. Tranghese has announced that he will step down from his position on June 30, 2009.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

While BIG EAST basketball games are regular sellouts at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden, attendance figures also are significant in soccer, women's basketball and baseball games.

More than 550 BIG EAST student-athletes have earned all America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last six summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes.
