# Exceptional Education

Since its founding, Notre Dame has stressed mixing academics with faith and has done so while becoming one of the top institutions of higher learning in the nation. Featuring five undergraduate colleges (Arts and Letters, Science, Architecture, Engineering and Business), the First Year of Studies, the Graduate School and the Law School, the University finds itself attracting some of the top students and faculty in the country. Students also participate in cutting edge research and diverse study abroad opportunities, enabling Notre Dame to offer one of the top academic experiences in the world.

2	Ranking of the Mendoza College of Business by <i>BusinessWeek</i> , in its annual survey of undergraduate business programs.
22	Ranking of the Notre Dame Law School by <i>U.S. News and World Report</i> .
37	National Endowment for the Humanities fellowships won by faculty in the College of Arts and Letters, more than any other university in the nation.
5	Publications in which the University of Notre Dame is ranked among the top 25 institutions of higher learning ( <i>U.S. News and World Report</i> , <i>Princeton Review</i> , <i>Time</i> , <i>Kiplinger's</i> and <i>Kaplan/Newsweek</i> ).

### First Year of Studies

The First Year of Studies program provides all first-year students with the opportunity to gain a wide-ranging liberal arts background before choosing a specific major within Notre Dame's five undergraduate colleges. A progressive advising program for all student-athletes enables the University to follow the academic progress of all student-athletes on a regular basis. Key to the program is the fact that it is not run by the athletics department but by the University administration.

### Student-Athlete Success

Notre Dame expects the best out of its student-athletes just as it does of every other student on campus. Notre Dame has had unprecedented academic success among its athletes, consistently ranking among the top NCAA Football Bowl Subdivision schools in graduation rates and academic progress. With more Academic All-Americans than any other school since 2000, Irish athletes have shown themselves capable of performing in the classroom while competing on the field at an elite level.

14

Programs honored by the NCAA for Academic Progress Rate scores in 2009, more than any other of the 119 Football Bowl Subdivision universities. The APR measures multi-year academic success by team members.

9

Irish teams which recorded a perfect score of 1,000 in the NCAA's 2009 Academic Progress Rate report, more than any other Football Bowl Subdivision institution. Notre Dame also had 11 additional programs with scores of 990 or better and all 26 varsity teams placed above NCAA standards.

19

Programs which achieved a perfect 100 percent graduation rate according to the NCAA's Graduation Success Rate, second most among Football Bowl Subdivision institutions.

100

.863

Percentage of Irish varsity sports (19 of 22) to achieve a perfect 100 percent graduation rate according to the NCAA's Graduation Success Rate. Notre Dame was one of only 10 institutions with more than half its programs achieving a 100 percent graduation rate and no other school saw more than 80 percent of its programs achieve a perfect score.

# Sports Medicine

While no athlete plans on an injury, Notre Dame is prepared with one of the top sports medicine teams in the country to help keep its athletes fit and ready to compete. With training facilities in the Joyce Center, Notre Dame Stadium and the Guglielmino Athletics Complex, the training staff is always there to care for athletes. With approximately 200 years combined experience on the full-time staff, Notre Dame also boasts a partnership with the renowned South Bend Orthopaedics to provide first-class care.

8,500

Square feet of cutting-edge sports medicine technology, including two 3,500-gallon therapy pools, a full x-ray unit and an MRI machine.

# Strength and Conditioning

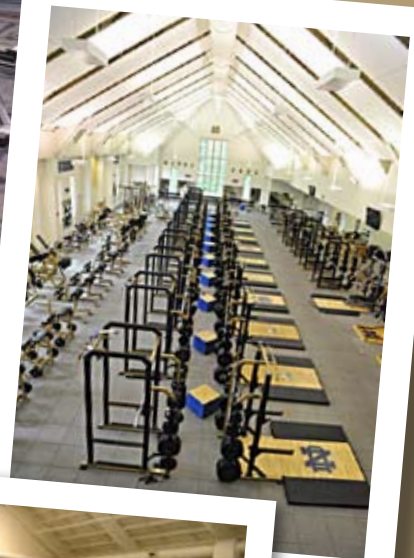

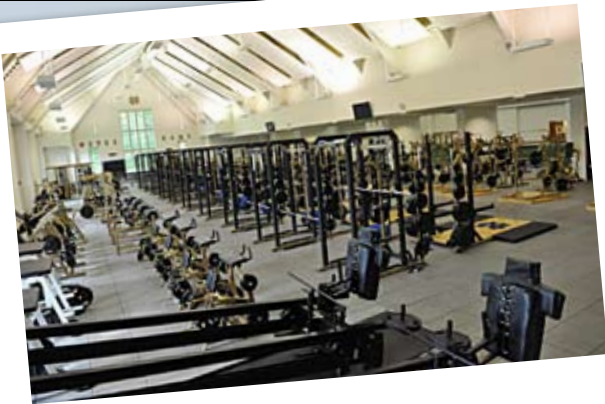

The task of keeping athletes in top physical condition is up to the strength & conditioning staff. The strength and conditioning staff knows the demands of competing on an elite level and is committed to ensuring Irish athletes are always in the best possible condition. From weight lifting to wind sprints and from warming up to cooling down, the strength and conditioning staff has every aspect covered.

**10**

# The University of Notre Dame

When Father Edward F. Sorin started his school in the northern Indiana wilderness, he had only \$300, three log buildings badly in need of repair and a far-sighted vision of establishing a liberal arts school to meet the growing educational needs of the frontier. He dreamed of building a great university, and in 1842, he founded the University of Notre Dame du Lac.

Over the years, the University of Notre Dame du Lac would evolve into a preeminent place for Catholic thought. While becoming one of the top undergraduate institutions in the country, Notre Dame has also been at the cutting edge of research, including such innovations as the transmission of wireless messages and the development of synthetic rubber. The University also has stressed residential life, with four of five students living on campus. Students come to Notre Dame not only to learn how to think, but to learn how to live, keeping faith with the vision of Father Sorin.

1842	The University of Notre Dame was founded by Rev. Edward F. Sorin, C.S.C., as an independent, national Catholic university adjacent to South Bend, Ind., on St. Mary's and St. Joseph's Lakes.
11,733	Total enrollment at the University of Notre Dame, with 8,371 undergraduate students.
23.9	Karat gold in the famed Golden Dome, which tops the Main Building at the heart of campus.
5	Notre Dame's ranking by <i>Princeton Review</i> in a list of "Dream Schools" which takes into account academics and student life, among other attributes.

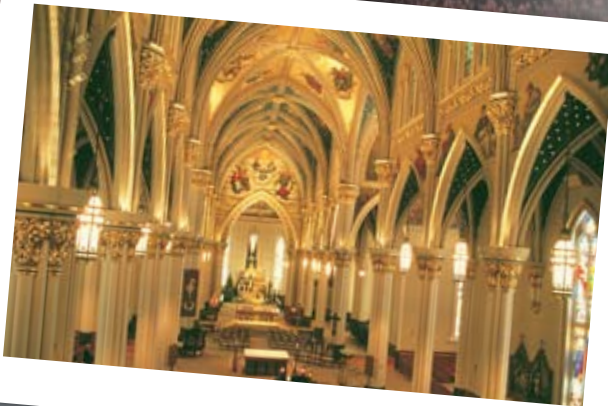

# Student Body

Notre Dame is one of a handful of universities with a truly international student body, coming from more than 100 nations and all 50 states. The most recent freshman class featured 88 percent of students in the top 10 percent of their high school class. In addition, there are no fraternities or sororities at Notre Dame, with the school's 28 residence halls housing more than 80 percent of the student body, serving as the focal point of social, religious and athletic activities.

95	Graduation rate percentage among Notre Dame students, third in the nation behind only Harvard and Princeton.
97	Retention rate between freshman and sophomore year which thanks to the University's renowned First Year of Studies Program, ranks among the highest in the country.
80	Percent of Notre Dame students who reside in one of 28 on-campus residence halls, where approximately 40 Holy Cross religious leaders provide pastoral assistance.
50/100	States and countries, respectively, which Notre Dame students call home.

Father Jenkins specializes in the areas of ancient philosophy, medieval philosophy and the philosophy of religion. He is the author of *Knowledge and Faith in Thomas Aquinas*, published by Cambridge University Press in 1997.

# Jack Swarbrick

## Director of Athletics

John B. "Jack" Swarbrick Jr., a University of Notre Dame graduate who has risen to national prominence as a lawyer, consultant, and executive in the collegiate and Olympic sports industries, is in his second year as director of athletics at his alma mater.

His first year on campus in 2008-09 featured the announcement of plans for a new, free-standing ice hockey arena; creation of an athletic administrative division to enhance athletic performance — plus 35 All-Americans, eight Academic All-Americans and four NCAA post-graduate Scholarship winners.

Notre Dame teams in 2008-09 finished as the NCAA runner-up in both women's soccer (26-1, led by Hermann Trophy winner Kerri Hanks) and fencing (men 33-0, women 32-2), while the women's tennis squad advanced to the NCAA semifinals. The Irish men's soccer squad was seeded 14th in the NCAA bracket, while the hockey team ranked fourth in the final poll after winning CCHA regular-season and postseason crowns. Men's lacrosse finished unbeaten in the regular season (and second in the final poll) -- and women's lacrosse won its first BIG EAST title.

Notre Dame also ranked number one in the country (among Football Bowl Subdivision schools) in the most recent Graduation Success Rate (GSR) numbers with a 98 for all student-athletes. The 2009 Academic Progress Rate (APR) statistics included more perfect 1,000 scores by Irish teams (nine) than by any other FBS institution.

Raised in Yonkers, N.Y., and Bloomington, Ind., Swarbrick is a 1976 *magna cum laude* graduate of Notre Dame with a bachelor's degree in economics. Upon graduating from Stanford University Law School in 1980, he returned to Indiana to accept a position as an associate in the Indianapolis law firm Baker & Daniels. He was made partner in 1987 and spent 28 years overall with the firm.

As a member of the Indiana Sports Corporation, including the chairmanship from 1992 to 2001, Swarbrick's leadership efforts resulted in the city earning the bid to host the 2012 Super Bowl; becoming the home of the NCAA headquarters; and hosting the 1987 Pan American Games, the 1991 World Gymnastics Championships, NCAA Men's Basketball Final Fours, and other college championship competitions plus a wide array of national and world championships in the Olympic sports.

He served as sports commissioner of the 1982 U.S. Olympic Festival in Indianapolis, competition director of the '87 Pan American Games, and chairman of the '91 World Gymnastics Championships. Swarbrick has served as general counsel for numerous national governing bodies of Olympic sports, including USA Gymnastics and USRowing.

