All times eastern.

## Eligibility

Must come with a team. All athletes entering grades 9-12 in fall of 2020.

## Price

\$40 per athlete

## Camp summary

This camp provides high school teams with the opportunity to prepare for the upcoming fall season, enhance teamwork, access skill level, and improve their passing game. The Notre Dame coaching staff will be on site to interact and provide instruction for the teams. All teams are guaranteed four games. All games will be overseen by licensed officials. Last year, teams from all over the country joined us, and we were able to provide a separate competition for younger/jv players. This camp requires all players to have a helmet. We do not rent helmets. Please note: a coach or team representative must preregister your team online for this camp.

## Medical supervision

All campers are under the immediate supervision of the Notre Dame Athletic Training Staff. The University Head Athletic Trainer and a team of doctors and trainers will be available at all times to offer medical aid if necessary. Water stations will be set up during all practice sessions.

## Location

The site for Notre Dame Football Summer Camps is the beautiful and historic campus of the University Of Notre Dame, located just outside of South Bend, Indiana. Campers will have the opportunity to see the majority of campus during their time at camp. Daily practice sessions will be held at Riehle fields (labor practice fields) on the north end of campus. Many of the nation's finest athletic facilities will be utilized during each camp session.

## What to bring

Helmet, Mouth piece, Matching t-shirts or team jerseys, Shorts, cleats or athletic shoes

Water is provided at this camp but it is also a good idea to bring coolers with your own water/Gatorade as well. There will be concessions on site with food for purchase for lunch.
