				...quarter ends		
				SCORE: NOTRE DAME 10, USC 6.		

LOCKERROOM: NOTES FROM USC HEAD COACH LARRY SMITH:

"Anytime you score 6 points against Notre Dame, you don't have a very good chance of winning. Our defense played well, and our kicking game was good. We moved the ball offensively but we didn't score. We had the opportunities but we didn't capitalize. If you could point to one thing, it's the dropped passes. We made a surge at the end, but then the penalty and again we had some dropped passes.

"We got in the red zone, but we didn't get enough points. Instead of 2 touchdowns or a touchdown and 2 field goals, we got only the 2 field goals.

"We have nothing to be ashamed of. I'm proud of our kids. [The bowl game] is the best possible scenario for us. It's on New Year's Eve Day, it's on national television, and it's against a great Michigan State team. We have to look at the opportunity in front of us.

(Did you envision low-scoring, defensive struggle?): "I don't go into games envisioning anything. You can't sit around worrying about those things. You just go with the flow. We knew at halftime that we would have to score points. We scored 3 [in the second half] and that certainly wasn't enough.

(Was the last spot a bad one?): "I can't say. I wasn't there. I thought the receiver was held before the play, though. That's my argument. I thought he was grabbed and held.

"We had 3 or 4 passes that went in and out of receivers hands. Those were big plays. We could have gotten down field and kept drives going."

FROM RECEIVER GARY COLLINS:

(on the spot on the final pass play): "I thought I dove and put the ball over the first down marker. The official didn't think so. He marked my body but not the ball. I extended the ball with my arms.

"We've never beaten them since I've been here. It's frustrating.

"I don't think we have any excuses. I didn't think the receivers played well at all. We can't blame it on anything. It's just a lack of concentration. We didn't make the big plays."

"I thought it would be a high-scoring game, especially when we first came out and moved the ball down the field. But then we got down inside the 20 and couldn't punch it in.

"After Nazio made the big play on the last drive, I thought we could do it."

FROM INSIDE LINEBACKER SCOTT ROSS:

--- "You know how I feel. I feel terrible. I'm proud of our defense. We gave 100 percent, gave our all. I'm going to hold my high walking out of here. There was not ~~mix~~ 1 play that all 11 guys on defense were not taking it to them.

"Our X defense played like it did against Penn State. We had a goal line stand that game, too. That changed the momentum in that one and was a turning point. I thought it would be the same situation here."

FR. A QUARTERBACK TODD MARINOVICH:

"I couldn't believe the last call. I expect to be honored in ~~the~~ South End, but not in the Coliseum. It's disappointing to end on that note. I don't know where he spot it. It was just a bad spot. It's shocking.

(Was last penalty on you?): "Yes. It was well-deserved, too."

"We were just taking what they gave us. We moved the ball well but didn't get into the end zone. I knew it would come down to the last series. I was hoping my hands would have the ball. That's what happened."

LOCKER ROOM QUOTES FROM NOTRE DAME'S LOU HOLTZ:

It was a typical USC-Notre Dame football game. It turned out to be a defensive struggle, which surprised a lot of people. I thought we played good ground control football without a lot of turnovers. Our defense was excellent. We gave up no big plays and played against the ~~we~~ run very well.

This was a difficult and very distracting week. By Thursday's practice, I had no idea how we'd play, although if I was a betting man I might have bet against us playing this well.

We accept the Orange Bowl invitation holding our heads high. We played a very difficult schedule and lost 2 games in the last 40 seconds.

I don't have any intention of leaving Notre Dame. Maybe some of the fans want me to though. It's been a very difficult and exhausting year. I've had to drink all the milkshakes and eat all the candy I could just to keep my weight up. I had a good friend call me last week to tell me how horrendous I look.

I was very impressed with USC's young defense. They have a very bright future. This will be a team to be reckoned with next year. We should have been able to put it away when we had the chance inside the 5 yard line, but (Rick) Mirer slipped on second down and on fourth down Derek Brown said he had his arms pulled down before he had a chance to catch the ball.

It's been a weird year for us. The ~~team~~ defense, offense and kicking game never came together and complemented each other, except for maybe today.

GAME NOTES:

Notre Dame has won 8 straight ~~and~~ over USC and now leads the series, 35-23-4.

Tonight's attendance--91,639--is the fourth highest mark since the Coliseum was remodeled in 1964.

Notre Dame's 10 points tonight ~~was~~^{are} its fewest this season and since losing to Miami 27-10 in 1989.

With 9 receptions for 101 yards tonight, Gary Weisman set a new USC single season receiving yardage record. He now has 996 yards (topping the old Trojan record of 973 by Jeff Simmons in 1982). His 9 catches match his season high (vs. Cal and Penn State). He's now caught at least one pass in 22 consecutive games.

Mazio Royster, with 51 yards tonight, topped the ~~the~~ 1,000-yard barrier with 1,043 yards in 1990 and becomes only the 3rd sophomore ~~and~~ to do so. It is the 19th time a Trojan ~~has~~ has rushed for over 1,000 yards in a season. He joins Charles White (1977) and Anthony Davis (1972) as the only Trojan sophomore to rush for a 1,000 yards in a season.

Todd Marinovich's 26 completions were a season high. With ~~26~~ 273 yards passing tonight, he now has 2,249 yards this ~~season~~ season and joins Rodney Peete as the only Trojan quarterbacks to pass for ~~2~~ over 2,000 in 2 separate seasons.