Born March 19, 1954, Swarbrick and his wife Kimberly are the parents of four children: Kate, a senior at Saint Louis University; Connor, a junior at Wake Forest University; Cal, a senior in high school; and Christopher, a high school junior.

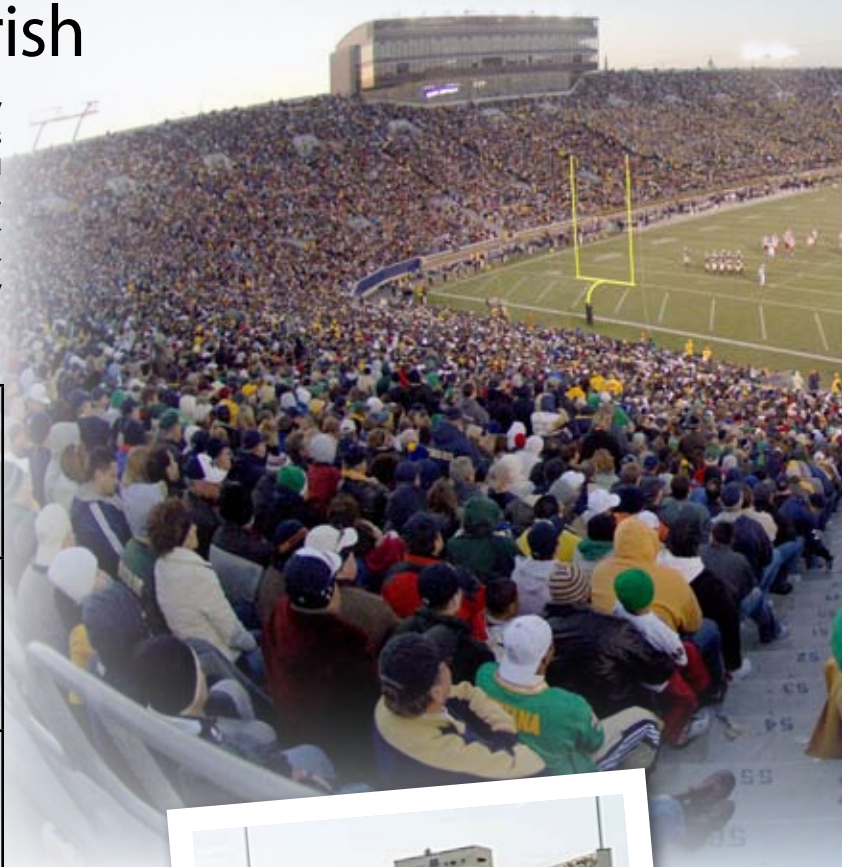

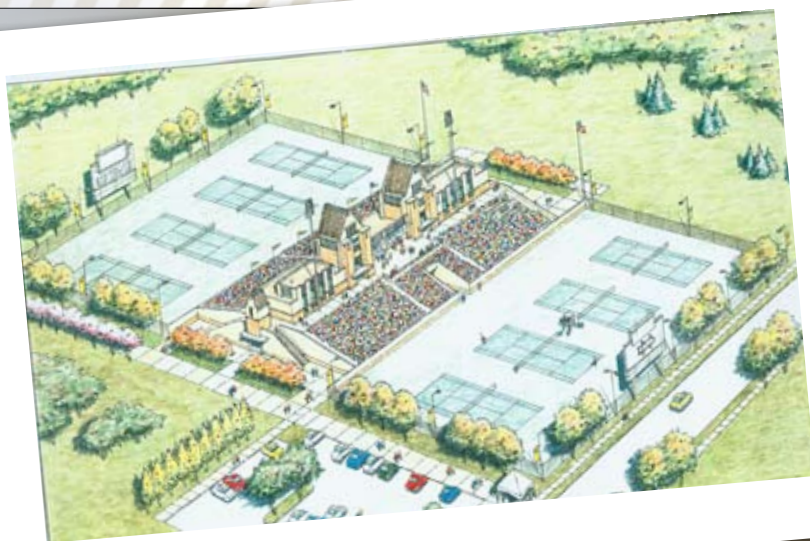

# Homes of the Fighting Irish

In the midst of a master plan that will touch nearly every varsity team, Notre Dame has shown its commitment to providing athletes with the best possible facilities to help them compete on a national level. From new facilities to the extensive renovation of existing ones, Notre Dame is committed to giving Irish athletes every edge imaginable. The plan will result in a drastically altered footprint on the south-east corner of campus, creating an athletics quad that will give every Irish athlete a place they will be proud to call home.

3	New athletics facilities which will open on campus during the 2009-10 year. Alumni Stadium will be the new home for men's and women's soccer; Purcell Pavilion renovation and expansion of the Joyce Center arena will be completed; and Arlotta Family Stadium will open as the new home for the men's and women's lacrosse teams.
3	New facilities which have opened their doors in the past five years, including the Guglielmino Athletics Complex (housing football offices and locker room, a new weight room and new sports medicine facilities), the LaBar Practice Complex (featuring two Field Turf fields and one natural grass field) and Melissa Cook Stadium (home of the Irish softball team).
26.3	Million dollars being spent on Purcell Pavilion for additions and renovations to the Joyce Center arena. Purcell Pavilion at the Joyce Center will feature a three-story addition with club seating, a hospitality area, additional area for restrooms and concessions, as well as new space for the Varsity Shop and the Notre Dame ticket office.
4	Facilities which are still on the master plan to create a comprehensive athletic quad. The track and field teams, the hockey program, the tennis squads and the rowing team all will receive new facilities in the near future.

# Championship Teams

Notre Dame prides itself on competing with the best in every sport it fields. Eight different programs have won national championships since Notre Dame began its first varsity team, football in 1887. With more consensus national championships in football than any other school, other programs have begun to emerge on the national scene in the 14 years since Notre Dame joined the BIG EAST Conference.

25	National championships (11 in football, seven in fencing, two in women's soccer, two in men's tennis, one in men's golf, men's cross country and women's basketball) won by Notre Dame.
101	BIG EAST Conference championships won by Notre Dame in 14 seasons of league play.
10	Conference championships won by Irish teams during the 2008-09 year (eight BIG EAST, plus Central Collegiate Hockey Association and Great Western Lacrosse League).
13	Irish programs which finished their 2008-09 season nationally ranked.
11	Consecutive years in which Notre Dame has finished in the top 25 of the United States Sports Academy Division I Directors' Cup, sponsored by the National Association of Collegiate Directors of Athletics. With a 21st-place finish in 2009, Notre Dame matched its finish from the previous year.

# Championship People

To measure the success of Notre Dame's determination to have both academic and athletic success, one needs only to look at the numbers. From Academic All-Americans to BIG EAST Conference Academic All-Stars, Notre Dame continues to set the bar nationally.

**210**

All-time Academic All-Americans produced by Notre Dame, second most of any university.

**84**

Academic All-Americans since 2000, more than any other school.

**2**

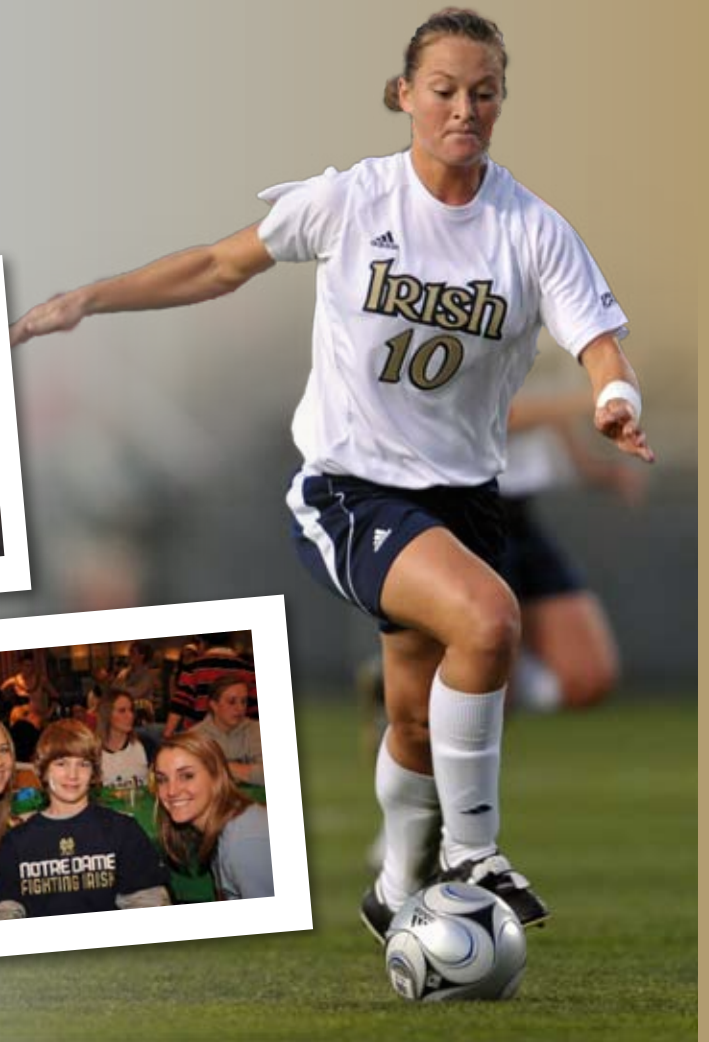

Irish teams which have produced more Academic All-Americans than any other school in their respective sports – baseball and women's soccer.

**8**

Notre Dame Academic All-Americans in 2008-09.

**48**

Notre Dame NCAA postgraduate scholarship recipients since 1964, including four in 2008-09: Matt Besler (men's soccer), Brittany Bock (women's soccer), Lauren Buck (rowing) and Patrick Smyth (men's cross country).

# Irish in the Community

In addition to academic success, Notre Dame emphasizes giving back to the community as well. Notre Dame athletes have participated in countless service projects through the years, benefiting the Notre Dame and South Bend communities and beyond. Team and individual projects have allowed Irish athletes to see the positive impact they have in the lives of others and learn how to use their talents to benefit those in their communities.

**5,500**

Hours of community service completed by Notre Dame student-athletes during the 2008-09 school year.

**686**

Community service hours completed by the women's swimming team, tops among Irish programs in 2008-09. The team assisted with programs including the Domer Run, Irish Aquatics, Relay for Life and Fit for Fun, among others.

