BY THE NUMBERS

1	Head dive coach Mark Bradshaw is in his first year with the Irish, and has already seen immediate success, as his athletes have broken numerous program records and are poised to make a significant impact in the postseason. Bradshaw came to Notre Dame after 23 seasons at the helm of the diving program at Arizona State University, where he mentored athletes including four-time NCAA Champion Joonas Puhakka and six-time All-Americans Micky Benedetti and Trisha Tumlinson. Under Bradshaw's guidance, ASU had nine divers earn four NCAA individual titles and 29 All-American honors. In addition, Bradshaw has been named NCAA Diving Coach of the Year twice, in 2003 and 2005.	11	Notre Dame's 11 seniors were honored as part of the Shamrock Invitational, and nine are expected to compete at the ACC Championships. "They have been the most resilient group of people that I've been around in a long time to deal with the adversity of, and the restrictions that have come with, COVID. From classes going online, and not having the NCAA meet last season, it takes special dedication and extra focus to make something happen out of this year. "Even though there's extra eligibility and all those factors present right now, this class is determined to get something out of this year and do something meaningful this year, and that's why I'm very, very proud of them. Of course, their names are all over the record board. But, at the end of the day, their talent lies in keeping our program moving forward during a very difficult time." - Head Coach Mike Litzinger
3	In addition to Mark Bradshaw , the Irish added assistant coach Becca Weiland and volunteer assistant coach Rebecca Wilkerson to the staff, totaling three coaching additions.	11	In January, Notre Dame's men's and women's squads were again named CSCAA Scholar All-American teams for classroom performance in the Fall 2020 semester. The Irish have earned the award for the entirety of head coach Mike Litzinger's tenure, which spans 11 semesters.
4	Notre Dame swimmers and divers have set three program records thus far this season: Collen Gillilan - 100 Fly (52.07), David Petrison - Platform (346.80) and Kelly Straub - 1-meter (340.35) and Platform (273.45).	7	Seven Notre Dame divers have scored Zone marks this season, including three divers with at least one Zone-A score. Both Kelly Straub and Annie Wiese have achieved Zone A scores on all three events, while Austin Flaute posted Zone A marks in both of his events (1- and 3-meter)
5	Irish student-athletes have been awarded ACC Performer of the Week honors 11 times this season. Coleen Gillilan and Kelly Straub have earned the award twice this season, while Austin Flaute earned the award once.	15	Fifteen Irish swimmers have notched NCAA B-Cut times thus far this season. In total, Notre Dame has posted B-Cut marks on 41 different occasions, and seven swimmers have earned B-Cuts in multiple events.
6	In the fall, head coach Mike Litzinger announced six Irish captains for the 2020-21 season. The Irish women are led by Lindsay Stone , Kelly Straub and Rachel Wittmer , while the men are led by JP Becker , Will Cumberland and Sadler McKeen . • "As we begin a season that will present unique opportunities and challenges for our student-athletes, I am confident that our captains will guide their teammates and peers to success. They are great models of how to make an impact on our program and the national landscape, in and out of the pool." - Head Coach Mike Litzinger	13	Irish swimmers have broken pool records 13 times (11 at Notre Dame's Rolf's Aquatic Center, and two at an opponent venue) in the 2020-21 season, including Jack Hoagland's six occasions breaking pool records, twice breaking his own mark set earlier in the season (500 & 1000 Free at Rolf's Aquatic Center)
8:49.95	Sophomore Jack Hoagland's 8:49.95 in the 1000 Free at West Virginia stands as the fourth-fastest SCY time in the NCAA this season	17/14	In the latest CSCAA Coaches Poll (Feb. 11), the Irish men and women both continued to rise, with the men at No. 17 and the women at No. 14.
