### STARTING FIVE

- The post duo of Olivia Cochran and Nyla Harris went to work in the home win over Florida State on Feb. 29. Nyla Harris scored 11 points and set a career high with 15 rebounds for her team-leading sixth double-double of the season. The 15 rebounds were the most by a Louisville player in a game this season and the most since CC Carr had 17 against DePaul on Dec. 21, 2022. Olivia Cochran led the team with 16 points and had 11 rebounds for her fourth double-double of the season. It is the first time since 2019 against Kentucky that Louisville had two players record a double-double in the same game. Louisville owned the glass against the Seminoles and outrebounded them 57-32. The 57 rebounds set a record for most rebounds all-time in an ACC game for the Cardinals
- Since Louisville joined the ACC in the 2014-15 season, the Cardinals have been the most successful team in conference play. Over the last 10 seasons, the Cardinals are 138-29 (.826) in ACC play. The Cardinals are the only team to have a winning percentage at .800 or higher and have seven more wins than the school with the second-highest win total during that span. Louisville is also the only ACC team to have 10 or more conference wins in each of the last 10 seasons.
- The Cardinals have been able to bounce back quickly following a loss during Jeff Walz's tenure as head coach. In his 17 years, the Cardinals are 92-24 all-time following a loss after the win over Florida State on Feb. 29. The Cardinals are even better following a loss in ACC play. Louisville is 26-3 following a loss against ACC opponents and have only lost two-straight games in ACC play three times over the past 10 seasons. So far this season, Louisville is 7-0 following a loss.
- Head coach Jeff Walz is among a select few coaches in all of college basketball to reach four or more Final Fours. In women's basketball, he is one of five active head coaches and one of eleven all-time to reach four or more Final Fours. Of those 11, he is one of nine to have all of his appearances at the same school. Combining men's college basketball, Walz is one nine active head coaches and one of 33 all-time to reach four or more Final Fours.
- Louisville's squad has scored a total of 9,631 career points in their Division I career, the highest amount of career points on any active roster in the ACC. The Cardinals have five players on their team with 1,000 or more career points (Jayda Curry, 1,160; Olivia Cochran, 1,216; Nina Rickards, 1,252; Sydney Taylor, 1,789) and Kiki Jefferson has eclipsed 2,000 points for her career (2,233).

### **HEAD COACH JEFF WALZ**

Head coach Jeff Walz, in his 17th season as a head coach, has compiled a 464-132 record as the Cardinals' leader. Walz and the Cardinals boast quite an astounding resumé that includes 12 trips to the NCAA Sweet 16, eight trips to the Elite Eight, four trips to the final four and two trips to the national title game. Overall, he has compiled a 40-14 record in NCAA Tournament games and ranks eighth all-time and fifth among active coaches with a 74.1 NCAA Tournament winning percentage.

All of this for a program that had just four NCAA Tournament wins and had never reached a Sweet 16 prior to Walz being named head coach.

Walz is the all-time winningest coach in program history and averages 27.6 victories per season. He directed Louisville to a program-record 36 victories in 2017-18 en route to being named ACC Coach of the Year, 34 victories in 2008-09, 33 wins in 2013-14, 32 wins in 2018-19 and 29 wins in 2021-22.

The Cardinals have reached 20 wins 14 consecutive times and they have won at least 20 games in 16 of Walz's 17 seasons. The longest run previously was three, achieved twice, and UofL had just 10 20-win seasons in its 32 previous years.

Walz led Louisville to four consecutive Atlantic Coast Conference regular season titles in 2018, 2019, 2020 and 2021, and over that four-year span, the Cardinals went a combined 122-15, which marked the fewest losses and best winning percentage over a four-year period in program history.

From 2016-2021, he coached the ACC Player of the Year in five of six seasons as Myisha Hines-Allen won the award in 2016, Asia Durr in 2018 and 2019, and Dana Evans in 2020 and 2021. He also coached Angel McCoughtry to Big East Player of the Year honors in 2007.

After being hired as the Cardinals' head coach on March 27, 2007, the Bluegrass State native used little time to make a splash. His first year featured the program's first NCAA Sweet 16 and it culminated with Louisville earning the No. 12 ranking in the final ESPN/USA Today Coaches Poll. For his efforts, Walz was named the WBCA Maggie Dixon Rookie Coach of the Year.

Prior to taking the reins at Louisville, Walz spent five seasons at Maryland, including his final season as the associate head coach in 2006-07. The season prior, he helped lead the Terrapins to a school-record 34 wins and the program's first national title.

Walz has four children: daughter Kaeley, son Jacob, and daughters Lola and Lucy. He married the former Lauren Lueders in September of 2012, and the couple resides in Louisville.