**82.5**

Hours of community service completed by the women's soccer All-American Carrie Dew, more than any other Irish athlete. Dew volunteered at Healthwin Specialized Care with the elderly, Life-works children's program and Take 10, which emphasizes non-violent ways for children to resolve disputes, among other service projects.

# An Exclusive Club

The Notre Dame Monogram Club was founded by athletics director Jesse Harper in 1916 to bring together varsity letterwinners to promote spirit, unity, leadership and sportsmanship. Today's active members help keep past athletes connected to Notre Dame and the current student-athletes. In addition to helping contribute to scholarships, the Monogram Club has helped contribute to new facilities, especially the renovation of Heritage Hall and the Monogram Room, located in the Joyce Center.

2

Postgraduate scholarships awarded by the Monogram Club in 2009. Football's Thomas Bemenderfer and volleyball's Mallorie Croal earned the first annual grants. Croal will be working towards a masters of nursing at San Diego while Bemenderfer will be enrolling in medical school at Indiana University.

3,628

Active members in the Monogram Club through the 2008-09 year. The contributions of active members entitle them to *Inside Irish*, a magazine for members; the annual Riehle Open golf outing; football tickets and makes their children eligible for the Brennan-Boland-Riehle Scholarship.

2.5

Million dollars which have been contributed to the Brennan-Boland-Riehle Scholarship fund, which benefits the children of former Notre Dame athletes who attend the University.

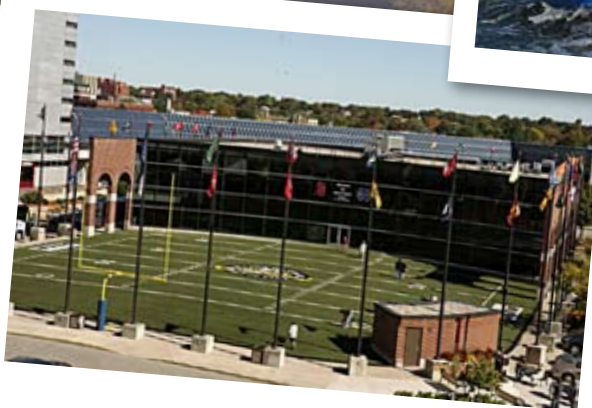

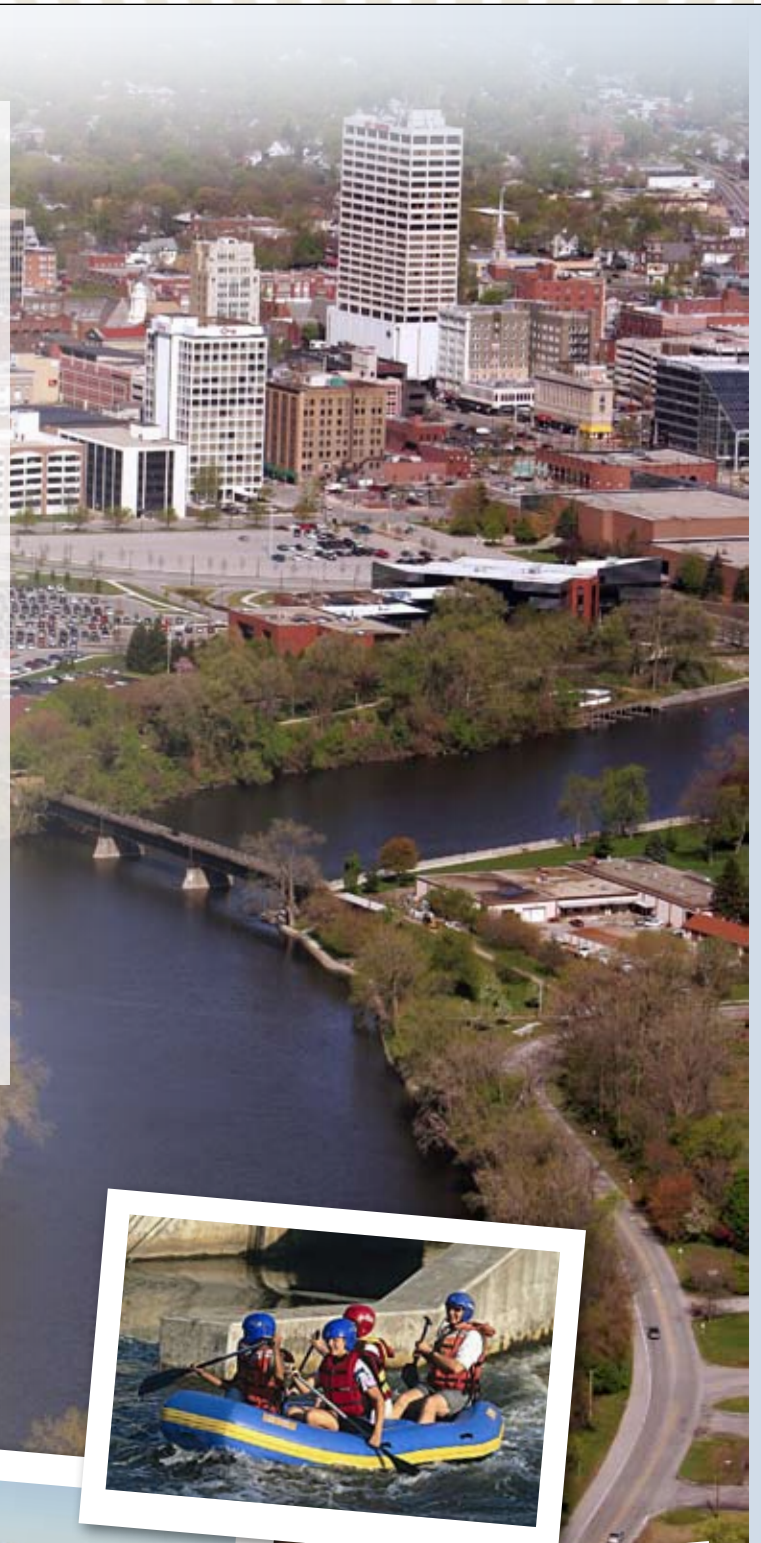

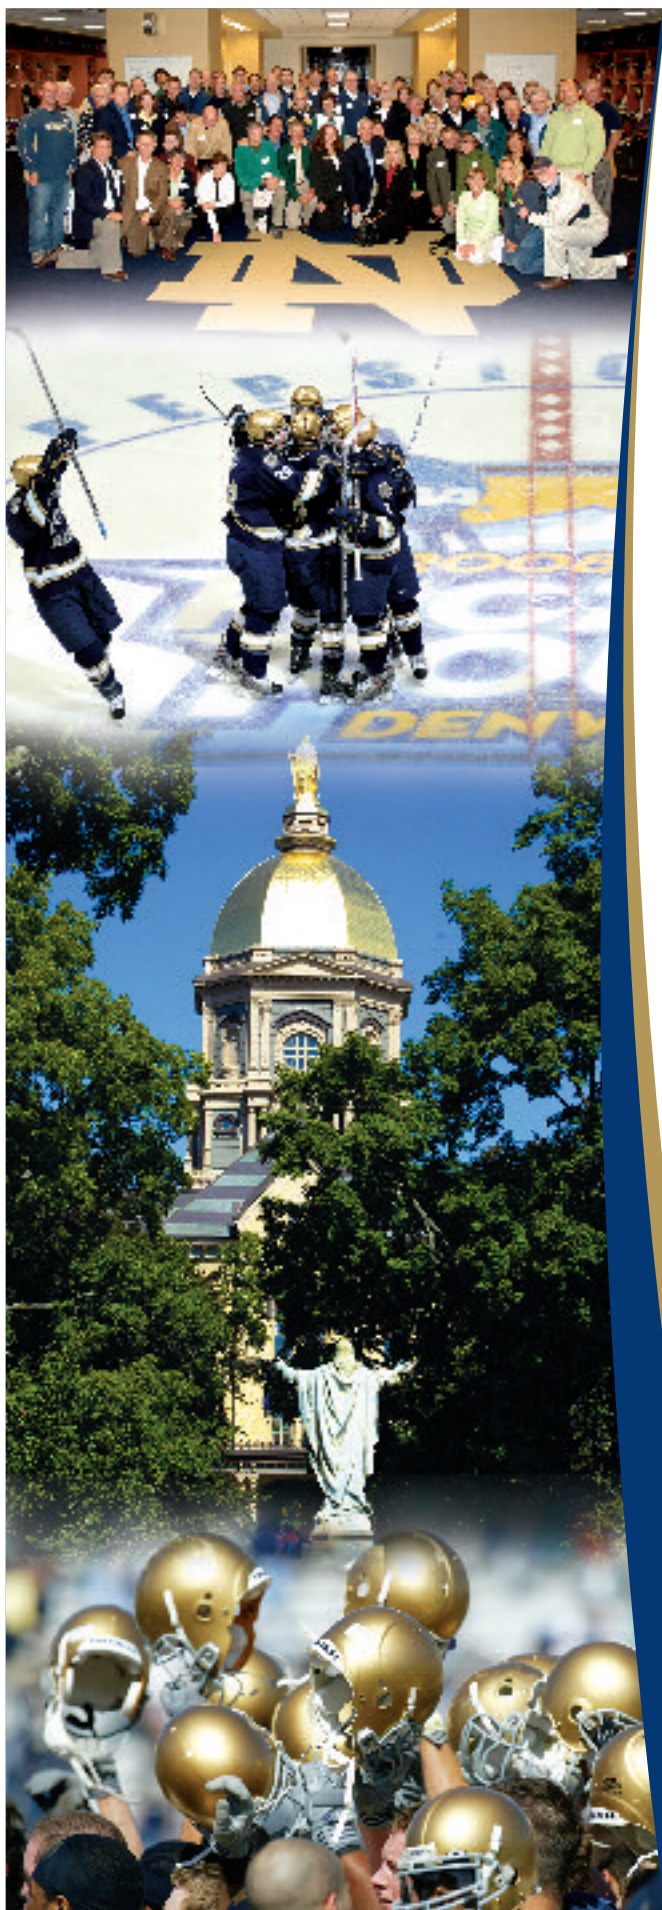

# Notre Dame's Neighbor

Located adjacent to South Bend, Ind., the University of Notre Dame has always acknowledged its place in a greater community. Sitting between South Bend and Mishawaka in northern Indiana, Notre Dame has benefited the area in ways unimaginable, especially when it comes to Notre Dame football weekends. It is estimated that the average football weekend brings approximately \$6.2 million dollars to the surrounding community. In addition to the financial aspect, Notre Dame feels truly invested in the surrounding community, with students participating in countless service projects to benefit the greater South Bend area.

