HAWAII VS. NOTRE DAME
Nov. 30, 1991 - Aloha Stadium
Honolulu, Hawaii

POST GAME QUOTES AND NOTES

NOTRE DAME HEAD COACH, LOU HOLTZ:

"PLAY LIKE A CHAMPION TODAY!" (A slogan hung outside the ND lockerroom prior to entering the lockerroom)

"The first 20 minutes we played well; we were sharp and alert, then we reverting to missing tackles, assignments and their fullback. There were a lot of good things we did the first 20 minutes, but the final 40 minutes were very discouraging. There were times where we tackled well and other times where we let them free. We had problems containing their quarterbacks. I was impressed with #4 (Jasper). We had six defensive starters out including three linebackers, but the replacements did a good job for the most part. There's no way in this world that we can give up that many points and expect to win. Clint Johnson had done a good job on the scout team last week and he said 'I'll run north and south'."

"This football team keeps making it an uphill climb. Their (Hawaii) offensive coordinator did a nice job mixing up the plays and using the misdirection."

HAWAII HEAD COACH, BOB WAGNER:

"Tonight we had a chance to pull it out, we just dug ourselves too big a hole. I told the guys be very proud of their effort ... at the same time, we played to win and don't take consolation in coming close. But certainly, I can't say enough about their spirit and how they played.

What we didn't do was win the kicking game. We had that big kickoff return and we just didn't play good enough defense. And it's really unfortunate because we had every opportunity to play a little better on defense and play a little better in the kicking game, and we just didn't.

What we tried to preach and coach is never, never quitting, hanging in there, playing hard. We talked about it a couple months ago we could have either quit or gone on, and we've gone on. We take pride in our effort, pride in competing and take no consolation in losing. Because if you take consolation in close losses, you are going to have close losses."