<b>266,678</b>	Population of the South Bend-Mishawaka area.
<b>5.5</b>	Millions of dollars in voluntary contributions over the next 10 years from the University of Notre Dame to the cities of South Bend and Mishawaka, the town of Roseland and to St. Joseph County.
<b>21</b>	Football legends enshrined in South Bend's College Football Hall of Fame in the summer of 2009, including former Irish head coach Lou Holtz. The College Football Hall of Fame was constructed in downtown South Bend in 1995 and features what is regarded as one of the most interactive museums in the world.
<b>1,900</b>	Feet runs the East Race Waterway, the first and only manmade whitewater rapids facility in North America. The East Race hosted the 2004 U.S. Olympic Trials for kayak.

# Season Preview

*Sophomore Shannon Mathews and the Irish look to continue their BIG EAST success and make a run for the national stage in 2010.*

## Irish Women's Tennis Sets Sights on National Stage

*The 2009-10 Irish squad looks to continue success as one of the nation's top programs*

Coming off one of the best seasons in program history, head coach Jay Louderback and the 2009-10 Notre Dame women's tennis team are looking to continue their tradition of success and find their place on the national stage.

After finishing the 2009 season with a 28-5 record, a fifth-place ranking in the final Intercollegiate Tennis Association (ITA) poll and an appearance in the NCAA Championship semifinals, the Irish are looking to repeat that success as five of the top six players from last year's squad return in 2009-10.

Leading the Irish this season is a trio of seniors who have won two BIG EAST Championships and made three appearances in the NCAA Tournament during their careers at Notre Dame.

Cosmina Ciobanu was a solid force in the Irish lineup a year ago, compiling a 21-5 singles dual record and a 22-8 doubles mark. The Brea, Calif., native also earned all-BIG EAST honors and received the Notre Dame Club of St. Joseph Valley Rockne Student-Athlete Award.

"Cosmina has won a lot of matches for us, and we're hoping she'll continue to play well in both singles and doubles," Louderback said. "We're looking for her to contribute to our lineup in a big way this season."

Senior Kali Krisik was an all-BIG EAST honoree last season after going 19-9 in singles dual action and 21-8 in doubles. The Arkansas City,

Kan., product leads the Irish squad with 97 singles wins and 98 doubles victories in her career.

"We're expecting a lot of leadership from Kali," Louderback said. "She has an opportunity to do some really great things this year. She'll have to step up and play No. 1 doubles, and we're looking to her to play well and contribute in the middle of our singles lineup."

Senior Colleen Rielley has become a consistent competitor in the Irish doubles lineup. She teamed with sophomore Shannon Mathews last season for a 25-8 dual record and finished the season on an 11-match win streak. The duo was named to the NCAA All-Tournament Team after compiling a 5-0 record at the national event.

Senior Kali Krisik earned all-BIG EAST honors and went 19-9 in singles action in 2009.

"Colleen did an unbelievable job in doubles last year, and we're hoping she'll continue that this season," Louderback said. "Whoever she teams with will do well. She'll also have a chance to play singles this season, and we hope she'll be able to contribute there, as well."

Two juniors return for the Irish in 2009-10 with hopes of becoming major players in the Notre Dame lineup. Kristen Rafael had a strong presence in the Irish lineup last season with a 17-11 singles dual mark and closed out the season riding a two-match win streak.

"Kristen had a great spring for us and a strong showing at the NCAA tournament," Louderback said. "We're hoping she'll carry that success over to this year. Her doubles also have improved, and she'll have a chance to compete there for us, too."

Denise Ellison did not see any action for the Irish a year ago, but has made major strides and improved her game.

"Denise will provide a lot of depth for us," Louderback said. "She's done really well in dou-

bles. She's ready to play singles or doubles anytime."

A talented sophomore duo is ready to take the Irish back to the top after incredible freshman seasons.

Kristy Frilling made a major impact with the Irish squad and put together one of the best freshman seasons in program history. The 2009 BIG EAST Freshman of the Year and ITA National Player to Watch, Frilling finished the dual season with a 21-9 singles record and a 26-4 mark in doubles play. The Sidney, Ohio native advanced to the second rounds of both the NCAA Singles and Doubles Championships and was ranked in the doubles top three all season.

"Kristy is one of the top players in the country, and this season she'll have the chance to step up and play No. 1 singles," Louderback said. "We're also looking for her to team up with Kali at No. 1 doubles and be one of the better doubles teams in the nation."

Mathews was also a major player in the Irish lineup last season, finishing her freshman campaign with a 27-3 dual singles record and a 25-8 mark in doubles play. After opening the season with 16 straight dual victories, the Birmingham, Mich., product earned all-BIG EAST honors. Mathews and doubles partner Rielley ended the season on an 11-match win streak, including a 5-0 mark in NCAA action that garnered NCAA All-Tournament Team recognition.

"Shannon had a great season last year, and we're looking for her to contribute and play well for us at the top of lineup," Louderback said. "She has a great all-around game with a lot of power, and we're expecting good things from her this year."

Making her Irish debut this season is freshman Chrissie McGaffigan. The multi-sport standout from Davenport, Iowa was the top-ranked tennis recruit in her home state and was rated 32nd nationally by tennisrecruiting.net.

"Chrissie's going to have a chance to make a big impact as a freshman," Louderback said. "She's great in both singles and doubles and competes really well. She could really play anywhere in our lineup."

The Irish will face a challenging schedule in 2010 that will prepare them for another run at a national title.

"Our schedule is tough this year, but the key for us to succeed is to do well early," Louderback said. "We have some tough matches early on, and we'll need to do well in those to compete during the rest of the season."

The Irish open their season at Iowa and Wisconsin, before hosting North Carolina, DePaul and Boise State as part of the ITA Kickoff Weekend Jan. 30-31. The winner of both their matches that weekend will advance as one of 15 teams to the ITA National Team Indoor Championships Feb. 12-15 in Madison, Wis.

The Irish return to the Eck Tennis Pavilion for a six-match home stand Feb. 20 through March 5 that includes meetings with Illinois, Northwestern, Ohio State, Georgia Tech, Tennessee and Indiana. Following seven matches on the road, including two against William & Mary and Duke in Puerto Rico, the Irish close out the regular season with South Florida, DePaul and Marquette at home.

For the first time in school history, Notre Dame will host the BIG EAST Championship April 22-25.

"We're really excited to be hosting the BIG EAST Championship this year," Louderback said. "The BIG EAST is going to be the most competitive it's ever been."

The NCAA First and Second Rounds will be held at various school sites May 14-15, and the NCAA Championships get underway May 20-31 in Athens, Ga.

With a strong group of players and a competitive schedule, the 2009-10 Notre Dame women's tennis team looks to continue its tradition of success and has high hopes for a national title run.

Sophomore Kristy Frilling was named the 2009 BIG EAST Freshman of the Year and the ITA National Player to Watch.

**Head Coach

State '76**

When Jay Louderback took over as women's tennis head coach at Notre Dame in the fall of 1989, he inherited a program that had competed on the Division I level for just four years and had never participated in the NCAA tournament or earned a national ranking. As he enters his 21st season at the helm, Louderback has turned Notre Dame into one of the premier women's tennis programs in the nation.

The Irish have finished in the national top 30 in each of the last 17 seasons and have earned 16 berths to the NCAA Championship in that span. Notre Dame has captured 15 conference titles during Louderback's tenure and has reached the round of 16 in the NCAA tournament on seven occasions, including three appearances in the quarterfinals (1996, 2006, 2007) and a trip to the semifinals a year ago. The Courtney Tennis Center has also served as host of the 1998 NCAA Championships, largely due to his efforts.

Last season, Louderback and the Irish made history when they advanced to the NCAA tournament semifinals for the first time. Notre Dame finished with a 28-5 record and ranked fifth in the final Intercollegiate Tennis Association (ITA) poll. The Irish also won their second straight BIG EAST title and advanced to the ITA National Team Indoor semifinals.

Kelcy Tefft and Kristy Frilling opened the season as the nation's top-ranked doubles duo, before advancing to the second round of the NCAA Doubles Championship and earning All-America honors. Tefft was named the ITA National Player of the Year and the BIG EAST Player of the Year, while Frilling earned ITA National Player to Watch and BIG EAST Freshman of the Year honors.

Louderback's players have enjoyed great success under his tutelage. Twenty-three Irish competitors have earned All-America honors, and six have garnered national awards from the ITA. In 20 years, 25 Notre Dame players have garnered invitations to the NCAA Singles

Championship and 18 doubles squads have gained berths into the NCAA Doubles Championship.

Louderback's players also have dominated University awards, winning the Francis Patrick O'Connor Award, given to one male and one female athlete each year who best embody the true spirit of Notre Dame, on seven occasions - more than any other sport. Louderback has had six winners of the Byron V. Kanaley Award, the most prestigious honor awarded to Notre Dame student-athletes, the most for any sport in the time since the Wichita State graduate arrived.

Another feature of Louderback's leadership is academic excellence. Since the ITA began

awarding the All-Academic Team award to squads maintaining a 3.20 GPA for the year, the Irish have earned the distinction 11 times in 12 years. Only one Division I school, Western Michigan, has a better mark, as the Broncos have won the award all 11 years. In addition, Louderback's players have had a history of being named ITA Scholar-Athletes, which recognizes monogram winners who maintain a 3.50+ GPA for the year. He also has produced a pair of Academic All-Americans, and his squad posted a 3.552 combined grade-point average in the spring of 2004, the highest mark on record (since 1992) for any Irish team in a semester.

Louderback also has been decorated with nine conference coach-of-the-year awards, and seven times he has been named Midwest Region Coach of the Year. He was awarded the Wilson/ITA National Coach of the Year in 2006.

In 30 years of coaching, Louderback holds a 591-344 (.632) record, including a 546-311 (.637) mark coaching women's tennis. At Notre Dame, he is 387-166 (.699), making him the winningest coach in program history. After guiding Notre Dame to a 17-8 record during his first year with the Irish in 1990, Louderback led the Irish to their first-ever national ranking the following season, finishing the year at 23rd after a 16-9 season. In individual action, Melissa Harris advanced to the second round of the NCAA Singles Championship, becoming the

first player in school history to accomplish the feat.

The 1992-93 season saw the Irish earn their first berth to the NCAA Championship at the Division I level. Notre Dame shut out Alabama in the first round before falling to #2 Stanford to finish 18-8 and 19th in the nation. Wendy Crabtree and Lisa Tholen also became the first Irish team to earn a berth in the NCAA Doubles Championship.

In 1993-94, Notre Dame again earned a trip to the NCAA Championship and again fell to Stanford in the second round. Crabtree and Lisa Tholen advanced to the quarterfinals of the NCAA Doubles Championship to become the first Irish All-Americans at the Division I level. Crabtree also earned singles All-America honors.

The 1994-95 season marked the last of seven consecutive Midwestern Collegiate Conference titles, including six under Louderback. Crabtree was a singles All-American for the second year in a row.

The 1996 Irish squad put together one of the best seasons in school history. Notre Dame won the BIG EAST title in its inaugural season in the league, advanced to the NCAA quarterfinals, compiled a 23-7 mark and finished with a No. 6 national ranking.

Crabtree finished her career by becoming the first women's tennis player to earn Academic All-America honors. Freshman Jennifer Hall completed an outstanding season, winning the BIG EAST Championship Most-Outstanding-Player award in addition to being named the Penn National Player to Watch. Hall also

became the first Irish player to advance to the round of 16 of the NCAA Singles Championship, which assured her singles All-America honors.

After playing host to early-round NCAA action in 1997, the '98 season saw the NCAA Championships come to Notre Dame. Hall and Tiffany Gates, spurred on by a hometown crowd, advanced to the quarterfinals of the NCAA Doubles Championship. Freshman Michelle Dasso stepped in for the Irish at No. 2 singles and finished with a 40-8 record, setting a new all-time mark for singles wins in a campaign.

Louderback's '99 Irish won the program's third BIG EAST championship and posted wins over ninth-ranked Wake Forest and No. 9 William & Mary. Notre Dame finished with a final national ranking of No. 15. Hall completed her career by breaking the 13-year-old school record for career singles wins and also added Academic All-America honors, as well as her third straight athletic All-America distinction. She again advanced to the quarterfinals of the NCAA Doubles Championship, this time with Dasso, who was named to the USA Tennis Summer Collegiate Team.

The 2000 Irish delivered a second straight 23-7 season and advanced to the national site of the NCAA Championship for the first time since '96, finishing with a final ranking of 13th. On April 15, 2000, Louderback registered his 400th career win with a victory over Miami.

Louderback's teams continued their strong regular-season performances, as the 2001 squad posted a 20-win season for the fourth consecutive year, with a 25-5 record. Ranked 10th in the final ITA poll, the Irish advanced to

the NCAA round of 16 for the second consecutive year and were ranked as high as No. 5 during the regular season.

Four-time All-American Dasso became the first Irish player to be named the ITA National Senior Player of the Year and qualified for the NCAA singles tournament for the fourth time. She capped off the best season for an Irish women's tennis player when she reached at least the semifinals in three of the four ITA grand-slam events. She became the first Notre Dame player to reach a grand-slam final, at the now-defunct National Clay Court Championships and made it to the semifinals of the NCAA Singles Championship. Dasso teamed with Becky Varnum in doubles at the 2001 NCAA Doubles Championship for the second consecutive year in her third straight doubles appearance.

After a top-25 season in '02, the Irish won another BIG EAST title in 2003 and finished 21st nationally. The '03 season saw Notre Dame knock off #14 VCU to snap the Rams' 38-match regular-season winning streak and 40-match home winning streak, while the Irish went on to finish 27th in the country.

The 2004-05 campaign was marked by the outstanding play of sophomore twins Catrina and Christian Thompson, who reached the title match of the Riviera/ITA All-American Championships and the semis of the ITA National Intercollegiate Indoor Championships en route to being the first squad in Irish history to reach the national #1 ranking in doubles.

Despite a loss in the second round of the NCAA tournament, Notre Dame's appearance in the '05 event assured that 20 consecutive classes, dating from 1990 through 2009, will have made at least one trip to the NCAA national event - a range of classes that includes every freshman since Louderback arrived at Notre Dame.

In recognition of Louderback's effort and success, Notre Dame's Monogram Club

bestowed upon him an honorary monogram in 1998. He joined an elite group of six Notre Dame head coaches to have been awarded an honorary monogram.

In 2006, Louderback and the Irish went 27-2 and climbed as high as No. 2 en route to the NCAA quarterfinals. The Irish finished the season fifth in the ITA Rankings. After finishing 24th in 2005, ND was 22nd in the preseason before moving into the top five for good on Feb. 28.

The Irish finished 2007 with a 28-4 record and their second straight appearance in the NCAA Tournament quarterfinals. Twins' Catrina and Christian Thompson earned All-America honors in doubles for the third straight year.

Louderback guided Notre Dame to a 22-9 record in 2008 and its 13th consecutive appearance in the NCAA Tournament. The Irish also captured their third BIG EAST title in four years. For his efforts, Louderback took home 2008 BIG EAST Coach-of-the-Year honors for the seventh time overall and second time in three seasons.

Brook Buck and Kelcy Tefft captured the program's second-ever title in an ITA national championship following their triumph at the ITA National Indoors in November. Buck and Tefft went on to earn All-America status and even reached the semifinals of the NCAA Doubles Championship - the furthest that any Notre Dame duo has advanced in the program's history.

Prior to coming to Notre Dame, Louderback headed the men's and women's tennis programs at Iowa State for three years. He led the men's squad to a 45-33 mark and the women's team to a 37-51 record from 1986-89. In his final season with the Cyclones, Louderback's men's team finished fourth in the Big Eight, Iowa State's highest conference finish in 25 years.

Louderback began his coaching career at his alma mater, taking the helm of the Wichita State women's program in just its fifth year of competition.

He guided the Shockers to a 122-94 record in seven years, including two Gateway Conference championships (1984 and 1986) and a Missouri Valley Conference title (1982). Five of his seven teams either won a conference championship or finished as runners-up. During his tenure, the Shockers won 14 or more matches each season while 10 of his players qualified for postseason competition. Two of his players qualified for the NCAA Championships in both the 1983-84 and 1984-85 seasons.

The 1980-81 Shockers set a school record with 21 wins, as the team earned its first postseason berth. The 21-win plateau was reached again the following season when Wichita State captured the MVC and Region IV championships.

Louderback was voted 1982 Region IV Coach of the Year for his team's outstanding accomplishments.

A native of Arkansas City, Kan., Louderback was an assistant tennis professional at the Riverside Tennis Center in Wichita, Kan., and head tennis professional at the Y Tennis Center in Battle Creek, Mich., before taking the coaching position at Wichita State.

Louderback, who earned a bachelor's degree in business administration from Wichita State in 1976, won a Missouri Valley Conference title at No. 3 singles during his senior year. For his efforts that season, Louderback was voted most valuable player by his teammates.

*Pam Fischette, who finished her career holding five school records – including career singles victories (86) and career doubles wins (84) – was the national runner-up at No. 3 singles as a sophomore in 1982, earning All-America honors and helping the Irish to a trio of top-six finishes in the Division II--national championship.*

# Tennis Tradition

With 17 straight finishes in the national top 30, including a program-best No. 2 ranking in 2006 and 2007, and 16 berths in the NCAA tournament during that time, Jay Louderback's women's tennis program at the University of Notre Dame has solidified its spot among the country's finest. Louderback enters his 21st season at Notre Dame having elevated the Irish to new levels.

His teams have captured 15 conference titles and have advanced to the NCAA round of 16 eight times. Success, however, is nothing new to Notre Dame women's tennis, which began in 1976 as the first varsity women's sport at the University.

The roots of the program's recent success can be traced back to when Notre Dame first became a coeducational institution in 1972, and there were only 365 women present on the campus. This minority did not provide enough interest or depth to immediately warrant a women's tennis program above the club level. But, by 1976, female enrollment had risen to 1,550, and the tennis team gained varsity status.

Led by head coach Kathy Cordes, the Irish finished their first varsity season 7-3-1, and Jane Lammers and Mary Shukis became the first women to earn varsity monograms at Notre Dame.

Notre Dame made great progress in its initial years and became a force on the state and national level in just its fourth season. The Irish notched an impressive come-from-behind victory in the 1979 Indiana Intercollegiate Women's Championship and went on to finish 22nd in the national tournament. This showing led to the team's promotion to Division II after only four years at the Division III level.

A spring tennis season was added to the schedule for 1980-81, and the team successfully charted its first 20-win season, more than doubling its victory total from the previous year. In addition, the Irish captured the AIAW Division II State Championship title. This led to an appearance in the AIAW National Championship (20th-place finish).

In 1982, the Irish placed first once again in the AIAW state and regional tournaments, going on to tie for sixth in the national championship. Much of the squad's success was due to the play of freshman All-American Laura Lee. In individual action, Lee ran off six straight victories to capture the AIAW Division II national singles title in the No. 5 flight, becoming Notre Dame's first women's tennis national champion. Joining Lee as one of the first two All-Americans in Irish women's tennis history was sophomore Pam Fischette, who was the national runner-up at No. 3 singles.

When the AIAW dissolved, the women's tennis program took on NCAA Division II status and immediately became a contender for the national title. The Irish notched three consecutive top-three

finishes from 1983-85 before being moved up to Division I. In both 1983 and '84, Notre Dame finished third in the NCAA Division II Championships. The following year, the Irish advanced to the national title match, losing to Tennessee-Chattanooga. With the team's runner-up finish, head coach Sharon Petro earned Division II national coach-of-the-year honors.

After competing as an independent during its initial seven years of varsity action, the Notre Dame women's tennis team joined the North Star Conference in 1983-84, beginning a tradition of dominance in conference action that would see the Irish win 14 league titles in a row and 18 in the 25 years since giving up their independent status.

The 1985-86 season saw the women's tennis team reach another milestone in its short history – the team's debut at the NCAA Division I level. First-year head coach Michele Gelfinan led Notre Dame to a 28-6 record, with four of the losses coming by 5-4 scores. The win total still stands as the highest by an Irish team at the Division I level.

The tradition of freshman excellence continued in 1987-88 as rookie CeCe Cahill became the first Irish women's tennis player to compete in the NCAA Division I Championships. The first Notre Dame player to be listed in the national singles rankings, she qualified for the singles tournament, but dropped her first-round match 7-6 (7-3), 6-3 to Stanford's Katy Tittle.

The 1988-89 season proved to be another landmark in the program's growth, marking the Irish debut in the Midwestern Collegiate Conference, in which it would win seven straight titles (after going

unbeaten in five North Star Conference Championships).

Louderback took over the Irish program in the fall of 1989, ushering in an era of unparalleled success. After a 17-8 campaign in his first season, the '90-91 Irish became the first team in the program's history to crack the Division I team national rankings, while three individuals also received national listings. Melissa Harris – who was ranked as high as seventh nationally in singles during her career – became the first Notre Dame women's tennis player to win a match in the NCAA Division I Singles Championship when she beat Northwestern's Lindsay Matthews 6-3, 4-6, 6-2.

Notre Dame entered the national stage in '92-93, earning its first invitation to the NCAA Division I Championship and knocking off No. 19 Alabama to advance to the round of 16. Freshman Wendy Crabtree gained entrance to the NCAA Singles Championship and teamed with Lisa Tholen in the doubles draw, the first Irish doubles team to earn a spot in the event.

Crabtree became Notre Dame's first All-American on the Division I level in '93-94, garnering honors in singles and in doubles with Tholen. In addition, the team earned its second straight trip to the round of 16 and, for the first time in the history of the program, two players – Crabtree and Holyn Lord – earned spots in the NCAA singles field.

The 1995-96 Irish squad reached the quarterfinals of the NCAA Championship – tied for the farthest Notre Dame has ever advanced in the event.

## Academic Tradition

In addition to its success on the court, Notre Dame's track record in the classroom is virtually unparalleled in college tennis. Over the past 13 years, the Intercollegiate Tennis Association (ITA) has recognized teams posting a grade-point-average of 3.20 or higher for the year as ITA All-Academic Teams. The Irish women's tennis program has earned that distinction 12 times during that span, including each of the last nine years. Only one Division I school, Western Michigan, has a better string, with the Broncos having received the award each year from 1996-2008. Southern Illinois and Evansville are also 12-time winners.

After having the highest combined GPA of any of Notre Dame's 26 varsity teams in 2002-03 (3.444), the Irish were even better in 2003-04, posting a 3.467 mark for the academic year (second-best among Notre Dame teams). During the spring semester, the Irish combined for an incredible 3.552 team GPA, which is

the highest single-semester team GPA for any Notre Dame team on record (since 1992).

In 2002-03, seven Notre Dame players were honored as ITA Scholar-Athletes, a total tied for the highest by a Division I team in a single season. To earn the honor, one must be a varsity letter-winner and have a GPA of at least 3.50 for the year. Prior to the 2002-03 year, one also had to be a junior or senior. Over the past decade, a total of 18 players have earned the accolade. Lauren Connelly is the only three-time selection in Irish history.

The University of Notre Dame ranks second all-time in the number of student-athletes who have been named Academic All-Americans by the College Sports Information Directors of America. The 182 selections for the Irish trail only Nebraska's 248. A pair of women's tennis players — Wendy Crabtree (third team in 1996) and Jennifer Hall (third team in 1999) — have earned that coveted accolade.

In addition, the Irish finished the season ranked sixth — the second highest final ranking in program history. Notre Dame also came away with the BIG EAST title in its inaugural year in the league. Jennifer Hall earned All-America honors as a freshman, and she played in the NCAA singles event, while Crabtree and Lord closed out their impressive careers playing in the NCAA doubles tournament for the second straight year.

In '97, Hall advanced to the second round of the NCAA singles tournament and to the final 16 in the doubles championship with Tiffany Gates. Notre Dame also won its second straight BIG EAST championship, and Louderback was named the league's coach of the year for the second consecutive year. Michelle Dasso, now an assistant coach for the Irish, began her illustrious career by setting the school record for singles wins in a season with a 40-8 record.

Notre Dame's Courtney Tennis Center served as the national site for the 1998 NCAA Championships (it remains the northern-most location ever selected for that distinction). Hall teamed with Tiffany Gates for the first of her two consecutive appearances in the NCAA doubles quarterfinals.

Notre Dame turned in the first of back-to-back 23-7 seasons in 1998-99, putting together a 12-match winning streak and winning its third BIG EAST title. Dasso joined Crabtree as the only players in school history to earn All-America honors in singles and doubles in the same season. She teamed

up with Hall to reach the final eight of the NCAA Doubles Championship, matching the best-ever finish for an Irish team. A year later, Notre Dame advanced to the NCAA round of 16 for the first time since 1996 and won 14 of 15 matches in one late-season stretch.

For the fourth time in five years, the Courtney Tennis Center was selected as a host site for early-round NCAA Championship action in 2001. Notre Dame reached the final 16 for the second consecutive year and finished 25-5 after peaking at fifth in the national rankings. It was the fourth consecutive 20-win season and the fewest losses for a Notre Dame team at the Division I level.

Four-time All-American Dasso became the first Irish player to be named the Intercollegiate Tennis Association (ITA) National Senior Player of the Year and qualified for the NCAA singles tournament for the fourth consecutive season. She capped off the best season for an Irish women's tennis player when she reached at least the semifinals in three of the four ITA grand-slam events. She became the first Notre Dame player to reach a grand-slam final, at the now-defunct National Clay Court Championships, and made it to the semifinals of the NCAA Singles Championship. Dasso was ranked as high as No. 2 nationally in singles and fifth in doubles (with Becky Varnum), establishing program bests in both instances.

Notre Dame won its fifth BIG EAST Championship in '03, pulling out a thrilling 4-3 win over host and arch-rival Miami with a victory

at No. 2 doubles in the last match remaining on court. Caylan Leslie and Alicia Salas both earned berths in the NCAA singles tournament, marking the fifth time since 1991 that two Notre Dame players gained entrance to the event.

Salas became one of the nation's top players during the 2003-04 season, peaking at 10th in the national singles rankings, while twins Catrina and Christian Thompson continued the tradition of freshman superlatives. The duo filled the No. 1 doubles spot all season and played Nos. 2 and 3 singles. The Thompsons became the first all-freshman doubles team (for any school) to be invited to the NCAA Doubles Championship since 1998, rallying for a three-set victory in the first round before falling in three sets in the round of 16 to finish the season ranked 26th.

The Thompsons reached new heights in '04-05, advancing to the title match of the season's first grand slam, the Riviera/ITA All-American Championships, for the best-ever result by a Notre Dame doubles team. The sophomore sisters then reached the semis in the ITA National Intercollegiate Indoor Championships and surged to the national No. 1 ranking in doubles in early spring, achieving another program first. They earned a spot in the NCAA Doubles Championship and won a match to reach the round of 16 for the second consecutive season. Catrina also garnered an invitation to the singles event and prevailed in the opening round.

The Irish earned an automatic bid to the 2005 NCAA tournament and advanced to the second round. Notre Dame's appearance in the tournament — its 10th in as many years — assured that 19 consecutive classes dating from 1990 through 2009 will have made at least one trip to the NCAA tournament — a range that includes every freshman class since five-time BIG EAST coach of the year Louderback arrived at Notre Dame.

Notre Dame went 27-2 and climbed as high as No. 2 en route to the NCAA quarterfinals in 2006. The Irish finished the season fifth in the ITA Rankings, the highest final ITA ranking since becoming a Division I program in 1985-86. After finishing 24th in 2005, ND was 22nd in the pre-season before moving into the top five for good on Feb. 28.

The Irish were the top-ranked team in the ITA's Midwest Region for the first time since 1999-2000.

The Irish did not miss a beat in 2007. Notre Dame climbed as high as No. 2 in the rankings, again, and reached the NCAA quarterfinals for the second consecutive season. The Irish went 28-4 on the year and knocked off 13 opponents ranked in the top 25. Catrina and Christian Thompson were named All-Americans for the third straight year in doubles.

The Irish stayed on track in 2008, finishing with a 22-9 record and making their 13th consecutive appearance in the NCAA tournament. Notre Dame also captured its third BIG EAST title in four years. Louderback took home BIG EAST Coach of

# Tennis Tradition

the Year honors for the seventh time overall and second time in three seasons.

Brook Buck and Kelcy Tefft captured the program's second-ever title in an ITA national championship, following their triumph at the ITA National Indoors in November. Buck and Tefft went on to earn All-America honors and reached the semifinals of the NCAA Doubles Championship – the furthest that any Notre Dame duo has advanced in the program's history.

The 2008-09 season turned out to be one of the best in the program's history. After winning their second straight BIG EAST title, the Irish advanced to the semifinals of the NCAA Championship, the best showing by a Notre Dame team in history.

Tefft and freshman Kristy Frilling earned All-America honors and advanced to the second round

## A Family Tradition

Notre Dame women's tennis has long featured members of the same family on its teams. The Irish have had two pairs of sisters on its roster in four of the last six seasons. A total of seven sets of sisters have earned monograms in women's tennis, by far the most of any of the 13 Irish women's sports. In 2002-03, Liz Donohue and Lauren Connelly joined the Notre Dame squad as freshmen, combining with sisters Maggie Donohue and Sarah Jane Connelly to mark the first time in school history that a team (in any sport) featured two sets of sisters at the same time. Though Maggie Donohue graduated in '03, the Connells were joined by twins Catrina and Christian Thompson to give Notre Dame women's tennis two sets of sisters again in both 2003-04 and '04-05. In all, 27 sets of sisters in eight different sports have earned monograms in the same sport at Notre Dame. See below the full list:

In addition to coaching his daughter, Bailey, Jay Louderback added another family connection in 2006, when Kali Krisik, his niece, joined the Fighting Irish.

Louderback became the 11th Notre Dame head coach – just the second in a women's sport – to have coached his son or daughter with the Irish, joining softball's Brian Boulac; football's Ara Parseghian and Lou Holtz; men's basketball's John MacLeod; baseball's Paul Mainieri; hockey's Lefty Smith; fencing's Pedro De Landero, Mike DeCicco and Yves Auriol; and men's soccer's Mike Berticelli.

# Irish All-Americans

## Notre Dame Women's Tennis All-Americans

In the 33 years of varsity competition, 13 Irish women's tennis players have been tabbed All-Americans. In 1982, Pam Fischette and Laura Lee became the program's first two All-Americans. To qualify for All-America honors in AIAW Division II (in which Notre Dame competed at the time), a player had to reach the title match at her position in the national championships.

Since becoming a Division I program in 1986, Notre Dame has had 11 players earn a total of 21 All-America honors. The All-America teams are selected by the Intercollegiate Tennis Association (ITA) each year, with the governing body of collegiate tennis naming all players who meet at least one of three criteria in singles or doubles. In singles, an individual must 1) finish in the top 20 of the final ITA national singles rankings; 2) earn one of the 16 seeds in the NCAA Singles Championship; or 3) advance to the round of 16 in the NCAA Singles Championship. To earn All-America mention in doubles, a player must 1) finish in the top 10 of the final ITA national doubles rankings; 2) earn one of the eight seeds in the NCAA Doubles Championship; or 3) advance to the quarterfinals in the NCAA Doubles Championship.

The 12 Irish All-Americans are featured below with their qualifying criteria and career stats noted.

## Francis Patrick O'Connor Award

First presented in 1993, the Francis Patrick O'Connor Award is named in honor of a former Irish wrestler who died in 1973 following his freshman year at Notre Dame. The award is presented upon nomination of head coaches and is given to one male and one female student-athlete who best display the total embodiment of the true spirit of Notre Dame as exemplified by their contribution and inspiration to their teams and possess such characteristics as caring, courage, confidence, encouragement, humility, honesty, humor, kindness, and patience. More women's tennis players have won the Francis Patrick O'Connor Award than student-athletes from any other sport, including five recipients since 2000.

## The Kanaley Award

The most prestigious honor awarded to a Notre Dame student-athlete, the Byron V. Kanaley Award has been presented each year since 1927 to senior monogram athletes who have been exemplary as students and leaders.

The awards, presented by the Faculty Board on Athletics, are named in honor of a 1904 Notre Dame graduate who was a member of the Irish baseball team as an undergraduate. Kanaley went on to a successful banking career in Chicago and served the University as a lay trustee from 1915 until his death in 1960. Eight members of the Notre Dame women's tennis team have received the award since 1990, the most of any sport during that span.

## Notre Dame in the NCAA Tournament

The Notre Dame women's tennis team has a long tradition of postseason play, especially since the move to NCAA Division I in 1985-86. The Irish have advanced to the team portion of the NCAA Championships in 15 of the past 16 seasons, including 13 in a row. Notre Dame has advanced to the round of 16 on eight occasions, including three appearances in the national quarterfinals in 1996, 2006 and 2007 and a semifinal appearance in 2009. Only once have the Irish failed to win a match in the NCAA tournament.

In its four seasons on the Division II level (1981-82 to 1984-85), Notre Dame was a national power, finishing among the top six in the nation in each campaign. In the final year of AIAW play, the Irish tied for sixth in the national championship in 1982. The following season saw Notre Dame lose to UC Davis in the national semifinals, but rebound to beat Northern Colorado for third place. In 1984, the Irish fell to Tennessee-Chattanooga in the semis, but gained revenge on UC Davis to again claim third place. Notre Dame's final season in Division II saw it reach the title match before losing to Tennessee-Chattanooga.

In their first national tournament experience, the Irish were 22nd in the 1979 AIAW Division III National Championship (played in the fall) before taking 20th in the following season.

Notre Dame players have been regular participants in the NCAA Singles and Doubles Championships since moving to the Division I level. The Irish have had at least one player earn a berth in the NCAA singles tournament in 20 of the last 22 seasons. On six occasions, a pair of Irish competitors earned invitations to the event. In 1992, Melissa Harris became the first Notre Dame player to win a match in the NCAAAs. In her fourth consecutive singles appearance in 2001, former Notre Dame assistant coach Michelle Dasso reached the semifinals, marking the best finish ever for an Irish player.

In doubles play, Wendy Crabtree and Lisa Tholen made history when they became the first Irish duo to play in the NCAAAs, in 1993. In '94, they advanced to the final eight to earn All-America honors. Jennifer Hall and Tiffany Gates matched Crabtree and Tholen with their '98 quarterfinal appearance, with Hall and Dasso also reaching the quarters in '99. Dasso made return trips to the tournament in 2000 and '01 with Becky Varnum. The Irish have had at least one entrant in each of the NCAA Doubles Championship in 16 of the last 17

years. The Thompson twins, Christian and Catrina, became the first Irish duo to reach the tournament three times (eventually participated all four years).

In the early days of the program, the Irish excelled in the AIAW national championships. Laura Lee, just a freshman at the time, won the national title at No. 5 singles in 1982, while Pam Fischette was the runner-up at No. 3 singles the same year.

## Irish Players in the Collegiate Grand Slam Events

The collegiate grand slam consists of the three most prestigious individual national tournaments in college tennis: the ITA All-American Championships (played in October), the ITA National Intercollegiate Indoor Championships (played in November now after being a February event until 2001-02), and the year-end NCAA Championships. From 1986 until 2000-01, the September National Clay Court Championships made up the fourth leg of the collegiate grand slam, but the event is no longer played.

Irish players have had considerable success in the collegiate grand slam events. Michelle Dasso reached at least the quarterfinals in each of the four events in 2000-01, highlighted by a runner-up finish in the Clay Court Championships. Jennifer Hall is the only other player to reach the singles semifinals in a collegiate grand-slam event, with her finish in the 1996 National Indoors. In 2005-06, Catrina Thompson and Christian Thompson became the first Irish doubles team to capture an Intercollegiate Tennis Association (ITA) national championship.

## Conference Dominance

Following seven years competing as an independent, the University of Notre Dame women's tennis team has had incredible success in conference action over the past 25 years. The Irish have been league champions 20 times, including a streak of 14 consecutive conference titles from 1983-84 to 1996-97 and a 27-match conference winning streak from 1983-98. They hold a 68-6 (.912) all-time record against conference foes, including 39-1 (.975) in the regular season. Notre Dame won North Star Conference championships in each of its five years of membership (1983-84 to 1987-88), then captured seven Midwestern Collegiate Conference titles from 1988-89 to 1994-95. Since joining the BIG EAST Conference in 1995-96, Notre Dame has won nine championships and finished as the league's runner-up on four occasions.

All 16 members of the BIG EAST Conference field teams in women's tennis, but the league does not require round-robin competition during the season. The top 12 teams, as selected by the conference based on national ranking and head-to-head results, earn invitations to the year-end BIG EAST Championship, a single-elimination team tournament with the winner gaining the league's automatic berth in the NCAA Championship. Prior to 2001, all 14 teams qualified for the conference tournament, with the top two seeds gaining byes into the quarterfinals. For more information on the BIG EAST Conference, see page 95.

Notre Dame defeated Syracuse in the 2005 final and South Florida in the 2006 final, but lost to the Bulls in the 2007 championship. Notre Dame topped South Florida for the '08 title, and edged DePaul in 2009. The Irish faced now-departed Miami in the title match of the BIG EAST Championship over nine straight years, winning in 1996, '97, '99, 2001, and '03. In 21 early-round matches (first round through semifinals), Notre Dame is undefeated, having registered 20 shutouts. Overall, Notre Dame is 29-5 in the event. The Irish have been the top seed heading into the tournament in every year but 2003, when they were the No. 2 seed. Notre Dame mentor Jay Louderback has been named the BIG EAST's Coach of the Year six times, while Irish student-athletes have been tabbed the league championship's Most Outstanding Player on six occasions.

# Courtney Tennis Center

Notre Dame's Courtney Tennis Center, the home of Irish women's tennis since the establishment of the varsity program in 1980, has played host to the nation's top players on a number of occasions, while becoming an extremely difficult place for opposing teams to win.

Playing at both the Courtney Tennis Center and in the Eck Tennis Pavilion, the Irish have compiled an all-time home record of 281-62 for an impressive .819 winning percentage. Only once has Notre Dame had a losing home record, when it won just one of four matches at the Courtney Tennis Center in 1977, its second varsity season. The Irish have posted undefeated marks at home on eight occasions: 12-0 in 1981; 6-0 in '82; 14-0 in '86; 8-0 in '89; 8-0 in '90; 12-0 in 2000, 16-0 in '06; 11-0 in '07. Notre Dame has posted one-loss seasons at home in seven other campaigns.

Due to its exceptional facilities, Notre Dame has played host to a number of prestigious events, including serving as the national site of the

NCAA Championships three times. Just four years after it was built, the Courtney Tennis Center played host to the 1971 NCAA Division I Men's Tennis Championships, which featured what is still considered by coaches to be the finest collection of collegiate tennis talent ever assembled. In that spring classic, freshman Jimmy Connors of UCLA defeated Stanford's Roscoe Tanner in five sets to capture the singles title. That pair would go on to reach a combined 17 grand-slam singles finals on the pro tour, including eight victories.

The NCAA men's tournament came to Notre Dame again in 1994, while the NCAA Division I Women's Tennis Championships were played at the Courtney Tennis Center in 1998. It still stands as the northern-most facility ever to play host to the NCAA

women's tennis championships. Florida defeated Duke in the title match, while Blue Devil Vanessa Webb claimed the singles crown. In doubles, the California pair of Amanda Augustus and Amy Jensen won the first of their back-to-back NCAA doubles titles.

In all, the Courtney Tennis Center has been the site of NCAA action on 14 occasions, including every year from 1994-2002 for either women's or men's play. In addition, it has played host to conference championships on nine occasions (three North Star, six Midwestern Collegiate), as well as an Intercollegiate Tennis Association Summer Circuit event for 10 straight years (1994-2003). During the early days of the program, Notre Dame played host to the Irish Invitational, a fall event, for 11 consecutive years from 1977-87.

The Irish played exclusively at the Courtney Tennis Center during their first 11 varsity seasons, compiling a 79-22 (.782) record. Since the Eck Tennis Pavilion was completed in 1987, it has become the predominant location of Notre Dame's home matches, while the Courtney Tennis Center has become a regular site for late-season matches and NCAA competition, as well as continuing to be an integral practice facility during both the fall and spring. The Irish have been particularly effective at the Courtney Tennis Center since '88, posting a 34-6 (.850) mark.

Notre Dame has put together a number of long winning streaks at home, highlighted by a 31-match win streak from Feb. 27, 2005 to April 6, 2008. The Irish won 25 in a row at the Courtney Tennis Center over a span of more than four years from 1979-83. Notre Dame won 23 straight from 1988-91, and, more recently, put together a 21-match regular-season home winning streak from 1999-2000.

On 38 occasions (in 66 matches), top-25 opponents have come to Notre Dame and left with a defeat. Among the biggest home wins have been seven victories against top-10 foes, including a pair of victories over BYU and DePaul (both ranked No. 9 at the time of the match) in 2006 and a win over No. 7 North Carolina in 2007. In

all, the Courtney Tennis Center and Eck Tennis Pavilion have combined to play host to a showdown of top-25 teams 64 times, with Notre Dame prevailing on 35 occasions.

The Irish have been particularly dominant at home against teams not ranked in the national top 25, as Notre Dame holds a remarkable 153-7 (.956) record since the 1988-89 season. That includes a current streak of 50 consecutive wins against non-top-25 foes at home, dating back to 2002.

Since opening in 1967, the Courtney Tennis Center has undergone a variety of improvements. Most recently, 14 of the courts were newly resurfaced during the summer of 2003 and the facility was reoriented in the winter of 2004 as construction began on the neighboring Guglielmino Family Athletics Center. That undertaking saw the construction of a new tournament center tower, while the seating was moved from the west to the east end, which now plays host to varsity matches, making it more convenient for the teams headquartered in the Eck Tennis Pavilion. The reoriented Courtney Tennis Center, which features 14 courts, saw its first varsity action on April 15, 2003, when the Irish nearly pulled off an upset of No. 11 Northwestern before falling 4-3.

The home of Irish tennis for nearly 40 years, the construction of the Courtney Tennis Center was financed entirely by prominent Washington, D.C., attorney Jeremiah Courtney. The numerous courts and brand-new laykold surface make it a popular spot for students and faculty, as well as the varsity tennis teams. Courtney is a 1932 graduate of Columbia University, where he captained the tennis team. His two sons attended Notre Dame and played tennis under legendary coach Tom Fallon.

The first home of Irish tennis was the Notre Dame Fieldhouse, which played host to Irish home matches until the Courtney Tennis Center was built. The structure was razed in 1983. Indoor courts in Notre Dame's Joyce Center also were used sporadically before the Eck Tennis Pavilion's construction.

# Eck Tennis Pavilion

Since its completion in June of 1987, Notre Dame's Eck Tennis Pavilion has been an integral part of the success of Irish tennis, allowing the team to practice year-round, regardless of weather conditions, and providing an alternative surface to further develop the all-around skills of Notre Dame's players. Additionally, it has become an extremely difficult for opponents to be victorious and has attracted some of the top events in collegiate tennis.

Playing at both the Eck Tennis Pavilion and Courtney Tennis Center, the Irish have compiled an all-time home record of 281-62 for an impressive .819 winning percentage. Only once has Notre Dame had a losing home record, when it won just one of four matches at the Courtney Tennis Center in 1977, its second varsity season. The Irish have posted undefeated marks at home on eight occasions: 12-0 in '81; 6-0 in '82; 14-0 in '86; 8-0 in '89; 8-0 in '90; 12-0 in 2000; 16-0 in '06; 11-0 in '07. Notre Dame has posted one-loss seasons at home in seven other campaigns. In 21 years of competition in the Eck Tennis Pavilion, Notre Dame has compiled a stellar 172-35 record, for a winning percentage of .845.

The combination of the Eck Tennis Pavilion and Courtney Tennis Center has allowed the University of Notre Dame to be the national site of the NCAA Championships. The NCAA men's tournament came to Notre Dame again in 1994, while the NCAA Division I Women's Tennis Championships were played at the Courtney Tennis Center in 1998. It still stands as the northern-most facility ever to play host to the NCAA women's tennis championships. In all, Notre Dame has been the site of NCAA action on 14 occasions, including every year from 1994-2002 for either women's or men's play. In addition, the Eck Tennis Pavilion has three times welcomed the Intercollegiate Tennis Association's Midwest Region Indoor Championships and six times helped play host to the Midwestern Collegiate Conference Championship. After its completion, the facility featured the Eck Classic for 16 consecutive years and also has provided additional courts for the men's Tom Fallon Invitational.

Notre Dame has put together a number of long winning streaks at home, highlighted by the 31-match win streak from Feb. 27, 2005 to April 6, 2008. The Irish won 25 in a row at the Courtney Tennis Center over a span of more than four years from 1979-83. Notre Dame won 23 straight from 1988-91, and, more recently, put together a 21-match regular-season home winning streak from 1999-2000.

On 38 occasions (in 66 matches), top-25 opponents have come to Notre Dame and left with a defeat. Among the biggest home wins have been seven victories against top-10 foes, including a pair of victories over BYU and DePaul (both ranked No. 9 at the time of the match) in 2006 and 2007's win over No. 7 North Carolina. The summer of 2003 saw the Eck Tennis Pavilion newly renovated, as all six courts were

resurfaced (changing them from red to green) and the color scheme was changed to blue and gold throughout the building. Among the other highlights were numerous pieces of new wood furniture, as well as additional trophy cases and other accessories. The facility features the offices for both the men's and women's tennis coaches, as well as locker rooms for both teams and a spacious spectator viewing area upstairs that is ideally suited for videotaping.

"It is truly one of the great collegiate indoor tennis facilities in the country," says Irish head coach Jay Louderback.

In Sept. 1988, the Eck Pavilion received the 1988 United States Tennis Association (USTA) Award for architectural design. As a result, the USTA presented the facility with a handsome wooden plaque, a large sign placed in front of the pavilion and a complimentary one-year membership in the USTA. In addition, the facility and its award are recognized in an inscription on a large mahogany board displayed in the lobby of the USTA National Tennis Center in Flushing Meadow, N.Y.

The facility was underwritten by Franklin E. Eck. He is chairman and chief executive officer of Advanced Drainage Systems, Inc., which produces corrugated plastic drainage pipe for agricultural and commercial purposes. A 1944 chemical engineering graduate at Notre Dame, Eck earned an M.B.A. from Harvard University in 1949. In 1984, he endowed a collection in Notre Dame's Hesburgh Library. The generosity of Eck also made Notre Dame's baseball facility, Frank Eck Stadium, and the Eck Visitor's Center possible.

The Eck Tennis Pavilion is the third facility to play host to indoor Irish tennis action. The Notre Dame Fieldhouse, which was razed in 1983, was the first home of Notre Dame's varsity team, and the Irish also sporadically used courts in the Joyce Center.

# The BIG EAST Conference

With 30 years under its belt, The BIG EAST Conference continues on a path of success in and out of the athletic arena. The goals have always been the same. The league wants and expects to compete at the highest level and does so with integrity and sportsmanship. The commendable performances of the student-athletes at BIG EAST schools are the indicators of the league's proud tradition of success.

The BIG EAST has gone through membership changes since its birth, but the 2009-10 academic year will mark the conference's fifth straight with the same 16-member group, the nation's largest Division I-A conference.

In 2008-09, BIG EAST student-athletes again succeeded on the national stage. The Connecticut women's basketball team won its sixth national championship by defeating conference foe Louisville in an all-BIG EAST NCAA title game. The Notre Dame women's soccer team reached the NCAA championship game and the Syracuse field hockey squad advanced to the NCAA Final Four. Three BIG EAST women's cross country teams finished in the top 10 at the NCAA Championships. West Virginia was fourth followed by Villanova in sixth place and Georgetown in ninth.

Individually in women's sports, Providence's Dannette Doetzel won the 10,000 meters at the NCAA Outdoor Track & Field Championships. Connecticut's Maya Moore was the conference's sixth winner of the Wade Trophy as the top player in women's basketball. Notre Dame's Kerri Hanks won the Hermann Trophy, the top award in women's soccer.

On the men's side, Connecticut and Villanova advanced to the Final Four in basketball. The 2008-09 campaign was arguably the best men's basketball season in the history of the BIG EAST with the league setting NCAA standards with three No. 1 tournament seeds, four teams in the round of the Elite Eight and five in the Sweet 16.

The St. John's men's soccer team reached the NCAA College Cup before losing in the national semifinals.

BIG EAST football has maintained its high profile and its reputation as a balanced group. Seven of the league's eight squads were nationally ranked or received votes in the national polls in 2008. Cincinnati was the league champion. The BIG EAST, a charter member of the Bowl Championship Series, has won three of its last four BCS bowl games. West Virginia, Louisville and Connecticut also have won or shared league crowns over the past four seasons.

The BIG EAST has continued to produce student-athletes who were at the forefront of athletic and academic achievement. In 2008-09, 19 BIG EAST players were chosen to their respective *ESPN The Magazine* Academic All-America Teams, including eight first-team selections. Nearly 400 student-athletes have earned academic all-America honors.

The BIG EAST became the nation's largest Division I-A conference in 2005-06 when five new members began competing. The new schools were: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida.

BIG EAST institutions reside in nine of the nation's top 34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With

its newest members, BIG EAST markets contain almost one fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 26 national championships in six different sports and 126 student-athletes have won individual national titles.

The BIG EAST has enjoyed tremendous basketball success, especially in this decade. In 2008-09, the BIG EAST produced four of the eight Final Four teams in men's and women's basketball. It was only the second time in NCAA history that one conference placed that many Final Four teams in the same season.

In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA basketball titles in the same season. In '02-03, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in the same year when the Syracuse men and the Connecticut women captured their respective national championships. In men's basketball, BIG EAST squads have won three of the last 11 NCAA championships. BIG EAST women's teams have taken six of the last 10 NCAA titles.

Proactive movement has been a signature strategy for the conference that was born in 1979. The BIG EAST continually turns challenges into opportunities to become stronger.

In 2009-10, the BIG EAST will add men's lacrosse to its growing list of sports, which will increase its total to 24 sport championships. The first women's golf championship was held in the spring of 2003. Women's lacrosse and rowing were added in 2001.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad based pro-

grams, led by administrators and coaches who place a constant emphasis on academic integrity. Its student athletes own significantly high graduation rates and their record of scholastic achievement notably show a balance between intercollegiate athletics and academics.

Any successful organization has been fortunate to have outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, became Commissioner in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

For 2009-10, the BIG EAST will undergo one significant change. Tranghese stepped down from his position on June 30, 2009. John Marinatto, who has served as senior associate commissioner, has moved into the Commissioner's chair.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student-athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

BIG EAST men's basketball games are regular sell-outs at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden. The women's basketball championship has led all conferences in attendance for the past six years. Attendance figures also are significant in soccer and baseball.

More than 550 BIG EAST student-athletes have earned All-America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last six summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes.

- Notre Dame would establish many firsts for Catholic institutions of higher learning, including the first Catholic law school, the first Catholic engineering school and the first student residence with private rooms, Sorin Hall.

## Academics

- The University is organized into four colleges - Arts and Letters, Science, Engineering and the Mendoza College of Business - the School of Architecture, the Law School, the Graduate School, six major research institutes, more than 40 centers and special programs and the University library system.
- Notre Dame is rated among the nation's top 25 institutions of higher learning in surveys conducted by *U.S. News and World Report*, *Princeton Review*, *Time*, *Kiplinger's*, and *Kaplan/Newsweek*.
